RAHM EMANUEL
MAYOR

July 24, 2013

TO THE HONORABLE, THE CITY COUNCIL OF THE CITY OF
CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Housing and Economic Development, I transmit herewith an ordinance authorizing the execution of an intergovernmental agreement with the Chicago Park District for the provision of Tax Increment Financing funds.

Your favorable consideration of this ordinance will be appreciated.

Mayor

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago (the "City"), is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the Chicago Park District (the "Park District") is an Illinois municipal corporation and a unit of local government under Article VII, Section 1 of the 1970 Constitution, of the State of Illinois and, as such, is authorized to exercise control over and supervise the operation of all parks within the corporate limits of the City; and

WHEREAS, the Park District has proposed a park expansion, including the construction of a dog-friendly area and certain improvements to the playground equipment, at the public park variously known as Montgomery A. Ward Park, Erie Park, or Park 511 (the "Project"), with a street address of 630 N. Kingsbury Street, Chicago, the premises of which are legally described in Exhibit A (the "Property"); and

WHEREAS, the Property lies wholly within the boundaries of the Chicago/Kingsbury Redevelopment Area (as hereinafter defined); and

WHEREAS, the City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects; and

WHEREAS, in accordance with the provisions of the Act, and pursuant to three ordinances adopted on April 12, 2000, the City Council of the City ("City Council"): (i) approved and adopted a redevelopment plan and project (the "Plan") for a portion of the City known as the "Chicago/Kingsbury Redevelopment Project Area" (the "Redevelopment Area"); (ii) designated the Redevelopment Area as a "redevelopment project area"; and (iii) adopted tax increment allocation financing for the Redevelopment Area; and

WHEREAS, under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment") may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs (Increment collected from the Redevelopment Area shall be known as the "City Increment"); and

WHEREAS, the City's Department of Housing and Economic Development ("HED") desires to make available to the Park District a portion of the City Increment in an amount not to exceed \$750,000 for the purpose of funding the construction of the Project (the "TIF-Funded Improvements") in the Redevelopment Area to the extent and in the manner provided in the Agreement (as hereinafter defined); and

WHEREAS, the Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Project, within the boundaries of the Redevelopment Area; and

WHEREAS, the Park District is a taxing district under the Act; and

U:IGAs/Ordinance Final 1

WHEREAS, in accordance with the Act, the TIF-Funded Improvements shall include such of the Park District's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Plan, and the City has found that the TIF-Funded Improvements consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act; and

WHEREAS, the City and the Park District desire to enter into an intergovernmental agreement in substantially the form attached as Exhibit B (the "Agreement") whereby the City shall pay for or reimburse the Park District for a portion of the TIF-Funded Improvements, now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. The City hereby finds that the TIF-Funded Improvements, among other eligible redevelopment project costs under the Act approved by the City, consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act.

SECTION 3. Subject to the approval of the Corporation Counsel of the City of Chicago as to form and legality, and to the approval of the Chief Financial Officer, the Commissioner of HED is authorized to execute and deliver the Agreement, and such other documents as are necessary, between the City of Chicago and the Park District, which Agreement may contain such other terms as are deemed necessary or appropriate by the parties executing the same on the part of the City.

SECTION 4. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any other provisions of this ordinance.

The Park District and the City are sometimes referred to herein as the "Parties."

RECITALS

A. The City is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, and as such may exercise any power and perform any function pertaining to its government and affairs.

B. The Park District is a unit of local government under Article VII, Section 1 of the 1970 Constitution of the State of Illinois, and as such, has the authority to exercise control over and supervise the operation of all parks within the corporate limits of the City.

C. The Park District seeks payment or reimbursement of funds it intends to expend or has expended for certain improvements to an existing three-acre park commonly known as Montgomery A. Ward Park or Erie Park or Park 511 (the "Park"), with a street address of 630 N. Kingsbury Street, in Chicago, Illinois, and legally described in Exhibit A (the "Property"). The Park District has proposed to further improve and expand the Park with a dog-friendly area and an expanded playground, such improvement being hereinafter referred to as the "Project."

D. The Park District owns the Property, and the Property lies wholly within the boundaries of the Redevelopment Area (as hereinafter defined).

E. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects.

F. In accordance with the provisions of the Act, and pursuant to ordinances enacted on April 12, 2000 and published in the Journal of the Proceedings of the City Council (the "Journal") for said date at pages _____, the City Council: (i) approved certain redevelopment project and plan (the "Plan") for a portion of the City known as

G. Under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes which, pursuant to the Act, have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment"), may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs. Increment collected from the Redevelopment Area shall be known as the "Chicago/Kingsbury Increment."

H. The Park District is a taxing district under the Act.

I. The Plan contemplates that tax increment financing assistance would be provided

for public improvements, such as the Project, within the boundaries of the Redevelopment Area.

J. HED wishes to make available to the Park District a portion of the Chicago/Kingsbury Increment in an amount not to exceed \$750,000 (the "Project Assistance") for the purpose of funding the Project in the Park (the "TIF-Funded Improvements") to the extent and in the manner provided in this Agreement.

K. In accordance with the Act, the TIF-Funded Improvements shall include such of the Park District's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Plan, and the City has found that the TIF-Funded Improvements consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act.

L. The City and the Park District desire to enter into this Agreement whereby the Park District will undertake the Project and the City shall reimburse the Park District for the TIF-Funded Improvements made pursuant to the Project.

M. On _____, 2013, the City Council enacted an ordinance published in the Journal for said date at pages _____ to _____ (the "Authorizing Ordinance") that authorized the execution of this Agreement.

N. On January 16, 2013, the Park District's Board of Commissioners passed an ordinance expressing its desire to accept Project Assistance from the City for the Project and authorizing the execution of this Agreement (the "Park District Ordinance").

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and

2

other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

SECTION 1. THE PROJECT.

1. No later than _____ months from the Closing Date, or later as the Commissioner of HED (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the construction and/or development of the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2. The Project shall at a minimum meet or shall have met the general requirements set forth in the Project Description in Exhibit B hereof and comply with plans and specifications to be provided to and approved by HED prior to the commencement of the Project ("Plans and Specifications") in order for the Park District to qualify for the disbursement of Chicago/Kingsbury Increment funds. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall

comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

3. The Park District shall provide the City with copies, if any shall apply, of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied and operated as a public park.

4. The Park District shall include a certification of compliance with the requirements of Sections 1.1, 1.2, and 1.3 hereof with each request for Chicago/Kingsbury Increment funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

SECTION 2. FUNDING

1. The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the Project Assistance to the Park District.

2. The City shall establish a special account within the Redevelopment Area's Special Tax Allocation Fund that shall be known as the "Ward/Erie/511 Park 2013 Expansion Account." Disbursement of Project Assistance funds will be subject to the availability of Chicago/Kingsbury Increment in the Ward/Erie/511 Park 2013 Expansion Account, subject to all

3

restrictions on and obligations of the City contained in all Chicago/Kingsbury Ordinances, or relating to the Chicago/Kingsbury Increment and all agreements and other documents entered into by the City pursuant thereto.

3. Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 90 days after the execution of this Agreement (the "Satisfaction Period"), the Park District must satisfy, to the reasonable satisfaction of the Commissioner, that it has satisfactory title to the Property, which may be evidenced by a valid lease agreement or an acceptable title insurance policy, subject only to those title exceptions acceptable to the City and the Park District. If the Park District is unable to satisfy this condition, either Party may terminate this Agreement by providing written notice to the other Party.

4. The Park District may periodically submit requisitions to the City for payment in the form of Exhibit C hereto ("Requisition for Payment"). The City shall not approve Requisitions for Payment in the aggregate in excess of the actual costs of the Project that are TIF-Funded Improvements. Simultaneous with the submission of each Requisition for Payment, the Park District shall submit documentation regarding the applicable expenditures to HED. Delivery by the Park District to HED of any Requisition for Payment to the City shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request, that:

- a) the total amount of the request for the Requisition for Payment represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;
- b) all amounts shown as previous payments on the current request for a Requisition for Payment have been paid to the parties entitled to such payment;
- c) the Park District has approved all work and materials for the current request for a Requisition for Payment, and such work and materials conform to the Plans and Specifications previously approved by HED; and
- d) the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

5. The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.4 are true and correct, and any approval of a Requisition for Payment by the City shall be subject to the City's review and approval of such documentation and its satisfaction that

4

such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

6. The current estimated cost of the entire Project is \$750,000. The Park District has delivered to the Commissioner a project budget for the Project, attached as Exhibit D hereto. The Park District certifies that it has identified sources of funds (including the Project Assistance) sufficient to complete its budgeted portion of the Project. The Park District acknowledges that the City will only contribute the Project Assistance amount to the Project, subject to the terms and conditions of this Agreement, and that all costs of completing the Project over and above the Project Assistance amount shall be the sole responsibility of the Park District. If the Park District does not have sufficient funds to complete the Project, the Park District shall so notify the City in writing, and the Park District may narrow the scope of the Project (the "Revised Project") as agreed with the City in order to complete the Revised Project with the available funds.

7. Exhibit D contains a preliminary list of capital improvements and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the Project Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of Project Assistance on the Project, the Commissioner, based upon the project budget, may make such modifications to Exhibit D as he or she wishes in his or her discretion to account for all of the Project Assistance to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the

Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of Project Assistance, subject to the terms of this Agreement.

8. The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the Project Assistance are subject on every respect to the availability of funds as described in and limited by this Section 2.. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Project Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

9. If the aggregate cost of the Project is less than the amount of the Project Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the Project Assistance contemplated by this Agreement and the amount of the Project Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

SECTION 3. TERM.

5

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

SECTION 4. ENVIRONMENTAL MATTERS.

1. The Chicago Park District shall, in its sole discretion, determine if any environmental remediation is necessary, and any such work that the Park District determines is necessary shall be performed using the Project Assistance funding provided herein or any applicable funding provided by the Park District. The City's financial obligation shall be limited to an amount not to exceed \$750,000 with respect to the matters contained in this Agreement, including this Section 4. The City makes no covenant, representation or warranty as to the environmental condition of the Park or the suitability of the Park as a park or for any use whatsoever.

2. The Park District agrees to carefully inspect the Property prior to commencement of any remediation or development on the Property to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Property. The Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

3. The Park District or its contractor must obtain all necessary permits, and applicable insurance as described in Section 5 hereof.

SECTION 5. INSURANCE.

5.1. The Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

- a) Workers Compensation and Employers Liability. Workers Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than \$100,000 each accident or illness.
- b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The

6

City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work.

- c) Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, The Park District shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage.
- d) Professional Liability. When any architects, engineers or professional consultants perform work in connection with this Agreement, The Park District shall cause to be provided, Professional Liability Insurance covering acts, errors, or omissions shall be maintained with limits of not less than \$1,000,000.
- e) Self Insurance. To the extent permitted by applicable law, the Park District may self insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self insure for any such insurance requirements, the Park District must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self insurance program must comply with at least such insurance requirements as stipulated above.

2. The Park District will furnish the City, at the address stated in Section 8.13, original Certificates of Insurance evidencing the required coverage to be in force on the Closing Date, and renewal Certificates of Insurance promptly as any requisite insurance is renewed. The Park District shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

3. The Park District shall advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance shall not relieve the Park District of the obligation to provide insurance as specified herein. Non-fulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

4. The required insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5. Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by the Park District and its contractors.

7

6. The Park District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

7. The Park District expressly understands and agrees that any coverage and limits furnished by the Park District shall in no way limit the Park District's liabilities and responsibilities specified by this Agreement or by law.

8. The Park District expressly understands and agrees that any insurance or self insurance programs maintained by the City shall not contribute with insurance provided by the Park District under this Agreement.

9. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

10. The Park District shall require all subcontractors to provide the insurance required herein and insurance customarily required by the Park District or the Park District may provide the required coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Park District unless otherwise specified herein. In all contracts relating to the Project, the Park District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

11. The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 6. INDEMNIFICATION/NO PERSONAL LIABILITY.

6.1.
