I am aware that the owners of the 1725 N. Burling St. commercial space are seeking a zoning change from a B1-3 to a B1-3 Transit-Oriented Development (TOD) in order to properly use and occupy the second-floor of the attached commercial/small office space which has existed since the building was built in 2006. The zoning change contains **no external changes to the rectory or condo building**. I support the owners in their petition for a zoning change to B1-3 Transit-Oriented Development (TOD).
