In any instance where a provision of this Planned Development conflicts with the Chicago

Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The following uses shall be permitted in the area delineated herein as a Planned Development: lodging; office; personal service uses; retail sales; financial services; eating and drinking establishments, including general restaurants, taverns and rooftop outdoor patios; lodge or private club; accessory parking; and accessory uses.
6. On-Premise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development subject to the review and approval of the Department of Planning and Development. Off-Premise signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 16,787.28 square feet.
9. Upon review and determination ("Part II Review"), and pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim review associated with the site plan review or Part II reviews are conditional until final Part II approval.
11. The Applicant shall comply with the Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation and Fleet and Facility Management and Buildings, pursuant to Section 13-32-125 of the Municipal Code, or any other provision of that Code.
12. The terms and conditions of development under this Planned Development Ordinance may be modified administratively by the Zoning Administrator, pursuant to Section 17-

13-0611-A of the Zoning Ordinance, upon written application by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The City of Chicago acknowledges that the adaptive re-use and modernization of the existing historic buildings, which represents approximately 90% of the total floor area of the Property, is a significant sustainable contribution to the built environment. Applicant shall design, construct and maintain all new buildings in a manner generally consistent with the standards under the Leadership in Energy and Environmental Design ("L.E.E.D.") Green Building Rating System. The new building will have a green roof of approximately 5,941 square feet, which covers and is equivalent to a minimum of 50% of the building's net roof area.
15. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development Ordinance lapse, the Zoning Administrator shall initiate a Zoning Map Amendment to rezone the property to a B3-5, Community Shopping District.
