AVIGATION EASEMENT AGREEMENT

THIS AVIGATION EASEMENT AGREEMENT ("Easement Agreement") is entered into by and between the CITY OF CHICAGO, a municipal corporation and a home rule unit of government under Article VII, Sections 1 and 6(a) respectively, of the 1970 Constitution of the State of Illinois (the "City"), having its principal office at 121 North LaSalle Street, Chicago, Illinois 60602 and the RISEN SAVIOR ASSEMBLY OF GOD, an Illinois not-for-profit corporation ("Risen Savior"), having its principal office at 6059 South Archer Avenue, Chicago, Illinois 60638-2723.

RECITALS

A. Risen Savior owns certain real property located at 6059 South Archer Avenue, Chicago, Illinois and described on Exhibit A (the "Property"). The Property is improved with a church building including a steeple (the "Church Building"), which was originally constructed in approximately 1911, prior to the construction of Midway Airport.

B. The Federal Aviation Administration (the "FAA") has established regulations for airspace penetration for Midway Airport, and published such regulations in Title 14 of the Code of Federal Regulations, Part 77, Section 25 (the "FAA Airspace Regulations"). These regulations establish an airspace approach plane extending from the runways with a slope of 34 to 1:

C. The steeple of the Church Building reaches a height of 682 feet above mean sea level, exceeding the FAA Airspace Regulations approach plane for Midway Airport Runway 13C by 1.13 feet (such penetration, the "Airspace Penetration").

D. This Airspace Penetration was originally identified in 2003 by a federal National Geodetic Survey, which was carried out by the FAA and the City to identify obstructions to the Midway Airport airspace.

E. The City has been authorized by a majority in interest of airline carriers operating at Midway Airport to spend certain capital fund reserves to mitigate off-airport obstructions such as the Airspace Penetration ("MM Approval").

C:\Adam\Risen <file:///C:/Adam/Risen> Agreement.doc

F. The City has advised Risen Savior of the Airspace Penetration. Risen Savior has asserted that, unless adequately compensated, it has no obligation to cooperate in removing such Airspace Penetration.

G. To avoid litigation over the compensation due for such removal and the ancillary work resulting therefrom, the City desires to provide certain funds to Risen Savior to enable Risen Savior to retain a contractor to alter the steeple of the Church Building in order to eliminate the Airspace Penetration and to comply with the FAA Airspace Regulations and to perform certain ancillary roofing work (the "Corrective Work"). Such assistance shall be funded from the City's MM Approval funds and shall be paid to Risen Savior through an escrow agent.

H. In consideration of the Settlement Payment (as referred to in Section 2 below), and in order to remove the Airspace Penetration and to avoid any litigation concerning such removal or the compensation due with respect thereto, Risen Savior has agreed to grant the City the easement right described in Section 3 below, and to perform the Corrective Work.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

AGREEMENTS

SECTION 1. INCORPORATION OF RECITALS AND EXHIBITS.

The recitals set forth above and the exhibits attached hereto constitute an integral part of this Agreement and are incorporated herein by this reference as the agreements of the parties.

SECTION 2. SETTLEMENT PAYMENT.

V

Simultaneously with the execution of this Easement Agreement, the City has deposited into escrow with Attorneys' Title Guaranty Fund, Inc. the sum of not more than \$126,800 (the "Settlement Payment"). The Settlement Payment shall be disbursed from such escrow account pursuant to the escrow instructions executed pursuant to Section 5 below.

SECTION 3. GRANT OF EASEMENT; PERFORMANCE OF CORRECTIVE WORK.

In consideration of the Settlement Payment, Risen Savior hereby grants the City an easement right restricting Risen Savior's ability to hereafter erect or modify any structure on the Property such that it would violate the FAA Airspace Regulations, whether such regulations are currently existing or have been established or modified subsequent to the date of this Easement Agreement. Such restriction is intended to apply to the existing

Church Building and to such other structures as may be built on the Property in the future. Such restriction shall be appurtenant to the Property, and shall run with the land, and be binding upon Risen Savior and its successors and assigns in title to the Property. Risen Savior covenants to complete the Corrective Work within one year of the date of, this Easement Agreement.

SECTION 6. SEVERABILITY.

If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.
