PUBLIC WAY EASEMENT AGREEMENT

THIS AGREEMENT (the "Agreement") is entered into as of this _____ day of _____, 2019 (the "Effective Date"), by and between the **City of Chicago**, an Illinois Home Rule municipality (the "City"), by and through its Department of Transportation ("CDOT"), and **535 North Michigan Venture, LLC**, a Delaware limited liability company ("Michigan Owner") and **160 E. Grand Avenue Associates, LLC**, a Delaware limited liability company ("Grand Owner"), (Michigan Owner and Grand Owner are hereinafter collectively referred to as the "Grantees.")

WITNESSETH:

WHEREAS, Michigan Owner is the owner of the property legally described in **Exhibit A** which is attached and incorporated ("Michigan Abutting Property"); and

WHEREAS, Grand Owner is the owner of the property legally described in **Exhibit B** which is attached and incorporated ("Grand Abutting Property") (collectively, the Grand Abutting Property and Michigan Abutting Property are known as "Abutting Properties"); and

WHEREAS, the Grantees have jointly proposed to construct, install and maintain an approximately twenty (20) foot wide publicly accessible deck structure with a pedestrian promenade to be built over the Grand Avenue public way adjoining the Abutting Properties and Upper Michigan Avenue with one (1) publicly accessible stairway and an elevator and building space needed for public access to the elevator, all as currently exists in the Grand Abutting Property ("Elevator") to provide pedestrian

access between Upper Michigan Avenue and lower level Grand Avenue, in accordance with the drawing attached and incorporated as **Exhibit C** ("Project"); and

WHEREAS, the Project will have the effect of improving pedestrian access between upper Michigan and lower Grand Avenues and will benefit the Abutting Properties by improving access and visibility for commercial and other tenants and improving the value of the Abutting Properties; and

WHEREAS, the Project will require the use of the public right-of-way of east Grand Avenue, including the air space in and above the street and sidewalk in such public way; and

WHEREAS, the City and Grantees desire to grant mutual easements for the Project;

NOW, THEREFORE, in consideration of the foregoing recitations, which by this reference are incorporated herein, and the mutual covenants contained hereinafter, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the parties, the Michigan Owner, Grand Owner and City agree as follows:

1. **Grant of Public Way Easement.** The City hereby grants and conveys to Michigan Owner, and the Michigan Owner hereby accepts from City, an easement in and to the ground and air rights in Grand Avenue as legally described and depicted in **Exhibit D** which is attached and incorporated ("Public Way Easement Areas") solely for purposes of installing, constructing, using, operating, maintaining, inspecting, repairing, replacing, reconstructing and removing the Project in accordance with this Agreement. This easement shall be known as the Michigan Public Way Easement.

The City hereby grants and conveys to Grand Owner, and the Grand Owner hereby accepts from City, an easement in and to the ground and air rights in the Public Way Easement Areas for purposes of installing, constructing, using, operating, maintaining, inspecting, repairing, replacing, reconstructing and removing the Project in accordance with this Agreement. This easement shall be known as the Grand Public Way Easement.

The parties may, by agreement of Grantees and the City's Commissioner of CDOT ("Commissioner"), substitute revised legal descriptions for the Public Way Easement Areas described in **Exhibit D**, provided that such legal descriptions describe substantially the same property as that described in **Exhibit D**.

2. **Grant of Elevator Easement.** The Grand Owner hereby grants and conveys to City, and the City hereby accepts from the Grand Owner, an easement in and to the portion of the Grand Abutting Property depicted in **Exhibit E** ("Elevator

Easement Area") for purposes of providing the public with use of and access to use the Elevator in accordance with this Agreement. This easement shall be known as the Elevator Easement.

The Grand Owner shall permit the public to use and access the Elevator between the hours of 8:00 a.m. and 10:00 p.m. daily. The Grand Owner must post on the pedestrian deck and on the lower Grand Avenue level of the Grand Abutting Property maps (at least one map at each location) that show (a) the location of the closest elevator that is open to the public during the hours of 10:00 p.m. and 8:00 a.m. and can be used to travel to/from lower Grand Avenue from/to upper Michigan Avenue. Such maps, and the locations at which such maps are posted, are subject to the prior written approval of the Commissioner of the Mayor's Office for People with Disabilities. The Grand Owner shall keep the Elevator, and the rest of the Elevator Easement Area in good repair and working condition for public use at all times, subject to reasonable maintenance, replacement and repair schedules. Grand Owner may reasonably regulate the use of the Elevator Easement Area and impose reasonable conditions on the use of the Elevator Easement Area, subject to the City's reasonable approval of such regulations and conditions which approval shall not be unreasonably withheld or denied and which approval shall be granted by the City only in accordance with all applicable Federal, State and local statutes, ordinances, rules, regulations, orders, judgments, regulations, administrative rulings and other exercises of governmental authority ("Law") including those regarding accessibility standards for persons with disabilities or environmentally limited persons, such as: (1) the Americans with Disabilities Act of 1990, 42 U.S.C. 12101, et seq., and the regulations promulgated thereunder, (2) the Illinois Environmental Barriers Act (410 ILCS 25/1 et seq. (1996)), (3) "The Illinois Accessibility Code", 71 Ill. Adm. Code 400, and (4) applicable codes and ordinances of the City of Chicago, Cook County and State of Illinois.

In connection with the rehabilitation or redevelopment of the Elevator Easement Area, Grand Owner may request the City's approval of the reconfiguration and/or relocation of any portion of the Elevator Easement Area, including replacement or rehabilitation of the Elevator. Upon receiving such a request, the City's Commissioner of Transportation ("Commissioner") shall review the request to determine if it provides substantially similar or equally convenient public access, and upon being so satisfied, shall approve the work. Commissioner may condition the approval on the Grand Owner's providing assurances or agreeing to conditions that are intended to assure continued public use in accordance with the terms and conditions of the Elevator Easement.

Grantees both warrant to City that Grand Owner has sufficient title and interest in and to the Grand Abutting Property to enter into this Agreement and bind the Grand Abutting Property with the Elevator Easement.

3. **Term.** Subject to the provisions of Section 18 hereof, the term of the Public Way Easement and the Elevator Easement shall each be thirty (30) years commencing with the Effective Date hereof.
4. **Grantees' Obligation to Fund the Project.** The Grantees, at their sole cost and expense, shall be responsible for and pay for the design, construction, installation, alteration, protection, operation, maintenance, inspection, repair, replacement reconstruction and, as required or authorized herein, removal of improvements as authorized or required pursuant to this agreement, equipment and facilities of the Project and all other improvements, facilities and equipment that are reasonably necessary or appropriate for the use or enjoyment of the Project by the public, including the Elevator and Lift. The Grantees shall be responsible and pay for a) all utility expenses incurred with respect to the operation of the Project including those within the Public Way Easement Areas and the Elevator Easement Area; and b) all removals of the Project or any part thereof as authorized or required pursuant to this Agreement.
5. **City Approval.** Grantees represents to City that the Project was completed in accordance with Law under Grantee's direct supervision prior to execution of this Agreement. Prior to the commencement of any substantial work for the construction, installation, alteration, protection, maintenance, inspection, repair, inspection, repair, replacement, or reconstruction of the Project ("Project Work"), the Grantees shall prepare and deliver to the Commissioner for review and approval proposed plans and specifications for the Project Work, including anticipated closures, which shall be in compliance with this Agreement including **Exhibit C**. The Commissioner shall make all reasonable effort to approve or reject the plans and specifications within fifteen (15) business days of receipt. The Grantees shall expressly warrant with delivery of the proposed plans and specifications that they have been prepared under the direct supervision of the Grantees, and are or will be in full compliance with Law. Upon approval, the plans and specifications shall be known as the Project Plan.
6. **Utilities and public service facilities adjustments.** The Grantees shall be responsible for obtaining permits and approvals, and paying for any and all removals, relocations, alterations, additional maintenance and restorations of or to any utility or public service structures or facilities that either the Grand Owner or Michigan Owner interferes with the Project or has a negative impact on surrounding City improvements, such as pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and similar items, and including any City-owned or City-controlled structures or facilities located in or adjacent to the Public Way Easement Areas, which work is, in the opinion of the Commissioner, reasonably necessary or appropriate for the Project or the Project Work. The Grantees shall be responsible for obtaining the required permits, consents and approvals from, and making suitable arrangements with all entities

owning or having an interest in such structures and facilities, including any department of the City.

7. **Completion of Construction.** The Grantees shall diligently pursue and complete all Project Work on a timely basis.
8. **Restriction on Uses within Public Way Easement Areas.** Except for (a) temporary closures that are reasonably required to perform routine maintenance, replacement and repairs for which the Grantees provided ten (10) business days advance written notice to the City, or (b) in circumstances where the closing of some or all of the Project and the Easement Area is reasonably necessary to avoid or minimize a substantial risk of imminent injury or death of any person, or substantial property damage or destruction ("Emergency") and the Grantees have provided City with notice(s) as are reasonable under the circumstances, including telephone and/or email notices, the Project shall be open and available for the use by the public twenty-four (24) hours a day, seven (7) days a week, every day of the year. Except for the operation of a sidewalk café on the Project for which a valid Sidewalk Café Permit has been issued by the City's Department of Business Affairs and Consumer Protection, or as may be authorized by other grants of rights to use or occupy the public way, and except for temporary closures due to routine maintenance, replacement and repairs or emergencies as stated above, the Grantees shall not authorize any use of the Abutting Properties, including the Elevator Easement Area, or the Public Way Easement Areas for any purpose that will substantially interfere with the use of the Project, the Elevator Easement, or the public ways by the public. Subject to the foregoing, the Grantees may utilize portions of the Abutting Properties other than the Elevator Easement Area for entertainment, exhibits, displays and commercial activities, provided that such activities shall not, in the reasonable opinion of the Commissioner, substantially interfere with the public's use of the Project described in this Agreement.
9. **Compensation.** Because the installation, construction, use, alteration, protection, operation, maintenance, inspection, repair, replacement, reconstruction and removal of the Project in accordance with this Agreement, and the grant to City of the Elevator Easement, will benefit the public by improving access to, from and through the public ways as required by the law of public trust pursuant to which the City holds legal title to the Public Way Easement Areas on behalf of the people of the State of Illinois, the compensation for the grants of the Public Way Easement shall be a one-time payment by each Grantee of \$10.00.
10. **Maintenance.**
 - a. The Grantees shall maintain the Project and any portion of the Abutting Properties supporting or serving the Project so that they do not materially and adversely interfere in any way with the Elevator Easement or any use

of the public way by the City, the public or any person or entity authorized to use or occupy the public way in accordance with applicable Law subject to temporary closures described in Section 8 above. In addition, the Grantees shall maintain the Public Way Easement Areas and the Elevator Easement Area and those portions of the Project and all portions of the Abutting Properties supporting or serving the Project in a neat, clean and usable condition consistent with the public use required by this Agreement and the Project Plan, and consistent with the general custom and practice of owners of Class A office and commercial buildings in the Central Business District of Chicago.

- b. The Grantees shall cooperate with the City, or any other person or entity acting under the direction of or with authority granted by the City to use and occupy the public way, concerning the coordination of uses of the public way, the Elevator Easement, or City owned property adjacent thereto. The Grantee shall provide prompt responses to inquiries, attending meetings and site visits, and providing complete disclosures of information concerning the Project and their potential involvement in any proposed or existing use of the public way.
- c. The Grantees shall provide adequate directional signage within the Public Way Easement Areas and the Elevator Easement Area to indicate the location of stairways, elevators, exits providing access to Grand Avenue and Michigan Avenue.

11. City has no maintenance or operational duties. The Grantees acknowledge that City is not responsible for the operation, maintenance, repair of or security of the Project or the Abutting Properties or the Public Way Easement Areas, and City has no obligations with respect thereto. Notwithstanding the foregoing, in the event that the Project or any portion of the Abutting Properties supporting or serving the Project or the Elevator have not been maintained in compliance with this Agreement, the City may send both Grantees a written notice of such noncompliance. In the event that such noncompliance is not cured by either Grantee within thirty (30) days after receipt of such notice of noncompliance ("Cure Period"), then City may cause the correction of the noncompliance and the Grantees shall reimburse City its costs and expenses reasonably incurred in making such corrections within ten (10) days of receipt of a notice from City detailing such costs and demanding payment; provided however, that, in the event that noncompliance cannot reasonably be cured, or cause to be cured within thirty (30) days after written notice, and either Grantee has notified the City of such fact along with an estimate of the time needed for completion of the cure, and the Grantees are proceeding diligently to make, or cause to be made, the cure, then Cure Period shall be extended by such additional time as is reasonably required and is stated in the notice to cure the non-compliance. Notwithstanding the foregoing, in the event that City discovers that a condition of

the Project or in, on, over or under the Public Way Easement Areas constitutes an Emergency, then City may provide such notices to the Grantees as are reasonable under the circumstances, including telephone and/or email notices, City may take all reasonable actions necessary to reduce and/or remove the Emergency. In such event, Grantees shall reimburse City for all actual costs incurred in connection with addressing such Emergency within thirty (30) business days of receipt of a notice from City detailing such costs and demanding payment therefor

12. **Removal and Restoration.** Upon expiration or termination of some or all of the Public Way Easement, the Grantees, without cost or expense to the City, shall promptly remove the such portions of the Project (excluding subgrade foundations) from the Public Way Easement Areas and the adjacent public ways, and shall restore them to the extent altered or disturbed by the installation, construction, use, operation, inspection, maintenance, repair, replacement or removal of the Project, and all work related thereto, to a proper condition under the supervision and to the reasonable satisfaction of the Commissioner and in accordance with the Law. In the event that Grantees fail to perform any such removal and restoration as required in this Section, then then City may cause the performance of such removal and restoration, and the Grantees shall reimburse City its costs and expenses reasonably incurred in performing such removal or restoration within thirty (30) days of receipt of a notice from City detailing such costs and demanding payment;
13. **Indemnity.** To the full extent under the Law, the Grantees shall indemnify, defend and hold harmless the City, its officers, officials, agents and employees from and against any and all liability, loss, damage, costs and expenses (including reasonable attorneys' fees) for injury to person or death or property damage ("Claim") arising out of or resulting from the Project Work, the Grantees' duties associated with Elevator, and the Elevator Easement Area, and the use of the Public Way Easement Areas by Grantees, and their respective agents, employees, lessees, permittees, licensees, or invitees including the members of the public ("Grantees Parties"). To the extent permissible by Law, the Grantees hereby waive any limits to the amount of its obligations to indemnify, defend or contribute any sums due under any losses, including any claim by an employee of City, Grantees or a contractor that may be subject to the Workers Compensation Act, 820 ILCS 305/1 et seq or any other law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)).
14. **Insurance.** Grantees shall at all times maintain in full force and effect policies of insurance with the coverages and endorsements identified in **Exhibit F** which is attached and incorporated. In the event that after the Effective Date the Grantees shall perform, or retain or utilize an employee, contractor, agent or any other person or entity ("Grantees Agent") to perform any Project Work, or any work in the Public Way Easement Areas or any duties associated with the

Elevator, and the rest of the Elevator Easement Area, then prior to commencing such work, Grantees shall either add or require the Grantees Agent to add the City as additional insureds on applicable policies of insurance and endorsements covering the work as identified for such work in **Exhibit G** which is attached and incorporated.
