Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith an ordinance authorizing an amendment to the Canal/Congress Tax Increment Financing Redevelopment Plan and Project.

Your favorable consideration of this ordinance will be appreciated.

ORDINANCE

WHEREAS, pursuant to ordinances adopted on November 12, 1998, and published in the Journal of the Proceedings of the City Council of the City of Chicago (the "Journal") for such date at pages 81881 to 81991, and under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4.1 et seq., as amended (the "Act"), the City Council (the "Corporate Authorities") of the City of Chicago (the "City"): (i) approved a redevelopment plan and project (the "Original Plan") for a portion of the City known as the "Canal/Congress Redevelopment Project Area" (the "Area") (the "Plan Ordinance"); (ii) designated the Area as a "redevelopment project area" within the requirements of the Act (the "Designation Ordinance"); and (iii) adopted tax increment financing for the Area (the "TIF Adoption Ordinance," and, together with the Plan Ordinance, the Designation Ordinance, all as amended, shall be referred to collectively herein as the "TIF Ordinances"); and

WHEREAS, pursuant to an ordinance adopted on June 19, 2002 and published in the Journal for such date at pages 88204 to 88215 (the "Amendment Ordinance"), the Corporate Authorities approved Amendment Number 1 to the Original Plan (the Original Plan, as amended, shall be referred to herein as the "Plan"); and

WHEREAS, the Plan established the estimated dates of completion of the redevelopment project described in the Plan and of the retirement of obligations issued to finance redevelopment project costs to be not more than twenty-three (23) years from the date of the adoption of the Designation Ordinance, and the Corporate Authorities made findings in the Plan Ordinance and the Amendment Ordinance that such date was not more than twenty-three (23) years from the date of the adoption of the Designation Ordinance, in accordance with the provisions of Section 11-74.4-3(n)(3) of the Act in effect on the date of adoption of the TIF Ordinances; and

WHEREAS, the City anticipates that the Illinois General Assembly may adopt a bill (the "Bill") which would amend the Act to, among other things, change the dates set forth in Section 11-74.4-3(n)(3) of the Act by which redevelopment projects in the Area must be completed and obligations issued to finance redevelopment project costs must be retired to be no later than December 31 of the year in which the payment to a municipal treasurer as provided in Section 11-74.4-8(b) of the Act is to be made with respect to ad valorem taxes levied in the thirty-fifth calendar year after the year in which the ordinance approving a redevelopment project area was adopted; and

WHEREAS, the Corporate Authorities desire to amend and supplement the Plan to conform to Section 11-74.4-3.5(c) of the Act, as amended by the Bill, in accordance with the procedures set forth in amended Section 11-74.4-3(n)(3); now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

As amended hereby, the Plan shall remain in full force and effect.

1

SECTION 3. Finding. The Corporate Authorities hereby find that the estimated dates of completion of the redevelopment project described in the Plan, as amended by Amendment Number 2, and of the retirement of obligations issued to finance redevelopment project costs set forth in the Plan, as amended by Amendment Number 2, conform to the provisions of Section 11-74.4-3(n)(3) of the Act, as amended by the Bill.

SECTION 4. Invalidity of Any Section. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this ordinance.

SECTION 5. Superseder. All ordinances (including, without limitation, the TIF Ordinances, as amended by the Amendment Ordinance), resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflicts.

■ This category may also include paying for or reimbursing (i) an elementary, secondary or unit school district's increased costs attributed to assisted housing units, and (ii) capital costs of taxing districts impacted by the redevelopment of the Project Area. As permitted by the Act, to the extent the City by written agreement accepts and approves the same, the City may pay, or reimburse all, or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the Plan.

²Total Redevelopment Project Costs represent an upper limit on expenditures that are to be funded using tax increment revenues and exclude any additional financing costs, including any interest expense, capitalized interest and costs associated with optional redemptions. These costs are subject to prevailing market conditions and are in addition to Total Redevelopment Project Costs. Within this limit, adjustments may be made in line items without amendment to this Plan, to the extent permitted by the Act.

³The amount of the Total Redevelopment Project Costs that can be incurred in the Project Area will be reduced by the amount of redevelopment project costs incurred in contiguous redevelopment project areas, or those separated from the Project Area only by a public right-of-way, that are permitted under the Act to be paid, and are paid, from incremental property taxes generated in the Project Area, but will not be reduced by the amount of redevelopment project costs incurred in the Project Area which are paid from incremental property taxes generated in contiguous redevelopment project areas or those separated from the Project Area only by a public right-of-way.

⁴All costs are in 2022 dollars and may be increased by five percent (5%) after adjusting for inflation reflected in the Consumer Price Index (CPI) for All Urban Consumers for All Items for the Chicago-Gary-Kenosha, IL-IN-WI CMSA,

published by the U.S. Department of Labor.

Additional funding from other sources such as federal, state, county, or local grant funds may be utilized to supplement the City's ability to finance Redevelopment Project Costs identified above.
