TYPE I Rezoning Attachment 1320 North Wicker Park Avenue

#### The Project

925 N ASHLAND LLC (the "Applicant") proposes to rezone the subject property, which is improved with a three story residential building with six dwelling units, one illegal basement unit, and no parking to allow the legalization of the basement unit to convert the building from six to seven dwelling units. No additional parking is proposed. The existing height of the building, 44'-5" to the top of the parapet, will remain.

To allow the proposed project, the Applicant seeks a change in zoning classification for the subject property from an CI-2 Neighborhood Commercial District to a B2-3 Neighborhood Mixed-Use District. The Applicant is electing to file this rezoning as a Type 1 rezoning amendment application.
