The calculation of the additional Floor Area Ratio (FAR) obtained through the bonuses is as follows:

**Arcades**

$$\text{Bonus FAR} = (\text{arcade area} / \text{Net Site Area}) \times 1.25 \times \text{Base FAR} (1,280 \text{ sf} / 38,402 \text{ sf}) \\ \times 1.25 \times 12 = 0.500$$

The Applicant will substantially comply with the City of Chicago Sustainable Development Policy set forth by DHED as of the date of this Planned Development, including a 50% net green roof consisting of approximately 7,183 square feet in the aggregate as shown on the Landscape Plan/Green Roof Plan for Sub-Area A, and a 26% net green roof consisting of approximately 2,368 square feet in the aggregate as shown in the Landscape Green Roof Plan for Sub-Area B. All buildings within both sub-areas shall be LEED Certified.

15. The Applicant acknowledges and agrees that the development triggers Section 2-45-110 (b)(4)(iii) of the Municipal Code (the "Affordable Housing Ordinance" or "AHO"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). The Applicant further acknowledges and agrees that this Planned Development is subject to Section 17-4-1004-B3 of the Zoning Code, which requires that the Affordable Housing Floor Area Bonus must be used by residential buildings in DX-12 districts to obtain at least 20% of the total requested floor area bonus by provision of on-site affordable housing or payment of a fee in lieu of providing affordable housing. Prior to the issuance of any building permits for the Eligible Building in Sub-Area A, including, without limitation, excavation or foundation permits for Sub-Area A, the Applicant must either make the required Cash Payment or provide a performance bond or other security in the amount of the Cash Payment ensuring construction of the Affordable Units. If the Applicant elects to construct the Affordable Units, either the Applicant or its successors in title to Sub-Area A must also enter into an Affordable Housing Agreement

with the City pursuant to Section 17-4-1004-E9 prior to the issuance of any building permits for the Eligible Building in Sub-Area A, including, without limitation, excavation or foundation permits for Sub-Area A. The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Eligible Building in Sub-Area A and will constitute a lien against each Affordable Unit in an amount equal to the Pro Rata Amount. The City shall execute a full release of the Affordable Housing Agreement upon the City's receipt of the Cash Payment and partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the Applicant acknowledges and agrees that, pursuant to Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. The Applicant must comply with the applicable affordable housing standards and requirements set forth in Section 17-4-1004 as to Sub-Area A, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in Section 17-4-1003-E, the Commissioner of the Department of Housing and Economic Development may enforce remedies for breach of the Affordable Housing Agreement as to Sub-Area A, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

Re: 1 E. Chestnut (the "Project")

Dear Ms. Breems

The undersigned ("Developer") is the developer of Sub-Area A the Project, which is located within Subarea A of Planned Development No. (the "Planned Development"). Pursuant to Section 2-45-110(b)(4)(iii) of the Chicago Municipal Code, since the Project (1) meets the eligibility criteria of Section 17-4-1004-B, (II) does not involve any rezoning described in subsections 2-45-110 (b)(1)(0, (ii) or (iii) or the sale of any real estate by the City, and (III) involves the development of a "residential housing project" in Sub-Area A as defined in Section 2-45-110(a), the Developer is required as to Sub-Area A to establish 10% of the housing units as affordable housing or the equivalent as provided in Subsection 2-45-110(d), unless the Developer elects to participate in the affordable housing floor area density program by purchasing additional floor area for Sub-Area A pursuant to Section 17-04-1004.

The Developer has elected to participate in the affordable housing floor area density program by purchasing additional floor area for Sub-Area A pursuant to Section 17-4-1004. Pursuant to Section 17-4-1004-B.3, the Developer is seeking an increase in the floor area ratio for Subarea A of the Planned Development. Developer acknowledges and agrees that pursuant to Sec. 17-4-1004-C2, floor area bonuses for Sub-Area A will be based on a financial contribution that reflects the value of land within the surrounding area, based on the following formula: Cost of 1 square foot of floor area = 80% x the median cost of land per buildable square foot. The City has determined that for this Project, the

Developer's contribution for Sub-Area A will be \$220,607.00. This letter constitutes the undersigned's written acknowledgment of such obligation and is being provided pursuant to Title 17, Chapter 17-4-1000 et seq. of the Zoning Ordinance.
