WHEREAS, PPG Architectural Finishes, Inc. ("PPG") is the successor-in-interest to The Glidden Company; and

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants, agreements and promises set forth below, and for other good and valuable consideration, the sufficiency of which is acknowledged, the parties agree as follows:

1. PURCHASE OF PROPERTY BY EMI.

1

a. The City agrees to sell and EMI agrees to purchase, the Property, upon and subject to the terms and conditions set forth in this Agreement. The purchase price for the Property shall be One Dollar (\$1.00). The Property shall be conveyed pursuant to a quitclaim deed in the form attached hereto as Exhibit C (the "Deed").

b. The closing of the purchase (the "Closing") contemplated by this Section 1 shall occur not later than _____, 20____, through an escrow handled by the Title Company (as defined below), unless such date is extended by mutual agreement of the parties. This Agreement shall serve as escrow instructions to the Title Company. If any of the terms of this Agreement are inconsistent with the Title Company's standard conditions of acceptance, the terms of this Agreement shall control. The Title Company is hereby designated as the real estate reporting person in connection with this transaction for the Internal Revenue Code of 1986, as amended. The parties shall provide all information required by the Title Company to fulfill its reporting obligations hereunder and to report proceeds from the transaction on a Form 1099-S.

c. At Closing, EMI agrees to accept title to the Property, subject only to real estate taxes and assessments, both general and special, which are a lien, but not yet due and payable ("Taxes") and other title matters approved or deemed approved by EMI pursuant to Section 1c below.

d. Promptly after the Effective Date, EMI shall order a survey and a commitment for an ALTA Owner's Policy of Title Insurance (the "Commitment") from First American Title Company, National Commercial Services, 1660 W. 2nd Street, Suite 700, Cleveland, Ohio 44113, Attn: Rebecca Groetsch, rgroetsch@firstam.com <<mailto:rgroetsch@firstam.com>> (the "Title Company"). To the extent the Commitment or survey discloses any matter affecting title to the Property other than Taxes and EMI objects to such matter(s), EMI shall promptly notify the City in writing. Within ten (10) Business Days of receipt of written notice of any objections, the City shall notify EMI in writing whether it will cure EMI's objections (the "Cure Notice"). If the City elects to not cure any of EMI's objections in the Cure Notice, EMI shall have a right to terminate this Agreement by delivery of written notice to the City within five (5) Business Days (as defined below) after receipt of the Cure Notice, in which event this Agreement shall be of no further force or effect. If the City agrees to cure objections in the Cure Notice, it shall effectuate the cure prior to Closing (as defined below).

e. At Closing, EMI shall be responsible for the cost of the Commitment, the survey, any title policy premium, any recording costs and the Title Company's escrow fees. If EMI obtains a survey, EMI shall cause the survey to be certified to both EMI and the City, and the perimeter legal description of the Land prepared and certified by the surveyor shall be used in the Deed. The City shall be responsible for any Taxes accrued prior to the Closing, if any, and EMI shall be responsible for any Taxes from and after the Closing. Any utilities or similar operating expenses shall be prorated between the City and EMI effective as of the Closing Date.

f. The City offered EMI and its agents, contractors and engineers the opportunity to enter upon the Property for the purpose of inspecting the structural, physical and environmental condition of the Property. EMI elected not to inspect, and not to have its agents, contractors or engineers inspect, the Property.

2

g. The City agrees not to enter into or consent to any lien, easement, lease, purchase option or other agreement affecting the City's title to the Property or use of the Property from and after the Effective Date until Closing. At Closing, exclusive possession of the Property shall be delivered by the City to EMI, free of all tenancies, leases and occupants. In the event of a breach or default by the City or EMI under this Section 1 prior to Closing, the non-defaulting party shall have a right to terminate this Agreement by written notice to the defaulting party, in which event this Agreement shall be of no further force or effect.

h. EMI acknowledges and agrees that the Property is being conveyed, and, subject to the terms and conditions of this Agreement, EMI agrees to ACCEPT THE PROPERTY, IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY (COLLECTIVELY, THE "CONDITIONS") OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. EMI acknowledges that EMI is relying solely upon EMI's own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The City has reviewed its files for documentation relating to the Conditions. EMI acknowledges that such review may not have located all documentation relating to the Conditions, and the City is not obligated to locate all such documentation. Furthermore, EMI acknowledges and agrees that the City was not obligated to perform any due diligence for the purpose of determining the Conditions. EMI, on behalf of itself, its successors and assigns, representatives, officers, directors and insurers (i) releases, relinquishes and forever discharges the City and its officers, employees, agencies, departments and officials, from and against any and all claims, causes of action, demands, legal or administrative proceedings, losses, damages, liabilities, judgments, amounts paid in settlement, interest, fines, penalties, costs and expenses (including, without limitation, reasonable attorney's fees and expenses and court costs) based upon, arising out of or in any way connected with, directly or indirectly, the Conditions, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA").

2. CORRECTIVE ACTION ACTIVITIES.

- a. Stage I and II Corrective Action. After Closing, EMI shall perform, at its expense, the activities described in Stages I - II below to address the potential Glidden Contamination.
 - i. Stage I - EMI or EMI's environmental contractor will conduct a survey of the Property including digging test pits in order to determine whether there are USTs on the Property in addition to the twelve USTs located on the attached Exhibit B.
 - ii. Stage II - EMI or EMI's environmental contractor will remove the twelve USTs described on Exhibit B and will remove any additional USTs on the Property discovered during Stage I. Following the removal of any UST,

3

EMI or EMI's environmental contractor will conduct confirmatory post-excavation sampling as appropriate given the size of the excavations in accordance with IEPA guidance and backfill the excavations with clean fill from off site.

b. Potential Stage III Corrective Action. To the extent the investigations conducted in Stage I and Stage II (as described above in Sections 1(a)(i) and (ii)) identify soil or groundwater contamination relating to Glidden Contamination on the Property, in excess of Tier I residential standards under the Illinois Tiered Approach to Corrective Action Objectives ("TACO") regulations at 35 I AC 742, EMI shall conduct the activities described below in Stage III in accordance with the standards and procedures described in Section 3 (the "Corrective Action").

i. Stage III - If any sampling during Stages I, II, or III by EMI reveals evidence of Glidden Contamination at the Property, EMI shall conduct an additional investigation and Corrective Action necessary until IEPA issues the NFR Letter for the Property relating to such Glidden Contamination.

3. SCHEDULE. EMI shall begin Stage I no later than 45 (forty-five) days after the Closing. Each subsequent phase shall begin as soon as reasonably practicable after Stage I.

4. CORRECTIVE ACTION STANDARDS AND/OR PROCEDURES.

a. The Corrective Action shall be performed in a good and workmanlike manner and in accordance with applicable federal, state and local laws, regulations, rules, ordinances and other legal requirements.

b. In the event a signature as "generator" is required on waste manifests, waste profile sheets or generator's certifications of non-special waste, EMI shall ensure that either EMI or the appropriate EMI contractor shall execute and deliver such documents.

c. The Corrective Action shall be conducted using risk-based cleanup using the Illinois TACO regulations at 35 111. Admin. Code 742. EMI shall determine the nature of the Corrective Action, with the review and approval of the City and NACC as set forth below. EMI shall be responsible for all regulatory filings relating to the Corrective Action, and shall be entitled to manage the Corrective Action and to fulfill its obligations under this Agreement by using the alternative compliance options provided in the TACO regulations and Illinois law to the extent that they are consistent with the planned future use of the Property for recreational purposes and the limited list of restrictive covenants authorized below in Section 4(c). Subject to these restrictions, EMI shall be entitled to fulfill its obligations under this Agreement in the manner it deems most cost-effective. However, EMI shall obtain the concurrence of NACC and the City, which shall not be unreasonably withheld, regarding the Correction Action in order to ensure that it does not impede NACC's ability to obtain a Comprehensive NFR letter for the Property or interfere with its intended use for outdoor recreational activities.

d. EMI may implement restrictive covenants or Environmental Land Use Controls (collectively "ELUCs") with regard to the Property that do not materially interfere with the

4

potential future outdoor recreational use of the Property, or with NACC obtaining a Comprehensive NFR letter for the Property. Without limiting the generality of the foregoing, NACC and the City acknowledge that the following ELUCs may be implemented: (i) limiting the use of the Property to outdoor recreational use, (ii) limiting the installation of potable water wells on the Property; (iii) restricting the use of groundwater beneath the Property; (iv) prohibiting the installation of any enclosed structures or buildings or the use or occupancy of any basement or other space extending below the surface of the ground; (v) engineered barriers; (vi)

construction worker caution options; and (vii) prohibiting any installation of USTs or use of chlorinated solvents at the Property. EMI shall provide NACC and the City a reasonable opportunity to review and comment upon any ELUCs proposed by EMI and shall obtain their concurrence with the proposed ELUCs prior to their inclusion in any submission by EMI to IEPA.

5. RIGHT OF REVERTER. If EMI fails to perform its obligations under Sections 2 through 4 of this Agreement within sixty (60) days after receipt of a written notice of default from the City, the City may exercise any and all remedies available to it at law or in equity (excluding punitive damages), including the right, but not the obligation, to re-enter and take possession of the Property, terminate the estate conveyed to EMI, record EMI's reconveyance deed, and re-vest title to the Property in the City, and such right, title and interest of EMI in and to the Property shall revert to the City. If title to the Property re-vests in the City pursuant to the right of reverter, EMI shall be responsible for all liens and real estate taxes and assessments which accrued during the period the Property was owned by EMI. EMI will cooperate with the City to ensure that if the City records the reconveyance deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Property to EMI and utility easements. The City's right of reverter shall terminate when the IEPA issues the NFR Letter. Only the City shall have enforcement rights with respect to EMI's obligations under Sections 2-4 of this Agreement. This Section 5 shall survive the Closing.

6. PURCHASE OF PROPERTY BY NACC.

a. If EMI purchases the Property pursuant to Section 1 of this Agreement and the IEPA issues the NFR Letter, EMI agrees to sell and NACC agrees to purchase, the Property, upon and subject to the terms and conditions set forth in this Agreement. The purchase price for the Property shall be One Dollar (\$1.00). EMI shall be entitled to claim a deduction for a charitable contribution equal to the market value of the Property and NACC shall cooperate with EMI with respect to any required documentation associated with such contribution. The Property shall be conveyed pursuant to a quitclaim deed in substantially the same form as the Deed delivered by the City to EMI.

b. The closing of the purchase by NACC (the "NACC Closing") shall occur within thirty (30) days after the IEPA issues the NFR Letter, through an escrow handled by the Title Company. This Agreement shall serve as escrow instructions to the Title Company. If any of the terms of this Agreement are inconsistent with the Title Company's standard conditions of acceptance, the terms of this Agreement shall control. The Title Company is hereby designated as the real estate reporting person in connection with this transaction for the Internal Revenue

Code of 1986, as amended. The parties shall provide all information required by the Title Company to fulfill its reporting obligations hereunder and to report proceeds from the transaction on a Form 1099-S.

c. At the NACC Closing, NACC agrees to accept title to the Property, subject only to real estate taxes and assessments, both general and special, which are a lien, but not yet due and payable ("Taxes"), title matters to which EMI took title, additional title matters that are not a lien and which arose during the course of EMI's ownership and do not unreasonably prevent NACC's use of the Property for outdoor recreational purposes, and the ELUCs.

d. At the NACC Closing, NACC shall be responsible for the cost of any title commitment and

survey ordered by NACC, any title policy premium, any recording costs and the Title Company's escrow fees. The legal description used on the deed to NACC shall be the same one used on the Deed delivered by the City to EMI. EMI shall be responsible for any Taxes accrued prior to the NACC Closing (as defined below) and EMI shall be responsible for any Taxes from and after the NACC Closing. Any utilities or similar operating expenses shall be prorated between EMI and NACC effective as of the Closing Date.

e. At the NACC Closing, exclusive possession of the Property shall be delivered by EMI to NACC, free of all tenancies, leases and occupants.

f. In the event of a breach or default by EMI under this Section 6 prior to the NACC Closing, which EMI fails to cure within sixty (60) days after receipt of a written notice of default from NACC, NACC shall have a right, as its sole remedy, to (i) sue EMI for specific performance, which action must be brought within sixty (60) days after EMI's cure period has expired, or (i) terminate this agreement by written notice to EMI, in which event this Agreement shall be of no further force or effect. Notwithstanding the foregoing, the failure of IEPA to issue a NFR Letter shall not constitute a breach or default of this Agreement by EMI. In the event of a breach or default by NACC under this Section 6 prior to the NACC Closing or if for any reason NACC does not purchase the Property after the NFR has been obtained, EMI shall have a right to terminate this Agreement and, at the City's request, which shall be in the City's sole discretion, immediately convey the Property back to the City on the terms and conditions that were contemplated to be applicable to NACC by this Section 6, and all such terms and conditions shall be deemed to be applicable to the City.

g. After the NACC Closing, NACC shall be responsible for any required post-remedial monitoring, maintenance and care required in connection with the focused NFR Letter.

h. In connection with the NACC Closing, NACC acknowledges and agrees that the Property is being conveyed, and, subject to the terms and conditions of this Agreement, NACC agrees to ACCEPT THE PROPERTY, IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE CONDITIONS OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. NACC acknowledges that NACC is relying solely upon NACC's own inspection and other due diligence activities and not upon any information (including, without limitation, environmental

6

studies or reports of any kind) provided by or on behalf of EMI or its agents or employees with respect thereto. Furthermore, NACC acknowledges and agrees that EMI was not obligated to perform any due diligence for the purpose of determining the Conditions. NACC, on behalf of itself, its successors and assigns, representatives, officers, directors and insurers (i) releases, relinquishes and forever discharges the City, and EMI and PPG as successor-in-interest to The Glidden Company, and their related entities, parents, affiliates, predecessors, assigns, officers, directors, shareholders, attorneys, representatives, agents and employees, past, present and future (collectively, the EMI/PPG Parties"), from and against any and all claims, causes of action, demands, legal or administrative proceedings, losses, damages, liabilities, judgments, amounts paid in settlement, interest, fines, penalties, costs and expenses (including, without limitation, reasonable attorney's fees and expenses and court costs) based upon, arising out of or in any way connected with, directly or indirectly, the Conditions, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA") or claims associated with the Glidden Contamination, (ii) acknowledges that soils in Chicago are frequently impacted by historic environmental contamination and therefore must be properly managed to avoid adverse effects on human health and the

environment, and (iii) agrees to indemnify, defend and hold harmless the City and EMI/PPG Parties from any claims, liabilities, penalties, judgments, suits, liens, actions, costs expenses or damages resulting from conduct by NACC that voids the NFR Letter. This Section 6 shall survive the NACC Closing.

7. NO ADMISSION OF LIABILITY. EMI, the City and NACC acknowledge and agree that nothing in this Agreement, or the terms of this Agreement, will constitute, be construed as, or be used as evidence of an admission of any liability or wrongdoing by anyone.

8. UNDERSTANDING OF AGREEMENT: REPRESENTATIONS. EMI, the City and NACC declare that they have read and fully understand the terms of this Agreement. Each of EMI, the City and NACC represent and warrant (a) it has the capacity and authority to execute this Agreement and performs its obligations hereunder, (b) this Agreement represents a valid, binding obligation for it, (c) all action necessary to authorize the execution, delivery and performance of this Agreement by it has been taken and such action has not been rescinded or modified; and (d) it has not worked with a real estate broker, agent or finder who has acted as a procuring cause in connection with the transactions contemplated by this Agreement.

9. AMENDMENTS. Any amendment, alteration, supplement, modification or waiver of this Agreement shall be invalid unless it is made in writing has been signed by EMI, NACC and the City.

10. SEVERABILITY. If any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement shall continue in full force and effect with the provision(s).

11. ASSIGNABILITY. EMI may not assign this Agreement without the prior written consent of the City, which consent shall not be unreasonably withheld, conditioned or delayed. The City may not assign this Agreement without the prior written consent of EMI, which consent

7

shall not be unreasonably withheld, conditioned or delayed. NACC may not assign its rights under this Agreement.

12. MISCELLANEOUS. This Agreement shall be interpreted in accordance with the laws of the State of Illinois. This Agreement sets forth the entire agreement between EMI, NACC and the City. EMI, NACC and the City have each participated in the drafting of this Agreement. No provision of this Agreement shall be construed in favor of or against EMI, NACC or the City due to the presumed authorship of the provision in questions. For the purpose of this Agreement, "Business Day" shall mean any day that is not a Saturday, Sunday or legal holiday in the State of Illinois. If any time period set forth herein ends on a day that is not a Business Day, then such time period shall be automatically extended to the next following Business Day. This Agreement may be executed in counterparts and all such counterparts shall constitute one agreement binding on all parties, notwithstanding that all parties are not signatories to the same counterpart. PDF versions of counterparts may be exchanged by electronic mail, each of which shall be deemed an original.
