In the event the Grantor is adjudicated to have violated any of Grantor's obligations herein, Grantor shall reimburse Grantee for any costs or expenses incurred in connection with the enforcement of its rights, including court costs and attorneys' fees. In addition to the above remedies, Grantee may record a notice of violation in Cook County, Illinois.

acknowledges that any such failure by Grantee shall in no way affect the validity of this Amended and Restated Easement or any of the other covenants contained herein.

5. **Grantee's Discretion.** Enforcement of the terms of this Amended and Restated Easement shall be at the discretion of Grantee, and any forbearance by Grantee to exercise its rights under this Amended and Restated Easement in the event of any breach of any term of this Amended and Restated Easement by Grantor shall not be deemed or construed to be a waiver by Grantee of such term or of any subsequent breach of the same or any other term of this Amended and Restated Easement or of any of Grantee's rights under this Amended and Restated Easement. No delay or omission by Grantee in the exercise of any right or remedy upon any breach by Grantor shall impair such right or remedy or be construed as a waiver thereof.
6. **Waiver of Certain Defenses.** Grantor hereby waives any defense of laches, estoppel, or prescription.
7. **Access.** Except as otherwise prescribed in Section 2(a) above, no right of access by the general public to any portion of the Protected Property is conveyed by this Amended and Restated Easement.

9. **Indemnity.** Grantor shall indemnify and hold Grantee harmless for any liability, costs, attorneys' fees, judgments or expenses to the Grantee or any officer, employee, agent or independent contractor of the Grantee resulting from actions or claims of any nature by third parties arising from defaults under this Amended and Restated Easement by the Grantor, or arising out of the conveyance by Grantor to Grantee of this Easement (including any such costs and expenses incurred by Grantee in connection with preserving the validity or priority of this Easement), excepting any such matters arising from the negligence or willful conduct of the Grantee.
10. **Mechanic's Liens.** Grantor shall keep the Protected Property free from any mechanic's liens. If any such liens are placed against the Protected Property, Grantor shall promptly cause them to be released or, in the alternative, shall provide Grantee with title insurance reasonably acceptable to Grantee insuring over said liens. Grantee shall have the right to pay any lien if Grantor fails to provide Grantee with title insurance over the lien.
11. **Costs and Liabilities.** Grantor retains all responsibilities and shall bear all costs and liabilities of any kind related to the ownership, operation, upkeep, and maintenance of the Protected Property.
12. **Real Estate Taxes.** Grantor shall pay before delinquency all real estate taxes, assessments, fees, and charges of whatever description levied on or assessed against the Protected Property by competent authority, including any taxes imposed upon, or incurred as a result of, this Easement, and shall furnish Grantee with satisfactory evidence of payment upon request. The Grantee shall have the right to pay such real estate taxes and special

assessments at any time that such taxes and assessments may be delinquent. Grantee agrees to sign any certifications or applications required by law to enable the Grantor to receive real estate tax relief due to the existence of the Easement.

13. **Extinguishment.** This Amended and Restated Easement may only be terminated or extinguished if circumstances arise in the future that render the purposes of this Amended and Easement impossible or impractical to accomplish, and, under such circumstances, this Amended and Easement can only be terminated or extinguished, whether in whole or in part, by judicial proceedings in a court of competent jurisdiction.

14. **Condemnation.** If the Easement is taken, in whole or in part, by exercise of the power of eminent domain, Grantee shall be entitled to compensation in accordance with applicable law provided that any payments that may be due to the state or federal government, including repayment of any tax deduction or benefit, as a result of such eminent domain proceedings shall be paid prior to the distribution of such compensation to Grantee.

15. **Assignment.**

(a) Grantee may assign its rights and obligations under this Amended and Restated Easement only to an organization that is a qualified organization at the time of transfer under Section 170(h) of the Internal Revenue Code of 1986, as amended (or any successor provision then applicable), and the applicable regulations promulgated thereunder, and that is authorized to acquire and hold conservation rights under the Statute (or any successor provision then applicable.) As a condition of such assignment, Grantee shall require the transferee to agree that the conservation purposes that this grant is intended to advance continue to be carried out.

(b) In the event Grantee in the future is dissolved or otherwise ceases to exist, Grantor agrees that this Amended and Restated Easement shall nevertheless continue in full force and effect, except that in such instance the North Park Village Advisory Council, or any successor thereto ("the Designating Body") (or Grantor, if neither the North Park Village Advisory Council nor any successor is in existence at the time) may designate in writing a proposed successor as Grantee hereunder; in the event Grantor does not initially accept such proposed successor or thereafter reach agreement with the Designating Body on a new successor, Grantee within thirty (30) days after receipt of such initial designation by such Designating Body, both Grantor and the Designating Body shall each submit the name of a proposed successor to the Director of the Illinois Department of Natural Resources, who shall then select one of such two candidates as the new successor Grantee, and upon such selection by such Director, such selected candidate shall then and thereafter become and be the Grantee hereunder for all purposes as set forth herein, the same as if such party were named as Grantee at the time of initial execution of this instrument. Upon final determination of such successor Grantee, Grantor agrees to promptly execute an instrument in recordable form setting forth the name of such successor Grantee, and confirming terms, covenants and conditions of this Amended and Restated Easement as inuring to the benefit thereof.

16. **Subsequent Transfers.** Grantor agrees to incorporate this Easement by reference in any deed or other legal instrument by which it divests itself of any interest in all or any portion of

the Protected Property, including, without limitation, a leasehold interest. Grantor further agrees to give written notice to Grantee of the transfer of any interest. Grantor further agrees to give written notice to Grantee of the transfer of any interest at least twenty (20) days prior to the date of such transfer. The failure of Grantor to perform any act required by this paragraph shall not impair the validity of this Amended and Restated Easement or limit its enforceability in any way or result in any liability on the part of the Grantor. Grantee acknowledges that Grantor anticipates transferring part or all the Protected Property to the Park District subject to the foregoing.

17. **Estoppel Certificates.** Upon request by Grantor, Grantee shall within twenty (20) days execute and deliver to Grantor any document, including an estoppel certificate, which certifies Grantor's compliance (or non-compliance, if applicable) with any obligation of Grantor contained in this Amended and Restated Easement and otherwise evidences the status of this Amended and Restated Easement.

18. **Notices.** Unless otherwise expressly provided herein, any notice, demand, request, consent, approval, or communication that either party desires or is required to give to the other shall be in writing and either served personally or sent by certified or registered mail, return receipt requested, postage prepaid, addressed as follows:

or such other address as either party from time to time shall designate by written notice to the other. Service by mail shall be deemed effective on the earlier of (i) actual receipt or (ii) three business days after posting.

19. **Recordation.** Grantee shall record this instrument in the official records of Cook County, Illinois and may re-record it at any time or times as Grantee may, in its sole discretion, deem it advisable to preserve its rights in this Amended and Restated Easement. Grantee may, prior to the fortieth anniversary of the date of this Amended and Restated Easement, first set forth above, and at such other times as Grantee deems necessary, record a claim pursuant to the Illinois Code of Civil Procedure, 735 ILCS 5/13-118, for the purpose of preserving the lien of this Easement in perpetuity.. Nothing contained in this paragraph shall be deemed to constitute an acknowledgement that any such recording is necessary, however, and Grantor and Grantee expressly acknowledge that no such recording is necessary in order to perpetuate the validity or enforceability of this Amended and Restated Easement.

20. **Nature of Conveyance.** The conveyance hereunder constitutes a conservation right under the Statute, a common law easement in gross, and an easement and covenant running with the land under 35 ILCS 205/266b.

21. **General Provisions.**

(a) Controlling Law. The interpretation and performance of this Amended and Restated Easement shall be governed by the laws of the State of Illinois.

(b) Liberal Construction. Any general rule of construction to the contrary notwithstanding, this Amended and Restated Easement shall be liberally construed in favor of the grant to effect the purpose of this Amended and Restated Easement and the policy and purpose of the Statute. If any provision in this instrument is found to be ambiguous, an interpretation consistent with the purpose of this Amended and Restated Easement that would render the provision valid shall be favored over any interpretation that would render it invalid.

(c) Severability. If any provision of this Amended and Restated Easement, or the application thereof to any person or circumstances, is found to be invalid, the remainder of the provisions of this Amended and Restated Easement, or the application of such provision to persons or circumstances other than those as to which it is found to be invalid, as the case may be, shall not be affected thereby.

(d) Entire Agreement. This instrument sets forth the entire agreement of the parties with respect to the conservation easement and supersedes all prior discussions, negotiations, understandings, or agreements relating to the conservation easement (including but not limited to the Original Easement), all of which are merged herein. No alteration or variation of this instrument shall be valid or binding unless contained in a written amendment first executed by Grantor and Grantee, or their successors, and recorded in the official records of Cook County, Illinois.

(e) No Forfeiture. Nothing contained herein will result in a forfeiture or reversion of Grantor's title to the Protected Property in any respect.

(f) Successors. The covenants, terms, conditions, and restrictions of this Amended and Easement shall be binding upon, and inure to the benefit of, the parties hereto and their respective personal representatives, heirs, successors (including the Park District), and assigns and shall continue as a servitude running in perpetuity with the Protected Property.

(g) Termination of Rights and Obligations. A party's rights and obligations under this Amended and Easement shall terminate upon transfer of the party's interest in the conservation easement or Protected Property, except that liability for acts or omissions occurring prior to transfer shall survive transfer.

(h) Captions. The captions in this instrument have been inserted solely for convenience or reference and are not part of this instrument and shall have no effect upon construction or interpretation.

(i) Warranty of Authority. Grantor and any persons executing this instrument on behalf of Grantor represent and warrant that Grantor is the owner in fee simple of the Protected Property, Grantor and all persons executing this instrument on behalf of Grantor are fully authorized and empowered to execute and deliver this instrument, and there is no lien, encumbrance, contract, or governmental prohibition against the execution and delivery of this instrument and the performance by Grantor of all of Grantor's obligations hereunder.

IN WITNESS WHEREOF, Grantor and Grantee have set their hands on the day and year first above written.
