GRANT OF EASEMENT

FOR AND IN CONSIDERATION of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, the CITY OF CHICAGO, (hereinafter called "Grantor"), does hereby grant, and convey unto THE PEOPLES GAS LIGHT AND COKE COMPANY

(hereinafter called "Grantee"), the easements set forth in Section 1 and Section 2 below, subject to the terms and conditions set forth herein.

1. Grant of Permanent Easement. Grantor grants and conveys unto Grantee a permanent easement to operate and, at the Grantee's cost and expense, lay, install, construct, reconstruct, repair, renew, replace, operate, maintain, inspect, alter, remove (any such work, "Work"), all or any part of \_\_\_\_\_ and other equipment and appurtenances as may be necessary, convenient or desirable (hereinafter called "Facilities") principally to provide service to the improvements located on the properties [to be] known as the Grantor's Department of Fleet and Facility Management North Side Shop (the "Shop") in, upon, through, under, over, along, across, and within the real property legally described on Exhibit A and depicted in the plat of easement attached to Exhibit B to this "Grant of Easement" (the "Easement Property"). The Easement Property has an address of [4241 North Neenah Avenue], Chicago, Illinois and is [a portion of] tax parcel identification number(s) \_\_\_\_\_.

2. Grant of Temporary Access Easement. Grantor also hereby grants and conveys unto Grantee the right to use from time to time, at the Grantee's cost and expense, and with Grantor's prior written permission, any immediately adjoining or immediately adjacent lands of said Grantor when reasonably required in connection with any Work related to the Facilities. Grantee's consent may be conditioned upon Grantor's requirement that Grantee perform such work during regular business hours, that Grantee use designated means of ingress and egress, that Grantee take measures to reduce dust, noise, debris and damage to such adjoining or adjacent lands, and such additional requirements as Grantor may reasonably institute to avoid damage to or interference with the Grantor's use and operation of the Shop.

7

3. Limitations on Permanent Easement. The easement rights granted herein are not exclusive to Grantee. The Grantee may not, without the prior written consent of Grantor, share the easement rights granted herein with any other utility, party or person. Grantee acknowledges that Grantor anticipates granting comparable easement rights in the Easement Property to \_\_\_\_\_, \_\_\_\_\_, and any other entity(s) the City may determine in its sole discretion. If (a) the Grantee shall ever voluntarily discontinue service to the Shop, or (b) the Grantor shall notify the Grantee that it has elected to discontinue service to the Shop, the Grantee shall, at the Grantee's cost and expense, remove the Facilities from the Easement Property. All Facilities shall be constructed below ground, except as otherwise permitted in writing by the Grantor.

Grantor retains all of its rights to the use and occupation of Easement Property not inconsistent with the use by Grantee herein granted. Grantor agrees that the building of any permanent building directly over said Facilities or within five (5) feet of the centerline of the Easement Property or any part thereof shall be conclusively deemed to be a use of the Easement Property inconsistent with the easement granted in Section 1 above.

No work performed by Grantee in connection with the exercise of said easement rights may unreasonably restrict access to the Grantor's property. Grantor reserves the right to require Grantee to relocate its Facilities to mutually agreed upon alternate locations, provided however, that Grantor shall first pay to Grantee the cost and expenses to be incurred by it in connection with such relocation.

[Grantee certifies that it is self-insured in accordance with applicable laws.]

Grantee, at Grantee's cost and expense, agrees to restore any part of the Easement Property or the adjoining or adjacent lands damaged by any Work to approximately the condition of such property immediately before such damage occurred, including, without limitation repairing and, if necessary, replacing any streets, sidewalks, curbs, pavement, grass and landscaping damaged. If such repair and replacement work are not made

within thirty (30) days after the Grantee's completion of any Work, the Grantor may make such necessary repairs or replacements and recover the reasonable cost thereof from Grantee; provided, however, that as to any grass or landscaping replacement work, such work may be deferred until the following spring season so long as such work is completed by June 1st of such spring season.

4. Indemnification for Work. Grantee shall indemnify, defend, protect, defend and hold Grantor and Grantor's elected officials, employees and agents harmless from and against any and all actual or potential claims, proceedings, lawsuits, liabilities, damages, losses, fines, penalties, judgments, awards, costs and expenses, including, without limitation, reasonable attorneys' fees and costs, that arise out of Grantee's performance of (or failure to perform) any Work.

5. Permitted Successors and Permitted Assigns. This Grant of Easement shall run with the land and be binding upon and for the benefit of (a) Grantor and its successors and assigns, and (b) [Grantee] and any entity that succeeds to the delivery operations of [Grantee], whether by purchase, merger, operation of law or otherwise, provided, however, that no other person or party shall be deemed to be a permitted successor or assign to [Grantee].
