WHEREAS, neighborhood community groups are uniquely equipped to steward open space in their respective neighborhoods, but are often unable to develop and maintain such spaces for public use because of concerns over liability, lack of adequate funds, and technical assistance; and

WHEREAS, from its founding in 1997 through 2020, NeighborSpace has preserved more than 27 acres across 120 open spaces on behalf of dedicated community partners resulting in community-based spaces for growing food, gathering together, preserving nature, beautification, small business, education and job training; and

WHEREAS, the City, the Park District, and the Forest Preserve District wish to continue to support the work of NeighborSpace; and

WHEREAS, NeighborSpace would continue to own, lease, manage, or hold easements to typically small, open spaces, in the City for development and maintenance by neighborhood community groups since such open space projects can often be more efficiently managed by local groups than by governmental agencies; and

WHEREAS, NeighborSpace will retain the powers to buy, accept donations of, own, lease, hold easements to, and sell real property, and

WHEREAS, NeighborSpace will continue to have the power to apply for and acquire tax delinquent parcels through the City's Tax Reactivation Program where appropriate and applicable, and to acquire easements, or title to river edges dedicated for open space purposes as part of planned developments, and

I

The Parties shall periodically review the levels of insurance coverage and agree upon recommended increased coverage, if appropriate. Failure of NeighborSpace to maintain
