## INDUSTRIAL PLANNED DEVELOPMENT No .

### PLAN OF DEVELOPMENT STATEMENTS

1. The area delineated herein as Industrial Planned Development No. \_\_\_\_\_, (the "Planned Development") consists of approximately five hundred fifty seven thousand, six hundred and four (557,604) square feet or twelve point eight zero (12.80) acres of property which is depicted on the attached Planned Development Boundary and Property Line Map (the "Property") and is owned or controlled by the Applicant, "31<sup>st</sup> Street Operations, "LLC".
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the applicant, the legal title holder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Chicago Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any desiccation or vacation of streets or alleys or grants of easements or any adjustments of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees. Any requests for grants for privilege, or any items encroaching on the public way, shall be in compliance with the Plans. Ingress or egress shall be pursuant to the Plans and may be subject to the review and approval of the Department of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of

Transportation. All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II approval, the submitted plans must be approved by the Department of Transportation.

## FOR PUBLICATION

### (2)

This Plan of Development consists of sixteen (16) Statements: a Bulk Regulations and Data Table; an Existing Zoning Map; a Planned Development Boundary and Property Line Map, an Existing Land-Use Map, Site Plan/Enlarged, Landscape Plan/Enlarged and Building Elevations (Existing Building Retail/Warehouse: North, South, East and West; and, Car Crusher: North, South, East and West) prepared by Mutter Architects, Ltd. and dated August 18, 2016 submitted herein. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

The following uses are allowed in the area delineated herein as an Industrial Planned Development: Light equipment sales/rental of motor vehicles, service and repair, storage both interior and exterior, Class I, II and IV-A and IV-B Recycling Facilities with accessory uses and accessory off-street parking as allowed by Chapter 17-6-0403 of the Chicago Zoning Ordinance.

On-Premise signs and temporary signs such as construction and marketing signs shall be permitted within the Planned Development subject to the review and approval of the Department of Planning and Development. Off-premise signs are prohibited within the boundary of this Planned Development.

For purposes of height of any measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations established by the (FAA) Federal Aviation Administration.

The maximum permitted floor area ratio (F.A.R.) for the site shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of FAR calculations and floor area measurements, the definitions in the Chicago Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using the Net Site Area of 557,604 square feet or 12.80 acres of land area.

Upon review and determination, "Part II Review", pursuant to section 17-13-0610 of the Zoning Ordinance, a

Part II Review fee shall be assessed by the Department of

Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim review associated with site plan review or Part II reviews are conditional until final Part II approval.
11. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning administrator upon the application for such modification by the applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
12. The Applicant acknowledges the City's interest in developing a recreational bike and walking trail that may, at some time subsequent hereto, adjoin the north, west, and south perimeter of this Planned Development. The proposed trail is intended to follow the railroad rights of way abutting the Planned Development, and is intended to be part of a proposed four (4) mile route between Little Village and Pilsen to be known as "El Paseo." The City intends to construct the trail within the railroad right-of-way abutting the Planned Development, except for a small portion located within the Planned Development at its southeast corner (the "PD Segment"). The PD Segment is a strip of land measuring approximately thirty feet (30') in width and three hundred forty feet (340') in length, and extends along the southern boundary of the Planned Development as depicted in the attached Trail Property Exchange Exhibit. The PD Segment is necessary to complete the proposed trail. The Applicant is the owner of the PD Segment and covenants and agrees, on behalf of itself and its successors and assigns, to dedicate the PD Segment, a portion thereof or another segment of like type and kind, to the City, or to grant an easement to the City over the PD Segment, a portion thereof or another segment of like kind and type, for the proposed trail, provided that the City conveys a segment of its own property, of like type and kind, both in size and value, back to Applicant, in consideration of such dedication and/or grant of easement. The Trail Property Exchange Exhibit identifies two potential land swap parcels that may be conveyed to the Applicant, its successors and assigns, in this

particular regard. [See, Trail Property Exchange Exhibit - "Replacement Option(s)."] At the City's request, therefore, the Applicant and City covenant and agree to negotiate the acquisition of the PD Segment in good faith and with all appropriate and reasonable due diligence.

13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant will comply with Rules and Regulations for the Maintenance of Stock-Piles Promulgated by the Commissioner of Street and Sanitation, the Commissioner of the Environment and the Commissioner of Buildings pursuant to Section 13-32-125 of the Municipal Code of Chicago or any other provision of that Code.
15. The Applicant acknowledges that is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The project will be in substantial compliance with the current City of Chicago Sustainable Development policy set forth by the DPD. The proposed project will exceed the Storm water Management Ordinance by twenty (20 %) percent.
16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development lapse, the Commissioner of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to M3-1 (Heavy Industry District)
