Next steps: Department of Buildings - Permit process for signs

Your Public Way Use permit number is shown above. This number is to be used for each item on your DOB application and is needed for the Buildings (DOB) online sign application located @ www.cityofchicago.org/buildings

<<http://www.cityofchicago.org/buildings>>. All signs, canopies, banners, marquees and awnings require a buildings permit

Only a licensed sign erector may apply for the Buildings permit online. The Buildings permit application will ask for the Public Way Use permit number supplied above. For additional information please contact the Buildings Department at (312) 744-3400.

Please return the completed Public Way Use application to City Hall - 121 N. LaSalle Street, Chicago, LL 60602 Room 800.

The completed application package must include a copy of the completed DOB application and the Public Way Use application. The Public Way Use application must contain the Alderman's signature, site plans on 8 1/2 X 11 paper, photos of the item(s), the signed Acceptance letter and a copy of the insurance certificate. For additional information please contact BACP at (312)-74-GOBIZ (312-744-6249).

USE OF THE PUBLIC WAY APPLICATION

VERSION 09.20.09

Sign Permit Application

1. Please find attached an application for the use of the public right-of-way. The LEGAL NAME of the applicant will be the entity that the permit will be issued to, as well as the entity that will be responsible for paying annual usage fees and listing the city as co-insured on liability insurance coverage relating to the public way encroachment.
 2. This application is to be completed for any qualified permanent occupation of public way space, including encroachments on, over or under the street, sidewalk, parkway or alley.
 3. You must include plans printed on 8-1/2 inch by 11 inch paper which display the items to be located on, over or under the public way. The exact dimensions must be clearly marked on the plans depicting the actual area of public-way affected by the encroachment.
 4. Include photos of the existing public way encroachment, or the location of the proposed public way encroachment as well as the actual area of public-way affected by the encroachment.
 5. If the applicant does not have a current account number with the Department of Revenue - IRIS, a Business Information Sheet (BIS) must be completed to create an account. Any questions that do not apply to your situation should be marked N/A (not applicable).
 6. When you have completed the application together with plans and photos, you can send by mail to the location listed below.
NOTE: It is the responsibility of the applicant to obtain the signature of the alderman of the ward on the application where the public way use is located prior to submitting.
- In addition, the applicant shall also obtain the appropriate construction permit(s). Please contact the Department of Buildings and/or the Department of Transportation for details.
7. All public way encroachments require review and approval by various City Inspecting Departments. The Public Way Unit will be responsible for obtaining such approvals.
 8. Once approved, the Public Way Unit will prepare the necessary documents for introduction to the City Council by the alderman of the ward where the use of the public way is to exist.
 9. After introduction to the City Council, the matter is referred to the Committee on Transportation. If passed, the matter is then sent back to the Council for full passage, at which time the Public Way Unit will notify the applicant by mail.
 10. The notification will request the first year's annual fee, Certificate of Insurance and acceptance letter signed by applicant.
 11. Once received, the Public Way Unit will issue and mail your permit for Public Way Use.
 12. Permits for all privilege types are issued for (5) years and are renewable.

Please submit all of your application materials via mail to our address listed below. No faxes will be accepted.
