City of Chicago

1 am requesting a 15 minute standing zone on Rockwell st. for municipal foods located at 2559 W Division. The reason are as follows:

We need additional parking for the business.

The other tenant ofthe building will also need additional spaces.

People park in the lot which can fit about 8 cars and leave to other business in the area.

Because we have a small lot it gets congested and we lose business, if someone had the opportunity to pull into a spot for a short time it will be beneficial for everyone.

Parking on Rockwell is difficult because people do not move their cars, they park there for long periods of time, sometimes days.

Please help us with this request.

Thank you, Murad Farhan
