Redistricting Impact Statement

(This Statement is not part of the Ordinance but is included for Informational Purposes)

The proposed map satisfies the requirements of the United States Voting Rights Act, the United States Constitution and the Illinois Constitution in that this map provides fair and equal opportunity for minority residents of the City of Chicago to elect representatives of their choice. The map creates sixteen (16) wards in which a majority of the total population is African-American, fourteen (14) wards in which a majority of the total population is Latino, and one (1) ward in which a majority of the total population is Asian-American. In five (5) wards, minority communities combine to form a population majority.
