**CITY OF CHICAGO COMMISSION ON CHICAGO
LANDMARKS**

December 6, 2018

**RECOMMENDATION TO THE CITY COUNCIL TO APPROVE A PERMIT APPLICATION
FOR DEMOLITION OF A NON-CONTRIBUTING BUILDING IN A CHICAGO
LANDMARK DISTRICT**

WHEREAS, pursuant to Section 2-120-825 of the Municipal Code of Chicago governing review of permits for the demolition of 40% or more of any building or structure either designated as a "Chicago Landmark" or located in any district designated as a "Chicago Landmark," the Commission on Chicago Landmarks (the "Commission") has reviewed a permit application for the proposed demolition of a:

Two-story residential building ("Building") located at 1342 N. Hoyne within the Wicker Park District, a Chicago Landmark (the "Landmark District"); and

WHEREAS, the significant historical or architectural features identified in the ordinance designating the Landmark District are identified as: All exterior faces of the structures and all the streetscapes and landscapes within the boundaries; now, therefore,

THE COMMISSION ON CHICAGO LANDMARKS HEREBY:

Finds, in accordance with the criteria for review of permit applications established in Article III of the Commission's Rules and Regulations, that the Building constructed in 1994, built well after the period of historic development of the Wicker Park District, is non-contributing to the character of the Landmark District;

Finds, in accordance with Section 2-120-770 of the Municipal Code of Chicago, that the demolition of the Building will not adversely affect any significant historical or architectural features of the Landmark District, and that the demolition is in accordance with the Secretary of the Interior's Standards for the Rehabilitation of Historic Buildings;

Approves the permit application for the demolition of the Building; and

Recommends, in accordance with Section 2-120-825, that the City Council of the City of Chicago accept the Commission's approval of the permit application for the demolition of the Building.
