"Applicable year" means tax year 2015.

"Director" means the Director of the Office of Budget and Management of the City of Chicago, or the Director's designee.

"Homeowner" means an individual who, at the time of the application and since January 1, 2014: (i) was the owner of record of, or had a legal or equitable interest in, property in this city that was used by the

individual as the individual's principal place of residence; and (ii) was liable for paying the property taxes on the property, either directly or indirectly as the owner of a unit in a residential cooperative or as the owner of a beneficial interest in an Illinois land trust. For purposes of the definition of "homeowner," an equitable interest shall include a beneficial interest in property that is held by the owner of a unit in a residential cooperative or in an Illinois land trust.

"Household" means the homeowner and the spouse or domestic partner of the homeowner.

"Household adjusted gross income" or "HAGI" means the combined adjusted gross income of the household for the applicable year.

"Property taxes" means the taxes on real property for which a homeowner is liable under the Property Tax Code, 35 ILCS 200/1-1 et seq., when that property is used by the homeowner as the homeowner's principal place of residence.

"Property tax increase" means the amount by which the property taxes payable to the City of Chicago in tax year 2015 exceeds the property taxes payable to the City of Chicago in tax year 2014 for the same property.

1

"Senior homeowner" means any homeowner who is 60 years of age or older as of January 1, 2016.

Under this program, a homeowner who meets the eligibility requirements under this section may receive a grant in the amount specified in this section. A homeowner shall be eligible for a grant under this section, if:

- (2) the homeowner is not delinquent in payment of property taxes on any property in the city; and

However, the program created pursuant to this section shall be suspended at any time that no funds are legally available for the program. The Director shall also have authority to develop criteria for, implement and administer an enhanced grant that exceeds the amount set forth in Subsection (c) of this section in individual cases of extraordinary hardship. Any such enhanced grant shall not exceed the amount of that homeowner's property tax increase.

3
