Alderman Margaret Laurino 4406 W. Lafrence Ave. Chicago, IL 60630
Re: Handicap Parking Restriction Permit Disabled Parking Signs Wife has Alzheimer's Disease
Dear Alderman Margaret Laurino:
On October 12,20101 made an application and sent the required check for an application for Disabled Parking Signs to be placed in front of our home located at 5407 N. Bernard Street Chicago, IL 60625. The Main Purpose for requesting the Disabled Signs is due to the fact that my wife, Elaine has a very bad case of Alzheimer's Disease. She also has severe problems with walking and barely shuffles her feet using a walker and needs help from another person to hold her up with a chaise belt helping and guiding her. We have been fortunate to have Elaine be able to go to the Alzheimer's Family Care Center some of the days of the week. This facility is run by the Rush Medical Group. The Alzheimer's Family Care Center has a bus that picks up my wife Elaine in the morning in front of our home and returns her again in the late afternoon again in front of our home.
We received a letter dated December 3.2010 from the Department of Revenue stating that the Department cannot recommend our application. The Reason Not-Recommended: ALTERNATIVE ACCESSIBLE PARKING. Explanation: GARAGE AT LOCATION.
Alderman Laurino, The bus from the Alzheimer's Family Care Center DOES NOT AND WILL NOT PICK UP MY WIFE, ELAINE FROM OUR GARAGE! When I called the Department of Revenue I was told that having is garage is the reason they must reject every application where a garage is located. That I must submit an appeal for a final decision. We need your help regarding this very important matter for us. I am enclosing copies of the application with our reason for requesting the Disabled Parking Signs and the letters from the Department of Revenue. Also pictures of my wife getting on and off the bus in front of our home. I have been a Builder and Realtor and lived at the same address since 1964 when we built this home of ours. Your Precinct Captain knows us very well as we talk often. Please help us.
I do have Handicap License on our car because I am a Disabled American Veteran and qualify for this type of License.
Seasons Greetings to you and your family.
