10. No Implied Waiver. The failure or delay on the part of either party to enforce or exercise any of the rights set forth in this Agreement shall not constitute a waiver of such party's right to demand strict compliance with the terms of this Agreement, and the waiver by either party of any default or breach by the other party of any provision of this Agreement shall not operate as, or be deemed to operate as, a waiver of any subsequent or other default or breach.

11. No Third Party Beneficiaries. Nothing in this Agreement is intended to confer any rights to, or impose any obligations on, any person not a party hereto or the parties' respective duly authorized successors and assigns. Nothing in this Agreement is intended to relieve, discharge or limit the obligation or liability of any person to the parties or either one of them.

12. Governing Law. This Agreement and any action in tort arising in connection with this Agreement shall be governed, construed, interpreted and enforced in accordance with the laws of the State of Illinois, without regard to any choice of law principles.
