CITY OF CHICAGO COMMISSION ON CHICAGO LANDMARKS

June 2, 2011

**RECOMMENDATION TO THE CITY COUNCIL TO APPROVE A PERMIT APPLICATION FOR
DEMOLITION OF A NON-CONTRIBUTING BUILDING IN A CHICAGO LANDMARK DISTRICT**

Pursuant to Section 2-120-825 of the Municipal Code of Chicago governing review of permits for the demolition of 40% or more of any building or structure either designated as a "Chicago Landmark" or located in any district designated as a "Chicago Landmark," the Commission on Chicago Landmarks (the "Commission") has reviewed a permit application for the proposed demolition of a

Three-story institutional building (built in 1951) ("Building") located at 400 W. Dickens Avenue within the Mid-North District, a Chicago Landmark (the "Landmark District"); and

Whereas the significant historical or architectural features identified in the ordinance designating the Landmark District are all exterior elevations of all structures within the district;

THE COMMISSION ON CHICAGO LANDMARKS HEREBY:

1. Finds, in accordance with the criteria for review of permit applications established in Article III of the Commission's Rules and Regulations, that the Building is non-contributing to the character of the Mid-North District, and its demolition will not have a negative effect on the character of the Landmark District;
2. *Therefore finds, in accordance with Section 2-120-770 of the Municipal Code of Chicago, that the demolition of the Building will not adversely affect any significant historical or architectural features of the Landmark District, and that the demolition is in accordance with the Secretary of the Interior's Standards for the Rehabilitation of Historic Buildings;*
3. Approves permit application No. 100394042 for the demolition of the Building; and,
4. Recommends, in accordance with Section 2-120-825, that the City Council of the City of Chicago accept the Commission's approval of the permit application for the demolition of the Building.
