

Elementary and Preschool ("CPS"), and the public interest will be subserved by such closing.

SECTION 2. The closure herein contemplated is made with the express condition that all utilities as currently situated in the public way herein closed, shall remain in place with unimpeded ingress and egress for the involved utility companies, for the repair and maintenance of their facilities; and that no permanent structures or trees shall be placed over said facilities, or current soil grades changed by the CPS or its successors and assigns, without the express written pre-review and approval of the involved respective utilities. The CPS shall also be responsible for the repair renewal or replacement of any school-related physical improvements on the area herein closed, that may be damaged in association with said utilities exercising their easement rights,

SECTION 3. The closure herein provided for is made upon the express condition that any future improvements made to the area to be closed shall be fully permitted,

impermanent, removable, and that the street be returned to original condition by the CPS in accordance with the most current version of the Chicago Department of Transportation's Regulations for Opening Repair and Construction in the Public Way and its appendices, at such time as the street is reopened to public traffic. The sale of the parcel adjacent to the area herein closed, which adjacent parcel is currently owned by the City of Chicago in Trust for Use of Schools, shall invalidate this ordinance and reopen the street, or require vacation of the street and appraised compensation due to the City by any subsequent owner.

SECTION 4. This ordinance shall take effect and be in force from and after its passage and publication.
