## **FINAL FCR PUBLICATION**

### **NARRATIVE & PLANS - 3300 South Bell Avenue**

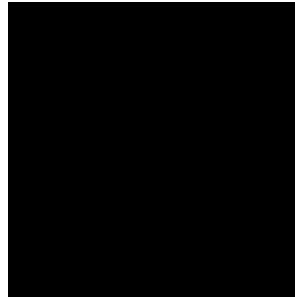

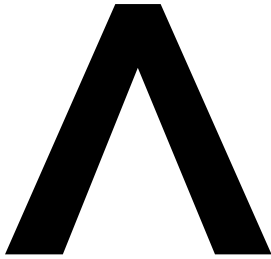

#### **RS3 to RM5**

A first-floor residential unit was converted from a tavern/bar space prior to the applicant purchasing the property, making the number of units non-conforming to the current zoning. The applicant seeks a zoning change to account for the change in use from a tavern to a residential unit in an existing 2-story, 4 dwelling unit building with basement.

The applicant seeks to renovate and improve the existing 4 dwelling unit building, 25.0 feet in height, by adding 2 parking spaces in the rear yard abutting the public access alley, finishing the existing basement space for the purpose of duplexing the 2 ground-floor units and converting existing enclosed porches on the first and second-floor into utility closet and bathroom spaces.
