WHEREAS, a public hearing was held on this application by the Zoning Board of Appeals at its regular meeting held on January 15, 2010; and

WHEREAS, the district maps show that the premises is located in a B3-2 District; and

WHEREAS, the Zoning Board of Appeals, having fully heard the testimony and arguments of the parties and being fully advised in the premises, hereby makes the following findings of fact: The appellant in this matter stated that he was cited by the City of Chicago for erecting signs with out a sign permit. The appellant stated that after he was cited he removed the signs and paid the fines. He testified that the products that are advertised on the signs are products that can be purchased on site. The signs also contain logos for the business (Metro) The appellant claims that because items advertised can be purchased at this location, the signs are therefore not off-site advertising. The Board finds that the appellant shall be permitted to establish a 675 square foot banner sign. A permit shall be obtained to memorialize this decision.
