Title:	Long-term easement agreement with Tribune Tower West (Chicago) Owner, LLC for existing vaults under portions of E Illinois St and N Michigan Ave
Committee(s) Assignment:	Committee on Transportation and Public Way

ORDINANCE FOR LONG TERM EASEMENT

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant a long term easement for existing vaults under the public streets described in the following ordinance; and

WHEREAS, Tribune Tower West (Chicago) Owner, LLC ("Grantee") is the owner of the property commonly identified as 137-165 E. Illinois Street and 431-451 N. Michigan Avenue (the "Property"); and

WHEREAS, the Property is improved with the existing Tribune Tower (the "Tower"), which has heretofore been designated as a Chicago Landmark under Chapter 2, Article XVII of the Chicago Municipal Code (Section 2-120-580 *et seq.*), and which is listed on the National Register of Historic Places as a contributing building within the Michigan-Wacker Historic District; and

WHEREAS, the Property is bounded on the north by E. Illinois Street and on the west by N. Michigan Avenue, both of which were dedicated as public rights of way by Kinzie's Addition to Chicago, the plat of subdivision establishing the lots comprising the Property and other nearby land; and

WHEREAS, Kinzie's Addition to Chicago was acknowledged and filed for record in 1833, and recorded in 1834, prior to passage of the law now known as the Illinois Plat Act (the "Original Plat Act"); and

WHEREAS, the Original Plat Act established the statutory procedures for dedicating rights of way, and provided that fee simple title in the streets of plats thereafter recorded became vested in the public; and

WHEREAS, the Original Plat Act modified the common law rule that that title to dedicated streets is vested in the owners of property adjoining the streets, subject to a public easement for right of way purposes; and

WHEREAS, the rights of the public and private persons in streets of plats created prior to the passage of the Original Plat Act continue to be governed by the common law; and

WHEREAS, the Kinzie v. Winston, 56 Ill. 56 (1870), the Illinois Supreme Court acknowledged that Kinzie's Addition to Chicago effected a common law dedication, as opposed to a statutory dedication, of platted streets for public use, and that the public holds an easement interest, not a fee interest, in the streets; and

WHEREAS, as a result of this common law dedication, and in accordance with the Kinzie decision, Owner continues to own the fee in the portions of E. Illinois Street and N. Michigan Avenue bordering the Property to the center of those streets and retains every right not inconsistent with the necessities of the public; and

WHEREAS, the City has historically used, and presently uses, E. Illinois Street and N. Michigan Avenue, adjacent to the Property, as decked, bi-level streets and sidewalks accommodating vehicular and pedestrian traffic, with an upper level located at the level of primary building entrances and a lower level providing access to loading docks, service areas, and parking areas; and

WHEREAS, the Tower, which was completed in 1925, consists of approximately 36 stories located at and above upper level E. Illinois Street and N. Michigan Avenue, and approximately seven levels located at and below lower level E. Illinois Street and N. Michigan Avenue; and

WHEREAS, portions of the Tower (hereinafter "Tower Vaults") located below lower level E. Illinois Street and N. Michigan Avenue extend northward and westward beyond the legally described Property boundaries, directly under the improvements comprising E. Illinois Street and N. Michigan Avenue, including portions of the Tower housing mechanical and service equipment, service elevators, elevator pits, and storage rooms; and

WHEREAS, the location of the Tower Vaults is more fully described on the Plat of Easement attached hereto and made a part hereof as Exhibit A (the "Tower Easement Area"); and

WHEREAS, the Tower Easement Area is intended to correspond to the existing limits of the Tower Vaults, based on available information regarding the location of the exterior limits of the existing Tower Vaults; and

WHEREAS, Owner is currently rehabilitating the Tower to adaptively reuse the Tower for residential uses, with ground floor commercial spaces, and in connection therewith, Owner requires the use of the Tower Vaults, for the continued operation and the adaptive reuse of the Tower; and

WHEREAS, as owner of fee simple title to the center of the streets bordering the Property, Owner has a right to occupy the Tower Easement Area and use the existing Tower Vaults without payment of compensation to the City, so long as such occupation and use does not interfere with the public easement; and

WHEREAS, the Department of Transportation has determined that Owner's use of the Tower Easement Area for the Tower Vaults will not interfere with the public right of way uses associated with E. Illinois Street and N. Michigan Avenue, and that the adaptive reuse of the Tower will promote the general welfare of the City by encouraging the continued use, preservation, and rehabilitation of a Chicago Landmark, in fulfillment of the purposes set forth in Chapter 2, Article XVII of the Chicago Municipal Code (Section 2-120-580 *et seq.*); and

WHEREAS, the City is willing to grant Grantee an easement on substantially the same terms and conditions set forth in the Easement Agreement (the "Easement Agreement") attached hereto and incorporated herein as **Exhibit B**; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The foregoing recitals are hereby incorporated herein and adopted as the findings of the City Council.

SECTION 2. The Commissioner of the Department of Transportation (the "Commissioner") is hereby authorized, subject to the approval of the City's Corporation Counsel as to form and legality, to execute and deliver the Easement Agreement between the Grantee and the City, in substantially the form attached thereto as **Exhibit B** and made a part hereof, and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of the Easement Agreement.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. Grantee, as owner of fee simple title to the center of the streets bordering the Property, has no obligation to compensate the City for the Easement Agreement since Grantee has a right to occupy the Tower Easement Area and use the existing Tower Vaults, so long as such occupation and use does not interfere with the public easement.

SECTION 5. The Easement Agreement herein provided for is made upon the express condition that within one hundred eighty (180) days after the passage of this ordinance, Grantee shall file or cause to be filed for recording in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance, the fully-executed Easement Agreement, and the accompanying Plat of Easement as approved by the Department of Transportation's Superintendent of Maps and Plats.

SECTION 6. The easement shall take effect upon recording of the ordinance, the Easement Agreement and the approved Plat of Easement.

EASEMENT AGREEMENT **(Tribune Tower Sublevel Building Areas)**

This EASEMENT AGREEMENT (the “**Agreement**”) is entered into as of this ____ day of _____, 2020, by and between the CITY OF CHICAGO, an Illinois home rule municipal corporation, by and through its Department of Transportation, (the “**City**”) and TRIBUNE TOWER WEST (CHICAGO) OWNER, LLC, a Delaware limited liability company (“**Owner**”). City and Owner together shall be referred to herein as the “**Parties**”.

RECITALS

A. Owner is the owner of the property located at 435 N. Michigan Avenue, Chicago, Illinois, which is legally described on Exhibit A attached hereto and made a part hereof (the “**Property**”). The Property is improved with the existing Tribune Tower (the “**Tower**”), which has heretofore been designated as a Chicago Landmark under Chapter 2, Article XVII of the Chicago Municipal Code (Section 2-120-580 *et seq.*), and which is listed on the National Register of Historic Places as a contributing building within the Michigan-Wacker Historic District.

B. The Property is bounded on the north by E. Illinois Street and on the west by N. Michigan Avenue, both of which were dedicated as public rights of way by Kinzie’s Addition to Chicago, the plat of subdivision establishing the lots comprising the Property and other nearby land.

C. Kinzie’s Addition to Chicago was acknowledged and filed for record on February 22, 1833, and recorded on February 18, 1834, prior to passage of the law now known as the Illinois Plat Act (the “**Original Plat Act**”). The Original Plat Act became law on February 27, 1833, and established the statutory procedures for dedicating rights of way. The Original Plat Act further provided that fee simple title in the streets of plats thereafter recorded became vested in the public. This legislation modified the common law rule that that title to dedicated streets is vested in the owners of property adjoining the streets, subject to a public easement for right of way purposes.

D. The rights of the public and private persons in streets of plats created prior to the passage of the Original Plat Act continue to be governed by the common law.

E. In Kinzie v. Winston, 56 Ill. 56 (1870), the Illinois Supreme Court acknowledged that Kinzie's Addition to Chicago effected a common law dedication, as opposed to a statutory dedication, of platted streets for public use, and that the public holds an easement interest, not a fee interest, in the streets. As a result, and in accordance with the Kinzie decision, Owner continues to own the fee in the portions of E. Illinois Street and N. Michigan Avenue bordering the Property to the center of those streets and retains every right not inconsistent with the necessities of the public.

F. The City has historically used, and presently uses, E. Illinois Street and N. Michigan Avenue, adjacent to the Property, as decked, bi-level streets and sidewalks accommodating vehicular and pedestrian traffic, with an upper level located at the level of primary building entrances and a lower level providing access to loading docks, service areas, and parking areas.

G. The Tower, which was completed in 1925, consists of approximately 36 stories located at and above upper level E. Illinois Street and N. Michigan Avenue, and approximately seven levels located at and below lower level E. Illinois Street and N. Michigan Avenue. Portions of the Tower (hereinafter "**Tower Vaults**") located below lower level E. Illinois Street and N. Michigan Avenue extend northward and westward beyond the legally described Property boundaries, directly under the improvements comprising E. Illinois Street and N. Michigan Avenue, including portions of the Tower housing mechanical and service equipment, service elevators, elevator pits, and storage rooms. The location of the Tower Vaults is described and depicted on Exhibit B attached hereto and made a part hereof (the "**Tower Easement Area**"). For purposes of this Agreement, the Tower Easement Area is intended to correspond to the existing limits of the Tower Vaults, based on available information regarding the location of the exterior limits of the existing Tower Vaults.

H. Owner is currently rehabilitating the Tower to adaptively reuse the Tower for residential uses, with ground floor commercial spaces. In connection therewith, Owner requires the use of the Tower Vaults, for the continued operation and the adaptive reuse of the Tower.

I. As owner of fee simple title to the center of the streets bordering the Property, Owner has a right to occupy the Tower Easement Area and use the existing Tower Vaults without payment of compensation to the City, so long as such occupation and use does not interfere with the public easement.

J. The City has determined that Owner's use of the Tower Easement Area for the Tower Vaults will not interfere with the public right of way uses associated with E. Illinois Street and N. Michigan Avenue, and that the adaptive reuse of the Tower will promote the general welfare of the City by encouraging the continued use, preservation, and rehabilitation of a Chicago Landmark, in fulfillment of the purposes set forth in Chapter 2, Article XVII of the Chicago Municipal Code (Section 2-120-580 *et seq.*).

K. The City Council of the City, by ordinance adopted _____, 2020 (the “**Ordinance**”), authorized the City’s execution of this Agreement.

NOW, THEREFORE, in consideration of the above recitals, the mutual covenants herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Grant of Easement Area. The City hereby grants to Owner an exclusive easement (the “**Easement**”) to use and occupy the Tower Easement Area for the use, operation, maintenance, remodel, repair, and replacement, at Owner’s sole cost and expense, of the Tower Vaults. Owner may use the Tower Vaults for any lawful purpose supporting Owner’s use of the Tower, subject to the terms and conditions of this Agreement, provided that nothing herein is intended to or shall limit any existing rights of Owner.

2. Term. The Easement shall be perpetual; provided, however, the Easement and this Agreement shall terminate upon the demolition of the Tower, pursuant to a lawful demolition permit issued pursuant to Section 2-120-825 of the Chicago Municipal Code.

3. Easement Appurtenant. The Easement is an easement appurtenant to the Property and the Tower.

4. Additional Conditions.

(a) Owner may not use or authorize the use of the Tower Easement Area for any purpose that will interfere with the use by the City and the public of E. Illinois Street and N. Michigan Avenue for right of way purposes.

(b) The Tower Vaults and any equipment, machinery, and personal property located therein are part of and appurtenant to the Tower, and Owner shall remain the owner of such property; provided, however, the foregoing excludes any facilities, equipment and/or machinery clearly labeled or identified as belonging to the City of Chicago and the electric distribution facilities owned by Commonwealth Edison.

(c) Owner may from time to time replace or remodel all or any portion of the Tower Vaults.

(d) Owner shall obtain all necessary permits and approvals required for the exercise of the Easement rights granted herein, including without limitation building permits required for maintenance, repair, remodel, and/or replacement.

(e) Owner shall be responsible for obtaining approvals of and paying for any and all removals, relocations, alterations, additional maintenance and restorations of or to any utility or public service structures or facilities, or any structures or facilities located in or adjacent to the Tower Easement Area which are owned by the City, which are or may be necessary or appropriate to Owner’s exercise of the Easement rights granted herein. Owner shall be responsible for

obtaining the consent of and making suitable arrangements with all entities owning and having an interest in such structures and facilities, including any City department.

(f) Owner's exercise of the Easement rights granted herein shall comply with all federal, state and local laws and regulations.

(g) Owner acknowledges that the City is not responsible for the operation, maintenance, repair and/or replacement of the portions of the Tower located in the Tower Easement Area, or any Owner- or resident-owned private property or any appurtenances or equipment located therein, except with respect to facilities and improvements that are owned by the City including without limitation structural elements designed to support the E. Illinois Street or N. Michigan Avenue right of way infrastructure which may be located in the Tower Easement Area, such as structural support columns, beams and joists. Owner further acknowledges that this Easement shall not be construed to create a duty of care or responsibility by the City for any damage resulting from the building's proximity to or connection to City of Chicago public facilities located within or adjacent to the Tower Easement Area. Prior to accessing the City-owned facilities in the vicinity of the Tower Easement Area for the purpose of performing any work on or reviewing the condition of such facilities, the City shall provide reasonable notice to Owner or the building management office (as indicated by plaques installed on-site) of the intent to perform such work and the location of such work. With respect to any City-owned facilities located within the Tower Easement Area, if any, Owner shall provide reasonable access to such City-owned facilities.

(h) Owner shall be responsible for any and all utility and operational expenses incurred with respect to the operation, maintenance, repair, and/or replacement of the portions of the Tower located in the Tower Easement Area.

(i) This Agreement shall not be construed to grant rights to Owner relative to the City-owned tunnels or tunnel appurtenances (whether now known or discovered later). Any alterations or installations of bulkheading to separate the Tower from such tunnels, if any, shall require review and written approval by the Department of Transportation prior to such alterations or installations. Owner shall not construct any new building improvements within the public right of way outside of the Tower Easement Area without review and prior written determination of the Department of Transportation (and any other City departments or agencies, as applicable, based upon a standard utility review as conducted through CDOT's Office of Underground Coordination), which determination shall not be unreasonably delayed or withheld, and approval of City Council. Improvements or changes to the surface or subsurface must be submitted to and approved by the Department of Water Management prior to construction. Owner shall be responsible for any facility relocations or adjustments, if any, required due to Owner's work within the Tower Easement Area. Owner shall be responsible for any damage to City-owned facilities located within or adjacent to the Tower Easement Area caused by Owner's performance of any work at or to the Tower.

5. Insurance. Owner shall procure and maintain at all times the types and amounts of insurance set forth below with insurance companies authorized to do business in the State of Illinois and provide the City with evidence of such insurance, to the satisfaction of the City,

covering Owner's exercise of the Easement rights granted under this Agreement, whether performed by Owner or any of its contractors or subcontractors ("**Contractors**").

(a) Worker's Compensation and Employer's Liability Insurance. Worker's Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this Agreement, and Employer's Liability Insurance with limits of not less than \$1,000,000 each accident or illness.

(b) Commercial General Liability Insurance (Primary and Umbrella). Commercial General Liability Insurance, or equivalent, with limits of not less than \$5,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverage shall include, at a minimum, all premises and operations, products/completed operations, independent contractors, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago shall be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the exercise of the Easement rights granted under this Agreement.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the exercise of the Easement rights granted under this Agreement, Owner shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than \$2,000,000 per occurrence for bodily injury and property damage. The City of Chicago shall be named as an additional insured with respect to such coverage on a primary, non-contributory basis.

(d) Professional Liability Insurance. When any architects, engineers, construction managers or other professional consultants perform work in connection with this Agreement, such parties shall procure and maintain Professional Liability Insurance covering acts, errors, or omissions with limits of not less than \$2,000,000, with coverage including contractual liability. When a policy is renewed or replaced, the policy retroactive date must coincide with, or precede, the start of work under this Agreement. A claims-made policy that is not renewed or replaced must have an extended reporting period of two (2) years.

(e) Valuable Papers. When any plans, designs, drawings, specifications, media, data, records, reports, and other documents are produced or used under this Agreement, Valuable Papers Insurance shall be maintained in an amount to insure against any loss whatsoever, and shall have limits sufficient to pay for the recreation and reconstruction of such records.

(f) All Risk Personal Property. Owner, and its agents, and employees, shall be responsible for all loss or damage to personal property (including, without limitation, materials, equipment, tools and supplies), owned, rented or used by Owner, and its agents, and employees.

Owner shall be responsible for the replacement of the Tower Vaults in the event of a casualty, and shall provide evidence of property insurance in an amount satisfactory to cover such casualty.

Owner shall deliver, and cause its contractors to deliver, to the City certificates of insurance required hereunder. The receipt of any certificate does not constitute agreement by the City that

the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on certificate are in compliance with all requirements set forth herein. The failure of the City to obtain certificates or other evidence of insurance from Owner, or its contractors, as applicable, shall not be deemed to be a waiver by the City of the insurance requirements set forth herein. Owner, and its contractors, shall advise all insurers of the insurance requirements set forth herein. Non-conforming insurance, or failure to submit a certificate of insurance evidencing such coverages, shall not relieve the Owner or its contractors of the obligation to provide insurance as specified herein. The City retains the right to stop work until proper evidence of insurance is provided.

Owner and its contractors, as applicable, shall be responsible for any and all deductibles or self-insured retentions. Owner hereby waives and agrees, and shall cause its contractors to waive and agree, to require their insurers to waive their rights of subrogation against the City, its employees, elected officials, agents, and representatives. Owner expressly understands and agrees, and shall cause its contractors to agree, that any coverages and limits furnished by it (or its contractors, as applicable) shall in no way limit Owner's or its contractors' liabilities and responsibilities specified in this Agreement or by law. Owner expressly understands and agrees that its insurance (or that of its respective contractors) is primary and any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by Owner or its contractors under this Agreement. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law. If Owner or any of its contractors are a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Owner shall require its contractors to maintain the above-described coverage, or Owner may provide such coverage for the contractor(s).

Notwithstanding any provisions in the Agreement to the contrary, the City of Chicago Department of Finance, Office of Risk Management, maintains the right to modify, delete, alter or change these requirements.

6. Indemnity. Owner agrees to indemnify, defend and hold the City, its elected officials and employees (the "**Indemnitees**"), harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorney's fees and court costs) (collectively, the "**Owner Indemnified Costs**") suffered or incurred by the City or such persons arising from the exercise of the Easement rights granted under this Agreement or the Owner's failure to perform its obligations under this Agreement. The foregoing indemnity, defense and hold harmless obligation shall not be construed to require the Owner to indemnify an Indemnatee where the costs arise out of the negligence and/or willful and wanton misconduct of the responsible Indemnatee, including without limitation any amounts payable by reason of an environmental condition of the Tower Easement Area arising from the negligence and/or willful and wanton misconduct of the responsible Indemnatee. This indemnification shall survive any termination of this Agreement, but shall not apply to claims arising from events occurring after such termination.

7. Covenants, Representations and Warranties.

(a) Covenants, Representations and Warranties of Owner.

- (i) Owner is a duly organized and existing limited liability company in good standing under the laws of the State of Delaware and authorized to do business in the State of Illinois.
- (ii) Owner has not received written notice of any litigation or proceedings and, to the best of the Owner's knowledge, no litigation or proceedings are threatened against Owner which could affect the ability of the Owner to perform its obligations pursuant to this Agreement.

- (iv) The parties executing this Agreement on behalf of Owner have been duly authorized by all appropriate action to enter into, execute and deliver this Agreement and perform the terms and obligations contained therein.
- (v) E. Illinois Street and N. Michigan Avenue abutting the Property were dedicated to the City pursuant to common law dedication.
- (vi) Owner has not made or caused to be made, directly or indirectly, any payment gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("**City Contract**") as an inducement for the City to enter into this Agreement or any City Contract with Owner in violation of Chapter 2-156-020 of the Municipal Code of Chicago.

(b) Covenants, Representations and Warranties of the City. The City, by and through the Department of Transportation and the Department of Law, hereby covenants, represents and warrants to Owner that the City has the authority under its home rule powers granted in the Constitution of the State of Illinois, and pursuant to the Ordinance, to enter into, execute, deliver and perform its obligations under this Agreement.

(d) Survival of Representations and Warranties. The representations and warranties of the Owner and the City set forth in this Agreement are true as of the execution date of this Agreement and will survive for a period of one year following the termination of this Agreement.

8. Default. Owner shall be in default hereunder in the event of a material breach by Owner of any term or condition of this Agreement, including but not limited to a representation or warranty, where Owner has failed to cure such breach within sixty (60) days after written notice of breach is given to Owner by City setting forth the nature of such breach. Failure of the City to give written notice of breach to Owner shall not be deemed to be a waiver of the City's right to assert such breach at a later time. If the default is not capable of being cured within the sixty (60) day period, then provided Owner has commenced to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, and thereafter diligently prosecutes such cure through to completion, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, termination of this Agreement.

9. No Lien. Owner shall not permit any lien to stand against the Tower Easement Area or the Tower Vaults for any labor or material in connection with work of any character performed on the Tower Easement Area at the discretion or sufferance of Owner.

10. Compliance with Law. Owner agrees that the Tower Easement Area and Tower Vaults shall be used, and any alterations to the Tower Vaults shall be constructed, installed, used, operated, inspected, maintained, repaired and replaced in complete compliance with all applicable laws, statutes and ordinances.

11. Partial Invalidity. If any clause, sentence or other portion of this Agreement shall become illegal, null or void for any reason, or shall be held by any court of competent jurisdiction to be so, the remaining portion hereof shall remain in full force and effect.

Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity.
