Re: Loading Zone Application

Dear Alderman Mell,

Honey Butter Fried Chicken, a fast-casual restaurant, will be opening in the summer of 2013 at 3361 N. Elston Avenue. We are requesting a loading zone on Baton Ave. from the southernmost point of our property line on Elston stretching north to the currently posted "No Parking" sign, located 28'-9" south of the northernmost point of our property line (see attached site plan). We will be utilizing this loading zone primarily for deliveries and waste removal. The loading zone on Elston will provide delivery driver* with a place to easily park while they deliver food and supplies to our restaurant. It will also serve as a designated area for parking for waste removal from our back entrance. The loading zone on Elston will keep larger vehicles off the residential street (Roscoe) bordering our building.

Description of delivery schedule (Including frequency and volume of deliveries):

Most deliveries and loading/unloading will occur in the mornings between 8 am to 11 am, with a couple of scattered deliveries in the early afternoon. Some of our farmers deliver late night (10 pm to 11 pm) as well. Volume of deliveries vary, but we expect heavier deliveries on Fridays (before a weekend service) and Wednesdays (to restock after the weekend and our closed day Tuesday.) We expect smaller deliveries more often as opposed to larger deliveries less frequently due to our storage limitations and desire to have the fresher food products as possible.

Sincerely,

Jennifer Mayer Partner, Honey Butter
Fried Chicken LLC
