Only members present shall be permitted to vote or have their votes recorded either by "yea" or "nay" on any matter before the City Council, any of its standing committees or subcommittees.

When the Clerk has commenced to call the roll of the Council for the taking of a vote of yeas and nays, whether electronically or verbally, all debate on the question before the Council shall be deemed concluded, and during the taking of the vote no member shall be permitted to explain their vote but shall respond, electronically or verbally as the case may be, "yea" or "nay". After one minute has elapsed following the start of an electronic roll call vote, the Clerk will call the name of any Alderperson who has not voted in order to prompt their vote, verbally if necessary. Following this step, the voting will be deemed closed and the Clerk will inform the Presiding Officer of the result.

RULE 23. A motion to adjourn shall not be subject to amendment. But a motion to adjourn to a time certain shall be amendable.

RULE 26. A motion to lay any particular motion or proposition on the table shall apply to that motion or proposition only. RULE 27. Subject to the provisions of Rule 25, consideration of a motion or other proposition may not be postponed indefinitely.
