INTERGOVERNMENTAL AGREEMENT BETWEEN THE CITY OF
CHICAGO AND THE CHICAGO HOUSING AUTHORITY

This Intergovernmental Agreement (the "Agreement") is entered into this _____ day of _____, 20____, by and between the City of Chicago (the "City"), a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, by and through its Department of Planning and Development, and the Chicago Housing Authority (the "CHA"), a municipal corporation of the State of Illinois.

RECITALS

WHEREAS, the City is a home rule unit of local government under the 1970 Constitution of the State of Illinois and as such may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the CHA is engaged in the development and operation of safe, decent and sanitary housing throughout the City of Chicago for low-income families (the "CHA Housing Developments") in accordance with the United States Housing Act of 1937, 42 U.S.C. §1437 et seq.. regulations promulgated by the United States Department of Housing and Urban Development ("HUD"), and the State Housing Authorities Act, 310 ILCS 10/1 et seq.. as amended, and other applicable laws, regulations and ordinances; and

WHEREAS, the City and CHA have authority to enter into intergovernmental agreements pursuant to Article VII, Section 10 of the 1970 Constitution of the State of Illinois; and

WHEREAS, the City has undertaken to assist the Board of Education of the City of Chicago (the "Board") with the construction of a new building for William Jones College Preparatory High School located at 700 South State Street, Chicago, Illinois, and to rehab the existing high school building; and

WHEREAS, the CHA has undertaken the redevelopment of the former Cabrini Green public housing site and surrounding areas into a mixed income community (the "Cabrini Redevelopment") as further set forth in its Plan for Transformation (the "Plan"); and

WHEREAS, the CHA owns the vacant block bounded by 23rd Street on the north, 24th Street on the south, Federal Street on the west and Dearborn Street on the east, as more fully described on Exhibit A hereto (the "CHA Property"); and

WHEREAS, the CHA Property is comprised of approximately 3.47 acres and is located in the

immediate vicinity of the CHA's former Harold Ickes Homes; and

WHEREAS, the City owns, or is authorized to accept ownership of, the real property and improvements located at 1450 North Larrabee and formerly operated as Near North Career Metropolitan High School, as more fully described on Exhibit B hereto (the "Near North High School Property"), which contains a total land area of approximately 9.8 acres; and

WHEREAS, the City desires to (a) acquire the CHA Property from the CHA and thereafter convey such property to the Board for the construction of a new artificial turf field and running track for Jones College Prep, and (b) acquire the Near North High School Property from

the Board and thereafter convey such property to the CHA for purposes of providing additional housing and community services within the Cabrini Redevelopment in furtherance of the Plan.

NOW, THEREFORE, in consideration of the foregoing premises and the respective representations, warranties, agreements, covenants and conditions, mutual benefits and detriments herein contained, and other good and valuable consideration, the City and the CHA agree as follows:

1. Transfer of CHA Property to the City. The CHA agrees to convey by quitclaim deed, and the City agrees to accept, all of the CHA's right, title and interest in the CHA Property on or before the Closing Date as defined in Section 5 hereof and subject to the terms of this Agreement. The City agrees to accept such CHA Property "AS IS."

- i) Title: The City acknowledges that it has received a commitment for an owner's policy of title insurance for the CHA Property, File Number 40006062, with an effective date of February 06, 2013, issued by Greater Illinois Title Company. The City shall be solely responsible for and shall pay all costs associated with updating the title commitment or obtaining a new title commitment (including all search, continuation and later-date fees), and obtaining any title insurance and endorsements it deems necessary.
- ii) Survey: The City shall be responsible for obtaining a survey of the CHA Land at its sole option and expense.
- iii) Title or Survey Defects: The CHA agrees to remove the following exceptions to title identified in Schedule B of the above-referenced title insurance commitment:
 - . The CHA shall have no obligation to cure any other title defects.In the event the title insurance commitment or survey discloses other matters that are unacceptable to the City, the City may elect to terminate this Agreement upon written notice to the CHA at any time prior to the Closing Date, or may elect to take the CHA Property subject to such title or survey defects (in which case all objections to any such matter shall be deemed to have been waived), without any adjustment in consideration.
- iv) Delivery of Possession: Possession of the CHA Property shall be delivered on the Closing Date.
- v) Environmental Conditions: If at any time prior to the Closing Date, the City determines, in its sole discretion, that the environmental condition of the CHA Property is unacceptable, the City may terminate this Agreement and shall have no obligation to convey the Near North High School Property or accept the CHA Property. In the event that the City elects to accept the CHA Property, then the CHA shall have no responsibility to remediate such CHA Property.

2. HUD approvals. The transfer of the CHA Property to the City is contingent upon: (i) the submission of any necessary application by CHA to HUD to dispose of all or any portion of the CHA Property, and HUD's written approval of the disposition, and (ii) HUD approval of the transfer of the Near North High

School Property.

3. Transfer of Near North High School Property to CHA: The City agrees to convey by quitclaim deed, and the CHA agrees to accept, all of the City's right, title and interest in the

2

- i) Title: The CHA acknowledges that it has received a commitment for an owner's policy of title insurance for the Near North High School Property, File Number 40006784, with an effective date of March 13, 2013, issued by Greater Illinois Title Company. The CHA shall be solely responsible for and shall pay all costs associated with updating the title commitment or obtaining a new title commitment (including all search, continuation and later-date fees), and obtaining any title insurance and endorsements it deems necessary
- ii) Survey: The CHA shall be responsible for obtaining a survey of the Near North High School Property at its sole option and expense.
- iii) Title or Survey Defects: The City agrees to remove the following exceptions to title identified in Schedule B of the above-referenced title insurance commitment:
 - . The City shall have no obligation to cure any other title defects. In the event the title insurance commitment or survey discloses other matters that are unacceptable to the CHA, the CHA may elect to terminate this Agreement upon written notice to the City at any time prior to the Closing Date, or may elect to take the Near North High School Property subject to such title or survey defects (in which case all objections to any such matter shall be deemed to have been waived), without any adjustment in consideration.
- iv) Delivery of Possession: Possession of the Near North High School Property shall be delivered on the Closing Date.
- v) Environmental Conditions: If at any time prior to the Closing Date, the CHA determines, in its sole discretion, that the environmental conditions are unacceptable, the CHA may terminate this Agreement and shall have no obligation to convey the CHA Property or accept the Near North High School Property. In the event that the CHA elects to accept the Near North High School Property, then the City shall have no responsibility to remediate such Near North High School Property.
- vi) Use of Athletic Fields: Jones College Prep has been using the athletic fields at the Near North High School Property for outdoor athletic programs, events and competitions. 5. Closing Date: All land transfers contemplated herein will occur simultaneously on the Closing Date, unless both parties agree to separate closing dates. The Closing Date shall be a date agreed upon by the parties, but shall in any event occur on or before _____, 20____ (the "Closing Date"), or as mutually agreed to by the parties. The parties may, but shall not be obligated to, transfer the land covered by this Agreement non-simultaneously, upon schedules mutually agreeable. However, in the event a party conveys its property prior in time to the other party, nothing shall release the party who has not yet conveyed from its obligations to convey hereunder, it being understood that the consideration for this Agreement is the transfer of all parcels contemplated hereunder. Prior to the Closing Date, each party will provide the deliverables set forth above. On the Closing Date, each party will provide, or cause to be provided, their respective quitclaim deeds.

6. Right of Entry: Each party hereby grants the other party, and their contractors, a non-exclusive thirty (30) day right of entry to perform reasonable investigations and inspections of the properties covered by this Agreement no later than 45 days prior to the Closing Date, provided that no party shall have any obligation to perform such investigations under this Agreement. Prior to exercising such right of entry, the party requesting such entry (the "Grantee") shall provide, or shall require and cause its contractor(s) to provide to the party providing access (the "Grantor") (i) insurance reasonably acceptable to the respective Grantor (naming the Grantor as an additional insured and loss payee as requested) as a condition to entering the site, to protect the party granting access from losses, claims, damages, including property damages and death, arising out of or resulting from the conduct or activities of such contractor or other person at the site. Each party hereby releases the other from any claims, liabilities, costs, or expenses incurred as a result of its activities or presence on the site. The Grantee agrees that it will assure that (a) all necessary permits and licenses are obtained, maintained, and appropriately displayed, and (b) the site is restored and that any equipment or materials are removed prior to termination. The Grantee shall keep the premises free and clear from liens arising from its activities on the site. All such activities shall be conducted in compliance with applicable laws, including the environmental laws and any IEPA filings, if applicable.

20. Exempt Status. The parties acknowledge that to the extent any of the properties conveyed hereunder were exempt from property taxes on the date of transfer, the basis for such exemption may no longer apply upon transfer of title, and that the transferred land may not continue as exempt unless a new exempt application is submitted by the respective transferee and approved by the tax authorities.

21. Termination. This Agreement shall commence as of the date of execution and shall terminate on the Closing Date or, as mutually agreed, the date on which the transfer of the last property is closed (unless sooner terminated in accordance with this Agreement) upon which any contractual responsibilities to the other party shall terminate.
