RECITALS

A. The City, as a home rule unit under the 1970 Constitution of the State of Illinois, has the authority to promote the health, safety and welfare of its inhabitants, to prevent the spread of blight and to encourage private development in order to enhance the local tax base and create employment, and to enter into contractual agreements with third parties for the purpose of achieving the aforesaid purposes.

B. The City Council of the City ("City Council"), by ordinance adopted November 8, 2017, and published in the Journal of Proceedings of the City Council ("Journal") for such date at pages 59287 through 59296, has established the City Lots for Working Families Program (the "City Lots Program") to assist with the construction of high-quality, owner-occupied, single-family housing affordable to working families.

C. Developer has previously submitted an application package to DOH describing its proposal for participation in the City Lots Program by constructing eleven (11) two-unit homes (each two-unit home, a "Home" and collectively, the "Homes") at the property commonly known as 1220, 1217, 1225, 1227, 1235, 1237, 1239, 1245, 1247, and 1249 South Troy Street, Chicago, Illinois, 60623 in the North Lawndale neighborhood (the "Property").

D. Based in part on the representations and proposals contained in Developer's application package, the City Council, by ordinance adopted _____, 2021 and published in the Journal for such date at pages _____ through _____ (the "Project Ordinance"), approved the selection of Developer for participation in the City Lots Program, the sale of the Property to Developer and related financial assistance as described in Section 4.5(b) to subsidize certain development costs associated with the Project (as hereafter defined) and the sale of the Homes to Qualified Households (as hereafter defined).

E. Developer, subject to the terms of the Agreement, shall construct eleven (11) Homes on that property presently owned by the City and listed on Exhibit A attached hereto ("City Lots"). The construction of the Homes by Developer pursuant to the terms of the Agreement shall be referred to as the "Project." The City Lots are presently ten (10) zoning lots but will be redivided as eleven (11) zoning lots (as defined in Section 17-17-02197 of the Municipal Code of Chicago) by Developer, at Developer's cost, prior to the sale of any Home to any homebuyer. As security for the Developer's completion of the Project and compliance with this Agreement, the Developer has agreed to execute a reconveyance deed for each City Lot in a form acceptable to the City (each a "Reconveyance Deed" and collectively, the "Reconveyance Deeds").

F. The City Lots are located within the boundaries of the Midwest Redevelopment Project Area ("Area"), which was established by ordinances adopted by the City Council on May 17, 2000, and amended on May 9, 2012 and December 9, 2015. The development of such City Lots shall be in accordance with all laws, rules and regulations concerning tax increment financing, including, without limitation, the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time. The City Lots are legally described on Exhibit B attached hereto.

G. City Lots with an Appraised Value (as hereafter defined) of Fifty Thousand Dollars (\$50,000) or less may be conveyed by the City to Developer for the sum of One Dollar (\$1.00) per City Lot. City Lots with an Appraised Value in excess of Fifty Thousand Dollars (\$50,000) may be conveyed by the City to Developer in accordance with the procedures described in Section 4.5(b)(1) below. Furthermore, Developer shall also receive waivers of certain City fees and deposits relating to new construction of the Homes as described on Exhibit C attached hereto.

H. Developer and the City acknowledge that the implementation of the policies and provisions described in the Agreement will be of mutual benefit to the Developer and the City.

SECTION III **CONVEYANCE OF THE CITY LOTS**

3.1 Intentionally Omitted.

3.2 Form of Deed. The City shall convey to Developer fee simple title to the City Lots by quitclaim deed substantially in the form attached hereto as Exhibit F ("Deed"). The conveyance and title of the City Lots, in addition to the provisions of the Agreement, shall, without limiting the quitclaim nature of the Deed, be subject to the following ("Permitted Exceptions"):

1. covenants and restrictions set forth in the Deed;
2. schedule B exceptions in the title policy described in Section 3.6;
3. general real estate taxes and any special assessments or other taxes;
4. all easements, encroachments, covenants, and restrictions of record and not shown of record;
5. such other title defects that may exist; and
6. any and all exceptions cause by the acts of the Developer or its agents.

3.3 "AS IS" CONVEYANCE. THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE CITY LOTS OR THE SUITABILITY OF THE CITY LOTS FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE CITY LOTS AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE CITY LOTS. THE DEVELOPER AGREES TO ACCEPT THE CITY LOTS IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT THE CONVEYANCE OF EACH CITY LOT BY CITY TO DEVELOPER WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE CITY LOTS OR THE SUITABILITY OF THE CITY LOTS FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS ITS SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT

ITS EXPENSE ANY ENVIRONMENTAL REMEDIATION WORK AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE CITY LOTS IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

3.4 Environmental Due Diligence. It shall be the sole responsibility of Developer, at its sole cost and expense, to perform such studies and investigations, conduct such tests and surveys, and engage such specialists as Developer deems appropriate to evaluate the soil and environmental condition of the City Lots. Such investigation shall, at a minimum, consist of a Phase I and any other environmental studies sufficient to conclude that a Home may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement on such City Lot. The City's Department of Assets, Information and Services ("DAIS") shall have the right to review and approve the sufficiency of the Phase I and any other environmental studies. Upon DAIS's request, the Developer shall perform additional studies and tests for the purpose of determining whether any environmental or health risks would be associated with the development of the Home on such City Lot, including, without limitation, updating or expanding the Phase I and performing initial or additional Phase II environmental site assessment testing.

3.5 Conditions to the City's Obligation to Close. Before the City shall deliver the Deed to Developer, and before any construction may commence on any City Lot, DOH shall have reviewed and approved the following closing deliveries (fully executed and acknowledged, where applicable), each of which, unless waived in writing by DOH, shall be a condition precedent to the City's obligation to deliver the Deed:

- (a) the Agreement;
- (b) the Reconveyance Deeds;
- (c) the Working Drawings and Specifications for each model of Home to be constructed (as described in Section 4.2 below);
- (d) the Developer's Budget (as described in Section 4.5(a) below);
- (e) the Construction Loan documents and evidence of Developer's Financing acceptable to DOH (as described in Section 4.5(a) below);
- (f) the building permits and other final governmental approvals necessary to construct the Homes on the City Lots;
- (g) a certified copy of the contract between Developer and its general contractor, and all executed contracts covering the completion of the Project from the major subcontractors, if available;
- (h) a title insurance commitment for the City Lots;

- (i) a final plat of survey for the City Lots certified by a licensed surveyor showing all easements, encroachments and containing legal descriptions of the City Lots;
- (j) a certificate of good standing for the Developer from the State of Illinois, a certificate of incumbency identifying Developer's current officers and including specimen signatures, copy of the Developer's bylaws and resolutions authorizing the Developer's performance of its obligations under this Agreement;
- (k) due diligence searches as set forth in Section 2.1 above;
- (l) Internal Revenue Service taxpayer identification numbers;
- (m) such transfer tax declarations, ALTA statements and similar customary transaction documents as may be necessary to consummate the conveyance;
- (n) all Environmental Documents generated by Section 3.4 above;
- (o) evidence of insurance required under Exhibit E;
- (p) economic disclosure statements in the City's then current form, dated as of the conveyance date; and
- (q) the Subordination Agreement.

Subject to the Developer's satisfaction of the conditions precedent described above in Sections 3.5(a) through (q) above, the City shall deliver to the Deed to Developer.

If the conditions described in this Section 3.5(a) through (q) are not achieved by Developer within three (3) months of the execution date of this Agreement (except as provided in Section 10.25 below), then the Agreement, at the option of the City, shall become null and void and the City shall be under no further obligation to Developer.

3.6 Title Insurance. Not less than thirty (30) days before the anticipated conveyance of the City Lots (the "Closing"), the Developer shall obtain a commitment for an owner's policy of title insurance for the City Lots issued by the Title Company. The Developer shall be solely responsible for and shall pay all costs associated with updating the title commitment (including all search, continuation and later date fees). Upon the conveyance of the City Lots, the Developer shall obtain at Developer's sole expense a title insurance policy and such endorsements as it deems necessary or that the Corporation Counsel shall request, including, but not limited to, an owner's comprehensive endorsement and satisfactory endorsements regarding contiguity, location, access, and survey. The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically required by the Title Company and typically provided by the City (but expressly excluding "gap" undertakings, title indemnities and similar liabilities) at or prior to the Closing. At the Closing, the Developer shall deliver to

the City a copy of the owner's policy of title insurance that it obtains with respect to the City Lots.

3.7 Correction of Title. The City shall have no obligation to cure title defects; provided, however, if there are exceptions for general real estate taxes due or unpaid prior to the conveyance of the Deed or liens for such unpaid property taxes, the City shall ask Cook County to void the unpaid taxes as provided in Section 21-100 of the Property Tax Code, 35 ILCS 200/21-100, or file an application for a Certificate of Error with the Cook County Assessor, or tax injunction suit or petition to vacate a tax sale in the Circuit Court of Cook County. If, after taking the foregoing actions, the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if a City Lot is encumbered with any other exceptions that would adversely affect the use and insurability of the City Lot for the development of the Project, the Developer shall have the option to: (a) elect to close and accept conveyance of the City Lot subject to such exceptions; or (b) decline the City Lot. Developer shall be responsible for payment of all real estate taxes payable after conveyance of said City Lot.

3.8 No Substitution of City Lots. If the City cannot clear tax liens or other exceptions to title in a manner suitable for purposes of the Agreement, or Developer's investigation of the soil and environmental condition leads Developer to refuse the conveyance of a City Lot then the City shall have no duty to provide substitute lots for development under this Agreement. Moreover, under no circumstances, shall the City be compelled by Developer, with regard to any City Lot, to remedy any tax lien, title exception, or soil or environmental condition described in this Section 3.

3.9 Recordation Costs. The Developer shall pay to record this Agreement, the Deed, and any other documents incident to the conveyance of the City Lots to Developer. This Agreement shall be recorded prior to any Deed and prior to the First Mortgage.

SECTION IV THE CONSTRUCTION OF THE PROJECT

4.1 Schedule of Construction Progress. Subject to Force Majeure, Developer shall construct the Homes on the City Lots in accordance with that certain construction timetable schedule dated as of ("Schedule"), prepared by Developer, approved by DOH, and attached hereto as Exhibit G. The Schedule represents an estimate of the number of Homes to be completed by Developer by the expiration of certain time periods within the ____-month time frame for commencement and completion of the Project as described further in Section 4.7 below. If Developer's construction of Homes falls short of its completion obligations under the Schedule, DOH, in its sole and absolute discretion, may record the Reconveyance Deeds so that such City Lots revert back to the City for alternative redevelopment plans.

Developer covenants that the Homes shall be constructed in accordance with the Working Drawings and Specifications. Upon completion of the construction of each Home, the City shall issue to Developer the Certificate pursuant to Section 4.8.

4.2 Working Drawings and Specifications. The preliminary Working Drawings and Specifications dated _____, 202_, containing the preliminary plans and drawings with regard to the construction of each Home, are approved by DOH and listed on Exhibit D attached hereto. Within thirty (30) days of the execution date of the Agreement, Developer shall submit to DOH for its approval Developer's proposed final Working Drawings and Specifications with regard to each Home. DOH shall have thirty (30) days within which to approve or reject said drawings and specifications. If DOH rejects the Working Drawings and Specifications, Developer shall have sixty (60) days in order to correct such documents and resubmit them to DOH for its approval. DOH shall thereafter have thirty (30) days within which to approve or reject the corrected documents. Upon the approval of DOH, said Working Drawings and Specifications shall constitute the final Working Drawings and Specifications.

If, after executing this Agreement, the Developer desires to construct a different type of Home than that reflected in the Working Drawings and Specifications listed on Exhibit D attached hereto, Developer shall submit to DOH Working Drawings and Specifications for said Home. DOH shall have thirty (30) days within which to approve or reject said Working Drawings and Specifications. If DOH rejects the Working Drawings and Specifications, Developer shall have sixty (60) days in order to correct such documents and resubmit them to DOH for approval. Upon the approval of DOH, said Working Drawings and Specifications shall constitute final Working Drawings and Specifications.

The Working Drawings and Specifications shall conform to the terms of the Agreement, the City Lots Program, and all applicable federal, state and local laws, ordinances and regulations, including, without limitation, the Zoning Ordinance of the City of Chicago, Title 17, Municipal Code of Chicago, the current edition of the Model Energy Code published by the Council of American Building Officials, and the housing quality standards contained in 24 C.F.R. Section 882.109 (collectively, "Laws").

Any material amendment to the Working Drawings and Specifications must be submitted to DOH for its approval, which approval shall not be unreasonably withheld or delayed.

The Developer acknowledges that DOH will require a design review following the completed construction of the first accessible Home that is built at grade with a no-step entry (if any) to confirm that such design is satisfactory. If DOH determines that such design is not satisfactory, no additional accessible Homes are to be built until DOH approves an alternative acceptable design.

4.3 Preparation of the City Lots; General Requirements. Developer and the City acknowledge that some of the City Lots may have "atypical" conditions (sunken lot and other site elevation problems, ingress and egress problems, parking problems, and/or issues concerning the location of the Homes vis-a-vis existing buildings located on the parcels adjacent to the City Lots) which dictate that special consideration should be given to the construction of Homes on such City Lots. These "atypical" conditions do not include matters which are routinely considered by the City's Department of Buildings with regard to the issuance of building permits. Accordingly, prior to the commencement of construction of the Project, a representative of Developer and a representative of Construction and Compliance shall conduct a site visit of each

of the City Lots listed on Exhibit A to determine if any special, "atypical" conditions exist. Those lots shall be deemed as "Special Lots" for purposes of the Agreement.

Prior to the commencement of construction by Developer on any Special Lot, DOH must approve a site-specific, final plat of survey (including grading elevations) identifying the proposed location of the model type, showing the resolution of any elevation, ingress/egress, parking and location issues.

In addition, prior to the commencement of construction on any of the City Lots, if federal funds are involved in the Project, the environmental effect of the development and construction of the Project must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 and implementing regulations contained in 24 C.F.R. Parts 50 and 58. In such regard, the City may grant to Developer a right of entry to the City Lots for the purpose of allowing Developer's architects and engineers to inspect each City Lot and to investigate the soil and environmental condition existing in each City Lot.

Construction and development of any of the Homes shall be in accordance with the Lead-Based Paint Poisoning Prevention Act, 42 U.S.C. 4821 et seq, and the corresponding regulations contained in 24 C.F.R. Part 35. In addition, Developer shall comply with the Flood Disaster Protection Act of 1973, 42 U.S.C. 4001-4128).

4.4 Limited Applicability of DOH's Approval. Any approvals of the Working Drawings and Specifications made by DOH are for the purposes of the Agreement only and do not affect or constitute approvals required by the City's Department of Buildings, any other City Bureau (such as, but not limited to, the Department of Planning and Development's Bureau of Zoning), or any other City Department; nor does any approval by DOH pursuant to the Agreement constitute approval of the quality, structural soundness or the safety of the Homes. The approval given by DOH shall be only for the benefit of Developer and the Construction Lender authorized by this Agreement.

4.5 Financing and Constructing the Project.

(a) Budget. Concurrent with the execution of the Agreement by Developer and its delivery to the City, Developer shall deliver to DOH for its approval a written budget ("Budget") for the construction of the Homes. Developer shall also submit to DOH a description of Developer's financing ("Financing"), which shall include the amount of Developer's equity in the Project and evidence of: (i) a commitment for adequate financing ("Commitment") obtained from a financial institution or lender, specifying the source and the amount of the loan, length of the term and the applicable interest rate, or (ii) evidence of a line of credit or other funding source necessary to fund the construction of the Homes. Within fourteen (14) business days of receipt, DOH shall review and approve or reject the Financing, and the Commitment. The Financing shall be subject and subordinate to the terms and conditions of the Agreement.

Provided that the Commitment is approved by the City, Developer shall obtain financing from the lender identified in the Commitment ("Construction Lender") to permit the construction of the Project ("Construction Loan"). The closing of the Construction Loan shall occur

concurrently with the Closing. The Construction Lender shall be permitted to secure and evidence its loan by reasonable, customary loan documents, such as a mortgage ("First Mortgage") and mortgage note ("First Mortgage Note") encumbering the City Lots. The First Mortgage shall be recorded after the Agreement, and the Construction Lender shall execute a subordination agreement in a form reasonably acceptable to the Corporation Counsel in which the Construction Lender agrees to subordinate the lien of its First Mortgage the covenants running with the land set forth in Section 9 below ("Subordination Agreement"). The Subordination Agreement shall be recorded prior to the First Mortgage.

(b) City's Incentives.

(1) Sales Price. Subject to all of the terms, covenants and conditions of this Agreement, the City shall convey the City Lots for the consideration of One Dollar (\$1.00) per buildable lot if the Appraised Value of the City Lot is Fifty Thousand Dollars (\$50,000) or less. **[The following to apply, at DOH's discretion, if permitted by Developer construction financing:** For purposes of this Agreement, the Appraised Value for each City Lot is listed on Exhibit A attached hereto. Developer acknowledges that upon the recording of this Agreement, the City shall have a lien against each City Lot conveyed pursuant hereto in the amount of the Appraised Value of such City Lot, as set forth on Exhibit A (the "Land Value Lien"). The Appraised Value of a particular City Lot, up to the first \$50,000 in value is the "Land Value Lien Amount". The excess amount by which the Appraised Value of a City Lot exceeds \$50,000 (if any) is the "Additional Land Value Lien Amount". When Developer conveys a City Lot to a homebuyer, the Land Value Lien Amount and any Additional Land Value Lien Amount shall be secured by the City Junior Mortgage (as defined below).

Except for the market rate home buyers, the Developer shall advise each initial homebuyer that such homebuyer shall be required to: (a) be a Qualified Household; and (b) execute and record at the time of the homebuyer's purchase of the Home (and the Developer shall attach as an exhibit to the homebuyer's sales contract) a mortgage, security and recapture agreement in favor of the City (the "City Junior Mortgage"), in the form of Exhibit H to this Agreement, which shall also include the homebuyer's covenant to use the Home as the homebuyer's Principal Residence, and shall secure all amounts described in this Agreement as being subject to recapture or repayment. The Land Value Lien Amount shall thereafter reduce in five equal installments on each anniversary date of such conveyance, and after the fifth anniversary date shall be zero. The Additional Land Value Lien Amount shall not amortize, but shall be an amount potentially due and owing the City calculated as the Additional Land Value Lien Amount, plus interest thereon at an annual rate of three percent (3%), from the date of such conveyance. The principal amount of and any accrued interest on the Additional Land Value Lien Amount shall become due upon the sale or refinancing (except a refinancing in an amount equal to or less than the homebuyer's purchase price for the Home) of said Home during the thirty (30) year period commencing on the date of such conveyance; provided, however, that if the subsequent homebuyer is a Qualified Household, such subsequent homebuyer may assume the obligations of the City Junior Mortgage as to such Additional Land Value Lien Amount for the balance of such thirty (30) year term. The Land Value Lien, evidenced by the City Junior Mortgage, shall be junior to any First Mortgage, and any subsequent purchase money mortgage obtained by any homebuyer of a Home (if such homebuyer is a Qualified Household), and any

refinancing of such purchase money mortgage, provided such refinancing is in an amount equal to or less than the homebuyer's purchase price for the Home.]

(2) Waiver of City Fees. In conjunction with the construction by Developer of the Homes the City shall waive those certain fees and deposits as described in Exhibit C attached hereto.

(c) Review of Construction Progress. During the construction of the Project, Developer shall submit to the City for its review any documentation relating to the construction work, including, without limitation, all documents described in Section 4(d) below, all additional building permits issued, an owner's sworn statement and the general contractor's sworn statement ("Contract Documents").

During the construction of the Project by Developer, the Construction Lender shall employ, at the sole expense of Developer, a licensed inspecting architect ("Inspector") (other than the architect who prepared the Working Drawings and Specifications) acceptable to DOH, to review for the parties all activities undertaken with regard to the construction of the Home. If no Construction Lender exists (or if the Construction Lender does not wish to hire the Inspector), then DOH, at the sole expense of Developer, shall utilize an Inspector which has been previously approved by DOH.

The scope of the Inspector's work shall be contained in the terms of the contract between the Inspector and the Construction Lender, or the Inspector and DOH, as the case may be, and shall include inter alia, providing a certification for the benefit of the Construction Lender and DOH on the form attached hereto as Exhibit I that the construction of said Home complies with the Working Drawings and Specifications. The Inspector shall notify DOH and the Construction Lender of any discrepancies between the Working Drawings and Specifications and the actual construction of any Home, and shall provide DOH with a copy of each and every Inspector's certification. A representative of DOH shall have the right, but not the obligation, to accompany the Inspector during his inspection of the progress of the construction of the Homes.

(d) Homebuyer Closings. As long as Developer is not in material default in the due, prompt and complete performance or observance of any of its covenants or obligations contained in the Agreement, the conveyances of Homes may proceed to closing provided the following conditions precedent are satisfied:

- [(i) Developer and the homebuyer shall have complied with the applicable provisions described in Section 4.5(b)(1), including, the execution of the City Junior Mortgage;]
- (ii) The Inspector shall have delivered to the City its conditional certificate for said Home in the form of Exhibit I, conditioned and subject only to the completion of punch list items or such other items agreed to by the City, the Inspector and Developer ("Conditional Certificate");
- (iii) The City shall have issued its Certificate in accordance with Section 4.8 below;

- (iv) Developer, in the form of an owner's sworn statement and the general contractor's sworn statement, shall have submitted to DOH and the Inspector affirmative proof that there are no materialmen's liens or claims exist affecting the Home, or that Developer has taken such appropriate action to cause the Title Company to insure over any title encumbrances caused by such liens or claims; provided, however, that the Title Company shall have received from Developer acceptable waivers or releases of lien covering at least seventy five percent (75%) of the hard construction costs associated with the construction of the Home;
- (v) Developer shall have submitted to the City a copy of the owner's sworn statement and the general contractor's sworn statement describing all construction costs for the Home;
- (vi) Developer shall have furnished to the City one (1) copy of an "as-built" survey showing the location of all completed improvements, including all walks, drives and other on-site appurtenances and improvements, showing site elevations, and showing no encroachments by any such improvements across the boundary lines of the City Lot; and
- (vii) DOH shall have issued a letter to Developer that the homebuyer is a Qualified Household.
- (viii) If applicable, Developer shall have submitted to the City proof of any subdivision that occurred post-Closing.

Developer shall be obligated to complete those items listed on the Conditional Certificate (including the punch list items) in a timely and expeditious manner subsequent to the closing. The City reserves the right to request that Developer deposit or reserve with an escrowee ("Escrowee") funds in an amount to pay for the cost of such incomplete work, including, without limitation, any landscaping or other work that was not completed prior to closing because of weather-related conditions. Once such work has been completed, the Inspector shall conduct an on-site inspection in order to facilitate the issuance of a final certificate indicating that construction of the Home is complete ("Final Certificate"). Any funds retained by the Escrowee pursuant to this paragraph shall not be released until a copy of the Final Certificate is delivered to the Escrowee and DOH.

Developer does also certify and agree that it shall not take its fee until the closing for the sale of a Home to a Qualified Household.

4.6 Relocation of Utilities. To the extent necessary to complete the Project, the Developer shall be solely responsible for and shall pay all costs in regard to: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or

other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

4.7 Commencement and Completion of the Project. In accordance with Section 4.1, Developer shall commence with the construction of the Project within three (3) months of the Effective Date of the Agreement. Developer shall complete the Project within twenty-four (24) months from said Effective Date. Developer, its successors and assigns, shall promptly begin and diligently complete the Project within such time periods. The Commissioner of DOH, in the Commissioner's sole discretion, may extend the completion upon the Developer's written request, by executing a written extension letter.

4.8 Certificate of Compliance. As each Home is substantially completed in accordance with the Working Drawings and Specifications (as evidenced by the issuance of the Inspector's Conditional Certificate or Final Certificate, as the case may be) and Developer has performed all of its other obligations under this Agreement, including without limitation, the closing conditions precedent specified in Section 4.5(d) above, DOH, upon written request by Developer, shall furnish Developer with an appropriate compliance certificate ("Certificate"). The Certificate shall be signed either by: (1) the deputy commissioner of Construction and Compliance; or (2) another designee of the managing deputy commissioner of DOH.

The Certificate shall be evidence the Developer's compliance with respect to its obligation to construct such Home in accordance with the terms of this Agreement. The Certificate, however, shall not constitute evidence that Developer has complied with any applicable provisions of federal, state and local laws, ordinances and regulations with regard to the completion of the Home and furthermore, shall not serve as any "guaranty" as to the quality of the construction of said structure.

The Certificate shall be in recordable form and shall be delivered by DOH to the Developer at the closing conveying the Home from Developer to the homebuyer. At such closing, the Developer shall provide the homebuyer with an owner's policy of title insurance issued by the Title Company, dated as of the closing date in the amount of the purchase price. Once the Certificate is recorded with the Recorder's Office, the Agreement shall no longer encumber the City Lot.

4.9 Prohibition Against Unpermitted Encumbrances; Limits on Developer Actions.

(a) Prior to the City's issuance of the Certificate for a Home on a particular City Lot, neither Developer nor any successor in interest to the City Lot shall engage in any financing or other transaction the effect of which creates an encumbrance or lien upon said City Lot; provided, however, that Developer, after receiving the prior written consent of the City, may mortgage the City Lot for the purpose of obtaining the Construction Loan or other financing source as described in Section 4.5(a) above to the extent necessary to construct the Home. Notwithstanding the above, no mortgage may be recorded against a City Lot until such City Lot is conveyed to Developer.

(b) Prior to the issuance of the last Certificate for the Project, the Developer may not, without the prior written consent of DOH, which consent shall be in DOH's sole and absolute discretion: (a) be a party to any merger, liquidation or consolidation; (b) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets; (c) enter into any transaction outside the ordinary course of Developer's business that would materially adversely affect the ability of the Developer to complete the Project; (d) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (e) enter into any transaction that would cause a material and detrimental change to Developer's financial condition.

(c) Prior to the issuance of the last Certificate for the Project, the Developer may not, without the prior written consent of DOH, which consent shall be in DOH's sole and absolute discretion: (a) directly or indirectly sell, transfer, convey, lease or otherwise dispose of the City Lots or the Project or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the final Certificate for the Project to anyone other than another principal party, without the prior written consent of DOH, which consent shall be in DOH's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section 4.9(c) shall not prohibit the Developer from contracting to sell or from selling individual Homes provided that the Developer complies with the provisions of Sections 4.5(b)(1) and 4.5(d) above and Section 5 below. The Developer acknowledges and agrees that DOH may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers, members or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of the City Lot, the Developer shall deliver to the City copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed purchaser, transferee or assignee, as applicable, regarding this Agreement and such other information as the City may reasonably request. The proposed purchaser, transferee or assignee must be qualified to do business with the City (including but not limited to the City's anti-scofflaw requirement).

4.10 Mortgagees Not Obligated to Construct. Notwithstanding any of the provisions of the Agreement, no holder of a mortgage authorized by the Agreement (including any holder who obtains title to a City Lot as a result of foreclosure proceedings, or action in lieu therefor), shall be obligated to construct or complete the construction of any Home on any City Lot, or to guarantee such construction or completion. However, any such holder shall take its lien or hold such title subject to this Agreement and must devote the City Lot to those uses or improvements provided for or permitted in the City Lots Program and this Agreement, i.e., it may only complete the Homes on said City Lots and convey such homes to homebuyers, as originally contemplated. If the Construction Lender, due to a default by Developer obtains possession or title to any of the City Lots by foreclosure or deed in lieu of foreclosure, the Construction Lender

may request that the City make the incentives described in Section 4.5(b) available in order to construct or to complete the Homes on said City Lots and convey such homes to homebuyers, as originally contemplated. The City shall not unreasonably withhold its consent to such a request, so long as the Construction Lender complies with the terms and conditions of this Agreement. In such event, the Construction Lender shall be required to execute such economic disclosure documents as the City deems appropriate.

Whenever the City shall deliver a notice or demand pursuant to Section 6.2, the City shall at the same time forward a copy of such notice or demand to any Construction Lender identified in Section 10.7. After the expiration of any applicable cure period, each such Construction Lender shall have the right, at its option, to remedy such default within an additional thirty (30) day cure period.

Whenever the Construction Lender shall deliver a default notice or demand to Developer under the Construction Loan documents, it shall at the same time forward a copy of such notice or demand to the City at the addresses listed in Section 10.7 below. After the expiration of any applicable cure period, the City shall have the right, at the City's option, to remedy such default within an additional thirty (30) day cure period.

SECTION V

DEVELOPER'S COVENANTS FOR PARTICIPATION

IN THE CITY LOTS PROGRAM

The Developer, for itself and its successors and assigns, agrees as follows:

5.1 Sales Price. Developer acknowledges and affirms the objectives of the City with regard to the creation of the City Lots Program as a means of achieving the construction of high quality, owner-occupied, single-family housing affordable to working families within the corporate boundaries of the City. Developer affirmatively covenants that it shall sell and convey 8 of the 11 Homes to a Qualified Household for an Affordable Price for its Principal Residence.

5.2 Compliance with Fair Housing and Non-Discrimination Laws. Developer shall not discriminate based upon race, color, religion, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military status, parental status or source of income in the design, marketing and sale of any Home constructed by Developer pursuant to the terms of the Agreement, and shall comply with any and all federal, state and local laws, statutes, ordinances or regulations with regard to non-discrimination in the sale and marketing of housing, including, without limitation, the Fair Housing Act, 42 U.S.C. sec. 3601-20 et seq. (1988) and implementing regulations at 24 C.F.R. Part 100; Executive Order 11063, as amended by Executive Order 12259 (3 C.F.R., 1958-1963 Comp., p. 652 and 3 C.F.R., 1980 Comp., p. 307)(Equal Opportunity in Housing) and implementing regulations at 24 C.F.R. Part 107; and Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d)(Nondiscrimination in Federally Assisted Programs) and implementing regulations issued at 24 C.F.R. Part 1; 42 U.S.C. sec. 1982 (1988), and sections 17-19 of Article I of the Constitution of the State of Illinois; the Age Discrimination Act of 1975, 42 U.S.C. sec. 6101-07, and implementing regulations at 24 C.F.R.

Part 146, Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. 794 and implementing regulations at 24 C.F.R. Part 8.

5.3 Warranty of Habitability. At the closing for the conveyance of a Home from Developer to an initial homebuyer, Developer shall deliver to said homebuyer a warranty of habitability in the form of Exhibit J attached hereto. Said warranty of habitability shall have a duration of one year and shall be deemed to run with the land.

5.4 Project. The Developer shall construct the Project in accordance with the Working Drawings and Specifications, this Agreement and all applicable Laws.

5.5 TIF. The Developer shall devote the City Lots to a use consistent with the redevelopment plan for the Area.

5.6 Environmental. [TBD after environmental testing; the following is an example] The Developer shall comply with all land use restrictions, institutional controls and other terms and conditions contained in the Final NFR Letter for the City Lots (or portions thereof).

5.7 Marketing. Developer shall comply with the affirmative marketing requirements described in Section 5.2 above. Developer shall give preference in selling accessible dwelling units, as that term is defined in Section 17-17-0202 of the Municipal Code, to people with disabilities pursuant to DOH policy. In addition, Developer shall comply with the marketing plan which has been approved by DOH and is attached hereto as Exhibit K, and to utilize solely those marketing materials which have been approved by DOH prior to the Effective Date of the Agreement with regard to the marketing of the Homes to prospective homebuyers. Developer also agrees to place on at least one of the City Lots a sign stating that the Home was (or shall be) constructed by Developer pursuant to the City Lots Program.

5.8 Income Eligibility Standards. Every potential homebuyer in conjunction with the homebuyer's execution of a purchase contract for the purchase of a Home shall be approved in writing by DOH as a Qualified Household. Developer shall provide DOH with any and all information required by DOH to confirm such homebuyer as a Qualified Household. DOH shall have fourteen (14) business days from the date of receipt of a "complete information package" (which shall include, by means of illustration and not limitation, the W-2 forms from the initial homebuyer's employer(s), U.S. 1040 income tax returns for the previous two years, an affidavit or verification from the homebuyer with regard to household size, and the employer verification form utilized by the Federal National Mortgage Association within which to qualify potential homebuyers.

5.9 Pre-Purchase Qualification. Developer shall refer each prospective homebuyer for pre-purchase counseling, which shall be offered either by DOH, a qualified community organization or lending institution. Each homebuyer must participate in pre-purchase counseling, and provide DOH with a certificate or other evidence of participation.

The Developer, for itself and its successors and assigns, acknowledges and agrees that the development and use restrictions set forth in this Section 5 constitute material, bargained-for consideration for the City.

SECTION VI **PERFORMANCE**

6.1 Time of the Essence. Time is of the essence of the Agreement.

6.2 Event of Default. The occurrence of any one or more of the following shall constitute an “Event of Default” under this Agreement:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any other agreement entered into with the City with respect to this Project; or

(b) the making or furnishing by the Developer of any warranty, representation, statement or certification to the City (whether in this Agreement, an economic disclosure statement, or another document) which is untrue or misleading in any material respect; or

(c) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon any City Lot, or the making or any attempt to make any levy, seizure or attachment thereof; or

(d) the entry of any judgment or order against the Developer which is related to any City Lot and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution; or

(e) the commencement of any proceedings in bankruptcy by or against the Developer for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing, for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings; or

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless

such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof; or

(g) the occurrence of an event of default under any mortgage lien affecting the any City Lot, which default is not cured within any applicable cure period; or

(h) the dissolution of the Developer;

(i) a change in the Developer's financial condition or operations that would materially and adversely affect the Developer's ability to complete the Project;

(j) if the Developer conveys any Home to a homebuyer in excess of the consideration described in 5.1 above, or conveys any Home to a non-Qualified Household; and

(k) Developer fails to comply with the non-discrimination covenants in Section 5.2 above with regard to the marketing and sale of the Homes.

6.3 Cure. Except as provided in Section 10.25 (Force Majeure), if the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have forty-five (45) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the City Lots) (the "Cure Period"). If the Developer does not cure such default within the Cure Period, then the City shall have available all remedies set forth in this Agreement. Notwithstanding the foregoing or any other provision of this Agreement to the contrary:

There shall be no notice requirement and no Cure Period with respect to Events of Default described in Section 4.7 (Commencement and Completion of Project), Section 4.9 (Prohibition Against Unpermitted Encumbrances; Limits on Developer Action), Section 5.1 (Sales Price), Section 5.8 (Income Eligibility Standards), and Section 10.14 (Prohibition on Certain Contributions Pursuant to Mayoral Executive Order No. 2011-4).

6.4 Prior to Commencement of Construction. If prior to the commencement of construction of any Home and subject to the Cure Period if applicable, an Event of Default occurs, the City may immediately terminate this Agreement, record the Reconveyance Deeds and institute any action or proceeding at law or in equity against Developer. In such event, Developer shall have no further right or interest regarding the City Lots. However, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City to ensure the recording of the Reconveyance Deed is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that

were on title as of the date and time that the City conveyed the Property to the Developer and except for any mortgage authorized by this Agreement.

6.5 After Commencement of Construction Until Issuance of Certificate. If after commencement of construction by Developer of a Home on any City Lot but before the City issues its Certificate for such Home and subject to the Cure Period if applicable, an Event of Default occurs, the City may immediately terminate the Agreement, record the Reconveyance Deeds and institute any action or proceeding at law or in equity against Developer. In such event, Developer shall have no further right or interest regarding the City Lots. However, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City to ensure the recording of the Reconveyance Deed is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Property to the Developer and except for any mortgage authorized by this Agreement.

Notwithstanding the City's right to re-enter and take possession of each City Lot previously conveyed, to terminate the Developer's title to such City Lots and all other rights and interests of Developer to said City Lots and any improvements constructed thereon, and revest title in the City without any compensation whatsoever to Developer, such condition subsequent and revesting of title in the City shall always be limited by, and shall not defeat, render invalid, or limit in any way, the lien of the First Mortgage.

Upon such revesting of title to the City Lots in the City, DOH may complete the construction of any Homes on the City Lots, including, if necessary, the hiring of an alternative contractor to complete the construction. Upon completion of construction, DOH shall employ its best efforts to convey the Home (subject to the First Mortgage liens described above, if any) to a homebuyer under the City Lots Program, and in accordance with all applicable federal, state and local laws, ordinances and regulations. In the event a First Mortgage encumbers the City Lot on which the Home is built, then at the closing of the conveyance of such Home, the net sales proceeds from the sale of the Home shall be applied to repay an allocable share of the unpaid principal of the First Mortgage attributable to said City Lot and the interest accrued thereon due and payable as of the date of conveyance. When the City sells all of the Homes in accordance with the provisions described in this paragraph, then upon repayment of all amounts under the First Mortgage any remaining proceeds shall be distributed pursuant to Section 6.6 below. In the alternative, the City may allow the Construction Lender to enter into possession of such City Lots and cause the completion of construction of the Homes so long as the Construction Lender complies with the terms and provisions of the Agreement.

6.6 Distribution of Sale Proceeds. Upon the sale of all of the Homes by the City pursuant to Section 6.5 above, the proceeds from said conveyance(s) shall be utilized first to reimburse the City for:

- (a) costs and expenses incurred by the City with regard to the reconveyance of the City Lots, management of the City Lots, and the subsequent conveyance of the City Lots to the homebuyers;
- (b) all taxes, assessments, and water and sewer charges paid with respect to the City Lots;
- (c) any payments made or necessary to be made (including attorneys' fees) to discharge or prevent from attaching or being made any subsequent encumbrances or liens against the City Lots;
- (d) any expenditures made or obligations incurred with respect to the construction and maintenance of any Homes constructed on the City Lots;
- (e) any other amounts owed to the City by Developer, its successors or transferees under this Agreement[, the City Junior Mortgage] or otherwise; and
- (f) any remaining sums shall be delivered to Developer.

6.7 After Conveyance. If an Event of Default occurs under Section 6.2(j) or Section 6.2(k), then the City shall have the right to institute a suit for injunctive relief against Developer, or alternatively, at the option of the City solely with regard to an Event of Default under Section 6.2(j), Developer, within twenty (20) days after the receipt of written notice of default from the City, shall deliver the sum of one and one-half times the amount by which the sales price exceeds the permitted consideration described in Section 5.1, per violation to the City, said sum representing an amount of liquidated damages and not a penalty.

6.8 Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of Developer.

6.9 Indemnity. Developer hereby agrees to indemnify, defend and hold the City harmless from and against all Losses suffered or incurred by the City arising from or in connection with: (a) an Event of Default under this Agreement; (b) the failure of the Developer or its agents or affiliates to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (c) any misrepresentation or omission made by the Developer or its agents or affiliates relating to this Agreement; and (d) any activity undertaken by the Developer or its agents or affiliates on the City Lots or relating to this Agreement prior to or after the conveyance of the City Lots, including but not limited to, conducting environmental tests; provided, however, the Developer shall have no obligation to indemnify the City for Losses to the extent such Losses are caused by the City or its agents. This indemnification shall survive the conveyance of the City Lots or any termination of this Agreement (regardless of the reason for such termination).

6.10 Access to the City Lots. Any duly authorized representative of the City shall, at all reasonable times, have access to any City Lot, or part thereof, from the Effective Date of the Agreement until the City issues its Certificate with regard to the completion of the Home on the City Lot, for the purpose of confirming Developer's compliance with this Agreement.

6.11 City's Right to Inspect Records. Until the date that is three years after the date on which the City issues its Certificate with regard to the completion of the final Home, the City shall have the right and authority to review and audit, from time to time, Developer's books and records relating to the Project, including, without limitation, Developer's loan statements, the construction manager's sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices. All such books, records and other documents shall be available at the offices of Developer for inspection, copying, audit and examination by any duly authorized representative of the City; provided, however, that the City shall provide Developer with at least five (5) business days' written notice of any proposed inspection of Developer's books and records.

SECTION VII

DEVELOPER'S EMPLOYMENT OBLIGATIONS

7.1 Employment Opportunity. Developer agrees for itself and its successors and assigns, and shall contractually obligate its or their various contractors, subcontractors or any affiliate of Developer operating on the Project (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project and the occupation of the City Lots with regard thereto:

- A. No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code of Chicago, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion,

color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

- B. Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, but not limited to, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.
- C. To the greatest extent feasible, each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.
- D. Developer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.
- E. Developer and each Employer shall include the foregoing provisions of subparagraphs A through C in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.
- F. Failure to comply with the employment obligations described in this Section 7.1 shall be a basis for the City to pursue remedies under the provisions of Section 6 above.

7.2 [INTENTIONALLY OMITTED]

7.3 [INTENTIONALLY OMITTED]

7.4 Pre-Construction and Post-Closing Compliance Requirements.
[INTENTIONALLY OMITTED]

SECTION VIII ENVIRONMENTAL REMEDIATION

8.1 Environmental Remediation. [TBD after Property Screening/Phase I of City Lots in Consultation with DAIS. Below is a sample]

(a) The Developer acknowledges and agrees that the environmental assessment of the City Lots disclosed the presence of contaminants exceeding residential remediation objectives on some or all of the City Lots. Prior to conveyance of a City Lot, the Developer shall enroll said City Lot (or the applicable portions thereof) in the IEPA's SRP and take all necessary and proper steps to obtain a RAP Approval Letter for such property. The Developer acknowledges and agrees that it may not close and commence construction on said City Lot until the IEPA issues, and DAIS approves, a RAP Approval Letter for said City Lot.

(b) After DAIS approves the RAP Approval Letter for said City Lot, the Developer covenants and agrees to complete the Remediation Work and diligently pursue the Final NFR Letter for the City Lot using all reasonable means. The City shall have the right to review in advance and approve all SRP Documents and any changes thereto, and the Developer's estimate of the cost to perform the Remediation Work. The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Developer shall bear sole responsibility for all aspects of the Remediation Work. The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. The Developer acknowledges and agrees that the City will not issue a Certificate for any Home until the IEPA has issued, and the City has approved, a Final NFR Letter for the City Lot, which approval shall not be unreasonably withheld.

8.2 Release and Indemnification. The Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Developer Parties"), hereby releases, relinquishes and forever discharges the Indemnitees from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the conveyance of the City Lots by City to Developer, based upon, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the City Lots or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the City Lots, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the City Lots or the migration of Hazardous Substances from or to other property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 6901 et seq.; and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the City Lots or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, the Developer shall indemnify, defend (through an attorney

reasonably acceptable to the City) and hold the Indemnitees harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims.

8.3 Release Runs with the City Lots. The covenant of release in Section 8.2 above shall run with the City Lots, and shall be binding upon all successors and assigns of the Developer with respect to the City Lots, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the City Lots under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the City Lots to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer arise or be alleged to arise in connection with any environmental, soil or other condition of the City Lots, the Developer shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 8.2 contains a full, complete and final release of all such claims.

8.4 Survival. This Section 8 shall survive the conveyance of the City Lots or any termination of this Agreement (regardless of the reason for such termination).

SECTION IX **COVENANTS RUNNING WITH THE LAND**

The Developer agrees, and each Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 4.7 (Commencement and Completion of Project), Section 4.9 (Prohibition Against Unpermitted Encumbrances; Limits on Developer Action), Section 5 (Developer's Covenants for Participation in the City Lots Program), and Section 8.2 (Release for Environmental Conditions) touch and concern and shall be appurtenant to and shall run with the City Lots. Such covenants, agreements, releases and other terms and provisions shall be binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 4.10 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. Such covenants, agreements, releases and other terms and provisions shall terminate as follows:

| Section | Covenant | Termination |
|----------------|--|--|
| §4.7 | Commencement and Completion of the Project | Upon issuance of the final Certificate for the Project |
| §4.9 | Prohibition Against Unpermitted Encumbrances; Limits on Developer Action | Upon issuance of the final Certificate for the Project |

SECTION X MISCELLANEOUS PROVISIONS

The following general provisions govern this Agreement:

10.1 Entire Agreement; Modification. This Agreement contains the entire agreement of the parties with respect to the Project and supersedes all prior agreements, negotiations and discussions with respect thereto. It shall not be modified, amended or changed in any manner whatsoever without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefitted by the term.

10.2 Conflict of Interest - City's Representatives Not Individually Liable. Prior to the issuance of the Certificate by the City with regard to the completion of the final Home, no member of any City board, commission or agency, or official or employee of the City shall have any personal interest, direct or indirect, in Developer, the Agreement, or the Project; nor shall any such member, official or employee participate in any decision relating to the Agreement which affects his or her personal interest or the interests of any corporation, partnership or association in which he or she is directly or indirectly interested. This prohibition shall include those public officials who have exercised any functions or responsibilities with respect to this Project or the City Lots Program or who are in a position to participate in a decision making process or gain inside information with regard to the Project or the City Lots Program or may obtain a financial interest or benefit from this Project, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds therefore, either for themselves or

those with whom the officials have family or business ties, during the tenure or employment of said public officials and for a period of one year thereafter. The foregoing shall not be deemed to exclude employees of the City who meet the requirements of the City Lots Program from purchasing Homes for their primary residences, and who are able to do so pursuant to an ordinance passed by the City Council. No member, official or employee of the City shall be personally liable to Developer, or any successor in interest, to perform any commitment or obligation of the City under the Agreement nor shall any such person be personally liable in the event of any default or breach by the City.

10.3 Survival. All representations and warranties contained in the Agreement shall survive execution date of the Agreement and the execution, delivery and acceptance hereof by the parties shall not constitute a waiver of rights arising by reasons of any misrepresentation.

10.4 Mutual Assistance. The parties agree to perform their respective obligations, including the execution and delivery of any documents, instruments, petitions and certifications, as may be necessary or appropriate, consistent with the terms and provisions of the Agreement.

10.5 Cumulative Remedies. The remedies of the City hereunder are cumulative and the exercise of any one or more of the remedies provided by the Agreement shall not be construed as a waiver of any of the other remedies of the City unless specifically so provided herein.

10.6 Disclaimer. No provision of the Agreement, nor any act of the City, shall be deemed or construed by any of the parties, or by third persons, to create any relationship of third-party beneficiary, or of principal or agent, or of limited or general partnership, or of joint venture, or of any association or relationship involving the City.

10.11 No Third Party Beneficiary. The approvals given by the City pursuant to the Agreement and the Certificate when issued by the City shall be only for the benefit of Developer, the First Mortgagee, and their successors in interest in the Project and no other person or party may assert against the City or claim the benefit of such approval or certificate.

10.13 Severability. If any provision of the Agreement, or any paragraph, sentence, clause, phrase, or word, or the application thereof, in any circumstance, is held invalid, the remainder of the Agreement shall be construed as if such invalid part were never included herein and the Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

10.14 Prohibition on Certain Contributions pursuant to Mayoral Executive order No. 2011-4.

(a) The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-Owners") and spouses and domestic partners of such Sub-Owners (such Owners and all other preceding classes of persons and entities, collectively the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement, or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

(b) The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

(c) The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

(d) The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

(e) Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 10.15 or violation of Mayoral

Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

1. If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of the Agreement, the City may elect to decline to execute the Agreement.

2. For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

10.15 Patriot Act Certification. The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

10.16 Business Relationships. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding

anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

10.17 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code of Chicago (the “Waste Sections”). During the period while this Agreement is executory, Developer’s, any general contractor’s or any subcontractor’s violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit the Developer’s, general contractor’s and its subcontractors’ duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer’s eligibility for future contract awards.

10.18 Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City’s Office of Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago.

10.19 Failure To Maintain Eligibility To Do Business With City. Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

10.20 City Hiring Plan.

A. The City is subject to the June 16, 2014 “City of Chicago Hiring Plan” (as amended, the “2014 City Hiring Plan”) entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

B. The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

C. The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

D. In the event of any communication to the Developer by a City employee or City official in violation of Section 10.20(B) above, or advocating a violation of subparagraph Section 10.20(C) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by IGO Hiring Oversight.

10.21 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each Party agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

10.22 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

10.23 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

10.24 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

10.25 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, pandemics, epidemics, insurrections, riots, supply chain disruptions, fires, floods, strikes, shortages of material and unusually severe weather or delays of contractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

10.26 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

10.27 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Chicago, Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

10.28 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.
