The Perimeter Restoration Agreement was executed prior to any CDOT and Planned Development Part II review permitting. The Agreement reflects that all work must comply with current Rules and Regulations and must be designed and constructed in accordance with the CDOT Construction Standards for work in the Public Way and in compliance with the Municipal Code of Chicago Chapter 10-20. Design of said improvements should follow the CDOT Rules and Regulations for Construction in the Public Way as well as The Street and Site Plan Design Guidelines. Any variation in scope or design of public way improvements and restoration must be approved by CDOT.

4. This planned development consists of fifteen (15) statements; a Bulk Regulations and Data Table; and an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; a Site/Landscape Plan; and Building Elevations prepared by EVA Design and Engineering, LLC, dated October 26, 2022. Full-size sets of the Site/Landscape Plan and Building Elevations are on file with the DPD. The planned development is applicable to the area delineated herein and these and no other zoning controls shall apply. In any instance where a provision of the planned development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The uses permitted within the area delineated herein as "Institutional Planned Development # _____," shall be educational and recreational facilities, offices, accessory and non-accessory parking, and related uses incidental thereto.

6. On-Premise signs, including renovating the existing freestanding sign to include a dynamic image display, and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the DPD. Off-Premise signs are prohibited within the boundary of the Planned Development.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 381,843 square feet.

9. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the DPD. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

10. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

11. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders, and any ground lessors.

12. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables, and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

13. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, and conserves energy and natural resources. Any new construction must be in substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the DPD.

14. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. If the project involves a City funding, the Applicant is required to achieve the following standards, at a minimum: 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% City resident hiring (measured against the total construction work hours for the project or any phase thereof).
