

Mayor
ORDINANCE

WHEREAS, the City of Chicago (the "City") is a home rule unit of local government under the 1970 Constitution of the State of Illinois and has the authority to promote the health, safety and welfare of its inhabitants, to furnish essential governmental services through its various departments and agencies and to enter into contractual agreements with units of local government for the purpose of achieving the aforesaid objectives; and

WHEREAS, the City established the Chicago Infrastructure Trust (the "CIT") by an ordinance adopted by the City Council of the City (the "City Council") on April 24, 2012, published at pages 23972 through 23988, inclusive, of the Journal of Proceedings of the City Council for such date (the "Original CIT Ordinance") to assist the City and its sister agencies, including the Board of Education of the City of Chicago, commonly known as Chicago Public Schools ("CPS"), in providing alternative financing and project delivery options for transformative infrastructure projects by attracting capital from diverse types of investors, demonstrating real risk transfer to third-party investors, and stimulating cross-agency financing while creating efficient capital structures; and

WHEREAS, the CIT has proposed to finance various energy-saving projects on behalf of the City as described on Exhibit A hereto (the "City Projects"); the financing by the CIT of the City Projects is referred to herein as "Retrofit One"; and

WHEREAS, an "Energy Services Agreement" is an operating contract that permits energy efficiency to be packaged as a service that generally requires minimal upfront cost to the building owner as the owner pays for the service from the cost savings realized by the implementation of energy conservation measures by the energy service provider at the provider's initial expense; and

WHEREAS, the CIT has proposed to finance the City Projects by means of Energy Services Agreements (the "ESAs") between the CIT and the City, pursuant to which the CIT (or a special purpose entity created by it) would own the energy conservation measures described on Exhibit A ("ECMs") and the City, as the owner of the facilities in which the ECMs would be located, would agree to pay the CIT an amount equal to agreed-upon savings from the ECMs as long as the agreed-upon savings are achieved; and

WHEREAS, the CIT would also enter into one or more guaranteed energy performance contracts (each, a "GEPC") with each of the energy service companies described below (referred to herein as "ESCOs"), which defines the scope of work for implementing the ECMs and pursuant to which the respective ESCO would provide a guaranty for the amount of energy savings to be achieved from the related project; and

WHEREAS, pursuant to that certain Program Formulation Request between the Public Building Commission of Chicago (the "Commission") and the City dated September 11, 2012 (the "Formulation Request"), the Commission contracted with Ameresco, Inc., Noresco, LLC and Schneider Electric Buildings Americas, Inc. (collectively, the "ESCOs") for investment-grade audits for energy-saving retrofit work in certain City facilities, as detailed in Exhibit A hereto; and

WHEREAS, it is anticipated that the CIT will enter into a loan and security agreement with lenders for the financing of the City Projects (the "Loan Agreement"); and

WHEREAS, it is anticipated that the interest component of the loan to be repaid by the CIT pursuant to

the Loan Agreement will be excludable from gross income of the lenders thereunder for federal income tax purposes: and

WHEREAS, in order to effect the proposed Retrofit One transaction on such a tax-exempt basis, it is now necessary to amend the Original CIT Ordinance such that the City grants to the CIT the power to be an "on behalf of issuer" of the City and to provide that any obligations issued by the CIT on behalf of the City must be approved by the City Council prior to issuance; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are incorporated herein and made a part hereof.

SECTION 2. The Original CIT Ordinance is hereby amended by adding a new Section 11 to read as follows:

"SECTION 11. Grant of On Behalf Of Issuance Powers.

a) Subject to Section 5(b) hereof, the City hereby grants the Trust the power to issue bonds, notes, certificates, contract rights and other obligations (collectively, "Obligations") "on behalf of the City, within the meaning of U.S. Treasury Regulation Section 1.103-1 (b). No such Obligation, whether for the benefit of the City or any Co-Ordinate Unit of Government, may be validly issued or entered into by the Trust without the prior approval of the City Council.

b) The City's grant of power to the Trust in the foregoing paragraph (a) is subject to the agreement by the Trust to comply with the following conditions:

i) In the case of tax-exempt Obligations, the Trust (i) will take those actions which are necessary to be taken (and avoid those actions which it is necessary to avoid taking) so that interest on the tax-exempt Obligations will not be or become included in gross income for federal income tax purposes under the Internal Revenue Code of 1986 (the "Code"); (ii) will take those actions reasonably within its power to take which are necessary to be taken (and avoid taking those actions which are reasonably within its power to avoid taking and which it is necessary to avoid) so that interest on the tax-exempt Obligations will not be or become included in gross income for federal income tax purposes under the Code as in effect from time to time; and (iii) will take no action or permit any action in the investment of any fund or account of the Trust which would result in making interest on the tax-exempt Obligations subject to federal income taxes by reason of causing the tax-exempt Obligations to be "arbitrage bonds" within the meaning of Section 148 of the Code.

ii) In furtherance of the foregoing provisions, but without limiting their generality, the Trust will agree: (1) through its officers, to make such further specific covenants, certifications and representations as shall be truthful, and assurances as may be necessary or advisable; (2) to comply with all representations, covenants and assurances contained in

certificates or agreements as may be prepared by counsel approving the tax-exempt Obligations; (3) to consult with such counsel and to comply with such advice as may be given; (4) to file such forms, statements and supporting documents as may be required and in a timely manner; and (5) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the Trust in such compliance."

SECTION 3. The City Council hereby authorizes the Commissioner of 2FM (or his designee) to enter into one or more ESAs, in substantially the form set forth in Exhibit B attached hereto and made a part hereof, with the CIT for the purpose of financing and implementing the City Projects included in Retrofit One, with such revisions in text as the Commissioner of 2FM (or his designee) executing the same shall determine are necessary or desirable, the execution thereof by such officer or employee to evidence the City Council's approval of all such revisions.

The City acknowledges that the ECMs shall be owned by the CIT pursuant to the ESA. Therefore, the ESCOs by virtue of their GEPCs with the CIT shall have certain of the incidents and burdens of such ownership, including rights of access to the buildings where the ECMs are located for purposes of installation, maintenance, removal and replacement. Such access shall be granted only upon reasonable notice and in compliance with all security and other regulations of the applicable public buildings, as set forth in the ESA. The City shall not own the ECMs simply by virtue of them being installed in City buildings.

SECTION 4. The Loan Agreement is hereby approved subject to the following parameters: (a) the aggregate principal amount of the loan thereunder shall not exceed \$30,000,000; (b) the term of the loan thereunder shall not exceed 25 years; and (c) the highest interest rate on the loan thereunder shall not exceed 5.00% per annum.

Pursuant to the ESA, subsequent to the execution and delivery of the Loan Agreement, the CIT shall be obligated to file in the Office of the City Clerk a notification of sale directed to the City Council setting forth the aggregate principal amount, the maturities, the interest rates of the loan under the Loan Agreement and attaching copies of the executed Loan Agreement, GEPCs and ESAs.

SECTION 5. The Loan Agreement is not an obligation of the City, but is payable from moneys received by the CIT under and pursuant to the ESAs. The Loan Agreement shall not be deemed to constitute an indebtedness or a loan against the general taxing powers or credit of the City, within the meaning of any constitutional or statutory provision. The lenders under the Loan Agreement shall not have the right to compel any exercise of the taxing power of the City, the State of Illinois or any political subdivision thereof to pay the principal of or interest on any loan under the Loan Agreement.

SECTION 6. The Mayor, the Chief Financial Officer, the City Comptroller, the City Treasurer, the City Clerk, any Deputy Clerk, the Commissioner of 2FM (or his designee) (each, an "Authorized Officer") are each authorized to execute and deliver on behalf of the City such other documents, agreements and certificates and to do such other things consistent with the terms of this Ordinance as such officers and employees shall deem necessary or appropriate in order to effectuate the intent and purposes of this Ordinance, and any such actions heretofore taken by an Authorized Officer in accordance with the provisions hereof are hereby ratified and approved.

SECTION 7. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago (the "Municipal Code"), or part thereof, is in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to render voidable at the option of the City any document, instrument or agreement authorized hereunder or to impair the validity of this Ordinance or the instruments authorized by this Ordinance; provided further that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision of the Municipal Code.

SECTION 8. This Ordinance shall be in full force and effect immediately upon its passage and approval.

ENERGY SERVICES AGREEMENT

This ENERGY SERVICES AGREEMENT (this "Agreement"), dated the _____ day of December, 2013 (the "Effective Date"), is by and between CHICAGO INFRASTRUCTURE TRUST, an Illinois nonprofit corporation (the "Provider") and the CITY OF CHICAGO, a home rule unit of local government under the Constitution and laws of the State of Illinois (the "Customer") (each of the Customer and the Provider, a "Party" and collectively, the "Parties").

RECITALS

WHEREAS, the Provider is authorized and empowered pursuant to the provisions of an ordinance adopted by the City Council of the City (the "City Council") on April 24, 2012, as amended by an ordinance adopted by the City Council on [DATE], and a resolution adopted by the board of directors of the Provider on [DATE] to, among other things, acquire and finance certain energy conservation projects for the benefit of the Customer; and

WHEREAS, the Customer desires to engage the Provider to procure, install, implement, own, operate and maintain certain energy conservation measures and energy efficiency measures (as further described herein, "ECMs"), to be located at certain facilities of the Customer (as further described herein, the "Facilities") for the purposes of achieving energy and operational savings at the Facilities subject to the terms and conditions of this Agreement; and

WHEREAS, the Provider desires to procure, install, implement, own, operate and maintain the ECMs and measure and verify energy and operational savings produced by the ECMs under the terms and conditions of this Agreement;

NOW THEREFORE, in consideration of the premises and the mutual promises and agreements of the Parties herein expressed, the Parties, intending to be legally bound, hereby agree as follows:

ARTICLE I DEFINITIONS

Section 1.1 Definitions. Terms used in this Agreement shall have the meanings set forth in this Article I unless a different meaning clearly appears from the context.

"Agreement" means this Energy Services Agreement, together with all appendices, exhibits and schedules thereto, as any of them may be amended.

"Business Day" means any Day other than a Saturday, Sunday or a Day observed as a holiday by the Customer, the State of Illinois or the United States government, except that in the event that an obligation to be performed under this Agreement falls due on a Day other than a Business Day, the obligation shall be deemed due on the next Business Day thereafter (with no additional charge for such deferral).

"Change Order" means a written order signed by the Parties authorizing an addition, deletion or other change in the Installation Work, the Installation Schedule or the Project Costs or any other obligation of the Provider or the Customer pursuant to this Agreement.

"Commission" means the Public Building Commission of Chicago, a public body corporate and politic of the State of Illinois.

"Concealed Conditions" means subsurface or otherwise concealed physical conditions at the Facilities of an unusual nature that differ materially from those conditions ordinarily found to exist and generally recognized as inherent in construction activities of the type and character as the Installation Work, and that the Provider could not have discovered through the exercise of reasonable diligence during the performance of the Investment Grade Audit unless excluded thereunder.

"Customer Equipment" means all Customer-owned and leased equipment and fixtures located at the Facilities or related thereto that may affect the energy consumption savings that may be achieved by the ECMs.

"Day" means a calendar day and shall include Saturdays, Sundays and holidays.

"Determination of Taxability" means any determination, decision or decree by the Commissioner of Internal Revenue or any court of competent jurisdiction that an Event of Taxability shall have occurred.

Without limiting the foregoing, "Environmental Attributes" includes utility rebates or incentive programs, green tags, renewable energy credits, tradable renewable certificates, portfolio energy credits, the right to apply for (and entitlement to receive) incentives under any state tax credit program, grants from nongovernmental organizations, and the right to claim federal income tax credits under Sections 45 and/or 48 of the Internal Revenue Code.

"Event of Taxability" means if as the result of any act, failure to act by the Customer or any misrepresentation or inaccuracy in any of the representations, warranties or covenants contained in this Agreement by the Customer, the interest on any tax-exempt financing for the Project is or becomes includable in Lender's gross income for federal income tax purposes.

2

"Expected Savings Production" means, at any time, the Savings expected to be produced by the Project during the remaining Term of this Agreement as determined in accordance with Exhibit B and based on the underlying assumptions and performance projections for the Project.

"Fair Market Value" means the value determined on the following basis: (i) the subject value shall be the amount which would be obtained in an arm's length transaction between an informed and willing buyer (who is not a used equipment dealer), and an informed and willing seller under no compulsion to sell; (ii) the costs of removal of the equipment from its then location shall not be a deduction from such value; and (iii) in determining any such value, to the extent the Customer is obligated to maintain any equipment, it shall be assumed (whether or not the same be true) (A) that such equipment has been maintained and is in the condition required in accordance with this Agreement, and (B) such value has not been diminished due to the existence of any damage history.

"Force Majeure Event" means any cause beyond the reasonable control of, and not due to the fault or negligence of, the Party affected, and which could not have been avoided by due diligence and use of reasonable efforts, including, but not limited to, drought, flood, earthquake, storm, mudslide, fire, lightning, epidemic, war, riot, civil disturbance, sabotage, explosions, material changes in Law, or strikes or labor disputes. "Hazardous Materials" means all hazardous or toxic substances, wastes or other pollutants, including petroleum, petroleum hydrocarbons or petroleum products, petroleum byproducts, radioactive materials, asbestos or asbestos-containing materials, gasoline, diesel fuel, pesticides, radon, urea formaldehyde, lead or lead-containing materials, polychlorinated biphenyls; and any other chemicals, materials, substances or wastes in any amount or concentration which are now included in the definition of "hazardous substances," "hazardous materials," "hazardous wastes," "extremely hazardous wastes," "restricted hazardous wastes," "toxic substances," "toxic pollutants," "pollutants," "regulated substances," "solid wastes," or "contaminants" or words of similar import, under any applicable law.

"Investment Grade Audit" means the report prepared by [ESCO] that sets forth, among other things, (a) an assessment of the energy consumption characteristics of each Facility, (b) specific energy analysis related to each Facility and its operation, and (c) recommendations for projects or programs to achieve cost and/or energy savings in the operation of the Facilities.

"Law" means any applicable constitution, charter, act, statute, law (including common law), ordinance, code, rule, regulation, judgment, decree, writ, order, permit, approval, or the like, as any of the foregoing may change from time to time, of any federal, state or local government or any agency, department, authority, court, political subdivision or other instrumentality thereof.

Section 16.1 Prompt Payment to Subcontractors.

a) Incorporation of Prompt Payment Language in Subcontracts. The Provider must state the requirements of this Section in all Subcontracts and purchase orders. The Provider and the Subcontractors have a continuing obligation to make prompt payment to their respective Subcontractors. Compliance with this obligation is a condition of the Provider's participation and that of its Subcontractors on this Agreement.

b) Payment to Subcontractors Within Fourteen Days. The Provider must make payment to its Subcontractors within fourteen (14) Days of receipt of payment from the Customer for each invoice, but only if the Subcontractor has satisfactorily provided goods or services or completed its work or services in accordance with this Agreement and provided the Provider with all of the documents and information required of the Provider. The Provider may delay or postpone payment to a Subcontractor when the Subcontractor's work or materials do not comply with the requirements of this Agreement, the Provider is acting in good faith, and not in retaliation for a Subcontractor exercising legal or contractual rights.

c) Reporting Failures to Promptly Pay, (i) The Customer posts payments to prime contractors on the web at:

27

<http://webapps.cityofchicago.org>
<<http://webapps.cityofchicago.org>>

i) If the Provider, without reasonable cause, fails to make any payment to its Subcontractors and material suppliers within fourteen (14) Days after receipt of payment under this Agreement, the Provider shall pay to its Subcontractors and material suppliers, in addition to the payment due them, interest in the amount of 2% per month, calculated from the expiration of the 14-Day period until fully paid.

<<http://www.cityofchicago.org/content/dam/city/depts/dps/ContractAdministration/Standard>> .pdf

The report will require the Subcontractor to affirm that (a) its invoice to the Provider was included in the payment request submitted by the Provider to the Customer and (b) the Subcontractor has not, at the time of the report, received payment from the Provider for that invoice. The report must reference the payment (voucher) number posted on-line by the Customer in the notice of the payment to the Provider. MCC Sect. 2-92-610 provides for a living wage for certain categories of workers employed in the performance of contracts with the Customer , specifically non-Customer employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers, and clerical workers ("Covered Employees"). Accordingly, pursuant to MCC Sect. 2-92-610 and regulations promulgated thereunder:

- i) if (1) the Provider has 25 or more full-time employees, and (2) if at any time during the performance of this Agreement the Provider and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards or any number of other full-time Covered Employees, then the Provider's obligation to pay, and to assure payment of, the Base Wage (as defined herein) will begin at any time during Term when the conditions set forth in (1) and (2) above are met, and will continue thereafter until the end of the Term.
- ii) As of July 1, 2013 the Base Wage is \$11.78. The current rate can be found on the Department of Procurement Services' website. Each July 1st the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four (4) as published annually by the U.S. Department of Health and Human Services, to constitute

the following: the poverty guidelines for a family of four (4) divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, the Provider and all Subcontractors must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for work or services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then the Provider must pay the prevailing wage rates.

iii) The Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. The Provider agrees to provide the Customer with documentation acceptable to the Chief Procurement Officer of the Customer (the "CPO") demonstrating that all Covered Employees, whether employed by the Provider or by a Subcontractor, have been paid the Base Wage, upon the Customer's request for such documentation. The Customer may independently audit the Provider and/or Subcontractors to verify compliance herewith.

iv) Failure to comply with the requirements of this Section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a Customer contract or subcontract for up to three years.

v) Not-for-Profit Corporations: If the Provider is a corporation having Federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions above do not apply.

b) Prevailing Wage Rates. This Agreement calls for the construction of a "public work" within the meaning of Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. (the "Act"): the Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current "prevailing rate of wages" (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Illinois Department of Labor (the "Department") publishes the prevailing wage rates on its website at <<http://www.state.il.us/agency/idol/rates/rates.HTM>>. The Department revises the prevailing wage rates and the Provider and its Subcontractors have an obligation to check the Department's web site for revisions to prevailing wage rates. For information regarding current prevailing wage rates, please refer to the Department's website. All contractors and subcontractors rendering services under this Agreement must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties.

As a condition of making payment to the Provider, the Customer may require the Provider to submit an affidavit to the effect that not less than the prevailing hourly wage rate is being paid to laborers, mechanics, and other workmen employed on this Agreement in accordance with Illinois or federal law, as applicable.

c) Multi-Project Labor Agreement. The Customer has entered into the Multi-Project Labor Agreement (the "PLA") with various trades regarding projects involving construction, demolition, maintenance, rehabilitation, and/or renovation work, as described in the PLA, a copy of which may be found on the City's website at:

<<http://www.cityofchicago.org/dam/city/depts/dps/RulesRegulations/Multi->

To the extent that this contract involves a project that is subject to the PLA, the Provider acknowledges familiarity with the requirements of the PLA and its applicability to any work under this Agreement, and shall comply in all respects with the PLA.

Section 16.7 Business Relationships With Elected Officials. Pursuant to MCC Section 2-156-030(b), it is illegal for any elected official, or any person acting at the direction of such official, to contact either orally or in writing any other Customer official or employee with respect to any matter involving any person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve (12) months. In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months. Violation of MCC Sect. 2-156-030 by any elected official with respect to this Agreement will be grounds for termination of this Agreement. The term financial interest is defined as set forth in MCC Chapter 2-156.

Section 16.8 MCC 1-23 and 720 ILCS 5/33E Bribery, Debts, and Debarment Certification.

a) The Provider or each joint venture partner, if applicable, warrants that the Provider or each joint venture partner, its agents, employees, officers and any Subcontractors (a) have not been engaged in or been convicted of bribery or attempted bribery of a public officer or employee of the Customer, the State of Illinois, any agency of the federal government or any state or local government in the United States or engaged in or been convicted of bid-rigging or bid-rotation activities as defined in this section as required by the Illinois Criminal Code; (b) do not owe any debts to the State of Illinois, in accordance with 65 ILCS 5/11-42.1-1 and (c) are not presently debarred or suspended; Certification Regarding Environmental Compliance; Certification Regarding Ethics and Inspector General; and Certification Regarding Court-Ordered Child Support Compliance.

b) The Provider, in performing under this Agreement shall comply with MCC Section 2-92-320, as follows:

(i) No person or business entity shall be awarded a contract or sub-contract if that person or business entity: (a) has been convicted of bribery or attempting to bribe a public officer or employee of the Customer, the State of Illinois, or any agency of the federal government or of any state or local government in the United States, in that officers or

employee's official capacity; or (b) has been convicted of agreement or collusion among bidders or prospective bidders in restraint of freedom of competition by agreement to bid a fixed price, or otherwise; or (c) has made an admission of guilt of such conduct described in (a) or (b) above which is a matter of record but has not been prosecuted for such conduct.

ii) For purposes of this section, where an official, agent or employee of a business entity has committed any offense under this section on behalf of such an entity and pursuant to the direction or authorization of a responsible official thereof, the business entity will be chargeable with the conduct.

iii) One business entity will be chargeable with the conduct of an affiliated agency. Ineligibility under this section will continue for three (3) years following such conviction or admission. The period of ineligibility may be reduced, suspended, or waived by the CPO under certain specific circumstances. Reference is made to MCC Section 2-92-320 for a definition of affiliated agency, and a detailed description of the conditions which would permit the CPO to reduce, suspend, or waive the period of ineligibility.

Section 16.9 Federal Terrorist (No-Business) List. The Provider warrants and represents that neither the Provider nor an Affiliate, as defined below, appears on the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List, or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment.

For purposes of this Section 16.9, "Affiliate" means a person or entity which directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with the Provider. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity, either acting individually or acting jointly or in concert with others, whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

Section 16.10 Inspector General and Legislative Inspector General. It is the duty of any bidder, proposer or the Provider, all Subcontractors, every applicant for certification of eligibility for a Customer contract or program, and all officers, directors, agents, partners and employees of any bidder, proposer, the Provider, all Subcontractors or such applicant to cooperate with the Inspector General or the Legislative Inspector General in any investigation or hearing, if applicable, undertaken pursuant to MCC Chapter 2-56 or 2-55, respectively. The Provider understands and will abide by all provisions of MCC Chapter 2-56 and 2-55. All Subcontracts must inform Subcontractors of this provision and require understanding and compliance with them.

Section 16.11 Governmental Ethics Ordinance 2-156. The Provider must comply with MCC Chapter 2-156, Governmental Ethics, including but not limited to MCC Section 2-156-120 pursuant to which no payment, gratuity or offer of employment will be made in connection with any Customer contract, by or on behalf of a Subcontractor or higher tier subcontractor or any

32

person associated therewith, as an inducement for the award of a Subcontract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of this this Section will be voidable as to the City.

Section 16.12 Restrictions on Business Dealings.

a) Conflicts of Interest. The Provider covenants that it presently has no interest and will not acquire any interest, direct or indirect, in any enterprise which would conflict in any manner or degree with the performance of the work, services or goods to be provided hereunder. The Provider further covenants that in its

performance of this Agreement no person having any such interest shall be employed. If the Customer determines that the Provider does have such a conflict of interest, the Customer will notify the Provider in writing, stating the basis for its determination. The Provider will thereafter have 30 days in which to respond with reasons why the Provider believes a conflict of interest does not exist. If the Provider does not respond or if the Customer still reasonably determines a conflict of interest to exist, the Provider must terminate its interest in the other enterprise.

b) Prohibition on Certain Contributions, Mayoral Executive Order 2011-4. Neither the Provider or any person or entity who directly or indirectly has an ownership or beneficial interest in the Provider of more than 7.5% ("Owners"), spouses and domestic partners of such Owners, Provider's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5% ("Sub-owners") and spouses and domestic partners of such Sub-owners (Provider and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee during (i) the bid or other solicitation process for this Agreement or Other Contract, including while this Contract or Other Contract is executory, (ii) the term of this Agreement or any Other Contract between City and Provider, and/or (iii) any period in which an extension of this Agreement or Other Contract with the Customer is being sought or negotiated. The Provider represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the Customer approached the Provider or the date the Provider approached the Customer, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

The Provider shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

33

Violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the Customer to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If the Provider violates this provision or Mayoral Executive Order No. 2011-4 prior to award of this Agreement resulting from this specification, the CPO may reject the Provider's bid.

For purposes of this provision:

"Other Contract" means any agreement entered into between the Provider and the Customer that is (i) formed under the authority of MCC Chapter 2-92; (ii) for the purchase, sale or lease of real or personal

property; or (iii) for materials, supplies, equipment or services which are approved and/or authorized by the City Council.

"Contribution" means a "political contribution" as defined in MCC Chapter 2-156, as amended.

"Political fundraising committee" means a "political fundraising committee" as defined in MCC Chapter 2-156, as amended.

Section 16.13 Debts Owed to the City; Anti-Scofflaw, MCC Sect. 2-92-380. Pursuant to MCC Section 2-92-380 and in addition to any other rights and remedies (including set-off) available to the Customer under this Agreement or permitted at law or in equity, the Customer will be entitled to set off a portion of the contract price or compensation due under the Agreement, in an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and the amount of any debt owed by the Provider to the Customer. For purposes of this Section, outstanding parking violation complaint means a parking ticket, notice of parking violation, or parking violation complaint on which no payment has been made or appearance filed in the Circuit Court of Cook County within the time specified on the complaint, and debt means a specified sum of money owed to the Customer for which the period granted for payment has expired. However no such debt (s) or outstanding parking violation complaint(s) will be offset from the contract price or compensation due under this Agreement if one or more of the following conditions are met:

i) The Provider has entered into an agreement with the Department of Revenue, or other appropriate Customer department, for the payment of all outstanding parking violation complaints and debts owed to the Customer and the Provider is in compliance with such agreement; or

ii) The Provider is contesting liability for or the amount of the debt in a pending administrative or judicial proceeding; or the contracting party has filed a petition in bankruptcy and the debts owed the Customer are dischargeable in bankruptcy.

Section 16.14 Shakman Accord.

34

a) The Customer is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the Customer from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

b) The Provider is aware that the Customer's policy prohibits Customer employees from directing any individual to apply for a position with the Provider, either as an employee or as a Subcontractor, and from directing the Provider to hire an individual as an employee or as a Subcontractor. Accordingly, the Provider must follow its own hiring and contracting procedures, without being influenced by Customer employees. Any and all personnel provided by the Provider under this Agreement are employees or Subcontractors of the Provider, not employees of the Customer. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the Customer and any personnel provided by the Provider.

c) The Provider will not condition, base, or knowingly prejudice or affect any term or aspect of the

employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

d) In the event of any communication to the Provider by a Customer employee or Customer official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, the Provider will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the Customer's Office of the Inspector General, and also to the head of the relevant Customer Department utilizing services provided under this Agreement. The Provider will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

Section 16.15 No Waste Disposal in Public Way MCC 11-4-1600(E). The Provider warrants and represents that it, and to the best of its knowledge, its Subcontractors have not violated and are not in violation of the following sections of the MCC (collectively, the "Waste Sections"):

- §7-28-390 Dumping on public way;
- §7-28-440 Dumping on real estate without permit;
- §11-4-1410 Disposal in waters prohibited;

35

- §11-4-1420 Ballast tank, bilge tank or other discharge;
- §11-4-1450 Gas manufacturing residue;
- §11-4-1500 Treatment and disposal of solid or liquid;
- §11-4-1530 Compliance with rules and regulations required;
- §11-4-1550 Operational requirements; and
- §11-4-1560 Screening requirements.

During the period while this Agreement is executory, the Provider's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Contract, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the CPO. Such breach and default entitles the Customer to all remedies under this Agreement, at law or in equity.

This Section does not limit the Provider's and its Subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the Customer as grounds for the termination of this Agreement, and may further affect the Provider's eligibility for future contract awards.

Section 16.16 Duty to Report Corrupt or Unlawful Activity. It is the duty of the Provider to report to the Inspector General of the Customer, directly and without undue delay, any and all information concerning conduct which it knows or should reasonably know to involve corrupt or other unlawful activity by its employees or the employees of any of its Subcontractors, in connection with the performance of its work hereunder, or by any person dealing with the Customer which concerns the person's dealings with the

Customer. Knowing failure to make such a report will be an event of default under this Agreement.

Section 16.17 MBE/WBE Program Participation and Goals. The rules, regulations, and forms for achieving MBE and WBE goals are set forth in the Special Conditions Regarding Minority Business Enterprise Commitment and Women Business Enterprise Commitment ("M/WBE Special Conditions") attached as Exhibit D to this Contract.

Commodities and Work Services MBE & WBE Special Conditions

ARTICLE 1. SPECIAL CONDITIONS REGARDING MINORITY BUSINESS ENTERPRISE COMMITMENT AND WOMEN BUSINESS ENTERPRISE COMMITMENT FOR COMMODITIES OR SERVICES 1.1. Policy and Terms

It is the policy of the City of Chicago that Local Businesses certified as Minority Owned Business Enterprises (MBE) and Women Owned Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses and all other Regulations promulgated under the aforementioned sections of the Municipal Code, as well as MBEs and WBEs certified by Cook County, Illinois, will have full and fair opportunities to participate fully in the performance of this contract. Therefore, the Contractor will not discriminate against any person or business on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status or source of income and will take affirmative action to ensure that women and minority businesses will have the maximum opportunity to compete for and perform subcontracts for supplies or services.

Pursuant to Section 2-92-430 of the Municipal Code of Chicago, the Chief Procurement Officer has established a goal of awarding not less than 25% of the annual dollar value of all non-construction contracts to certified MBEs and 5% of the annual dollar value of all non-construction contracts to certified WBEs.

Accordingly, the Contractor commits to make Good Faith Efforts to expend at least the following percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded, for contract participation by MBEs and WBEs:

jy\BEi Percentage	v ■ WBE-Percentage
25%	" 5%

This commitment is met by the Contractor's status as a MBE or WBE, or by a joint venture with one or more ' MBEs or WBEs as

prime contractor (to the extent of the MBE or WBE participation in such joint venture), or by subcontracting a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by the indirect participation of MBEs or WBEs in other aspects of the Contractor's business (but no dollar of such indirect MBE or WBE participation will be credited more than once against a Contractor's MBE or WBE commitment with respect to all government Contracts of such Contractor), or by any combination of the foregoing.

Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago as both MBE and WBE may only be listed on a bidder's compliance plan as either a MBE or a WBE, but not both to demonstrate compliance with the Contract Specific Goals.

As noted above, the Contractor may meet all or part of this commitment by contracting with MBEs or WBEs for the provision of goods or services not directly related to the performance of this Contract. However, in determining the manner of MBE/WBE participation, the Contractor will first consider involvement of MBEs/WBEs as joint venture partners, subcontractors, and suppliers of goods and services directly related to the performance of this Contract. In appropriate cases, the Chief Procurement Officer will require the

Contractor to demonstrate the specific efforts undertaken by it to involve MBEs and WBEs directly in the performance of this Contract.

The Contractor also may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector contracts.

Pursuant to 2-92-535, the prime contractor may apply be awarded an additional 0.333 percent credit, up to a maximum of a total of 5 percent additional credit, for every 1 percent of the value of a contract self-performed by MBEs or WBEs, or combination thereof, that have entered into a mentor agreement with the contractor. This up to 5% may be applied to the Contract Specific Goals, or it may be in addition to the Contract Specific Goals.

1.2. Definitions

Credit toward this Contract's MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

"Contract Specific Goals" means the subcontracting goals for MBE and WBE participation established for a particular contract.

"Contractor" means any person or business entity that has entered into a contract with the City as described herein, and includes all partners, affiliates, and joint ventures of such person or entity.

"Direct Participation" the value of payments made to MBE or WBE firms for work that is performed in their Area of Specialty directly related to the performance of the subject matter of the Contract will count as Direct Participation toward the Contract Specific Goals.

"Directory" means the Directory of Certified "Minority Business Enterprises" and "Women Business Enterprises" maintained and published by the City of Chicago. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of all proposed MBE, and WBE firms.

"Good Faith Efforts" means actions undertaken by a bidder or contractor to achieve a Contract Specific Goal that the CPO or his or her designee has determined, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program's requirements.

"Indirect Participation" refers to the value of payments made to MBE or WBE firms for work that is done in their Area of Specialty related to other aspects of the Contractor's business. (Note: no dollar of such indirect MBE or WBE participation shall be credited more than once against a contractor's MBE or WBE commitment with respect to all government contracts held by that contractor.)

"Joint venture" means an association of a MBE or WBE firm and one or more other firms to carry out a single, for-profit business enterprise, for which each joint venture partner contributes property, capital, efforts, skills and knowledge, and in which the MBE or WBE is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the joint venture are commensurate with its ownership interest.

"Mentor-Protege Agreement" means an agreement between a prime and MBE or WBE subcontractor pursuant to MCC 2-92-535, that is approved by the City of Chicago and complies with all requirements of MCC 2-92-535 and any rules and regulations promulgated by the Chief Procurement Officer.

"Minority Owned Business Enterprise" or "MBE" means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a minority owned and controlled business by Cook County, Illinois.

"Municipal Code of Chicago" or "MCC" means the Municipal Code of the City of Chicago.

"Supplier" or "Distributor" refers to a company that owns, operates, or maintains a store, warehouse or other establishment in which materials, supplies, articles or equipment are bought, kept in stock and regularly sold or leased to the public in the usual course of business. A regular distributor or supplier is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials or supplies required for performance of a contract are bought, kept in stock, and regularly sold to the public in the usual course of business. To be a regular distributor the firm must engage in, as its principal business and in its own name, the purchase and sale of the products in question. A regular distributor in such bulk items as steel, cement, gravel, stone, and petroleum products need not keep such products in stock if it owns or operates distribution equipment.

"Women Owned Business Enterprise" or "WBE" means a firm awarded certification as a women owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a women owned business by Cook County, Illinois.

1.3. Joint Ventures

The formation of joint ventures to provide MBEs and WBEs with capacity and experience at the prime contracting level, and thereby meet Contract Specific Goals (in whole or in part) is encouraged. A joint venture may consist of any combination of MBEs, WBEs, and non-certified firms as long as one member is an MBE or WBE.

- a. The joint venture may be eligible for credit towards the Contract Specific Goals only if:

1.1.1.1.

9.27.2013 1.1.1.2.

- i. The MBE or WBE joint venture partner's share in the capital contribution, control, management, risks and profits of the joint venture is equal to its ownership interest;
- ii. The MBE or WBE joint venture partner is responsible for a distinct, clearly defined portion of the requirements of the contract for which it is at risk;

M/WBE Special Conditions for Commodities & Services 3

- iii. Each joint venture partner executes the bid to the City; and
 - iv. The joint venture partners have entered into a written agreement specifying the terms and conditions of the relationship between the partners and their relationship and responsibilities to the contract, and all such terms and conditions are in accordance with the conditions set forth in Items i, ii, and iii above in this Paragraph a.
- b. The Chief Procurement Officer shall evaluate the proposed joint venture agreement, the Schedule B submitted on behalf of the proposed joint venture, and all related documents to determine whether these requirements have been satisfied. The Chief Procurement Officer shall also consider the record of the joint venture partners on other City of Chicago contracts. The decision of the Chief Procurement Officer regarding the eligibility of the joint venture for credit towards meeting the Contract Specific Goals, and the portion of those goals met by the joint venture, shall be final.

The joint venture may receive MBE or WBE credit for work performed by the MBE or WBE joint venture partner(s) equal to the value of work performed by the MBE or WBE with its own forces for a distinct, clearly defined portion of the work.

Additionally, if employees of the joint venture entity itself (as opposed to employees of the MBE or WBE partner) perform the work, then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in Schedule B.

The Chief Procurement Officer may also count the dollar value of work subcontracted to other MBEs and WBEs. Work performed by the forces of a non-certified joint venture partner shall not be counted toward the Contract Specific Goals.

c. **Schedule B: MBE/WBE Affidavit of Joint Venture**

Where the bidder's Compliance Plan includes the participation of any MBE or WBE as a joint venture partner, the bidder must submit with its bid a Schedule B and the proposed joint venture agreement. These documents must both clearly evidence that the MBE or WBE joint venture partner(s) will be responsible for a clearly defined portion of the work to be performed, and that the MBE's or WBE's responsibilities and risks are proportionate to its ownership percentage. The proposed joint venture agreement must include specific details related to:

- i. The parties' contributions of capital, personnel, and equipment and share of the costs of insurance and bonding;
- ii. Work items to be performed by the MBE's or WBE's own forces and/or work to be performed by employees of the newly formed joint venture entity;
- iii. Work items to be performed under the supervision of the MBE or WBE joint venture partner; and
- iv. The MBE's or WBE's commitment of management, supervisory, and operative personnel to the performance of the contract.

NOTE: Vague, general descriptions of the responsibilities of the MBE or WBE joint venture partner do not provide any basis for awarding credit. For example, descriptions such as "participate in the budgeting process," "assist with hiring," or "work with managers to improve customer service" do not identify distinct, clearly defined portions of the work. Roles assigned should require activities that are performed on a regular, recurring basis rather than as needed. The roles must also be pertinent to the nature of the business for which credit is being sought. For instance, if the scope of work required by the City entails the delivery of goods or services to various sites in the City, stating that the MBE or WBE joint venture partner will be responsible for the performance of all routine maintenance and all repairs required to the vehicles used to deliver such goods or services is pertinent to the nature of the business for which credit is being sought.

1.4. Counting MBE/WBE Participation Toward the Contract Specific Goals

Refer to this section when preparing the MBE/WBE compliance plan and completing Schedule D-I for guidance on what value of the participation by MBEs and WBEs will be counted toward the stated Contract Specific Goals. The "Percent Amount of Participation" depends on whether and with whom a MBE or WBE subcontracts out any portion of its work and other factors.

Firms that are certified as both MBE and WBE may only be listed on a bidder's compliance plan as either a MBE or a WBE to demonstrate compliance with the Contract Specific Goals. For example, a firm that is certified as both a MBE and a WBE may only be listed on the bidder's compliance plan under one of the categories, but not both. Only Payments made to MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements above will be counted toward the Contract Specific Goals.

- a. Only expenditures to firms that perform a Commercially Useful Function as defined above may count toward the Contract Specific Goals.
 - i. The CPO will determine whether a firm is performing a commercially useful function by evaluating the amount of work subcontracted, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and the credit claimed for its performance of the work, industry practices, and other relevant factors.
 - ii. A MBE or WBE does not perform a commercially useful function if its participation is only required to receive payments in order to obtain the appearance of MBE or WBE participation. The CPO may examine similar commercial transactions, particularly those in which MBEs or WBEs do not participate, to determine whether non MBE and non WBE firms perform the same function in the marketplace to make a determination.
 - iii. Indications that a subcontractor is not performing a commercially useful function include, but are not limited to, labor shifting and equipment sharing or leasing arrangements with the prime contractor or a first tier subcontractor.
- b. Only the value of the dollars paid to the MBE or WBE firm for work that it performs in its Area of Specialty in which it is certified counts toward the Contract Specific Goals.
- c. For maintenance, installation, repairs or inspection, or professional services, if the MBE or WBE performs the work itself: 100% of the value of work actually performed by the MBE's or WBE's own forces shall be counted toward the Contract Specific Goals, including the cost of supplies and materials purchased or equipment leased by the MBE or WBE from third parties or second tier subcontractors in order to perform its (sub)contract with its own forces (except supplies and equipment the MBE or WBE subcontractor purchases or leases from the prime contractor or its affiliate). 0% of the value of work at the project site that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals.
- d. If the MBE or WBE is a manufacturer: 100% of expenditures to a MBE or WBE manufacturer for items needed for the Contract shall be counted toward the Contract Specific Goals. A manufacturer is a firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the bidder or contractor.
- e. If the MBE or WBE is a distributor or supplier: 60% of expenditures for materials and supplies purchased from a MBE or WBE that is certified as a regular dealer or supplier shall be counted toward the Contract Specific Goals.
- f. If the MBE or WBE is a broker:
 - i. Zero percent (0%) of expenditures paid to brokers will be counted toward the Contract Specific Goals.
 - ii. As defined above. Brokers provide no commercially useful function.

1.1.1.1.

9.27.2013 1.1.1.2.

M/WBE Special Conditions for Commodities & Services 5

- g. If the MBE or WBE is a member of the joint venture contractor/bidder:
 - i. A joint venture may count the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the contract that the MBE or WBE performs with its own forces toward the Contract Specific Goals; or
 - ii. If employees of this distinct joint venture entity perform the work then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in the Schedule I-
 - iii. A joint venture may also count the dollar value of work subcontracted to other MBEs and WBEs.
- h. If the MBE or WBE subcontracts out any of its work:
 - i. 100% of the value of the work subcontracted to other MBEs or WBEs performing work in its Area of Specialty may be counted toward the Contract Specific Goals.
 - ii. 0% of the value of work that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals (except as allowed by (c) above).
 - iii. The fees or commissions charged for providing a bona fide service, such as professional, technical, consulting or managerial services or for providing bonds or insurance and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.
 - iv. The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.
 - v. The fees or commissions charged for providing any bonds or insurance, but not the cost of the premium itself, specifically required for the performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

1.5. Regulations Governing Reductions to or Waiver of MBE/WBE Goals

The following Regulations set forth the standards to be used in determining whether or not a reduction or waiver of the MBE/WBE commitment goals of a particular contract is appropriate. If a bidder determines that it is unable to meet the MBE and/or WBE Contract-Specific Goals on a City of Chicago contract, a written request for the reduction or waiver of the commitment must be included in the bid or proposal.

The written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE percentages submitted on the bidder's letterhead, and must demonstrate that all required efforts as set forth in this document were taken to secure eligible Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or designee shall determine whether the request for the reduction or waiver will be granted.

A bidder will be considered responsive to the terms and conditions of these Regulations if, at the time of bid, it submits a waiver request and all supporting documentation that adequately addresses the conditions for waiver of MBE/WBE goals, including proof of notification to assist agencies except:

- Bidders responding to Request for Proposals (RFPs) who have been identified as a short listed candidate and/or a prospective awardee will be given a designated time allowance, but no more than

1.1.1.1.

9.27.2013 1.1.1.2.

M/WBE Special Conditions for Commodities & Services 6

fourteen (14) calendar days to submit to the Department of Procurement Services complete documentation that adequately addresses the conditions for waiver described herein; and

- Bidders responding to Request for Information and or Qualifications (RFI/RFQs) deemed by the Chief Procurement Officer or authorized designee to be the most responsive and responsible shall submit documentation that adequately addresses the conditions for waiver described herein during negotiations.

Failure to submit documentation sufficient to support the waiver request will cause the bid/proposal to be found non-responsive by the Chief Procurement Officer, and the bid/proposal will be rejected. In such cases the remedies to be taken by the Chief Procurement Officer, in his or her discretion, may include, but are not limited to, forfeiture of bid deposit; negotiating with the next lowest bidder; or re-advertising the bid/proposal. All bidders must submit all required documents at the time of bid opening to expedite the contract award.

1.5.1. Direct / Indirect Participation

Each of the following elements must be present in order to determine whether or not such a reduction or waiver is appropriate.

- a. The bidder has documented the unsuccessful solicitation for either subcontractors or joint venture partners of at least 50% (or at least five when there are more than eleven certified firms in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct or indirect work identified or related to the advertised bid/proposal. Documentation must include but is not necessarily limited to:
 - 1. A detailed statement of efforts to identify and select portions of work identified in the bid solicitation for subcontracting to certified MBE/WBE firms;
 - 2. A listing of all MBE/WBE firms contacted that includes:
 - o Name, address, telephone number and email of MBE/WBE firms solicited;
 - o Date and time of contact;
 - o Method of contact (written, telephone, transmittal of facsimile documents, email, etc.)
 - 3. Copies of letters or any other evidence of mailing that substantiates outreach to MBE/WBE vendors that includes:
 - o Project identification and location;
 - o Classification/commodity of work items for which quotations were sought;
 - o Date, item and location for acceptance of subcontractor bid proposals
 - o Detailed statement which summarizes direct negotiations with appropriate MBE/WBE firms for specific portions of the work and indicates why negotiations were unsuccessful;
 - o Affirmation that Good Faith Efforts have been demonstrated by:
 - choosing subcontracting opportunities likely to achieve MBE/WBE goals;
 - not imposing any limiting conditions which were not mandatory for all subcontractors;

.1.1.1.

27.2013 1.1.2.

M/WBE Special Conditions for Commodities & Services 7

- providing notice of subcontracting opportunities to M/WBE firms and assist agencies at least five (5) business days in advance of the initial bid due date.

OR

- b. Subcontractor participation will be deemed excessively costly when the MBE/WBE subcontractor proposal exceeds the average price quoted by more than twenty percent (20%). In order to establish that a

subcontractor's quote is excessively costly, the bidder must provide the following information:

1. A detailed statement of the work identified for MBE/WBE participation for which the bidder asserts the MBE/WBE quote(s) were excessively costly (in excess of 20% higher).
 - o A listing of all potential subcontractors contacted for a quotation on that work item;
 - o Prices quoted for the subcontract in question by all such potential subcontractors for that work item.
2. Other documentation which demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:
 - o The City's estimate for the work under a specific subcontract;
 - o The bidder's own estimate for the work under the subcontract;
 - o An average of the bona fide prices quoted for the subcontract;
 - o Demonstrated increase in other contract costs as a result of subcontracting to the M/WBE or other firm.

2. Assist Agency Participation in waiver/reduction requests

Every waiver and/or reduction request must include evidence that the bidder has provided timely notice of the need for subcontractors to an appropriate association/assist agency representative of the MBE/WBE business community. This notice must be given at least five (5) business days in advance of the initial bid due date.

The notice requirement of this Section will be satisfied if a bidder contacts at least one of the associations on Attachment A to these Regulations when the prime contractor seeks a waiver or reduction in the utilization goals. Attachment B to these Regulations provides the letter format that a prime contractor may use. Proof of notification prior to bid submittal (e.g. certified mail receipt or facsimile transmittal receipt) will be required to be submitted with the bid for any bid/proposal to be deemed responsive. If deemed appropriate, the Contract Compliance Officer may contact the assist agency for verification of notification.

3. Impracticability

If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular contract subject to competitive bidding prior to the bid solicitations for such contract, bid specifications shall include a statement of such revised standard.

The requirements set forth in these Regulations (this subsection 1.5 "Regulations Governing Reductions to or Waiver of MBE/WBE Goals") shall not apply where the Chief Procurement Officer determines prior to the bid solicitations that MBE/WBE subcontractor participation is impracticable.

1.1.1.1.

9.27.2013 1.1.1.2.

M/WBE Special Conditions for Commodities & Services 8

This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices or standards not previously known by the Chief Procurement Officer, or such other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made in connection with a particular contract, whether before the contract is let for bid, during the bid or award process, before or during negotiation of the contract, or during the performance of the contract.

For all notifications required to be made by bidders, in situations where the Chief Procurement Officer has determined that time is of the essence, documented telephone contact may be substituted for letter contact.

1.6. Procedure to Determine Bid Compliance

A bid may be rejected as non-responsive if it fails to submit one or more of the following with its bid demonstrating its Good Faith Efforts to meet the Contract Specific Goals by reaching out to MBEs and WBEs to perform work on the contract:

- An MBE/WBE compliance plan demonstrating how the bidder plans to meet the Contract Specific Goals; and/or
- A request for reduction or waiver of the Contract Specific Goals in accordance with Section 2-92-450 of the MCC.

Only compliance plans utilizing MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements will be counted toward the Contract Specific Goals.

The following Schedules and described documents constitute the bidder's MBE/WBE proposal, and must be submitted in accordance with the guidelines stated:

- 1) **Schedule C-I: Letter of Intent from MBE/WBE to Perform as Subcontractor, Supplier and/or Consultant.**
The bidder must submit the appropriate Schedule C-I with the bid for each MBE and WBE included on the Schedule D-I. Suppliers must submit the Schedule C-I for Suppliers, first tier subcontractors must submit a Schedule C-I for Subcontractors to the Prime Contractor and second or lower tier subcontractors must submit a Schedule C-I for second tier Subcontractors. The City encourages subcontractors to utilize the electronic tillable format Schedule C-I, which is available at the Department of Procurement Services website, <<http://cityofchicago.org/forms>>. Each Schedule C-I must be executed by each MBE and WBE and accurately detail the work to be performed by the MBE or WBE and the agreed upon rates/prices. Each Schedule C must also include a separate sheet as an attachment on which the MBE or WBE fully describes its proposed scope of work, including a description of the commercially useful function being performed by the MBE or WBE in its Area of Specialty. If a facsimile copy of the Schedule C-I has been submitted with the bid, an executed original Schedule C-I must be submitted by the bidder for each MBE and WBE included on the Schedule D-I within five business days after the date of the bid opening.

Failure to submit a completed Schedule C-I in accordance with this section shall entitle the City to deem the bid/proposal non-responsive and therefore reject the bid/proposal.
- 2) **Letters of Certification.**
A copy of each proposed MBE/WBE firm's current Letter of Certification from the City of Chicago or Cook County Illinois, must be submitted with the bid/proposal. All Letters of Certification issued by the City of Chicago and Cook County include a statement of the MBE/WBE firm's Area of Specialty. The MBE/WBE firm's scope of work, as detailed by their Schedule C-I, must conform to their stated Area of Specialty.
- 3) **Schedule B: Affidavit of Joint Venture, and Joint Venture Agreements (if applicable).**

1.1.1.1.

9.27.2013 1.1.1.2.

M/WBE Special Conditions for Commodities & Services 9

If the bidder's MBE/WBE proposal includes the participation of a MBE/WBE as joint venture on any tier (either as the bidder or as a subcontractor), the bidder must provide a copy of the joint venture agreement and a Schedule B along with all other requirements listed in Section 1.3, "Joint Ventures," above. In order to demonstrate the MBE/WBE partner's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the proposed joint venture agreement must include specific details related to: (1) contributions of capital and equipment; (2) work responsibilities or other performance to be undertaken by the MBE/WBE; and (3) the commitment of management, supervisory and operative personnel employed by the MBE/WBE to be dedicated to the performance of the contract. The joint venture agreement must also clearly define each partner's authority to contractually obligate the joint venture and each partner's authority to expend joint venture funds (e.g., check signing authority).

- 4) **Schedule D-I: Required Schedules Regarding MBE/WBE Utilization**
Bidders must submit, together with the bid, a completed Schedule D-I committing them to the utilization of each listed MBE/WBE firm. The City encourages bidders to utilize the electronic tillable format Schedule D-I, which is available at the Department of Procurement Services website, <<http://cityofchicago.org/forms>>. Except in cases where the bidder has submitted a request for a complete waiver of or variance from the MBE/WBE commitment in accordance with Section 1.5 "Regulations Governing Reductions to or Waiver of MBE/WBE Goals" herein, the bidder must commit to the expenditure of a specific dollar amount of participation by each MBE/WBE firm included on their Schedule D-I. The total dollar commitment to proposed MBEs must at least equal the MBE goal, and the total dollar commitment to proposed WBEs must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of the MBE and WBE goals as percentages of their total base bids or in the case of Term Agreements, depends upon requirements agreements and blanket agreements, as percentages of the total estimated usage. All commitments made by the bidder's Schedule D-I must conform to those presented in the submitted Schedule C-I. If Schedule C-I is submitted after the opening, the bidder may submit a revised Schedule D-I (executed and notarized

to conform with the Schedules C-I). Bidders shall not be permitted to add MBEs or WBEs after bid opening to meet the Contract Specific Goals, however, contractors are encouraged to add additional MBE/WBE vendors to their approved compliance plan during the performance of the contract when additional opportunities for participation are identified. Except in cases where substantial and documented justification is provided, bidders will not be allowed to reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedules C-1 and D-I.

All commitments for joint venture agreements must be delineated in the Schedule B.

5) **Application for Approval of Mentor Protege Agreement**

Any applications for City approval of a Mentor Protege agreement must be included with the bid. If the application is not approved, the bidder must show that it has made good faith efforts to meet the contract specific goals.

1.7. Reporting Requirements During the Term of the Contract

- a. The Contractor will, not later than thirty (30) calendar days from the award of a contract by the City, execute formal contracts or purchase orders with the MBEs and WBEs included in their approved MBE/WBE Utilization Plan. These written agreements will be made available to the Chief Procurement Officer upon request.
- b. The Contractor will be responsible for reporting payments to all subcontractors on a monthly basis in the form of an electronic report. Upon the first payment issued by the City of Chicago to the contractor for services performed, on the first day of each month and every month thereafter, email and or fax audit notifications will be sent out to the Contractor with instructions to report payments that have been made in the prior month to each subcontractor. The

M/WBE Special Conditions for Commodities & Services 10

reporting of payments to all subcontractors must be entered into the Certification and Compliance Monitoring System (C2), or whatever reporting system is currently in place, on or before the fifteenth (15th) day of each month.

- c. Once the prime Contractor has reported payments made to each subcontractor, including zero dollar amount payments, the subcontractor will receive an email and or fax notification requesting them to log into the system and confirm payments received. All monthly confirmations must be reported on or before the 20th day of each month. Contractor and subcontractor reporting to the C2 system must be completed by the 25th of each month or payments may be withheld.
- d. All subcontract agreements between the contractor and MBE/WBE firms or any first tier non-certified firm and lower tier MBE/WBE firms must contain language requiring the MBE/WBE to respond to email and/or fax notifications from the City of Chicago requiring them to report payments received for the prime or the non-certified firm.

Access to the Certification and Compliance Monitoring System (C2), which is a web based reporting system, can be found at: <<https://chicago.mwdbe.com>>

- e. The Chief Procurement Officer or any party designated by the Chief Procurement Officer, shall have access to the contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the contractor's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the contractor's records by any officer or official of the City for any purpose.
- f. The Contractor shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs, retaining these records for a period of at least five years after project closeout. Full access to these records shall be granted to City, federal or state authorities or other authorized persons.

1.8. Changes to Compliance Plan

1.8.1. Permissible Basis for Change Required

No changes to the Compliance Plan or contractual MBE and WBE commitments or substitution of MBE or WBE subcontractors may be made without the prior written approval of the Contract Compliance Officer. Unauthorized changes or substitutions, including performing the work designated for a subcontractor with the contractor's own forces, shall be a violation of these Special Conditions and a breach of the contract with the City, and may cause termination of the executed Contract for breach, and/or subject the bidder or contractor to contract remedies or other sanctions. The facts supporting the request for changes must not have been known nor reasonably could have been known by the parties prior to entering into the subcontract. Bid shopping is prohibited. The bidder or contractor must negotiate with the subcontractor to resolve the problem. If requested by either party, the

Department of Procurement Services shall facilitate such a meeting. Where there has been a mistake or disagreement about the scope of work, the MBE or WBE can be substituted only where an agreement cannot be reached for a reasonable price for the correct scope of work.

Substitutions of a MBE or WBE subcontractor shall be permitted only on the following basis:

1.1.1.1.

9.27.2013 1.1.1.2.

- a) Unavailability after receipt of reasonable notice to proceed;
- b) Failure of performance;
- c) Financial incapacity;
- d) Refusal by the subcontractor to honor the bid or proposal price or scope;
- e) Mistake of fact or law about the elements of the scope of work of a solicitation where a reasonable price cannot be agreed;

M/WBE Special Conditions for Commodities & Services 11

- f) Failure of the subcontractor to meet insurance, licensing or bonding requirements;
- g) The subcontractor's withdrawal of its bid or proposal; or
- h) De-certification of the subcontractor as a MBE or WBE (graduation from the MBE/WBE program does not constitute de-certification).
- i) **Termination of a Mentor Protege Agreement.**

1.8.2. Procedure for Requesting Approval

If it becomes necessary to substitute a MBE or WBE or otherwise change the Compliance Plan, the procedure will be as follows:

- a) The bidder or contractor must notify the Contract Compliance Officer and Chief Procurement Officer in writing of the request to substitute a MBE or WBE or otherwise change the Compliance Plan. The request must state specific reasons for the substitution or change. A letter from the MBE or WBE to be substituted or affected by the change stating that it cannot perform on the contract or that it agrees with the change in its cope of work must be submitted with the request.
- b) The City will approve or deny a request for substitution or other change within 15 business days of receipt of the written request.
- c) Where the bidder or contractor has established the basis for the substitution to the satisfaction of the Chief Procurement Officer, it must make Good Faith Efforts to meet the Contract Specific Goal by substituting a MBE or WBE subcontractor. Documentation of a replacement MBE or WBE, or of Good Faith Efforts, must meet the requirements in section 5. If the MBE or WBE Contract Specific Goal cannot be reached and Good Faith Efforts have been made, as determined by the Chief Procurement Officer, the bidder or contractor may substitute with a non-MBE or non-WBE.
- d) If a bidder or contractor plans to hire a subcontractor for any scope of work that was not previously disclosed in the Compliance Plan, the bidder or contractor must obtain the approval of the Chief Procurement Officer to modify the Compliance Plan and must make Good Faith Efforts to ensure that MBEs or WBEs have a fair opportunity to bid on the new scope of work.
- e) A new subcontract must be executed and submitted to the Contract Compliance Officer within five business days of the bidder's or contractor's receipt of City approval for the substitution or other change.

The City shall not be required to approve extra payment for escalated costs incurred by the contractor when a substitution of subcontractors becomes necessary to comply with MBE/WBE contract requirements.

1.9. Non-Compliance and Damages

Without limitation, the following shall constitute a material breach of this contract and entitle the City to declare a default, terminate the contract, and exercise those remedies provided for in the contract, at law or in equity: (1) failure to demonstrate Good Faith

Efforts; and (2) disqualification as a MBE or WBE of the contractor or any joint venture partner, subcontractor or supplier if its status as an MBE or WBE was a factor in the award of the contract and such status was misrepresented by the contractor.

Payments due to the contractor may be withheld until corrective action is taken.

Pursuant to MCC 2-92-445 or 2-92-740, as applicable, remedies or sanctions may include a penalty in the amount of the discrepancy between the amount of the commitment in the Compliance Plan, as such amount may be amended through change orders or otherwise over the term of the contract, and the amount paid to MBEs or WBEs, and disqualification from contracting or subcontracting on additional City contracts for up to three years. The consequences provided herein shall be in addition to any other criminal or civil liability to which such entities may be subject.

1.1.1.2.

The contractor shall have the right to protest the final determination of non-compliance and the imposition of any penalty by the Chief Procurement Officer pursuant to MCC 2-92-445 or 2-92-740, within 15 business days of the final determination.

10. **Arbitration**

- a) In the event a contractor has not complied with the contractual MBE/WBE percentages in its Schedule D, underutilization of MBEs/WBEs shall entitle the affected MBE/WBE to recover from the contractor damages suffered by such entity as a result of being underutilized; provided, however, that this provision shall not apply to the extent such underutilization occurs pursuant to a waiver or substitution approved by the City. The Ordinance and contracts subject thereto provide that any disputes between the contractor and such affected MBEs/WBEs regarding damages shall be resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorney's fees, being recoverable by a prevailing MBE/WBE in accordance with these regulations. This provision is intended for the benefit of any MBE/WBE affected by underutilization and grants such entity specific third party beneficiary rights. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a contractor and a MBE/WBE.
- b) An MBE/WBE desiring to arbitrate shall contact the contractor in writing to initiate the arbitral process. Except as otherwise agreed to in writing by the affected parties subject to the limitation contained in the last sentence of the previous paragraph, within ten (10) calendar days of the contractor receiving notification of the intent to arbitrate from the MBE/WBE the above-described disputes shall be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7601 [Phone: (312) 616-6560; Fax: (312) 819-0404]. All such arbitrations shall be initiated by the MBE/WBE filing a demand for arbitration with the AAA; shall be conducted by the AAA; and held in Chicago, Illinois.
- c) All arbitration fees are to be paid pro rata by the parties, however, that the arbitrator is authorized to award reasonable expenses, including attorney and arbitrator fees, as damages to a prevailing MBE/WBE.
- d) The MBE/WBE must send the City a copy of the Demand for Arbitration within ten (10) calendar days after it is filed with the AAA. The MBE/WBE also must send the City a copy of the decision of the arbitrator within ten (10) calendar days of receiving such decision. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

11. **Equal Employment Opportunity**

Compliance with MBE and WBE requirements will not diminish or supplant equal employment opportunity and civil rights

provisions as required by law.

The Contractor must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached as an exhibit) or equivalent prior to Contract award. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Contract have been fully met or that the insurance policies indicated on the certificate are in compliance with all Contract requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. The Contractor must advise all insurers of the Contract provisions regarding insurance. Non-conforming insurance does not relieve Contractor of the obligation to provide insurance as specified herein. No fulfillment of the insurance conditions may constitute a violation of the Contract, and the City retains the right to stop work until proper evidence of insurance is provided, or the Contract may be terminated.

Contractor must furnish Certificates Insurance of Coverage of any or all insurance policies listing the City as an additional

The Contractor agrees that insurers waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Contract or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Contractor under the Contract.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Contract or any limitation placed on the indemnity in this Contract given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company and each of its separate constituent entities as named insureds.

The Contractor must require all subcontractors to provide the insurance required herein, or Contractor may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Contract.

If Contractor or subcontractor desire additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Contract to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

3.7. EDS Frequently Asked Questions

Q: Where do I file?

A: The web link for the Online EDS is

<<https://webapps.cityofchicago.org/EDSWeb>>Q: How do I get help?

A: If there is a question mark on a page or next to a field, click on the question mark for help filling out the page or field. You may also consult the User Manual and the Training Videos available on the left menu.

Q: Why do I have to submit an EDS?

A: The Economic Disclosure Statement (EDS) is required of applicants making an application to the City for action requiring City Council, City department or other City agency approval. For example, all bidders seeking a City contract are required to submit an EDS. Through the EDS, applicants make disclosures required by State law and City ordinances and certify compliance with various laws and ordinances. An EDS is also required of certain parties related to the applicant, such as owners and controlling parties.

Q: Who is the Applicant?

A: "Applicant" means any entity or person making an application to the City for action requiring City Council or other City agency approval. The applicant does not include owners and parent companies.

Q: Who is the Disclosing Party?

A: "Disclosing Party" means any entity or person submitting an EDS. This includes owners and parent companies.

Q: What is an entity or legal entity?

A: "Entity" or "Legal Entity" means a legal entity (for example, a corporation, partnership, joint venture, limited liability company or trust).

Q: What is a person for purposes of the EDS?

A: "Person" means a human being.

Q: Who must submit an EDS?

A. An EDS must be submitted in any of the following three circumstances:

Applicants: An Applicant must always file this EDS. If the Applicant is a legal entity, state the full name of that legal entity. If the Applicant is a person acting on his/her own behalf, state his/her name.

Entities holding an interest: Whenever a legal entity has a beneficial interest (E. G. direct or indirect ownership) of more than 7.5% in the Applicant, each such legal entity must file an EDS on its own behalf.

Controlling entities: Whenever a Disclosing Party is a general partnership, limited partnership, limited liability company, limited liability partnership or joint venture that has a general partner, managing member, manager or other

1.3.1.2.

1.3.1.3.

Economic Disclosure Statement and Affidavit (EDS) 33

entity that can control the day-to-day management of the Disclosing Party, that entity must also file an EDS on its own behalf. Each entity with a beneficial interest of more than 7.5% in the controlling entity must also file an EDS on its own behalf.

Q: What information is needed to submit an EDS?

A: The information contained in the Preparation Checklist for EDS submission.

Q: I don't have a user ID & password. Can I still submit an Online EDS?

A: No. You must register and create a user ID and password before submitting an Online EDS.

Q: What information is needed to request a user ID & password for Online EDS?

A: The information contained in the Preparation Checklist for Registration is needed to request a login for the Online EDS.

Q: I already have a username and password from another City web site (City Web Portal, Department of Construction and Permits, Department of Consumer Services, etc.). Can I log-in the Online EDS with that account?

A: Usually not. The Online EDS uses a user ID and password system that is shared by the Public Vehicle Advertising and Water Payment web sites. You may use a username and password from those sites by answering "Yes" to "Is this an existing City of Chicago user ID?" when registering. Other usernames and passwords will not be automatically recognized. However, you may choose to create an identical username for the Online EDS if it is not already taken.

Q: I don't have an email address. How do I submit an Online EDS?

A: You cannot get an account to submit an online EDS without an email address. If you need an e-mail address, we suggest that you use a free internet email provider such as www.hotmail.com <<http://www.hotmail.com>>, www.yahoo.com <<http://www.yahoo.com>> or mail.google.com <<http://mail.google.com>> to open an account. The City does not endorse any particular free internet email provider. Public computers are available at all Chicago Public Library branches.

Q: I forgot my user ID. Can I register again?

A: No. If you are the EDS Captain of your organization, please contact the Department of Procurement Services at 312-744-4900. If you are an EDS team member, contact your EDS Captain, who can look up your user ID.

Q: Who is the EDS Captain?

A: The EDS Captain is a person who performs certain administrative functions for an organization which files an EDS. Each organization registered with the Online EDS has at least one EDS Captain. There may be co-captains, who are all equal. EDS Captains approve new users, change contact information for an organization and de-active accounts of employees who have left the organization. Please see the User Manual for more information.

Q: Why do we need EDS Captains?

A: The Online EDS is designed to be a self-service web application which allows those doing or seeking to do business with the City to perform as many routine functions as possible without City intervention. Because many organizations have multiple staff filing an EDS, the EDS Captain role allows those organizations to self-manage the contact information and users.

3.1.2.

3.1.3.

Economic Disclosure Statement and Affidavit (EDS) 34

Q: Who is the EDS team?

A: The EDS team for an organization is everyone who is registered to file an EDS on behalf of the organization. Q:

I forgot my password. What should I do?

A: To retrieve a temporary password, click the "Forgot your password?" link on the login page. Enter your user ID that you provided when you registered your account. The system will automatically generate a temporary password and send it to you. When you log-in with your temporary password, you will be asked to create a new password.

Q: How do I complete an Online EDS?

A: Click on "Create New" after logging in. The Online EDS system will walk you through the EDS questions. Please see the User Manual for details.

Q: How do I fill out a Disclosure of Retained Parties?

A: There is no longer a separate Disclosure of Retained Parties filing. After logging in, click on "Create New". Answer (click) "Contract" to "Is this EDS for a contract or an EDS information update?" Click "Fill out EDS" and click on the "Retained Parties" tab. When finished, click on "Ready to Submit".

Q: How do I attach documents?

A: Attachments are discouraged. If at all possible, please provide a concise explanation in the space provided in the online form. Attachments with pages of officers are not acceptable. Names of officers must be typed into the system. If you must provide an attachment for another reason, please send it to your City of Chicago contact (contract administrator or negotiator for procurements) and they will attach it for you. Documents can be sent in PDF (preferred), Word or paper format.

Q: Who can complete an Economic Disclosure Statement online?

A: Any authorized representative of your business with a user ID and password can complete your EDS online. One person, such as an assistant, can fill in the information and save it and another person can review and electronically sign the Online EDS.

Q: What are the benefits of filing my Economic Disclosure statement electronically?

A: Filing electronically reduces the chance of filing an incomplete EDS and speeds up the processing of contract awards. A certificate of filing can be printed at the completion of the process and inserted into your bid package. The biggest benefit for those who frequently do business with the City is that after the first EDS, each EDS is much easier to fill out because non-contract specific information is pre-filled from the last submitted EDS.

Q: Will my information be secure?

A: Yes. When making your internet connection to our Web Server, you will connect through a Secure Socket Layer (SSL for short) to the "Online EDS" login page. All information you type will be protected using strong encryption. Within the login page, you will provide us with a user ID, password and secret question for user authentication, only you will have knowledge of this unique identification information.

Q: I am filing electronically. How do I sign my EDS?

Economic Disclosure Statement and Affidavit (EDS) 35

1.3.1.3.

A: Once you have completed the EDS, you will be prompted to enter your password and answer to your secret question. Together, these will serve as your electronic signature. Although you will also print and physically sign an EDS certification of filing as a notice that your EDS was filed, your EDS is complete as a legal document with only the electronic filing.

Q: My address has changed. How can I update my information?

A: You must be an EDS Captain for your organization to update this. Log-in and click on "Vendor Admin, Site Administration". Select the appropriate site and click edit.

Q: I have more questions. How can I contact the Department of Procurement Services?

A: Please contact the contract administrator or negotiator assigned to your solicitation or contract. You may call DPS at 312-744-4900 between 8:30 AM and 5:00 PM Central Time.

Q: Can I save a partially complete EDS?

A: Yes. Click "Save". To avoid data loss, we recommend you save your work periodically while filling out your EDS. Q:

Do I have to re-type my information each time I submit an EDS?

A: No. The system will remember non-contract specific information from your last submitted EDS for one year. This information will be filled-in for you in your new EDS. You will have an opportunity to correct it if it has changed since your last filing. When you submit your new EDS, the information is saved and the one-year clock begins running anew.

Q: What are the system requirements to use the Online EDS?

A: The following are minimum requirements to use the Online EDS:

- A PDF viewer such as Adobe Reader is installed and your web browser is configured to display PDFs automatically. You may download and install Adobe Reader free at www.adobe.com/products/reader/
- Your web browser is set to permit running of JavaScript.
- Your web browser allows cookies to be set for this site. Please note that while we use cookies in the Online EDS, we do not use them to track personally identifiable information, so your privacy is maintained.
- Your monitor resolution is set to a minimum of 1024 x 768.
- While not required to submit an EDS, if you wish to view the training videos, you must have Adobe Flash Plugin version 9 or higher, speakers and sound. Please note that very old computers may not be able to run Adobe Flash and will not be able to play the training videos. In that case, we encourage you to seek help using the Online EDS Manuals. You may download and install Adobe Flash Plugin free at <http://get.adobe.com/flashplayer>

The Online EDS has been tested on Internet Explorer 6.0, 7.0, Firefox 2.0 and 3.0 on Windows XP and Mac OS X. Although it should work on other browsers and operating systems, the City of Chicago cannot guarantee compatibility.
