A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on April 2, 2014: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Foster and California Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the Foster and California Redevelopment Project Area as a Redevelopment Project

1. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03, Section 4.05(b) and Section 5 hereof, the City hereby agrees to pay for or reimburse the Developer for the actual Project costs of the TIF-Funded Improvements, in an amount not to exceed the Maximum Per Phase TIF Assistance Amount (the "City Funds") in Installments, as follows:

provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed the lesser of (a) the Maximum Per Phase TIF Amount as set forth above and \$4,600,000 in the aggregate, or (b) the amount of City Funds calculated as described in the following clause; provided further, in the event that the Final WHC Phase Project Cost is less than [\$8,017,680] or the Final ER Phase Project Cost is less than [\$10,380,126], the total amount of City Funds shall be reduced by \$1.00 for every \$1.00 (or portion thereof) by which the Final WHC Phase Project Cost or Final ER Phase Project Cost is less than [\$8,017,680] or [\$10,380,126], respectively. Such reduction shall be a reduction in WHC Payment 1 and ER Department Payment 1, respectively.

2. The City's financial commitment to provide Available Incremental Taxes for such purposes is subject to the Prior TIF Financings and the availability of sufficient Available Incremental Taxes.

3. Subject to the terms and conditions of this Agreement, payments of the City Funds shall be made to the Developer in installments (each, an "Installment") upon the Developer's submission of a Requisition Form in accordance with Section 4.03(c). Such Installments shall be in the amount set forth in Section 4.03(c); provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed the applicable Maximum Per Phase TIF Amount.
4. City Funds derived from Incremental Taxes and available to pay such costs and allocated for such purposes shall be paid in accordance with the terms of this

14

Agreement [and the Escrow Agreement] only so long as no Event of Default or condition for which the giving of notice or the passage of time, or both, would constitute an Event of Default exists under this Agreement or the Escrow Agreement.

The Developer acknowledges and agrees that the City's obligation to pay Installments of City Funds in an amount not to exceed the applicable Maximum Per Phase TIF Amount is contingent upon the fulfillment of the conditions set forth in (1) through (4) above, as well as the prior issuance of the Initial Certificate or Final Certificate, as the case may be, and the Developer's satisfaction of all other applicable terms and conditions of this Agreement. In the event that such condition is not fulfilled, the amount of Equity and/or Lender Financing to be contributed by Developer pursuant to Section 4.01 hereof shall increase proportionately.

(c) Payment Amount. (i) The Installments, to be paid pursuant to the time frames set forth herein and in accordance with the terms and conditions of this Agreement shall be made upon the submission of a Requisition Form to the satisfaction of DPD, shall be as follows:

4.04 Requisition Form. Conditioned upon the issuance of the Initial Certificate and the Final Certificate pursuant to Section 7 hereof, Developer shall provide DPD with a Requisition Form, substantially in the form of Exhibit L hereto, documentation satisfactory in form and substance to DPD (including Developer's filing of a Jobs and Occupancy Certificate) evidencing Developer's compliance with the Operating Covenant and the applicable Jobs Covenant then due,

15

as set forth in Section 8.06, along with the documentation described therein and such other supporting documentation as DPD shall request.

A Requisition Form for WHC Payment 1 shall be submitted following the issuance of the Initial Certificate. If the Initial Certificate is issued prior to May 1, 2015, then subject to the availability of Available Incremental Taxes and the submission of a Requisition Form no fewer than (60) days prior to the payment, the City will make reasonable effort to pay the Developer WHC Payment 1 by July 1, 2015. A Requisition Form for ER Department Payment 1 shall be submitted following the issuance of the Final Certificate. Subject to the availability of Available Incremental Taxes and the submission of a Requisition Form no fewer than sixty (60) days prior to the payment, the City will make reasonable effort to pay the Developer ER Department Payment 1 by the earlier of the first quarter of the calendar year following the issuance of the Final Certificate or 180 days of the issuance of the Final Certificate.

The Developer shall meet with DPD at the request of DPD to discuss the Requisition Form(s) previously delivered. 5 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit! hereto sets forth the prior expenditures approved by DPD as of the Closing Date as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by Developer pursuant to Section 4.01 hereof.

(b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DPD.

6 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds

available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

7 Preconditions of Disbursement. Prior to the payment of each Installment of City Funds hereunder, Developer shall submit, in the timeframe set forth in Section 4.04 hereof, a Requisition Form and documentation regarding the applicable expenditures to DPD that are satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of any request for payment

16

of an Installment of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for payment, that:

a) the total amount of the disbursement request represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

c) Developer has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the Available Project Funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, provide the City with evidence of sufficient sources of funds that will place the Project In Balance.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, and this Agreement.

- ii. The Initial Certificate has been issued by the City;

- iii. The ER Department is fully operational, has received a Certificate of Occupancy from the City's Building Department, and documentation satisfactory to DPD that

the Developer has complied with building permit requirements for the ER Phase;

- iv. At least thirty (30) new FTE positions have been created at the Facility and at least 2,400 positions (no fewer than 1,700 of which shall be FTE positions, with the remainder being PTE positions) have been maintained at the Hospital campus, as evidenced by the Jobs and Occupancy Certificate;
- v. The Developer has provided an affidavit that the ER Department has achieved at least fourteen (14) out of the maximum seventeen (17) possible points for the LEED Indoor Air Quality section which are set forth in Exhibit F hereto;
- vi. The City's Monitoring and Compliance unit has determined in writing that the Developer is in complete compliance with all City Requirements (M/WBE, City Residency, and Prevailing Wage) with respect to the ER Phase;
- vii. **The Final ER Department Phase Project Cost incurred by the Developer is at least [\$10,380,126] and that the Final Project Cost is at least [\$18,397,806]; provided, however, that in the event that the Final ER Department Phase Project Cost is less than [\$10,380,126] or the Final Project Cost is less than [\$18,397,806], the total amount of City Funds shall be reduced by \$1.00 for every \$1.00 (or portion thereof) by which the Final ER Department Final Project Cost is less than [\$10,380,126] or the Final Project Cost is less than [\$18,397,806], as the case may be, as described in Section 4.03(b);**
- viii. Evidence that the Developer has incurred TIF-eligible costs in an equal amount to, or greater than, \$4,600,000 TIF-eligible costs including demolition, site preparation, environmental remediation, rehabilitation, and other eligible activities under the Act; and
- ix. There exists neither an Event of Default which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

DPD shall respond to Developer's written request for the Initial Certificate and Final Certificate within forty-five (45) days by issuing either such Certificate or a written statement detailing the ways in which the WHC Phase or ER Phase of the Project, as applicable, does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by Developer in order to obtain such Certificate. Developer may resubmit a written request for such Certificate upon completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Initial Certificate relates only to the completion of WHC Phase and the Final Certificate relates only to the completion of the Project. Upon issuance of the Final Certificate, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete the Project have been satisfied. After the issuance of both the Initial Certificate and the Final Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph. Neither the issuance of the Initial Certificate nor the Final

Certificate shall be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.01(j), 8.01(10), 8.02, 8.06, 8.19, 8.20, 8.23 and

8.25 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of the Initial Certificate or the Final Certificate; provided, that upon the issuance of the Final Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of the Final Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

a) the right to terminate this Agreement and any other related agreements to which the City and Developer are or shall be parties and/or cease all disbursement of City Funds;

b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

c) the right to seek reimbursement of the City Funds from Developer, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status of the TIF Bonds, if any.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER

8.01 General. Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

a) Developer is an Illinois not-for-profit corporation duly organized, validly existing, qualified to do business and in Illinois, and licensed to do business in Illinois and in any other state where, due to the nature of its activities or properties, such qualification or license is required;

b) Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

c) the execution, delivery and performance by Developer of this Agreement has been duly authorized by all necessary action, and does not and will not violate its Articles of Incorporation or by-laws as amended and supplemented, any applicable provision of law, or constitute a breach of,

23

default under or require any consent under any agreement, instrument or document to which Developer is now a party or by which Developer is now or may become bound;

d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, Developer shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the

Property (and all improvements thereon) free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that Developer is contesting in good faith pursuant to Section 8.15 hereof)

e) Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Developer which would impair its ability to perform under this Agreement;

g) Developer has and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project;

h) Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's most recent Financial Statements;

(j) Prior to the ten (10) year anniversary of the issuance of the Final Certificate, the Developer shall not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business; (3) enter into any transaction outside the ordinary course of Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (5) enter into any transaction that would cause a material and detrimental change to Developer's financial condition;

(k) Except as permitted in the Master Indenture, the Developer has not incurred, and, prior to the issuance of the Final Certificate, shall not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing, if any, disclosed in the Project Budget; Permitted Liens incurred after the Closing Date shall be subordinated to those encumbrances set forth herein, only to the extent permitted in the Master Indenture and pursuant to a subordination agreement, if and as necessary, substantially in the form of Exhibit M hereof, which is to be recorded, at the expense of the Developer, with the Office of the Recorder of Deeds of Cook County.

(l) the Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

(m) neither Developer nor any affiliate of Developer is listed on any of the following lists maintained by

the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise; and

(n) Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract (as defined below) is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later of (i) May 16, 2011, or (ii) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011 -4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral

25

Executive Order No. 2011 -4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011 -4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- B) neither party is married; and
- C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and Developer's receipt of all required building permits and governmental approvals, Developer shall

redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinance, if any, the Bond Ordinance, if any, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all Laws applicable to the Project, the Property and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of the Final Certificate.

3 **Redevelopment Plan.** The Developer represents that the Project is and shall be in compliance with all of the terms of the Planned Development and Redevelopment Plan, which are hereby incorporated by reference into this Agreement.

4 **Use of City Funds.** City Funds disbursed to the Developer shall be used by Developer solely to

pay for (or to reimburse Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

5 Other Bonds. Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the "Bonds"); provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project. Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

6 Operating Covenant; Job Creation and Retention.

a) Operating Covenant. The Developer hereby covenants and agrees to maintain the Facility, including without limitation the WHC and the ER Department, at the Property throughout the Term of the Agreement (collectively, the "Operating Covenant"). A default under the Operating Covenant shall constitute an Event of Default without notice or opportunity to cure.

b) Jobs Covenant. The Developer shall adhere to the following job creation and retention standards (collectively the "Jobs Covenant"):

i) Prior to the date the Developer requests the City to issue the Final Certificate under Section 7.01 hereof, the Developer shall have created not less than thirty (30) new positions and retained not less than 2,400 positions (no fewer than 1,700 of which shall be FTE positions, with the remainder being PTE positions) at the Hospital campus;

ii) During the Compliance Period, the Developer shall maintain at least 2,280 positions (no fewer than 1,615 of which shall be FTE positions, with the remainder being PTE positions); and

iii) During the Compliance Period, for purposes of determining eligibility for insurance, retirement and other employee benefits that may be offered by the Developer, the Developer shall continue to treat (A) an individual who is budgeted and scheduled to work a minimum of 64 hours per pay period on a regularly scheduled basis as a regular full-time employee, and (B) an individual who is budgeted and scheduled to work between 48 to 63 hours per pay period on a regularly scheduled basis as a regular part-time employee.

27

c) Jobs and Occupancy Certificates. Throughout the Compliance Period, the Developer shall submit to DPD annual certified Jobs and Occupancy Certificates disclosing compliance with the then-applicable Jobs Covenant and the Operating Covenant. These Jobs and Occupancy Certificates shall be submitted to DPD by February 1 st for the prior calendar year. The Developer agrees that it shall act in good faith and, among other things, shall not hire temporary workers or relocate workers for short periods of time for the primary purpose of avoiding a breach of the Jobs Covenant. The Jobs and Occupancy Certificate shall include the names, addresses and zip codes of principal residence, and job titles of FTEs and PTEs employed at the Facility as of the end of the prior calendar year.

d) Jobs Covenant Default and Cure Period. If the Developer defaults under the Jobs Covenant, an Event of Default shall not be declared with respect to such default if the Developer, upon irrevocable written notice (the "Extension Notice") accompanying the Jobs and Occupancy Certificate, elects to extend the

Compliance Period by one year to the eleventh (11 th) anniversary of the date the Final Certificate is issued. The one-year period during which the Extension Notice is given shall be the only cure period allowed for a default by Developer of the Jobs Covenant as described in this paragraph; no other notice or cure periods shall apply thereto and if such default is not cured within such one-year period then the Compliance Period shall not be extended and an Event of Default shall exist without notice or opportunity to cure. If the Developer has not delivered a permitted Extension Notice then any default by the Developer of the Jobs Covenant shall constitute an Event of Default without notice or opportunity to cure. The Developer shall be entitled to deliver one Extension Notice. If the Developer has delivered an Extension Notice, then any subsequent default by the Developer of the Jobs Covenant shall constitute an Event of Default without notice or opportunity to cure.

(d) Covenants Run with the Land: Remedy. The covenants set forth in this Section 8.06 shall run with the land and be binding upon any transferee. In the event of a default for any of the covenants in this Section 8.06, the City shall have the right to recapture the full amount of all City Funds previously paid or disbursed to the Developer for the Project if such default(s) is/are not cured during the applicable cure period, if any, and to exercise any other remedies described or referred to in this Agreement.

7 Employment Opportunity; Progress Reports. Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09,10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City monthly. If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8 Employment Profile. Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

9 Prevailing Wage. Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the

City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or

indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

12 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

13 Financial Statements. Developer shall obtain and provide to DPD Financial Statements for Developer's fiscal year ended 2013 and each [December 31] thereafter throughout the Compliance Period. In addition, Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

14 Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

15 Non-Governmental Charges, (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to

29

relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

17 **Compliance with Laws.**

a) Representation. To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all Laws pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such

compliance.

b) Covenant. The Developer covenants that the Property and the Project will be operated and managed in compliance with all Laws. Upon the City's request, the Developer shall provide evidence to the City of its compliance with this covenant.

18 Recording and Filing. Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

30

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge

or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

c) **Real Estate Taxes.** With respect to the Property or the Project, nothing in this Agreement shall prevent Developer or any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer, during the Term of this Agreement, from seeking or authorizing any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect. Notwithstanding the foregoing, if at any time during the Term of this Agreement all or any portion of the Property or the Project is not exempt from real estate taxes (the "Non-exempt Property"), then the following provisions shall apply to the Non-exempt Property:

(i) **Acknowledgment of Real Estate Taxes.** Developer and the City shall negotiate in good faith to establish an Exhibit to be attached to this Agreement and containing (A) the

31

total projected minimum assessed value of the Non-exempt Property ("Minimum Assessed Value") for the years noted on the exhibit; (B) the specific improvements which will generate the fair market values, assessments, equalized assessed values and taxes shown thereon; and (C) the real estate taxes anticipated to be generated and derived from the respective portions of the Non-exempt Property for the years shown on the exhibit.

ii) **No Reduction in Real Estate Taxes.** Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer shall, during the Term of this Agreement, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Property or the Project below the amount of the Minimum Assessed Value for the applicable year as shown in the exhibit described in Section 8.19(c)(i).

iii) **No Objections.** Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Underassessment Complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "Underassessment Complaint" as used in this Agreement shall mean any complaint seeking to increase the assessed value of the Property up to (but not above) the Minimum Assessed Value as shown in the exhibit described in Section 8.19(c)(i).

iv) **Covenants Running with the Land.** The parties agree that the restrictions contained in this Section 8.19(c) are covenants running with the land and this Agreement shall be recorded by Developer as a memorandum thereof, at Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions.

Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of Developer, its successors or assigns, may waive and terminate Developer's covenants and agreements set forth in this Section 8.19(c).

(d) Change in Use and Ownership. If applicable during the Term of this Agreement, Developer shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. After delivery of the notification to the Cook County Assessor via certified mail, return receipt requested, Developer shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office. Additionally, the provisions of this Section 8.19 do not prohibit a change in use of portions of the Property so long as the Developer is in compliance with the Operating Covenant as set forth in Section 8.06(a) hereof, including if such change in use results in Non-exempt Property thereafter being exempt from the payment of real estate taxes.

8.20 Annual Compliance Report. During the Compliance Period, the Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

32

21 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

22 Green Initiatives. The Developer shall provide an affidavit documenting it has achieved at least fourteen (14) out of the maximum seventeen (17) possible points on the LEED Indoor Air Quality Certification, which are set forth in Exhibit F hereto, for each of the WHC and the ER Department.

23 FOIA and Local Records Act Compliance.

a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

b) Exempt Information. Documents that the Developer submits to the City under Section 8.20, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act.

24 Job Readiness Program. Developer shall undertake a job readiness program to work with the City, through DPD's Workforce Unit, to participate in job training programs to provide job applicants for the jobs created by the Project and the operation of Developer's business on the Property.

25 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section

33

7 hereof upon the issuance of the Final Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq.. Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for

employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

34

d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by Actual Residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual Residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every

employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

35

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the

Procurement Program, the "MBEAA/BE Program"), and in reliance upon the provisions of the MBEAA/BE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBEAA/BE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

36

- 1) At least 24 percent by MBEs.
- 2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the construction of the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBEAA/BE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBEAA/BE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBEAA/BE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBEAA/BE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBEAA/BE participation and the status of any MBE or WBE performing any portion of the Project.

e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

f) Any reduction or waiver of Developer's MBEAA/BE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-

37

construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBEA/BE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, the Bond Ordinance, if any, the Planned Development and the Redevelopment Plan.

Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which Developer, or any person directly or indirectly controlling, controlled by or under common control with Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

SECTION 12. INSURANCE

occurring during the term of this Agreement. Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Developer is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Developer must require Contractor and subcontractors to provide the insurance required herein, or Developer may provide the coverages for Contractor and subcontractors. All Contractors and subcontractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 13. INDEMNIFICATION

"Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

i) Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

ii) Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of Developer or any Affiliate of Developer; or

iv) Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

1 Books and Records. Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Project.

2 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the

provisions of Section 15.03, shall constitute an "Event of Default" by Developer hereunder:

a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property, assets, operations or condition, financial or otherwise;

c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

g) the entry of any judgment or order against Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed

43

within thirty (30) days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);

(k) during the Compliance Period, the sale or transfer of a majority of the ownership interests of Developer without the prior written consent of the City; or

(l) The failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

2 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend or permanently discontinue continued disbursement of City Funds or seek reimbursement of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein. Upon the occurrence of an Event of Default under Section 8.06, Developer shall be obligated to repay to the City all previously disbursed City Funds.

Upon the occurrence of an Event of Default because of failure to comply with Section 8.01 (j)(5) (in the event of a sale or transfer of the Facility or any part thereof for any use other than a health care facility prior to the ten (10) year anniversary of the issuance of the Final Certificate), the Developer agrees to pay and remit to the City an amount equal to five percent (5%) of such sale, transfer, lease or other disposition based on the final executed settlement statement prepared in connection with such sale, transfer or other disposition, with such repayment amount not to exceed 110% of the total City Funds paid to the Developer. Payments to the City made pursuant to this Section 15.02 are subject to the subordination provisions of the Master Indenture, relevant portions of which are included in Exhibit M.

3 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Notwithstanding any other provision of this Agreement to the contrary:

- (a) the only cure periods, if any, applicable to the Developer's failure to comply with the Jobs Covenant are those set forth in Section 8.06;

44

- (b) there shall be no notice requirement or cure period with respect to an Event of Default arising from the Developer's failure to comply with the Operations Covenant;
and

- (c) there shall be no notice requirement or cure period with respect to Events of Default described in Section 8.20 (with respect to filing the Annual Report).

SECTION 16. MORTGAGING OF THE PROJECT

That certain Mortgage and Security Agreement dated as of January 15, 2010 from the Developer, as mortgagor, to U.S. Bank National Association, as mortgagee, as supplemented and amended to the date hereof and as shall be amended and supplemented in the future is referred to herein as the "Existing Mortgage." The Existing Mortgage is the only mortgage or deed of trust in place as of the date hereof with respect to the Property or any portion thereof. No amendments or supplements to the Existing Mortgage shall be deemed to be a New Mortgage as defined hereinafter.

Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.14 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of Developer which accrued prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to Developer of the Final Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD. After issuance of the Final Certificate, if a mortgagee or other permitted transferee executes a subordination agreement in which it subordinates its New Mortgage to the covenants contained in Section 8.02, Section 8.06, and Section 8.19 of this agreement, then City consent is not required for the New Mortgage.

This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement the Redevelopment Plan without the consent of any party hereto. It is agreed that no material amendment or change to this

Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer by more than ninety (90) days, including but not limited to extension of the time periods for completion of the WHC Phase or ER Phase more than ninety (90) days past the timeframes set forth in Section 3.04 hereof.

5 Waiver. Waiver by the City or Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

6 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

7 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

8 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

9 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be

47

construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

10 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances and/or the Bond Ordinance, if any, such ordinance(s) shall prevail and control.

This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

16 Force Majeure. Neither the City nor Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including

attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

20 Business Relationships. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship that creates a Financial Interest, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. EXHIBIT J
OPINION OF DEVELOPER'S COUNSEL

City of Chicago
121 North LaSalle Street
Chicago, IL 60602
Attention: Corporation Counsel

Re: Swedish Covenant Hospital Redevelopment Agreement

Ladies and Gentlemen:

We have acted as counsel to Swedish Covenant Hospital, an Illinois not for profit corporation (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in Foster and California Redevelopment Project Area (the "Project").

We have examined, among other things, the following agreements, instruments and documents of even date herewith: (i) Swedish Covenant Hospital Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City") and (ii) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project] (collectively, the "Documents").

We have also examined the originals or copies, certified or otherwise identified to our satisfaction, of such records of the Developer, corporate resolutions, certificates of officers and representatives of the Developer, and such other documents, and we have made such legal and factual investigations and inquiries, as we have deemed necessary or advisable for the purpose of rendering this opinion.

This opinion is rendered pursuant to Section 5.09 of the Agreement. Capitalized terms not otherwise defined herein have the same meanings as in the Agreement.

In rendering this opinion as to questions of fact material to this opinion, we have relied to the extent we have deemed such reliance appropriate, without investigation, on certificates and other communications from public officials and from officers of the Developer and on representations of the Developer set forth in the Documents.

Wherever we indicate that our opinion, with respect to the existence or absence of facts, is based on our knowledge, our opinion is based solely on the actual knowledge of the attorneys in this firm who are representing the Developer in connection with the Agreement, and other attorneys in this firm who have represented the Developer on other matters. In each case in which we indicate that our knowledge is based upon "due inquiry," the basis for our opinion is limited solely to (i) the actual knowledge of attorneys in this firm as described in the preceding sentence; (ii) discussions, inquiries and conferences occurring in connection with our representation of the Developer in connection with the Agreement; and (iii) reviews of the Documents, certain corporate records, documents and proceedings of or involving the Developer furnished to us in connection with the Agreement, and shall not imply any independent verification of any factual matter of which we became aware as a result of such discussions, inquiries, conferences and reviews.

We have assumed that the documents we have reviewed in connection with this opinion which purport to have been executed by the City have been duly executed and delivered by

68

the City and that the City has all requisite power to enter into and perform all obligations thereunder and is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, that execution and delivery thereof has been duly authorized by all requisite action and that the documents are valid and binding upon the City.

We have assumed the authenticity of all documents submitted to us as originals, the genuineness of all signatures thereon (other than those of the Developer), the legal capacity of natural persons executing such documents and the conformity to originals of all documents submitted to us as copies.

We are qualified to practice law in the State of Illinois and we do not purport to be experts in and do not express any opinion herein concerning any law other than the laws of the State of Illinois and the United States of America. Accordingly, we express no opinion as to the laws of any jurisdiction other than the State of Illinois or the United States of America.

We express no opinion herein concerning any statutes, ordinances, administrative decisions, rules or regulations of any county, town, municipality or special political subdivision (whether created or enabled through legislative action at the federal, state or regional level).

This opinion is limited to the extent that (i) the performance and enforceability of any agreement by or against any party may be subject to applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other similar laws affecting generally the enforcement of creditors' rights; (ii)

general equitable principles may limit the availability of equitable remedies, including, but not limited to, the remedy of specific performance; (iii) such enforceability may be limited by the effect of limitations on the enforceability of agreements to indemnify, defend, or hold harmless when the event giving rise to the obligations thereunder is caused in whole or in part by certain actions or negligence of the indemnitee thereunder or agreements to indemnify, defend, or hold harmless that are prohibited by applicable law or contrary to public policy; (iv) a court may refrain from enforcing any provisions of such documents regarding the remedies available to any party (a) to take discretionary action which is arbitrary, unreasonable, or capricious, or is not taken in good faith or in a commercially reasonable manner, whether or not such action is permitted under said agreements, or (b) for violations or breaches which are non-material or without substantial adverse effect upon the ability of the obligor to perform its material obligations thereunder; (v) the unenforceability under certain circumstances of provisions to the effect that rights or remedies are not inclusive, that every right or remedy is cumulative and may be exercised in addition to or with any other right or remedy, that election of a particular remedy or remedies does not preclude recourse to one or more other remedies or that failure to exercise or delay in exercising rights or remedies will not operate as a waiver of any such rights or remedies; and (vi) the unenforceability in certain circumstances of provisions imposing penalties or forfeiture, including without limitation any provisions in the documents that permit the lending parties to increase the rate of interest or to collect a late charge or prepayment penalty in the event of delinquency or default.

The opinions expressed below are subject to limitations on the enforceability under certain circumstances, under state or federal law or court decisions, of provisions: (a) expressly or by implication waiving broadly or vaguely stated rights, unknown future rights, defenses to obligations or rights granted or implied by law, where such waivers are against public policy or prohibited by law; (b) which waive (i) statutory provisions with respect to notice or cure, (ii) statutes of limitations, (iii) rights to trial by jury or (iv) rights of setoff or recoupment or rights to terminate an agreement; (c) to the effect that waivers, modifications or amendments must be in writing in order to be effective; (d) respecting self-help or summary remedies without notice or opportunity for hearing or correction; and (e) to the effect that the invalidity or limits on the enforceability of certain

69

provisions, deemed as such under state or federal law or court decisions, shall not impair the validity or enforceability of remaining provisions.

Based upon the foregoing, and in reliance upon the items previously referred to, and subject to the exceptions, limitations, qualifications and assumptions stated herein, we are of the opinion that:

1. The Developer is a not for profit corporation, duly organized, existing and in good standing under the laws of the State of Illinois (the "State"). The Developer has all necessary corporate power and authority to conduct the business now conducted by it.

2. The Developer is an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), and is exempt from federal income taxes under Section 501(a) of the Code, other than taxation of unrelated business income subject to taxation under Section 511 of the Code, and is not a "private foundation" as defined in Section 509(a) of the Code (a "Tax-Exempt Organization"). The Developer is an organization described in Section 3(a)(4) of the Securities Act of 1933, as amended, and Section 12(g)(2)(D) of the Securities Exchange Act of 1934, as amended.

3. The Developer has the requisite corporate power and authority: (a) to own and operate its properties and assets; (b) to conduct and carry on its business as presently conducted; and (c) to enter into, execute, deliver and perform the terms of the Documents and to incur and perform the Developer's obligations provided for therein.

4. The Documents and the execution, delivery and performance of the same have been duly

authorized by all necessary corporate action by, for or on behalf of the Developer. Assuming, but rendering no opinion as to, the due authorization, execution and delivery of such documents by the other parties thereto, such documents constitute legal, valid and binding obligations of the Developer, enforceable in accordance with their respective terms, subject, as to enforcement of any indemnification provisions that may be limited by any public policy and/or federal and state securities laws.

5. The execution, delivery and performance by the Developer of the Documents, and compliance with the provisions thereof by the parties thereto, under the circumstances contemplated thereby, do not and will not constitute a violation of, conflict with or a breach of any of the provisions, terms or conditions of or default under the Articles of Incorporation, as amended, or bylaws, as amended, of the Developer, any resolution adopted by the Developer with respect to the Agreement, or any material and existing law, regulation, court order or consent decree to which the Developer is subject, any material written agreement, indenture or instrument pursuant to which the Developer is a party or by which the Developer is bound. To the best of our knowledge after due inquiry, such execution, delivery and performance by the Developer will not constitute grounds for acceleration of the maturity of any material written agreement, indenture or instrument to which the Developer is a party or by which it or any of its property is bound, or result in the creation or imposition (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

6. The execution, delivery and performance by the Developer of the Documents, and the other agreements contemplated therein are not subject to any authorization, consent, approval or review of or by any governmental body or regulatory authority not heretofore obtained or effected.

70

7. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

8. To our knowledge the Developer has all material and necessary licenses, approvals and permits currently required under federal and state law to own and operate its properties and business.

Based upon a review of our litigation docket and an officer's certificate, to our knowledge, there is no action, suit, litigation, proceeding or investigation at law or in equity before or by any judicial or administrative court, public board or body, pending or threatened against or affecting the Developer, which would (a) contest the due organization, corporate existence, corporate powers or tax-exempt status of the Developer, (b) contest or affect the validity, execution or enforceability in accordance with their respective terms of the Documents, (c) limit, enjoin or prevent the Developer from operating its business as it is presently being operated or (d) restrain, enjoin or restrict the execution, issuance, delivery or enforceability, in accordance with their respective terms of the Documents.

This opinion is given as of the date hereof, and we assume no obligation to advise you of changes that may hereafter be brought to our attention. This opinion may be relied upon only by the addressees hereof and by other persons to whom prior written permission to rely hereon is granted by us.

Respectfully submitted,
