TERMS AND CONDITIONS ARTICLE ONE: INCORPORATION OF RECITALS

The recitals set forth above are incorporated herein by reference and made a part hereof.

ARTICLE TWO: AUTHORITY

1. The parties represent and warrant to each other that they have the authority to enter into this Agreement and perform their obligations hereunder. This Agreement constitutes a legal, valid and binding agreement, enforceable against the City and the County, in accordance with its terms.
2. This Agreement shall not become effective unless an ordinance is passed by the City Council of the City (the "City Council") approving the Agreement and it is executed by an authorized representative of the City; furthermore, the Agreement shall not become effective unless it is authorized and executed by the Cook County Board of Commissioners (the "Board").
3. On __, 2011, the City Council adopted an ordinance published in the Journal of the Proceedings of the City Council of Chicago for said date at pages __-__, among other things, authorizing the execution of this Agreement.
4. On June 1, 2011, the Board adopted a resolution expressing its desire to cooperate with the City regarding animal care volunteer service at the Facility and authorizing the execution of this Agreement.

ARTICLE THREE: PARTIES' OBLIGATIONS AND INMATES

1. Upon the execution hereof, the Sheriff shall carefully select and provide sixteen (16) suitable inmate volunteers per day, 365 days per year, to clean and feed the animal population housed in seven (7) pavilions at the Facility.

2

2. The sixteen (16) inmate volunteers shall work from 8:00 A.M. to 12:00 P.M. every day during the year and shall be supervised by at least two (2) CCDOC employees (the "Sworn Correctional Officers") who will transport said inmates to and from the Facility using all appropriate security measures as determined by the Sheriff.

3. Upon execution hereof and until the date of termination of this Agreement according to its terms, and except as otherwise provided under this Agreement, the City shall pay to the Sheriff in twelve equal monthly installments (each, a "Monthly Installment") an annual total amount of \$231,059.87 ("Annual Total") from certain City funds (the "City Funds"). The Annual Total reflects the Sheriff's current costs under this Agreement.

Upon ninety (90) days advance written request by the Sheriff (each, a "Request"), the City hereby agrees to adjust the Annual Total, or the Annual Total as previously adjusted under the terms of this Article 3.3 (the "Adjusted Annual Total"), in an amount not to exceed 5% annually, to reimburse the Sheriff for its actual cost ("Actual Cost") increases. Any such Request shall detail the Actual Cost increases under this Agreement and provide a reasonable basis for the Actual Cost increase. If a Request does not comply with this Article 3.3, which compliance shall be determined by the City in its sole discretion, then it shall not be deemed a valid Request and the City shall have no further obligation as to that Request. If the City determines that the Request complies with this Article 3.3, then the Annual Total or Adjusted Annual Total shall be increased to reflect the approved Request (the "New Annual Total") and subsequent Monthly Installments shall be the amount that results from dividing the New Annual Total by twelve. Notwithstanding any of the foregoing, Actual Costs shall be limited to the following costs, which will be incurred by the Sheriff, and which are directly attributable to this Agreement: gas and usage for two (2) CCDOC vehicles, wages for two (2) Sworn Correctional Officers, wages for one (1) sergeant, Sheriff's compensation for sixteen (16) inmate volunteers, inmate volunteer uniform costs, and an administrative fee not to exceed 10.28% of the Actual Costs. The current breakdown of Actual Costs is attached hereto as Exhibit 1, which is hereby incorporated by this reference into the Agreement.

4. Notwithstanding anything in Article 3.3, the Sheriff hereby acknowledges and agrees that the City's obligations hereunder are subject in every respect to the availability of the City Funds. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements under this Agreement, then the City will notify the Sheriff in writing of that occurrence, and this Agreement will terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

5. The City may terminate this Agreement immediately in the event the Sheriff fails to perform its obligations hereunder after reasonable attempts by the City to obtain such performance. In the event of such a termination, the City shall have the right to exercise its available legal or equitable remedies, including, but not limited to any rights it may be entitled to under this Agreement. The City or the County may terminate this Agreement for convenience upon sixty (60) days notice; less notice may be given if agreed to by the parties.

3

6. The City and the Commission shall not compensate the inmate volunteers in any manner. The receipt and deposit of the Monthly Installments shall be determined solely by the Sheriff, but, in any event, the Sheriff intends to set apart four dollars (\$4.00) per hour for each inmate volunteer's hour of work and said amounts shall be deposited on a monthly basis into the Inmate Welfare Fund. Further, the Sheriff shall determine the nature and amount of compensation, if any, to the inmate volunteers for their service.

7. The Commission hereby agrees to provide all inmates with adequate training and ongoing support sufficient to ensure the inmates' productivity and safety, including but not limited to instruction regarding feeding schedules, the care and handling of animals, and instruction regarding emergency procedures related to the Commission's facility. Notwithstanding any of the foregoing, the Sheriff and the City recognize that the inmate volunteers shall at all times be under the full custody and control of the Sheriff, and as such, the Sheriff and its Sworn Correction Officers are solely responsible for supervising the conduct of the inmate volunteers at all times.

8. The Commission further agrees to provide the inmates suitable protective clothing, if necessary, including but not limited to biohazard protection clothing, if necessary. The Commission further agrees that it shall provide all cleaning equipment and cleaning agents.

9. The Commission will hold harmless the Sheriff from any and all damage to its equipment by the inmates or the Sworn Correctional Officers, unless such damage is the result of the willful and wanton conduct or wrongful act of the inmates or the Sworn Correctional Officers. This Article 3.9 shall survive the termination of this Agreement.

10. Where the Commission identifies any behavioral, safety or productivity concerns in relation to a particular inmate(s), upon written notice by the Commission to the Sheriff identifying the inmate(s) and the underlying cause for concern, the Sheriff shall remove the inmate from the roster of volunteers available to the

Commission for the Facility.

11. Where" the Commission identifies any inmate as a behavioral, safety or security risk, the Commission shall immediately notify the Sheriff and the Sheriff shall immediately remove the individual(s) from the Commission's facility and return the individual(s) to the CCDOC.

12. Where the Sheriff identifies either in writing or verbally that the health and/or safety of the inmates are at risk as a result of the performance of the inmates' volunteer service or because of the environment at the Facility, the Sheriff may at his discretion suspend the work of the inmates until such time that the Commission addresses or corrects the underlying risk factors to the Sheriffs satisfaction.

.4

13. When and if such work is suspended, the Commission may suspend or reduce its Monthly Installments to the Sheriff on a pro-rated basis that corresponds to the number of hours inmates actually provided volunteer services to the Commission during that month.

ARTICLE FOUR: LIABILITY

The City and the County agree to be responsible for the negligent or wrongful acts or omissions of their respective employees. Further, except as specifically set forth in Article 3.9, the Sheriff agrees to be responsible for any damages resulting from the negligence or wrongful acts or omissions of the inmate volunteers. This Article 4 shall survive the termination of this Agreement.

ARTICLE FIVE: TERM; EXTENSION OPTION

The term of this Agreement shall commence when executed in accordance with Article 2, and shall run for a period of twelve (12) months following said commencement.
