First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

The Honorable Daniel Solis, Chairman City of Chicago Committee on Zoning Room 304, City Hall 121 North LaSalle Street Chicago, Illinois 60602

Re: Application for Business Planned Development 4601-4715 West Foster Avenue, Chicago, Illinois

Dear Chairman Solis:

The undersigned, Richard F. Klawiter, an attorney with the law firm of DLA Piper LLP (US), which firm represents Foster Edens LLC, the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development amendment, certifies that he has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately January 2, 2018, and a source for additional information on the application.

The undersigned certifies that he has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Very truly yours,

FIRST CLASS MAIL

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about January 2, 2018, the undersigned, on behalf of Foster Edens LLC (the "Applicant"), intends to file an application to rezone the property located at 4601-4715 West Foster Avenue, Chicago, IL, from the M1-1 Limited Manufacturing/Business Park District to the B3-1 Community Shopping District then to a Business Planned Development. A map of the development site is printed on the reverse side of this letter.

The development site is currently vacant. The Applicant requests a rezoning of the subject property from the M1-1 Limited Manufacturing/Business Park District to the B3-1 Community Shopping District then to a Business Planned Development to permit the construction of a two-level retail shopping center containing approximately 145,582 square feet of retail and commercial space, 537 parking spaces and accessory uses.

The proposed change of zoning does not apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the proposed Planned Development.

I am an authorized representative of the Applicant and my address is 444 West Lake Street, Suite 900, Chicago, IL 60606. The Applicant's address is 111 W. Illinois St., 5th Floor. SAI Foster LLC owns the property and its address is 301 East Central Road, Schaumburg, IL, 60195.

Please contact me at 312-368-7243 with questions or to obtain additional information.

Very truly yours

Richard Klawiter

Page 7 of 14

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):
