The Applicant shall obtain building certification and provide a 50% net green roof equivalent to an actual total of 8,166 square feet.

The Applicant acknowledges and agrees that the rezoning of the Property from the B3-2 Community Shopping District to the B3-5 Community Shopping District, and then to this Planned Development, triggers the requirements of Section 2-45-1 15 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the "Required Units") as affordable units, or with the Commissioner's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. As a result, the Applicant's affordable housing obligation is 13 affordable units (10% of 134 rounded down), 3 of which are Required Units (25% of 13, rounded down). Applicant has agreed to satisfy its affordable housing obligation by providing 13 affordable units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit [ ]. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property.
