

Dear Alderman: , , , ,

Thank-you for you past support of a waiver for permit fees for the new Museum of Broadcast Communications at 360 North State Street at Kinzie. The MBC as you Know is a 501-C-3 non profit organization.

Your office has been quite helpful since we have been able to put the project back on track thanks to the \$6-million grant following passage of the state Capital Bill, with support from the General Assembly and Governor Quinn.

Construction is now moving along at a fast pace-with an April 30,2011 deadline for completion of the Gold LEED building.. However, we notice the current city permit waiver for non-profit organizations expires on December 31, 2010. We request that the waiver ordinance be extended so we can proceed to finish line without costly delays.

Attached is a copy of our IRS Tax Exemption form.

Also as we discussed at the City Club reception last week, please feel free to call me at 708-250-6844 at any time you wish to tour the site. I am, happy to. report the unsightly corner of State and Kinzie has been transformed-with old broken sidewalks replaced or repaired and now leveled in compliance with federal ADA rules..

The MBC is proud to be the Gateway to River North-and we appreciate your leadership and continued support of this project. .:■
