The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan, designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, without limitation, copies of certified letters to M/WBE contractor associations and the City office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the foregoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. FINAL FOR PUBLICATION

DEPARTMENT OF PLANNING AND DEVELOPMENT CITY OF
CHICAGO

MEMORANDUM

To: Alderman Tom Tunney
Chairman, City Council Committee on Zoning

From: y: " v
Maurice D. Cox Chicago Plan
Commission

Date: July 15, 2021

Re: Proposed Planned Development (1431-1525 E. 77th Street; 7700-7716 and 7734-7744 S. Blackstone Avenue; 7731-7741 S. South Chicago Avenue; 7701-7745 S. Blackstone Avenue; 7700-7778 S. Harper Avenue; 7707-7741 S. Harper)

On July 15, 2021, the Chicago Plan Commission recommended approval of a proposed Planned Development, submitted by Regal Mile Ventures LLC. The Applicant is proposing to rezone the site from a zoning designation of M1-2(Limited Manufacturing/Business Park District), RS-3 (Residential Single-Unit District), and C2-2 (Motor Vehicle-Related Commercial District) and first, to C2-2 Motor Vehicle-Related Commercial District, then to a Business Planned Development.

The applicant requests a rezoning of the subject property to Business Planned Development in order to allow the construction and operation of a more than 200,000 square foot state-of-the-art film studio and supporting offices, which would include communication service establishment, office, parking, accessory uses and other permitted uses in the C2-2 District and incidental uses. The proposed FAR of the project would be approximately 0.70, with an overall maximum FAR allowed in the PD of 2.2.

A copy of the proposed ordinance, planned development statements, and bulk table are attached. I would very much appreciate your assistance in having this introduced at the next possible City Council Committee on Zoning.

Also enclosed is a copy of the staff report to the Plan Commission which includes the Department of Planning and Development, Bureau of Zoning recommendation and a copy of the resolution. If you have any questions in this regard, please do not hesitate to contact Lisa Washington iLisa.Washington@cityofchicago.org <<mailto:iLisa.Washington@cityofchicago.org>>.
