If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Completion Certificate upon compliance with the City's response. The Completion Certificate shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the applicable Deed with respect to the Developer's obligations to construct the Project. The Completion Certificate shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Nor shall the Completion Certificate release the Developer from its obligation to comply with the other terms, covenants and conditions of this Agreement, except to the extent otherwise provided by this Agreement.

2 Mortgagees Not Obligated to Construct. Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 19 and, at the Closing, shall execute a subordination agreement in accordance with Section 10.10. SECTION 18. [intentionally omitted]

SECTION 19. COVENANTS RUNNING WITH THE LAND.

The Parties agree, and the Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 13 (Commencement and Completion of Project), Section 15 (Restrictions on Use), Section 16 (Prohibition Against Sale or Transfer of Property), Section 17 (Limitation Upon Encumbrance of Property), and Section 23.5 (Release for Environmental Conditions), touch and concern and shall be appurtenant to and shall run with the Property. Such covenants, agreements, releases and other terms and provisions shall terminate as follows: Section 13 upon the issuance of the Completion Certificate; Sections 16.1 and 17 upon the issuance of the Completion Certificate; Section 15.1 upon the expiration of the Redevelopment Plan; Sections 15.2 upon the expiration of the Compliance Period; Section 16.2 upon the expiration of the Compliance Period; Section 15.4 in accordance with the terms of the Final NFR Letter; and Sections 15.5 and 23.5 with no limitation as to time.

e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing, for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event

of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

g) the entry of any judgment or order against Developer which is related to the Property and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have thirty (30) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing or any other provision of this Agreement to the contrary, there shall be no notice requirement or cure period with respect to Events of Default described in Section 13 (Commencement and Completion of Project), Section 16 (Prohibition Against Transfer of Property) and Section 17 (Mortgages and Other Liens).

4 After Closing. If an Event of Default occurs after the Closing, and the default is not cured in the time period provided for in Section 20.3 above, the City may terminate this Agreement and pursue and secure any available remedy in any court of competent jurisdiction by any action or proceeding at law or in equity, including, but not limited to, damages, injunctive relief, the specific performance of the agreements contained herein, and the right to revest title to the Property in the City pursuant to the Reconveyance Deed; provided,

however, the City's right to revest title in the City pursuant to the Reconveyance Deed shall terminate upon the issuance of the Completion Certificate, and provided further that the recording of the Reconveyance Deed shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Trustee, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Trustee. The Developer and the Trustee will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Property to the Trustee and any subsequent liens or exceptions expressly authorized by this Agreement or approved by the Commissioner in accordance with the terms of this Agreement (collectively, "Default Title Exceptions").

5 Resale of the Property. Upon the reconveyance of title to the Property to the City as provided in Section 20.4, the City may complete the Project or convey the Property, subject to any Default Title Exceptions, to a qualified and financially responsible party reasonably acceptable to the first mortgagee (if any), who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DPD, and otherwise comply with the covenants that run with the land as specified in Section 19.

26

20.6 Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 20.5, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

- a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and
- b) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or

she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

The Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees and agents (individually, an "Indemnitee," and collectively the "Indemnitees") harmless from and against any and all Losses in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto, that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of: (a) the failure of the Developer to comply with any of the terms, covenants and conditions contained within this Agreement; (b) the failure of the Developer or any Agent of the Developer to pay

27

This indemnification shall survive the Closing and any termination of this Agreement (regardless of the reason for such termination).

SECTION 23. ENVIRONMENTAL MATTERS.

1 "AS IS" SALE. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY (AND ANY IMPROVEMENTS THEREON). THE DEVELOPER AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS THE DEVELOPER'S SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM ANY REMEDIATION WORK (AS DEFINED BELOW) AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

2 Right of Entry. The Developer hereby represents and warrants to the City that it has performed a Phase I environmental site assessment of the Property in accordance with the requirements of the ASTM E 1527-05 standard and other environmental studies sufficient to conclude that the Project may be completed and operated in accordance with all Environmental Laws and this Agreement. The Developer agrees to deliver to the City copies of all Environmental Documents. The obligation of the Developer to purchase the Property is conditioned upon the Developer being satisfied with the condition of the Property for the construction, development and operation of the Project. The City shall grant the Developer the right, at its sole cost and

expense, and in the City's customary form and subject to City's receipt from Developer of required documentation (e.g., evidence of insurance and an Economic Disclosure Statement and Affidavit that is current as of the date of the right of entry), to enter the Property to perform the Phase I and any other surveys, environmental assessments, soil tests and other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property; provided, however, that the City shall have the right to review and approve the scope of work for any environmental testing. If the Developer determines that it is not satisfied, in its sole and absolute discretion, with the condition of the Property, it may terminate this Agreement by written notice to the City any time prior to the Closing Date, in which event the Earnest Money and Performance Deposit shall be returned to Developer and whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither Party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 23.2, the Developer shall be deemed satisfied with the condition of the Property.

28

23.3 Environmental Remediation.

a) Developer has obtained a Phase I Environmental Site Assessment ("Phase I ESA") by Carnow, Conibear and Associates (CCA), dated February 5, 2016; and a Focused Site Investigation report by Gabriel Environmental Services dated June 2, 2016 for the Property. Previous investigations include a Phase I ESA by URS Greiner Woodward Clyde (URSGWC) dated December 21, 1998; a Phase I ESA by Environmental Design International, Inc. dated September 30, 2009; and a Phase II Environmental Site Assessment by Northern Environmental dated October 25, 2005.

b) Prior to closing, Developer will provide an Updated Phase I Environmental Site Assessment (ESA) for the Property conducted in conformance with ASTM E- 1527-13 and performed or updated within 180 days prior to Closing. A reliance letter naming the City as an authorized user must be provided by the environmental professional conducting the Phase I ESA. The City's Department of Fleet and Facility Management ("2FM") shall have the right to review and reasonably approve the reliance letter. The environmental investigations identified contamination above industrial/commercial ("I/C") remediation objectives as determined by Title 35 of the Illinois Administrative Code ("IAC") Part 742, and the Developer must enroll the Property in the Illinois Environmental Protection Agency's ("IEPA") Site Remediation Program ("SRP"). Any underground storage tanks ("USTs") identified must be removed and closed in accordance with applicable regulations including Title 41 of IAC Part 175 and any identified leaking USTs must be properly addressed in accordance with 35 IAC Part 734.

c) The Developer acknowledges and agrees that it may not commence construction on the Property until the IEPA issues a Comprehensive Remedial Action Plan Approval Letter ("RAP Approval Letter") for the Property.

d) [intentionally omitted]

e) Upon receipt of the RAP Approval Letter for the Property, the Developer covenants and agrees to complete all Remediation Work necessary to obtain a Final Comprehensive I/C No Further Remediation ("NFR") Letter for the Property using all reasonable means. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the SRP Documents and any changes thereto, and the Developer's estimate of the cost to perform the Remediation Work. The Developer shall bear sole responsibility for all costs of the Remediation Work necessary to obtain the Final Comprehensive I/C NFR Letter, and the costs of any other investigative and cleanup costs associated with the Property. The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including,

without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies.

f) On the Closing Date, the Developer and the Title Company (or such other Escrowee as shall be acceptable to DPD, in its sole discretion) shall have executed a joint order escrow agreement, substantially in the form attached hereto as Exhibit C (the "Escrow Agreement"). The Developer shall deposit \$720,676 into the escrow account. The Developer acknowledges that the funds in the escrow account shall be used solely to reimburse the Developer for the line items shown on Exhibit 4 to the Escrow Agreement (the "Approved Environmental Costs"). The Developer acknowledges that (i) the City will not pay for any

29

removal (including, excavation, transportation and disposal), storage, remediation or treatment costs associated with any material from the Property, including any material meeting regulatory criteria of Hazardous Waste, and (ii) the Developer is solely responsible for all removal (including, excavation, transportation and disposal), storage, remediation or treatment costs associated with material meeting regulatory criteria of Hazardous Waste, even if those costs exceed \$720,676. Any funds remaining in the environmental escrow account following the Escrowee's payment from the escrow account of the Approved Environmental Costs shall be paid to the City. The Developer shall pay all escrow fees.

g) The Developer acknowledges and agrees that occupancy of the Property may not occur until a Remedial Action Completion Report has been approved by 2FM and submitted to the IEPA. The Developer acknowledges and agrees that the City will not issue a Certificate of Completion until the IEPA has issued, the City has approved (such approval not to be unreasonably withheld), and the Developer has recorded with the Cook County Recorder of Deeds, a Final NFR Letter for the Property. The Developer must obtain the Final NFR Letter within six (6) months of the submission of the Remedial Action Completion Report to the IEPA. In addition to the other remedies available to the City under Section 20.4. the Developer acknowledges and agrees on behalf of itself, its successors and assigns, that if the Developer fails to obtain the Final NFR Letter within six (6) months of the submission of the Remedial Action Completion Report to the IEPA, then the City shall have the right to record a notice of default of this Agreement against the Property with the Office of the Recorder of Deeds of Cook County.

h) The Developer must abide by the terms and conditions of the Final NFR letter.

23.4 Release and Indemnification. The Developer, on behalf of itself and the other Developer Parties, or anyone claiming by, through, or under the Developer Parties, hereby releases, relinquishes and forever discharges the City from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other property, unless the Hazardous Substances migrate from property owned by the City to the Property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses arising under CERCLA, and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, the

Developer shall defend (through an attorney reasonably acceptable to the City), indemnify, and hold the City harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims.

30

5 Release Runs with the Land. The covenant of release in Section 23.4 shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer for the Purchase Price. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer, or any of the Developer Parties, arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither the Developer, nor any of the Developer Parties, will assert that those obligations must be satisfied in whole or in part by the City because Section 23.4 contains a full, complete and final release of all such claims.

6 Survival. This Section 23 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 24. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

24.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

b) To the greatest extent feasible, the Developer and each Employer shall (i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the construction of the Project be awarded to

business concerns which are located in or owned in substantial part by persons residing in, the City.

31

c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

d) The Developer, in order to demonstrate compliance with the terms of this Section 24.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

f) Failure to comply with the employment obligations described in this Section 24.1 shall be a basis for the City to pursue remedies under the provisions of Section 20.

24.2 City Resident Employment Requirement.

a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate,

which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Completion Certificate.

g) At the direction of DPD, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 24.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 20.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 24.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

24.3 Developer's MBEAA/BE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall

contractually obligate the General Contractor to agree, that during the construction of the Project:

a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 24.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

b) For purposes of this Section 24.3 only:

i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, the Developer's MBEA/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor); by subcontracting or causing the General Contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBEA/WBE commitment as

described in this Section 24.3. In accordance with Section 2-92-730, Municipal Code, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

f) Any reduction or waiver of the Developer's MBEA/WBE commitment as described in this Section 24.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

24.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's General Contractor and all major subcontractors shall meet with DPD monitoring staff regarding compliance with all Section 24 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 24, the sufficiency of which the City's monitoring staff shall approve as a precondition to the First Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 24 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBEA/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 24, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of

the Project, (y) withhold any further payment of any City funds to the Developer or the General Contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 25. REPRESENTATIONS AND WARRANTIES.

25.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer represents, warrants and covenants, as of the Effective Date and as of the Closing Date and the Closing Date, that the following shall be true, accurate and complete in all respects:

'

d) No action, litigation, investigation or proceeding of any kind is pending or threatened against Developer, or any party affiliated with Developer, by or before any court, governmental commission, board, bureau or any other administrative agency, and Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of Developer.

h) The Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the

assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations, or financial condition of the Developer since the date of the Developer's most recent Financial Statements.

(i) The Project will not violate: (i) any applicable Laws, including, without limitation, any zoning and building codes and Environmental Laws; or (ii) any building permit, restriction of record or other agreement affecting the Property.

(j) Prior to the expiration of the Compliance Period, Developer shall not do any of the following without the prior written consent of the Commissioner of DPD, which shall be in the Commissioner's sole discretion: (1) be a party to any merger, liquidation or consolidation; (2) enter into any transaction outside the ordinary course of Developer's business; (3) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (4) enter into any transaction that would cause a material and detrimental change to Developer's financial condition.

(k) Prior to the issuance of the Completion Certificate, the Developer shall not do any of the following without the prior written consent of the Commissioner of DPD, which shall be in the Commissioner's sole discretion: (1) allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or (2) incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Budget.

(l) Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code of the City.

(m) Neither Developer nor any Affiliate of Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

3 Survival of Representations and Warranties. Each of the parties agrees that all warranties, representations, covenants and agreements contained in this Section 25 and elsewhere in this Agreement are true, accurate and complete as of the Effective Date and shall survive the Effective Date and shall be in effect until the expiration of the Compliance Period.

The Developer represents and warrants that neither the Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

SECTION 30. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

30.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

39

2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 30 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the First Closing or the Second Closing, the City may elect to decline to close the transactions contemplated by this Agreement (i.e., the conveyance of Lots 6, 7 and 8 in the case of the First Closing and the conveyance of Lot 8 in the case of the Second Closing).

7 For purposes of this provision:

a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

d) Individuals are "domestic partners" if they satisfy the following criteria:

40

i) they are each other's sole domestic partner, responsible for each other's common welfare; and

ii) neither party is married; and

iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

v) two of the following four conditions exist for the partners:

1) The partners have been residing together for at least 12 months.

2) The partners have common or joint ownership of a residence.

3) The partners have at least two of the following arrangements:

- A) joint ownership of a motor vehicle;
 - B) joint credit account;
 - C) a joint checking account;
 - D) a lease for a residence identifying both domestic partners as tenants.
- 4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

SECTION 31. INSPECTOR GENERAL

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. The Developer understands and will abide by all provisions of Chapter 2-55 of the Municipal Code.

SECTION 32. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, Developer's, any violation of the Waste Sections by the General Contractor or any subcontractor, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of DPD. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This

41

section does not limit the duty, of the Developer, the General Contractor and any subcontractors to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

SECTION 33. CITY HIRING PLAN.

1 The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (the "City ' Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

2 Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel

provided by Developer.

3 Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

4 In the event of any communication to Developer by a City employee or City official in violation of Section 33.2 above, or advocating a violation of Section 33.3 above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight related to this Agreement.

SECTION 34. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of the

42

Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code.

SECTION 35. MISCELLANEOUS.

The following general provisions govern this Agreement:

1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

4 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

5 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

6 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

7 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

8 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

9 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

43

10 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

11 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

12 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

13 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

14 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

15 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

16 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each Party agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

35.17 The Trustee. This Agreement is executed by the Trustee, not personally but as Trustee as aforesaid in the exercise power and authority conferred upon and vested in it as such Trustee and said Trustee hereby warrants that it possesses full power and authority to execute this instrument and it is expressly understood and agreed that nothing herein shall be construed as creating any liability on the Trustee personally to perform any covenant either express or implied herein. No personal liability shall be asserted or be enforceable against the Trustee by reason of the covenants, statements, representatives or warranties contained in this instrument.
