## Planned Development #468, As Amended Statements

1. The land delineated herein as Business Planned Development Number 468, as Amended (the "Planned Development") consist of 33,304.29 square feet of net site area which is depicted on the attached is owned by Chicago Title Land Trust Co, as successor trustee to LaSalle Bank NA. as successor trustee to American National Bank and Trust Company of Chicago, as Trustee, under Trust Number 121309-02. Northwestern Memorial HealthCare is the Applicant.
2. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation or streets or alleys, or easements, or adjustments of rights-of-way, or consolidation or resubdivision of parcels, shall require a separate submittal on behalf of the Applicant or its successors, assignees or grantees and approval by the City Council.
3. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different from the Applicant, the legal title holder and any ground lessors. Furthermore, pursuant to the requirements of Section 11.11-1 of the Chicago Zoning Ordinance, the Property shall be under single ownership or under single designated control at the time of any applications for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made. Single designated control for purposes of this paragraph shall mean that any application to the City for any amendment to this Planned Development or any other modification or change thereto (administrative, legislative or otherwise) shall be made or authorized by all owners of the Property and any ground lessors.
4. This Plan of Development consists of these eighteen (18) statements; the bulk table, floor plans (Levels 1, 2, 5, 6, and 7), program stacking diagrams, building elevations and proposed Bridge Elevations and Plans. Exhibits on pages 52344, 52345, 52348 and 52349 of the City Council Journal as published on September 10, 1997 remain unchanged. Full-size sets of the Site/Landscape Plan and Building Elevations are on file with the Department of Planning and Development. The Planned Development is applicable to the area delineated hereto and these and no other zoning controls shall apply. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control.

5. The permitted uses in the Planned Development are as follows: medical service, business offices and related uses, hotel, ground floor retail and/or service establishments, restaurants with food and alcoholic beverage service, unenclosed or partially enclosed restaurants adjacent to and operated in conjunction with the enclosed restaurants, rooftop telecommunications and earth station receiving dishes which are appropriately screened, and accessory parking.
6. Off-street parking (for all uses except hotel use) and loading facilities will be provided on-site as currently constructed. Off-street parking for the hotel use shall be provided off-site pursuant to a long-term renewable lease (minimum of ten (10) years) to provide a minimum of fifty (50) weekday and one hundred fifty (150) weekend parking spaces in a parking facility not more than two (2) blocks from the proposed hotel.

7. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of DPD. Off-premises signs are prohibited within the boundary of the Planned Development.
8. Any service drives or other ingress or egress shall be adequately designed and paved in accordance with the regulations of the Department of Transportation in effect at the time of construction and in compliance with the Municipal Code of the City of Chicago, to provide ingress and egress for motor vehicles, including emergency vehicles. There shall be no parking within such emergency areas. Ingress and egress shall be subject to the review and approval of the Department of Transportation and the Department of Planning and Development. The Applicant shall secure the permission of and execute any agreements which may be required by the City of Chicago in connection with the proposed curb relocation shown on the Site/Landscape Plan.
9. In addition to the maximum height of the buildings and any appurtenances thereto prescribed in this Planned Development, the height of the improvement shall be subject to height limitations as approved by the Federal Aviation Administration
10. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 33,304.29 square feet.
11. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by DPD. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
12. The improvements on the Property shall be designed, installed and maintained in substantial conformance with the Site/Landscape Plan and Building Elevations and in accordance with the parkway tree provisions of the Chicago Zoning Ordinance and corresponding regulations and guidelines.
13. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125, or any other provision of the Municipal Code of Chicago.
14. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Chicago Zoning Ordinance, by the Zoning Administrator upon the application for such a modification by the Applicant, its successors or assigns and, if different than the Applicant, the legal titleholders and any ground lessors of the Property.
15. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

16. The Applicant acknowledges that it is in the public interest to design.

17. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the [planner] development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof)- The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the foregoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.
18. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, Zoning Administrator initiate a zoning map amendment to rezone the Property to Planned Development 468, as amended September 10, 1997.
