ORDINANCE

WHEREAS, The City of Chicago (the "City") is a home rule unit of government pursuant to Article VII, Section 6(a) of the 1970 State of Illinois Constitution and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City has determined that a shortage of affordable housing available to low-and moderate-income households is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, The City's current Five Year Housing Plan (2019-2023) recognizes that most of the City's existing affordable housing is in unsubsidized, naturally occurring housing, often in the form of older 2-flats and smaller multi-family residential buildings; and

WHEREAS, Protecting such naturally occurring affordable housing is critical to protecting vulnerable households from displacement; and

WHEREAS, Two particular areas in the City are experiencing high levels of gentrification and displacement of vulnerable households: the area adjacent to the 606 trail and the Pilsen neighborhood; and

WHEREAS, The area adjacent to the 606 trail is a transit-rich neighborhood that has experienced significant change due to a major public investment in a neighborhood amenity, and Pilsen is a transit-rich neighborhood that has experienced significant change due to its proximity to downtown jobs and cultural vibrancy; and

WHEREAS, With respect to the 606 area, the Institute for Housing Studies at DePaul University estimates the area lost almost sixty 2- to 6-flat residential buildings to redevelopment as single-family homes between 2013 and 2018, representing hundreds of vulnerable households displaced by the elimination of such unsubsidized and naturally occurring affordable housing; and

WHEREAS, The Institute for Housing Studies has further found that while prices for 1- to 4-unit buildings in areas vulnerable to displacement in the 606 trail area west of Western Avenue were 30 percent below the citywide average in 2012, they were double the citywide average in 2018, creating significant difficulties for low- and moderate-income households with respect to housing affordability; and

WHEREAS, With respect to the Pilsen neighborhood, census tract data from the American Community Survey show that between 2013 and 2018, the Lower West Side Community Area, in which Pilsen is the main neighborhood, was the only Community Area in Chicago that registered both an increase of more than 15% in median household income from households earning below \$50,000 and an increase of more than 10 percentage points in adults with four-year college degrees, which are two primary indicators of gentrification; and

WHEREAS, The American Community Survey also reveals that the Pilsen neighborhood lost nearly 16,000 Latino residents between 2000 and 2019; and

WHEREAS, It is in the public interest to protect vulnerable households in the 606 trail area and the Pilsen neighborhood from displacement by assessing a surcharge on demolitions of dwelling units within the boundaries defined in Sections 17-7-0580 and 17-7-0590 of the Municipal Code of Chicago; and

Page 1 of 3

WHEREAS, The City implemented a Demolition Surcharge pilot in the 606 area and Pilsen neighborhood with 02021-746 in March of 2021; and

WHEREAS, Since the Demolition Surcharge pilot was implemented, Department of Housing analysis shows that the number of demolition permits issued has fallen in both the 606 area and Pilsen neighborhood, but that some demolitions have continued; and

WHEREAS, Since the Demolition Surcharge pilot was implemented, the Department of Housing has invoiced for \$120,000 for demolition permits covered by the Demolition Surcharge; and

WHEREAS, Research shows that other municipalities, such as Highland Park, Evanston, and Northbrook have demolition surcharges between \$10,000 and \$15,000 per permit; and

WHEREAS, This surcharge is authorized under the City's home rule powers, as well as the Illinois Municipal Code, 65 ILCS 5/1-1-1 et seq. (particularly Section 11-42-1 of the Illinois Municipal Code, 65 ILCS 5/11-42-1); now, therefore,
