With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability

5

10 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in this Agreement shall be true and correct.

11 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as of the Closing Date.

12 Reconveyance Deed. Prior to the conveyance of the Property to the Developer, the Developer shall deliver to the City a special warranty deed for the Property in recordable form naming the City as grantee ("Reconveyance Deed"), for possible recording in accordance with Section 18.3.d. below, if applicable.

6

8.13 Right to Terminate. If any of the conditions in this Section 8 have not been satisfied to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period, and this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 9. SITE PLANS AND ARCHITECTURAL DRAWINGS.

1 Site Plans. The Developer shall construct the Project on the Property in accordance with the site plan, specifications and architectural drawings prepared by Bureau of Architecture and Design, LLC, 119 West Hubbard Street, 5th Floor, Chicago, Illinois 60654, which have been approved by the DHED and which are attached hereto as Exhibit C (collectively, the "Working Drawings and Specifications"). No material deviation from the Working Drawings and Specifications may be made without the DHED's prior written approval. If the Developer submits and the DHED approves revised design development drawings and specifications after the date of this Agreement, the term "Working Drawings and Specifications" as used herein shall refer to the revised design development drawings and specifications upon the DHED's written approval of the same.

2 Relocation of Utilities. Curb Cuts and Driveways. To the extent necessary to complete the Project, the Developer shall be solely responsible for and shall pay all costs in regard to: (1) the relocation, installation or construction of public or private utilities located on the Property; (2) the relocation, installation and construction of any curb cuts and driveways; (3) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with the Developer's redevelopment; (4) the removal of existing pipes, utility equipment or building foundations located on the Property; and (5) the termination of existing water or other services. Any streetscaping, including any paving of sidewalks, landscaping and lighting provided by the Developer, as part of the Project, must be approved by the City.

3 Inspection by the City. For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of determining whether the Developer is

constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

9.4 Barricades and Signs. Upon the City's request, the Developer agrees to erect such signs as the City may reasonably require identifying the Property as a City redevelopment project. The Developer may erect signs of its own incorporating such approved identification information upon the execution of this Agreement. Prior to the commencement of any construction activity requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. The City shall have the right to approve all barricades, the maintenance, appearance, color scheme, painting, nature, type, content and

7

design of all barricades, and all signage, which approval shall not be unreasonably withheld or delayed.

SECTION 10. LIMITED APPLICABILITY.

The DHED's approval of any Drawings and Specifications is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department; nor does the approval by the DHED pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by the DHED shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 11. COMMENCEMENT AND COMPLETION OF PROJECT.

Subject to the receipt of all necessary government approvals, the Developer shall commence construction of the Project not later than March 1, 2014. The Developer shall complete the construction of the Project (as described in Exhibit B) not later than October 31, 2015 (such date, the "Outside Completion Date"). The Commissioner shall have discretion to extend any of the construction commencement and completion dates for good cause shown by issuing a written extension order. The Developer shall give written notice to the City within five (5) days after it commences construction of the Project. The Project shall be constructed in accordance with all applicable laws, regulations and codes.

SECTION 12. CERTIFICATE OF COMPLETION.

Upon the completion of the Project, including the Developer's having obtained LEED Certification under the Commercial Interiors 2009 Rating System, the Developer shall request from the City a Certificate of Completion (the "Certificate of Completion"). Within forty-five (45) days thereof, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole reasonable opinion of the Department, for the Developer to take or perform in order to be in compliance with this Agreement in order to obtain the Certificate of Completion. If the Department requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of certain of the covenants in this Agreement and the Deed (but excluding those on-going covenants as referenced in Section 17) with respect to the Developer's obligations to construct the

Project.

SECTION 13. RESTRICTIONS ON USE.

1 The Developer shall devote the Property to the construction of the Project.

2 The Developer shall devote the Property to a use that complies with the Redevelopment Plan until the Redevelopment Plan expires.

8

13.3 The Developer shall not, in violation of applicable law, discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof, except as permitted by applicable law.

SECTION 14. PROHIBITION AGAINST TRANSFER OF PROPERTY.

Prior to the issuance of the Certificate of Completion, as provided herein, the Developer may not, without the prior written consent of the DHED, which consent shall be in the DHED's sole reasonable discretion: (1) directly or indirectly sell or convey the Property or any part thereof or any interest therein, or the Developer's controlling interests therein; or (2) directly or indirectly assign this Agreement. In the event of a proposed sale, the City shall be provided copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including but not limited to anti-scofflaw requirement). After the issuance of the Certificate of Completion, no City consent shall be required for any type of transfer of the Property, provided that the transferee assumes in writing the continuing obligations of the Developer under Sections 13 and 17 of this Agreement.

SECTION 15. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without the DHED's prior written consent, which shall be in the DHED's sole reasonable discretion, engage in any financing or other transaction which creates a financial encumbrance or lien on the Property, except for the purposes of obtaining: (a) funds necessary to acquire the Property; (b) funds related to the Proof of Financing or otherwise necessary to construct the Project in substantial accordance with the Budget; and (c) after construction, funds necessary to own, maintain and operate the Property and the Project in accordance with the requirements of this Agreement. After the issuance of the Certificate of Completion, no City consent shall be required for any type of financing or other transaction which creates a financial encumbrance or lien on the Property.

SECTION 16. MORTGAGEES NOT OBLIGATED TO CONSTRUCT

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 17 and, at Closing, at the City's request, shall execute a Subordination Agreement (as defined in Section 8.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by

foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party (that is not also a mortgagee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 17.

9

SECTION 17. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), Section 14 (Prohibition Against Transfer of Property) and Section 15 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitations set forth in Section 16 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 11, Section 14, (except for the continuing obligations of the Developer under Sections 13 and 17 herein) as assumed by any transferee, and Section 15 shall terminate upon the issuance of the Certificate of Completion. The covenants contained in Section 13.1 shall terminate upon the City's issuance of the Certificate of Completion. The covenants contained in Section 13.2 shall terminate upon the expiration of the Redevelopment Plan, as such expiration may be amended from time to time in accordance with and pursuant to applicable law. The covenants contained in Section 13.3 shall remain in effect without limitation as to time.

SECTION 18. PERFORMANCE AND BREACH.

1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, material shortages, and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests it in writing of the City within thirty (30) days after the beginning of any such delay.

3 Breach.

- a. Generally. Subject to Section 18.2, if the Developer defaults in performing its obligations under this Agreement, the City shall deliver written notice of such default, after which the Developer shall have a 60-day cure period to remedy such default. If the default is not capable of being cured within the 60-day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 60-day period, and thereafter diligently prosecutes such cure through to completion, then the 60-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

No notice or cure period shall apply to a failure to close by the respective dates as set forth in Section 3 herein. Unless the failure to close is due to circumstances described in Section 18.2. above or caused by a breach by the City under the terms of this Agreement, such failure shall constitute an immediate "Event of Default". Failure to close by the dates set forth in Section 3 shall entitle the City to terminate this Agreement.

- b. Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after written notice from the City (if required):
1. The Developer fails to perform any obligation of the Developer under this Agreement; which default is not cured pursuant to Section 18.3.a.; or
 2. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct, which default is not cured pursuant to Section 18.3.a.;or
 3. A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or
 4. Except as excused by Section 18.2 above, the Developer abandons or substantially suspends the construction work (no notice or cure period shall apply); or
 5. The Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, which default is not cured pursuant to Section 18.3(a); or
 6. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply); or
 7. The Developer fails to perform, keep or observe any of the other covenants, promises, agreements, or obligations under this Agreement, including but not limited to, the covenants set forth in Sections 13 and 17 herein, or any other written agreement entered into with the City with respect to this Project, which default is not cured pursuant to Section 18.3(a); or
 8. Failure to close by the Outside Closing Date, unless the DHED, in

its sole reasonable discretion, extends the Outside Closing Date.

- c. Prior to Conveyance. Prior to Closing, if an Event of Default occurs and is continuing,

and the default is not cured in the time period provided in herein, the City may terminate this Agreement.

d. After Conveyance. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in this Section 18.3, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and revert title to the Property in the City pursuant to the Reconveyance Deed (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Property to the Developer.

Notwithstanding the foregoing to the contrary, prior to its exercise of its Right of Reverter, the City shall provide written notice to the Developer of its intent to exercise its Right of Reverter, and the Developer shall have an additional ninety (90) days to cure the applicable Event of Default.

The City's Right of Reverter shall terminate upon the City's issuance of the Certificate of Completion.

e. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

SECTION 19. CONFLICT OF INTEREST; CITY'S AND DEVELOPER'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or

indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement. It is expressly understood and agreed to by and between the parties hereto, anything herein to the contrary notwithstanding, that no individual member of the Developer, its officers, members of its board of directors, officials, agents,

representatives or employees shall be personally liable for any of the Developer's obligations or any undertaking or covenant of the Developer contained in this Agreement.

SECTION 20. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) (collectively "Losses") suffered or incurred by the City arising from or in connection with: (1) an Event of Default that has occurred; (2) the failure of the Developer or any contractor, subcontractor or agent of Developer acting at the request of Developer, to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (3) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (4) any actions, including but not limited to, conducting environmental tests on the Property as set forth in Section 21 herein, resulting from any activity undertaken by the Developer on the Property prior to or after the conveyance of said Property to the Developer by the City; provided, however, the Developer shall have no obligation to indemnify the City for Losses to the extent such losses are caused by the City or its agents. This indemnification shall survive any termination of this Agreement (regardless of the reason for such termination).

SECTION 21. ENVIRONMENTAL MATTERS.

The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property "as is".

It shall be the responsibility of the Developer, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property. Prior to the date of Closing, Developer may enter the Property owned by the City for the purpose of conducting environmental tests on the Property to determine that the environmental condition of such Property is acceptable. The Developer's activities on such Property shall be limited to those reasonably necessary to perform the environmental testing. Upon completion of the work, the Developer shall restore the Property to its original condition. The Developer shall keep such Property free from any and all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Developer, and agrees to indemnify and hold the City harmless against any such liens.

The Developer will deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property. If prior to the Closing, the Developer's environmental consultant determines an environmental or soil condition exists on the Property to such an extent that the Developer determines that it is not satisfied, in its sole

13

reasonable discretion, with the condition of the Property, the Developer may declare this Agreement null and void by giving written notice thereof to the City.

If after the Closing, the environmental condition of the Property is not in all respects entirely suitable for the use to which the Property is to be utilized, it shall be the sole responsibility and obligation of the Developer to take such action as is necessary to put the Property in a condition which is suitable for the intended use of the Property. The Developer agrees to waive, release and indemnify the City from any claims and liabilities relating to or arising from the environmental condition of the Property (including, without

limitation, claims arising under CERCLA) and to undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Closing.

SECTION 22. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

22.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) *INCiuiti me L/tvcuiJti nvji any L^inpivj^ci Mian uisv^iliiiiitac againsi aily*

employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775

14

ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

d) The Developer, in order to demonstrate compliance with the terms of this Section 22.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such

provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

f) Failure to comply with the employment obligations described in this Section 22.1 shall be a basis for the City to pursue remedies under the provisions of Section 18.

22.2 City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

a) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

c) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

d) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the DHED in

15

triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

e) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the DHED, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

f) At the direction of the DHED, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

g) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and

procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents.

h) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 22.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(i) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

16

(j) The Developer shall cause or require the provisions of this Section 22.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

22.3 Developer's MBE/WBE Commitment. Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority-and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq.. Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 22.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs - shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 22.3 only:

i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the

17

Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the DHED.

d) The Developer shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business

days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 22.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

22.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general

18

contractor and all major subcontractors shall meet with the DHED monitoring staff regarding compliance with all Section 22 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 22, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 22 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 22, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 23. REPRESENTATIONS AND WARRANTIES.

23.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

c. The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

d. To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.

19

e. To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the Property.

3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 35. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule,

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 36. PROHIBITION ON CERTAIN CONTRIBUTIONS -MAYORAL EXECUTIVE ORDER NO. 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach

of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other

23

Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and
2. neither party is married; and
3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and
4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
5. two of the following four conditions exist for the partners:
 - a. The partners have been residing together for at least 12 months.
 - b. The partners have common or joint ownership of a residence.
 - c. The partners have at least two of the following arrangements:
 - i. joint ownership of a motor vehicle;
 - ii. a joint credit account;
 - iii. a joint checking account;
 - iv. a lease for a residence identifying both domestic partners as tenants.
 - d. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 37. SHAKMAN.

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

ii) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

iii) Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

iv) In the event of any communication to Developer by a City employee or City official in violation of clause (ii) above, or advocating a violation of clause (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

SECTION 38. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for

termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply

with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 39. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

NARRATIVE DESCRIPTION OF PROJECT

Project Overview: The Developer will restore the Building into a bespoke workshop, complete with functioning vintage, museum quality hat making equipment. As a symbol of the Developer's expansion, the Developer will restore the Building, improving significantly the base building systems as well as its surrounding site. Employees and guests will be treated to a renovated, comfortable ground floor that respects the original detailing (see Exhibit C). The Project renovation is intended to be performed as follows:

The Developer will stabilize the Building and renovate the basement and first floor. The current condition of the Building with no utilities and open windows for several years has allowed for severe deterioration throughout. Most finishes, whether by direct removal or abatement, will be addressed with the intent to restore the interior to its original clean shell. New mechanical, plumbing and electrical systems will be installed if necessary. All plaster, moldings and doors are intended to be saved wherever possible. The exterior of the Building will be spot tuck-pointed and power washed. All limestone elements will be inspected, reset as needed, and cleaned. Windows generally, although not original, are in acceptable condition and will be maintained. The site parking areas will be repaired. The Developer will perform improvements to the landscape. In addition, the Project will be capitalized with approximately \$1,000,000 worth of equipment, currently in storage and intended to be used once the renovation is complete.

Environmental Features:

The Project is also intended to achieve LEED Certification under the Commercial Interiors 2009 Rating System, in compliance with requirements set forth by the City of Chicago. The Project team has identified Certified as the minimum potential certification with a comfortable goal of forty-five (45) credits. The team has identified and additional fifty-nine (59) credits that have a high probability of achievement pending some more information about the Building and the project after acquisition. This puts a high likelihood that the Project will achieve Gold certification.

Permanent Jobs: The Project is estimated to generate approximately 5 permanent jobs once the Building is renovated and in full operation. DHED's workforce development specialists will work with the developer on job training and placement.

Construction Jobs: The Project is estimated to produce approximately 10 temporary construction jobs.
