OFFICE OF THE MAYOR

CITY OF CHICAGO

LORI E. LIGHTFOOT

MAYOR

April 27, 2022

TO THE HONORABLE, THE CITY COUNCIL OF THE
CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Aviation, I transmit herewith an ordinance authorizing the execution of concession agreements for services at O'Hare International Airport.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government as defined in Article VII, §6(a) of the Illinois Constitution, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City owns and operates Chicago O'Hare International Airport ("Airport") and possesses the power and authority to lease its premises and facilities and to grant other rights and privileges with respect thereto; and

WHEREAS, the Airport provides its employees, airport-tenants' employees, air carrier passengers, and members of the public with many amenities, such as shopping, dining, and other service needs; and

WHEREAS, to provide first-class service and a broad variety of quality concessions to passengers and employees and business opportunities for airport concessions disadvantaged business enterprises, the City issued a request for proposals that included five (5) packages totaling eight (8) locations to provide additional food, beverage, and retail offerings in Terminal 3 and Terminal 5 of the Airport; and

WHEREAS, the City desires to enter into lease and license agreements (each an "Agreement") with each of Host International, Inc.; MRG Chicago, LLC; and Chicago Hospitality Partners, LLC (each a "Concessionaire"), for the respective Concessionaire to operate one or more food and beverage or specialty retail and travel essential concessions at the Airport substantially in the form of agreements attached hereto as Exhibits A-1 through A-3, respectively; and

WHEREAS, to enhance customer service by providing passengers and employees the ability to order food, beverages, and retail items directly for pickup or delivery through the use of an electronic platform, (the City issued a request for proposals for electronic self-ordering and delivery services for concessions at the Airport; and

WHEREAS, the City desires to enter into a license agreement with Grab Chicago JV LLC, to provide a mobile, remote self-ordering, and on-demand delivery service for concessions through its web ordering platform at the Airport substantially in the form of the agreement attached hereto as Exhibit A-4; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION I. The above recitals are incorporated by reference as if fully set forth herein.

SECTION 2. The Mayor or the Mayor's proxy is hereby authorized to execute, upon the recommendation of the Commissioner of the Chicago Department of Aviation ("Commissioner"), an agreement with each Concessionaire in substantially the form attached hereto as Exhibit A-1 through 3, respectively.

SECTION 3. The Mayor or the Mayor's proxy is hereby authorized to execute, upon the recommendation of the Commissioner, an agreement with Grab Chicago JV LLC, in substantially the form attached hereto as Exhibit A-4.

SECTION 4. The Commissioner and such other City officials and employees as may be required are authorized to take such actions and execute such other documents as may be necessary or desirable to implement the objectives of this ordinance.

SECTION 5. This ordinance shall take effect immediately upon its passage and approval.

EXHIBIT A-1

CONCESSION LEASE AND LICENSE AGREEMENT

BETWEEN

THE CITY OF CHICAGO (CHICAGO DEPARTMENT OF AVIATION)

AND

CONCESSION LEASE AND LICENSE AGREEMENT

This Concession Lease and License Agreement ("Agreement") is entered into as of _____, 20____ ("Effective Date"). The Agreement is by and between Host International, Inc. a Delaware corporation ("Tenant"), and the City of Chicago, a municipal corporation and home rule unit of local government under the Constitution of the State of Illinois ("City"), acting through its Chicago Department of Aviation ("CDA" or "Department").

BACKGROUND

The City owns and, through CDA, operates Chicago O'Hare International Airport ("O'Hare" or the "Airport"). O'Hare includes terminals 1, 2, 3, 5, a multimodal facility and a transportation center (collectively, the "Terminals"). The City has determined that certain portions of the Terminals will be used for food, beverage and retail concessions designed to serve the needs of Airport patrons and employees and desires to operate its concession program at the Terminals to strive to meet the needs and desires of Airport users by providing first-class food, beverage, retail and service facilities.

The City issued a Request for Proposals ("RFP") on April 23, 2021 for food and beverage, specialty retail, and travel essentials concession to be located at the Airport in Terminal 3 and 5, and Tenant responded with a proposal to operate a concession featuring Bistro Burger, Bar and Coffee in Terminal 5. The City desires to grant Tenant, and Tenant desires to accept, a license to operate such a concession and a lease to operate the concession at the Terminal location(s) identified in this Agreement, all under the terms and conditions of this Agreement.

The City and Tenant acknowledge that the continued operation of the Airport as a safe, convenient and attractive facility is vital to the economic health and welfare of the City of Chicago, and that the City's right to supervise performance under this Agreement by Tenant is a valuable right incapable of quantification.

NOW, THEREFORE, the City and Tenant agree as follows:

1

ARTICLE 1 CITY APPROVAL

This Agreement is subject to approval by the City Council of the City of Chicago. The City is not bound by the terms of this Agreement until such time as it has been approved by the City Council and has been duly executed by the Mayor of Chicago or the Mayor's proxy. As provided in Section 11.13, where the approval or consent of the City is required under this Agreement, unless expressly provided otherwise in this Agreement, it means approval or consent of the Commissioner, the Commissioner's authorized representative or such other person as may be duly authorized by the City Council. As provided in Section 11.3, unless expressly provided otherwise in this Agreement, any amendment of this Agreement will require execution by the Mayor or the Mayors proxy. As further provided in Section 11.3, any substantial amendment of the terms of this Agreement will require approval by the City Council.

ARTICLE 2 INCORPORATION OF BACKGROUND AND EXHIBITS

Exhibit 1 Exhibit 2 Exhibit 3 Exhibit 4 Exhibit 5 Exhibit 6 Exhibit 7 Exhibit 8 Exhibit 9 Exhibit 10 Exhibit 11 Exhibit 12 Exhibit 13

1 Incorporation of Background. The background set forth above is incorporated by reference as if fully set forth here.

2 Incorporation of Exhibits. The following exhibits are incorporated into and made a part of this Agreement:

Leased Space(s) and Confirmation(s) of DBO Rent
Development Plan
City's Shell and Core Obligations, if any Products and Price List Form of Letter of Credit Insurance Requirements
ACDBE Special Conditions and Related Forms MBE\WBE Special Conditions and Related Forms Design and
Construction Standard Operating Procedures-Concessions Economic Disclosure Statements and Affidavits Airport
Concessions Program Handbook Liquidated Damages

ARTICLE 3 DEFINITIONS 3.1 Interpretation and

Conventions.

A. The term "include" in all of its forms, means "include, without limitation," unless the context clearly states otherwise.

- B. The term "person" includes firms, associations, partnerships, trusts, corporations and other legal entities, including public bodies, as well as natural persons.
- C. Any headings preceding the text of the articles and sections of this Agreement, and any table of contents or marginal notes appended to copies of this Agreement are solely for convenience of reference and do not constitute a part of this Agreement, nor do they affect its meaning, construction or effect.
- D. Words in the singular include the plural and vice versa. Words of the masculine, feminine or neuter gender include correlative words of the other genders. Wherever an article, section, subsection, paragraph, sentence, exhibit, appendix, or attachment is referred to, the reference is to this Agreement, unless the context clearly indicates otherwise.
- E. Where the approval or consent of Tenant is required under this Agreement, it means the approval or consent of the Tenant's authorized representative. To be binding on the City, all approvals or consents must be in writing and signed by the appropriate City representative.
- F. Whenever time for completion or performance is listed as "days", if the number of days is 30 or more, it means calendar days, and if the number of days is less than 30, it means business days per the City of Chicago calendar.

3.2 Definitions

In addition to terms defined elsewhere in this Agreement, the following words and phrases, when capitalized, have the following meanings:

"Additional Rent" has the meaning set forth in Section 7.1.

"Additional Space" means Retail Space or Storage Space that is added to Leased Space after the Effective Date pursuant to Section 5.1 but does not include Relocation Space. Additional Space, if any that is offered to Tenant is solely at the discretion of the Commissioner. Tenant has absolutely no right or entitlement to be offered any Additional Space, and the concept of Additional Space is solely for the benefit of the Airport's concession program.

"Affiliate", except where otherwise defined, means any individual, corporation, partnership, trustee, administrator, executor or other legal entity that directly or indirectly owns or controls, or is directly or indirectly owned or controlled by, or is under common ownership or control with Tenant.

"Airport Concession Disadvantaged Business Enterprise" or "ACDBE" means an entity meeting the definition of airport concession disadvantaged business enterprise, as

defined in U.S. Department of Transportation Regulations Title 49, Code of Federal Regulations, Part 23, as amended from time to time, and certified as such in the State of Illinois in accordance with those regulations.

"Airport Concession Program Handbook" means the handbook developed by the CDA to govern the uniform operation of the concessions' programs at the Airports. The Airport Concession Program Handbook is available on the CDA website and may be amended from time to time by the Department. Any amendment of the Airport Concession Program Handbook by the Department during the Term of this Agreement will be binding on Tenant without need for amendment of this Agreement- provided that the amendment of Airport Concession Program Handbook does not conflict with the other terms and conditions of this Agreement.

"Airport Transit System" means the automated transit rail system that serves terminals and parking structures.

"Base Rent" means the fee payable by Tenant for the Lease, equal to the amount as set forth on Exhibit 2.

"Chief Procurement Officer" means the head of the Department of Procurement Services of the City and any City officer or employee authorized to act on the Chief Procurement Officer's behalf.

"Commissioner" means the head of the Department and any City officer or employee authorized to act on the Commissioner's behalf. City contractors and consultants, including the Concession Management Representative, have no authority to grant approvals or consents required to be granted by the Commissioner under this Agreement, except where the Concession Management Representative is expressly authorized to do so.

"Common Areas" means those areas of the Terminals that are not leased, licensed, or otherwise designated or made available by the Department for exclusive or preferential use by specific party or parties.

"Comptroller" means the head of the Department of Finance of the City and any City officer or employee authorized to act on the Comptroller's behalf.

"Concession" means Tenant's business of offering the Products identified in Exhibit 5 for sale at retail to the public at the Airport pursuant to this Agreement.

"Concession Management Representative" or "CMR" means the entity retained by the City to assist in overseeing Concessions, including the construction of Improvements, at the Airport.

"Construction Documents" means the drawings and specifications for the construction of Improvements, approved by the Commissioner pursuant to Section 5.5.

4

"Date of Beneficial Occupancy" or "DBO" means, as to each Retail Space, the latest to occur of (A), (B) or (C) as follows:

- A. the date that is 180 days after the Delivery Date of the Retail Space in question;
- B. the date that is 180 days after the building permit for the Improvements for the Retail Space in question is issued; provided that the Tenant has demonstrated to the satisfaction of the Commissioner that Tenant

timely submitted design drawings in accordance with Section 5.5 hereof and promptly applied for, and diligently pursued the issuance of, such building permit; or

- C. the date set forth in the Development Plan for the commencement of retail sales in the Retail Space in question; provided, however, that the date set forth in the Development Plan for commencement of retail sales shall be extended one day for each day Tenant has demonstrated to the satisfaction of the Commissioner that Tenant was delayed due to force majeure pursuant to Section I 1.20 or delays otherwise beyond Tenant's control. Under no circumstance can this date exceed 60 days beyond the date established in A. above.

Notwithstanding the foregoing, if Tenant completes the Improvements in any Retail Space and commences retail sales in such Retail Space before the DBO determined in accordance with the foregoing, the DBO for that Retail Space is the date that retail sales commence.

The DBO for each Retail Space shall be confirmed in writing by the parties, and such written "Confirmation(s) of DBO" shall thereafter be attached to Exhibit 1 of this Agreement without need for a formal amendment of this Agreement.

The Date of Beneficial Occupancy for any Storage Space is the Delivery Date for that Storage Space.

"Default Rate" means 12% per annum.

"Delivery Date" means the date upon which the City gives Tenant possession of the Retail Space or Storage Space in question, which such date the City shall set forth in writing.

"Department" means the Chicago Department of Aviation, also known as CDA.

"Design and Construction Standard Operating Procedures- Concessions Projects" or "C-SOP" means those certain design standards and policies prepared by the Department for the Concession areas at the Airport, as amended by the Department from time to time.

"Development Plan" means, as further described in Section 5.5, the Tenant's conceptual plans, budget and other design specifications for construction of its Improvements and its schedule for commencement of retail sales in each Retail Space. The Development Plan is attached hereto as Exhibit 3. The Development Plan may be updated from time to time

5

without the need to amend the Agreement.

"Distribution Fee" means the amount, if any, payable pursuant to Section 4.11 for the Tenant's use of a centralized distribution and storage facility.

"Environmental Laws" means collectively, all applicable federal, state and local environmental, safety or health laws and ordinances and rules or applicable common law, including the Occupational Safety and Health Act of 1970, as amended (29 U.S.C. §651 et seq.), the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. §9601 et seq.), the Hazardous Materials Transportation Authorization Act of 1994 (49 U.S.C. §5101 et seq.), the Resource Conservation and Recovery Act (42 U.S.C.

§6901 et seq.). the Toxic Substances Control Act of 1976, as amended (15 U.S.C. §2601 et seq.). the Clean Air Act (42

U.S.C. §7401 et seq.), the Clean Water Act (33 U.S.C. §1251 et seq.), the Safe Drinking Water Act (42 U.S.C. §300(f) et seq.) as any of the foregoing may later be amended from time to time; any rule or regulation pursuant to them, and any other present or future law, ordinance, rule, regulation, permit or permit condition, order or directive addressing environmental, health or safety issues of or by the federal government, or any state or other political subdivision of it, or any agency, court or body of the federal government, or any state or other political subdivision of it, exercising executive, legislative, judicial, regulatory or administrative functions.

"Event of Default" has the meaning set forth in Article 9.

"Food Court Common Area" means the space immediately adjacent to specific Retail Spaces where shared seating is provided to the public.

"Gross Revenues" or "gross receipts" means the total amount in dollars at the actual sales price of all receipts, whether for cash or on credit, that are derived from business conducted in, on or from the Leased Space, all mail or telephone orders received or filled at or from the Leased Space, all deposits not refunded to purchasers, all orders taken in and from the Leased Space, including catalog and on-line sales whether or not the orders are filled elsewhere, and receipts or sales by Tenant and any other person or persons doing business in or from the Leased Space, including receipts from promotions, advertising, and income derived from retail display advertising or any other use of the Leased Space by Tenant. Gross Revenues do not, however, include the following:

- A. any sums collected and paid out by Tenant for any sales, retail excise, use, privilege, or retailers occupation taxes now or later imposed by any duly constituted governmental authority;
- B. the amount of any cash or credit refund made upon any sale, but only if the original sale was made in or from the Leased Space and included in Gross Revenue;

6

- C. bona fide transfers of Products to or from the Leased Space to any other stores or warehouses of Tenant;
- D. sales of Tenant's fixtures and store equipment not in the ordinary course of Tenant's business;
- E. returns to shippers, suppliers or manufacturers;
- F. bulk sales of Products inventory not sold to the public and not in the ordinary course of business;
- G. receipts from the sale of grease or other scrap material resulting from Tenant's operations at the Leased Space;
- H. payments made to Tenant by subtenants for services provided by Tenant for the operation of the Leased Space; for the avoidance of doubt, this provision shall not relieve Tenant from its full obligation to pay to City the agreed Percentage Fee on all Gross Revenues of subtenants or rents paid by subtenants to Tenant;
- I. the amount of any tips paid or given by customers to employees of Tenant; and
- J. insurance proceeds received from the settlement of claims for loss of or damages to Improvements, Products, fixtures, trade fixtures and other Tenant personal property other than the proceeds of business interruption insurance.

A "sale" is deemed to have been consummated for purposes of this Agreement, and the entire amount of the sales price must be included in Gross Revenues, at the time that: (i) the transaction is initially reflected in the books or records of Tenant; or (ii) Tenant receives all or any portion of the sales price; or (iii) the applicable goods or services are delivered to the customer, whichever occurs first.

"Imposition" means real estate taxes, permit fees, license fees, and any other fee or charge not specified in this Agreement but otherwise payable by Tenant pursuant to a statute, ordinance, or regulation in order for Tenant to operate the Concession at the Airport.

"Improvements" means the improvements to be made to the Leased Space by Tenant that add or maintain value to the Leased Space, including fixtures and trade fixtures (but excluding trademarked or proprietary trade fixtures) and any other enhancements of a permanent or temporary nature made to the Leased Space, other than the Shell and Core, so that the Leased Space can be used for Concession operations. The Improvements must be described, along with a budget of Improvement Costs and depicted conceptually in the Development Plan and must conform to Tenant's response to the RFP.

"Improvement Costs" means the total amount paid by Tenant for categories of labor, services, materials and supplies used in the design, development, installation and construction

7

of the Improvements. The minimum Improvement Costs must not be less than 95% of the budgeted Improvement Costs included in the approved Development Plan. Tenant's actual, reasonable Improvement Costs will be memorialized in the written Confirmation of DBO that will be attached to Exhibit 1 upon approval by the Commissioner. Whenever this Agreement refers to amortization of Improvement Costs for a Leased Space, such amortization will be calculated on a monthly straight-line basis over the term of the Agreement from the DBO of the Leased Space in question, and the amount being amortized will be the actual Improvement Costs for that Leased Space as memorialized in the Confirmation of DBO for that Leased Space.

"In-Line Site" means a Retail Space, other than a Kiosk, that may be permanent or temporary, typically operated as a walk-up, quick serve facility often with other Retail Spaces directly adjacent or in-line to the left or right or both.

"Kiosk" means a Retail Space that is a non-mobile, free-standing, permanent or temporary facility that is not affixed to the Terminals, whether completely free-standing or located against a wall.

"Lease" means the lease granted by the City to the Tenant in Section 4.1 to use and occupy the Leased Space in order to conduct and operate the Concession pursuant to the License.

"Leased Space" means the total Retail Space and Storage Space leased to Tenant under this Agreement, identified in Exhibit 1, which may be amended from time to time as space may be added to, deleted from, or relocated during the Term in accordance with the provisions of this Agreement. Leased Space shall be used for operation of the Concession and for no other purpose unless otherwise approved in writing by the Commissioner.

"Lease Year" means

- A. for the initial Lease Year of this Agreement, a period beginning on the first Date of Beneficial Occupancy of any Retail Space and ending on December 31 of that calendar year, and

- B. for the balance of the Term, each successive calendar year, but including only that portion of the calendar year prior to the date on which the Term expires, or . the Agreement is otherwise terminated.

"License" means the privilege granted to Tenant under this Agreement to operate the Concession at the Airport.

"License Fee" means the fee payable by Tenant for the License, equal to the greater of the "Percentage Fee" or "Minimum Annual Guarantee" as set forth in Section 7.1 and Exhibit 2.

8

"Marketing Fee" means the Tenant's contribution for promotions at the Airport, as set forth in Section 4.10.B.

"Minimum Annual Guarantee" or "MAG" means the minimum amount payable each Lease Year for the License Fee. If this Agreement covers more than one Retail Space, Exhibit 2 must prorate the MAG for the Agreement among the various Retail Spaces in proportion to their anticipated Gross Revenue volumes. The MAG for each Retail Space will commence upon the DBO for that Retail Space.

"Percentage Fee" means the product of the Percentage Fee Rate and Gross Revenues.

"Percentage Fee Rate(s)" has the meaning set forth in Exhibit 2.

"Products" means the convenience merchandise, food and beverage menu items, Chicago oriented gift items, vending items and related merchandise that Tenant is permitted to sell in its Retail Space and maintain in inventory in its Storage Space under the terms of this Agreement, as set forth by category or item in Exhibit 5. As set forth in Article 4, Tenant was selected by the City specifically to sell the Products identified in Exhibit 5 and is not permitted to sell any items or types of items not identified in Exhibit 5 or conduct any other business from the Leased Space unless otherwise agreed in writing by the Commissioner.

"Relocation Space" means space to which Tenant must relocate a Retail Space or Storage Space at the request of the Commissioner pursuant to Section 5.1.

"Rent" means all amounts payable by Tenant in connection with this Agreement, including but not limited to Base Rent, License Fees, Additional Rent and any liquidated damages specified in the Agreement for non-compliance with the City's requirements for Concession operations.

"Retail Space" means a Leased Space used by Tenant for the sale at retail of Products, including any Additional Space or Relocation Space used for that purpose.

"Shell and Core" means those improvements to the Leased Space to be completed by the City as specified in Exhibit 4 and, with respect to Additional Space or Relocation Space, as may be agreed in writing by the Commissioner.

"Storage Space" means a Leased Space used by Tenant for storage of Products inventory to support a Retail Space. No Products may be sold to the public from Storage Space.

"Subcontractor" means all entities providing services and materials to Tenant necessary for its Concession operations or for the construction, repair, and maintenance of the Leased Space and Improvements. The term "Subcontractor" also includes subconsultants of any tier, subcontractors of any tier, suppliers and materialmen, whether or

not in privity with Tenant.

9

"Subcontracts" means all oral or written agreements with Subcontractors.

"Sustainable Airport Manual" or "SAM" means the manual developed by the CDA regarding environmentally sustainable practices in the construction and operation of the Airports. The manual is available on the CDA website and may be updated from time to time by the CDA. Any amendment of the SAM by the Department during the Term of this Agreement will be binding on Tenant without need for amendment of this Agreement, provided that the amendment of SAM does not conflict with the other terms and conditions of this Agreement.

"Term" means the period of time beginning on the Effective Date and ending at 11:59 p.m. on the tenth anniversary of the DBO of the Retail Space to open for business, excluding any Retail Space that is Additional Space or Relocation Space.

"Third Party Use Agreement" has the meaning set forth in Section 4.4(1).

"Use Agreements" means those certain airport use and facility lease agreements between the City and the airlines operating out of the Airport regarding the use and operation of the Airport, as amended or executed from time to time.

"Value Pricing" has the meaning set forth in Section 4.3.

"Work" means everything necessary for the design, engineering, construction and installation of the Improvements; when referring to restoration of Improvements after Major Damage, it means everything necessary for the replacement, repair, rebuilding, or restoration of the Improvements.

ARTICLE 4 LICENSE, LEASE AND TENANT'S OPERATIONS

4.1 Concession License and Lease. As of the Effective Date, the City grants Tenant a License to operate a Concession at the Airport and, upon delivery of the Leased Space or portion thereof, a Lease to operate the Concession from the Leased Space so delivered. Tenant accepts the License and Lease from the City and assumes the duties of Tenant provided in this Agreement and in the Airport Concession Program Handbook. TENANT ACKNOWLEDGES AND AGREES THAT ALL AMOUNTS PAYABLE TO THE CITY UNDER THIS AGREEMENT CONSTITUTE RENT AND THAT THIS AGREEMENT CREATES A TAXABLE LEASEHOLD UNDER THE ILLINOIS PROPERTY TAX CODE, 35 ILCS 200/1 et seq. Tenant understands and agrees that both its License to operate a Concession and its right to occupy the Leased Space will terminate upon the expiration or earlier termination of this Agreement. If Tenant complies with the terms of this Agreement, Tenant will have the right of ingress to and egress from the Leased Space, for Tenant, its officers, employees, agents, Subcontractors, vendors, suppliers, and invitees, subject, however, to all statutes, ordinances, rules and regulations from time to time enacted or established by the City, the FAA, the TSA or any other governmental agency or authority having jurisdiction. Tenant must not conduct its Concession operations in a manner that, in the judgment of the

Commissioner:

- A. interferes or might interfere with the reasonable use by others of Common Areas or the leased or licensed space of other tenants or licensees at the Airport;
- B. hinders or might hinder TSA, Airport security, police, fire-fighting or other emergency personnel in the discharge of their duties;
- C. would, or would be likely to, constitute a hazardous condition at the Airport;
- D. would, or would be likely to, increase the premiums for insurance policies maintained by the City, unless the operations are not otherwise prohibited under this Agreement and Tenant pays the increase in insurance premiums occasioned by the operations; or
- E. would involve any illegal purposes.

2 No Subleases, Assignments or Other Uses. Tenant understands and agrees that the Lease and the License granted under this Agreement are interdependent and that the locations of the Retail Spaces were determined by the City so that the Concession operated by Tenant is an element of an overall concession program and, as such, complements and does not conflict with other concessions in the vicinity of the Retail Space(s). Accordingly, Tenant acknowledges that the principal purpose of this Agreement is to provide Tenant a License to operate its Concession, without right of sublease or assignment, from the Leased Space and that any attempted sublease, assignment or other use of the Leased Space without the written consent of the City in accordance with the terms of this Agreement is absolutely prohibited and is an Event of Default.

3 Products and Value Pricing.

A. Exhibit 5 to this Agreement constitutes the listing, by general category or specific item, of all Products that Tenant is allowed to sell from each Retail Space and the prices to be charged to the public. Those items of Products that Exhibit 5 indicates are mandatory, if any, must be offered for sale to the public by the Tenant as a part of the Airport's overall concession program. If Exhibit 5 is stated in general terms, upon request, Tenant must within 5 days provide the Commissioner with a complete list of all Products and prices. The City's execution of this Agreement constitutes its approval of the sale of the products, services, and pricing as reflected on Exhibit 5 on the Effective Date. Any changes to Exhibit 5 are subject to the Commissioner's prior written approval. Upon such approval, Exhibit 5 may be amended without need for formal amendment of this Agreement pursuant to Section 11.3.

B. Tenant must stock a sufficient amount of each item comprising its Products within the Retail Space so as to maximize Gross Revenues, subject to and consistent with Tenant's and the City's desire to accommodate the convenience and needs of the Airport's

patrons. The Products must be new, fresh and of top quality. Tenant must store Products inventory in excess of the amount needed to stock displays out of sight of customers before restocking a display.

C. Value Pricing. The City has established a Value Pricing policy for all Tenants at the Airport. The policy generally requires Tenants to charge a price for a product or service at the Airport as the same price charged for the same

product or service at similar stores in the City (each hereinafter referred to as a "Benchmark Store"). Benchmark Stores will be proposed by the Tenant subject to approval by the City. The following locations and areas shall be excluded when establishing Benchmark Stores: hotel restaurants or kiosks, bus and train transportation centers, entertainment centers, arenas, theaters, convention centers or similar venues. Benchmark Store exclusions may change throughout the Term as determined necessary by the City. If the Tenant or its subtenants currently operate the exact other locations in the City of Chicago, then these locations may be designated Benchmark Stores. Otherwise, Benchmark Stores will be selected based on stores that are comparable to the proposed concept. Notwithstanding the aforementioned exclusions, in the case of a news and gift store where Tenant or its subtenant currently operate a same-brand location in the City of Chicago, in a transportation center, and that location has its own customer walk-up street access, the City may consider allowing Tenant to propose that location as a Benchmark Store. In such a case, the Value Pricing policy prohibits mark-up of pricing higher than that of the applicable Benchmark Store because that store already is in a transportation center.

Other Pricing Policy. The Commissioner may adopt other reasonable pricing policies, with which Tenant and subtenants shall comply, to restrict overcharging and price gouging by subtenants due to their dominant market position and any exclusive rights granted, but in no event shall the Commissioner require prices lower than the established Value Pricing.

Tenant must submit to the CMR, within 30 days after the end of each Lease Year, or as requested from time to time by the Commissioner or CMR, a pricing report demonstrating compliance by Tenant with the Value Price requirements. Any prices that the Commissioner or CMR determines to be inconsistent with the Value Price requirements must be adjusted accordingly. At any time, and from time to time, the Commissioner or CMR may review the prices of the Products then being offered for sale by Tenant and require adjustments in prices of the Products or particular items in order to comply with the Value Price requirement. Following the CMR's written notice to Tenant, Tenant shall promptly adjust the price of the Products or particular items, as applicable. Failure to comply within five days will constitute an Event of Default.

Tenant's failure to comply would cause the City damages, including loss of goodwill, that are difficult or impossible to prove or quantify. Therefore, in addition to other remedies for an Event of Default, for as long as non-compliance continues after the five-day cure period, the Commissioner will assess Tenant, as liquidated damages and not as a penalty, in amounts as outlined in Exhibit 13.

D. At any time, the Commissioner or the CMR may review the quality of the Products then being offered for sale by Tenant and require reasonable improvements in quality of the Products or particular items or may require elimination of particular items that the Commissioner determines to raise safety or security issues. Following the Commissioner's written notice to Tenant, Tenant shall within 5 days rectify or modify the quality of the Products or particular items or eliminate the particular items, as applicable. Failure to comply within five days will constitute an Event of Default. Tenant's failure to comply would cause the City damages, including loss of goodwill, that are difficult or impossible to prove or quantify. Therefore, in addition to other remedies for an Event of Default, for as long as non-compliance continues after the five-day cure period, the Commissioner will assess Tenant, as liquidated damages and not as a penalty, an amount as outlined in Exhibit 13.

4.4 General Requirements for Operation of Concessions. Tenant has the authority to manage and administer the Concession in the Leased Space, subject to the rights of the City under the law, in equity, and under this Agreement to direct Tenant in order to ensure that the Airport operates in the most effective and efficient way possible and to supervise the Tenant's performance. Tenant covenants to take all commercially reasonable measures to maintain, develop, facilitate and increase the business of the Concession so as to maximize Gross Revenues. Failure to operate the concession as included in the Development Plan, attached as Exhibit 3, constitutes an Event of Default. Tenant further covenants that

neither it nor any Affiliate of Tenant will divert or cause or allow to be diverted any business from the Leased Space to other locations not at the Airport that are operated by Tenant or any Affiliate of Tenant. A material condition of this Agreement is that Tenant must operate the Concession operations in accordance with the Airport Concession Program Handbook, the Sustainable Airport Manual, and the following general requirements:

A. Unless otherwise approved by the Commissioner in writing, Tenant must conduct business in its Retail Space only in the Tenant's trade names, Butcher & the Burger and Sparrow Coffee that which is identified in its response to the RFP or other trade name approved by the Commissioner.

B. Due to the nature of the concession, Tenant is not authorized to install and operate any coin, card, token or otherwise activated vending machines as part of the Tenant's Development Plan unless otherwise approved by the Commissioner.

C. Tenant must conduct its Concession operations in a first-class, businesslike, efficient, courteous, and accommodating manner consistent with the "Physical Inspection Standards" that appear in Appendix 1 of the Airport Concession Program Handbook. The Commissioner or the CMR has the right to make reasonable objections to the appearance and condition of the Leased Space if they do not comply with the Physical Inspection Standards. Tenant must discontinue or remedy any non-compliant practice, appearance or condition within five days following receipt of a written notice by the Commissioner or CMR (or immediately upon receipt of such a notice if the Commissioner or CMR deems non-compliance hazardous or illegal). Tenant's failure to timely cure the non-compliance as required by the Commissioner

13

or CMR would cause the City damages including, among other things, loss of goodwill, which would be difficult or impossible to prove or quantify. Accordingly, if Tenant fails to timely cure non-compliance, then, in addition to all other remedies the City may have at law, in equity or under this Agreement, and beginning on the first day after expiry of the five-day cure period, Tenant must pay the City, as liquidated damages in connection with the loss of good will among visitors to the Terminals, and not as a penalty, as outlined in Exhibit 13 per Retail Space for each non-compliant practice, appearance or condition specified in the notice that remains uncured after the cure period.

D. Tenant must neither commit nor allow any nuisance, noise or waste in the Leased Space or annoy, disturb or be offensive to others in the Terminals. Tenant must employ all reasonable means to prevent or eliminate unusual, nauseating or objectionable smoke, gases, vapors or odors from emanating from the Leased Space. Tenant must employ all reasonable means to eliminate vibrations and to maintain the lowest possible sound level in the operation of the Concession.

E. Tenant must offer payment systems that are widely accepted in the industry for the sale of all Products. Tenant must offer a receipt, which may be virtual, with each purchase. Failure to comply with this Section will constitute an Event of Default. Tenant's failure to comply would cause the City damages, including loss of goodwill, that are difficult or impossible to prove or quantify. Therefore, in addition to other remedies for an Event of Default, if Tenant is found to prohibit the acceptance of the above payment option, the City may assess, as liquidated damages and not as a penalty for non-compliance as further defined in Exhibit 13.

F. Tenant's Concession must be and remain compliant with Payment Card Industry Security Standards ("PCI Standards") at all times as the PCI Standards are in effect at such time. Any breach of compliance with PCI Standards in effect and related to the Concession, at such time, must be reported to the City within 24 hours of the Tenant's knowledge of such event.

Tenant's failure to be in compliance with the PCI Standards with respect to its Concession on numerous occurrences (more than one) shall be an Event of Default under this Agreement.

G. Tenant must not place or install any racks, stands, or trade fixtures directly on or over the boundaries of its Leased Space. Tenant must not use any space outside the Leased Space for sale, storage or any other undertaking, other than in connection with deliveries made in a prompt, timely and efficient manner.

H. In its capacity as Tenant under this Agreement, and not as an agent of the City, Tenant must manage the Concession operations and the Leased Space in accordance with this Agreement, in furtherance of which Tenant must, among other things:

- (i) use reasonable efforts to remedy problems and issues raised by Airport patrons

14

with respect to the operation of the Leased Space;

ii) answer in writing all written customer complaints within 72 hours after receipt, furnishing a copy of the complaint and the answer to the Commissioner within that period; and,

iii) furnish the Commissioner within 72 hours after their receipt copies of all written notices received by Tenant from any governmental authority or any Subcontractor with respect to any part of the Leased Space or any Subcontract.

If Tenant fails to timely respond to customer correspondence or governmental notices and furnish the requisite copies to the Commissioner, Tenant acknowledges that the City may suffer loss of goodwill and other harm the value of which is difficult to determine, and thus, in addition to any remedies for the Event of Default, the Commissioner will assess liquidated damages against Tenant, and not as a penalty: as outlined in Exhibit 13. Tenant's failure to perform either (A) or (B) for a period of 30 days or more will be grounds for the City declaring an Event of Default pursuant to Article IX, in which event Tenant will have no longer than 10 days to cure the Event of Default.

I. Tenant, or Tenant's subtenant approved pursuant to Section 4.2, shall at all times operate the Concession. To the extent Tenant utilizes a third party to operate the Concession, Tenant shall, at all times during the Term: (i) be licensed or permitted by such third party to operate the concession, (ii) provide the City with copies of any agreements or other evidence the City may reasonably request demonstrating such arrangement ("Third Party Use Agreements"), (iii) comply in all material respects with the terms and conditions of Third Party Use Agreements, unless Tenant's compliance with such terms and conditions would cause Tenant to breach its obligations hereunder, (iv) not be in default under any Third Party Use Agreement, (v) notify the City in writing immediately upon notification by any party to a Third Party Use Agreement of Tenant's breach under such or termination of any Third Party Use Agreements. Failure to comply with this Section 4.4(1) shall be an Event of Default under this Agreement.

4.5 Hours of Operation.

A. Tenant must begin conducting its Concession operations in each Retail Space on the Date of Beneficial Occupancy applicable to that Retail Space and continue them uninterrupted after that date during all required hours of operation. The Retail Space shall be open, at a minimum, from 5:30 a.m. until 10:30 p.m. daily, to serve the public seven (7) days per week and three hundred sixty-five (365) days per year. Concession may close periodically for

restocking, cleaning and routine maintenance. Closure times must be during daily periods of lowest passenger traffic volumes at the Airport. In no event shall the hours of operation be curtailed to an extent that the service contemplated under this Lease shall be diminished. Except as otherwise stated herein, the hours of service shall be determined in light of changing public demands and Airport's flight schedules. The Retail Space must be open, as stated above, unless otherwise approved by the Commissioner or CMR in writing. The Tenant is required to allow access to the Retail Space, 24 hours per day, 365 days per year.

15

B. Except as otherwise permitted under this Agreement, if Tenant fails to operate its Concession from any portion of the Retail Space during all times that Tenant is required to do so under this Agreement and the failure continues for more than three days after the City gives Tenant notice, it is an Event of Default. In addition, Tenant acknowledges that failure to provide Concession services to the public would cause the City substantial damages, a portion of which may be ascertainable but another portion of which, related to loss of goodwill due to the public's inability to obtain the Products, the provision of which is one of the key purposes of this Agreement, might be difficult or impossible to prove or quantify. Accordingly, in addition to other remedies available to the City for an Event of Default, Tenant must pay the City as liquidated damages (and not as a penalty) in connection with such loss of goodwill the amounts as outlined in Exhibit 13 per Retail Space, beginning as of the time that the City first notifies Tenant that it is not operating the Concession in accordance with the time requirements of this Agreement. The obligation to make payments of liquidated damages will continue until the earliest of: (i) the time that the affected portion of the Retail Space re-opens for business; (ii) the date that this Agreement expires or is terminated with respect to the affected portion of the Retail Space; and (iii) the date that the Commissioner receives possession of the affected portion of the Retail Space.

4.6 Personnel.

A. Staff.

i) Tenant must maintain a full time, fully trained staff during the Term of this Agreement having sufficient size, expertise and experience to operate the Concession. Tenant must maintain an adequate sales force so as to maximize Gross Revenues and use the utmost skill and diligence in the conduct of its Concession operations. A staff member for each concession location must be physically available during all hours of operation.

ii) All employees of Tenant must at all times be clean, courteous, neat in appearance and helpful to the public, whether or not on duty. While on duty, Tenant's employees must wear Airport identification badges (and any other form (s) of identification that may be required by the Commissioner or CMR from time to time) and are required to wear uniforms in good taste, the color and style of which Tenant selects. Tenant may make the arrangements with its own employees as it considers appropriate regarding the purchase and maintenance of standard uniforms. The City is entitled at any time to direct Tenant to require any of its employees not properly attired to immediately conform to the requirements of this Section or leave the Leased Space. Tenant must not permit its employees to use any portion of the Terminal Common Spaces, including the public washrooms located there, for the changing of clothes or the storage of their personal effects, nor may Tenant permit its employees to loiter in the Common Areas of the Terminals, including but not limited to the Food Court Common Area.

iii) Tenant and its personnel must at all times participate and cooperate fully in all quality assurance programs that may be instituted by the Commissioner or CMR from time to time. Tenant must cause its personnel to attend all customer service training meetings and

participate in such other programs as may be required by the Commissioner or CMR. An appropriate officer or management representative of Tenant must meet with the Commissioner or CMR as requested by the Commissioner or CMR to discuss matters relating to this Agreement, including merchandising and marketing plans. In addition, at the request of the Commissioner or CMR, an appropriate officer or management representative of Tenant must attend other meetings with the City, airlines, other users of the Terminals, or any other parties designated by the Commissioner or CMR.

iv) The Commissioner reserves the right to object to any of the personnel responsible for the day-to-day operation of the Concession. Upon receipt of such objection, Tenant must use its best efforts to resolve the cause for Commissioner's objection or replace the objectionable personnel with personnel satisfactory to the Commissioner.

v) In the event that Tenant was not the existing tenant in the Leased Space prior to the Effective Date, Tenant and its subtenants, if any, will work cooperatively in attempting to retain existing concession employees working in the Leased Space. This will be accomplished by giving the existing concession employees working in the Lease Space prior to the Effective Date preferential interviews for jobs in the Leased Space during the term of this Agreement.

vi) Tenant acknowledges that failure to comply with the provisions of this Section 4.6(A) may cause the City to suffer loss of goodwill and other harm the value of which is difficult to determine, and thus, in addition to any remedies for the Event of Default, the Commissioner will assess, as liquidated damages against Tenant, and not as a penalty, the amounts outlined in Exhibit 13.

B. General Manager. Tenant must designate a General Manager experienced in management and supervision who has sufficient authority and responsibility to administer and manage the Concession. The General Manager (or authorized representative) must be immediately available to the Department whenever any of the Retail Spaces are open. The base of operations of the General Manager must be at the Airport, and the General Manager must spend substantially all of his or her working hours at the Airport, unless the Commissioner approves in writing another arrangement. The General Manager is subject to removal at the direction of the Commissioner if the Commissioner reasonably determines, in the Commissioner's sole discretion that the General Manager is not performing up to standards consistent with the fulfillment of Tenant's obligations after providing Tenant notice.

C. Salaries. Salaries of all employees of Tenant and its Subcontractors performing services or Work under this Agreement must be paid unconditionally and not less often than once a month without deduction or rebate on any account, except only for those payroll deductions that are mandated by law or permitted by the applicable regulations issued by the United States Secretary of Labor under the "Anti-Kickback Act" of June 13, 1934 (48 Stat. 948; 62 Stat. 740; 63 Stat. 108; 18 U.S.C. § 874, and 40 U.S.C. § 276c). Tenant must comply with all applicable "Anti-Kickback" regulations and must insert appropriate provisions in all Subcontracts covering Work under this Agreement to ensure compliance of all Subcontractors

with those regulations and with the other requirements of this subsection and is responsible for the submission of affidavits required under them, except as the United States Secretary of Labor may specifically provide for variations of, or exemptions from, the requirements of them.

4.7 Operation and Maintenance.

A. The City, at its sole cost and expense, will keep in good repair the Common Areas, including the roof, structures, foundations and central mechanical, plumbing and electrical systems in the Airport providing heating, ventilation, cooling, water, sewage and electrical service to the terminals, concourses, and other structures at the Airport related to the Concession. The City will provide, without separate charge to Tenant, heating, ventilating and cooling of the Common Areas. The Commissioner reserves the right to interrupt temporarily the heating, air cooling, ventilation, plumbing or electrical services furnished to the Common Areas, the Terminals or the Airport as a whole to make emergency repairs or for other reasonable purposes, and the Commissioner will restore the services as soon as reasonably possible. The City has no responsibility or liability for failure to supply heat, air cooling, ventilation, plumbing, electrical or any other service to the Leased Space, the Common Areas, the Terminal or the Airport, when prevented from doing so by laws, orders or regulations of any federal, state or local governmental requirement (including any requirement of any agency or department of the City) or as a result of the making of repairs or replacements, fire or other casualty, strikes, failure of the utility provider to provide service or due to any other matter not within the City's reasonable control. Tenant must provide all cleaning and janitorial services to the Leased Space. Tenant must clean, maintain and repair (including replacements, where necessary) the Leased Space and Improvements in first-class condition and repair during the entire Term.

i) Tenant is responsible for pest control within the Leased Space by contracting with a professional pest control service to provide service on a regular basis or as needed, or at the Commissioner's election, the City or CMR may provide or contract for the pest control and charge Tenant a reasonable charge for the service. If the Commissioner so requires, Tenant must coordinate all pest control service with the City's or CMR's pest control contractor. Tenant must furnish the Commissioner and CMR a copy of its pest control contract and service records upon request.

ii) Tenant must, at its own expense, keep the exhaust system, including all risers, piping and fans used in connection with the exhaust systems, whether located in or outside of the Leased Space, and all other pipes or ducts used by Tenant, including black iron duct, in good repair and so as to meet the highest standards of cleanliness, health, and safety, in a manner consistent with the operation of a first-class Concession and in accordance with all applicable laws, codes and regulations of any governmental authority having jurisdiction. Tenant must not permit any grease to be discharged into the City's plumbing lines. If fixtures or equipment are installed in or attached to roof vents or other openings in the structure or to ducts that connect with the openings, Tenant must keep the ducts, vents and openings free from the accumulation of grease, dirt and other exhaust matter and must furnish and service any filters or other equipment necessary to prevent such accumulation. Tenant must keep the exhaust fan in good

condition and repair so as to provide at least the air flow velocities required by applicable codes and regulations. Without limiting the foregoing, Tenant must clean black iron duct twice yearly, or more often as may be required by any local governmental codes, regulations or officials, insurance requirements or applicable industry standards, whichever is more restrictive.

Tenant must maintain all fire detection and fire suppression systems and mechanisms in accordance with all applicable laws, codes and the requirements of all applicable policies of insurance and insurance inspectors and of the City. Tenant must not cause or permit any damage to insulation and fire protection materials surrounding the black iron duct. In addition to Tenant's obligation to maintain utility lines in the Leased Space as set forth in Section 4.8. below, Tenant must install and maintain in good working order and in accordance with the rules and regulations of all insurers and applicable laws, codes, and regulations of any governmental authority, all fire extinguishing systems in the Leased

Space.

Upon request, Tenant must provide CMR with monthly repair and maintenance reports detailing all repair and maintenance undertaken with respect to its Leased Space. In the event that such repair and maintenance reports indicate that Tenant is not complying with its repair and maintenance obligations, it shall be an Event of Default. In addition to any other remedies available to the City, if Tenant fails to undertake required repair or maintenance within 5 days after receiving notice from the Commissioner (or such shorter time as may be required due to health or safety reasons) the City may undertake the required repair or maintenance through a City contractor or its own forces and charge Tenant the reasonable cost thereof as Additional Rent.

(iii) To the extent any City ordinance imposes a stricter standard than the requirements of this section, the stricter standard must govern. With respect to a Leased Space that has been designated to be relocated, if any. Tenant's obligations with respect to repair and maintenance will continue until such time as Tenant has completed the Improvements in the Relocation Space to which the affected Leased Space is being relocated.

iv) Any damage to property of the Airport or property of other tenants arising out of Tenant's failure to perform its maintenance obligations is expressly deemed a "Loss" subject to Tenant's indemnification obligations under Section 8.2.

v) Tenant acknowledges that failure to comply with the provisions of this Section 4.7(A) may cause the City to suffer loss of goodwill and other harm the value of which is difficult to determine, and thus, in addition to any remedies for the Event of Default, the Commissioner will assess, as liquidated damages against Tenant, and not as a penalty, the amounts outlined in Exhibit 13.

B. Food Court Common Areas.

To the extent that any of Tenant's Retail Space is located adjacent to a Food Court Common Area, the following provisions apply to such Retail Space:

19

i) Tenant has the non-exclusive right to use the Food Court Common Area, in common with other tenants and their customers, on the terms and conditions established by the City and as may be revised during the Term at the City's sole discretion. That use does not include the right to wait on customers in the Food Court Common Area. The City reserves the right to establish and enforce the policies for the Food Court Common Area and tenants whose customers use the Food Court Common Area that the City determines are in the best interest of the overall operation of the Food Court Common Area, so that the City may properly and efficiently operate and manage it as a whole. Tenant must comply with these policies.

ii) Tenant must at all times in operating its business in the Retail Space abide by all rules and regulations applicable to tenants whose customers use the Food Court Common Area including those relating to: (a) the health and sanitary conditions of the Retail Space, the Food Court Common Area and the employees of Tenant; (b) standards and quality of Products, services, and merchandising as determined by the City; (c) customer relations; and (d) other matters

as the City determines applicable with respect to the operation of the Food Court Common Area and the business conducted by Tenant and all other tenants whose customers use the Food Court Common Area.

iii) The City will be responsible for the operation, repair and maintenance of the Food Court Common Area. Food Court CAM Costs include all costs incurred by the City in the repair and maintenance of the Food Court Common Area, including corridors and seating areas, and include, but are not limited to costs of: painting; cleaning; trash and grease removal; operation, maintenance and repair and replacement of all lighting, electrical, plumbing, HVAC and other mechanical and utility systems; cleaning and retrieval of trays; water, power, gas and sewerage charges; wages and salaries (including employee benefits, unemployment, Social Security and Medicare, and any other payroll taxes) for employees performing operation, maintenance and repair of the Food Court Common Area; materials, equipment, supplies and services purchased for operation, maintenance and repair of Food Court Common Area; required permits and licenses; reasonable straight-line depreciation of movable equipment (including tables and chairs) used in the operation, maintenance or repair of the Food Court Common Area; rental of any equipment used in the operation, maintenance or repair of the Food Court Common Area; and all other direct costs and expenses properly chargeable to the operation, maintenance or repair of the Food Court Common Area. Neither the City nor any company, firm or individual operating, maintaining, managing or supervising the Food Court Common Area, nor any of their respective agents or employees, are or will be liable to Tenant or to any of Tenant's employees, agents, customers or invitees or anyone claiming through or under Tenant, for any damage, injuries, losses expenses, claims or causes of action because of any interruption or discontinuance at any time for any reason in furnishing services relating to operation, maintenance and repair of the Food Court Common Area, nor will any such interruption or discontinuance be deemed a disturbance of Tenant's use or possession of the Leased Space or any part of it; nor will any such interruption or discontinuance relieve Tenant from full performance of Tenant's obligations under this Agreement. Tenant is responsible for providing seating and chairs for Food Court Common Area directly adjacent to Tenant's Leased Space.

8 Utilities.

A. Tenant must pay for all utilities furnished to the Leased Space, to the extent separately metered. All utilities must be separately metered for usage within a Leased Space except to the extent that the Commissioner agrees otherwise in writing. Notwithstanding the foregoing, in the event that water/sewage is not separately metered, the City may charge Tenant for water/sewage based on a reasonable estimate of usage given the nature of the Concession.

B. In addition to payment for utility service. Tenant must maintain utility lines to the Leased Space as follows:

(i) where the utility lines, including gas, electrical, telephone, hot and cold water,

fire sprinkler, gas, and sewer serve both the Leased Space and other areas of the Terminals,

Tenant is only obligated to maintain those branch lines and facilities that exclusively serve the

Leased Space; and

ii) where such utility lines are entirely for the exclusive service of the Leased Space, Tenant is obligated to maintain the utility lines from the Leased Space up to the main entry point of the utility to the Terminal(s). Alternatively, the City may, at the Commissioner's sole discretion, maintain such utility lines and charge Tenant the reasonable cost of

the maintenance.

iii) Tenant must maintain all electrical cables, conduits, wiring, fire alarm systems, electrical panels and associated equipment located within and serving the Leased Space.

9 Refuse Handling.

A. Tenant, at its own cost and expense, must provide for the handling of all refuse, including trash, garbage, recycling and other waste created by its Concession operations and for their disposal at a centrally located collection area within the Airport designated by the Commissioner from time to time. Within its Leased Space, Tenant must provide a complete and proper arrangement for the adequate sanitary handling and disposal of trash, garbage, recycling and other refuse resulting from its Concession operations. Tenant must provide and use suitable covered metal receptacles for all trash, garbage, recycling and other refuse in accessible locations within the boundaries of each Leased Space. Piling of boxes, cartons, barrels or other similar items in an unsightly or unsafe manner on or about the Leased Space or the Common Areas is forbidden. The Commissioner reserves the right, from time to time, to establish time periods or schedules during which Tenant must remove refuse from the Leased Space.

B. Tenant must comply with all present and future laws, orders and regulations and any rules and regulations promulgated by the Commissioner regarding the separation, sorting and recycling of garbage, refuse and trash, including but not limited to those policies, rules and regulations incorporated in the Airport Concessions Program Handbook and the Sustainable Airport Manual. Tenant must separate and appropriately dispose of recyclable and non-recyclable waste, including organic materials. Recyclable waste includes newspaper, unsoiled paper

21

products, cardboard, plastic, aluminum and glass. Tenant is encouraged to use service goods made from recycled and recyclable materials. All recyclable waste will be disposed at the direction of the CDA. The CDA may also require sorting and disposal of compostable/organic wastes, including food scraps and soiled paper products. Tenants must therefore also provide for the separation of pre-consumer compostable\organic waste for composting. Tenants are expected to fully comply with CDA's waste recovery program by sorting, to the maximum extent possible, recyclable and compostable waste from that which will be sent to landfill.

C. Tenant acknowledges that any failure to comply with the provisions of this Section 4.9 may cause the City to suffer loss of goodwill and other harm the value of which is difficult to determine, and thus, in addition to any remedies for the Event of Default, the Commissioner will assess as liquidated damages against Tenant, and not as a penalty, the amounts outlined in Exhibit 13.

4.10 Promotion.

A. Signs and Advertising. Tenant may, at its own expense and subject to obtaining any necessary permits, install and operate necessary and appropriate identification signs in and on the Retail Space for its promotional use (identifying the Concession operations at the Retail Space in question or the Products sold there). All such signage (especially all signage visible from the Common Areas) must be in compliance with signage and other applicable criteria adopted by the Commissioner or other City agencies from time to time and subject to the prior written approval of the Commissioner as to the number, size, height, location and design (as applicable). Tenant must not install, affix, or display any signage outside the Retail Space except as permitted by the Department. Without the prior written consent of the Commissioner, Tenant and its Subcontractors must not distribute any advertising, promotional or informational pamphlets, circulars, brochures or similar materials at the Airport except within the Retail Space and except as are related to Tenant's Concession. Tenant acknowledges that any failure to comply with this Section 4.10(A) may cause the

City to suffer loss of goodwill and other harm the value of which is difficult to determine, and thus, in addition to any remedies for the Event of Default, the Commissioner will assess, as liquidated damages against Tenant, and not as a penalty, the amounts outlined in Exhibit 13.

B. Marketing and Advertising Fund. The Department operates a marketing fund ("Fund") for the purpose of financing a program for advertising and promoting Concessions at the Airport. The Program may include advertising, media placements, special events, promotional events, brochures, videos and catalogs, mystery shops, market research and surveys, customer service training etc., as appropriate. The Program will be funded by contributions from the Tenant and other tenants at the Airport. Tenant will contribute an amount of one-half of one percent (0.5%) of Gross Revenues per Lease Year to the Fund. All contributions to the Fund may only be expended for the promotion of concessions and marketing-related staff activities at the Airport and for no other purposes. Tenant shall make its contributions to the Fund monthly in arrears concurrently with its Rent payment under this Agreement.

22

The City may, but is not required to, contribute to the Fund. Tenant has no ownership or beneficial interest whatsoever in the Fund or any unspent moneys therein.

11 **Distribution and Storage; Deliveries.**

A. It is necessary, due to the number of Concession tenants in the Airport, that the Commissioner protect the Common Areas and the Terminal curb front for the flow of airline passengers. Therefore, Concession deliveries must be made only within the times and at the locations authorized by the Commissioner or the Commissioner's designated representative and otherwise in accordance with the terms of this Agreement. All deliveries that require access to the aircraft operations area ("AOA") must be made by vehicles and drivers qualified and permitted to drive over AOA roadways.

B. O'Hare. There is currently no central distribution and storage facility at O'Hare; however, the City intends to implement such a facility during the Term of this Agreement. Thereafter, at the option of the Commissioner, after first giving reasonable notice to Tenant, the Commissioner may require Tenant to arrange for all deliveries to the central distribution and storage facility, except where delivery to a third party is prohibited by law, such as delivery of liquor, or as otherwise approved by the Commissioner in writing. At the Commissioner's sole discretion, the central distribution and storage facility, if implemented, may be operated by a third-party contractor selected or approved by the Commissioner. If the central distribution and storage facility is implemented, Tenant must pay the City, or the third-party operator, Tenant's proportional share of the cost for deliveries to and distribution from the facility ("Distribution Fee") as determined by the Commissioner. Such Distribution Fee will be intended to cover the costs of delivery as well as development, utility, operation and maintenance costs and other costs associated with the opening and/or operation of the central distribution and storage facility and is considered to be Additional Rent.

C. Tenant acknowledges that the City will not be responsible for and will have no liability related to the operation of (or the failure to operate) the central distribution and storage facility at either Airport, including lost profits, consequential damages or any other losses or damages whatsoever.

12 **Certain Rights Reserved By the City.**

A. Except as expressly provided otherwise in this Agreement: the City has the rights set forth below, each of which the City may exercise with notice to Tenant and without liability to Tenant for damage or injury to property, person or business on account of exercising them: the City's exercise of any such rights is not deemed to constitute a breach of

this Agreement or a disturbance of Tenant's use or possession of or Lease to the Leased Space; the City's exercise does not give rise to any claim, including for set-off or abatement of Rent; the City's exercise also does not relieve Tenant of any obligation to pay all Rent when due. The rights include the rights to:

23

i) Install, affix and maintain any and all signs on the exterior and on the interior of the Terminals;

ii) Decorate or to make repairs, inspections, alterations, additions, or improvements, whether structural or otherwise, in and about the Terminals, or any part of them, and for such purposes to enter upon the Leased Space, and during the continuance of any of the work, to temporarily close doors, entryways, public space and corridors in the Terminals, and to interrupt or temporarily suspend services or use of facilities, all without affecting any of Tenant's obligations under this Agreement, so long as the Leased Space is reasonably accessible and usable;

iii) Upon request, require Tenant to furnish the Department with copies of door keys for the entry doors of the Leased Space, where applicable, and to retain them at all times, and to use in appropriate instances, keys, including master keys and passkeys, to all doors within and into the Leased Space, but the keys will at all times be kept under adequate and appropriate security by the Department. Tenant must not change any locks, nor affix locks on doors without the prior written consent of the Commissioner. Notwithstanding the provisions for the Department's access to the Leased Space, Tenant releases the City from all responsibility arising out of theft, robbery, pilferage and personal assault unless the same results from the City's gross negligence or willful misconduct. Upon the expiration of the Term of this Agreement or Tenant's right to possession of the Leased Space, Tenant must return all keys to the Concession Management Representative and must disclose the combination of any safes, cabinets or vaults left in the Leased Space;

iv) Approve the weight, size and location of safes, vaults and other heavy equipment and articles in and about the Leased Space and the Terminals so as not to exceed the legal load per square foot designated by the structural engineers for the Airport, and to require all such items and furniture and similar items to be moved into or out of the Terminals and the Leased Space only at the times and in the manner as the Commissioner directs in writing. Tenant must not install or operate machinery, or any mechanical devices of a nature not directly related to Tenant's ordinary use of the Leased Space without the prior written consent of the Commissioner. Movements of Tenant property into or out of the Terminals or the Leased Space and within the Terminals are entirely at the risk and responsibility of Tenant, and the Commissioner reserves the right to require permits before allowing any property to be moved into or out of the Terminals or the Leased Space;

(v) , Establish controls for the purpose of regulating all property and packages, both personal and otherwise, to be moved into or out of the Terminals and the Leased Space;

(vi) Regulate delivery and service of supplies and the usage of the apron area, loading docks, receiving areas and freight elevators and designate the times within which, and the locations at which, deliveries may be made to or by Tenant;

(vii) Show the Leased Space to prospective Tenants and subtenants at reasonable

times and, if vacated or abandoned, prepare the Leased Space for re-occupancy;

viii) Erect, use and maintain pipes, ducts, wiring and conduits, and appurtenances to them, in and through the Leased Space at reasonable locations;

ix) Enter the Leased Space for the purpose of periodic inspection for fire protection, maintenance and compliance with the terms of this Agreement, including but not limited to the Airport Concession Handbook, and exercise any rights granted to City or retained by City in this Agreement; except in the case of emergency, however, the right must be exercised upon reasonable prior notice to Tenant and with an opportunity for Tenant to have an employee or agent present;

x) Grant to any person the right to conduct any business or render any service in or to the Terminals or the Airport.

xi) Promulgate from time-to-time rules and regulations regarding the operations at

xi) the Airport; and ¹,

xii) Maintain newspaper vending machines at any location in the Airport.

B. If Tenant is required to perform any sprinkler Work, City reserves the right to perform the Work and charge the Tenant for the cost of the sprinkler Work and specify charges as Additional Rent under the Agreement or to approve Tenant's proposed sprinkler contractor, at the Commissioner's sole option. If any sprinkler work requires a temporary shut-down and/or drainage of the sprinkler system or portion thereof in the Terminal, Tenant must pay an up-front fee of \$500 per occurrence in the form of a certified check or money order.

ARTICLE 5 LEASED SPACE AND IMPROVEMENTS

5.1 Leased Space. As provided in Section 4.1, the City grants Tenant the right to use the Leased Space identified in Exhibit 1, or portions thereof, from the date of delivery of each portion of the Leased Space through the remainder of the Term of this Agreement for the operation of the Concession, except as otherwise provided for herein. Exhibit 1 may be amended by agreement of the Tenant and the Commissioner from time to time to reflect changes in Leased Space, including but not limited to any Additional Space or Relocation Space. As of the Effective Date, all square footage identified in Exhibit 1 is approximate, and is subject to final correction in accordance with field measurements to be taken after completion of the Improvements. All such measurements relating to the Leased Space will be made to and from the 'Mease lines' as identified on Exhibit 1. Tenant must confine all of its Concession operations to its Leased Space. Any conduct of Concession operations outside of Tenant's Leased Space is an Event of Default.

A. Retail Space. The Leased Space includes the Retail Space identified in Exhibit 1. Retail Space is to be used for the sale of Products at retail to the public.

B. Storage Space. The Leased Space includes the Storage Space, if any, identified in Exhibit 1. Storage Space is to be used to store inventory and supplies for use in the Retail Space. It may be used for other purposes relating to the Concession with the consent of the Commissioner, but not as a point of retail sale of Products. If the Commissioner determines that Tenant is using Storage Space for purposes unrelated to the Concession, the Commissioner may unilaterally delete the Storage Space from the Leased Space. If the Commissioner determines that the size of the Storage Space exceeds the needs of the Tenant, the Commissioner may unilaterally reduce the size of the Storage Space.

C. Additional Space.

(i) During the Term, the Commissioner may from time to time, at the Commissioner's sole discretion, make Additional Space available in the Terminals for Tenant's Concession operations. In such event, the Commissioner will send written notice to Tenant to advise Tenant of the following:

- a. size and location of the Additional Space being offered, if any;
- b. whether the Additional Space is being offered as Retail Space or Storage Space; and
- c. the City's Shell and Core obligations and Tenant's Improvement obligations for the Additional Space.

Within 30 days after receiving the notice from the Commissioner, Tenant must notify the Commissioner if it accepts or rejects the Additional Space and, if the Additional Space is Retail Space, the proposed Improvements and the amount by which Tenant proposes to increase its Minimum Annual Guarantee to reflect the anticipated increase in Gross Revenues from the Additional Space. Upon notification from Tenant to the Commissioner that Tenant accepts the Additional Space and, if the Additional Space is Retail Space, acceptance by the Commissioner of the proposed Improvements and increase in the Minimum Annual Guarantee, the square footage will be added to the Retail Space or Storage Space, as applicable, under this Agreement and Exhibits 1 and 2 modified accordingly. Upon notification from Tenant to the Commissioner that it rejects the Additional Space or if Tenant fails to notify the Commissioner within 30 days that it accepts the Additional Space, the offer will terminate, and the Commissioner may offer the Additional Space to others.

ii) Nothing in (i) above requires the Commissioner to offer any Additional Space to Tenant or limits or restricts the Commissioner's or the City's right to enter into any Concession agreement with any third party for such space. Additional Space, if any, offered to Tenant is solely for the benefit of the Airport to enhance Airport revenues, and whether or not to offer such Additional Space to Tenant is at the Commissioner's sole and absolute discretion. TENANT HAS NO RIGHT TO BE OFFERED ANY ADDITIONAL SPACE.

iii) The maximum aggregate amount of Retail Space that may be offered to Tenant as Additional Space is 2,000 sq. ft.

D. Relocation Space. The Commissioner may at any time during the Term require Tenant to relocate all or portion of the Leased Space to another location within the Airport and

terminate the Lease with respect to the Leased Space being vacated when, in the sole discretion of the Commissioner, the relocation is necessary for other Airport purposes or is in the best interest of the City. In such an event:

i) The Commissioner will notify Tenant in writing within a reasonable period of time prior to the relocation of all or part of the Leased Space. Such notice will be not less than 90 days in advance of the relocation but, in any event, notice is not required more than 180 days in advance.

ii) If a Retail Space is being relocated and the Relocation Space has, in Tenant's reasonable business judgment, diminished size, visibility, and/or exposure to passenger traffic in comparison to the Retail Space being vacated, Tenant may so notify the Commissioner in writing no later than 15 days after Tenant receives the Commissioner's notice. Such notice must detail with reasonable specificity why Tenant believes that the Relocation Space is not comparable to the Retail Space being vacated and the projected adverse impact on Tenant's sales. Tenant and Commissioner may thereafter negotiate an adjustment in the Percentage Fee and/or the Minimum Annual Guarantee for the Relocation Space to reflect the differences in size, visibility, and/or passenger traffic. If the Tenant and Commissioner fail to agree on such an adjustment or if Tenant otherwise rejects the Relocation Space, then the Lease for the Retail Space being vacated will terminate on the date for the relocation set forth in the Commissioner's notice, and the Minimum Annual Guarantee as of such date will be adjusted in proportion to the percentage of Tenant's Gross Revenues from prior Lease Year that were generated at the Retail Space being vacated. Further, if the Lease of the Retail Space being vacated is terminated, Tenant is entitled to a credit, equal to the unamortized portion of Tenant's actual Improvement Costs for the Retail Space being vacated (but excluding any Improvement Costs for Tenant personal property or any portion of the Improvements that can be moved and used by Tenant elsewhere), against Rent due and owing to the City from Tenant until the full amount of the credit has been applied against Rent.

iii) Except when Tenant rejects Relocation Space pursuant to (ii) above, the City is responsible for costs incurred in the relocation or replication of the Improvements in the Leased Space being vacated, including the cost of moving Tenant's equipment and inventory and the cost of constructing replacement Improvements comparable to the condition of the Improvements in the Leased Space being vacated as of the date of relocation, to the extent comparable Improvements do not already exist in the Relocation Space. In the case of a relocation, Tenant must promptly vacate the portion of the Leased Space required to be vacated and as to which this Agreement is being terminated and return the portion of the Leased Space in as good or better condition as existed as of the date that the City gave Tenant possession of the Leased Space being vacated, unless the Commissioner otherwise agrees in writing. The City will endeavor not to require Tenant to move from the Leased Space being vacated to the Relocation Space before Work on Improvements in the Relocation Space is completed, but the Leased Space being vacated may be needed for other Airport purposes prior to the completion of Improvements in the Relocation Space. Because the City is replacing Improvements in kind, Tenant is not entitled to any credit for unamortized Improvement Costs for the Leased Space being vacated, and the unamortized Improvement Costs for the Leased Space being vacated will

27

deemed to be the unamortized Improvement Costs for the Relocation Space and continue to be amortized on the same schedule as the original Leased Space.

2 Title to Property in the Leased Space. Tenant shall retain title and ownership to all Products and other Tenant personal property and proprietary trade fixtures in the Leased Space, except in the event of deemed abandonment, as provided in Section 6.3. The City owns all other property in the Leased Space, including the Shell and Core and, upon completion. Tenant Improvements.

3 Shell and Core. The City is responsible for providing Shell and Core, if any are specified in Exhibit 4, for the Leased Space. The City makes no warranty, either express or implied, as to the design or condition of the Leased Space, including the Shell and Core, or the suitability of the Leased Space, including the Shell and Core, for the Tenant's purposes or needs. The City is not responsible for any patent or latent defect, and Tenant must not, under any circumstances, withhold any amounts payable to the City under this Agreement on account of any defect in the Leased Space, including the Shell and Core; if feasible, however, the City will assign to Tenant any warranties obtained from the City's contractor for the Shell and Core and/or the right to enforce City's rights under its contract for the Shell and Core. After the City delivers the Shell and Core to Tenant, Tenant must immediately notify the Commissioner of any defects in the Shell and Core.

4 Tenant's Improvement Obligations.

A. Retail Space and Storage Space. Unless otherwise agreed in writing by the Commissioner, Tenant must complete, or cause to be completed, the Improvements as described in the Development Plan. Improvements shall be at Tenant's sole cost and expense and must be completed on or before the Date of Beneficial Occupancy set forth for each portion of the Leased Space in accordance with the schedule set forth in the Development Plan, subject to Section 11.20, "Force Majeure". Failure to achieve DBO for the Improvements in accordance with the schedule in the Development Plan will result in liquidated damages pursuant to Section 5.5(J).

B. Additional Space. Tenant must complete or cause to be completed, at Tenant's sole cost and expense, the Improvements for each Additional Space approved by the Commissioner by the proposed Date of Beneficial Occupancy applicable to each such Additional Space, at a total investment in Improvement Costs for each permanent Additional Space of at least 95% of the budget approved by the Commissioner.

C. Temporary Relocation Space and Additional Space. The Commissioner may require Tenant to operate the Concession, prior to the Date of Beneficial Occupancy applicable to any Relocation Space and Additional Space, from a temporary Relocation Space, at City's sole cost and expense. If approved by the Commissioner, Tenant may use temporary or used fixtures, trade fixtures and equipment and is not required to install Improvements except to the extent necessary to make the temporary Relocation Space or Additional Space useable.

D. Improvement Costs. Only Improvement Costs of the types set forth in the budget in the Development Plan are deemed to be validly incurred Improvement Costs for purposes of this Agreement. Tenant must provide the Commissioner with a statement certified by Tenant,

setting forth the aggregate amount of the Improvement Costs expended by Tenant for each Leased Space, with such detail as may be reasonably requested by the Commissioner. The certified statement must be submitted at the same time as the "as-built" drawings for the Leased Space. Tenant must make available to the Commissioner, at the Commissioner's request, receipted invoices for labor and materials covering all Improvement Costs. The Commissioner has the right to audit the Improvement Costs. If there is a discrepancy of 5% or more, the cost of the audit must be paid promptly by Tenant upon request. If the Tenant's actual Improvement Costs for any portion of the Leased Space are less than 95% of the amount set forth in the Development Plan for said portion of the Leased Space, Tenant must, within 30 days after the date of completion of the Work or the Date of Beneficial Occupancy, whichever is earlier, pay the City the difference between 95% of the amount set forth in the Development Plan and the actual Improvement Cost for said portion of the Leased Space. The actual Improvement Costs, as approved by the Commissioner, will be memorialized in the confirmation of DBO for the Leased Space in question and attached to Exhibit 1.

5.5 Work Requirements.

A. TIME IS OF THE ESSENCE IN THE PERFORMANCE OF WORK UNDER THIS AGREEMENT.

B. Compliance with Standards. Tenant must comply in its design, construction, use, occupancy and operation of the Leased Space, at its own cost, with:

i) all regulations and directives now or later promulgated by the United States Federal Aviation Administration ("FAA") or Transportation Security Administration ("TSA") pertaining to airport security, as such regulations and directives may be amended or modified from time to time during the Term of this Agreement;

ii) all federal, State of Illinois, and City laws, rules, regulations and ordinances, including all building, zoning and health codes and all Environmental Laws; and

(iii) the Design and Construction Standard Operating Procedures- Concessions

Projects ("C-SOP") C-SOP, the Airport Concession Program Handbook, and the Sustainable Airport Manual.

Tenant must complete or cause to be completed all Improvements in accordance with all rules, regulations and standards, including the C-SOP, and the approved Construction Documents (as defined below) for any Improvements. If there is a conflict between work requirements stated in this Agreement and those set forth in the C-SOP, the Commissioner has the sole discretion to determine which prevails. No construction must take place until the Commissioner has approved the Construction Documents.

Tenant must provide for any supplemental heating, cooling and exhaust facilities that Tenant may require to properly heat, cool, ventilate and exhaust air in the Leased Space. All such supplemental facilities must be designed and installed in accordance with the C-SOP and applicable building codes and must be approved by the Commissioner prior to installation. If at any time the Tenant's supplemental heating, cooling and exhaust facilities fail to comply with the design and operational standards set forth in the C-SOP, Tenant must, on notice from

29

the City, cause repairs to be made so that Tenant is in compliance with this requirement.

In addition to the requirements set forth in the C-SOP, Tenant acknowledges the City's goal to incorporate environmentally sustainable design in building, infrastructure, and tenant improvements at the Airport. Accordingly, Tenant agrees to use best efforts to incorporate sustainable design practices in the development and build out of the Leased Space, to engage a LEED® (Leadership in Energy and Environmental Design) accredited professional on its architectural team, to create an operational plan that incorporates sustainable practices in all aspects of the daily operation of the Leased Space, and to comply to the extent that it is commercially reasonable to the requirements of the Sustainable Airport Manual.

C Development Plan. Tenant's Development Plan, as approved by the Commissioner, is attached hereto as Exhibit 3. It describes and depicts the Tenant's thematic concept for the Retail Space (including storefront design images, as appropriate), floor plan(s) of the Retail Space, its plan and schedule for implementing the Improvements and commencing Concession operations in the Leased Space, temporary facilities that may be necessary to meet the requirements of this Agreement, and its other submission requirements as set forth in the C-SOP. The Development Plan must include the anticipated Date of Beneficial Occupancy of each Retail Space, the budgeted Improvement Costs for each Retail Space, and the dates by which City must complete the Shell and Core and the Delivery Date necessary in order to achieve the anticipated DBO for each Retail Space.

D. 30, 60, 90 and 100 Percent Design Phase. Tenant must submit to the Commissioner its proposed 30, 60, 90, 100 Percent design drawings and specifications prepared as required under the C-SOP. The C-SOP outlines the timing and expectations for submissions at each percentage of the design phase. The C-SOP also provides the timing of the review by the Commissioner. Tenant must adhere to the time required to respond to the Commissioner's comments as outlined in the C-SOP. If Tenant fails to provide acceptable designs, after 5 attempts, an Event of Default can be declared by the Commissioner.

E. Start of Construction. For each portion of the Leased Space, within 10 days after the latest of occur of: 1) the date the City delivers to Tenant possession of said portion of the Leased Space, 2) the date Tenant has obtained applicable building permits for said portion of the Leased Space, and 3) the date of commencement of construction set forth in the Development Plan, Tenant must begin construction of the Improvements under and consistent with the approved Construction Documents, in a diligent, first-class and workmanlike manner. Commissioner may require Tenant and its Subcontractors to meet with the Department's construction manager and Concessions Management Representative prior to starting construction. Among other requirements, the Improvements:

- i) Must conform with all architectural, fire, safety, zoning and electrical codes and all federal, State, City and other local laws, regulations and ordinances pertaining to them, including the ADA, and all Airport standards, procedures and regulations.
- ii) Must be free and clear of any mechanics' or materialmen's liens or similar liens or encumbrances.
- iii) Except as otherwise provided in this Agreement, must be completed entirely at

Tenant's cost and expense and in accordance with the requirements of this Agreement including, but not limited to, the requirements and procedures set forth in the C-SOP.

(iv) Upon the request of the Commissioner, Tenant must purchase and install a security camera and connect the camera feed into a junction box at a location to be determined by the Commissioner. Tenant will permit the Commissioner to connect the security camera to the Airport security system.

Approval of the Construction Documents by the Commissioner does not constitute the Commissioner's or the City's representation or warranty as to their conformity with any architectural, fire, safety, zoning, electrical or building code, and responsibility therefore at all times remains with Tenant. Tenant must not permit its design and construction Subcontractors to make any modifications to base building systems without prior written consent of the Commissioner.

F. Change Order Review. Tenant must cause all Work to be performed in a first class, good and workmanlike manner and in accordance with the Construction Documents. Tenant may request in writing that change orders relating to the Work be responded to by the City, and the City will so respond within 10 days, unless a response within 10 days is unreasonable in the circumstances, in which case the response period will be as reasonably determined by the City but in no event longer than 20 days. At all times during the Work, Tenant must have on file with the Commissioner and on the construction site for inspection by the Commissioner, a copy of the approved Construction Documents. Tenant must immediately begin to reconstruct or replace and diligently pursue to completion, at its sole cost and expense, before or after completion of the Work, any Work that is not performed in accordance with the Construction Documents as approved by the Commissioner.

G. Inspection of Improvements in Progress. The Department has the right to enter upon the Leased Space for the purposes of inspecting and recording the Improvements in progress, ensuring that Tenant's construction complies with the Construction Documents, and rejecting any such construction that does not so conform.

H. Notice of Substantial Completion and Inspection. At least 10 days prior to anticipated substantial completion of the construction of a Leased Space, Tenant must deliver to the Commissioner a "notice of substantial completion" in order for the Commissioner to schedule a representative to inspect the Improvements. On the date specified in the notice of substantial completion, the Department will perform a final inspection of the Improvements for compliance with the Construction Documents for the Improvements, and will, not later than 10 days after inspection, provide a punch list to Tenant describing in sufficient detail any discrepancies between the Improvements and the Construction Documents. Tenant must cause all discrepancies (other than those approved by the Commissioner as variances) to be reconstructed, replaced or repaired in substantial accordance with the Construction Documents. Within 10 days after the date of substantial completion and prior to commencing Concession operations in Leased Space, Tenant must provide, as evidence of the substantial completion of the Work, copies of any and all Certificates of Occupancy and other approvals, if any, necessary for Tenant to occupy the portion of the Leased Space for its intended use. Tenant

shall not commence Concession operations in the Leased Space until such documents have been received by the Commissioner and until authorized to do so by the Commissioner.

I. Timeliness - Punch Lists; Opening for Business. Tenant acknowledges that if it fails to comply with Construction Document requirements (including all tasks necessary to satisfy them, such as, but not limited to, applying at the earliest possible time for and diligently pursuing all necessary building permits), the delay may cause the City to suffer substantial damages, including loss of goodwill, that might be difficult to ascertain or prove. For that reason, but subject to extensions that may be approved by the Commissioner, or day-to-day extensions for delays caused by a force majeure event pursuant to Section 11.20, if Tenant has not caused the Improvements to be substantially completed in accordance with the Construction Documents and Retail Space to be open to the public for business not later than the scheduled Date of Beneficial Occupancy in the Development Plan:

i) Tenant must pay the City liquidated damages at the rate of \$250 per day for each day from and after the Date of Beneficial Occupancy, until the date on which the Retail Space actually opens to the public for business; and

ii) Tenant must cooperate with the Commissioner in providing the interim Concession operations from kiosks or other temporary locations, as the Commissioner may reasonably require, to serve the patrons of the Terminals until the applicable Improvements have been completed and the Retail Space is open to the public for business; and

iii) if, for any reason, Tenant fails to substantially complete the Improvements in accordance with the approved Construction Documents relating to them and open the Retail Space to the public for business within 30 days after the Date of Beneficial Occupancy, the failure is an Event of Default, and the City has the right to exercise any and all remedies under this Agreement, at law or in equity; and further,

iv) if Tenant is permitted to open for business in accordance with the schedule in the Construction Documents but any punch list items are not completed within 30 days following the date on which Tenant opens to the public for business, the Commissioner will assess liquidated damages against Tenant at the rate of \$250 per day per punch list item not timely completed; and

v) if Tenant is permitted to open for business but any punch list items are not completed within 60 days following the date on which Tenant opens to the public for business, the City reserves the right, at the Commissioner's sole discretion, to either:

- a. complete the punch list Work at the City's cost and bill the Tenant for this Work, in which case the charges are considered Additional Rent; or
- b. close the affected Retail Space until all outstanding punch list items are completed.

J. Post-construction Documentation. Tenant must submit a complete set of "as-built" drawings and documentation as outlined in the C-SOP to the Commissioner within 30 days after the date the Commissioner authorizes Tenant to begin Concession operations in the

Leased Space. The as-built drawings and documentation are and become the property of the City, except to the extent of any intellectual property reflecting Tenant's trademarks, trade names or trade dress contained in them.

K. Mechanics' Liens. Tenant must not permit any mechanics' lien for labor or materials furnished or alleged to have been furnished to it to attach to any portion of the Leased Space, the Airport, Tenant's leasehold interest, or this Agreement in any way relating to any work performed by or at the direction of Tenant. Upon making payments to Subcontractors, Tenant must obtain from each Subcontractor a waiver of mechanics' liens against any portion of the

Leased Space, the Airport, Tenant's leasehold interest, or this Agreement arising out of any Work done by the Subcontractor and each and every of the Subcontractor's materialmen and workmen. If, nonetheless, any such mechanics' lien is filed upon any portion of the Leased Space, the Airport, Tenant's leasehold interest, or this Agreement, Tenant must indemnify, protect, defend and save harmless the City against any loss, liability or expense whatsoever by reason of the mechanic's lien and must promptly and diligently proceed with or defend, at its own expense, the action or proceedings as may be necessary to remove the lien. Tenant must deliver notice to the Commissioner of any such lien or claim within 15 days after Tenant has knowledge of it. Tenant may permit the mechanics to remain undischarged and unsatisfied during the period of the contest and appeal; provided that, upon request by the Commissioner, Tenant must post a bond with the City equal to 150% of the amount of the lien. If the lien is stayed and the stay later expires or if by nonpayment of any lien any portion of the Leased Space, the Airport, Tenant's leasehold interest, or this Agreement will be, or is claimed to be, subject to loss or forfeiture, then Tenant must immediately pay and cause to be satisfied and discharged the lien. If Tenant fails to do so, the Commissioner may, in his or her sole discretion, draw on the bond and make such payment. If the Commissioner has not requested a bond, then the Commissioner may, in the Commissioner's sole discretion, make such payment out of legally available Airport funds and, in such event, the amount paid shall immediately be payable by Tenant as Additional Rent. Failure to post a bond when requested by the Commissioner or pay such Additional Rent shall be an Event of Default.

L Mid-Term Refurbishment. Tenant must budget and expend such funds as necessary to undertake a mid-Term refurbishment of each Retail Space during or about the middle of the Term in order to ensure that each Retail Space presents a first-class appearance to the public. The minimum expenditure does not include financing costs, interest, and inventory or intracompany charges of the Tenant. The scope and extent of the renovation, remodeling, and upgrade and/or redecorating for such mid-Term refurbishment shall be jointly determined by the Commissioner and Tenant.

5.6 Damage or Destruction of Improvements.

A. Insubstantial Damage. If Improvements to any Leased Space are damaged, in whole or in part, by fire or casualty, and there is no Major Damage (as defined below) to the portion of the Terminals served by the damaged Improvements, then the City will repair any damage to the Shell and Core at the City's expense, and Tenant must repair the damage to the Improvements as soon as reasonably possible (after completion of the Shell and Core) at Tenant's expense.

33

B. Major Damage.

(i) "Major Damage" means any damage or destruction that, based on reasonable estimates made by the Department within 60 days after the occurrence of the damage or destruction, in order to be repaired to the condition existing before the damage or destruction:

- a. would cost, with respect to the Improvements, in excess of 50% of the replacement cost value of all Improvements; and
- b. would cost, with respect to the Shell and Core, in excess of 50% of the replacement cost of the Shell and Core, or would require, in the sole judgment of the Commissioner, more than nine months to complete.

ii) If any part of the Terminals suffers Major Damage, whether or not including any portion of the Leased Space located in them, in whole or in part by fire or other casualty, the Commissioner has the right, for a period of six months starting on the date of the occurrence, to elect not to repair the Major Damage as otherwise required under this section, by giving written notice of the election to Tenant. If the Commissioner notifies Tenant of the Commissioner's election not to repair the Major Damage, this Agreement will terminate as to the affected Leased Space effective as of the

date of the Major Damage, all Rent due under this Agreement will be prorated to the date of termination, and Tenant must surrender the affected portion of the Leased Space to the City.

iii) If any portion of the Leased Space suffers Major Damage, and if after the occurrence of the damage the Agreement is not terminated, the Commissioner and the Airport architect will estimate the cost of restoration and the length of time that will be required to repair the damage and will notify Tenant of the estimate. If the damage can be repaired and the Improvements restored before the Term expires, then Tenant must repair the damage and restore the Improvements. If repair and restoration cannot be substantially completed before the Term expires, then this Agreement terminates as to the portion of the Leased Space as of the date of the Major Damage.

iv) If this Agreement is not terminated in accordance with paragraphs (B) (ii) or (iii) and a casualty has damaged or destroyed any portion of the Shell and Core involving the Leased Space, the City will restore the Shell and Core to the condition existing on the Delivery Date, according to the original as-built plans and specifications. Upon completion of the City's Shell and Core restoration work, if any, Tenant must proceed to rebuild the Improvements as nearly as possible to the character of Improvements existing immediately before the occurrence.

v) Before beginning to replace, repair, rebuild or restore Improvements, Tenant must deliver to the Commissioner a report of an independent consultant acceptable to the Commissioner setting forth:

- a. an estimate of the total cost of the Work;
- b. the estimated date upon which the Work will be substantially completed; and
- c. a statement to the effect that insurance proceeds are projected to

34

be sufficient to pay the costs of the Work.

(vi) The Commissioner will use commercially reasonable efforts to provide suitable temporary Relocation Space during the period of restoration subject to the reasonable approval of Tenant. Tenant must relocate the Concession operations to the temporary Relocation Space, and the costs associated with any such relocation, including moving expenses and the cost of reconstructing the Improvements in the temporary Relocation Space, must be borne by Tenant.

C. Tenant's Option. If the Leased Space or a portion of it is subject to Major Damage during the final three years of the Term, Tenant has the right, for a period of 60 days beginning on the date of the occurrence, to elect not to restore the affected Improvements as otherwise required under this Agreement by giving the Commissioner written notice of the election, in which event this Agreement will, as to the portion of the Leased Space, terminate upon the notice. If Tenant desires to rebuild the affected Leased Space, it may do so only upon the written approval of the Commissioner.

D. Insufficient Insurance. In no event will the City be obligated to repair, alter, replace, restore, or rebuild any Improvements, or any portion of them, nor to pay any of the costs or expenses for them. If Tenant's available insurance proceeds are not sufficient to cover the cost of the restoration as required under this Section, then Tenant is liable to complete the repairs at its own cost and expense, except as provided in (C) above.

5.7 City Resident Construction Worker Employment Requirement.

A. Use of Residents. In connection with and during the construction of any Work

in excess of \$100,000 in Improvement Costs, Tenant and its Subcontractors must comply with

the provisions of § 2-92-330 of the Municipal Code of the City of Chicago ("Municipal Code"), as amended from time to time concerning the minimum percentage of total construction worker hours performed by actual residents of the City. At least 50% of the total construction worker hours worked by persons on the site of the Work must be performed by actual residents of the City, and 7.5% of the total work hours (which may be included on the 50%) must be performed by project area residents: residents of neighborhoods surrounding the Airport. Tenant may request a reduction or waiver of this minimum percentage level of Chicagoans in accordance with standards and procedures developed by the Chief Procurement Officer of the City. In addition to complying with this percentage, Tenant and its Subcontractors are required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions. "Actual residents of the City" means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment. Tenant and each Subcontractor (for purposes of this subsection, "Employer") must provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed. Each Employer will maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

B. Certified Payroll Reports. Weekly certified payroll reports (U.S. Department of

35

Labor Form WH-347 or equivalent) must be submitted by hard copy or electronically to the Commissioner and must identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

C. Inspection of Records. Each Employer must provide full access to its employment records to the Chief Procurement Officer, the Commissioner, and the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Each Employer must maintain all relevant personnel data and records for a period of at least 3 years after final acceptance of the Work. At the direction of the Commissioner, affidavits and other supporting documentation may be required of each Employer to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

D. Level of Effort. Efforts on the part of each Employer to provide utilization of actual Chicago residents that are not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer will not suffice to replace the actual, verified achievement of the requirements of this section concerning the worker hours performed by actual Chicago residents.

E. Shortfalls; Liquidated Damages. When the Work is completed, in the event that the City has determined that Tenant has failed to ensure the fulfillment of the requirement of this section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1% of the aggregate hard construction costs of the Improvement Costs (the product of .0005 x such aggregate hard construction costs) (as evidenced by approved contract value for the actual contracts) must be surrendered by Tenant to the City as liquidated damages, and not as a penalty, in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Tenant and/or the Subcontractors to prosecution. The City may draw against the security any amounts that appear to be due to the City under this provision pending the City's determination as to the full amount of liquidated damages due on completion of the Work.

F. Nothing set forth in this section acts as a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents, as applicable.

G. Inclusion in Subcontracts. Tenant must cause or require the provisions of this section to be included in all construction Subcontracts related to the Work.

8 Licensing of General Contractor. This Agreement is subject to Chapter 4-36 of the Municipal Code which requires all persons acting as a general contractor (as defined in Chapter 4-36) to be licensed as a general contractor by the City. Tenant's failure to ensure that any general contractor working on Improvements complies with Chapter 4-36 will be an Event of Default.

9 Prevailing Wages. In connection with the construction, repair, and maintenance of Improvements, Tenant must comply with the applicable provisions of 820 ILCS 130/0.01 et seq. regarding the payment of prevailing wages, and the most recent Illinois Department of Labor schedule of prevailing wages, and any successors to them. Tenant must insert appropriate provisions in all Subcontracts covering construction work under this Agreement to ensure compliance of all construction Subcontractors with the foregoing wage statutes and regulations.

10 Subcontractor Certifications. Tenant must require all Subcontractors performing Work in connection with this Agreement to be bound by the following provision and Tenant must cooperate fully with the City in exercising the rights and remedies described below or otherwise available at law or in equity:

"Subcontractor certifies and represents that Subcontractor and any entity or individual that owns or controls, or is controlled or owned by, or is under common control or ownership with Subcontractor is not currently indebted to the City and will not at any time during the Term be indebted to the City, for or on account of any delinquent taxes, liens, judgments, fees or other debts for which no written agreement or payment plan satisfactory to the City has been

established. In addition to any other rights or remedies available to the City at law or in equity, Subcontractor acknowledges that any breach or failure to conform to this certification may, at the option and direction of the City, result in the withholding of payments otherwise due to Subcontractor for services rendered in connection with the Agreement and, if the breach or failure is not resolved to the City's satisfaction within a reasonable time frame specified by the City in writing, may result in the offset of any such indebtedness against the payments otherwise due to Subcontractor and/or the termination of Subcontractor for default (in which case Subcontractor will be liable for all excess costs and other damages resulting from the termination.)"

11 MBE/WBE Compliance. Tenant shall make good faith efforts to meet the following goals with respect to participation of Minority Business Enterprises/Woman-Owned Business Enterprises ("MBE/WBE") in the design (including professional services) and construction of Tenant's Improvements, respectively: (i) Design: 26% MBE and 6% WBE; and (ii) Construction: 26% MBE and 6% WBE. However, in consideration of the anticipated costs of the design and construction of the Concession, the City will accept a participation plan that meets a combined single Design and Construction goal of 26% MBE and 6% WBE

37

participation, which participation may be achieved with any combination of construction and design contracts. The Special Conditions and related forms used by the City in its own procurements are attached hereto as Exhibit 9 and should be used by Tenant's Contractors. Tenant must submit to the CMR completed Schedules C's and D's from its design and construction Contractors demonstrating their percentage MBE and WBE participation commitments, and their good faith efforts to achieve the foregoing goals if the commitments are less than those goals. Thereafter, Tenant must submit periodic reports to the CMR, in a form and frequency determined by the Commissioner, documenting its Contractors' compliance with their commitments.

ARTICLE 6 TERM OF AGREEMENT

1 Term. The term of this Agreement is the Term as defined in Article 3, unless this Agreement is terminated earlier in accordance with its terms.

2 **Holding Over.**

A. With consent. Any holding over after expiration of the Term with the written consent of the Commissioner constitutes a month-to-month lease on the same terms and conditions as this Agreement, including payment of the Rent attributable to the portion or portions of the Leased Space that Tenant continues to occupy. Thereafter, Tenant must surrender and vacate the Leased Space no later than the 30th day following notice from the Commissioner that the month-to-month holdover is terminated; Tenant's failure to do so shall be deemed a holding over without consent under (B).

B. Without consent. If Tenant continues to occupy all or a portion of the Leased Space without the written consent of the Commissioner after expiration or termination of this Agreement in its entirety, or as to any such portion of the Leased Space where the Lease under this Agreement has expired or terminated, the holding over constitutes a month-to-month lease on the same terms and conditions as this Agreement, except that Tenant must pay Rent for the entire holdover period for the Leased Space where the Lease has expired or been terminated at double the annual rate of the Rent payable for that Leased Space during the immediately preceding Lease Year. No occupancy of Leased Space by Tenant after the expiration or other termination of the Lease under this Agreement with respect to such Leased Space extends the Term of this Agreement or the Lease, except as a holdover tenancy. Also, in the event of such holdover

tenancy. Tenant shall indemnify the City against all damages arising out of the Tenant's retention of occupancy, including but not limited to any costs incurred by the City to evict Tenant, and all insurance policies and letters of credit required to be obtained and maintained by Tenant as set forth in this Agreement shall continue in effect.

3 Return of the Leased Space and Removal of Improvements.

A. At the termination or expiration for any reason of this Agreement or the Lease as to any portion of the Leased Space, Tenant must promptly, peaceably, quietly and in good order quit, deliver up and return the Leased Space (or that portion as to which the Lease has

terminated, in the case of a partial termination) in good condition and repair, ordinary wear and tear and damage by fire or other casualty excepted.

B. Tenant must remove all Tenant personal property and proprietary trade fixtures from the Leased Space or the portions of the Leased Space before the date of termination or expiration. Any personal property or trade fixtures remaining in the Leased Space 48 hours after the date of termination or expiration shall be deemed abandoned, and the City may dispose of such personal property or trade fixtures in the Commissioner's sole discretion, and Tenant shall have no claim to the proceeds, if any, from such disposition.

C. Further, at the Commissioner's request (which request will be given in writing at least 30 days before the termination or expiration of the Term), Tenant must remove all Improvements installed by or for Tenant, or Tenant's agents, employees or Subcontractors, except for Improvements that the Commissioner may elect to require Tenant to leave in place (excluding proprietary property which Tenant shall retain and remove). As provided in Section 5.2, all Improvements are City property and, if not requested to be removed by the Commissioner, may be used by the City or a replacement tenant; provided, however, that all of Tenant's trade dress, service marks, trademarks and trade names shall be removed, obliterated or painted out in a commercially reasonable manner at Tenant's cost. If directed by the Commissioner to remove Improvements, Tenant must also cap off any plumbing or drains and remove, obliterate or paint out any and all of its signs, advertising and displays as the Commissioner or his designated representative may direct, and repair any holes or other damage left or caused by Tenant.

D. Tenant must repair any damage to the Leased Space caused by Tenant's removal of Tenant personal property, trade fixtures and Improvements. All the removal and repair required of Tenant under this section are at Tenant's sole cost and expense.

E. If Tenant fails to perform any of its foregoing obligations, then the Commissioner may cause the obligations to be performed by Department personnel or City contractors, and Tenant must pay the cost of the performance, together with interest thereon at the Default Rate from and after the date the costs were incurred until receipt of full payment therefor.

4 Termination Due to Change in Airport Operations. This Agreement, or the Lease of any affected Leased Space, is subject to termination by either party on 60 days' written notice in the event of any action by the FAA, the TSA or any other governmental entity or the issuance of an order by any court of competent jurisdiction which prevents or restrains the use of the Airport, the Terminals or a portion thereof that renders performance by either party in the Leased Space impossible, and which governmental action or court order remains in force and is not stayed by way of appeal or otherwise, for a period of at least 90 days, so long as the action or order is not the result of any Event of Default of Tenant.

5 Eminent Domain.

A. If the entirety of the Terminals or a substantial part of them, including the entire Leased Space, is taken by eminent domain by an authority other than the City, the Term of this Agreement will end upon the earlier of the date when possession is required by the condemning authority or the effective date of the taking.

B. If any eminent domain proceeding is instituted by an authority other than the City in which it is sought to take any part of the Airport or the Terminals, the taking of which would, in the good faith judgment of the Commissioner or Tenant, render it impractical or undesirable to conduct Concession operations on the remaining portion of the Leased Space for the intended purposes, the Commissioner and Tenant will each have the right to terminate this Agreement upon not less than 90 days' written notice to the other.

C. In the event of termination of this Agreement under either (A) or (B), all Rent accrued for the Leased Space in question prior to the termination date is payable to the City. However, the City shall have no obligation to pay Tenant any unamortized Improvement Costs for such Leased Space, and Tenant shall look solely to the condemning authority for any award of damages.

6.6 Early Termination. Notwithstanding anything to the contrary set forth in this Lease, the Commissioner may terminate this Agreement with respect to any or all of the Leased Space without cause for any reason, in the Commissioner's sole discretion, upon at least ninety (90) days prior written notice to Tenant. Upon the effective date set forth in such notice, Tenant shall surrender and vacate that portion of Leased Space as to which this Agreement is being terminated as if the Agreement had expired on that date with respect to such Leased Space. In the event of such early termination, the City shall pay to Tenant a "Leased Space Termination Payment", which shall be defined herein to include the following: (i) a sum equal to the unamortized balance of Tenant's Improvement Costs with respect to the Leased Space being terminated, depreciated using the monthly straight-line method over the term of the lease commencing on the Date of Beneficial Occupancy of the Leased Space being terminated; and (ii) a sum equal to Gross Revenues earned by Tenant from the Leased Space being terminated during the four (4)-month period immediately preceding the termination date, less the Rent payable to the City for that period. Upon Tenant's receipt of the Leased Space Termination Payment and vacation of the Leased Space, the City and Tenant shall thereafter be released from any and all obligations under this Agreement with respect to the Leased Space except for such obligations which are expressly stated to survive the expiration or earlier termination of this Agreement.

ARTICLE 7 RENT AND FEES

7.1 Rent Payable.

A. In consideration of Tenant's Lease of the Leased Space and the License to operate its Concession in the Leased Space and the associated rights and privileges granted in this Agreement, Tenant must pay the following, without notice or demand, as rent and fees

(collectively, "Rent") as follows:

i) Base Rent: Beginning as of the Delivery Date of any portion of the Leased Space, the Base Rent for such Leased Space as set forth on Exhibit 2. The initial Base Rent applicable to each Leased Space will increase in each succeeding License Year by 3% following the initial License Year compounded annually. The annual Base Rent is payable in monthly installments and will be prorated for any partial Lease Year.

ii) License Fee. Beginning as of the first Date of Beneficial Occupancy of a Retail Space, an amount equal to the greater of a. or b.:

a. Percentage Fee. The "Percentage Fee" is an amount equal to the product of the Percentage Fee Rates and Gross Revenues.

b. Minimum Annual Guarantee. There is no "Minimum Annual Guarantee (MAG)" or "MAG" for the first and second Lease Years of the Term. The Minimum Annual Guarantee will be established beginning in the third Lease Year at an amount equal to 85% of the Percentage Fee payable in the second Lease Year. In the subsequent Lease Years of the Term, the MAG will equal 85% of the Percentage Fee calculated for the prior Lease Year but will never be less than the MAG established in the third Lease Year.

In the event the Leased Space is comprised of two or more distinct Retail Spaces that are opening for Concession operations on different dates, then Exhibit 2 must apportion the MAG payable for the entire Agreement among the various Retail Spaces. The MAG for each Retail Space shall become payable upon its DBO, prorated for any partial year. Upon the DBO of the final Retail Space, the entire MAG shall be payable, prorated for any partial year.

iii) Pre-Construction License Fee. In the event Tenant conducts, with the Commissioner's approval, concession operations in any portion of the Retail Space prior to the construction of the Improvements, then the "Pre-Construction License Fee" is an amount equal to 20% of Gross Revenues during each calendar month (or portion thereof) from the Delivery Date through the DBO of the Retail Space.

iv) Additional Rent. The Marketing Fee and Distribution Fee, if any, and any other charges payable to the City under this Agreement that are identified as Additional Rent. Failure by Tenant to pay Rent, or any portion thereof, when due is an Event of Default.

B. Impositions. Tenant must timely pay, as and when due, any and all taxes, assessments, fees, and charges levied, assessed or imposed by a governmental unit upon this Agreement, the Leased Space, Tenant's leasehold, Tenant's Concession business or upon Tenant's personal property, including but not limited to all permit fees and charges of a similar nature for Tenant's conduct of any business or undertaking in the Leased Space (collectively, "Impositions"). Tenant must provide the Concession Management Representative with copies

of any business licenses or permits required for the Tenant to operate the Concession. Tenant must provide Commissioner a copy of all notices relating to leasehold taxes on the Leased Space within 30 days after receipt and must provide the Commissioner with a receipt indicating payment of leasehold taxes on the Leased Space when due. Nothing in this Agreement precludes Tenant from contesting the amount of an Imposition, including those taxes or charges enacted or promulgated by the City, but unless otherwise allowed by the entity imposing the tax or charge, Tenant must pay the tax or charge pending the judicial or administrative decision on the Tenant's contest. Failure of Tenant to pay any Imposition when due, except to the extent that Tenant is allowed to withhold payment while contesting the amount of the Imposition, will constitute an Event of Default. As provided in Section 4.1, Tenant acknowledges that the leasehold created under this Agreement is taxable, and while Tenant may contest the amount of the leasehold tax, Tenant shall not contest its

applicability.

C. Rent under this Agreement is not considered to be a tax and is independent of any Imposition levied by the City on the Tenant's business. Further, the payment of the Rent under this Agreement is independent of each and every other covenant and agreement contained in this Agreement, and Tenant must pay all Rent without any set off, abatement, counterclaim or deduction whatsoever except as otherwise expressly provided in this Agreement. If Tenant is directed to move its Concession operations to a Relocation Space, and the City determines that the affected Retail Space is to be closed before completion of the Improvements in the Relocation Space, then adjustments will be made to the Minimum Annual Guarantee until Tenant begins Concession operations in the Relocation Space. Such adjustments will be in the same proportion as the Gross Revenues attributable to the Retail Space to be closed bears to the Gross Revenues for the entire Retail Space to which the Minimum Annual Guarantee applies. If actual Gross Revenue amounts are not available, the adjustment will be made based on the MAG per location estimates in Exhibit 2.

7.2 Time of Payments.

A. On or before the first day of each calendar month, prorated for any partial calendar month, beginning on the Delivery Date of the first Leased Space and continuing throughout the Term, Tenant must pay to the City the monthly installment of Base Rent owed pursuant to Section 7.1 (A)(i).

B. On or before the first day of each calendar month, prorated for any partial calendar month, beginning on the DBO of the first Leased Space and continuing throughout the Term, Tenant must pay to the City:

(i) that portion of the Minimum Annual Guarantee as may be due pursuant to Section 7.1(A)(ii)(b);

C. On or before the 15th day of each month, beginning the month following the month in which the DBO of the first Leased Space occurs, Tenant must pay the City:

42

i) the amount, if any, by which the actual Percentage Fee for the preceding month pursuant to Section 7.1(A)(ii)(a) exceeds the Minimum Annual Guarantee payment that was made on the first day of the month;

ii) the Marketing Fee, Distribution Fee and additional rent, if any, based on the Gross Revenues of the preceding month or pre-determined amount; and

iii) any other charges payable to the City.

D. If the annual statement of Gross Revenues indicates that the Percentage Fee attributable to the preceding Lease Year exceeds the amount of all payments made by Tenant to the City for the Lease Year in question, then Tenant must pay the amount of the underpaid Percentage Fee to the City upon the submission of the annual statement of Gross Revenues. If the annual statement of Gross Revenues indicates that the Percentage Fee attributable to the preceding Lease Year is less than the amount of all License Fee payments made by Tenant to the City for the period in question, but the Percentage Fee still exceeds the MAG for that Lease Year, then Tenant will receive a credit against the next License Fee payment due under this Agreement for the amount by which the License Fee actually paid by Tenant exceeded the Percentage Fee attributable to the period.

3 Material Underpayment or Late Payment. Without waiving any other remedies available to the City, if:

i) Tenant underpaid Rent due in any calendar year by more than 5%, or

ii) Tenant failed to make any Rent payments within 5 days of the date due, then Tenant must pay, in addition to the amount due the City as Rent, interest on the amount of underpayment or late payment at the Default Rate. Interest on the amount underpaid accrues from the date on which the original payment was due until paid in full and shall be considered Additional Rent. The provision for the payment of interest does not constitute an authorization by the City of underpayment or late payment.

4 Reports.

A. Monthly. Tenant must furnish to the Commissioner on or before the 15th day of each calendar month falling wholly or in part within the Term of this Agreement a complete statement, certified by Tenant, of the amount of Gross Revenues derived from each Retail Space by Tenant during the preceding month.

B. Daily and/or Weekly. Tenant will furnish to the Commissioner daily and/or weekly sales reports, if requested, breaking down all sales and Gross Revenues by day, daypart (breakfast, lunch, dinner and late/overnight), selling category and by each separate Retail Space. If so requested, Tenant will provide Commissioner with statistical information regarding the number and type of transactions occurring at each Retail Space, in the form specified by the Commissioner. In addition to providing the City the foregoing daily and/or weekly reports, if requested. Tenant shall make all such reports available in an electronic,

43

searchable format acceptable to the City. The City may require Tenant to provide such electronic, searchable reports more or less frequently than other reports requested pursuant to this subsection.

C. Annually or more often.

(i) Tenant also must furnish to Commissioner no later than March 1 of each Lease Year falling wholly or in part within the Term of this Agreement, and within 120 days after the expiration or termination of this Agreement, a complete statement of revenues certified by an independent certified public accountant engaged by Tenant, showing in all reasonable detail the amount of Gross Revenues made by Tenant in, on or from the Leased Space during the preceding Lease Year and copies of all returns and other information filed with respect to Illinois sales and use taxes as well as such other reasonable financial and statistical reports as the Commissioner may, from time to time, require by written notice to Tenant.

(ii) The annual statement must include a breakdown of Gross Revenues on a month-by-month basis and an opinion of an independent certified public accountant that must include the following language, or language of similar purport:

"We, a firm of independent certified public accountants, have examined the accompanying statement reported to the City of Chicago by [_____] for the year ended _____ relating to its operations at the Terminals pursuant to an Agreement

dated _____, . Our examination was made in accordance with generally accepted accounting principles and, accordingly, includes such tests of the accounting records and such other procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statement showing gross revenues of \$ _____ presents accurately the amount of Gross Revenues, as defined in the Agreement, for the year ended _____. "

D. All such reports and statements must be prepared on a form approved by the Commissioner and must, among other things, provide a breakdown of the Gross Revenues by category of Products and an analysis of all Percentage Fees due and payable to the City with respect to the period in question. If Tenant fails to timely furnish to the Commissioner any monthly or annual statement required under this Agreement or if the independent certified public accountant's opinion is qualified or conditioned in any manner, the Commissioner has the right (but is not obligated) without notice, to conduct an audit of Tenant's books and records and to prepare the statements at Tenant's expense. Tenant must also provide the Commissioner with such other financial or statistical reports and information concerning the Leased Space or any part thereof, in the form as may be reasonably required from time to time by the Commissioner.

7.5 Books, Records and Audits.

44

A. Except as provided below, Tenant must prepare and maintain at its office full, complete and proper books, records and accounts in accordance with generally accepted accounting procedures relating to and setting forth the Gross Revenues, including but not limited to Gross Revenues generated by sales of Products for cash, debit, check, gift certificate, credit, or any other form of compensation, and must require and cause its operations personnel to prepare and keep books, source documents, records and accounts sufficient to substantiate those kept by Tenant. The books and source documents to be kept by Tenant must include true copies of all federal, state and local tax returns filed with respect to Tenant's Concession operation and reports, records of inventories and receipts of Products, daily receipts from all sales and other pertinent original sales records and records of any other transactions conducted in or from the Leased Space by Tenant and any other persons conducting business in or from the Leased Space. Pertinent original sales records must include the following documents or their auditable electronic equivalents:

- i) cash register tapes, including tapes from temporary registers,
- ii) serially pre-numbered sales slips,
- iii) the original records of all mail and telephone orders at and to the Leased Space,
- iv) original records indicating that Products returned by customers was purchased at the Leased Space by the customers,
- v) memorandum receipts or other records of Products taken out on approval,
- vi) detailed original records of any exclusions or deductions from Gross Revenues,
- vii) sales tax records, and
- viii) such other sales records, if any, that would normally be examined by an independent accountant under accepted auditing standards in performing an audit of Tenant's Gross Revenues.

B. Tenant must record at the time of each sale or other transaction, all receipts, whether in physical form or electronic, from the sale or other transaction. The books, records and accounts, including any sales tax reports that Tenant may be required to furnish to any government or governmental agency, must at all reasonable times be open to the inspection (including the making of copies or extracts) of the Commissioner, the Commissioner's auditor or other authorized representative or agent at the Leased Space or Tenant's other offices in Chicago for a period of at least three (3) years after the expiration of each calendar year falling wholly or in part within the Term.

C. The acceptance by the Commissioner of payments of any Percentage Fee is without prejudice to the Commissioner's right to conduct an examination of the Tenant's books and records relating to Gross Revenues and of inventories of Products at the Retail Space, in order to verify the amount of Gross Revenues made in and from the Retail Space.

D. After providing Tenant at least 3 days prior oral or written notice, the

45

Commissioner may inspect the books and records of Tenant. Further, at its option, the Commissioner may at any reasonable time, upon no less than 10 days prior written notice to Tenant cause a complete audit to be made of Tenant's entire records relating to the Retail Space for the period covered by any statement issued by Tenant as above set forth. If the audit discloses that Tenant's statement of Gross Revenues is understated to the extent of:

i) 3% or more, Tenant must promptly pay the City the cost of the audit in addition to the deficiency (and any interest on the deficiency at the Default Rate), which deficiency is payable in any event, and if

ii) 5% or more, an Event of Default is considered to have occurred, and in addition to all other remedies available under this Agreement, at law, or in equity, the Commissioner has the right to terminate this Agreement immediately upon giving notice to Tenant, without any opportunity for Tenant to cure.

In addition to the foregoing, and in addition to all other remedies available to the City, if Tenant or the City's auditor schedules a date for an audit of Tenant's records and Tenant fails to be available or otherwise fails to comply with the reasonable requirements for the audit. Tenant must pay all reasonable costs and expenses associated with the scheduled audit.

7.6 Revenue Control. Upon the request of the Commissioner Tenant must make available monthly sales data for each Retail Space ("Point of Sale Data"), reflecting the amount of each sales transaction, items sold per transaction, time and date of the transaction, and specifying the sales category applicable to each item sold. At such time, if any, as computerized Point of Sale Data systems ("POS Systems") have been developed to a point where the Commissioner deems it necessary or desirable to install such a POS System, then Tenant must upon request and at its own expense, install such a POS System in the Retail Space or, if it already uses such a system, must use reasonable efforts to promptly cause the system to conform to the City's POS System, provided, in no event shall Tenant be required to disclose customer data in contravention of applicable laws. Tenant shall be given a reasonable amount of time, not to exceed one year, to accomplish the foregoing.

7.7 Lien. In addition to any liens as may arise under Illinois law, the City has a

contractual lien under this Agreement on all property, including Tenant personal property located on the Leased Space, but excluding any Products that is subject to floor plan financing, as security for non-payment of any Rent due.

ARTICLE 8 INSURANCE, INDEMNITY AND SECURITY

8.1 Insurance. Tenant must, at its sole expense, procure and maintain at all times during the Term of this Agreement, and during any time period following expiration or termination of this Agreement during which Tenant is holding over or Tenant is required to return to the Leased Space for any reason whatsoever, the types of insurance specified in Exhibit 7 covering all operations under this Agreement, with insurance companies authorized to do business in the State of Illinois.

46

8.2 Indemnification

A Except where this indemnity clause would be found to be inoperative or unenforceable under the Construction Contract Indemnification for Negligence Act, 740 ILCS 35/0.01 et seq. ("Anti-Indemnity Act"), Tenant must defend, indemnify, keep and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees, from and against any and all Losses.

B. "Losses" means, individually and collectively, liabilities of every kind, including losses, damages, and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to the acts or omissions of Tenant, its employees, agents, subtenants, and Subcontractors.

C. At the City Corporation Counsel's option. Tenant must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Tenant of any of its obligations under this Agreement. Tenant must not make any settlement without the prior written consent to it by the City Corporation Counsel if the settlement requires any action on the part of the City or in any way involving the Airport.

D. To the extent permissible by law, Tenant waives any limits to the amount of its obligations to indemnify, defend or contribute to any sums due under any Losses, including any limits applicable to a claim by any employee of Tenant that may be subject to the Workers' Compensation Act, 820 ILCS 305/1 et seq or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The waiver, however, does not require Tenant to indemnify the City for the City's own negligence to the extent doing so would violate the Anti-Indemnity Act. The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

E The indemnities contained in this section survive expiration or termination of this Agreement, for matters occurring or arising during the Term of this Agreement or as the result of or during the holding over of Tenant beyond the Term. Tenant acknowledges that the requirements set forth in this section to indemnify, keep and save harmless and defend the City are apart from and not limited by the Tenant's duties under this Agreement, including the insurance and Security requirements.

8.3 Security

A. Form of Security.

(i) Tenant must deliver to the City no later than the earlier to occur of: a) 30 business days after the Effective Date or b) the Delivery Date for the first Leased Space, an irrevocable,

47

unconditional sight draft Letter of Credit in favor of the City. The face amount of the Letter of Credit and any replacements or renewals of it must be maintained by Tenant, through and including the date that is 180 days after the expiration of the Term or termination of this Agreement, as follows: the face amount of the Letter of Credit must equal a) until the third full Lease Year of the Term, \$25,000, and b) during and after the third full Lease Year of the Term, 25% of third full Lease Year MAG in the form of an irrevocable letter of credit issued in favor of the City or a cash deposit. If a letter of credit is provided as the form security, it will be required to be adjusted throughout the Term, as the MAG increases or decreases. The Letter of Credit must be in the form set forth in Exhibit 6 or as otherwise approved by the Corporation Counsel.

ii) In lieu of the Letter of Credit, Tenant may provide cash or a cashier's check in the same amount for immediate deposit in the City's accounts. The Letter of Credit, cash or cashier's check, as applicable, is referred to in this Agreement as the "Security." The original Letter of Credit, and all replacements of it, must be issued with an expiry date of at least one year after their respective dates of issuance. The Security secures the faithful performance by Tenant of all of Tenant's obligations under this Agreement. The Commissioner is entitled to draw on any such Letter of Credit unless proof of renewal of the Letter of Credit or a replacement Letter of Credit in form and substance satisfactory to the Comptroller has been furnished to the Commissioner at least 30 days before its expiration date. The City will hold the proceeds as a cash Security to secure the full and faithful performance of Tenant's obligations under this Agreement. The Commissioner is not obligated to pay or credit Tenant with interest on any Security.

iii) The Commissioner also is entitled to draw on the Letter of Credit in whole or in part upon the occurrence of an Event of Default, which such Event of Default remains uncured after any applicable cure period, in which event the Commissioner is entitled to apply or retain all or any part of the proceeds of it or any cash or other Security deposited by Tenant and held by the City for the payment of any obligation of Tenant arising before or after the Event of Default; provided, the Commissioner is not entitled to draw on the Letter of Credit if such Event of Default permits cure and has been cured.

iv) The Letter of Credit must provide that the Commissioner may draw upon the Letter of Credit in whole or in part upon the delivery by the Commissioner to the issuer of the Letter of Credit of a demand for payment, purportedly signed by the Commissioner, together with a written statement that the Commissioner is entitled to draw upon the Letter of Credit under the terms of this Agreement. If amounts are drawn upon the Letter of Credit or amounts of a cash Security are applied by the Commissioner in accordance with the terms of this Agreement, Tenant must reinstate the Letter of Credit or cash Security to its full amount required in this Agreement within 5 days following notification by the Commissioner of the City's draw upon the Letter of Credit or use of the cash Security. The rights reserved to the Commissioner or the City under the Letter of Credit or any cash Security are in addition to any rights they may have under this Agreement or under law.

B. Qualified Issuers. The Letter of Credit called for in this Agreement must be issued by companies or financial institutions having a rating of "A" or better as determined by Standard and Poors or by Moody's Investors Service, Inc., or a net worth of at least \$500,000,000, and must have an office in Chicago where the Commissioner may draw on the Letter of Credit. The Commissioner also reserves the right to order Tenant to immediately close some or all of the Leased Space until the Letter of Credit is in place and effective.

C. Right to Require Replacement of Letter of Credit. If the financial condition of any Letter of Credit issuer issuing the Letter of Credit materially and adversely changes, the Commissioner may, at any time, require that the Letter of Credit be replaced with a Letter of Credit from another institution and in accordance with the requirements set forth in this section.

D. No Excuse from Performance. None of the provisions contained in this Agreement nor in the Letter of Credit required under this Agreement excuse Tenant from faithfully performing in accordance with the terms and conditions of this Agreement or limit the liability of Tenant under this Agreement for, any and all damages in excess of the amounts of the Letter of Credit.

E. Non-Waiver. Notwithstanding anything to the contrary contained in this Agreement, the failure of the Commissioner to draw upon the Letter of Credit required under this Agreement or to require Tenant to replace the Letter of Credit at any time or times when the Commissioner has the right to do so under this Agreement does not waive or modify the Commissioner's rights to draw upon the Letter of Credit and to require Tenant to maintain or, as the case may be, replace the Letter of Credit, all as provided in this Section.

ARTICLE 9 DEFAULT, REMEDIES AND TERMINATION

9.1 Events of Default. The following (A) through (N) constitute Events of Default by Tenant under this Agreement. The Commissioner will notify Tenant in writing of any event that the Commissioner believes to be an Event of Default. Tenant will be given an opportunity to cure the Event of Default within a reasonable period of time, as determined by the Commissioner, but not to exceed 30 days after written notice of the Event of Default; provided, that (i) if a provision of this Agreement provides for a different cure period for a particular Event of Default, that different cure period will apply; (ii) if a provision of this Agreement does not expressly allow a right to cure a particular Event of Default, there will be no right to cure; and (iii) if neither (i) or (ii) apply and if the promise, covenant, term, condition or other nonmonetary obligation or duty cannot be cured within the time period granted by the Commissioner, but Tenant promptly begins and diligently and continuously proceeds to cure the failure within the time period granted and after that continues to diligently and continuously proceed to cure the failure, and the failure is reasonably susceptible of cure within 45 days from delivery of the notice, Tenant will have the additional time, not in any event to exceed 45 days, to cure the failure.

A. Any material misrepresentation made by Tenant to the City in the inducement

to City to enter this Agreement or in the performance of this Agreement. There is no right to cure this Event of Default.

B. Tenant's failure to make any payment in full when due under this Agreement and failure to cure the default within five days after the City gives written notice of the nonpayment to Tenant. In addition, Tenant's failure to make any such payment within five days after the written notice more than three times in any Lease Year constitutes an Event of Default without the necessity of the City giving notice of the fourth failure to Tenant or allowing Tenant any opportunity to cure it.

C. Tenant's failure to promptly and fully keep, fulfill, comply with, observe, or perform any promise, covenant, term, condition or other non-monetary obligation or duty of Tenant contained in this Agreement.

D. Tenant's failure to promptly and fully perform any obligation or duty, or to comply with any restriction of Tenant contained in this Agreement concerning Transfer or Change in Ownership, whether directly or indirectly, of Tenant's rights or interests in this Agreement or of the ownership of Tenant.

E. Tenant's failure to provide or maintain the insurance coverage required under this Agreement (including any material non-compliance with the requirements) and the failure to cure the Event of Default within two days following oral or written notice from the Commissioner; or, if the noncompliance is non-material, the failure to cure the Event of Default within 20 days after the Commissioner gives written notice. The Commissioner, in the Commissioner's sole discretion, will determine if noncompliance is material.

F. Tenant's failure to conduct Concession operations in any Retail Space at all times Tenant is required to do so under this Agreement.

G. Tenant's failure to comply with the Value Pricing policy.

H. Tenant's failure to begin or to complete its Improvements on a timely basis or to timely open for business in the Leased Space or any portion of it as required herein.

I. An Event of Default by Tenant or any Affiliate under any other agreement it may presently have or may enter into with the City during the Term of this Agreement and failure to cure the default within any applicable cure period.

J. Tenant or Guarantor, if any, does any of the following and the action affects Tenant's ability to carry out the terms of this Agreement:

- i) becomes insolvent, as the term is defined under Section 101 of the Bankruptcy Code as amended from time to time; or
- ii) fails to pay its debts generally as they mature; or

- iii) seeks the benefit of any present or future federal, state or foreign insolvency statute; or
- iv) makes a general assignment for the benefit of creditors, or
- v) files a voluntary petition in bankruptcy or a petition or answer seeking an arrangement of its

indebtedness under the Bankruptcy Code or under any other law or statute of the United States or of any State or any foreign jurisdiction; or

vi) consents to the appointment of a receiver, trustee, custodian, liquidator or other similar official, of all or substantially all of its property.

K. An order for relief is entered by or against Tenant or Guarantor (if any) under any chapter of the Bankruptcy Code or similar law in any foreign jurisdiction and is not stayed or vacated within 60 days following its issuance.

L. Tenant is dissolved.

M. A violation of law that results in a guilty plea, a plea of nolo contendere, guilty finding, or conviction of a criminal offense, by Tenant, or any of its directors, officers, partners or key management employees directly or indirectly relating to this Agreement, and that may threaten, in the sole judgment of Commissioner, Tenant's performance of this Agreement in accordance with its terms.

N. Any failure to perform, act, event or omission that is specifically identified as an Event of Default elsewhere in this Agreement.

9.2 Remedies.

If an Event of Default occurs and is not cured by Tenant in the time allowed, in addition to any other remedies provided for in this Agreement, including the remedy of Self-help as provided in Section 9.3, the City through the Commissioner or other appropriate City official may exercise any or all of the following remedies:

A. Terminate this Agreement with respect to all or a portion of the Leased Space and exclude Tenant from that part of the Leased Space affected by the termination. If the Commissioner elects to terminate this Agreement, the Commissioner may, at the Commissioner's sole option, serve notice upon Tenant that this Agreement ceases and expires and becomes absolutely void with respect to the Leased Space or that part identified in the notice on the date specified in the notice, to be no less than five days after the date of the notice, without any right on the part of Tenant after that to save the forfeiture by payment of any sum due or by the performance of any term, provision, covenant, agreement or condition broken. At the expiration of the time limit in the notice, this Agreement and the Term of this Agreement, as well as the right, title and interest of Tenant under this Agreement, wholly ceases and expires and becomes void with respect to the Leased Space identified in such notice in the same manner

and with the same force and effect (except as to Tenant's liability) as if the date fixed in the notice were the date in this Agreement stated for expiration of the Term with respect to the Leased Space identified in such notice.

B. Recover all Rent, including Additional Rent and any other amounts due that have accrued and are then due and payable and also all damages available at law or under this Agreement. If the Agreement is terminated, whether in its entirety or with respect to a part of the Leased Space, the damages will include damages for the balance of the scheduled Term, based upon any and all amounts that Tenant would have been obligated to pay for the balance of the Term with respect to the Leased Space, or if this Agreement is terminated with respect to a portion of the Leased Space, that portion of the Leased Space affected by the termination, calculated as provided in this Agreement or, if not fixed, as reasonably estimated and prorated among the various portions of the Leased Space. In determining the amount of damages for the period after termination, the Commissioner may make the determination based upon the sum of any future

payments that would have been due to the City, for the full Lease Year immediately before the Event of Default. All amounts that would have been due and payable after termination for the balance of the Term with respect to all or a portion of the Leased Space must be discounted to present value at the Default Rate existing as of the date of termination. The Commissioner may declare all amounts to be immediately due and payable.

C. At any time after the occurrence of any uncured Event of Default, whether or not the Lease under this Agreement has been terminated, reenter and repossess the Leased Space and/or any part of it with or without process of law, so long as no undue force is used, and the City has the option, but not the obligation, to re-lease all or any part of the Leased Space. The City, however, is not required to accept any Tenant proposed by Tenant or to observe any instruction given the City about such a re-lease. The failure of the City to re-lease the Leased Space or any part or parts of it does not relieve or affect Tenant's liability under this Agreement nor is the City liable for failure to re-lease. Reentry or taking possession of the Leased Space does not constitute an election on the City's part to terminate this Agreement unless a written notice of the election by the Commissioner is given to Tenant. Even if the City re-leases without termination, the Commissioner may at any time thereafter elect to terminate this Agreement for any previous uncured Event of Default. For the purpose of re-leasing, the Commissioner may decorate or make repairs, changes, alterations or additions in or to the Leased Space to the extent deemed by the Commissioner to be desirable or convenient, and the cost of the decoration, repairs, changes, alterations or additions will be charged to and payable by Tenant as Additional Rent under this Agreement. Any sums collected by the City from any new Tenant obtained on account of Tenant will be credited against the balance of the Rent due under this Agreement. Tenant must pay the City monthly, on the days when payments of Rent would have been payable under this Agreement, the amount due under this Agreement less the amount obtained by the City from the new Tenant, if any.

D. Enter upon the Leased Space, distrain upon and remove from it all inventory, equipment, machinery, trade fixtures and personal property of any kind or nature, whether owned by Tenant or by others, and to proceed without judicial decree, writ of execution or

52

assistance or involvement of constables or the City's and Tenant's officers, to conduct a private sale, by auction or sealed bid without restriction. Tenant waives the benefit of all laws, whether now in force or later enacted, exempting any of Tenant's property on the Leased Space or elsewhere from distraint, levy or sale in any legal proceedings taken by the City to enforce any rights under this Agreement.

E. Seek and obtain specific performance, a temporary restraining order or an injunction, or any other appropriate equitable remedy.

F. Seek and obtain money damages; including special, exemplary, incidental and consequential damages.

G. Deem Tenant and Affiliates non-responsible in future contracts or concessions to be awarded by the City.

H. Declare Tenant and Affiliates in default under any other existing contracts or agreements they might have with the City and to exercise any remedies available under those other contracts or agreements.

I. Accept the assignment of any and all Subcontracts between Tenant and the design and construction Subcontractors.

J. Require Tenant to terminate a Subcontractor that is causing breaches of this Agreement.

9.3 Commissioner's Right to Perform Tenant's Obligations.

A. Upon the occurrence of an Event of Default that Tenant has failed to cure in the time provided, the Commissioner may, but is not obligated to, make any payment or perform any act required to be performed by Tenant under this Agreement in any manner deemed expedient by the Commissioner for the purpose of correcting the condition that gave rise to the Event of Default ("Self-help"). The Commissioner's inaction never constitutes a waiver of any right accruing to the City under this Agreement nor do the provisions of this section or any exercise by the Commissioner of Self-help under this Agreement cure any Event of Default. Any exercise of Self-help does not limit the right of any other City department or agency to enforce applicable City ordinances or regulations.

B. The Commissioner, in making any payment that Tenant has failed to pay:

i) relating to taxes, may do so according to any bill, statement or estimate, without inquiry into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim;

ii) for the discharge, compromise or settlement of any lien, may do so without inquiry as to the validity or amount of any claim for lien that may be asserted; and

53

(iii) in connection with the completion of construction, furnishing or equipping of the Leased Space or the licensing, operation or management of the Leased Space or the payment of any of its operating costs, may do so in such amounts and to such persons as the Commissioner may deem appropriate.

Nothing contained in this Agreement requires the Commissioner to advance monies for any purpose.

C. If Tenant fails to perform its obligations under this Agreement to maintain and operate the Leased Space in accordance with specified standards within 3 days following written notice from the Commissioner, or in the event of a serious health or safety concern or in an emergency (in which case no notice is required) the Commissioner may, but is not obligated to, direct the Department to perform or cause the performance of any such obligation in any manner deemed expedient by the Commissioner for the purpose of correcting the condition in question.

D. All sums paid by the City under the provisions of this Section and all necessary and incidental costs, expenses and reasonable attorneys' fees in connection with the performance of any such act by the Commissioner, together with interest thereon at the Default Rate, from the date of the City's payment until the date paid by Tenant, are deemed Additional Rent under this Agreement and are payable to the City within 10 days after demand therefor, or at the option of the Commissioner, may be added to any Rent then due or later becoming due under this Agreement, and Tenant covenants to pay any such sum or sums with interest at the Default Rate.

9.4 Effect of Default and Remedies

A. Tenant, for itself and on behalf of any and all persons claiming through or under it (including creditors of all kinds), waives and surrenders all right and privilege that they or any of them might have under or by reason of any present or future law, to redeem the Leased Space or to have a continuance of this Agreement for the Term, as it may have been extended, after having been dispossessed or ejected by process of law or under the terms of this Agreement or after the termination of this Agreement as provided in this Agreement.

B. The City's waiver of any one right or remedy provided in this Agreement does not constitute a waiver of any other right or remedy then or later available to the City under this Agreement or otherwise. A failure by the City or the Commissioner to take any action with respect to any Event of Default or violation of any of the terms, covenants or conditions of this Agreement by Tenant will not in any respect limit, prejudice, diminish or constitute a waiver of any rights of the City to act with respect to any prior, contemporaneous or later violation or Event of Default or with respect to any continuation or repetition of the original violation or Event of Default. The acceptance by the City of payment for any period or periods after an Event of Default or violation of any of the terms, conditions and covenants of this Agreement does not constitute a waiver or diminution of, nor create any limitation upon any right of the

City under this Agreement to terminate this Agreement for subsequent violation or Event of Default, or for continuation or repetition of the original violation or Event of Default. Tenant has no claim of any kind against the City by reason of the City's exercise of any of its rights as set forth in this Agreement or by reason of any act incidental or related to the exercise of rights.

C. All rights and remedies of the City under this Agreement are separate and cumulative, and none excludes any other right or remedy of the City set forth in this Agreement or allowed by law or in equity. No termination of this Agreement or the taking or recovery of the Leased Space deprives the City of any of its remedies against Tenant for Rent, including Additional Rent or other amounts due or for damages for the Tenant's breach of this Agreement. Every right and remedy of the City under this Agreement survives the expiration of the Term or the termination of this Agreement.

ARTICLE 10 SPECIAL CONDITIONS

10.1 Warranties and Representations. In connection with the execution of this Agreement, Tenant warrants and represents statements (A) through (L) below are true as of the Effective Date. If during the Term there is any change in circumstances that would cause a statement to be untrue, Tenant must promptly notify the Commissioner in writing. Failure to do so will constitute an Event of Default. Tenant must incorporate all of the provisions set forth in this Section 10.1 in all Subcontracts entered into with any suppliers of materials, furnishers of services, Subcontractors, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any materials, labor or services in connection with this Agreement, such that the parties warrant, represent and covenant to Tenant as to the matters set forth in this Section. Tenant must cause its Subcontractors to execute those affidavits and certificates that may be necessary in furtherance of these provisions. The certifications must be attached and incorporated by reference in the applicable agreements. If any Subcontractor is a partnership or joint venture, Tenant must also include provisions in its Subcontract ensuring that the entities comprising the partnership or joint venture are jointly and severally liable for its obligations under it.

A. Tenant is financially solvent; Tenant holds itself to very high standards of quality and professionalism; Tenant and each of its employees and agents are competent to perform as required under this Agreement; this Agreement is feasible of performance by Tenant in accordance with all of its provisions and requirements; Tenant has the full power and is legally authorized to perform or cause to be performed its obligations under this Agreement under the terms and conditions stated in this Agreement; and Tenant can and will perform, or cause to be performed, all of its obligations under this Agreement in accordance with the provisions and requirements of this Agreement

B. Tenant is qualified to do business in the State of Illinois; and Tenant has a valid current business privilege license to do business in the State of Illinois and the City of Chicago, if required by applicable law.

C. The person signing this Agreement on behalf of Tenant has been duly authorized to do so by Tenant; all approvals or consents necessary in order for Tenant to execute and deliver this Agreement have been obtained; and neither the execution and delivery of this Agreement, the consummation of the transactions contemplated, nor the fulfillment of or compliance with the terms and conditions of this Agreement:

i) conflict with or result in a breach, default or violations of: Tenant's organizational documents; any law, regulation, ordinance, court order, injunction, or decree of any court, administrative agency or governmental body, or any lease or permit; or any of the terms, conditions or provisions of any restriction or any agreement or other instrument to which Tenant is now a party or by which it is bound; or

ii) result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of Tenant under the terms of any instrument or agreement.

D. There is no litigation, claim, investigation, challenge or other proceeding now pending or, to Tenant's knowledge after due and complete investigation, threatened, challenging the existence or powers of Tenant, or in any way affecting its ability to execute or perform under this Agreement or in any way having a material adverse effect on the operations, properties, business or finances of Tenant.

E. This Agreement constitutes the legal, valid and binding obligation of Tenant, enforceable against Tenant in accordance with its terms, subject to applicable bankruptcy, insolvency, moratorium and other laws affecting creditors' rights and remedies generally and by the application of equitable principles.

F. No officer, agent or employee of the City is employed by Tenant or has a financial interest directly or indirectly in this Agreement, a Subcontract under it, or the compensation to be paid under it except as may be permitted in writing by the Board of Ethics established under Chapter 2-156 of the Municipal Code and as may otherwise be permitted by law.

G. Tenant has not and will not knowingly used the services of any person or entity for any purpose in its performance under this Agreement, when such person or entity is ineligible to perform services under this Agreement or in connection with it, as a result of any local, state or federal law, rule or regulation, or when such person or entity has an interest that would conflict the performance of services under this Agreement.

H. There was no broker instrumental in consummating this Agreement and no conversations or prior negotiations were had with any broker concerning the rights granted in this Agreement with respect to the Leased Space. Tenant shall hold the City harmless against any claims for brokerage commission arising out of any conversations or negotiations had by Tenant with any broker.

I. Neither Tenant nor any Affiliate of Tenant is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U. S.

Department of Commerce or their successors, or on any other list of persons with which the City may not do business under applicable law: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, and Entity List, and the Debarred List.

J. Tenant, and to the best of Tenant's knowledge, its Affiliates, Subcontractors, any of their respective owners holding 7.5% or more beneficial ownership interest, and any of Tenant's directors, officers, members, or partners:

i) currently have no interest, directly or indirectly, that conflicts in any manner or degree with Tenant's performance under this Agreement and will not at any time during the Term have any interest nor acquire any interest, directly or indirectly, that conflicts or would or may conflict in any manner or degree with Tenant's performance under this Agreement;

ii) have no outstanding parking violation complaints or debts, as the terms are defined in Section 2-92-380 of the Municipal Code (With the exception of any debt or obligation that is being contested in a pending administrative or judicial proceeding) and agrees that, for the Term, they will promptly pay any debts, outstanding parking violation complaints or monetary obligations to the City that may arise during the Term, with the exception of any debt or obligation that is being contested in a pending administrative or judicial proceeding;

iii) are not in default under any other City contract or agreement as of the Effective Date, nor have been deemed by the City to have been in default of any other City contract or agreement within five years immediately preceding the Effective Date;

iv) are not in violation of the provisions of § 2-92-320 of the Municipal Code pertaining to certain criminal convictions or admissions of guilt and are not currently debarred or suspended from contracting by any Federal, State or local governmental agency;

v) are not delinquent in the payment of any taxes due to the City; and

vi) will not make use of the Leased Space in any manner that might interfere with the landing and taking off of aircraft at the Airport under current or future conditions or that might otherwise constitute a hazard to the operations of the Airport or to the public generally.

K. Except only for those representations, statements, or promises expressly contained in this Agreement, including any Exhibits attached to this Agreement and incorporated by reference in this Agreement, no representation, warranty of fitness, statement or promise, oral or in writing, or of any kind whatsoever, by the City, its officials, agents, or employees, has induced Tenant to enter into this Agreement or has been relied upon by Tenant, including any with reference to:

(i) the meaning, correctness, suitability or completeness of any provisions or

requirements of this Agreement;

ii) the nature of the Concession license being granted;

iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities, needed for the performance of this Agreement;

iv) the general conditions that may in any way affect this Agreement or its performance;

v) the compensation provisions of this Agreement; or

vi) any other matters, whether similar to or different from those referred to in clauses (i) through (iv) immediately above, affecting or having any connection with this Agreement, the negotiation of this Agreement, any discussions of this Agreement, the performance of this Agreement or those employed in connection with it.

10.2 Business Documents, Disclosure of Ownership Interests and Maintenance

of Existence.

A. Tenant must provide evidence of its authority to do business in the State of Illinois including, if applicable, certifications of good standing from the Office of the Secretary of State of Illinois, and appropriate resolutions or other evidence of the authority of the persons executing this Agreement on behalf of Tenant.

B. Tenant has provided the Commissioner with an Economic Disclosure Statement and Affidavit ("EDS") for itself and EDS(s) for all entities with an ownership interest of 7.5 percent or more in Tenant, copies of which have been scanned for viewing on the City's website. Upon request by the Commissioner, Tenant must further cause its Subcontractors, subtenants, sublicensees and proposed Transferees (and their respective 7.5 percent owners) to submit an EDS to the Commissioner. Tenant must provide the Commissioner, upon request, a "no change" affidavit if the information in the EDS(s) previously supplied remains accurate, or revised and accurate EDS(s) if the information contained in the EDS(s) has changed. In addition, Tenant must provide the City revised and accurate EDS(s) within 30 days of any event or change in circumstance that renders the EDS(s) inaccurate. Failure to maintain accurate EDS(s) on file with the City is an Event of Default.

10.3 Licenses and Permits. Tenant must in a timely manner consistent with its

obligations under this Agreement, secure and maintain, or cause to be secured and maintained

at its expense, the permits, licenses, authorizations and approvals as are necessary under

federal, state or local law for Tenant, its subtenants (if any), and Subcontractors: to operate the

Concession; to construct, operate, use and maintain the Leased Space; and otherwise to comply

with the terms of this Agreement and the privileges granted under this Agreement. Tenant must

promptly provide copies of any required licenses and permits to the Commissioner and to the

Concession Management Representative.

4 Confidentiality. Except as may be required by law during or after the performance of this Agreement, Tenant will not disseminate any non-public information regarding this Agreement or the Concession operations without the prior written consent of the Commissioner, which consent will not be unreasonably withheld or delayed. If Tenant is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any documents that may be in its possession by reason of this Agreement, Tenant must immediately give notice to the City's

Corporation Counsel. The City may contest the process by any means available to it before the records or documents are submitted to a court or other third party. Tenant, however, is not obligated to withhold the delivery beyond that time as may be ordered by the court or administrative agency, and unless the subpoena or request is quashed or the time to produce is otherwise extended. Tenant must require each prospective Subcontractor to abide by such restrictions in connection with their respective Subcontracts.

5 Subcontracts and Assignments.

A. The City expressly reserves the right to assign or otherwise transfer all or any part of its interest under this Agreement, at any time and to any third party. Upon assignment to any successor or assignee of the City's right, title and interest in and to the Airport, the City is forever relieved, from and after the date of the assignment, of any and all obligations arising under or out of this Agreement, to the extent the obligations are assumed by the successor or assignee.

B. Limits on Tenant's transfers and changes in ownership:

i) Tenant may not sell, assign, sublease, sublicense, convey, pledge, encumber or otherwise transfer (individually and collectively, "Transfer") all or any part of its rights or interests in or to this Agreement, the License, the Leased Space, the Term, or otherwise permit any third party to use the Leased Space, without prior consent of the City, which consent may be given or denied in the City's sole and absolute discretion. Consent by the City does not relieve Tenant from obtaining further consent from the City for any subsequent Transfer. Transfers involving all of Tenant's interest in this Agreement require approval of the City Council. Transfers of less than all of Tenant's interest in this Agreement require approval of the Commissioner. Consent by the City to any Transfer does not relieve Tenant from the requirement of obtaining consent from the City for any subsequent Transfer. Transfers that have the effect of granting a third party a security interest in this Agreement or the Leased Space as collateral for Tenant financing are strictly prohibited and, if entered into by Tenant, are an Event of Default.

ii) Except as otherwise provided below, any transaction involving a change of any ownership interest in Tenant, whether to an Affiliate, subsidiary or otherwise, or the transfer of an interest in any holder of a direct or indirect ownership interest in Tenant, or any merger or consolidation of Tenant (individually and collectively, "Change in Ownership"), is subject to the consent of:

59

a. City Council, in its sole discretion, if the Change in Ownership involves a 100% Change in Ownership of Tenant, or

b. the Commissioner, in the Commissioner's reasonable discretion, if the Change in Ownership involves less than a 100% Change in Ownership of Tenant.

iii) If Tenant (or, if Tenant is a joint venture or other entity comprised of other entities, any of the entities comprising Tenant) is a corporation whose shares are traded at arms-length on a public exchange, any Change in Ownership involving 5% or more of the shares of Tenant's (or if Tenant is a joint venture or other entity comprised of other entities, of any of the entities comprising Tenant) stock is subject to the City's consent as set forth above. In that event, Tenant must provide the City with such prior notice of a Change in Ownership as is not prohibited by law or by a confidentiality agreement executed in connection with the proposed Change in Ownership. If such prior notice is not permitted, then Tenant must notify the City as soon as possible after the Change in Ownership to obtain the City's consent to the Change in Ownership, which consent the City may grant or deny in its sole discretion. If Tenant (or if Tenant is a joint venture or other entity comprised of other entities, of any of the entities comprising Tenant) is a publicly traded

corporation, a Change in Ownership of less than 5% does not require consent as set forth in (ii) above unless a series of such transactions results in a cumulative Change in Ownership of 5% or more.

iv) Consent by the City to any Change in Ownership does not relieve Tenant (or if Tenant is a joint venture, any of the entities comprising Tenant) from the requirement of obtaining consent from the City for any subsequent Change in Ownership.

v) Any Transfer or Change in Ownership made without the City's prior consent is an Event of Default subject to all remedies, including termination of this Agreement at the City's option, and does not relieve Tenant of any of its obligations under this Agreement for the balance of the Term. This section applies to prohibit a Transfer, such as an assignment by a receiver or trustee in any federal or state bankruptcy, insolvency or other proceedings or by operation of law. Under no circumstances will any failure by the Commissioner to act on or submit any request by Tenant or to take any other action as provided in this Agreement be deemed or construed to constitute consent to the Tenant's request by the Commissioner or by the City Council. If the City is found to have breached its obligations under this Section, then Tenant's sole remedy is to terminate this Agreement without liability to either the City or Tenant.

vi) Notwithstanding any permitted Transfer by Tenant of any rights under this Agreement, Tenant remains fully liable for all payments due to the City under this Agreement and for the performance of all other obligations under this Agreement. In the event of a permitted Transfer of the License or all or any portion of the Leased Space or Transfer of all or any portion of the Term, where the fees payable to Tenant exceed the Rent or pro rata portion of the Rent under this Agreement, as the case may be, for the License, Leased Space or Term, Tenant must pay the City monthly, as Additional Rent, at the same time as the monthly

60

installments of other Rent under this Agreement that are payable in monthly installments, the excess of the fees payable to Tenant pursuant to the Transfer over the Rent payable to the City under this Agreement.

vii) Any or all of the requests by Tenant for consents under this Section must be made in writing and provided to the Commissioner (a) at least 60 days prior to the proposed Transfer or Change in Ownership if the Commissioner's consent is required; and (b) at least 120 days prior to a proposed Transfer or Change in Ownership if the City Council's consent is required, unless the City determines that more time is required. All requests for consent must include copies of the proposed documents of Transfer or Change in Ownership, evidence of the financial condition, reputation and business experience of the proposed transferee, completed Economic Disclosure Statements and Affidavits for all involved parties in the form then required by the City, and such other documents as the City may reasonably require to evaluate the proposed Transfer or Change in Ownership. All documents of Transfer or Change in Ownership must completely disclose any and all monetary considerations payable to Tenant in connection with the Transfer or Change in Ownership. Consent to a Transfer or Change in Ownership proposed under this Agreement is in the sole discretion of the City and, as a condition of the consent, the City may require a written acknowledgment from Tenant that, notwithstanding the proposed Transfer or Change in Ownership, Tenant remains fully and completely liable for all obligations of Tenant under this Agreement; however, Tenant shall remain so liable regardless of whether or not the City requests a written acknowledgment.

viii) If any Transfer or Change in Ownership under this Agreement occurs, whether or not prohibited by this section, the Commissioner may collect the Rent payable under this Agreement from any transferee of Tenant and in that event will apply the net amount collected to the amounts payable by Tenant under this Agreement without, by doing so, releasing Tenant from this Agreement or any of its obligations under this Agreement. If any Transfer or Change in Ownership occurs without the consent of the City and the City collects compensation from any transferee of Tenant and

applies the net amount collected in the manner described in the preceding sentence, the actions by the City are not deemed to be waiver of the covenant contained in this section and do not constitute acceptance of the transferee by the City.

ix) All reasonable costs and expenses incurred by the City in connection with any prohibited or permitted Transfer or Change in Ownership must be borne by Tenant and are payable to the City as Additional Rent.

C. The provisions of this Agreement, to the extent applicable, are deemed a part of any sublease or contract between Tenant and a subtenant or Subcontractor.

D. Assignment of Subleases, Sublicenses and Subcontracts.

(i) Tenant shall assign to the City all of Tenant's right, title and interest in and to each and every permitted sublease and sublicense and each and every Subcontract with a design and construction Subcontractor, now or later executed by Tenant in connection with

61

the License or the Leased Space or any part of it. In connection with the assignment, Tenant must deliver all originally executed subleases, sublicenses and Subcontracts to the Commissioner. Any such assignment will become operative and effective only when and if the City accepts the assignment by giving written notice to Tenant and:

- a. either this Agreement and the Term of this Agreement or Tenant's right to possession under this Agreement are terminated pursuant to Article 9; or
- b. in the event of the issuance and execution of a dispossess warrant or of any other re-entry or repossession by the City under the provisions of this Agreement; or
- c. if an Event of Default exists.

(ii) At the time, if any, that the assignment becomes effective as provided above, the subtenants or Subcontractors will be deemed to have waived all claims, suits, and causes of action against the City arising out of or relating to the period before the effective date of the assignment. Further, in no instance will the City be responsible for any claims by a subtenant or Subcontractor arising from or related to any fraud, misrepresentation, negligence or willful or intentionally tortious conduct by Tenant, its officials, employees, or agents.

10.6 Compliance with Laws. Tenant must at all times observe and comply with all applicable laws, statutes, ordinances, rules, regulations, court orders and executive or administrative orders and directives of the federal, state and local government, now existing or later in effect (whether or not the law also requires compliance by other parties), including the Americans with Disabilities Act and Environmental Laws, that may in any manner affect the performance of this Agreement (collectively, "Laws"), and must not use the Leased Space, or allow the Leased Space to be used, in violation of any Laws or in any manner that would impose liability on the City or Tenant under any Laws. Tenant must notify the City within seven days of receiving notice from a competent governmental authority that Tenant or any of its Subcontractors may have violated any Laws. Provisions required by any Law to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement. Without limiting the foregoing, Tenant covenants that it will

comply with all Laws, including but not limited to the following:

A. In connection with Section 2-92-320 of the Municipal Code, Tenant has executed an Economic Disclosure Statement and Affidavit which is attached to this Agreement as Exhibit 11 and which contains a certification as required under the Illinois Criminal Code, 720 ILCS 5/33E, and under the Illinois Municipal Code, 65 ILCS 5/8-10-1 et seq. Ineligibility under Section 2-92-320 of the Municipal Code continues for 3 years following any conviction

62

or admission of a violation of Section 2-92-320. For purposes of Section 2-92-320, when an official, agent or employee of a business entity has committed any offense under the section on behalf of such an entity and under the direction or authorization of a responsible official of the entity, the business entity is chargeable with the conduct. If, after Tenant enters into a contractual relationship with a Subcontractor, it is determined that the contractual relationship is in violation of this subsection. Tenant must immediately cease to use the Subcontractor. All Subcontracts must provide that Tenant is entitled to recover all payments made by it to the Subcontractor if, before or subsequent to the beginning of the contractual relationship, the use of the Subcontractor would be violative of this subsection.

B. It is the duty of Tenant and all officers, directors, agents, partners, and employees of Tenant to cooperate with the Inspector General and the Legislative Inspector General of the City in any investigation or hearing undertaken under Chapter 2-56 or Chapter 2-55 of the Municipal Code, respectively. Tenant understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code. Tenant must inform all Subcontractors of this provision and require under each Subcontract compliance herewith by each Subcontractor as to each such Subcontractor and all of its officers, directors, agents, partners and employees.

C. Tenant must not use or allow the Leased Space to be used for the release, storage, use, treatment, disposal or other handling of any hazardous substance, as defined in any Environmental Laws, except in full compliance with all Environmental Laws. Tenant must not use or allow the Leased Space to be used for the storage of any such hazardous substances except small amounts of cleaning fluids, business equipment materials (such as copy machine toner) and other small amounts of such hazardous substances customarily handled or used in connection with the Concession operations, all of which must be stored and used in compliance with all applicable Environmental Laws. Upon the expiration or termination of this Agreement, Tenant must surrender the Leased Space to the City free from the presence and contamination of any hazardous substances.

D. In accordance with Section 11 -4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its Subcontractors have not violated and are not in violation of the following sections of the Municipal Code (collectively, the "Waste Sections"):

- 7-28-390 Dumping on public way-Violation-Penalty;
- 7-28-440 Dumping on real estate without permit
- 1-4-1410 Disposal in waters prohibited;
- 1-4-1420 Ballast tank, bilge tank or other discharge;
- 1-4-1450 Gas manufacturing residue;
- 1-4-1500 Treatment and disposal of solid or liquid waste;
- 1-4-1530 Compliance with rules and regulations required;
- 1-4-1550 Operational requirements;
- 1-4-1560 Screening requirements; and

any other sections listed in Section 11-4-1600(e), as it may be amended from time to time.

During the period while this Agreement is executory, Tenant's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an Event of Default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and Event of Default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit the Tenant's and its Subcontractors' duty to comply with all Environmental Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement and may further affect the Tenant's eligibility for future City agreements.

E. Section 2-92-586 of the Municipal Code: The City encourages Tenant to use contractors and subcontractors that are firms owned or operated by individuals with disabilities, as defined by section 2-92-586 of the Municipal Code of the City of Chicago, where not otherwise prohibited by federal or state law.

F. Prohibition on Certain Contributions (Mayoral Executive Order No. 201 1-4):

1. Licensee agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to the Mayor's political fund-raising committee (i) after execution of this bid, proposal or Agreement by Tenant, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.
2. Tenant represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Tenant or the date the Tenant approached the City, as applicable, regarding the

formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

3. Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to the Mayor's political fund-raising committee.

64

- 4. Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

5. Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

6. If Tenant violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Agreement resulting from this specification, the Chief Procurement Officer may reject Tenant's bid.

7. For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to the Mayor's political fund-raising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the city council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- a) they are each other's sole domestic partner, responsible for each other's common welfare;
- b) neither party is married;

- c) the partners are not related by blood closer than would bar marriage in the State of Illinois;
- d) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- e) two of the following four conditions exist for the partners:
 - (i) The partners have been residing together for at least 12 months.

65

- ii) The partners have common or joint ownership of a residence.
- iii) The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
- iv) Each partner identifies the other partner as a primary beneficiary in a will.

"Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

G. Tenant covenants that no payment, gratuity or offer of employment must be made in connection with this Agreement by or on behalf of any Subcontractors or higher tier Subcontractors or anyone associated with them as an inducement for the award of a Subcontract or order; and Tenant further acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 of the Municipal Code is voidable as to the City.

H. Pursuant to section 2-156-030(b) of the Municipal Code, it is illegal for any elected official of the city, or any person acting at the direction of such official, to contact, either orally or in writing, any other city official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any city council committee hearing or in any city council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of §2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement. Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest will not include: (1) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (2) the authorized compensation paid to an official or employee for his office or employment; (3) any economic benefit provided equally to all residents of the city; (4) a time or demand deposit in a financial institution; or (5) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" will not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the city.

I. Visual Rights Act.

i) The Tenant will cause any artist who creates artwork for the Leased Space to waive any and all rights in the artwork that may be granted or conferred on any work of visual art (the "Artwork") under Section 106A and Section 113 of the United States Copyright Act, (17 U.S.C. § 101 et seq.) (the "Copyright Act"). The waiver must include, but is not limited to, the right to prevent the removal, storage, relocation, reinstallation, or transfer of the Artwork. The Tenant acknowledges and will cause the artist to acknowledge that such removal, storage, relocation, reinstallation or transfer of the Artwork may result in the destruction, distortion, mutilation or other modification of the Artwork. Further, the Tenant acknowledges and consents and will cause the artist to acknowledge and consent that the Artwork may be incorporated or made part of a building or other structure in such a way that removing, storing, relocating, reinstalling or transferring the Artwork will cause the destruction, distortion, mutilation or other modification of the Artwork.

ii) The Tenant represents and warrants that it will obtain a waiver of Section 106A and Section 113 of the Copyright Act as necessary from any employees and subcontractors, or any other artists. Tenant must provide City with copies of any such waivers required by Section 106A and Section 113 of the Copyright Act prior to installation of any Artwork in the Leased Space.

10.7 Airport Security.

A. This Agreement is expressly subject to the airport security requirements of Title 49 of the United States Code, Chapter 449, as amended ("Airport Security Laws"), the provisions of which govern airport security and are incorporated by reference, including the rules and regulations promulgated under it. Tenant is subject to, and further must conduct with respect to its Subcontractors and the respective employees of each, such employment investigations, including criminal history record checks, as the Commissioner, the TSA or the FAA may deem necessary. Further, in the event of any threat to civil aviation, as defined in the Airport Security Laws, Tenant must promptly report any information in accordance with those regulations promulgated by the United States Department of Transportation, the TSA and by the City. Tenant must, notwithstanding anything contained in this Agreement to the contrary, at no additional cost to the City, perform under this Agreement in compliance with those guidelines developed by the City, the TSA and the FAA with the objective of maximum security enhancement. The drawings, plans, and specifications provided by Tenant under this Agreement must comply with those guidelines for airport security developed by the City, the TSA and the FAA and in effect at the time of their submission.

B. Further, Tenant must comply with, and require compliance by its Subcontractors, suppliers of materials and furnishers of services, employees, and business invitees, with all present and future laws, rules, regulations, or ordinances promulgated by the City, the TSA or the FAA, or other governmental agencies to protect the security and integrity of the Airport, and to protect against access by unauthorized persons. Subject to the approval

of the TSA, the FAA and the Commissioner, Tenant must adopt procedures to control and limit access to the Airport and the Leased Space by Tenant and its Subcontractors, suppliers of materials and furnishers of services, employees, and business invitees in accordance with all present and future City, TSA and FAA laws, rules, regulations, and ordinances. At

all times during the Term, Tenant must have in place and in operation a security program for the Leased Space that complies with all applicable laws and regulations.

C. Gates and doors located on the Leased Space, if any, that permit entry into restricted areas at the Airport must be kept locked by Tenant at all times when not in use or under Tenant's constant security surveillance. Gate or door malfunctions must be reported to the Commissioner or the Commissioner's designee without delay and must be kept under constant surveillance by Tenant until the malfunction is remedied.

D. In connection with the implementation of its security program, Tenant may receive, gain access to or otherwise obtain certain knowledge and information related to the City's overall Airport security program. Tenant acknowledges that all such knowledge and information is of a highly confidential nature. Tenant covenants that no person will be permitted to gain access to such knowledge and information, unless the person has been approved by the Commissioner in advance in writing. Tenant further must indemnify, hold harmless and defend the City and other users of the Airport from and against any and all claims, reasonable costs, reasonable expenses, damages and liabilities, including all reasonable attorney's fees and costs, resulting directly or indirectly from the breach of Tenant's covenants and agreements as set forth in this section.

E. Tenant understands that fines and/or penalties may be assessed by the TSA or FAA for Tenant's noncompliance with the provisions of 49 CFR Parts 1540 and 1542 entitled "Airport Security" or by other agencies for noncompliance with regulations applicable to Tenant's operations. In the event the City shall be subject to any fine or penalty by reason of any violation at the Airport of any such rule, regulation or standard, the Commissioner may conduct an investigation and make a determination as to the identity of the party responsible for the violation. If it is determined by the Commissioner that Tenant, or any party for which Tenant is liable under this Agreement, is responsible for all or part of the fine or penalty, the Tenant shall pay said amount of the fine or penalty as Additional Rent.

F. Except for authorized members of the Chicago Police Department and State and Federal Law Enforcement officers, no one is permitted to carry a firearm or any other weapon on or into any building, real property, or parking area under the control of O'Hare or Midway International Airports. Under 430 ILCS 66 (the "Illinois Concealed Carry Act"), a license to carry a concealed firearm does NOT entitle the licensee to carry a firearm on or into any building, real property, or parking area under the control of an airport and doing so is a violation of the Concealed Carry Act and other laws, rules, and regulations. Violation of the Illinois Concealed Carry Act and carrying a firearm or other weapons on or into any building, real property, or parking area under the control of O'Hare or Midway Airports may result in severe penalties, including but not limited to imprisonment and permanent revocation of the violator's

access to restricted areas of O'Hare and Midway International Airports. 10.8 Non-

Discrimination.

A. Tenant for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration of this Agreement, covenants that: (i) no person on the grounds of race, color, or national origin will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in the use of the Leased Space; (ii) in the construction of any Improvements on, over, or under the Leased Space and the furnishing of services in them, no person on the grounds of race, color, or national origin will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination; (iii) Tenant will use the Leased Space in compliance with all other requirements imposed by or under 49 C.F.R. Part 21, Nondiscrimination in Federally Assisted Programs

of the Department of Transportation, and as those regulations may be amended; and (iv) Tenant shall operate the Concession on a fair, equal, and not illegally discriminatory basis to all users of it, and shall charge fair, reasonable, and nondiscriminatory prices for Products (but Tenant is allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.) In addition, Tenant assures that it will comply with all other pertinent statutes, Executive Orders and the rules as are promulgated to assure that no person will, on the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from participating in any activity conducted with or benefitting from federal assistance.

B. It is an unlawful practice for Tenant to, and Tenant must at no time: (i) fail or refuse to hire, or discharge, any individual or discriminate against the individual with respect to his or her compensation, or the terms, conditions, or privileges of his or her employment, because of the individual's race, creed, color, religion, sex, age, handicap or national origin; or (ii) limit, segregate, or classify its employees or applicants for employment in any way that would deprive any individual of employment opportunities or otherwise adversely affect his or her status as an employee, because of the individual's race, creed, color, religion, sex, age, handicap or national origin; or (iii) in the exercise of the privileges granted in this Agreement, discriminate or permit discrimination in any manner, including the use of the Leased Space, against any person or group of persons because of race, creed, color, religion, national origin, age, handicap, sex or ancestry. Tenant must post in conspicuous places to which its employees or applicants for employment have access, notices setting forth the provisions of this nondiscrimination clause.

C. Tenant must comply with the Civil Rights Act of 1964, 42 U.S.C. § 2000e et seq. (1981), as amended, and to the extent required by the law, must undertake, implement and operate an affirmative action program in compliance with the rules and regulations of the Federal Equal Employment Opportunity Commission and the Office of Federal Contract Compliance, including 14 CFR Part 152, Subpart E. Attention is called to: Exec. Order No. 11,246, 30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C. § 2000e note, as amended by Exec. Order No. 11,375, 32 Fed. Reg. 14,303 (1967) and by Exec. Order No. 12,086, 43 Fed. Reg.

46,501 (1978); Age Discrimination Act, 42 U.S.C. §§ 6101-06 (1981); Rehabilitation Act of 1973, 29 U.S.C. §§ 793-94 (1981); Americans with Disabilities Act, 42 U.S.C. § 12101 and 41 CFR Part 60 et seq (1990) and 49 CFR Part 21, as amended (the "ADA"); and all other applicable federal statutes, regulations and other laws.

D. Tenant must comply with the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. as amended and any rules and regulations promulgated in accordance with it, including the Equal Employment Opportunity Clause, 5 III. Admin. Code §750 Appendix A. Furthermore, Tenant must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq., as amended, and all other applicable state statutes, regulations and other laws.

E. Tenant must comply with the Chicago Human Rights Ordinance, sec. 2-160-010 et seq. of the Municipal Code, as amended, and all other applicable City ordinances and rules. Further, Tenant must furnish or must cause each of its Subcontractors) to furnish such reports and information as requested by the Chicago Commission on Human Relations.

F. The Tenant agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefitting from Federal assistance. If the Tenant transfers its obligation to another, the transferee is obligated in the same manner as the Tenant.

This provision obligates the Tenant for the period during which the property is owned, used or possessed by the

Tenant and the airport remains obligated to the Federal Aviation Administration. This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

G. During the performance of this contract, the Tenant, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor"), agrees as follows:

1. Compliance with Regulations: The Contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
2. Nondiscrimination: The Contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.
3. Solicitations for Subcontracts, including Procurements of Materials and Equipment:

70

In all solicitations, either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Contractor of the contractor's obligations under this contract and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.

4. Information and Reports: The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the Contractor will so certify to the sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.
5. Sanctions for Noncompliance: In the event of a Contractor's noncompliance with the non-discrimination provisions of this contract, the sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:
 - a. Withholding payments to the Contractor under the contract until the Contractor complies; and/or
 - b. Cancelling, terminating, or suspending a contract, in whole or in part.
6. Incorporation of Provisions: The Contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The Contractor will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Contractor may request the sponsor to enter into any litigation to protect the interests of the sponsor. In addition, the Contractor may request the United States to enter into the litigation to protect the interests of the United

States.

H. The Tenant for himself/herself, his/her heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin,

71

will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the Tenant will use the premises in compliance with all other requirements imposed by or pursuant to the List of discrimination Acts And Authorities.

With respect to Tenant, in the event of breach of any of the above nondiscrimination covenants, the City will have the right to terminate the Agreement and to enter or re-enter and repossess said land and the facilities thereon, and hold the same as if said Agreement had never been made or issued.

I. During the performance of this contract, the Tenant, for itself, its assignees, and successors in interest agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC § 2000d et seq., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination in Federally-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 USC § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973 (29 USC § 794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended (42 USC § 6101 et seq.) (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982 (49 USC § 471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987 (PL 100-209) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public

accommodation, and certain testing entities (42 USC §§ 12131 - 12189) as implemented by U.S. Department of Transportation regulations at 49 CFR parts 37 and 38;

72

- The Federal Aviation Administration's Nondiscrimination statute (49 USC § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC 1681 et seq).

J. Tenant must insert these non-discrimination provisions in any agreement by which Tenant grants a right or privilege to any person, firm, or corporation to render accommodations and/or services to the public on the Leased Space. Tenant must incorporate all of the above provisions in all agreements entered into with any subtenants, suppliers of materials, furnishers of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services in connection with this Agreement, and Tenant must require them to comply with the law and enforce the requirements. In all solicitations either by competitive bidding or negotiations by Tenant for work to be performed under a Subcontract, including procurements of materials or leases of equipment, each potential Subcontractor or supplier must be notified by Tenant of the Tenant's obligations under this Agreement relative to nondiscrimination.

K. Noncompliance with this Section will constitute a material breach of this Agreement; therefore, in the event of such breach, Tenant authorizes the City to take such action as federal, state or local laws permit to enforce compliance, including judicial enforcement. In the event of Tenant's noncompliance with the nondiscrimination provisions of this Agreement, the City may impose such sanctions as it or the Federal or state government may determine to be reasonably appropriate, including cancellation, termination or suspension of the Agreement, in whole or in part.

L. Tenant must permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the City, the Commissioner or the federal government to be pertinent to ascertain compliance with the terms of this Section. Tenant must furnish to any agency of the Federal or state government or the City, as required, any and all documents, reports and records required by Title 14, Code of Federal Regulations,

73

Part 152, Subpart E, including an affirmative action plan and Form EEO-1.

M. The City is committed to compliance with federal Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency ("LEP"), and related FAA guidance. Tenant must cooperate with the City, and require its Subcontractors to cooperate, in updating and implementing the LEP access plan. This may include but is not limited to collecting demographic data and conducting surveys of LEP customers, providing multilingual signage and menus, and hiring multilingual staff.

9 Airport Concession Disadvantaged Business Enterprises (ACDBEs). This Agreement is subject to the requirements of the U.S. Department of Transportation's regulations 49 C.F.R. Parts 26 and 23, as amended from time to time. Tenant must comply with the Special Conditions Regarding ACDBE participation attached hereto as Exhibit 8 and incorporated here by reference. Failure to comply with such Special Conditions shall be an Event of Default.

10 No Exclusive Rights. Nothing contained in this Agreement must be construed to grant or authorize the granting of an exclusive right, including an exclusive right to provide aeronautical services to the public as prohibited by section 308(a) of the Federal Aviation Act of 1958, as amended, and the City reserves the right to grant to others the privilege and right of conducting any one or all activities of an aeronautical nature. It is clearly understood by Tenant that no right or privilege has been granted that would operate to prevent any person, firm, or corporation operating aircraft on the Airport from performing any services on its own aircraft with its own regular employees (including maintenance and repair) that it may choose to perform.

11 Airport Landing Area. The City reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Tenant, and without interference or hindrance. The City reserves the right, but is not obligated to Tenant, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of Tenant in this regard.

12 No Obstructions. Tenant must comply with applicable notification and review requirements covered in Part 77 of the Federal Aviation Regulations if any future structure or building is planned for the Leased Space, or in the event of any planned modification or alteration of any present or future building or structure situated on the Leased Space. Tenant, by accepting the Lease, expressly agrees for itself, its successors and assigns that it will not erect nor permit the erection of any structure or object nor permit the growth of any tree on the Leased Space above the applicable mean sea level elevation set forth in Part 77 of the Federal Aviation Regulations. If these covenants are breached, the City serves the right to enter upon the Leased Space and to remove the offending structure or object and/or cut down the offending tree, all of which will be at the expense of Tenant.

13 Avigation Easement. There is reserved to the City, its successors and assigns for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the Leased Space. This public right of flight includes the right to cause in the airspace any noise inherent in the operation of any aircraft used for navigation or flight through the airspace or landing at, taking off from, or operation on the Airport. Tenant by accepting this Lease agrees for itself, its successors, and assigns that it will not make use of the Leased Space in any manner that might interfere with the landing and taking off of aircraft from Airport or otherwise constitute a hazard. If this covenant is breached, the City reserves the right to enter upon the Leased Space and cause the abatement of the interference at the expense of Tenant.

14 National Emergency. This Agreement and all the provisions of this Agreement are subject to whatever right the United States government now has or in the future may have or acquire affecting the control, operation,

regulation, and taking over of the Airport, or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

15 **2014 Hiring Prohibitions.**

A) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

B) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire an individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel of Tenant in connection with this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Contract is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel of Tenant.

C) Tenant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel associated with this Lease, or offer employment to any individual to provide services associated with this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

75

(D) In the event of any communication to Tenant by a City employee or City official in violation of Section 15.5 (b) above, or advocating a violation of Section 15.5(c) above. Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the Commissioner of the Department.

ARTICLE 11 GENERAL CONDITIONS

1 Entire Agreement. This Agreement contains all the terms, covenants, conditions and agreements between the City and Tenant relating in any manner to the use and occupancy of the Leased Space and otherwise to the subject matter of this Agreement. No prior or other agreement or understandings pertaining to these matters are valid or of any force and effect. This Agreement supersedes all prior or contemporaneous negotiations, undertakings, and agreements between the parties. No representations, inducements, understandings or anything of any nature whatsoever made, stated or represented by the City or anyone acting for or on the City's behalf, either orally or in writing, have induced Tenant to enter into this Agreement, and Tenant acknowledges, represents and warrants that Tenant has entered into this Agreement under and by virtue of Tenant's own independent investigation.

2 Counterparts. This Agreement may be comprised of several identical counterparts and may be fully executed by the parties in separate counterparts. Each such counterpart is deemed to be an original, but all such

counterparts together must constitute but one and the same Agreement.

3 Amendments. Except as otherwise expressly provided in this Agreement, the provisions of this Agreement may be amended only by a written agreement signed by the City and Tenant. No review or approval by the Commissioner, including approval of Construction Documents, constitutes a modification of this Agreement (except to the extent that the review or approval expressly provides that it constitutes such a modification or it is apparent on its face that the review or approval, if made in writing, modifies terms or provisions of this Agreement that are within the express powers of the Commissioner under this Agreement to modify), nor excuse Tenant from compliance with the requirements of this Agreement or of any applicable laws, ordinances or regulations. Amendments must be signed by the Mayor, provided that the Commissioner alone may sign amendments to the Exhibits. Notwithstanding the foregoing, any amendment that would modify the Agreement such that the Agreement would no longer substantially conform to the form of Agreement that was approved by City Council requires approval by the City Council.

4 Severability. Whenever possible, each provision of this Agreement must be interpreted in such a manner as to be effective and valid under applicable law. However, notwithstanding anything contained in this Agreement to the contrary, if any provision of this Agreement is under any circumstance prohibited by or invalid under applicable law, the provision is severable and deemed to be ineffective, only to the extent of the prohibition or invalidity, without invalidating the remaining provisions of this Agreement or the validity of

the provision in other circumstances.

11.5 Covenants in Subcontracts. All obligations imposed on Tenant under this Agreement pertaining to the maintenance and operation of the Leased Space and compliance with the ACDBE requirements in this Agreement are deemed to include a covenant by Tenant to insert appropriate provisions in all Subcontracts covering work under this Agreement and to enforce compliance of all Subcontractors with the requirements of those provisions.

11.6 Governing Law. This agreement is deemed made in the state of Illinois and governed as to performance and interpretation in accordance with the laws of Illinois. Tenant irrevocably submits itself to the original jurisdiction of those courts located within Cook County, Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. Tenant consents to service of process on Tenant, at the option of the City, by registered or certified mail addressed to the applicable office as provided for in this Agreement, by registered or certified mail addressed to the office actually maintained by Tenant, or by personal delivery on any officer, director, or managing or general agent of Tenant. If any action is brought by Tenant against the City concerning this Agreement, the action can only be brought in those courts located within Cook County, Illinois.

11.7 Notices. Any notices or other communications pertaining to this Agreement must be in writing and are deemed to have been given by a party if sent by nationally recognized commercial overnight courier or registered or certified mail, return receipt requested, postage prepaid and addressed to the other party. Notices are deemed given on the date of receipt if by personal service, or one day after deposit with a nationally recognized commercial overnight courier, 3 days after deposit in the U.S. mails, or otherwise upon refusal of receipt. Unless otherwise directed by Tenant in writing, all notices or communications from City to Tenant will be addressed to the person identified as the Tenant's contact person in the Tenant's Economic Disclosure Statement and Affidavit, as attached as Exhibit 11. All notices or communications from Tenant to the City must be addressed to:

Commissioner, Chicago Department of Aviation City of Chicago O'Hare
International Airport 10510 W. Zemke Rd Chicago, Illinois 60666

HMSHost 7th Floor
6905 Rockledge Drive Bethesda, MD 20817

and with a copy to: Deputy Commissioner of Concessions at the same address.

77

If the notice or communication relates to payment of Rent or other payments to the City or relates to the Security deposit or insurance requirements, a copy must be sent to:

City Comptroller City of Chicago City Hall-Room 501
121 N. LaSalle Street Chicago, Illinois 60602

HMSHost 7th Floor
6905 Rockledge Drive Bethesda, MD20817

If the notice or communication relates to a legal matter or the indemnification requirements, a copy must be sent to:

City of Chicago, Department of Law
Aviation, Environmental, Regulatory and Contracts Division
2 North LaSalle Street, Suite 540
Chicago, Illinois 60602
Attn: Deputy Corporation Counsel

HMSHost 7th Floor
6905 Rockledge Drive Bethesda, MD20817

Either party may change its address or the individual to whom the notices are to be given by a notice given to the other party in the manner set forth above.

11.8 Successors and Assigns; No Third-Party Beneficiaries. This Agreement inures to the exclusive benefit of and be binding upon, the parties and their permitted successors and assigns; nothing contained in this Section, however, constitutes approval of an assignment or other transfer by Tenant not otherwise permitted in this Agreement. Nothing in this Agreement, express or implied, is intended to confer on any other person, sole proprietorship, partnership, corporation, trust or other entity, other than the parties and their successors and assigns, any right, remedy, obligation, or liability under, or by reason of, this Agreement unless otherwise expressly agreed to by the parties in writing. No benefits, payments or considerations received by Tenant for the performance of services associated and pertinent to this Agreement must accrue, directly or indirectly, to any employees, elected or appointed officers or representatives, or to any other person or persons identified as agents

78

of, or who are by definition an employee of, the City. Neither this Agreement nor any rights or privileges under this Agreement are an asset of Tenant or any third party claiming by or through Tenant or otherwise, in any bankruptcy, insolvency or reorganization proceeding.

9 Subordination.

A. This Agreement is subordinate to the provisions and requirements of any existing or future agreements between the City and the United States government or other governmental authority, pertaining to the development, operation or maintenance of the Airport, including agreements the execution of which have been or will be required as a condition precedent to the granting of federal or other governmental funds for the development of the Airport. If the United States government requires modifications, revisions, supplements or deletions of any of the terms of this Agreement, then Tenant consents to the changes to this Agreement.

B. This Agreement and all rights granted to Tenant under this Agreement are expressly subordinated and subject to any existing agreement or any Use Agreement with any airline utilizing the Airport, including the Terminals, and any existing agreement with any airline consortium pertaining to the operation of the Airport, including the Terminals.

C. To the extent of a conflict or inconsistency between this Agreement and any agreement described in paragraphs A. and B. above, those provisions in this Agreement so conflicting must be performed as required by those agreements referred to in paragraphs A. and B.

10 Conflict. In the event of any conflict between the terms and provisions of this Agreement and the terms and provisions of any sublease or Subcontract between Tenant and third parties, the terms and provisions of this Agreement govern and control.

11 Offset by Tenant. Whenever in this Agreement the City is obligated to pay Tenant an amount, then the City Comptroller may elect to require Tenant to offset the amount due against Rent or other payments owed by Tenant to the City, in lieu of requiring the City to pay such amount. Tenant shall have no right to offset any amount due to City under this Agreement against amounts due to Tenant by City unless so directed in writing by the City Comptroller.

12 Waiver; Remedies. No delay or forbearance on the part of any party in exercising any right, power or privilege must operate as a waiver of it, nor does any waiver of any right, power or privilege operate as a waiver of any other right, power or privilege, nor does any single or partial exercise of any right, power or privilege preclude any other or further exercise of it or of any other right, power or privilege. No waiver is effective unless made in writing and executed by the party to be bound by it. The rights and remedies provided for in this Agreement are cumulative and are not exclusive of any rights or remedies that the parties otherwise may have at law, in equity or both, except that the City will not be liable to Tenant

for any consequential damages whatsoever related to this Agreement.

13 Authority of Commissioner. Unless otherwise expressly stated in this Agreement, any consents and approvals to be given by the City under this Agreement may be made and given by the Commissioner or by such other person as may be duly authorized by the City Council, unless the context clearly indicates otherwise.

14 Estoppel Certificate. From time to time upon not less than 15 days prior request by the other party, a party or its duly authorized representative having knowledge of the following facts, will execute and deliver to the requesting party a statement in writing certifying as to matters concerning the status of this Agreement and the parties' performance under this Agreement, including the following:

A. that this Agreement is unmodified and in full force and effect (or if there have been modifications, a description of the modifications and that the Agreement as modified is in full force and effect);

B. the dates to which Rent, including Additional Rent, have been paid and the amounts of the Rent most recently paid;

C. that the requesting party is not in default under any provision of this Agreement, or, if in default, the nature of it in detail;

D. that, to its knowledge, the requesting party has completed all required improvements in accordance with the terms of this Agreement, and Tenant is in occupancy and paying Rent on a current basis with no offsets or claims; and

E. in the case of the City's request under this Agreement, such further matters as may be requested by the City, it being intended that any such statement may be relied upon by third parties.

15 No Personal Liability. Tenant, or any subtenant, sublicensee, assignee or Subcontractor, must not charge any elected or appointed official, agent, or employee of the City personally or seek to hold him or her personally or contractually liable to Tenant, subtenant, sublicensee, assignee, or Subcontractor for any liability or expenses of defense under any provision of this Agreement or because of any breach of its provisions or because of his or her execution, approval, or attempted execution of this Agreement.

16 Limitation of City's Liability. Tenant, its subtenants and Subcontractors must make no claims against the City for damages, charges, additional costs or fees or any lost profits or costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement. All Tenant, subtenant, and Subcontractor personal property upon the Leased Space or upon any other part of the Airport, is at the risk of Tenant, subtenant, or Subcontractor respectively only, and the City is not liable for any loss or damage to it or theft of it or from it. The City is not liable or responsible to Tenant, its subtenants or Subcontractors, and Tenant waives, and will cause its subtenants and Subcontractors likewise

to waive, to the fullest extent permitted by law, all claims against the City for any loss or damage or inconvenience to any property or person or any lost profits any or all of which may have been occasioned by or arisen out of any event or circumstance, including theft, fire, act of God, public enemy, injunction, riot, strike, insurrection, war, court order, requisition or order of governmental body or authority, or water leakage, steam, excessive heat or cold, falling plaster, or broken glass; or any act or neglect of the City or any occupants of the Airport, including the Terminals or the Leased Space, or repair or of this Agreement that the City is required to perform and, notwithstanding the foregoing, Tenant recovers a money judgment against the City, the judgment must be satisfied only out of credit against the Rent and alteration of any part of the Airport, or failure to make any such repairs or any other thing or circumstance, whether of a like nature or a wholly different nature. If the City fails to perform any covenant or condition other monies payable by Tenant to the City under this Agreement, and the City is not liable for any deficiency except to the extent provided in this Agreement and to the extent that there are legally available Airport funds.

17 Joint and Several Liability. If Tenant, or its successors or assigns, if any, is comprised of more than one

individual or other legal entity (or a combination of them), then in that event, each and every obligation or undertaking stated in this Agreement to be fulfilled or performed by Tenant is the joint and several obligation or undertaking of each such individual or other legal entity.

18 Non-Recordation. Tenant must not record or permit to be recorded on its behalf this Agreement or a memorandum of this Agreement, in any public office.

19 Survival. Any and all provisions set forth in this Agreement that, by its or their nature, would reasonably be expected to be performed after the expiration or termination of this Agreement survive and are enforceable after the expiration or termination. Any and all liabilities, actual or contingent, that have arisen in connection with this Agreement, survive any expiration or termination of this Agreement. Any express statement of survival contained in any section must not be construed to affect the survival of any other section, which must be determined under this section.

11.20 Force Majeure. Neither party is liable for non-performance of obligations under this Agreement due to delays or interruptions beyond their reasonable control, including delays or interruptions caused by strikes, lockouts, labor troubles, war, fire or other casualty, acts of God ("force majeure event"). As a condition to obtaining an extension of the period to perform its obligations under this Agreement, the party seeking such extension due to a force majeure event must notify the other party within 20 days after the occurrence of the force majeure event. The notice must specify the nature of the delay or interruption and the period of time contemplated or necessary for performance. The foregoing notwithstanding, however, in no event will Tenant be entitled to an extension of more than 60 days due to a force majeure event, without the express written consent of the Commissioner.

84

EXHIBIT 2 RENT

1. Base Rent: The annual Base Rent equals \$50 per square foot of Leased Space and shall be increased 3.0% annually as of January 1st of each calendar year during the Term. For purposes of determining Base Rent, Leased Space includes Retail Space and Storage Space.
2. Percentage Fee: The Percentage Fee shall be due and paid monthly as per the terms of the Agreement.
3. Percentage Fee Rate: The Percentage Fee Rate shall be equal to:

Alcoholic Beverages	14.5%	Food & Non-alcoholic Beverages
11.5%		

4. Minimum Annual Guarantee. There is no "Minimum Annual Guarantee (MAG)" or "MAG" for the first and second Lease Year of the Term. The Minimum Annual Guarantee will be established beginning in third Lease Year of the Term at an amount equal to 85% of the Percentage Fee payable for the second Lease Year. In each subsequent Lease Year of the Term, the MAG will equal 85% of the Percentage Fee calculated for the prior Lease Year but will never be less than the MAG established in the third Lease Year. In the event the Leased Space is comprised of two or more distinct Retail Spaces that are opening for Concession operations on different dates, then the MAG payable for the entire Agreement will be apportioned among the various Retail Spaces based on

actual annualized Gross Revenue, projected Gross Revenues or another reasonable method mutually agreed upon by both parties. The MAG for each Retail Space shall become payable upon its DBO, prorated for any partial year. Upon the DBO of the final Retail Space, the entire MAG shall be payable, prorated for any partial year.

COFFEE

COFFEE

Sparrow Coffee is a revelation. Launched in 2012 by coffee virtuoso Chris Chacko, Sparrow blends and roasts coffee for Chicago's most elite restaurants. His clients include celebrated chef-driven locales such as the late great Grace, the Publican, Oriole, Monteverde, and Rick Bayless' Lena Brava. Chacko provides Sparrow coffees to these great dining destinations from his West Loop roastery on West Fulton Avenue, nestled between the restaurant rows of Randolph Street and Fulton Avenue the root of his local passion to coffee and community.

Dubbed "Chicago's Coffee Whisperer" by Bon Appetit magazine, Chacko crafts custom formulations for his clients by meticulously accounting for terroir, -sourcing, processing, and roasting, nurturing and emphasizing unique

88

Sparrow Cafe in Naperville. Sparrow Coffee revolutionized the world of elevated coffee. We bring this transcendent experience to travelers at O'Hare International Airport.

To calibrate these flavors with a specific culinary approach, Chacko creates customized blends for every restaurant partner who serves Sparrow Coffee.

Chris Chacko plies his well-honed craft to some 250 topflight restaurants, most in the greater Chicagoland area including his own

14 AFTER

The most sought-after coffee roaster in the city of Chicago, Sparrow Coffee delivers an unsurpassed world class coffee experience. At Sparrow, travelers can luxuriate in batch brews, seasonal blends, cold brews, nitro coffees, and espressos, cappuccinos, and macchiatos.

Sparrow also showcases a robust selection of bottled teas and cold drinks from a self-service cooler. Travelers can pair these artisanal roasts and beverages with a mouthwatering selection of baked goods and savory selections.

Sparrow believes in craft, but they also believe in volume—a boon to travelers.

Chris Chacko is fierce in his belief that every roast is an artistic interpretation of a coffee canvas using air, temperature, and

time through state-of-the-art brewing to whet flavors hidden by Nature's bounty. His relentless passion for handcrafting exceptionally sourced coffees utilizing the latest advancements in hybrid-green technology produces flavors unlike any found anywhere.

Even the name is conceptualized as symbolism for co-existing symbiotically with nature. Sparrow brings this distinctive brand of Chicago artistry and craft to the O'Hare International Airport concourse and to travelers from everywhere.

Culinary TAPESTRY

At its heart, Chicago is a meat lover's city. Its extraordinary culinary tapestry is woven with flavor and profound historical threads, such as the Union Stockyards which once supplied 80 percent of America's beef and pork. Created in Lincoln Park's DePaul neighborhood by acclaimed chef Allen Sternweiler, Butcher & The Burger is an exhilarating celebration of Chicago's compelling romance with meat.

CONCEPT DESCRIPTION

Propelled by a heady thrust of rich flavors, Butcher & The Burger catapults the beloved burger to unprecedented heights. This explosive house of savor was conceived as a simple local neighborhood burger counter augmented by a dash

The result will wow travelers with its culinary artistry and opportunity for personalization. At Butcher & The Burger, guests of all stripes can unleash their inner cravings.

Personalized burgers are built from a selection of house-made spice blends mixed into a variety of delicious proteins. These include prime beef, grass-fed beef, locally raised turkey, shrimp, and a vegetarian lentil and brown rice option. Diners can top these creations with artisanal cheeses; garden fresh lettuce, tomato, and onion; Benton's Tennessee Mountain smoked bacon; fried egg; and black truffle aioli. All can be slipped into buns made from split-top brioche, wheat, pretzel, croissant, or a lettuce wrap.

100

Travelers on the run can choose from the grab and go area, pre-order from Uber Eats for quick pickup, or enjoy a little time at the bar with a variety of specialty cocktails, local craft brews, and premium wines. To start their day, guests can indulge in a hearty breakfast sandwiches, or house made beignets complemented by a refreshing mimosa.

Butcher & The Burger's dining room is accessorized with images of antique scales, vintage meat hooks, butcher-block tables, and an old Chicago airport clock. That clock underscores how deeply air travel is threaded into Butcher & The Burger's DNA.

GOATS HANGING OUT

Butcher & The Burger, garnered international attention in 2013 when it contracted with O'Hare to supply sustainable grazing services across 120 acres at four airport sites with goats, alpacas, mules, and sheep.

CHICAGO

Butcher & The Burger has been recognized by numerous industry publications as one of the top best burger destinations in the country.

PACKAGE

MARKETING PLAN

WEARECHICAGO

ELEVATE
enhancing

Elevate the guest experience

Our objective is to create
elevated memorable travel
moments to exceed their
expectations for both passengers
and airport employees

enhancing revenue for the airport:

111

To do so, we need to leverage our threekey pillars: Digital, Local, and Experiential:

ENSURE ALL PROMOTIONS WILL HAVE A SOCIAL MEDIA CAMPAIGN AND A DIGITAL COMPONENT

Sparrow Coffee and Butcher & The Burger are deeply embedded in social media. We intend to do the same to leverage Facebook, Yelp, and Instagram to reach and connect with our audience. We will use dedicated social media channels and campaigns to push out proactive content about our promotions and concepts to engage with travelers in real-time. We will also work with our partners at Google to ensure our locations are searchable and easy to find on a mobile device. Digital menus with pop-up offers and upselling messaging mean easy access and facilitate the transaction from order to payment.

CURATE UNIQUE ACTIVATIONS AND EXPERIENCES THAT ARE LOCALLY RELEVANT WITH BROAD APPEAL, ENSURING OUR ASSOCIATES ARE PART OF THE SUCCESS STORY.

Working with our local brand partners, we will create unique activations and experiential events focusing on local. These opportunities will share the best that Chi-town has to offer. In the case of Sparrow Coffee, Valentine's Day is a promotional opportunity to share the love

WEARECHICAGO

excellent brand. We intend to curate cross promotions with the street-side store to provide a special dining offer for our guests.

I
We intend to create similar activations and promotions with Butcher & The Burger focusing on the art of the perfect burger and the butcher story. Targeted employee incentives will reward associates for driving sales and delivering a great guest experience.

Butcher & The Burger will rotate promotional products seasonally to keep the menu fresh and innovative. Any product for display or sale will be merchandised to attract travelers looking for something fresh and exciting. Sparrow Coffee's product positioning and promotions will pay homage to Chicago and convey a sense of place. We will ensure items are merchandised using retail philosophies with abundant displays allowing easy visibility and access. These innovative local brands with compelling merchandise will appeal to travelers and airport employees looking for variation and a genuine taste of Chicago.

Overall, the Terminal 5 marketing plan will be groundbreaking in its multi-faceted approach to delight and excite travelers while engaging the airport employee community. We provide our full Marketing Calendar in Section 12 Other Information.

EXHIBIT 7

INSURANCE REQUIREMENTS

Chicago Department of Aviation [Name of Tenant]

**Concession Lease and License Agreement O'Hare International
Airport**

A. INSURANCE REQUIRED

Tenant must provide and maintain at Tenant's own expense, during the term of the Agreement and during the time period following expiration if Tenant is required to return and perform any work, services, or operations, the insurance coverages and requirements specified below, insuring all work, services, or operations related to the Agreement.

- 1) **Workers Compensation and Employers Liability (Primary and Umbrella)**
Workers Compensation Insurance, as prescribed by applicable law covering all employees who are to provide a work, services, or operations under this Agreement and Employers Liability coverage with limits of not less than \$1,000,000 each accident; \$1,000,000 disease-policy limit; and \$1,000,000 disease-each employee, or the full per occurrence limits of the policy, whichever is greater. Coverage must include, but not be limited to, the following: other state endorsement, voluntary compensation and alternate employer, when applicable.

Tenant may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.

- 2) **Commercial General Liability (Primary and Umbrella)**
Commercial General Liability Insurance or equivalent must be maintained with limits of not less than \$2,000,000 per occurrence, or the full per occurrence limits of the policy, whichever is greater, for bodily injury, personal injury, and property damage liability. Coverages must include, but not limited to, the following: Leased Space and operations, products/completed operations, separation of insureds, defense, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City must be provided additional insured status with respect to liability arising out of Tenant's work, services or operations performed. The City's additional insured status must apply to liability and defense of suits arising out of Tenant's acts or omissions, whether such liability is attributable to the Tenant or to the City on an additional

insured endorsement form acceptable to the City. The full policy limits and scope of protection also will apply to the City as an additional insured, even if they exceed the City's

122

minimum limits required herein. Tenant's liability insurance must be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

Tenant may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.

3) Automobile Liability (Primary and Umbrella)

When any motor vehicles (owned, non-owned and hired) are used in connection with work, services, or operations to be performed. Automobile Liability Insurance must be maintained by the Tenant with limits of not less than \$1,000,000 per occurrence, or the full per occurrence limits of the policy, whichever is greater, for bodily injury and property damage. The City is to be added as an additional insured on a primary, non-contributory basis.

Tenant may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.

4) Excess/Umbrella

Excess/Umbrella Liability Insurance must be maintained with limits of not less than \$4,000,000 per occurrence, or the full per occurrence limits of the policy, whichever is greater. The policy/policies must provide the same coverages/follow form as the underlying Commercial General Liability, Automobile Liability, Employers Liability and Completed Operations coverage required herein and expressly provide that the excess or umbrella policy/policies will drop down over reduced and/or exhausted aggregate limit, if any, of the underlying insurance. The Excess/Umbrella policy/policies must be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

Tenant may use a combination of primary and excess/umbrella policies to satisfy the limits of liability required in sections A.1, A.2, A.3 and A.4 herein.

5) Property

The Tenant must maintain All Risk Property Insurance for the Leased Space including improvements and betterments, in the amount of their full replacement cost. Coverage extensions must include Business Income and Extra Expense. The City is to be named as an additional insured and loss payee, as its interest may appear. Tenant is responsible for all loss or damage to personal property including equipment, fixtures and contents.

6) Cyber Liability

Cyber Liability Insurance must be maintained with limits of not less than \$2,000,000 for each occurrence or claim. Coverage must include, but not be limited to network security

and privacy liability including computer or network system attacks (liability arising from the loss or disclosure of confidential information), privacy breach response coverage and costs, regulatory liability including fines and penalties, denial or loss of service, introduction, implantation and/or spread of malicious software code, unauthorized access to or use of computer systems, theft of data, and no exclusion/restriction for unencrypted portable devices/media may be on the policy. The City must be named as an additional insured and/or indemnified party. If the City is named as an additional insured and the policy contains an insured vs insured exclusion, the exclusion must be amended, and not be applicable to the City.

7) Commercial Crime Insurance

The Tenant must provide a Fidelity Bond or Commercial Crime coverage covering all loss or damage by employee dishonesty, robbery, burglary, theft, destruction or disappearance, computer fraud, credit card forgery, and other related crime risks. The policy limit must be written to cover losses in the amount of maximum monies collected, received or on premises or in possession of Tenant at any given time. The City must be named as a loss payee as its interest may appear. Coverage must include, but not be limited to, third party fidelity coverage, including coverage for loss due to theft and must not contain a requirement for an arrest and/or conviction.

8) Builders Risk

When Tenant undertakes any construction, including improvements, betterments, upgrades and/or repairs, the Tenant must provide or cause to be provided, All Risk Builders Risk Insurance to cover materials, supplies, equipment, machinery and fixtures that will be part of the permanent facility/Leased Space Property. The City of Chicago is to be named as an additional insured and loss payee as its interest may appear.

The Tenant is responsible for all loss or damage to City of Chicago property at full replacement cost.

B, Additional Requirements

Evidence of Insurance. Tenant must furnish the City of Chicago, Department of Aviation, 10510 W. Zemke Rd, Chicago, IL 60666, original certificates of insurance and additional insured endorsement, or other evidence of insurance, to be in force on the date of this Agreement, and renewal certificates of Insurance and endorsement, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Tenant must submit evidence of insurance prior to execution of Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of Agreement. The failure of the City to obtain, nor the City's receipt of, or failure to object to a non-complying insurance certificate, endorsement or other insurance evidence from Tenant, its insurance broker(s) and/or insurer(s) will not be construed as a waiver by the City of any of the required insurance provisions. Tenant must advise all insurers of the Agreement provisions regarding insurance. The City in no way warrants that the insurance required herein is sufficient to protect Tenant for liabilities which may arise from or relate to the Agreement. The

City reserves the right to obtain complete, certified copies of an^ required insurance policies at anytime.

Failure to Maintain Insurance. Failure of the Tenant to comply with required coverage and terms and conditions outlined herein will not limit Tenant's liability or responsibility nor does it relieve Tenant of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or

the Agreement may be terminated.

Notice of Material Change. Cancellation or Non-Renewal. Tenant must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed and ten (10) days prior written notice for non-payment of premium.

Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Tenant.

Waiver of Subrogation. Tenant hereby waives its rights of subrogation and agrees to require their insurers to waive their rights of subrogation against the City under all required insurance herein for any loss arising from or relating to this Agreement. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision • applies regardless of whether or not the City received a waiver of subrogation endorsement for Tenant's insurer(s).

Tenant's Insurance Primary. All insurance required of Tenant under this Agreement must be endorsed to state that Tenant's insurance policy is primary and not contributory with any insurance carrier by the City.

No Limitation as to Tenant's Liabilities. The coverages and limits furnished by Tenant in no way limit the Tenant's liabilities and responsibilities specified within the Agreement or by law.

No Contribution by City. Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Tenant under this Agreement.

Insurance not Limited by Indemnification. The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

Insurance and Limits Maintained. If Tenant maintains higher limits and/or broader coverage than the minimums shown herein, the City requires and must be entitled the higher limits and/or broader coverage maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage must be available to the City.

125

Joint Venture or Limited Liability Company. If Tenant is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Other Insurance obtained by Tenant. If Tenant desires additional coverages, the Tenant will be responsible for the acquisition and cost.

Insurance required of Subcontractors. Tenant must name the Subcontractor(s) as a named insured(s) under Tenant's insurance or Tenant will require each Subcontractor(s) to provide and maintain Commercial General Liability, Commercial Automobile Liability, Worker's Compensation and Employers Liability Insurance and when applicable Excess/Umbrella Liability Insurance and Professional Liability Insurance with coverage at least as broad as in outlined in

Section A, Insurance Required. The limits of coverage will be determined by Tenant but be no less than \$5,000,000 per occurrence for access to airside and \$2,000,000 per occurrence for access to landside for Commercial General Liability and Auto Liability. Tenant must determine if Subcontractor(s) must also provide any additional coverage or other coverage outlined in Section A, Insurance Required. Tenant is responsible for ensuring that each Subcontractor has named the City as an additional insured where required on an additional insured endorsement form acceptable to the City. Tenant is also responsible for ensuring that each Subcontractor has complied with the required coverage and terms and conditions outlined in this Section B, Additional Requirements. When requested by the City, Tenant must provide to the City certificates of insurance and additional insured endorsements or other evidence of insurance. The City reserves the right to obtain complete, certified copies of any required insurance policies at any time. Failure of the Subcontractor(s) to comply with required coverage and terms and conditions outlined herein will not limit Tenant's liability or responsibility.

City's Right to Modify. Notwithstanding any provisions in the Agreement to the contrary, the City, Department of Finance, Risk Management Office maintains the right to modify, delete, alter or change these requirements.

126

EXHIBIT 8

ACDBE SPECIAL CONDITIONS AND RELATED FORMS

City of Chicago Department of Aviation

Special Conditions Regarding Airport Concessions Disadvantaged Business Enterprise (ACDBE) Commitment

I. POLICY AND PROGRAM

It is the policy of the City of Chicago ("City") not to discriminate on the basis of race, color, sex or national origin in the award or performance of airport concession agreements. Because the City is a recipient of Airport Improvement Program funds from the Federal Aviation Administration ("FAA"), the concessions at the City's airports are subject to 49 CFR Part 23, Participation of Disadvantaged Business Enterprise in Airport Concessions ("Part 23"). The City

will not, directly or indirectly, through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or impeding the accomplishment of the objectives of Part 23. Compliance with Part 23 requirements will not diminish or supplant the Concessionaire's obligations to comply with nondiscrimination laws as required elsewhere in the Agreement. In the event of a conflict between the provisions of these Special Conditions and the requirements of Part 23, the requirements of Part 23 shall prevail. Part 23 is available on-line at <<https://www.ecfr.gov/current/title-49/subtitle-A/part-23?toc=l>>.

It is further the policy of the City, in accordance with the requirements of Part 23, that Airport Concession Disadvantaged Business Enterprises ("ACDBEs") have the maximum opportunity to participate fully in the City's airport concession program. As used throughout these Special Conditions, the term "ACDBE" means an entity that has been certified as such under the Illinois Unified Certification Program ("UCP"). If a firm is not certified by the Illinois UCP as an ACDBE in accordance with the standards in Part 23, the firm's participation is not counted for Part 23 purposes. ACDBEs certified by other jurisdictions are not considered certified ACDBEs for purposes of this Agreement and will not be counted as such unless they have also been certified by the Illinois UCP.

In accordance with Part 23, Subparts B and D, the City submitted an ACDBE Program and ACDBE Goal for approval by the FAA. The FAA-approved ACDBE Program and ACDBE Goal are available upon request. In the event of any amendments or revisions to Part 23 (or any related or superseding regulations), these Special Conditions shall be subject to such revised regulations and any City-promulgated program, regulations, or goals established thereunder. Upon request by the City, this Agreement shall be amended to replace these Special Conditions with revised Special Conditions that reflect the then-current federal regulations, if necessary.

127

The following assurances are required to be included in the Agreement by 49 CFR §23.9(c). Concessionaire is deemed to be the "concessionaire or contractor" referenced.

1. This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner's race, color, national origin or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase order or other agreement covered by 49 CFR Part 23.
2. The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23, that it enters and cause those businesses to similarly include the statements in further agreements.

II. PROGRAM GOALS

The City has established, and the Federal Aviation Administration has approved, aspirational goals for ACDBE participation in its airport concessions program as required by Part 23. Subpart II. Generally, ACDBE participation in airport concessions is measured as a percentage of annual gross receipts earned by the concessions. Details on counting ACDBE participation are found in 49 CFR §§ 23.53 (rental car concessions) and 23.55 (non-rental car concessions) and

described further below.

The below aspirational goals are for the City's concessions program as a whole. With respect to this Agreement, the City may or may not have established a contract-specific ACDBE aspirational goal at the time that the City issued the Request for Proposals for the concession ("RFP"). If the RFP included a contract-specific goal, Tenant's proposal either included participation by ACDBE(s) that met or exceeded the contract-specific goal or Concessionaire demonstrated "good faith efforts" to meet that contract-specific goal but was unable to do so. Guidance on "good faith efforts" can be found in Appendix A to 49 C.F.R. Part 26. Appendix A as it appears on the date of the Agreement is incorporated in Section VI.A. of these Special Conditions, but Concessionaire is responsible for compliance with federal regulations as they may be amended from time to time.

1. All Concessions Except Rental Cars.

O'Hare International Airport: The City has determined that the appropriate aspirational goal for ACDBE participation in non-rental car concessions is 32%. Historical data regarding ACDBE participation at the City's airports indicates that this aspirational goal should consist of a race-neutral goal of 7% and a race-conscious goal of 23%.

Midway International Airport: The City has determined that the appropriate aspirational goal for ACDBE participation in non-rental car concessions is 37%. Historical data regarding ACDBE participation at the City's airports indicates that this aspirational goal should consist of a race-neutral goal of 5.5% and a race-conscious goal of 31.5%.

128

B. Rental Car Concessions. Due to the lack of ACDBE rental car companies, the national or regional nature of rental car industry procurement practices and a general lack of reliable historical data, the City has determined that the aspirational goal for ACDBE participation in rental car concessions at both airports is 2.4%. Nevertheless, rental car concessionaires are encouraged to use all reasonable efforts to maximize procurement of goods and services from ACDBEs that may be certified in the Illinois UCP or the UCPs of other states.

In 2012, the Rent-A-Car Concessions Voluntary M/W/DBE Program ("RAC Program") was approved by City Council of Chicago, Illinois, as part of an amendment to the rental car concession license agreements at Chicago O'Hare and Midway International Airports. (Conn. J. 12-12-2012, p. 43891.) As part of the program, the on-airport rental car companies ("RACs") will use good faith efforts to expand contracting opportunities for businesses owned by minorities, women and/or disadvantaged persons in connection with "non-fleet expenditures" attributable to the On-Airport RACs operations at the Airports. The RACs agree that for fiscal year 2017 and thereafter, the goal of their outreach efforts will be to achieve, at a minimum, 30% of non-fleet expenditures with businesses owned by M/W/DBEs that are either certified or not certified but are owned by minority, women and/or disadvantaged persons.

III. CONCESSIONAIRE'S ACDBE COMMITMENT

A. INITIAL ACDBE COMMITMENT

The extent and nature of the ACDBE participation commitment by Concessionaire is documented in Schedules B, C and/or D attached to these Special Conditions ("ACDBE Commitment"). As used these Special Conditions and in

Schedules B, C and D, "Concessionaire" means the entity with whom the City has entered into a concession agreement, whether that entity is referred to in that agreement as "Tenant," "Licensee" or other term.

The total ACDBE Commitment, stated as a percentage of the concessions gross revenues, must equal or exceed the percentage ACDBE participation required in the Agreement. If the Agreement indicates that there is no ACDBE participation requirement, it will be conclusive evidence that either (a) the RFP contained no contract-specific goal and Concessionaire did not propose any ACDBE participation or (b) the Concessionaire demonstrated, to the satisfaction of the City, that it exerted good faith efforts to obtain ACDBE participation to meet a contract-specific goal but was unable to obtain such participation. In either such event, there will be no Schedule B, C or D attached to these Special Conditions.

If there is ACDBE participation in the form of a joint venture member, the attached Schedule B sets forth the essential terms of that joint venture participation, including a representation as

129

to the value of the ACDBE's activities in operating the concession as a percentage of gross revenues, and a copy of the joint venture agreement is attached to Schedule B. If there is ACDBE participation in the form of ACDBE(s) acting as sublicensee(s), subtenant(s) or subcontractor(s), it is documented in Schedules C and D. Schedule(s) C is the commitment by the ACDBE(s) to participate by providing the goods or services indicated, and Schedule D is the commitment by the non-ACDBE to such participation by the ACDBE(s).

B. CHANGES IN ACDBE PARTICIPATION

Pursuant to 49 CFR 23.25 and 49 CFR 26.53, Concessionaire must not make arbitrary changes to its ACDBE Commitment. Further, after entering into a joint venture agreement, sublicense or subcontract (collectively, "ACDBE agreement") with each approved ACDBE, Concessionaire must not terminate the ACDBE agreement, reduce the scope of the ACDBE's participation in the concession, nor decrease the compensation to the ACDBE, as applicable, without in each instance receiving the prior written consent of the City. The City will not consent unless Concessionaire shows good cause. Concessionaire must promptly notify the Commissioner of any proposed change in an ACDBE agreement and submit a copy of the proposed amendment to the ACDBE agreement. Prior to requesting consent from the City to terminate or substitute an ACDBE, Concessionaire must give notice to the ACDBE, with a copy to the City, providing the ACDBE an opportunity to respond.

In any event, the collective participation of the previously approved ACDBE(s) must either continue to contribute to the concession at least the value of the ACDBE Commitment, as stated in terms of a percentage of gross revenues, or substitute or additional ACDBE(s) must be retained by Concessionaire pursuant to (D) below to maintain the ACDBE Commitment, except as provided in (C) below. Failure to comply with the ACDBE Commitment is an event of default under the Agreement. If the proposed change in ACDBE participation is approved by the City, Concessionaire and ACDBE(s) must complete revised Schedules B, C or D, as applicable.

These notice and consent requirements apply both pre- and post- award of the Agreement. Note that changes to a joint venture Concessionaire prior to award may result in rejection of the proposal if the City determines, in the sole discretion of the Commissioner, that those changes affect Concessionaire's qualifications.

C. INVOLUNTARY CHANGES IN ACDBE PARTICIPATION

In the event that it appears that Concessionaire will not comply with its ACDBE Commitment because: (i) an ACDBE has defaulted in its performance under the ACDBE agreement through no fault of Concessionaire, (ii) an ACDBE is decertified by the Illinois UCP through no fault of Concessionaire and the ACDBE's participation can no longer be counted, (iii) the ACDBE's certified area of specialty has been changed through no fault of Concessionaire and the ACDBE's participation can no longer be counted, or (iv) an ACDBE is otherwise unable or unwilling to perform its obligations through no fault of Concessionaire, then Concessionaire must promptly notify the ACDBE with a copy to the City, of its intent to terminate or substitute

130

the ACDBEs participation and provide the ACDBE with a minimum of five days to respond, unless the City grants permission for a shorter response period as a matter of public necessity (i.e. safety). Concessionaire requests to the City for permission to terminate or substitute an ACDBE must specify one or more of the foregoing reasons as the cause for potential noncompliance with the ACDBE Commitment. If the City concurs with the specified reason, Concessionaire shall use good faith efforts as described in Section VI below to replace the ACDBE's participation with participation by another ACDBE. As provided in Section VI, Concessionaire must demonstrate those good faith efforts to the satisfaction of the Commissioner. Failure to comply with the foregoing shall be an event of default under the Agreement.

Concessionaire's position in these cases must be fully explained and supported with adequate documentation. Stated reasons which will NOT be acceptable include: A replacement firm has been recruited to perform the same function under terms more advantageous to the Concessionaire; issues about performance by the committed ACDBE were disputed (unless every reasonable effort has already been taken to have the issues resolved or mediated satisfactorily); and an ACDBE has requested reasonable price escalation which may be justified due to unforeseen circumstances.

D. ACDBE SUBSTITUTION AND ADDITIONAL ACDBEs

If Concessionaire identifies a substitute, replacement or additional ACDBE for the City's approval, Concessionaire's request for approval shall include the name, address, and principal official of the proposed ACDBE; the nature and essential terms of the ACDBE agreement under which the ACDBE will participate; and a letter of intent signed by Concessionaire and the ACDBE to enter into such an ACDBE agreement upon approval by the City. Concessionaire must provide such other affidavits and documents as the City may request to evaluate the request. The City will evaluate and respond to the submitted documentation within fifteen working days after the submittal of a complete request. The response may be in the form of approving the request, requiring more information, or requiring an interview.

Actual use of a substitute, replacement or additional ACDBE should not be made by Concessionaire before City approval is given. An ACDBE agreement between Concessionaire and the ACDBE must be executed within the time specified by the City, and a fully executed copy of the ACDBE agreement must be submitted immediately to the City.

E. AGREEMENT EXTENSIONS, ASSIGNMENTS AND SUBLEASES

If the Agreement contains a term extension or if the Concessionaire proposes an assignment or sublease of the Agreement, as a condition precedent to the City's consent to such extension, assignment or sublease, the City and Concessionaire will revisit and possibly adjust the Concessionaire's ACDBE Commitment to reflect any possible change in ACDBE availability and to ensure compliance with Part 23 as it may have been amended in the interim.

Concessionaire will be required to provide amended Schedules D, B, or C, along with amended ACDBE agreements, to reflect any required changes to the ACDBE Commitment or provide documentation of good faith efforts to achieve increased ACDBE participation.

IV. COUNTING ACDBE PARTICIPATION

A. CONCESSIONS OTHER THAN RENTAL CAR

In order for participation in the concession to be counted and reported to the FAA, ACDBEs must perform a commercially useful function, as defined in 49 CFR § 23.55(a). The work performed or gross receipts earned by a firm after its ACDBE eligibility has been removed are not counted, except as provided in 49 CFR § 23.55(J). Costs incurred in connection with the renovation, repair, or construction of a concession facility (sometimes referred to as the "buildout") are not counted (but may be subject to goals for M/WBE or other types of participation under a local program as specified by the City). Otherwise, ACDBE participation in non-rental car concessions is counted in accordance with 49 CFR § 23.55 as follows:

1. Concessionaire is an ACDBE. When Concessionaire is an ACDBE or a joint venture consisting only of ACDBEs, the gross receipts earned by Concessionaire are counted. Gross receipts attributable to a non-ACDBE sublicensee of Concessionaire are not counted.
2. Separate locations. When an ACDBE performs as a sublicensee to Concessionaire with its own concession location or when Concessionaire is a joint venture which includes a non-ACDBE and in which an ACDBE operates its own separate location, the gross receipts earned by the ACDBE at its separate location are counted. The ACDBE location must be independently operated by the ACDBE as evidenced by the ACDBE's responsibility for all aspects of the management and operation of the location. Gross receipts attributable to a non-ACDBE sublicensee of the ACDBE are not counted.
3. Joint venture, no separate locations. When Concessionaire is a joint venture with an ACDBE participant and the ACDBE jointly participates with a non-ACDBE in the operation of all locations, only the portion of the Concessionaire's gross receipts attributable to the distinct, clearly defined portion of the work of the concession that the ACDBE performs with its own forces is counted. When the City has reason to doubt the extent of an ACDBE joint venturer's commercially useful contribution towards the concessionaire's gross receipts, the City may require Concessionaire to submit evidence to substantiate the value of the ACDBE's contribution. If the Concessionaire fails to submit satisfactory evidence, it is an event of default under the Agreement.

4. Subcontractor participation. When an ACDBE provides, as a subcontractor to Concessionaire, goods or services for operation of the concession, the amounts paid to the ACDBE are counted as provided below. However, if the ACDBE enters into a subcontract with a non-ACDBE to provide the goods or services, the amounts paid to the non-ACDBE are not counted.

- a. The entire amount of fees or commissions charged by an ACDBE firm for a bona fide service, provided that the City determines this amount to be reasonable and not excessive as compared with fees customarily paid for similar services. Such services may include, but are not limited to, professional, technical, consultant, legal, security systems, advertising, building cleaning and maintenance, computer programming, or managerial.
- b. The entire amount of the cost of goods obtained from an ACDBE manufacturer, as provided in 49 CFR § 23.55(f).
- c. The entire amount of the cost of goods purchased or leased from a ACDBE regular dealer, as provided in 49 CFR § 23.55(g).
- d. For goods purchased from an ACDBE which is neither a manufacturer nor a regular dealer, the amount of reasonable fees, commissions, or delivery charges earned by the ACDBE, as provided in 49 CFR § 23.55(h).

B. RENTAL CAR CONCESSIONS

If Concessionaire is a rental car company, ACDBE participation counts in accordance with the provisions of 49 CFR §23.53. Goods and services will be counted in accordance with the following:

1. The entire amount of the cost charged by an ACDBE for repairing vehicles, provided that it is reasonable and not excessive as compared with fees customarily allowed for similar services; and further provided that any portion of a fee paid by a manufacturer to an ACDBE car dealership for reimbursement of work performed under the manufacturer's warranty is excluded;
2. The entire amount of the fee or commission charged by an ACDBE to manage a car rental concession under an agreement with the Concessionaire, provided that it is reasonable and not excessive as compared with fees customarily allowed for similar services.
3. For other goods and services, ACDBE participation counts as provided in 49 CFR §26.55 and §23.55. In the event of any conflict between these two sections, §23.55 controls.

133

4. If a rental car company has a national or regional contract with an AGDBE, it may count a pro-rated share of the amount of that contract toward the goals of each airport covered by the contract as provided in §23.55 (f).

Rental car companies may also count ACDBE direct participation through direct ownership arrangements, but such arrangements are not required.

V. CERTIFICATION, RECORDS, REPORTS AND MONITORING

A. CERTIFICATION

Copies of letters of certification from a member of the Illinois UCP for each ACDBE that is part of Concessionaire's ACDBE Commitment are attached to their respective Schedule C or Schedule B. All letters of certification issued by the City of Chicago include a statement of the ACDBE firm's area of specialization.

Each ACDBE must promptly notify Concessionaire if there is any change in the ACDBE's certification status. Concessionaire, in turn, must notify Commissioner of any change in an ACDBE's certification status and provide a copy of any correspondence from the certifying agency regarding the status of an ACDBE's certification.

The ACDBE's scope of work, as detailed by Schedule B, C or D, must conform to its stated area of specialization. If, during the course of this Agreement, Concessionaire proposes to amend Schedules B, C or D so that an ACDBE performs additional work or supplies additional goods, materials or services not covered by its area of certification, the ACDBE must request an extension of its certification for such work, goods, materials or services in order to count toward the ACDBE's participation in the concession. The request to expand the scope of the ACDBE's certification, together with all documentation required by the City to process that request, must be received by the City at least 60 days in advance of the proposed date to perform* such additional work or supply such additional goods, materials or services.

B. RECORDKEEPING

The Concessionaire must maintain records of all relevant data with respect to the utilization of ACDBEs, retaining these records for a period of at least three years after termination or expiration of the Agreement. Concessionaire grants full access to these records to the City of Chicago, Federal or State authorities, the U.S. Department of Justice, or their duly authorized representatives.

C. REPORTING

Concessionaire must file ACDBE utilization reports (monthly if non-rental car and quarterly if rental car), together with its concession license fee payment, delineating for the month or quarter, as applicable, and cumulatively for the year-to-date: (i) contribution by ACDBE joint venture

134

member(s) or sublicensee(s) to Concessionaire's gross receipts and (ii) payments to ACDBE subcontractor(s). Each ACDBE utilization report must be signed by an authorized officer or representative of the Concessionaire and be notarized.

D. MONITORING

The City will, from time to time during the term of the Agreement, conduct investigations and interviews to monitor and verify that ACDBE participation in the concession meets or exceeds the ACDBE Commitment. Concessionaire must give, upon request, earnest and prompt cooperation to the City in submitting to inspections and interviews, in allowing entry to places of business, in providing further documentation, and in requiring the cooperation of its ACDBEs.

If the City determines that an ACDBE's actual role or responsibilities do not comply with the representations made by Concessionaire and the ACDBE in Schedules B, C or D, or that Concessionaire and/or ACDBE have misrepresented to the City either the payments to the ACDBE or the value of the ACDBE's participation in a joint venture, it shall be an event of default under the Agreement.

VI. GOOD FAITH EFFORTS

A. EXAMPLES

Examples of "good faith efforts" are described below and in 49 CFR § 23.25, 49 CFR §26.53, and Appendix A to 49 CFR Part 26. As provided in § 23.25, §26.53 and Appendix A to 49 Part 26, the following are examples of documented actions that the City may take into consideration in determining whether Concessionaire made good faith efforts:

1. Soliciting through all reasonable and available means (e.g., advertising and/or written notices) the interest of all certified ACDBEs who have the capability to perform work or services or to supply goods relevant to the concession. Concessionaire must solicit this interest within sufficient time to allow the ACDBEs to respond to the solicitation. Concessionaire must determine with certainty if the ACDBEs are interested by taking appropriate steps to follow up initial solicitations.
2. Soliciting the work, services or goods in portions that increase the likelihood that an ACDBE can perform the work or services or provide the goods. This includes, when appropriate, breaking out contract items into economically feasible units to facilitate ACDBE participation, even when the concessionaire might otherwise prefer to perform these work items with its own forces.
3. Providing interested ACDBEs with adequate information about the operations, management and requirements of the concession in a timely manner to assist them in responding to a solicitation.
4. Negotiating in good faith with interested ACDBEs. Evidence of such negotiation

135

includes the names, addresses and telephone numbers of ACDBEs that were considered; a description of the information provided regarding the opportunities selected for possible ACDBE participation; and evidence as to why agreement could not be reached for ACDBEs to perform the work.

NOTE: A concessionaire using good business judgment would consider a number of factors in negotiating with potential business partners or subcontractors, including ACDBEs, and would take a firm's price and capabilities as well as contract goal into consideration. However, the fact that there may be some additional costs involved in finding and using ACDBEs is not in itself sufficient reason for a failure to meet the ACDBE Commitment, as long as such costs are reasonable. Concessionaires are not, however, required to accept higher quotes from ACDBEs if the price difference in comparison to non-ACDBEs is excessive or unreasonable.

5. Not rejecting ACDBEs as being unqualified without sound reasons based on a thorough investigation of their capabilities. The ACDBE's standing within its industry, membership in specific groups, organization or associations and political or social affiliation (for example union vs. non-union employee status) are not legitimate causes for rejection.
6. Making efforts to assist interested ACDBEs in obtaining bonding, lines of credit or insurance as required by the City or Concessionaire.
7. Making efforts to assist interested ACDBEs in obtaining necessary equipment, supplies, materials, or related assistance or services.

8. Effectively using the services of available minority/women community organizations and contractors' groups; local, state and federal minority/women business assistance offices; and other organizations as allowed on a case-by-case basis to provide assistance in the recruitment and placement of ACDBEs.

B. DOCUMENTATION

Whenever Concessionaire is required to demonstrate good faith efforts by Part 23 or these Special Conditions, Concessionaire must provide supporting documentation to the satisfaction of the Commissioner. This means documentation to show that Concessionaire took all necessary and reasonable steps which by their scope, intensity and appropriateness to the objective, could reasonably be expected to obtain compliance, even if not fully successful. The following types of documentation, as applicable to the situation, will be considered by the City in determining whether Concessionaire has made good faith efforts:

1. A listing of all ACDBE firms that were contacted that includes:

- a. names, address and telephone numbers of ACDBE firms contacted;

136

- b. date and time of contact;

- c. method of contact (written, telephone, transmittal of facsimile documents, etc.);

- d. name of the person contacted.

2. Copies of letters or any other evidence of mailing that substantiates outreach to ACDBE vendors that include:

- a. concession identification and location;

- b. descriptions/classification/commodity of work, services or goods for which quotations were sought; and

- c. date, time and location for submittal of bids or proposals.

3. Detailed statement which summarizes direct negotiations with appropriate ACDBE firms and indicates why negotiations were unsuccessful.
4. Affirmation that good faith efforts have been demonstrated by choosing opportunities likely to be performed by ACDBEs by not imposing any limiting conditions which were not mandatory for all potential bidders/proposers; or denying the benefits ordinarily conferred for the type of opportunity that was solicited.
5. Copies of proposed portions of the work, services or goods to be performed or provided by ACDBEs in order to increase the likelihood of ACDBE participation.
6. Evidence that Concessionaire negotiated in good faith with interested ACDBEs.
7. Evidence that Concessionaire did not reject ACDBEs as being unqualified without sound reasons based on a thorough investigation of their capabilities.
8. Evidence that Concessionaire made efforts to assist interested ACDBEs in obtaining bonding, lines of credit or insurance, as required by the City or the concessionaire.
9. Evidence that Concessionaire made efforts to assist interested ACDBEs in obtaining necessary equipment, supplies, materials or related assistance or services.
10. Evidence that Concessionaire has provided timely notice of the opportunity to at least 50 percent of the applicable ACDBEs listed in the Illinois UCP Directory. The City may contact the ACDBEs identified by Concessionaire for verification of such notification.
11. Evidence that ACDBE participation is excessively costly. In order to establish that a ACDBE's quote is

excessively costly, Concessionaire must provide the following information:

- a. A detailed statement of the opportunity identified for ACDBE participation for which Concessionaire asserts the ACDBE quote(s) were excessively costly.
- b. A listing of all potential business partners or subcontractors contacted for a quotation on that opportunity.

137

- c. Prices quoted by all such potential business partners or subcontractors for that opportunity.
- d. Other documentation that demonstrates to the satisfaction of the City that the ACDBE quotes are excessively costly.

ADMINISTRATIVE RECONSIDERATION

For the purposes of this Agreement, the City has delegated the responsibility for making the determination regarding a Concessionaire's good faith efforts to the Department of Aviation. The determination shall be based upon the Department's review of the documentation that the Concessionaire has timely submitted. Within five days of being informed by the Department that Concessionaire has not documented sufficient good faith efforts, Concessionaire may request administrative reconsideration. The request must be made in writing to the following official:

City of Chicago Department of Aviation 105.10 West Zemke Road
Chicago, Illinois 60666 Attention: Commissioner

NOTE: The Commissioner may not have played any role in the original determination that the Concessionaire did not make or timely document sufficient good faith efforts. The Commissioner may appoint a reconsideration officer, who did not play any role in the original determination, to act in his or her stead.

With copies to: City of Chicago
Department of Procurement Services City Hall, Room 806 121 N. LaSalle
Street Chicago, Illinois 60602 Attention: Chief Procurement Officer

City of Chicago Department of Aviation 10510 West Zemke Road
Chicago, Illinois 60666

Attention: Deputy Commissioner for Concessions City of Chicago Department

of Law
Aviation, Environmental, Regulatory and Contracts Division 2 North LaSalle Street,
Suite 540 Chicago, Illinois 60602
Attention: Deputy Corporation Counsel

138

2. As part of this reconsideration, the Concessionaire will have the opportunity to provide written documentation or argument concerning the issue of whether it made adequate good faith efforts. The Concessionaire will have the opportunity to meet in person with the reconsideration officer to discuss whether it did so. The Department will send the Concessionaire a written decision on reconsideration, explaining the basis for finding that the Concessionaire did or did not make adequate good faith efforts.

VII. NON-COMPLIANCE AND DAMAGES

A. NON-COMPLIANCE GENERALLY

Concessionaire's failure to comply with these Special Conditions constitutes a material breach of the Agreement and entitles the City to declare an event of default. If Concessionaire fails to cure the default within the time allowed under the default provisions of the Agreement, the City may exercise those remedies provided for in the Agreement, at law or in equity, including termination of the Agreement. In addition to any remedies specified in the Agreement, at the City's option the term of this Agreement will become month-to-month until the City locates a new Concessionaire. At the City's option, any improvements added by Concessionaire must remain for the new tenant at no cost to the City or the new tenant.

B. NON-COMPLIANCE WITH ACDBE AGREEMENT

If Concessionaire has not complied with the requirements of an ACDBE agreement, the affected ACDBE may seek to recover from Concessionaire damages suffered by the ACDBEs as a result of such non-compliance. Such disputes may impact the quality of concessions at the City's airports and/or the ability of other airport tenants to solicit ACDBE participation. Therefore, Concessionaire consents to have any disputes between Concessionaire and affected ACDBEs resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorneys' fees, being recoverable by the prevailing party in accordance with any applicable regulations. This provision is intended for the benefit of all ACDBEs affected by Concessionaire's failure to comply with ACDBE agreements and grants ACDBEs specific third-party beneficiary rights. In cases deemed appropriate by the City, a dispute may lead to the withholding of sums that the City may owe Concessionaire until the City receives a copy of the final arbitration decision, but in no event will Concessionaire be excused from making any payments due to the City during the pendency of a dispute. Noncompliance or non-cooperation with the City may affect continued eligibility to enter into future contracting arrangements with the City.

12 17 2019

EXHIBIT 9

MBEWVBE SPECIAL CONDITIONS AND RELATED FORMS

SPECIAL CONDITIONS REGARDING MINORITY OWNED BUSINESS ENTERPRISE COMMITMENT AND WOMEN OWNED BUSINESS ENTERPRISE COMMITMENT IN

CONSTRUCTION CONTRACTS

I. Policy and Terms

As set forth in 2-92-650 et seq. of the Municipal Code of Chicago (MCC) it is the policy of the City of Chicago that businesses certified as Minority Owned Business Enterprises (MBEs) and Women Owned Business Enterprises (WBEs) in accordance with Section 2-92-420 et seq. of the MCC and Regulations Governing Certification of Minority and Women-owned Businesses, and all other Regulations promulgated under the aforementioned sections of the Municipal Code, shall have full and fair opportunities to participate fully in the performance of this contract. Therefore, bidders shall not discriminate against any person or business on the basis of race, color, national origin, or sex, and shall take affirmative actions to ensure that MBEs and WBEs shall have full and fair opportunities to compete for and perform subcontracts for supplies or services.

Failure to carry out the commitments and policies set forth herein shall constitute a material breach of the contract and may result in the termination of the contract or such remedy as the City of Chicago deems appropriate.

Under the City's MBE/WBE Construction Program as set forth in MCC 2-92-650 et seq, the program-wide aspirational goals are 26% Minority Owned Business Enterprise participation and 6% Women Owned Business Enterprise participation. The City has set goals of 26% and 6% on all contracts in line with its overall aspirational goals, unless otherwise specified herein, and is requiring that bidders make a good faith effort in meeting or exceeding these goals.

Contract Specific Goals and Bids

A bid may be rejected as non-responsive if it fails to submit one or more of the following with its bid demonstrating its good faith efforts to meet the Contract Specific Goals by reaching out to MBEs and WBEs to perform work on the contract:

- I. An MBE/WBE compliance plan demonstrating how the bidder plans to meet the Contract Specific Goals (Schedule D); and/or
- II. Documentation of Good Faith Efforts (Schedule H).

If a bidder's compliance plan falls short of the Contract Specific Goals, the bidder must include either a Schedule H demonstrating that it has made Good Faith Efforts to find

140

MBE and WBE firms to participate or a request for a reduction or waiver of the goals.

Accordingly, the bidder or contractor commits to make good faith efforts to expend at least the following percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded the contract:

MBE Contract Specific Goal: 26% WBE Contract Specific Goal: 6%

This Contract Specific Goal provision shall supersede any conflicting language or provisions that may be

contained in this document.

For purposes of evaluating the bidders responsiveness, the MBE and WBE Contract Specific Goals shall be percentages of the bidders total base bid. However, the MBE and WBE Contract Specific Goals shall apply to the total value of this contract, including all amendments and modifications.

Contract Specific Goals and Contract Modifications

I. The MBE and WBE Contract Specific Goals established at the time of contract bid shall also apply to any modifications to the Contract after award. That is, any additional work and/or money added to the Contract must also adhere to these Special Conditions requiring Contractor to (sub) contract with MBEs and WBEs to meet the Contract Specific Goals.

1. Contractor must assist the Construction Manager or user Department in preparing its "proposed contract modification" by evaluating the subject matter of the modification and determining whether there are opportunities for MBE or WBE participation and at what rates.
2. Contractor must produce a statement listing the MBEs/WBEs that will be utilized on any contract modification. The statement must include the percentage of utilization of the firms. If no MBE/WBE participation is available, an explanation of good faith efforts to obtain participation must be included.

II. The Chief Procurement Officer shall review each proposed contract modification and amendment that by itself or aggregated with previous modification/amendment requests, increases the contract value by ten percent (10%) of the initial award, or \$50,000, whichever is less, for opportunities to increase the participation of MBEs or WBEs already involved in the Contract.

II. Definitions

"Area of Specialty" means the description of a MBE's or WBE's activity that has been

141

determined by the Chief Procurement Officer to be most reflective of the firm's claimed specialty or expertise. Each MBE and WBE letter of certification contains a description of the firm's Area of Specialty. Credit toward the Contract Specific Goals shall be limited to the participation of firms performing within their Area of Specialty. The Department of Procurement Services does not make any representation concerning the ability of any MBE or WBE to perform work within its Area of Specialty. It is the responsibility of the bidder or contractor to determine the capability and capacity of MBEs and WBEs to perform the work proposed.

"B.E.P.D." means an entity certified as a Business enterprise owned or operated by people with disabilities as defined in MCC 2-92-586.

"Broker" means a person or entity that fills orders by purchasing or receiving supplies from a third party supplier rather than out of its own existing inventory and provides no commercially useful function other than acting as a conduit between his or her supplier and his or her customer.

"Chief Procurement Officer" or "CPO" means the chief procurement officer of the City of Chicago or his or her designee.

"Commercially Useful Function" means responsibility for the execution of a distinct element of the work of the contract,

which is carried out by actually performing, managing, and supervising the work involved, evidencing the responsibilities and risks of a business owner such as negotiating the terms of (sub)contracts, taking on a financial risk commensurate with the contract or its subcontract, responsibility for acquiring the appropriate lines of credit and/or loans, or fulfilling responsibilities as a joint venture partner as described in the joint venture agreement.

"Construction Contract" means a contract, purchase order or agreement (other than lease of real property) for the construction, repair, or improvement of any building, bridge, roadway, sidewalk, alley, railroad or other structure or infrastructure, awarded by any officer or agency of the City, other than the City Council, and whose cost is to be paid from City funds.

"Contract Specific Goals" means the subcontracting goals for MBE and WBE participation established for a particular contract.

"Contractor" means any person or business entity that has entered into a construction contract with the City, and includes all partners, affiliates and joint ventures of such person or entity.

"Direct Participation" the value of payments made to MBE or WBE firms for work that is done in their Area of Specialty directly related to the performance of the subject

142

matter of the Construction Contract will count as Direct Participation toward the Contract Specific Goals.

"Directory" means the Directory of Minority Business MBEs and WBEs maintained and published by the Chief Procurement Officer. The Directory identifies firms that have been certified as MBEs and WBEs, and includes the date of their last certifications and the areas of specialty in which they have been certified. Bidders and contractors are responsible for verifying the current certification status of all proposed MBEs and WBEs.

"Executive Director" means the executive director of the Office of Compliance or his or her designee.

"Good Faith Efforts" means actions undertaken by a bidder or contractor to achieve a Contract Specific Goal that, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program's requirements.

"Joint venture" means an association of a MBE or WBE firm and one or more other firms to carry out a single, for-profit business enterprise, for which each joint venture partner contributes property, capital, efforts, skills and knowledge, and in which the MBE or WBE is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the joint venture are commensurate with its ownership interest.

"Minority Business Enterprise" or "MBE" means a firm certified as a minority-owned business enterprise in accordance with City Ordinances and Regulations.

"Supplier" or "Distributor" refers to a company that owns, operates, or maintains a store, warehouse or other establishment in which materials, supplies, articles or equipment are bought, kept in stock and regularly sold or leased to the public in the usual course of business. A regular distributor or supplier is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials or supplies required for performance of the Contract

are bought, kept in stock, and regularly sold to the public in the usual course of business. To be a regular distributor the firm must engage in, as its principal business and in its own name, the purchase and sale of the products in question. A regular distributor in such bulk items as steel, cement, gravel, stone, and petroleum products need not keep such products in stock if it owns or operates distribution equipment.

"Women Business Enterprise" or "WBE" means a firm certified as a women owned business enterprise in accordance with City Ordinances and Regulations.

Joint Ventures

143

The formation of joint ventures to provide MBEs and WBEs with capacity and experience at the prime contracting level, and thereby meet Contract Specific Goals (in whole or in part) is encouraged. A joint venture may consist of any combination of MBEs, WBEs, and non-certified firms as long as one member is an MBE or WBE.

- I. The joint venture may be eligible for credit towards the Contract Specific Goals only if:
 1. The MBE or WBE joint venture partners share in the capital contribution, control, management, risks and profits of the joint venture is equal to its ownership interest;
 2. The MBE or WBE joint venture partner is responsible for a distinct, clearly defined portion of the requirements of the contract for which it is at risk;
 3. Each joint venture partner executes the bid to the City; and
 4. The joint venture partners have entered into a written agreement specifying the terms and conditions of the relationship between the partners and their relationship and responsibilities to the contract, and all such terms and conditions are in accordance with the conditions set forth in Items 1, 2, and 3 above in this Paragraph A.
- II. The Chief Procurement Officer shall evaluate the proposed joint venture agreement, the Schedule B submitted on behalf of the proposed joint venture, and all related documents to determine whether these requirements have been satisfied. The Chief Procurement Officer shall also consider the record of the joint venture partners on other City of Chicago contracts. The decision of the Chief Procurement Officer regarding the eligibility of the joint venture for credit towards meeting the Contract Specific Goals, and the portion of those goals met by the joint venture, shall be final.

The joint venture may receive MBE or WBE credit for work performed by the MBE or WBE joint venture partner(s) equal to the value of work performed by the MBE or WBE with its own forces for a distinct, clearly defined portion of the work.

Additionally, if employees of the joint venture entity itself (as opposed to employees of the MBE or WBE partner) perform the work then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in Schedule B.

The Chief Procurement Officer may also count the dollar value of work subcontracted to other MBEs and WBEs. Work performed by the forces of a non-certified joint venture partner shall not be counted toward the Contract Specific Goals.

III. Schedule B: MBE/WBE Affidavit of Joint Venture

Where the bidders Compliance Plan includes the participation of any MBE or WBE as a joint venture partner, the bidder must submit with its bid a Schedule B and the proposed joint venture agreement. These documents must both clearly evidence that the MBE or WBE joint venture partner(s) will be responsible for a clearly defined portion of the work to be performed, and that the MBE's or WBE's responsibilities and risks are proportionate to its ownership percentage. The proposed joint venture agreement must include specific details related to:

IV. The parties' contributions of capital, personnel, and equipment and share of the costs of insurance and bonding; and/or work to be performed by employees of the newly formed joint venture entity;

1. Work items to be performed under the supervision of the MBE or WBE joint venture partner; and
2. The MBE's or WBE's commitment of management, supervisory, and operative personnel to the performance of the contract.

NOTE: Vague, general descriptions of the responsibilities of the MBE or WBE joint venture partner do not provide any basis for awarding credit. For example, descriptions such as "participate in the budgeting process," "assist with hiring," or "work with managers to improve customer service" do not identify distinct, clearly defined portions of the work. Roles assigned should require activities that are performed on a regular, recurring basis rather than as needed. The roles must also be pertinent to the nature of the business for which credit is being sought. For instance, if the scope of work required by the City entails the delivery of goods or services to various sites in the City, stating that the MBE or WBE joint venture partner will be responsible for the performance of all routine maintenance and all repairs required to the vehicles used to deliver such goods or services is pertinent to the nature of the business for which credit is being sought.

IV. Counting MBE and WBE Participation Towards the Contract Specific Goals Work items to be performed by the MBE's or WBE's own forces

Refer to this section when preparing the MBE/WBE compliance plan and completing Schedule D-1 for guidance on what value of the participation by MBEs and WBEs will

be counted toward the stated Contract Specific Goals. The "Percent Amount of Participation" depends on whether and with whom a MBE or WBE subcontracts out any portion of its work and other factors.

Firms that are certified as both MBE and WBE may only be listed on a bidder's compliance plan as either a MBE or a WBE to demonstrate compliance with the Contract Specific Goals. For example, a firm certified as both a MBE and a WBE may only listed on the bidder's compliance plan under one of the categories, but not both. Additionally, a firm that is certified as both a MBE and a WBE could not self-perform 100% of a contract, it would have to show good faith efforts to meet the Contract Specific Goals by including in its compliance plan work to be performed by another MBE or WBE firm, depending on which certification that dual- certified firm chooses to count itself as.

- A. Only expenditures to firms that perform a Commercially Useful Function as defined above may count toward the Contract Specific Goals.
- B. The CPO will determine whether a firm is performing a commercially useful function by evaluating the amount of work subcontracted, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and the credit claimed for its performance of the work, industry practices, and other relevant factors.

A. A MBE or WBE does not perform a commercially useful function if its participation is only required to receive payments in order to obtain the appearance of MBE or WBE participation. The CPO may examine similar commercial transactions, particularly those in which MBEs or WBEs do not participate, to determine whether non MBE and non WBE firms perform the same function in the marketplace to make a determination.

- Only the value of the dollars paid to the MBE or WBE firm for work that it performs in its Area of Specialty in which it is certified counts toward the Contract Specific Goals.

Only payments made to MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements above will be counted toward the Contract Specific Goals.

- If the MBE or WBE performs the work itself:
 - 100% of the value of work actually performed by the MBE's or WBE's own forces shall be counted toward the Contract Specific Goals, including the cost of supplies purchased or equipment leased by the MBE or WBE from third parties or second tier subcontractors in order to perform its (sub)contract with its own forces. 0% of the value of work at the project site that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals

If the MBE or WBE is a manufacturer:

- 100% of expenditures to a MBE or WBE manufacturer for items needed for the Contract shall be counted toward the Contract Specific Goals. A manufacturer is a firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the bidder or contractor.

If the MBE or WBE is a distributor or supplier:

- 60% of expenditures for materials and supplies purchased from a MBE or WBE that is certified as a regular dealer or supplier shall be counted toward the Contract Specific Goals.

If the MBE or WBE is a broker:

- 0% of expenditures paid to brokers will be counted toward the Contract Specific Goals.
- As defined above. Brokers provide no commercially useful function.

If the MBE or WBE is a member of the joint venture contractor/bidder:

- A joint venture may count the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the contract that the MBE or WBE performs with its own forces toward the Contract Specific Goals.
 - OR if employees of this distinct joint venture entity perform the work then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in Schedule B.
- Note: a joint venture may also count the dollar value of work subcontracted to other MBEs and WBEs, however, work subcontracted out to non-certified firms may not be counted.

C, If the MBE or WBE subcontracts out any of its work:

1. 100% of the value of the work subcontracted to other MBEs or WBEs performing work in its Area of Specialty may be counted toward the Contract Specific Goals.
2. 0% of the value of work that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals (except for the cost of supplies purchased or equipment leased by the MBE or WBE from third parties or second tier subcontractors in order to perform its (sub)contract with its own forces as allowed by C. 1. above).
3. The fees or commissions charged for providing a bona fide service, such as professional, technical, consulting or managerial services or for providing bonds or insurance or the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the Contract, may be counted toward the Contract Specific Goals, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar

147

services.

4. The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.
5. The fees or commissions charged for providing any bonds or insurance, but not the cost of the premium itself, specifically required for the performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

V. Procedure to Determine Bid Compliance

The following Schedules and requirements govern the bidder's or contractor's MBE/WBE proposal:

- Schedule B: MBE/WBE Affidavit of Joint Venture

- Where the bidder's Compliance Plan includes the participation of any MBE or WBE as a joint venture partner, the bidder must submit with its bid a Schedule B and the proposed joint venture agreement. See Section III above for detailed requirements.

- Schedule C: MBE/WBE Letter of Intent to Perform as a Subcontractor or Supplier

The bidder must submit the appropriate Schedule C with the bid for each MBE and WBE included on the Schedule D. The City encourages subcontractors to utilize the electronic fillable format Schedule C, which is available at the Department of Procurement Services website, <<http://cityofchicago.org/forms>>. Suppliers must submit the Schedule C for Suppliers, first tier subcontractors must submit a Schedule C for Subcontractors to the Prime Contractor and second or lower tier subcontractors must submit a Schedule C for second tier Subcontractors. Each Schedule C must accurately detail the work to be performed by the MBE or WBE and the agreed upon rates/prices. Each Schedule C must also include a separate sheet as an attachment on which the MBE or WBE fully describes its proposed scope of work, including a description of the commercially useful function being performed by the MBE or WBE in its Area of Specialty. If a facsimile copy of the Schedule C has been submitted with the bid, an executed original Schedule C must be submitted by the bidder for each MBE and WBE included on the Schedule D within five (5) business days after the date of the bid opening.

148

D. Schedule D: Compliance Plan Regarding MBE and WBE Utilization

The bidder must submit a Schedule D with the bid. The City encourages bidders to utilize the electronic fillable format Schedule D, which is available at the Department of Procurement Services website, <http://cityofchicago.org/forms>. An approved Compliance Plan is required before a contract may commence.

The Compliance Plan must commit to the utilization of each listed MBE and WBE. The bidder is responsible for calculating the dollar equivalent of the MBE and WBE Contract Specific Goals as percentages of the total base bid. All Compliance Plan commitments must conform to the Schedule Cs.

A bidder or contractor may not modify its Compliance Plan after bid opening except as directed by the Department of Procurement Services to correct minor errors or omissions. Bidders shall not be permitted to add MBEs or WBEs after bid opening to meet the Contract Specific Goals, however, contractors are encouraged to add additional MBE/WBE vendors to their approved compliance plan during the performance of the contract when additional opportunities for participation are identified. Except in cases where substantial, documented justification is provided, the bidder or contractor shall not reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedule Cs and Schedule D. All terms and conditions for MBE and WBE participation on the contract must be negotiated and agreed to between the bidder or contractor and the MBE or WBE prior to the submission of the Compliance Plan. If a proposed MBE or WBE ceases to be available after submission of the Compliance Plan, the bidder or contractor must comply with the¹ provisions in Section VII. .

E. Letters of Certification

A copy of each proposed MBE's and WBE's Letter of Certification from the City of Chicago must be submitted with

the bid.

A Letters of Certification includes a statement of the MBE's or WBE's area(s) of specialty. The MBE's or WBE's scope of work as detailed in the Schedule C must conform to its area(s) of specialty. Where a MBE or WBE is proposed to perform work not covered by its Letter of Certification, the MBE or WBE must request the addition of a new area at least 30 calendar days prior to the bid opening.

F. Schedule F: Report of Subcontractor Solicitations

A Schedule F must be submitted with the bid, documenting all subcontractors and suppliers solicited for participation on the contract by the bidder. Failure to submit the Schedule F may render the bid non-responsive.

149

G. Schedule H: Documentation of Good Faith Efforts

1. [If a bidder determines that it is unable to meet the Contract Specific Goals, it must document its good faith efforts to do so, including the submission of Attachment C, Log of Contacts.

H. If the bidder's Compliance Plan demonstrates that it has not met the Contract Specific Goals in full or in part, the bidder must submit its Schedule H no later than three business days after notification by the Chief Procurement Officer of its status as the apparent lowest bidder. Failure to submit a complete Schedule H will cause the bid to be rejected as non-responsive.

I. Documentation must include but is not necessarily limited to:

1. A detailed statement of efforts to identify and select portions of work identified in the bid solicitation for subcontracting to MBEs and WBEs;
2. A listing of all MBEs and WBEs contacted for the bid solicitation that includes:
 - Names, addresses, emails and telephone numbers of firms solicited; Date and time of contact; Person contacted; Method of contact (letter, telephone call, facsimile, electronic mail, etc.).
3. Evidence of contact, including:
 - Project identification and location;
 - Classification/commodity of work items for which quotations were sought;
 - Date, item, and location for acceptance of subcontractor bids; Detailed statements summarizing direct negotiations with appropriate MBEs and WBEs for specific portions of the work and indicating why agreements were not reached.Bids received from all subcontractors.
4. Documentation of bidder or contractor contacts with at least one of the minority and women assistance associations on Attachment A.

- Agreements between a bidder or contractor and a MBE or WBE in which the MBE or WBE promises not to provide subcontracting quotations to other bidders or contractors are prohibited.

150

- Prior to award, the bidder agrees to promptly cooperate with the Department of Procurement Services in submitting to interviews, allowing entry to places of business, providing further documentation, or soliciting the cooperation of a proposed MBE or WBE. Failure to cooperate may render the bid non-responsive.
- If the City determines that the Compliance Plan contains minor errors or omissions, the bidder or contractor must submit a revised Compliance Plan within five (5) business days after notification by the City that remedies the minor errors or omissions. Failure to correct all minor errors or omissions may result in the determination that a bid is non-responsive.
- No later than three (3) business days after receipt of the executed contract, the contractor must execute a complete subcontract agreement or purchase order with each MBE and WBE listed in the Compliance Plan. No later than eight (8) business days after receipt of the executed contract, the contractor must provide copies of each signed subcontract, purchase order, or other agreement to the Department of Procurement Services.

VI. Demonstration of Good Faith Efforts

I. In evaluating the Schedule H to determine whether the bidder or contractor has made good faith efforts, the performance of other bidders or contractors in meeting the goals may be considered.

II. The Chief Procurement Officer shall consider, at a minimum, the bidder's efforts to:

1. Solicit through reasonable and available means at least 50% (or at least five when there are more than eleven certified firms in the commodity area) of MBEs and WBEs certified in the anticipated scopes of subcontracting of the contract, as documented by the Schedule H. The bidder or contractor must solicit MBEs and WBEs within seven (7) days prior to the date bids are due. The bidder or contractor must take appropriate steps to follow up initial solicitations with interested MBEs or WBEs.
2. Advertise the contract opportunities in media and other venues oriented toward MBEs and WBEs.
3. Provide interested MBEs or WBEs with adequate information about the plans, specifications, and requirements of the contract, including addenda, in a timely manner to assist them in responding to the solicitation.

151

4. Negotiate in good faith with interested MBEs or WBEs that have submitted bids. That there may be some additional costs involved in soliciting and using MBEs and WBEs is not a sufficient reason for a bidder's failure to

meet the Contract Specific Goals, as long as such costs are reasonable.

5. Not reject MBEs or WBEs as being unqualified without sound reasons based on a thorough investigation of their capabilities. The MBE's or WBE's standing within its industry, membership in specific groups, organizations, or associations and political or social affiliations are not legitimate causes for rejecting or not soliciting bids to meet the Contract Specific Goals.
 6. Make a portion of the work available to MBE or WBE subcontractors and suppliers and selecting those portions of the work or material consistent with the available MBE or WBE subcontractors and suppliers, so as to facilitate meeting the Contract Specific Goals.
 7. Make good faith efforts, despite the ability or desire of a bidder or contractor to perform the work of a contract with its own organization. A bidder or contractor who desires to self-perform the work of a contract must demonstrate good faith efforts unless the Contract Specific Goals have been met.
 8. Select portions of the work to be performed by MBEs or WBEs in order to increase the likelihood that the goals will be met. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate MBE or WBE participation, even when the bidder or contractor might otherwise prefer to perform these work items with its own forces.
- J. Make efforts to assist interested MBEs or WBEs in obtaining bonding, lines of credit, or insurance as required by the City or bidder or contractor.
- K. Make efforts to assist interested MBEs or WBEs in obtaining necessary equipment, supplies, materials, or related assistance or services; and
- L. Effectively use the services of the City; minority or women community organizations; minority or women assistance groups; local, state, and federal minority or women business assistance offices; and other organizations to provide assistance in the recruitment and placement of MBEs or WBEs.
1. If the bidder disagrees with the City's determination that it did not make good faith efforts, the bidder may file a protest pursuant to the Department of Procurement Services Solicitation and Contracting

152

Process Protest Procedures within 10 business days of a final adverse decision by the Chief Procurement Officer.

VII. Changes to Compliance Plan

- No changes to the Compliance Plan or contractual MBE and WBE commitments or substitution of MBE or WBE subcontractors may be made without the prior written approval of the Chief Procurement Officer. Unauthorized changes or substitutions, including performing the work designated for a subcontractor with the contractor's own forces, shall be a violation of these Special Conditions and a breach of the contract with the City, and may cause termination of the executed Contract for breach, and/or subject the bidder or contractor to contract remedies or other sanctions. The facts supporting the request for changes must not have been known nor reasonably could have been known by the parties prior to entering into the subcontract. Bid shopping is prohibited. The bidder or contractor must negotiate with the subcontractor to resolve the problem. If requested by either party, the Department of Procurement Services shall facilitate

such a meeting. Where there has been a mistake or disagreement about the scope of work, the MBE or WBE can be substituted only where an agreement cannot be reached for a reasonable price for the correct scope of work.

- Substitutions of a MBE or WBE subcontractor shall be permitted only on the following basis:
 - Unavailability after receipt of reasonable notice to proceed;
 - Failure of performance;
 - Financial incapacity;
 - Refusal by the subcontractor to honor the bid or proposal price or scope;
 - Mistake of fact or law about the elements of the scope of work of a solicitation where a reasonable price cannot be agreed;
 - Failure of the subcontractor to meet insurance, licensing or bonding requirements;
 - The subcontractor's withdrawal of its bid or proposal; or
 - De-certification of the subcontractor as a MBE or WBE. (Graduation from the MBE/WBE program does not constitute de-certification.)
- If it becomes necessary to substitute a MBE or WBE or otherwise change the Compliance Plan, the procedure will be as follows:
 - M. The bidder or contractor must notify the Chief Procurement Officer in writing of the request to substitute a MBE or WBE or otherwise change the Compliance Plan. The request must state specific reasons for the substitution or change. A letter from the MBE or WBE to be substituted or affected by the change stating that it cannot perform on the contract or that it agrees with the change in its scope of work, must be submitted with the request.
 - N. The City will approve or deny a request for substitution or other change within 15 business days of receipt of the request.
 - O. Where the bidder or contractor has established the basis for the substitution to the satisfaction of the Chief Procurement Officer, it must make good faith efforts to meet the Contract Specific Goal by substituting a MBE or WBE subcontractor. Documentation of a replacement MBE or WBE, or of good faith efforts, must meet the requirements in sections V and VI. If the MBE or WBE Contract Specific Goal cannot be reached and good faith efforts have been made, as determined by the Chief Procurement Officer, the bidder or contractor may substitute with a non- MBE or non-WBE.
 - P. If a bidder or contractor plans to hire a subcontractor for any scope of work that was not previously disclosed in the Compliance Plan, the bidder or contractor must obtain the approval of the Chief Procurement Officer to modify the Compliance Plan and must make good faith efforts to ensure that MBEs or WBEs have a fair opportunity to bid on the new scope of work.
 - Q. A new subcontract must be executed and submitted to the Chief Procurement Officer within five business days of the bidder's or contractor's receipt of City approval for the substitution or other change.

- D. The City shall not be required to approve extra payment for escalated costs incurred by the contractor when a substitution of subcontractors becomes necessary to comply with MBE/WBE contract requirements.

VIII. Reporting and Record Keeping

- During the term of the contract, the contractor and its non-certified subcontractors must submit partial and final waivers of lien from MBE and WBE subcontractors that show the accurate cumulative dollar amount of subcontractor payments made to date. Upon acceptance of the Final Quantities from the City of Chicago, FINAL certified waivers of lien from the MBE and WBE subcontractors must be attached to the contractor's acceptance letter and forwarded to the Department of Procurement Services, Attention: Chief Procurement Officer.
- The contractor will be responsible for reporting payments to all subcontractors on a monthly basis in the form of an electronic audit. Upon the first payment issued by the City of Chicago to the contractor for services performed, on the first day of each month and every month thereafter, email and/or fax audit

154

notifications will be sent out to the contractor with instructions to report payments that have been made in the prior month to each MBE and WBE. The reporting of payments to all subcontractors must be entered into the Certification and Compliance Monitoring System (C2), or whatever reporting system is currently in place, on or before the fifteenth (15th) day of each month.

Once the prime contractor has reported payments made to each MBE and WBE, including zero dollar amount payments, the MBE and WBE will receive an email and/or fax notification requesting them to log into the system and confirm payments received. All monthly confirmations must be reported on or before the

20th day of each month. Contractor and subcontractor reporting to the C2 system must be completed by the 25th of each month or payments may be withheld.

All subcontract agreements between the contractor and MBE/WBE firms or any first tier non-certified firm and lower tier MBE/WBE firms must contain language requiring the MBE/WBE to respond to email and/or fax notifications from the City of Chicago requiring them to report payments received for the prime or the non-certified firm.

Access to the Certification and Compliance Monitoring System (C2), which is a web based reporting system, can be found at: <<http://chicago.mwdbe.com>>

- R. The Chief Procurement Officer or any party designated by the, Chief Procurement Officer shall have access to the contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the contractor's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the contractor's records by any officer or official of the City for any purpose.
- S. The contractor shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs, retaining these records for a period of at least five years after final acceptance of the work. Full access to

these records shall be granted to City, federal or state authorities or other authorized persons.

IX. Non-Compliance

- Without limitation, the following shall constitute a material breach of this contract and entitle the City to declare a default, terminate the contract, and exercise those remedies provided for in the contract at law or in equity: (1) failure to demonstrate good faith efforts; and (2) disqualification as a MBE or

155

I.

WBE of the contractor or any joint venture partner, subcontractor or supplier if its status as an MBE or WBE was a factor in the award of the contract and such status was misrepresented by the contractor.

- Payments due to the contractor may be withheld until corrective action is taken.
- Pursuant to 2-92-740, remedies or sanctions may include disqualification from contracting or subcontracting on additional City contracts for up to three years, and the amount of the discrepancy between the amount of the commitment in the Compliance Plan, as such amount may be amended through change orders or otherwise over the term of the contract, and the amount paid to MBEs or WBEs. The consequences provided herein shall be in addition to any other criminal or civil liability to which such entities may be subject.
- The contractor shall have the right to protest the final determination of noncompliance and the imposition of any penalty by the Chief Procurement Officer pursuant to 2-92-740 of the Municipal Code of the City of Chicago, within 15 business days of the final determination.

X. Arbitration

If the City determines that a contractor has not made good faith efforts to fulfill its Compliance Plan, the affected MBE or WBE may recover damages from the contractor.

Disputes between the contractor and the MBE or WBE shall be resolved by binding arbitration before the American Arbitration Association (AAA), with reasonable expenses, including attorney's fees and arbitrator's fees, being recoverable by a prevailing MBE or WBE. Participation in such arbitration is a material provision of the Construction Contract to which these Special Conditions are an Exhibit. This provision is intended for the benefit of any MBE or WBE affected by the contractor's failure to fulfill its Compliance Plan and grants such entity specific third party beneficiary rights. These rights are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a contractor and a MBE or WBE. Failure by the Contractor to participate in any such arbitration is a material breach of the Construction Contract.

A MBE or WBE seeking arbitration shall serve written notice upon the contractor and file a demand for

arbitration with the AAA in Chicago, IL. The dispute shall be arbitrated in accordance with the Commercial Arbitration Rules of the AAA. All arbitration fees are to be paid pro rata by the parties.

156

The MBE or WBE must copy the City on the Demand for Arbitration within 10 business days after filing with the AAA. The MBE or WBE must copy the City on the arbitrator's decision within 10 business days of receipt of the decision. Judgment upon the arbitrator's award may be entered in any court of competent jurisdiction.

XI. Equal Employment Opportunity

Compliance with MBE and WBE requirements will not diminish or supplant equal employment opportunity and civil rights provisions as required by law related to bidder or contractor and subcontractor obligations.

Definitions

In addition to the terms defined elsewhere, the following words, phrases, when capitalized, have the following meanings:

"Airport" refers to O'Hare International Airport (ORD) and/or Midway International Airport (MDW). "Airport Concession Program Handbook" refers to the manual created by CDA to coordinate operations of the Concession location with the CDA, including inspections, daily operations, and construction. "As-Built Drawings" refers to the drawings that document on-site changes to the original construction documents. The initial plan markups are submitted by the General Contractor to the Architect of Record for submission to CDA. These drawings are required by Chicago Department of Aviation as part of the close out documentation package. "Business Day" refers to a measurement of time that typically is a day in which normal business is conducted Monday through Friday; excluding Saturday, Sunday and City of Chicago holidays for all documentation and design submittals.

"Chicago Department of Aviation" (CDA) refers to the managing entity for the Airports on behalf of the City of Chicago.

"CDA CAD / BIM Standards" refers to the standards created by the Chicago Department of Aviation describing requirements for drawings

"CDA's Coordinating Architect of Design and Construction" refers to the designee appointed by the CDA to oversee the design creation and review process. This entity may also be involved in the review of the construction process to ensure coordination with the design.

"CDA Concessions" (CDA-C) refers to the department within CDA responsible for the oversight of the concessions program or its Concessions Management Representative (CMR)

"CDA Point of Contact" (CDA POC) refers to a designee assigned by CDA to oversee the development of the construction project on behalf of CDA.

"CDA Project Number" refers to the CDA project identification number that is required to be included on all correspondence and applications submitted throughout the design and construction process. "CDA Construction Safety Manual" refers to the manual, as amended from time to time, created by The City of Chicago, to incorporate health and safety regulations as the responsibility of the Contractor working on airport premises. See Exhibit D.5

"CDA Safety" refers to any party working for, or on behalf of, the CDA in regard to safety, security, or similar airport operations.

"Chicago Department of Public Health" (CDPH) refers to the City of Chicago entity responsible for enforcing Chicago Health Codes, by performing inspections and administering permits. "Concessionaire" refers to the leaseholder or tenant in the business of selling products or services to the public at the Airport. "Concessionaire Point of Contact" (Concessionaire POC) refers to any party working on behalf of a concessionaire; which will include architects and their engineers and consultants (POC Architect), and the general contractors and their subcontractors (POC Contractor).

"Concessions" refers to non-rental car concession businesses at the Airport selling products or services to the public.

"Concessions Design Guidelines for Midway" refers to the guidelines established by the CDA regarding overall design intent and to provide quality, material, signage, lighting and system standards for concessions development at Chicago Midway International Airport (MDW).

"Concessions Design Guidelines for O'Hare" refers to the guidelines established by the CDA regarding overall design intent and to provide quality, material, signage, lighting and system standards for concessions development at Chicago O'Hare International Airport (ORD).

"Concessions Management Representative" (CMR) refers to the entity or entities retained by the CDA to assist in overseeing Concessions, including construction of Improvements at the airport.

"Construction Services" refers to the portion of the project involving construction, including but not limited to trade labor, material purchase, equipment purchase, tool or equipment rentals, support services such as safety monitoring, clean up labor, delivery costs, taxes, etc. that directly results in a code compliant concession location.

"Department of Buildings" refers to the City of Chicago entities responsible for enforcing Chicago Building Codes, by performing inspections and administering permits including the Ventilation Department, Electrical Department, Plumbing Department, and New Construction Department.

"Design and Construction Standard Operating Procedures; Concessions Projects" (C-SOP) refers to the guidelines established by CDA and CDA Concessions as the process by which all Concessions projects are reviewed and approved.

"Design Documents" refers to the documents that illustrate and describe the project design by defining scope, relationships, forms, size and appearance of the project with specifications, plans, sections, elevations, perspectives, typical sectional details, diagrams and equipment layouts.

"Liquor License" refers to the City of Chicago entity responsible to enforce the Chicago Liquor Licensure by performing inspections and administering permits.

"Pre-Construction Meeting" refers to the mandatory meeting held prior to project construction.

"Project's Digital Design Coordinator" (DDC) refers to the Concessionaire's architect's and engineer's point of contact for document exchange. Multiple members of the design team may have password access, but only the DDC should contact the CDA POC if follow up coordination is required.

"Project Initiation Letter" (PIL) refers to the concessionaire's formal letter submittal to CDA Design and Construction requesting a CDA Project Number. The Project Initiation Letter should clearly define the project and scope. Please refer to Exhibit A for a list of items to be included in the PIL.

"Professional Services" refers to the portion of the project involving design, coordination, or post-construction work including but not limited to design, code review, project or program coordination, etc. that is associated with, but not necessarily required for the concession location. Note that work performed by an employee of the Concessionaire does not count as Professional Services.

"Retail Management System" (RMS) refers to the CDA's secure concessions portal, AirportWare™ Software Suite, for Capital Program Management, Lease Management, Aviation Statistics, and Facilities Inspection.

"Review Comments Form" refers to the CDA template used to document all reviewing parties' comments regarding the drawing submittal.

"Review and Conditions Letter" refers to the document that is issued by CDA and used at all submittals throughout the drawing review process as a communication and response tool between review parties and the Concessionaire.

"The Sustainable Airport Manual (SAM™)" refers to the manual created by CDA to incorporate and track sustainability in administrative procedures, planning, design and construction, operations and maintenance, and concessions and tenants with minimal impact to project schedules or budgets.

Introduction

O'Hare and Midway International Airports are owned by the City of Chicago and operated by the Chicago Department of Aviation (CDA). As a department within the City of Chicago, CDA is responsible for the management of the Airports, including the concessions program, and accordingly CDA reserves the right to review and approve the construction or modification of any Concession on Airport property.

For O'Hare International Airport official addresses and site map refer to:

- Exhibit 1: O'Hare International Airport Official Addresses and Site Map(s)

For Midway International Airport official addresses and site map refer to:

- Exhibit 2: Midway International Airport Official Addresses and Site Map

The procedures, submission requirements, and deadlines set forth in this C-SOP document are mandatory and may only be waived in unique circumstances upon written approval by CDA Concessions. CDA reserves the right to modify the requirements at any time.

The Concessionaire shall provide evidence of professional services throughout all stages of work. All project documentation shall be prepared, signed, and stamped by a licensed design professional. Throughout the design process the Concessionaire is to utilize the most sustainable design practices in the industry with reference to the Sustainable Airport Manual (SAM™) to the extent dictated in the Concessionaire's signed Lease and License Agreement. The CDA, through its Design and Construction Division & CDA Concessions, reviews, oversees, and approves design and work for all new construction, renovation, and remodeling projects at the Airports.

Project oversight varies based on milestones

Step 8 ■ Project Closeout

Step 9

- Compliant Overview

Development and Design Process Overview

The concept development and design process has been established to provide a systematic and organized process by which a concessions concept and design are reviewed and approved by CDA Concessions. It should be noted that field verification is mandatory for all projects.

STEP 1.0: Project Initiation

1.1: Concept Proposal and Design Presentation

In order to begin a remodel project, store renovation or concept change, CDA Concessions must approve the proposed project and/or concept. The Concessionaire's concept design should include spatial relationships or models as necessary to describe the image and function of the project for CDA's review. CDA Concessions will be available to assist with the presentation scheduling.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Pages of 23

The Concessionaire must provide the following items at the Conceptual Design presentation:

- 1) Site Plan
- 2) Concept plan
- 3) Proposed terminal, concourse and requested square footage,
- 4) The existing to remain or newly proposed lease line
- 5) Design perspectives / renderings (illustrative images)
- 6) Design plans / elevations
- 7) Proposed materials / finish board (to be mailed to the address below)
- 8) Preliminary overall project schedule
- 9) Preliminary construction budget
- 10) Sample menu

The concepts documents should be submitted via email to:

O'Hare International Airport Contacts

Chicago Department of Aviation Chicago Department of Aviation

Aviation Administration Building

Attn: Deputy Commissioner Concessions

10510 West Zemke Rd. 10510 West Zemke Rd.

Chicago, IL 60666 Chicago, IL 60666

¹ Midway International Airport Contacts

Chicago Department of Aviation

Aviation Administration Building

Attn: Deputy Commissioner Concessions

10510 West Zemke Rd.

Chicago, IL 60666

Email:

These items will be reviewed by CDA Concessions for completeness. The Concessionaire will be contacted via email or hard copy letter with review results within ten (10) business days of the Concept presentation with comments and direction regarding items that need revisions or enhancements, and that should be addressed before the Concessionaire moves forward to submit a Project Initiation Letter.

1.2: Project Initiation Letter

When CDA Concessions issues written approval for the conceptual design, the Concessionaire shall submit to CDA's Coordinating Architect of Design and Construction, a Project Initiation Letter (PIL) on Concessionaire's or Concessionaire's Architect's letterhead. Within ten (10) business days of receiving the PIL, CDA will send a "Response to Project Initiation Letter" to the Concessionaire with comments and direction regarding the required number of and completion level of design submittals, along with the assigned CDA Project Number which must be included on all future project correspondence and submittals including permits.

CDA's Coordinating Architect of Design and Construction will determine if the scope of work requires a CDA Project Number as well as a full design and construction review. At that time, it is also determined if compliance with the SAM™ is required. Not all projects will be assigned a CDA Project Number or must be SAM™ compliant. Based on the construction scope and duration, some projects may be eligible to proceed through CDA's eForm system (for more information on eForms see Step 5). All Concessionaire questions, concerns, or requests for information or project coordination should be directed to the CDA POC.

For a list of required documentation to include in the PIL refer to: • Exhibit A:
Project Initiation Letter Submittal Check List

Please refer to Step 1.1 for where O'Hare and Midway Pre-Construction Submittals should be sent.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 6 of 23

Once the PIL has been received and acknowledged, the project owner and/or representative is responsible and required to provide the following project documentation and electronic documentation to the CDA Concessions POC:

- Project written reports pertaining to all Design Reviews, Pre-Construction, Construction and PostConstruction updates e-mailed to the CDA POC as requested. The project owner and/or representative is to ensure all project meetings be attended by a project representative. Please refer to Step 6.6 for further information.

1.3: Sustainable Airport Manual (SAM™)

The Concessionaire is required to submit a Sustainable Airport Manual (SAM™) Checklist. The Designer will complete and submit a checklist for the SAM™ Terminal Occupants - Design & Construction Chapter (SAM™ TO-DC Credits 1.0 to 6.0) and include all relevant supporting documentation. Be advised that the Terminal Occupants -Operations & Maintenance (CT-OM) checklist is not required for construction projects (all projects would need to submit a checklist). Please refer to link below: SAM™ Manual

End of STEP 1

STEP 2.0: Design Review

All projects require review by CDA Concessions. The Concessionaire's design professional shall perform code review to determine what permits are required. If it is determined that the scope of work does not require permit(s), the design professional shall provide this determination in writing to CDA Concessions. Otherwise, building permits are issued by the Department of Buildings. CDA encourages the Concessionaire to allow ample schedule time to acquire the required building permits. Please note that if a sign construction permit is required, it can only be obtained by a licensed sign contractor. All projects are to conform and comply with all applicable CDA standards.

2.1: Concessionaire and Concessionaire's Consultants' Responsibilities

The Concessionaire is ultimately responsible for all work designed, approved and constructed in the Airport by its vendors and consultants.

2.2: Design Overview

The design review process includes design drawing, review, and approval. The project design timeline will vary based on multiple factors, such as scope of work, existing conditions, drawing completeness at time of submittal, and/or as dictated by CDA.

Please note:

- CDA's design review requires a minimum of fifteen (15) business days.
- Concessionaire's design professional is allotted thirty (30) business days after receipt of CDA comments to submit the next drawing package.

30% Design Submittal

100% Construction Document Submittal

Final CDA Document Submittal

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 7 of 23

The Concessionaire will receive a "Review and Conditions Letter" that either approves the submittal with qualifications, "Reviewed as Noted" or a "Revise and Resubmit".

2.3: Design Submittals

The Concessionaire will submit to the CDA's Coordinating Architect of Design and Construction, at the 30%, 60%, 90%, and 100% design completion levels, or other completion level combinations based upon review and completeness of the initial and follow-up submittals. Less complex projects may be approved to deviate from this requirement, which will be addressed in CDA's "Response to Project Initiation Letter".

The Concessionaire is required to prepare and submit architectural and engineering drawings, material samples, specifications, lighting schedule and catalog cuts, display fixture and equipment plans, and other technical data as necessary to create a complete design package. The submittal must be in accordance with General Procedures and as described in the Concession Lease and License Agreement.

- 1) The design drawing documents shall be prepared by design professionals licensed to practice in the State of Illinois.
- 2) Particular attention should be given to the non-combustible classification of the building, related flame spread ratings and smoke development classification of materials. Documentation should demonstrate compliance with these requirements.
- 3) Concessionaire documentation for all submissions shall be provided in imperial measurement at the following suggested minimum scales:
 - a) Key plans; 1/32" = 1'-0]", with the location of the space clearly identified by the column line designation.
 - b) Floor plans, reflected ceiling plans, merchandising plans, interior elevations, sections and related details; 1/8" = 1'-0" !

- C) Passenger traffic flow diagrams (queuing) and adjacency plans at 1/8" = 1'-0".
 - d) Storefronts, signage, logos and lettering, in elevation, section or detail; 14" = 1'-0".
 - e) Sample boards identifying all proposed materials, 11" x 17" panel minimum, include legend.
 - f) Sample boards identifying photos for all proposed furniture and lighting fixtures, 11" x 17" panel minimum, include legend]
 - g) Renderings 11" x 17" or larger for presentation, provide 11" x 17" hand-out copies to be distributed to the attendees.
- 4) All drawings shall be submitted in accordance to CDA CAD / BIM Standards. Electronic submittals will also be accepted in AutoCAD format or the current CDA standard format. A complete set of PDFs is also required as part of each Concessionaire design submission. During design development, at the Concessionaire's request, CDA will make available known as-built files.
- 5) Concessionaire and design team to relay existing condition findings to CDA Facilities for review and approval before submitting the 30% design submittal. An in-person meeting maybe required. The CDA POC will help facilitate a meeting date and time.

2.4: Concessionaire and CDA Signage *

Sign design documents must be submitted for review and approval by CDA separate from the phase submittals. Each project must include an illuminated storefront sign. Where it is applicable a blade sign may also be included. Design documents for the signage must express the image, location, specifications, materials, and dimensions. All signage, with or without electrical components, require a sign permit from the Department of Buildings; which can only be obtained by a licensed sign contractor.

1

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 8 of 23

The Concessionaire must inform the CDA Concessions POC if the project requires airport owned signage removal or modification. A walk through with CDA Concessions will be scheduled to ensure adequate time will be allotted for the required airport owned sign work to occur during the construction phase. Any CDA signage needing to be removed or relocated within the project area must be performed by CDA. If CDA signage is located within the project area, the Concessionaire must include specifications in the construction documents, detailing steps to be taken by the contractor to adequately protect all CDA signage to ensure it is not damaged during construction.

2.5: Review Comments

CDA's Coordinating Architect of Design and Construction will distribute a blank "Review Comments Form" form to the appropriate review team. This document will be distributed as an Excel Workbook file and will only be used by the reviewer for their comments. After all comments have been made, each reviewer will send back their comments to the CDA's Coordinating Architect of Design and Construction.

The designer is to provide written line item responses to all comments in the workbook file. This process will repeat for each review phase, as designated in the CDA's "Response to Project Initiation Letter".

Please refer to:

- **Exhibit B: Submittal Review Comments Form Concessions 2.6: Response to**

Comments

The Concessionaire is required to respond to all review comments listed on the Review Comments Form, as well as any issues identified in the "Review and Conditions Letter". The spreadsheet column titled "Concessionaire Response" must be completed and accompany the preceding design submittal. Failure to do so will affect the design review process timeline. Concessionaire must respond to all review comments, in writing and submit within or no less than three (3) business days prior to the request for a Pre-Construction Meeting.

2.7: Requests for Information

Concessionaire questions, concerns or requests for information or project coordination should be directed to the CDA Concessions POC.

2.8: Requests for As-Built Drawings

The Concessionaire, their architect and/or engineer may submit an as-built drawing request from CDA for use in their design. Use the link below "Document Request Form" and submit it to the CDA for approval. As-built drawings will not be available until the form is signed by CDA. The Concessionaire, their architect and/or engineer will be notified by the CDA if and when the drawings are available. Please refer to:

Exhibit B.1: CDA Standard Electronic Document Request Form 2.9: Requests for

CDA Design Standards Variance

The Concessionaire, their architect and/or engineer may submit a request for a variance to the CDA Design Standards. Use the link below to access the "Designer's Request for CDA Design Standards Variance" form. The variance must be reviewed and approved by CDA Design and Construction. Please refer to:

Exhibit B.2: Designer's Request For CDA Design Standards Variance Form

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 9 of 23

2.10: 30% Schematic Design (SD) Submittal

The 30% SD submittal illustrates further development of the Concessionaire's design concept. The 30% SD should respond to the feedback given during the Concept Design Presentation and include, at a minimum, more definitive spatial relationships, updated perspectives, plans, elevations, sections, and overall dimensions and other illustrative materials critical to describing the development of the project.

Work required outside the Concessionaire's lease/license line should be clearly identified on all drawings and communicated directly to the CDA POC. Designs must also specify affected Airport base building structure or utilities, including but not limited to: advertising space, public telephones, vending devices, internet kiosks, charging stations, AED's, fire extinguishers, signage, public address speakers, mechanical, electrical, plumbing, fire protection equipment, etc.

For a detailed list of 30% SD Submittal refer to:

- Exhibit C: 30% Schematic Design (SD) Submittal Check List

2.11: CDA Review and Response to 30% SD Submittal

The CDA will provide a "Review and Conditions Letter" as well as a Review Comments Form (see Steps 2.5 and 2.6), which is used for all submittals throughout the design review process between CDA review parties and the Concessionaire's architect or design professional. The letter will include the following information:

- 1) Identify the project status as "Reviewed as Noted" or "Revise and Resubmit".
- 2) Provide comments and direction regarding the proposed scope of work and design submittals.
- 3) If applicable, display the assigned CDA Project Number.
- 4) Determine if the project will require (SAM™) compliance.

2.12: 60% Design Development (DP) Submittal

The 60% DD drawings further enhance the previous submittals and should include: architectural, structural, mechanical, electrical, plumbing, fire protection, and equipment demolition plans as well as MEP existing conditions, floor and reflected ceiling plans, elevations, sections, details, specifications, system diagrams, and structural load calculations. Additionally, this submittal should include meter locations: water, gas and electrical. The 60% DD drawings should convey the full scope of work and all impacts to the Airport base building and adjacent spaces. The Concessionaire, their architect and/or engineer may also be required to attend coordination meetings with CDA to present and clarify the submittal documents. For a detailed list of 60% DD Submittal refer to:

Exhibit C.1: 60% Design Development (DD) Submittal Check List Exhibit C.2: Electrical Submittal Check List • Exhibit C.3: Mechanical, Fire Protection & Plumbing Submittal Check List

2.13: Additional Submittals

CDA Concessions or CDA Design and Construction may determine that the proposed design is more complex and will require an intermediate design review, page turn with the CDA, or site walkthrough to confirm all concerns and questions are sufficiently resolved. The CDA will identify in the 60% "Review and Conditions Letter" that an additional submittal is required and will list the reasons for the request before continuing to the next major phase.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 10 of 23

The additional submittal(s) must address the issues identified by CDA. The Concessionaire is encouraged to schedule a coordination meeting with CDA to discuss the issues identified. See Step 2.15 for where to send Design submittals via email and hardcopies. All submittals to include the project number and design submittal phase on the email subject line i.e. THXXX.19-00 Concession's Project Name 60% Submission

2.14: Compliance Overview

All Concessionaires are required to comply with the City of Chicago construction compliance rules, city residency requirement and certified payroll requirements. See Step 9 for more information.

2.15: 90% Construction Document (CD) Submittal

The 90% CD drawings further enhance the previous submittals and should include: specifications, signage details and locations, and additional mechanical, electrical, fire protection, and plumbing details. With the 90% submittal, comments should include minimal outstanding issues that need to be incorporated into the 100% CDs.

For a detailed list of 90% CD Submittal refer to:

- Exhibit C.4: 90 and 100% Construction Document (CD) Submittal Check List

End of STEP 2

STEP 3.0: Final CDA Document Review and Conditional Approval to Construct 3.1: Final CDA Document

Submittal

When the documents are 100% complete, the Concessionaire will need to submit the final documents to CDA for review. If approved, CDA will issue a "Review and Conditions Letter" with a "Reviewed as Noted" status to the Concessionaire, and if applicable, a separate letter to the City of Chicago, Department of Buildings, indicating the construction documents have been reviewed and approved, allowing for the start of the permit application process.

For a detailed list of 100% CD Submittal refer to:

- Exhibit C.4: 90 and 100% Construction Document (CD) Submittal Check List

3.2: Pre-Permitting Drawing Set Review and Response

The Concessionaire is required to respond to all review comments listed on the Review Comments Form throughout all design phases. The Concessionaire is to submit a Pre-Permitting Drawing Set for CDA review and approval prior to applying for the project required permits. If any or all review comments have not been incorporated into the Pre-Permitting Drawing Set, the set will not receive approval and/or no construction activities are able to take place until all review comments are incorporated.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 11 of 23

3.3: Applying for Permit with the Chicago Department of Buildings

Following approval of 100% CDs, the project is bid and construction contracts are awarded. It is necessary for the awarded contractor

to apply for the required permits from the City of Chicago's Department of Buildings, and any other applicable state and federal authority. The Concessionaire must coordinate the method, process and schedule for the permit application submittals as well as coordinate conduction of final inspections. It is the Concessionaire's sole responsibility to follow-up on the permit issuance process. Note, the Description of Work on the permit must include the associated terminal (i.e. Terminal 2), the closest gate (i.e. E4), the project name and, if applicable, CDA project number.

A list of required work permits is located on the Department of Buildings website. Please note that when a sign construction permit is required, it can only be obtained by a licensed sign contractor.

All Chicago Department of Buildings permit applications and submittals are fully electronic and available via the City's online system "E-Plan" at the following website: <<https://www.chicago.gov/city/en/depts/bldgs>>

3.4: Self-Certification

The Self-Certification Permit Program simplifies the building permit process for eligible residential, business and mercantile and small assembly projects where the Architect of Record takes full responsibility for code compliance. The Department of Buildings plan reviews are eliminated by allowing the Professional of Record to certify that the permit drawings comply with the Chicago Building Code. The Professional of Record must have prepared and sealed the permit drawings, completed DOB's Self-Certification Training Class, and hold an active Self-Certification registration. Structural work cannot be self-certified.

For more information please visit: [Chicago Dept. of Buildings Self Certification Program](#)

End of STEP 3

STEP 4.0: Pre-Construction 4.1: Pre-Construction

Meeting

The Concessionaire POC shall request a Pre-Construction Meeting through CDA as directed in the final CDA review comments. All Pre-Construction documents must be compiled, and electronic copies sent to the CDA prior to scheduling the Pre-Construction Meeting. The Pre-Construction Meeting can be scheduled no sooner than three (3) business days after the final pre-construction document is received.

CDA or the CDA POC will schedule a Pre-Construction Meeting and notify the Concessionaire of the meeting time and location. At the Pre-Construction Meeting, the Concessionaire and their representatives should be prepared to answer any questions regarding the required documentation and the proposed construction. If applicable, the General Contractor must provide proof that the barricade graphic has been produced and is ready for installation; the barricade and graphic must be installed within (7) seven business days from the start of construction. The Pre-Construction Meeting will NOT take place until MBE/WBE Compliance Plans have been reviewed and accepted by the CDA. Please refer to Step 9 for more information on compliance.

At the conclusion of the pre-construction meeting, CDA will determine if the documentation and Concessionaire's

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 12 of 23

response to any questions are complete and, if so, CDA will issue a letter authorizing construction to start. Note that an eForm must also be submitted and approved before construction can start. Please refer to Step 5 for more information on the eForm.

4.2: Pre-Construction Documentation

It is the Concessionaire's POC's responsibility to compile and submit the required documentation in a timely manner in order to maintain the overall project schedule. The list of required documents can be found in Exhibit D. Allow two (2) to four (4) weeks to acquire badging, vehicle permits, building permits and other necessary pre-construction documentation, identified below. Processes for all required Airport badges and permits must be completed for every employee/worker and vehicle involved in the project before work begins. Construction will NOT begin until all required documentation has been submitted and reviewed by the CDA POC.

Pre-Construction document submittal shall include the following: one (1) full size hard copy set of stamped approved plans by the Department of Buildings, one (1) half size set of stamped approved plans by the Department of Buildings, and one (1) PDF of stamped plans approved by the Department of Buildings.

The Pre-Construction Documentation includes the following: Exhibit D: Pre-Construction Meeting Check List Exhibit D.1a or D.1b:

Pre-Construction Meeting Form

Exhibit D.2: FAA Approved 7460 Forms - FAA Letter of Determination Exhibit D.3: Impact to CDA Security and TSA Approval Exhibit D.4: Certificate of Insurance (COI)

Exhibit D.5: General Contractor Safety, CDA Construction Safety Manual & Safety Manager Credentials Exhibit D.6: Safety and Security Plan Exhibit D.7 & D.8: Incident Notification Plan Exhibit D.9: Building Permit (example)

4.3: Logistics

The General Contractor must develop a logistic plan prior to the Pre-Construction Meeting. The logistic plan should identify the following:

- 1) Hours of Construction are 10:00 PM to 5:00 AM, unless approved otherwise by the CDA.
- 2) **Obtain employee/worker and vehicle badging, employer /worker information, authorization form and permits. (See Exhibits D.10 & D.11)**
- 3) **Identify dock location for deliveries / Determine dumpster locations. (See Exhibit D.12 & D.13)**
- 4) **Determine site access / Elevator matrix & maps. (See Exhibits D.14 - D.17)**
- 5) **Vehicle Access Form - Airfield (See Exhibit D.18)**
- 6) **Operations Plan - Material delivery and debris removal. (See Exhibit D.19)**
- 7) Create a detailed project schedule that identifies all work phasing
- 8) Identify, any building systems that will be required to be shutdown
- 9) All material storage and staging areas, should be off site or within the barricaded concession area; and
- 10) Contractors and Sub-Contractors new to the Airport are required to perform an onsite facilities training. The CDA POC will facilitate a meeting date time

Please refer to Step 2.15 for where O'Hare and Midway Pre-Construction Submittals should be sent. 4.4: Pre-

Construction Meeting Attendance

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 13 of 23 /

The following is a list of required attendees: Concessionaire and/or Owner's representative(s); General Contractor's, Project Manager, Superintendent, and Safety Manager. Concessionaire's design consultant's attendance is optional. The CDA Concessions POC will notify all Airport stakeholders necessary to attend the meeting.

End of STEP 4

STEP 5.0: Notice to Airport User Form (eForm) 5.1: Notice to Airport Users

Form (eForm)

For all construction projects, the Concessionaire is required to submit a Notice to Airport User Form. The Concessionaire shall register or login to the online Notice to Airport Users Form at <<https://eforms.citvofchicaro.org/uformsand>> create a project start up form indicating scope, start and completion dates. Additional User Forms required during the course of construction will be discussed at the Pre-Construction Meeting. All User Forms must be submitted at least three (3) business days in advance of the anticipated start of construction to allow adequate time for review. Select the link below to learn more about how to submit a Notice to Airport Users Form for O'Hare International Airport and Midway International Airport. The eForm must be approved by the CDA before the Concessionaire can begin construction.

ORD *Quick* *Reference* *Guide* *MDW* *Quick* *Reference*
Guide

Any work on the fire protection system within the tenant space which requires a fire protection shutdown should have a separate user form submitted and follow the CDA fire shutdown procedures.

Any work on the domestic water service within the tenant space which requires partial domestic water service shutdown should have a separate user form submitted and follow the CDA domestic water service shutdown procedures.

End of STEP 5

STEP 6.0: Construction

6.1: Site Maintenance / Construction Administration

All permits, user forms, emergency contact directory, and construction alerts shall be prominently displayed in a locked glass display cabinet 30" high by 36" wide approved by the CDA. One full size stamped set of drawings and the original permit must be kept on site at all times.

6.2: Building Inspections

Department of Buildings Inspection Bureau will be conducting inspections throughout construction. Contractors must request inspections of ventilation, electrical, plumbing, and new construction on all projects with issued building permits, regardless of scope, for both rough and final inspections. Failure to request these inspections may result in suspension or revocation of the permit, and issuance of citations by the Chicago Department of Buildings for violation

of licensing requirements against the General Contractor and subcontractors.

Chicago Department of Buildings inspections shall be scheduled via the on-line inspection scheduling system at www.cityofchicago.org/buildiniis <<http://www.cityofchicago.org/buildiniis>>. All requests for rough and final Chicago Department of Buildings inspections should be requested at least fourteen (14) business days in advance.

If needed, contact the Department of Buildings Inspection Bureaus by phone as listed below:

- Ventilation Department-(312) 743-3573 Electrical Department -(312) 743-3622 Plumbing Department-(312) 743-3572 New Construction Department - (312) 743-3531

In addition, contractors must offer the terminal manager and building engineer an opportunity to perform an inspection at demolition, rough, and final phases. The Concessionaire shall contact the CDA Concessions POC to coordinate these inspections.

6.3: Chicago Department of Public Health Inspections and Liquor License

Food establishments and retail establishments serving food require a health inspection to be conducted by the Chicago Department of Public Health (CDPH). Concessionaires applying for a liquor license require a separate inspection coordinated by the Business Affairs and Consumer Protection Department, in addition to the Department of Buildings inspections. For both inspections, allow one (1) to three (3) weeks to schedule and obtain a final inspection and certificate.

Please note, the construction barricade cannot be removed until applicable licenses and inspections are complete.

- PDF of the Health Inspection Approval and supporting documentation must be supplied and sent to CDA Concessions prior to store opening.

For Chicago Department of Public Health (CDPH) visit their website at: <<https://www.cityofchicago.org/city/en/depts/cdph.html>> or call (312) 747-9884.

For Business Affairs and Consumer Protection Department information visit their website at: <<https://www.cityofchicago.org/city/en/depts/bacp/provdrs/bus.html>> or call (312) 744-6249.

6.4: Safety and Security Plan

All contractors and subcontractors and the work they perform are subject to the CDA Construction Safety Manual. Each project requires an onsite full time Safety Manager who is solely responsible to monitor job site safety and security (See Exhibit D.5 for more details).

Please refer to link below:
[CDA Construction Safety Manual](#)

CDA Safety will perform site safety walkthroughs during construction to ensure all work is being performed per the CDA Construction Safety Manual. CDA Safety and the CDA POC have the authority to stop work if unsafe conditions or practices are observed.

6.5: Demolition

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 15 of 23

Prior to demolition, pre-construction photos must be taken, documenting all of the existing conditions. Failure to provide photo documentation of the existing conditions before construction will result in the contractor and Concessionaire assuming responsibility for all damages and perceived damage to existing base building materials. Damaged materials must be repaired or replaced at the contractor's and/or Concessionaire's expense. Once demolition is complete, the CDA terminal manager, the CDA building engineer, and CDA POC shall perform a site inspection prior to the start of construction.

Core drilling, cutting of floors, walls or roofs may be required for tenants needing plumbing and/or additional mechanical HVAC provisions. Under no circumstances shall the Concessionaire or its contractor(s), at any time be permitted to drill or cut conduit, pipe sleeves, chases or duct equipment openings in the floor, columns, walls or roofs of the structure without prior review and acceptance of the proposed locations and sizes by the CDA's structural consultant. The Concessionaire is required to x-ray or scan the area prior to beginning work utilizing a 3D ground penetrating radar and will provide a copy of x-ray / scan results to CDA. Scan / x-ray to be submitted via eForm three (3) business days prior to performing coring or drilling work.

6.6: Construction Meetings and Reporting

During construction, the General Contractor is required to provide the following project documentation and electronic documentation to the CDA Concessions POC:

- 1) Minutes from a weekly contractor led meeting (in person or via telecom) including the project owner and/or representative and CDA POC, at an agreed location (project site or POC conference room).
- 2) A weekly status summary report describing the progression of the work. The weekly status report must contain at a minimum the following:
 - Project title
 - Project number
 - Forecasted / actual start / completion date(s)
 - What construction occurred since the last weekly report
 - Revised three (3) week "Look Ahead" construction task schedule (CDA Design and Construction / CDA Concessions will determine if applicable to a given project)
 - What issues occurred and / or are projected
 - At least three (3) photos taken daily to document in-progress installation of materials
 - Other items as requested by CDA
- 3) A revised overall schedule when necessary
- 4) All Issued for Construction Drawings (1FC), addenda to the permit drawings, and resolved RFIs as they become available

6.7: Non-Compliance and Unauthorized Construction

Non-compliance or construction that deviates from the approved permit documents without CDA's prior written approval may be just cause for CDA to order work stoppage until corrective measures are taken and compliance is obtained. Any cost or claims due to this work stoppage shall be borne by the Concessionaire and the General Contractor.

End of STEP 6

STEP 7.0: Substantial Completion

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 16 of 23

7.1: Substantial Completion Notification

The General Contractor shall notify the CDA POC a minimum of seven (7) business days prior to the anticipated substantial completion date to request a site inspection project completion walk through. The construction space must be clean and all tools and surplus materials must be removed from the site or the walk through will be canceled. Mandatory attendance at the walk through includes: Concessionaire and/or Owner's Representative[^]), and the General Contractor's Project Manager and Superintendent. The CDA POC will notify the CDA terminal manager, the CDA building engineer, the CDA Project Manager, and any other attendees identified during the Pre-Construction meeting or as deemed necessary. The items listed below are required to support the substantial completion walk through process:

- 1) The Concessionaire's architect should compile their punch list items. The Concessionaire, or concessionaire's architect will provide a copy of their punch list to CDA for review prior to the walk through.
- 2) The concessionaire will receive final CDPH and Department of Buildings inspector's approval before the substantial completion walk through.

(3) The substantial completion walk through must occur 5-10 business days prior to concessions opening.

7.2: Final Walk Through and Punch List

At the substantial completion walk through, the General Contractor will conduct a brief meeting to distribute and discuss the punch list items that they have identified and the proposed date of substantial completion. The General Contractor and Concessionaire must show proof of all final Department of Buildings and CDPH inspections, Certificate of Occupancy, Business and Liquor licenses and Certificate of Insurance. If a Certificate of Occupancy is required as determined by the Department of Buildings, it will need to be submitted to the CDA prior to any occupancy of the renovated or newly constructed space. It is the Tenant's responsibility to arrange for inspection by the Department of Buildings for the Certificate of Occupancy. The Concessionaire should identify meter locations to be properly labeled and provide the meter number and the room name of meter location(s).

After all attendees have completed the walk through, the parties will reassemble to discuss their punch list items with the Concessionaire and General Contractor. CDA Concessions will review the Concessionaire's architect's punch list and relay any additional items identified during the substantial completion walk through on a separate punch list. Any punch list items that are noted as critical and thus require immediate correction will be identified during the substantial completion walk through. The concessions location cannot open until these critical punch list items have been corrected.

Within five (5) business days after the substantial completion walk through, the Concessionaire, Concessionaire's architect, and/or the contractors will consolidate all agreed upon punch list items and issue via e-mail, a composite formal punch list. This list will be distributed to all parties invited from the substantial completion walk through. The Concessionaire's architect will also submit their substantial completion letter to the CDA.

Depending on issues presented, CDA will determine which option below is acceptable.

For Retail Concessions:

- (^)Concessionaire may proceed to stock, train, and open their concession, while non-critical punch list repairs continue.
- (2)Concessionaire may stock and train for their concession but cannot open until the identified critical punch list items are corrected.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP)

Page 17 of 23

6/15/2020 - Revised

- (3)Concessionaire may NOT stock, or train for, or open their concession until the identified critical punch list items are corrected.

For Food and Beverage Concessions:

- 1) Concessionaire may proceed to train, furnish, and prep their food and beverage; while noncritical punch list repairs continue.
- 2) Concessionaire may proceed to train, furnish, and prep their food and beverage but cannot open until the identified critical punch list items are corrected.
- 3) The Concessionaire may NOT furnish, prep, or train for their facility until the identified critical punch list items are corrected.

CDA Concessions will review and then issue a response/acceptance letter back to the Concessionaire or Concessionaire's architect after receipt of the substantial completion letter. The concession location cannot open until they have received CDA Concession's notice to open.

The Concessionaire will track the completion of the punch list and periodically send CDA the list of completed and outstanding punch list items (with reason for incomplete items and lead times for materials not immediately available).

Please note, the construction barricade may not be removed without written approval from CDA Concessions.

The General Contractor is to complete the punch list items within thirty (30) business days of the initial walk through or as dictated in the Concessionaire's signed Lease and License Agreement.

If after thirty (30) business days, the punch list items remain incomplete CDA may elect to:

- Impose a fine of \$200 per item, per day, until the work is finished.

If after sixty (60) business days, the punch list items remain incomplete CDA may elect to:

- Hire contractors to complete the work at the Concessionaire's expense.

The punch list completion tracking document will be sent to CDA Concessions for review within the thirty (30) business day period after the substantial completion walk through takes place. All punch list items should be resolved to the satisfaction of CDA or

include an agreed upon completion schedule.

7.3: Business License and Certificate of Insurance

Prior to opening, the Concessionaire must obtain a Business License from the City of Chicago Business Affairs & Consumer Protection Department (BACP) City Hall, Room 805, 121 N. LaSalle St, 60602.

Concessionaire is also responsible for providing a current Certificate of Insurance per the Concessionaire's signed Lease and License Agreement.

- PDF of the Business License must be sent to CDA Concessions prior to store opening.

For Business License and Certificate of Insurance information visit their website at:
<<https://www.cityofchicago.org/city/en/depts/bacp/provdrs/bus.html>> or call (312) 744-6060.

7.4: ComEd Verification of .Meter(s)

Prior to opening, the Concessionaire must reference the meter #, and provide its tax ID and billing mailing address. For more information call (877) 426-6331.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 18 of 23 ■

7.5: Open for Business

After written approval has been obtained from CDA Concessions, the construction barricade may be removed no earlier than the evening prior to the concession's opening.

- **Please refer to the 'Airport Concession Program Handbook' for other operational procedures as dictated in the Concessionaire's signed Lease and License Agreement.**

End of STEP 7

STEP 8.0: Project Closeouts 8.1: Close Out

Documents

The Concessionaire's architect and engineer of record must transmit to the CDA POC as dictated in the Concessionaire's signed Lease and License Agreement all architectural and engineering "As-Built Documents". If no time period is specified, then the "As-Built Documents" must be submitted within thirty (30) business days. The items listed below are required to support maintenance of accurate facility records and future construction. The Concessionaire must submit two (2) copies of the below documents on CD and (1) full size hard copy:

- 1) One (1) full size hard copy As-Built Documents, including the General Contractor's redline markups and clouding construction changes
- 2) One (1) CD / DVD of CAD files either in AutoCAD and/or BIM format - all CAD files to be submitted per CDA BIM standards
- 3) One (1) CD / DVD of all image files in PDF format
- 4) If applicable, one (1) PDF of the finalized SAM™ Construction Checklist
- 5) If applicable, one (1) PDF of all Operating and Maintenance Manuals (O&M Manual) for equipment being maintained by the

CDA

- 6) One (1) PDF of the General Contractor's, and if applicable, subcontractor's, manufacturer's, and equipment warranties
- 7) One (1) PDF of all the specifications
- 8) One (1) PDF of the Building Permit (both sides) with all required rough and final inspection signoffs
- 9) If applicable, PDFs of the preventative maintenance schedules listing:
 - a) the systems and equipment that require preventative maintenance
 - b) scope of maintenance to be performed
 - c) frequency
 - d) clarification on which entity is responsible for maintenance

Attn: Coordinating Architect. Design and Construction

10510 West Zemke Rd.

Chicago, IL 60666

cc: mdwretailconstruction@citvofchicago.org <<mailto:mdwretailconstruction@citvofchicago.org>>

Closeout and Warranty documents should be both emailed and one (1) full size hard copy sent to O'Hare or Midway Airport, see address below:

O'Hare International Airport Contacts CDA Aviation Administration Building Attn: Coordinating Architect. Design and Construction 10510 West Zemke Rd. Chicago, IL 60666

cc: ordretailconstniclion@citvorchicago.org <<mailto:ordretailconstniclion@citvorchicago.org>>

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 19 of 23

In addition, the following close out documents must be transmitted to the CDA POC as dictated in the Concessionaire's signed Lease and License Agreement. If no time period is specified, then the documents must be submitted within sixty (60) business days

- 1) PDFs containing the Concessionaire's Sworn Statement of Improvement Costs, and all final lien waivers, including change orders.
- 2) PDFs containing the General Contractor's Sworn Statement of Improvement Costs, and all final lien waivers.
- 3) PDFs containing the Professional Services Contractor's Sworn Statement of Improvement Costs, and all final lien waivers.

8.2: Final SAM™ Checklist

If applicable, the Concessionaire must submit a final construction SAM™ Checklist that incorporates information on final quantities, contractor submittals, and other SAM™ related data that is incorporated during the construction phase. The Sustainable Review Panel (SRP) will evaluate the final SAM™ checklist and as recognition for participation in the SAM™ Checklist, a Green Airplane Certification will be awarded to the Concessionaire.

8.3: Contractor's Warranty

The General Contractor must warrant to the City of Chicago and CDA that the work, materials, and equipment furnished and installed under the contract are of good quality and new, and that the work conforms to the requirements of the contract documents. Work not

conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective. The Contractor's warranty shall exclude remedy for damage or defect caused by abuse, modifications, improper or insufficient maintenance and operation, or normal wear and tear, and normal usage, not executed by the contractor.

8.4: Subcontractor's Manufacturer's and Equipment Warranties

The General Contractor must ensure that all required subcontractor's, manufacturer's, and equipment warranties are passed on to the CDA. The warranties must include the name of the project as designated in the contract documents, project reference number and must be signed by an officer of the company having authority to provide the warranty. Include wording such as "this document serves as a (list duration of the warranty) written guarantee for the work performed, and the material and equipment installed on the above referenced project. This warranty incorporates all provisions of the contract documents that refer or relate to the guarantee. This warranty will commence on the date of the store opening."

During the warranty period, the Contractor must repair and replace at its own expense, all materials or equipment that may develop defects whether these defects may be inherent in the equipment or materials, in the functioning of the piece of equipment, or in the functioning and operation of pieces of equipment operating together as a functional unit. Any equipment or material that is repaired or replaced will have the warranty period extended for a period of one additional year from the date of the last repair.

8.5: Final Notice to Airport Users Form

After the punch list is complete, the General Contractor shall close out the Notice to Airport Users Form by electronically attaching a PDF of the all permits, front and back sides showing the inspector sign-offs. Enter the last day the punch list was completed, and the anticipated submittal date of the General Contractor redlined drawings.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP)

Page20o!23

6/15/2020 - Revised

8.6: Final Closeout Notice and Acceptance

After all the close out documentation has been reviewed and verified complete, CDA will issue a response/acceptance letter.

End of STEP 8

STEP 9.0: Compliance Overview

Throughout the Design and Construction process, the Concessionaire will be responsible for complying with various City of Chicago participation requirements. The Concessionaire will also be responsible for tracking their participation and providing verifying documents to CDA for review.

9.1: City of Chicago Minority and Women Owned Business Participation Rules

In accordance with the Municipal Code of Chicago 2-92-650, or as dictated in the Lease and License Agreement, the City's

Minority Owned Business Enterprise Commitment and Women Owned Business Enterprise Commitment in Construction Contracts has set goals of MBE participation and WBE participation on all contracts.

Please refer to link below for additional information pertaining to this Compliance Rule:

- **Exhibit E.1: Special Conditions Regarding Minority Owned Business Enterprise Commitment and Women Owned Business Enterprise Commitment in Professional Services**
- **Exhibit E.2: Special Conditions Regarding Minority Owned Business Enterprise Commitment and Women Owned Business Enterprise Commitment in Construction Contracts**

MBE and WBE participation shall be separately documented for Construction Services and Professional Services. 9.2: Required MBE and WBE Documentation

Required compliance documentation will be submitted through the web-based Retail Management System ("RMS") which is the City of Chicago, Department of Aviation's, secure concession's portal. All compliance reporting must be submitted electronically using RMS.

The Concessionaire and General Contractors are required to enter the Compliance Plans, Certified Payroll and Sworn Statements into RMS. Once the Concessionaire selects a Professional Service Contractor and General Contractor, the designated Concessionaire POCs will be provided with RMS log in information. The RMS links and User Guide are listed below. The individual Exhibits E.1 - E.12 listed below should be used as reference only; all required documents must be submitted electronically using RMS.

- **RMS Portal:** <<https://www.airportware.com/rms>> prod/App forms/General/Login.aspx
- **Exhibit E.3: RMS Construction Compliance User Guide**

9.3: MBE and WBE Compliance Plans

Once the Final or 100% Construction Document Submittal is approved by CDA (see Step 3.0), and the Concessionaire has selected a General Contractor, then the Concessionaire is required to submit, via RMS, the Concessions' Compliance Plans: Affidavit of Concessionaire, Affidavit of Prime Contractor for Construction and Affidavit of Prime

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 21 of 23

Contractor for Professional Services. Exhibits E.4 - E.7, which includes a selection of MBE, WBE and Non-Minority Sub-Contractors.

- **Exhibit E.4: Concession's Compliance Plan - Affidavit of Concessionaire**
- **Exhibit E.5: Concession's Compliance Plan - Affidavit of Professional Services**
- **Exhibit E.6: Concession's Compliance Plan - Affidavit of Prime Contractor**

PLEASE NOTE:

If at any point during the construction phase of the project, there is a change in MBE or WBE participation, the CDA POC must be immediately notified.

Resource:

To aid in outreach efforts to meet or exceed the City of Chicago's Construction and Professional Services Program goals, a list of City of Chicago certified MBE and WBE firms may be found at:

- <https://www.cityofchicago.org/city/en/depts/dps/supp%20info/process%20improvements.html>
- <http://www.idot.illinois.gov/doing-business/certifications/disadvantaged-business-enterprise->

MBE and WBE Good Faith Efforts

If the Concessionaires' and Prime Contractors' Compliance Plans fall short of the MBE or WBE Construction Program goals, a Good Faith Efforts form must be included with the submitted Compliance Plans. Good Faith Efforts are achieved by actively soliciting MBE and WBE firms to perform work on the contract in accordance with Exhibit E.2: Special Conditions Regarding Minority Owned Business Enterprise Commitment and Women Owned Business Enterprise Commitment in Construction Contracts. The Good Faith Efforts form must contain contact information for not less than five (5) MBEs and/or WBEs.

Exhibit E.7: Good Faith Efforts Form

A Compliance Plan may be rejected as non-responsive if the Concessionaire and/or General Contractor fail to submit one or more of the documents (Exhibits E.4 - E.7) with the response.

PLEASE NOTE:

If a Concessionaire's and/or General Contractor's Compliance Plan fails to meet the Construction Program goals for MBE and WBE participation, the project will be delayed and not move toward a Pre-Construction Meeting until either the goal is satisfied or Good Faith Efforts have been demonstrated and approved.

9.4: City Resident Construction Worker Employment Requirement & Certified Payroll Requirements

In accordance with the Municipal Code of Chicago 2-92-330 and Article 5 of the Concession Lease and License Agreement, at least 50% of the total construction worker hours worked by persons on the site of the Work must be performed by actual residents of the City and at least 7.5% by project area residents. The Airport will identify the project area for the purposes of calculating project area residents.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 22 of 23

The Concessionaire will provide each general contractor bidding on the project with a Compliance Plan (Exhibit E.5) and the "City Resident Construction Worker Employment Requirement" (Exhibit E.8) for use in the bid preparation process.

Once a project has been approved by CDA and construction has commenced, the General Contractor must submit on a weekly basis, the following Certified Payroll Report for all contractors and subcontractors:

- Exhibit E.8: City Resident Construction Worker Employment & Certified Payroll Requirements
- Exhibit E.9: Excel Certified Payroll Worksheet (example)

9.5: Compliance Close Out Documents

Within sixty (60) business days of substantial completion, the Concessionaire, the General Contractor and the Professional Services Contractor are required to submit the following documents, along with final lien waivers.

- Exhibit E.10: Concession's Sworn Statement - Affidavit of Concessionaire
- Exhibit E.11: Concession's Sworn Statement - Affidavit of Prime Contractor for Professional Services
- Exhibit E.12: Concession's Sworn Statement - Affidavit of Prime Contractor for Construction Services

End of STEP 9

STEP 10.0: Supplemental Exhibits

These Guidelines should be read in conjunction with the Design and Construction Standard Operating Procedures Concessions Projects Exhibits (C-SOP Exhibits) and referenced with the Concessionaire Design Guidelines. Please refer to links below:

CITY OF CHICAGO ECONOMIC DISCLOSURE
STATEMENT AND AFFIDAVIT

SECTION I - GENERAL INFORMATION

A. Legal, name of the Disclosing Party submitting, this EDS. Include d/b/a/ if applicable:

Host International, Inc.

Check ONE of the following three boxes:

Indicate, whether the Disclosing Party submitting this EDS is:

1. the Applicant

OR

2. a legal entity currently holding, or anticipated to hold within six months after City action on

2. the contract, transaction or other undertaking to which this EDS pertains (referred to below as the

2. "Matter"), a direct or indirect interest in excess of 7.5% in the Applicant. State the Applicant's legal

2. name:

OR

3. a legal entity with a direct or indirect right of control of the Applicant (see Section 11(B)(1)) State the legal name, of the entity in which the Disclosing Party holds a right of control.

B. Business address of the Disclosing Party: 6905 Rockledge Drive.

■Bethesda, Maryland 20817

C. Telephone: 240-694-4100 Fax: N/A Email: stephen.douglas@hmshost.com
<mailto:stephen.douglas@hmshost.com>

D. . Name of contact person: Stephen Douglas-

E. Federal Employer Identification No. (if you have one): /

F. Brief description of the Matter to which this EDS pertains. (Include project number and location of property, if applicable):

License Agreement for operating food and beverage concessions at O'Hare International Airport Terminal 5.

Chicago Department of Aviation (CDA)

G: Which City agency or department is

requesting this EDS? Chicago O'Hare International Airport

If the Matter is a contract being handled by the City's. Department of Procurement Services, please complete the following::

Ver.2018-1 Paget of 15

SECTION II - DISCLOSURE OF OWNERSHIP INTERESTS

A. NATURE OF THE DISCLOSING PARTY

1. Indicate the nature of the Disclosing Party:

- | | |
|---|--|
| <input type="checkbox"/> Person | <input type="checkbox"/> Limited liability company |
| <input checked="" type="checkbox"/> Publicly registered business corporation. | <input type="checkbox"/> Limited liability partnership |
| fx] Privately held business corporation | <input type="checkbox"/> Joint venture |
| <input checked="" type="checkbox"/> Sole proprietorship | <input type="checkbox"/> Not-for-profit corporation |
| <input type="checkbox"/> General partnership | (Is the not-for-profit corporation also a 501(p)(3)).? |
| <input checked="" type="checkbox"/> Limited partnership | <input checked="" type="checkbox"/> Yes. <input type="checkbox"/> No |
| f 1 Trust | <input type="checkbox"/> Other (please specify) |

.2. For legal entities, the state (or foreign country) of incorporation or organization, if applicable:

Delaware

3. For legal entities not organized in the State of Illinois: Has the/organization registered to do business in the State, of Illinois as a foreign entity?

Yes No Organized in Illinois

B. IF THE DISCLOSING PARTY IS A LEGAL ENTITY:

1. List below the full names, and titles, if applicable, of: (i) all executive officers and aU directors of the entity; (ii) for not-for-profit corporations, all members, if any, which are legal entities (if there are no such members, write "no members which are legal entities."); (iii) for trusts, estates or other similar entities, the trustee, executor, administrator, or similarly situated party; (iv) for general or limited partnerships, limited liability companies, limited liability partnerships or joint ventures, each general partner, managing member, manager or any other person or legal entity that, directly or indirectly controls the day-to-day management of the Applicant.

NOTE: Each legal entity listed below must submit an EDS on its own behalf

Name Title See Attached Officers Report

2. Please provide the following information concerning each person or legal entity having a direct or indirect, current or prospective (i.e. within 6 months after City action) beneficial interest;(including ownership) in excess of 7.5% of the Applicant. Examples of such an interest include shares in a corporation, partnership interest in a partnership or joint venture, interest of a member or manager in a

Page 2 of 15

limited liability company, or interest of a beneficiary of a trust, estate or other similar entity. If none, state "None."

NOTE: Each legal entity listed below may be required to submit an EDS on its own behalf.

Name	Business Address	Percentage Interest in the Applicant

SECTION m -- INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? [] Yes [X] No

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? [] Yes [X] No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:
N/A

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party?

[] Yes [x] No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner(s) and describe the financial interest(s).
N/A

SECTION IV - DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing Party has retained Or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under, this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Page.3 of 15

Name (indicate whether retained Or anticipated to be retained)	Business Address	Relationship to Disclosing Party (subcontractor, attorney, lobbyist, etc.)	Fees (indicate whether paid or estimated.) NOTE: "hourly rate" or "t.b.d." is not an acceptable response.
--	------------------	--	---

see attached

(Add sheets if necessary)

Check here if the Disclosing Party has not retained, nor expects to retain, any such persons or entities.

SECTION V -- CERTIFICATIONS

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

Yes No No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement? N/A

Yes No

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any

public contract, the services: of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract.in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago; including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

Page 4 of 15

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section 11(B)(1) of this EDS:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;

b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;

c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and

e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any "Contractor" (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, "Disclosure of Subcontractors and Other Retained Parties");
- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of

another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;

- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Page 5 of 15

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;

b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or

c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or

d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an

officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

Ver.2018-1

Page 6 of 15

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

N/A

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none"). None

13. To the best of the Disclosing Party's, knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than \$25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient. None

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

is is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

Page 7 of 15

If the Disclosing Party is unable to make this pledge because it, or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here-(attach additional pages if necessary): N/A

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements..

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

1995, as amended, who have made lobbying contacts on behalf of the, Disclosing Party with respect to the Matter: (Add sheets if necessary):

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

Ver.2018-1

Page 9 of 15

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?

Yes

No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)
 Yes No
2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?
 Yes No Reports not required
3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?
 Yes No

SECTION VII - - FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

- A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.
- B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at www.cityofchicago.org/Ethics <<http://www.cityofchicago.org/Ethics>>, and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.
- C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.
- D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this

EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. NOTE: With respect to Matters subject to MCC Chapter 1-23, Article I (imposing PERMANENT INELIGIBILITY for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT
AND AFFIDAVIT
APPENDIX A**

**FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND
DEPARTMENT HEADS**

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-15.4-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor,

any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B.1 .a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

Yes No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship. N/A

APPENDIX B**

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No The Applicant is not publicly traded on any exchange.

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

N/A

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT
AND AFFIDAVIT
APPENDIX C**

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com <<http://www.amlegal.com>>), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

Yes

No

N/A - I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385. This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1). If you checked "no" to the above, please explain.

<mailto:stephen.doiiglas@hmshost.com>

D. Name of contact person: Stephen Douglas

E. Federal Employer Identification No. (if you have one).

F. Brief description ofthe Matter to which this EDS pertains. (Include project number and location of properly, if applicable):

License Agreement for operating food and beverage concessions at O'Hare International Airport Terminal 5

Chicago Department of Aviation. (CDA)

G. Which City agency or department is requesting this EDS? Chicago O'Hare International Airport

If the Matter is a contract being handled by the City's Department of Procurement Services, please complete the following:

Specification # N/A and Contract # N/A -

Ver.2018-1 Page 1 of IS

SECTION II - DISCLOSURE OF OWNERSHIP INTERESTS

NATURE OF THE DISCLOSING PARTY

M

1. Indicate the nature of the Disclosing Party

- Person
- Publicly registered business corporation
- Privately held business corporation
- Sole proprietorship
- General partnership
- Limited partnership
- Trust

2. For legal entities, the state (or foreign country) of incorporation or organization, if applicable:

Delaware

3. For legal entities not organized in the State of Illinois: Has the organization registered to do business in the State of Illinois as a foreign entity?

Organized in Illinois

B. IF THE DISCLOSING PARTY IS A LEGAL ENTITY:

1. List below the full names and titles, if applicable, of: (i) all executive officers and all directors of the entity; (ii) for not-for-profit corporations, all members, if any, which are legal entities (if there are no such members, write "no members which are legal entities"); (iii) for trusts, estates or other similar entities, the trustee, executor, administrator, or similarly situated party; (iv) for general or limited partnerships, limited liability companies, limited liability partnerships or joint ventures, each general partner, managing member, manager or any other person or legal entity that directly or indirectly controls the day-to-day management of the Applicant.

NOTE: Each legal entity listed below must submit an EDS on its own behalf.

Name Title
See Attached Officers Report

2. Please provide the following information concerning each person or legal entity having a direct or indirect, current or prospective (i.e. within 6 months after City action) beneficial interest (including ownership) in excess of 7.5% of the Applicant. Examples of such an interest include shares in a corporation, partnership interest in a partnership or joint venture, interest of a member or manager in a

Page 2 of 15

limited liability company, or interest of a beneficiary of a trust, estate or other similar entity. If none, state "None."

NOTE: Each legal entity listed below may be required to submit an EDS on its own behalf.

Name	Business Address	Percentage Interest in the Applicant

SECTION III - INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? Yes No

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? Yes No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:
N/A

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party?
 Yes No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner(s) and describe the financial interest(s).
N/A

SECTION IV - DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Page 3 of 15

N/A

(Add sheets if necessary)

[X] Check here if the Disclosing Party has not retained, nor expects to retain, any such persons or entities. SECTION V -- CERTIFICATIONS

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

Yes No No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement? N/A

Yes No

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment, of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

Page 4 of 15

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section 11(B)(1) of this EDS:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;

b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;

c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and

e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any "Contractor" (meaning any contractor or subcontractor used by the Disclosing Party in

connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, "Disclosure of Subcontractors and Other Retained Parties");

- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Page 5 of 15

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

- a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;
- b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or
- c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or
- d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

Page 6 of 15

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

N/A

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none"). None

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than \$25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient. None

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

is is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

Page 7 of 15

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary): N/A

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-1.10: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning

of this Part D.

Does the Matter involve a City Property Sale?

Yes

No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest
------	------------------	------------------------------

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

Page 8 of 15

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

X 1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records: N/A

SECTION VI - CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: If the Matter is federally funded, complete this Section VI. If the Matter is not federally funded, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

Ver.2018-1

Page 9 of 15

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501 (c) (4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501 (c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?

Yes No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.) N/A

Yes No

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements? N/A

Yes No Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause? N/A

Yes No

If you checked "No" to question (1) or (2) above, please provide an explanation:

Page 10 of 15

SECTION VII - FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

13. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at www.cityofchicago.org/Ethics <<http://www.cityofchicago.org/Ethics>>, and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. NOTE: With respect to Matters subject to MCC Chapter 1-23, Article I (imposing PERMANENT INELIGIBILITY for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

Page 11 of 15

CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX A**

**FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND
DEPARTMENT HEADS**

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 1.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B.1 a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

Yes No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

N/A

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No The Applicant is not publicly traded on any exchange.

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

N/A

Page 14 of 15

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT
AND AFFIDAVIT
APPENDIX C**

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com <<http://www.amlegal.com>>), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-3 85(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

Yes

No

N/A - I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385. This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1). If you checked "no" to the above, please explain.

ANNUAL REPORT 2021

Translation from the original version issued in Italian. PDF courtesy copy. This version has been prepared for convenience of use and does not contain the ESEF information as specified in the ESEF regulatory technical standards (Delegated Regulation (EU) 2019/815).

LETTER TO THE STAKEHOLDERS

Dear Stakeholders,

2021 was a year of great importance in our history. Thanks to the effective work of our team - of which we must be very proud for the capacity of reaction and initiative - we have significantly improved the operating efficiency of the company and developed new business initiatives.

This has enabled us to generate free cash flow of euro 117 million, exceeding the expectations we had at the beginning of the year.

We have also significantly strengthened our capital structure, thanks to a fully subscribed capital increase of euro 600 million and the disposal of our US motorway business.

Our capital structure has been optimized by implementing a euro 1 billion debt refinancing program.

Despite the limited number of tenders due to the prevailing uncertainty, the Group has secured a portfolio of euro 4.3 billion of new contracts and renewals, including the two-year extension of concessions on Italian motorways. The quality and solidity of the offer of the brands in our portfolio is testified by the prestigious awards we received for the twelfth consecutive year during the Food & Beverage Awards, the international event dedicated to airport catering.

The year just past, 2021, was also significant for our acceleration on sustainability, which has now been a core value of our corporate culture for over 15 years, with the launch of the new ESG "Make It Happen" strategy, focused on three strategic pillars: We nurture People, We offer sustainable Food Experiences, We care for the Planet.

Each pillar identifies clear and measurable objectives such as: achieving 40-50% of female representation in leadership roles by the end of 2030; reaching 98% of sustainable coffee purchased for proprietary brands by 2025; and reducing greenhouse gas emissions from electricity consumption in the motorway channel by 20-30% by the end of 2030.

Despite the recent dramatic geopolitical events that exacerbate uncertainty around economic developments in the near future, I am convinced that the work we have done up to now and our future projects have positioned us well to continue along our growth path, leveraging on the opportunities that will be offered by the market.

2021 HIGHLIGHTS

CAPITAL AND FINANCIAL STRENGTHENING

€ 600m pre-emptive capital increase successfully completed; refinancing of the Group's indebtedness

UNLOCKED VALUE OF NORTH AMERICAN MOTORWAY CHANNEL

Successfully unlocked the value of North American motorway channel through the disposal of the US motorways business to a consortium led by Blackstone Infrastructure Partner

STRATEGY FOR A SUSTAINABLE FUTURE

Renewed approach to sustainability as a fundamental element for an improved business model, through the implementation of an new ESG strategic framework: Make It Happen

CASH GENERATION

Cash Flow* of € 117m thanks to the product mix improvement and cost efficiency initiatives implemented during the year

* Free cash Flow excluding the impact of non-recurring transactions in North America

ANNUAL REPORT 2021

WHO WE ARE: THE AUTOGRILL GROUP

WHO WE ARE- THE AUTOGRILL GROUP

AUTOGRILL AT A GLANCE

The Autogrill Group is the world's leading provider of food & beverage services for travelers. The Autogrill brand was created in 1977 following the merger of three divisions: Alemagna, Motta and Pavesi, providers of motorway catering services in Italy. Today Autogrill is active in 30 countries in North America, Asia, Europe and Oceania, where it manages about 3,300 points of sale with more than 34,000 employees and a portfolio of over 300 proprietary and licensed brands.

The Autogrill Group serves 829 locations in different travel channels, near cultural attractions, and in shopping centers:

- Airports: management of airport concessions, including snack and beverage bars, cafes, restaurants, and retail shops selling food products and other items (books and magazines, souvenirs, other consumer goods);
- Motorways: management of service areas (owned or under concession) through which the Group provides food & beverage services and sells food products and other items (books and magazines, souvenirs, other consumer goods, items sold under government monopoly), as well as fuel;
- Railway stations: management of train station concessions, including snack and beverage bars, cafes, and restaurants;
- Other channels: management of points of sale at shopping centers, high streets, trade fairs, and cultural attractions through which the Group provides food & beverage services.

Autogrill runs its food & beverage business mainly through concession contracts signed with the landlords, owners, or managers of airports, motorways, and railway stations. The concessions are generally awarded through competitive auctions in which the criteria for judging bids vary according to the business channel, type of offering, and country.

To satisfy the constantly changing needs of landlords and consumers, the Group makes use of an extensive portfolio of international and local brands, both proprietary and licensed, which constitute one of the strengths of Autogrill's marketing strategy. Some of the proprietary brands developed internally are Ciao, Puro Gusto, ACafe, Spizzico, Motta, Bubbles, Burger Federation, Grab & Fly, and Le CroBag; Licensed brands include international household names (Starbucks Coffee, Burger King, Pret a Manger, etc.) as well as emerging national brands such as Chick-fil-A, Panera, Leon, and I'anda Express.

The Autogrill Group's business model is based on innovative, sustainable and long-term growth built on valuing the consumer experience, developing trustworthy relationships and partnerships, maintaining a solid and diversified contracts portfolio, and creating shared value in the short, medium, and long term supported by an active capital allocation strategy. The Group recognizes the fundamental importance of seeing current and future trends as opportunities for growth and for upholding its standards of excellence in every country served.

MISSION, VISION, VALUES OUR MISSION

We want travelers to reach their destination happier, safer, and more satisfied thanks to our products and services.

We value their time and strive to make their trip more enjoyable by adding value to their experience, whether by eating, drinking or shopping.

OUR VISION

To be recognized as the world's undisputed customer centric and trustful company in food and beverage services for travelers.

OUR VALUES

Each of us, in every corner of the globe, has the same objective: feel good and make the travellers feel good. Be passionate, be open, set the pace, be reliable and keep it simple are the values which guide us in our work.

WHO WE ARE- THE AUTOGRILL GROUP

HISTORY

From a rest stop for a handful of motorists after World War Two into a global leader in travel catering: Autogrill's history is both a success story of international expansion and a mirror of the transformations of the Company and the regions where the Group has developed its presence over the years.

Key milestones

A new food&beverage concept: born of Autogrill

Autogrill SpA was incorporated after the merger of F&B business of Motta, Alemagna and Pavesi

First acquisitions abroad

Listing on the Milan stock exchange

Acquisition of Host Marnot Services, leading operator in F&B and retail service for travelers in America

Business diversification through Aldeasa acquisition

First sustainability report

Development of Travel Retail & Duty Free business through the acquisition of Alpha Group

Acquisition of World Duty Free, leading operator in the UK

First sustainability strategic framework: Afuture

Demerger of Travel Retail & Duty-Free business of Autogrill SpA in favor of World Duty Free SpA

First sustainability roadmap

Renewed approach to sustainability. Make It Happen

The Autogrill Group, by revenue, is the leading global operator in food & beverage services for travelers with recognized leadership of the North American and Italian markets and a significant and growing presence in Europe and Asia.

Autogrill is active in 30 countries, through three business units (North America, International, Europe), each one characterized by a different mix of channels and brands. It manages about 3,300 points of sale at 829 locations: airports, motorways' service stations, railway stations, high streets, museums, tradefairs, and shopping centers. The Group's presence in different Countries around the world and different channels allows it to identify new opportunities to expand the business, to promote best commercial practices through local and international partnerships, and to react quickly and effectively to changes in the external context. The Group doesn't have a meaningful direct exposure to Russia.

ANNUAL REPORT 2021

One of the key aspects of its marketing strategy is to create successful concepts, developed in different countries and channels, as well as tailor-made concepts for specific locations. Ties with local and international brand partners allow the Group to offer travelers a brand mix that engages with the territory, while also meeting the need for familiarity by way of internationally recognized brands.

Below are some of the most iconic brands recently developed by the Group:

PURO GUSTO: TRUE ITALIAN COFFEE, FOOD & APERITIVO

PURO GUSTO

Developed internally and inaugurated in 2006 in Milan, Puro Gusto is among the most popular brands internationally. Inspired by the convivial atmosphere of the Italian bar, it offers an experience centered on those everyday customs and rituals that the world so admires in Italy. Authentic offerings and Italian quality for any time of day: from breakfast to the evening aperitivo.

Locations: about 30 worldwide, from Washington, D.C. to Paris-Carrousel du Louvre and the airports of Beijing, Abu Dhabi, Bangalore, Frankfurt, and Milan Linate

WASCOFFEE LAB: FIRST A CUP OF COFFEE, THEN A SECOND LIFE

The first Autogrill concept store made entirely from WASCOFFEE® the 100% natural, recyclable material created from coffee grounds and used for store design and furnishings. A welcoming, minimalist WASCOFFEE environment inspired by the specialty coffee trend, with a menu fully aligned with the latest consumption models. Wascoffee meets the varying needs of travelers looking for breakfast or a snack, including healthy, plant-based alternatives for any time of day.

Location: Milan Central Station

WHO WE ARE: THE AUTOGRILL GROUP

VIT: TRENDY JUICE & SALAD BAR WITH AN EMPHASIS ON HEALTHY

A proprietary concept tailored to the growing numbers of consumers who seek healthy foods and beverages, even when they travel. Offerings are based on 100% natural products without preservatives or added sugars. Juices, smoothies and salad bowls are made fresh every day with quality ingredients, for eat-in or takeaway. Store design is just as fresh and lively, inspired by natural colors and elements.

Locations: Schiphol, Manchester and Brussels airports

SHAKE SHACK: THE BETTER BURGER RESTAURANT FOR CONSUMERS WHO CARE

SHAKE = SHACK

A rapidly growing US brand, managed by the Group under license. Shake Shack's mission, "Stand for something good", applies to all of its choices: from how it treats its employees and local communities to its sustainable sourcing of ingredients and emphasis on animal welfare. It is famous for its 100% all-natural Angus beefburgers and free-range chicken sandwiches, without the use of hormones or antibiotics. Its commitment to sustainable, high-quality menus and its fun decor have quickly made Shake Shack a cult favorite with a large and loyal client base.

Locations: 9 airport locations in Los Angeles, Orlando, and Fort Lauderdale

LEON: NATURAL GOURMET FAST FOOD

LEON.

NA1UI1SI.LY fam food

A successful brand created in the UK in 2004 and managed by the Group under license. Leon has revolutionized the concept of fast food through the effective combination of rapid service and healthy menus, based on fresh, organic ingredients. The brand maintains a strong focus on the supply chain, relationships with local producers, and promoting sustainable and ethical conduct.

Locations: 11 outlets in the Netherlands and the UK, including at Amsterdam Schiphol and London Heathrow airports and Eurotunnel stations

NON-FINANCIAL RATINGS

As part of its renewed approach to sustainability, in 2021 Autogrill was assessed by some of the leading non-financial rating firms, obtaining a score of 24.4¹ from Sustainalytics (a member of the Morningstar Group), and an ESG Overall Score of 46³ from VigeoEiris

² Sustainalytics scores From 0 (negligible risk) to 40 (severe risk) The lower the score, the better the rating

³ VigeoEiris scores from 0 to 100 The higher the score, the better the rating

AUTOGRILL'S VALUE ECOSYSTEM

Autogrill operates mainly under concession agreements, fostering the creation of stable, long-lasting relationships based on transparency, integrity, impartiality, and contractual equity. The concession system allows operators to plan their activities over a medium/long-term horizon. The duration of contracts is usually commensurate with the level of investment required and varies according to the type of offering and the travel channel.

1 BRANDS

The wide variety of National and International brands, proprietary and licensed, represents the key strength of Autogrill's marketing strategy. Thanks to the continued experimentation, gastronomic research and valorization of local communities, Autogrill offers to its clients innovative, sustainable and quality products.

2 LANDLORDS

Autogrill Group boasts a large and long-duration concession portfolio, based on partnership with landlords building on constant collaboration and improvement. The continuous development of innovative solutions and concept helps to enhance the infrastructure efficiency benefitting both parties in the interest of travellers

3 CONSUMERS

Thanks to the deep comprehension of customer behaviours, the Group develops a commercial offer focused on evolving consumer trends and purchasing preferences

OUR WAY: STRATEGY AND SUSTAINABLE INNOVATION

OUR WAY: STRATEGY AND SUSTAINABLE INNOVATION

THE EXTERNAL CONTEXT AND INDUSTRY CHALLENGES

Autogrill is currently facing a number of challenges: first and foremost, the evolution of the transport industry and traffic trends in the airport, motorway, and railway channels, in a situation of high volatility due to the Covid-19 pandemic. In addition, megatrends like innovation and digitalization, responsible consumption, and a focus on communities and climate and environmental impacts are proving to be powerful transverse factors that companies in every industry have to consider when developing their business.

TRAFFIC FLOWS AND TRAVELERS' BEHAVIOR

The Autogrill Group's business is concentrated along the major transportation routes (airports, motorways, and railway stations) and is therefore heavily affected by trends in traffic volumes, traveler mix, mobility models, and inclination to travel.

By nature, the industry is also influenced by:

- a propensity to consume driven by immediate needs and impulse buying;
- limited competition from online businesses because the captive clientele and security controls at airports limit the capacity for penetration by e-commerce and food delivery services;
- an increasingly complex regulatory framework, in which scale, track record, and service level are fundamental to the landlord's choice of operator.

Starting in the early months of 2020, the national and international scenario was overwhelmed by the spread of the SARS-COV-2 virus and the restrictive measures taken by public authorities in the affected countries in order to limit contagion. Such measures included limiting personal movement both within and beyond national borders, which reduced the volumes of travelers passing through airports to a bare minimum.

As the vaccine campaign progressed in 2021, there was a gradual recovery in personal movement and a easing of the restrictions, especially in countries that achieved high vaccination rates.

Nevertheless, all regions served by the Group will likely continue to suffer from the crisis in terms of passenger volumes, although areas with large domestic markets (the United States, for example) will probably enjoy better performance.

DIGITAL TRANSFORMATION AND INNOVATION

Over the past decade, digital transformation has been a fundamental driver of development in all business sectors. New forms of technological

innovation will radically change the transportation, tourism, and food & beverage sector, by acting on the relationship and means of interaction between a company and its consumers. Having accelerated further as a result of the pandemic, digitalization will continue to be one of the main megatrends influencing the internal and external growth strategies of companies in the Autogrill Group's industry.

RESPONSIBLE CUSTOMER EXPERIENCE

Consumers have always been central to the implementation of business strategies in the sector of food & beverage services for travelers. Customers are increasingly focused on the services the Group offers and on the impact they have. The customer experience has become more informed and responsible, with a particular focus on environmental issues and quality, new interaction and communication channels, the enjoyment of in-store services in total safety, and a growing demand for personalized offerings.

FOCUS ON THE COMMUNITY

The global macroeconomic context is undergoing powerful changes: rapid urbanization and the spread of new demographic trends are generating novel social and economic challenges for the communities served by Autogrill. It is important to monitor and intercept present and future changes in order to protect the quality and accessibility of the services offered and ensure the resilient growth of the business at the service of the community.

CLIMATE CHANGE

The entire world, and developed economies in particular, have a duty to make radically different choices than they have in the past for the sake of a new environmental model that aims to create shared wellbeing through the reuse and regeneration of resources. For this to happen, a profound change of mentality is necessary on the part of institutions, businesses, and individuals.

One of the trends with the greatest impact on both business models and consumer expectations is climate change awareness; companies are asked to take a growth path focused on decreasing waste, offering high-quality, nutritious, recyclable, and sustainable products, monitoring the sourcing process across the entire value chain, and reducing environmental impacts.

The Autogrill Group answers this call with its own business model and a renewed Environmental, Social and Governance (ESG) strategy, with the primary goals of growing sustainably and monitoring the effects of climate change on its business while creating long-term value for the people it works with and the communities it serves.

OUR WAY: STRATEGY AND SUSTAINABLE INNOVATION

STRATEGY AND VALUE CREATION

The Autogrill Group's business model is based on growth and long-term strategic reinforcement, developed through the valuing of internal and external resources, the innovation of commercial offerings, the creation of key partnerships within the sector, and the generation of shared value for the short, medium and long term.

ANNUAL REPORT 2021

Autogrill follows an active strategy of capital allocation and financial flexibility for the constant strengthening of its contracts portfolio, with the aim of pursuing the best opportunities for revenue growth in the channels and geographical areas served while boosting profitability and cash generation.

Over the next few years, Autogrill aims to strengthen its global leadership by leveraging a clear, targeted strategy focused on:

- build on recovery, optimizing Group's concession portfolio, taking advantage of the opportunities the market currently offers and implementing new initiatives, including digital innovation, data analytics, and an increased focus on the customer base;
- strengthen the Group's business model, focusing on cash generative locations, shifting towards higher margin products and propositions, and fully leveraging the benefits of the structural cost efficiencies achieved in 2020 and 2021;
- renewed approach to sustainability as a fundamental element for an improved business model, through the implementation of an ESG strategic framework based on three pillars: 1) We nurture People; 2) We offer sustainable Food Experiences; 3) We care for the Planet;
- make the Group's capital structure more flexible, to accelerate growth and support long-term value creation.

In 2020 and 2021 the Group reacted promptly to the global difficulties caused by the Covid-19 pandemic. In this delicate phase, its top priority was to protect the health and safety of its employees, customers, and the communities it serves, while preserving liquidity and taking measures to limit costs and develop ESG initiatives in all areas where it operates.

The initiatives implemented by the Group, especially as regards productivity, cost cutting, and the development of ESG initiatives, form the basis on which the Group will develop its strategy for the years to come.

OUR WAY: STRATEGY AND SUSTAINABLE INNOVATION

HOW WE 'MAKE IT HAPPEN": OUR AMBITION FOR A MORE SUSTAINABLE FUTURE

Travel channels, especially airports and railway stations, are no longer just places of transit but became living environments: microcosms available 24-7 for the most advanced forms of dining, shopping, and entertainment for people

on the move. Across the globe, lifestyles and consumption habits are embracing ethical criteria. The food & beverage industry is no exception, and the most tangible proof is people's interest in healthy, sustainable, high-quality dining even when they travel. In addition, growing pressure on resources makes it imperative to study new approaches, consistent with informed, sustainable production and consumption styles.

For this reason Autogrill has started a journey of renewal with the aim of taking its ESG strategy to the next level, leveraging on more than 15 years of efforts and initiatives that have made an indelible mark on its business.

This resulted in a new strategic framework built on three pillars - We nurture People, We offer sustainable Food Experiences, and We care for the Planet - that are articulated in nine key sustainability themes that the Group has decided to take on through the definition of specific KPIs and targets with well-defined deadlines.

Strategic pillars

We nurture People
We offer sustainable Food Experiences

We care for the Planet

- Priority themes
1. Employee engagement talent development & retention
 2. Diversity, equal opportunities & inclusion
 - 3 Customer experience
 4. Food quality & safety
 5. Product choice, nutrition & transparency
 6. Responsible sourcing
 - 7 Waste management & packaging
 8. Energy, emissions & climate change
 9. Food waste

ANNUAL REPORT 2021

CORPORATE GOVERNANCE AND RISK MANAGEMENT

CORPORATE GOVERNANCE AND RISK MANAGEMENT

CORPORATE GOVERNANCE

Autogrill has adopted a governance system based on the proper balance between international best practices and the particularities of its business. It is geared toward transparency in managerial decisions and on behavioral practices that create a trustful relationship with the stakeholders. '

It is made up of the following bodies:

SHAREHOLDERS' MEETING

BOARD OF STATUTORY AUDITORS

>

MHWIGAAA A6 SCl 01 0H snareD'Aers' wno express the company's will through debate and voting.

BOARD OF STATUTORY AUDITORS

The control body responsible for ensuring compliance with the law and the articles of incorporation.

BOARD OF DIRECTORS

INDEPENDENT AUDITORS

The company's "executive arm", responsible for setting strategic and organizational guidelines.

The company that audits the accounts of the Company and the Group

FINANCIAL REPORTING MANAGER

COMMITTEES

The executive responsible of the drafting of the accounting documents with organizational and certification responsibilities within a broader range of measures aimed at reinforcing the reliability of public financial dis-closures.

The committees formed by the Board of Di-rectors with due diligence, advisory, and proactive functions in specific matters; one of these, the committee for operations with related parties, is tasked with ensuring the transparency and the substantial procedure correctness of operations with related par-ties.

SUPERVISORY BOARD

A body with independent powers of initiative and control, responsible for ensuring the functioning of and compliance with the Or-ganization and Management Model and for keeping it up to date.

BOARD OF DIRECTORS

The Board of Directors plays a central managerial role. It is Autogrill's "executive branch", responsible for setting the Group's strategic and organizational guidelines. It is currently made up of 12 Directors of whom 6 are independent and only 2, the CEO and the Chairman, are executive Directors.

In keeping with international best practices, the roles of Chairman and CEO are separate so as to ensure the impartiality and balance required of the Chair of the Board of Directors.

The Board of Directors intervenes directly in the most important decisions, without limit, except for those reserved by law to the Shareholders' Meeting. It is responsible for determining the strategic guidelines of the activities and management of the Company and the Group, for overseeing general performance, and for defining the corporate governance system and reviewing the internal control procedures, including for the purpose of mapping the risks the Group is exposed to. It acts consistently with its own internal regulation, adopted on the basis of the recommendations contained in the Corporate Governance Code approved by the Italian Corporate Governance Committee and endorsed by Borsa Italiana S.p.A. (January 2020 edition) (the "Corporate Governance Code").

Francesco Umile Chiappetta

Laura Cioli resigned from Autogrill S.p.A.'s Board of Directors on 28 February 2022, effective immediately (until that date she was a member of the Board committees specified in the subsequent notes)

BOARD OF STATUTORY AUDITORS

The Board of Statutory Auditors is elected by the Shareholders' Meeting - which also determines its members' remuneration - on the basis of lists submitted by the shareholders in accordance with laws and regulations that also concern gender parity. The lists contain a number of candidates not greater than the number of members to be elected, who are presented in sequential order.

CORPORATE GOVERNANCE AND RISK MANAGEMENT

Autogrill's current Board of Statutory Auditors is made up of 3 standing auditors and 2 alternates and will remain in office for financial years 2021-2023.

Name	Age	Gender	Role	Independent
Francesco Michela Maurelli	30-50	F	Chairperson	X
Antonella Caru	> 50	F	Statutory auditor	X
Massimo Catullo	> 50	M	Statutory auditor	X

Michaela Castelli	> 50	F	Alternate auditor	X
Roberto Miccu	> 50	M	Alternate auditor	X

The Board of Statutory Auditors oversees compliance with the law and the by-laws, the observance of sound management principles, and to the extent of its responsibilities, the adequacy of the Company's organization, internal control system, and administrative accounting system, and the reliability of the latter in representing business events. In addition, the Board of Statutory Auditors oversees the concrete implementation of the corporate governance rules stated in the codes of conduct published by operators of regulated markets or trade associations, with which the Company declares compliance by way of public disclosures. Finally, in accordance with current legislation, the Board of Statutory Auditors supervises the financial reporting process, the effectiveness of the internal control and risk management system, the statutory audit of the annual and consolidated accounts, and the independence of the audit firm, in particular with regard to the provision of non-audit services.

In performing its functions, the Board of Statutory Auditors coordinates with Internal Audit and with the Control, Risk and Corporate Governance Committee.

In accordance with the provisions of the "Rules of Conduct of the Board of Statutory Auditors of Listed Companies", the Board of Statutory Auditors conducts an annual internal review to make sure its members continue to meet the required qualifications and to assess its own work with respect to the activities planned.

HUMAN RESOURCES COMMITTEE

Appointed on 21 May 2020, the committee will remain in office for the entire term of the current Board of Directors. Consistently with the recommendation of the Corporate Governance Code, the Committee is made up of non-executive Directors, most of whom are independent.

Currently, its members are:

Name	Office
Simona Scarpaleggia	Chairperson of the committee - Independent director
Maria Pierdicchi	Independent director
Massimo Di Fasanella D'Amore di Ruffano	Director

The Human Resources Committee, pursuant to Recommendation no. 25 of the Corporate Governance Code, is responsible (among other matters) for periodically assessing the adequacy and overall consistency of the policy for the remuneration of Directors and senior executives, which must be functional to the pursuit of the Company's sustainable success. In addition to serving as a "remuneration committee", the Human Resources Committee also carries out tasks related to the organization and development of human resources and sets the guidelines for appointing the corporate body members of important subsidiaries.

CONTROL, RISKS AND CORPORATE GOVERNANCE COMMITTEE

Appointed on 21 May 2020, the committee will remain in office for the entire term of the current Board of Directors. Consistently with the recommendation of the Corporate Governance Code, the Committee is made up of non-executive Directors, most of whom are independent.

Currently, its members are:

Name
Chairperson of the committee - Independent director
Francesco Umile Chiappetta
Independent director

Member of the Committee from 18 November 2021 until resignation from Autogrill S.p.A.'s Board of Directors on 28 February 2022

The Control, Risks and Corporate Governance Committee is responsible for assisting the Board of Directors with due diligence, advisory and proactive functions in assessments and decisions relating to the internal control, risk management and corporate governance system of the Company and the Group, and the approval of periodic financial reports.

STRATEGIES AND SUSTAINABILITY COMMITTEE

Appointed on 21 May 2020, the committee will remain in office for the entire term of the current Board of Directors. Consistently with the recommendation of the Corporate Governance Code, the Strategies and Sustainability Committee is made up of non-executive Directors, most of whom are independent.

Currently, its members are: Name Office

Massimo Di Fasanello D'Amore di Ruffano Chairman of the committee - Director

Ernesto Albanese * Independent director

Barbara Cominelli Independent director

* Appointed on 10 March 2022 to replace Laura Cioli, who resigned on 28 February 2022

It has due diligence and advisory functions with regard to the Group's strategy and investment policy guidelines, and with regards to the sustainable business success, fosters the integration of sustainability within the strategies and culture of the Group, and assesses the stakeholder engagement activity and the periodic valuation of the Group's positioning on sustainability themes (including financial market analysis, sustainability ratings and indexes). Among its other duties, it reviews the CEO's proposals to be submitted to the Board of Directors on matters of:

- business strategies;
- multi-year plans and budgets for the Group and its strategically significant operating companies, as well as important transactions, expressing opinions and/or recommendations;
- annual budget and multi-year investment plans, updated and supplemented as necessary;
- the Group's investment policy and relative updates;
- specific investment projects of strategic and/or economic importance;
- sustainability guidelines.

CORPORATE GOVERNANCE AND RISK MANAGEMENT

The Strategies and Sustainability Committee also monitors the implementation of the business strategies and investment programs approved by the Board of Directors.

COMMITTEE FOR RELATED PARTY TRANSACTIONS

Appointed on 21 May 2020, the committee will remain in office for the entire term of the current Board of Directors. In accordance with regulations, the Committee for Related Party Transactions is made up solely of independent Directors.

Currently, its members are:

Office

Coordinator - Independent director

Simona Scarpaleggia *

Independent director

Appointed on 10 March 2022 to replace Laura Cioli, who resigned on 28 February 2022.

Its functions are aimed at ensuring the transparency and the substantial procedure correctness of operations with related parties, in compliance with applicable laws and regulations.

POLICIES AND DOCUMENTS THAT GUIDE OUR ACTIONS

POLICIES AND DOCUMENTS THAT GUIDE OUR ACTIONS

ORGANIZATIONAL MODEL

Adopting an Organization and Management Model helps prevent the risk of unlawful conduct. As part of the broader corporate policy and culture of ethics and social responsibility, in order to ensure fairness and transparency in the conduct of the Group's business and activities, Autogrill has adopted an Organizational Model in line with the requirements of Legislative Decree 231 of 8 June 2001 ("LD 231/2001"), which requires policies and measures suitable for ensuring across-the-board legal compliance and eliminating corporate liability risks (the "Model").

The Model consists of a general part that describes the contents of LD 231/2001, illustrating offences that bring on administrative responsibility for an entity, the possible sanctions and the conditions for waiver of responsibility, as well as the Company's organizational and governance structure and the actions carried out to build, disseminate and update the Model; and a special part containing the "Protocols", i.e. all the regulations and conduct and control principles deemed suitable for governing the areas where a risk of potential offences being committed was detected, presupposition of administrative responsibility pursuant to LD 231/2001.

Overseeing the Model and its proper implementation is the responsibility of the Supervisory Board, which verifies its functioning and the observance of its rules, making sure actual conduct is consistent with the Model and recommending corrective action and disciplinary procedures against parties involved.

CODE OF ETHICS

This document contains the ethical principles and values that guide Autogrill in doing business. Autogrill is committed to the principles of loyalty, legality, and fairness, on which it has built its growth and success.

ANNUAL REPORT 2021

In pursuing these goals, in November 2002 Autogrill approved the Code of Ethics on which its operations are founded. The Code of Ethics sets the behavioural guideline of the Group. Its observance of this behavioral guideline is essential to the Group and extremely important for its functioning, reliability, reputation, and image and for the satisfaction of its customers. The principles it contains are the foundation for the current and future development of the Group's businesses and for the prevention of legal offenses.

The commitments described in the Code of Ethics concern everyone who interfaces with Autogrill: customers, employees, consultants, suppliers, competitors, and shareholders, who are all called in equal measure to protect the Group's image and integrity.

ANTI-CORRUPTION POLICY

In addition to the Model, adopted by Autogrill S.p.A. and its Italian subsidiaries, the Group has also adopted an Anti-corruption Policy, approved by the Board of Directors, which specifies the obligations and principles of conduct applicable to all Group companies. Through the Code of Ethics, the Group confirms its across-the-board commitment to reject and prohibit corruption under all circumstances, with public officials and private parties alike, and commits to observe anti-corruption laws in every country served. Group General Counsel is in charge of monitoring proper enforcement of the Anti-corruption Policy, while the local Legal Counsels monitor its implementation and enforcement by the companies in the Group.

Group companies and all personnel must report any infringement (or reasonable suspicion of infringement) of the Anti-corruption Policy and/or anti-corruption laws, using the Group's whistleblowing system.

All new hires, during the induction or onboarding phase, are informed of the standards of conduct to be followed on the job in accordance with the Code of Ethics. In some countries the Group offers specific trainings and information sessions on anti-corruption and ethics, as well as targeted trainings on individual pieces of legislation. This latter includes, in Italy, training every three years in the Model (since 2019 this has been part of the "School of Excellence" program for new managers and future store managers), and in North America and the International area (for higher-risk

positions), training in the Foreign Corrupt Practices Act (FCPA), a legal corpus with rules to prevent American companies from bribing foreign public officials in order to create or maintain business relationships.

TAX RESPONSIBILITY

With tax responsibility becoming an area of increasing scrutiny, Autogrill has strengthened its overall management of fiscal risks through the implementation of a Tax Control Framework. The aim is to define new roles and responsibilities, formalize internal regulatory tools, and create new information and reporting flows, but above all to implement a routine process of identification, evaluation and management of tax risks, using testing and other innovative tools to ensure constant monitoring and provide assurance of the operational effectiveness of controls.

Currently in the development phase, the project will improve and formalize the current policy of tax transparency and full compliance with the tax laws in effect in the countries where the Group operates.

CORPORATE GOVERNANCE AND RISK MANAGEMENT

For three-year period 2019-2021, Autogrill S.p.A. followed the tax consolidation regulations of the ultimate parent Edizione S.p.A., as permitted by the Consolidated Income Tax Act (Regolamento di Consolidato Fiscale). Under those regulations, the Company is also part of the fiscal subconsolidation with the other Italian subsidiaries, which for IRES (corporate income tax) purposes only, involves the settlement of accounts receivable or payable with the Parent company Autogrill S.p.A.

Note that country-by-country reporting has been transferred to the ultimate parent, Edizione S.p.A., which is responsible for filing with the Italian tax authorities.

OTHER DOCUMENTS

The consolidated non-financial statement includes detailed descriptions of other policies and guidelines that govern the Group's actions, such as the Whistleblowing Policy, the Sustainability Guidelines, and the Diversity, Equity & Inclusion Policy. For further details, see the "Approach to sustainability" section of the consolidated non-financial statement.

ANNUAL REPORT 2021

RISK MANAGEMENT AND CONTROL SYSTEM

Risk, defined as the possibility that an event will hinder the achievement of the Group's strategic objectives, with impacts on operating activities, reputation and economic-financial metrics, is inherent to all activity and is thus an integral part of the Group's business. Understanding and managing risk factors and opportunities therefore means making the best-informed decisions and reducing the volatility of strategic goals, while increasing the long-term sustainability of the Group's performance and strengthening its competitive edge as a means of safeguarding Group's value.

According to the Committee of Sponsoring Organizations of the Treadway Commission (CoSO), through the Enterprise Risk Management ("ERM") model, management is able to establish an acceptable level of risk on the basis of which it can evaluate strategic alternatives and set their objectives. ERM, through a rigorous methodology that also includes impact measurement, helps identify the most appropriate response to the identified risk, thus increasing the Group's ability to reduce the frequency of unforeseen events and the consequent costs and losses. The risk management model also allows to identify and take advantage of the many opportunities to develop the Group's business and improve the capital deployment.

The Group's ability to make informed decisions that take risk into account is not only a factor of competitive success, but also a driver of medium- and long-term sustainability based directly on the Group's risk management approach. To that end, Autogrill has implemented an ERM model for the identification, measurement, management, and monitoring of risks and opportunities, with a proactive approach integrated with company processes that strengthens the management and governance of risk and allows management to deal effectively with uncertainties and the consequent risks and opportunities, thereby improving the Group's capacity to generate value over time.

AUTOGRILL'S RISK MANAGEMENT MODEL

Autogrill's risk management model is aimed at supporting the organization in its strategic decision-making process and business operations, thanks to the proactive identification and the management and measurement of risks that may affect the Group's ability to achieve strategic objectives and to effectively execute its business operations.

The Group's ERM is based on a global approach that addresses all potential areas of risk and opportunity, focusing on the most significant ones in terms of possible impacts on the achievement of strategic objectives or on the value of the Group's assets.

The Group Enterprise Risk Management unit ("ERM Unit") promotes awareness of the market environment and exogenous risk factors that may influence the Group's future planning, strategy and performance. The ERM function uses statistical methods to predict risk scenarios and in particular to forecast trends in passenger traffic within the geographical areas and transport channels of interest, and periodically updates management on these forecasts.

The risk management process, the risk taxonomy, and the main statistical, modelling and financial risk simulation tools, an integral part of the Group's ERM methodological framework, are detailed below.

CORPORATE GOVERNANCE AND RISK MANAGEMENT

RISK MANAGEMENT PROCESS

The risk management process can be effectively summarized in the following phases:

Risk Measurement

identification of the risks and opportunities and the potential events causing them
quantification of the impact in case of occurrence of such events
actions to prevent the occurrence and/or mitigate their impact
monitoring of events/scenarios and implementation of mitigation plans

IDENTIFICATION

The risk management process begins with the sharing of the analysis of passenger traffic trends in the geographical areas of interest (based on analyses conducted by the Group Advanced Analytics Datalab@Autogrill) and the factors that may significantly affect the normal evolution of traffic, as well as the analysis of the main country-by-country exogenous risk factors (macroeconomic, technological, environmental, demographic, social, and geopolitical) periodically carried out by Group ERM.

: TRAFFIC FORECAST

! The short- and medium-term forecast of passenger traffic trends in the regions of main i interest to the. Group is prepared with support from the Group Advanced Analytics I | Datalab@Autogrill in order to periodically assess significant disalignment from [i existing projections. '

| Statistical forecasting makes use of regressors that are both macroeconomic (GDP per ; capita, demographics, inclination to travel, CPI, unemployment, trade index) and local/ ; channel-based in nature. j

Subsequently, through the structured Operational Risk Assessment process coordinated centrally by Group ERM, the managers of the business units identify and qualify the individual risks in terms of impact and probability (risk identification phase). The risks are treated as the realization of an unforeseen event, caused by an exogenous or internal risk factor. The ERM methodology distinguishes adverse events, which always have a negative impact and could therefore affect the Company's ability to successfully implement its strategy and achieve its objectives, from risk-opportunity events, with both a negative and a positive potential outcome.

Autogrill's Integrated Risk Model includes different types of unforeseen events organized into risk macrocategories and subcategories, which make up the Risk Registry, a central tool for the Risk Assessment process which the managers of the business units help create and periodically revise.

■ The Autogrill Group's Enterprise Risk Management Model breaks down risks into six macrocategories, catalogued in the Risk Registry, a structured classification of the risks to which the Group is exposed. The six categories are as follows:

• Strategy risks, which are those stemming from relationships with landlords, customers, partners, and brand owners; the tendering process and the competitive landscape; M&As within the industry; the development strategy in each area, in the airport and railway channels, for Western regions, and in developing economies; reputational issues; marketing strategy and digital innovation.

• Financial risks relating to the Group's financial condition, debt, covenants, and the volatility of financial performance indicators.

• Governance and compliance risks. The mitigation of legal and compliance risks is part of the work performed by the "First level control" apparatus.

• Operational risks, which are those stemming from business processes: human resources, operations, business continuity, safety, workforce management, training, supply chain, logistics, product and service development, | planning.

• IT, data, and cybersecurity risks as the impact of cyberthreats and data breaches on the Company's core systems and the sensitive data of customers, the business, and the IoT, as well as the malfunctioning of IT systems critical to business continuity and the locking of suppliers and critical systems.

• The sixth category, added in 2021, is ESG risk relating to energy transition, sustainability policies, and Group processes designed for the achievement of ESG targets.

AUTOGRILL 6 MACRO-CATEGORIES OF RISK

Risks connected to liquidity, financial market and credit

FINANCIAL

Risks related to IT systems malfunctions, IoT and to the exposure to data breaches and cyber attack

Risks related to the potential exposure to legal and economic sanctions driven by the evolution/amendment of laws and regulations

Risks related to changes in the business sector and/or wrong management decisions.

improper implementation of the strategic plans, poor reactivity to sector changes

ESG

Risks connected to the impacts generated by natural disasters, climate change and social events

Once risks have been identified, the Risk Measurement phase quantifies their impact in case such events take place. The main objective is to assess the severity of each risk, considering the likelihood that the event will occur over a specified horizon, and its impact, i.e. the estimated effect on strategies, economic and financial factors, the Group's image and reputation, the environment, health, and social security.

To quantify risks effectively, the ERM model uses scenario analyses that look at the worst-case scenario, the baseline scenario, and the best-case scenario for every identified risk, to identify how the risks may materialize, the entities affected by their impact, and any issues that may change how the Company pursues its goals.

CORPORATE GOVERNANCE AND RISK MANAGEMENT

Also, Monte Carlo simulations are implemented to determine the probability distribution of the impact of a combination of multiple risks on the single financial dimension for each Business Unit of the Group..

Having identified and measured the most significant risks for the business, management devises an effective response plan in order to develop all necessary countermeasures (Risk Response phase). In this sense, the Group can take actions to prevent and/or reduce the likelihood of occurrence of potentially risky events, actions to mitigate their impact, and actions to reinforce monitoring plans.

Finally, the Group's ERM model provides for the process of monitoring and identifying the actions of the mitigation plans (Monitoring phase). The main objectives of the risk monitoring and mitigation phase are to assess the status/effectiveness of any action plans implemented, to periodically review the severity of the risks previously identified, including through the analysis of events occurring after the risk assessment, and to identify new risks that might affect performance and business development. To complete the monitoring phase effectively, the Group uses key indicators built for

specific clusters of risk, which send an alert when the indicators fall below pre-determined minimum thresholds.

! CLIMATE CHANGE RISKS AND OPPORTUNITIES

; Autogrill knows that the distribution of goods has an impact on the environment. Over j
I time, it has developed technical monitoring and management capabilities in order to j
i reduce its greenhouse gas emissions and minimize the climate risks to which its
' business is exposed.

i The retail and food & beverage sectors face physical and transition risks from climate j
I change with direct or indirect repercussions on its operations, goods, customers, and j
j employees, and with consequences for its financial position. j

■ The physical risks mainly concern agricultural output, with negative effects on crop j i yields and livestock production. As such, physical risks
may involve the interruption of

supply chains (including the provision of raw materials) and production processes.

! Physical risks can also take the form of natural disasters (e.g. earthquakes and floods),
I which may impact supply chains and the Group's own operations. Transition risks refer ;

■ to the possible introduction of carbon prices on the direct emissions of livestock farms, I
! agriculture, and production and transformation activities, but they can also manifest as j
i higher raw material prices (due to effects on crop yields) and energy costs, especially for !
j energy-intensive production processes. Uncertain weather conditions can also have an j
j impact on customer behavior and on the demand for certain products. |
j

!■ This enormous challenge presents many new opportunities that the Group is ready to | ; embrace through its strategic ESG initiatives. j

Identification, assessment and management

- Identifies and assesses pertinent risks
- Defines strategies and response plans
- Ensures that risks are managed in keeping with Group guidelines and policies
- Facilitation, methodological support, statistical forecasting, quantitative analysis of financial risk, coordination and reporting
- Provides statistical forecasts of passenger traffic by geographical area (with assistance from the Group Advanced Analytics Datalab@AutogriI)
- Identifies and informs about the main exogenous risk factors, e.g. macroeconomic, technological, so-cial, and geopolitical, by supplementing and tailoring the analyses of major research institutions to the Group's circumstances
- Coordinates the risk analysis and management process
- Develop the analysis of the Group's financial risk through the Financial Risk Assessment and Monte Carlo simulations
- Promotes the awareness and knowledge of risk factors within the Group
- Ensures consistency of method within the Group
- Periodically monitors the Group's exposure to risks and the implementation of mitigation plans (residual risk)
- Prepares reports for Management and internal control bodies

Board of Statutory Auditors Supervision

Group Internal Audit Assurance

Due diligence and recommendations to the Board of Directors

Enterprise Risk Management ensures the uniform identification, measurement, and management of risks by the Group's different organizational units. The entire organization contributes proactively to the management of risks, promoting a risk management culture that can permeate all of the Group's environments and support strategic decisions.

CORPORATE GOVERNANCE AND RISK MANAGEMENT

Each business unit is directly responsible for identifying and assessing potential risk factors and for defining response strategies. In this context, the ERM unit plays a central role of coordination and support for the Business Unit managers, providing methodology, monitoring, and opportunities for dialogue and ensuring a uniform approach throughout the Group. For the Board of Directors, the ERM unit is also instrumental in determining whether a given level of risk is acceptable in light of the Group's objectives.

Mitigating factors

MARKET CONTEXT, MACROECONOMIC AND GEOPOLITICAL FACTORS AND INFLATION

Given AutogriI's particular exposure to trends in passenger traffic, in 2021 the business was affected by the ongoing Covid-19 pandemic, which caused passenger traffic to be highly volatile and made it more complex to plan store operations (reopenings) especially in the first half of the year.

In parallel with the gradual rebuilding of passenger traffic, in the second half of 2021 new exogenous risk factors came onto the horizon, including:

- rising inflation with the risk of higher raw material and labor costs, leading to a significant erosion of margins;
- the sluggish post-Covid labor market, with a reduced workforce and low unemployment rates causing worker shortages in the industry;
- the heightening of geopolitical tensions between China and the United States and between Russia and NATO, with the risk of a slowed economic recovery, the militarization of cyberspace, and in the medium term, the beginning of a "deglobalization" with a structural decline in personal interregional mobility;
- an increase in the severity and frequency of cybercrime, as better explained in the dedicated section, which threatens the Company on several fronts: business continuity, the risk of ransomware, and reputation and compliance risk in the event of a data breach;
- the energy transition and sustainability, which will transform people's mobility and consumption style in the coming years, creating risks and opportunities for the Group.

The growing geopolitical tension in Europe, which led to the Russian Federation's invasion of Ukraine in early 2022, adds new uncertainties that may directly and indirectly affect the channels served by Autogrill.

- Direct impact on traffic: the EU's decision to close the airspace from and to Russia and to prevent Russian airlines from flying has a limited impact on Autogrill's business. The no-fly zone around Ukraine, as a result of the conflict, reduces traffic from and to Western Europe by 0.6%. The total volume of traffic between Russia and Western Europe accounts for 1.52%⁽¹⁾.

Given the breadth of the pandemic and its persistence over time, many of the mitigation efforts made in 2020 were confirmed and extended to 2021, although in gradually reduced form or, thanks to a learning curve for the entire chain of partners, suppliers, and customers, with a lesser impact on the business.

The risks were mitigated mainly by:

- focusing strongly on all matters related to the safety of workers and consumers, with the prompt enforcement of all safety standards put in place by individual countries (regular disinfection of the premises, provision to employees of all personal protective equipment required by local regulations);
- defining an ad hoc communication strategy for customers, employees, and the market, informing them of the measures taken to protect workers and the public;
- arranging for the systematic sharing of actions proposed by management with the Boards of Autogrill S.p.A. and its subsidiaries;
- the actions of the Crisis Committee, formed following the pandemic, to manage business continuity and monitor the Group's financial position;
- renegotiating contracts with landlords, in some cases by invoking special clauses (e.g. force majeure);
- monitoring all support measures implemented by the governments of the countries where the Group operates, in order to take due advantage of them in the interests of keeping workers employed;
- studying new commercial offers more closely related to consumer safety and the use of digital technology (including the improvement of grab'n'go services and digital payments);
- taking measures to optimize the deployment of resources to the more heavily trafficked stores;
- streamlining and simplifying the hiring process as domestic airport traffic resumes in North America;
- refinancing loans and capital increase in order to strengthen the financial structure and have more resources available for future investments, as the Group continues to grow and innovate. Additional details provided in the Director's Report and Notes to the financial statement;

⁹ Source: Oxford economics and IATA

ANNUAL REPORT 2021

Strategic risks

- Decreased purchasing power: inflation in Europe, already high at the end of 2021, is expected to rise further as a consequence of the war and the sanctions imposed by Europe and the United States, with even greater increases in the energy and food industries. The loss of purchasing power could have a significant impact on leisure traffic and consumption by travelers, in particular of food and drink, although in the short term this might be offset by the savings accumulated during the pandemic and the growing demand for travel after two years of restrictions.
- Indirect impact in the form of rising gas prices and airfares and hesitation to travel: the increase in oil prices may lead to more costly airfares. In the short term, airlines may compensate for this with the recovery of load factors post-pandemic, which might limit the effect on consumer prices. The scenario of a prolonged war scenario could increase hesitation to travel, slowing the positive trend observed since the second half of 2021.
- Side effects of the sanctions on the European social and economic system occurring mainly through financial system exposure, which may bring fragility to the lending apparatus and slow down post-pandemic growth; the economic system, especially in Europe, is also exposed to the weakness of the energy supply which in some countries depends on Russian natural gas for nearly half the national energy requirement. On the other hand, the direct impact on GDP for exports is relatively limited since exports were already reduced as a result of the Crimean war in 2014. According to preliminary estimates, the EU's economic recovery over the next 3 years should be around 0.9 -1.5¹⁰ points lower than previous forecasts. The risk of strong financial system volatility may cause difficulties for investments in the real economy. If the war drags on, additional sanctions could cause a more profound slowdown in economic growth and lead to a significant loss of traffic within Europe, compounded by a

decrease in purchasing power (inflation) and a drop in demand due to hesitation to travel on intercontinental routes, especially for inbound European flows (tourism).

- Humanitarian risk: the risk from the flow of refugees has an indirect impact on Autogrill, aside from the health risk stemming from lower vaccination rates against Covid-19. In case of a prolonged conflict and a massive flow of refugees (on the order of 4-10 million) from war zones to Western Europe, the risk would be transmitted mainly through political instability and the economic costs of assistance.
- Widening of the conflict: any extension of the war to Ukraine's neighboring regions (Moldova/Transnistria in particular) or other areas (Balkans/Serbia/Kosovo) could lead to incidents with NATO countries (Romania and Poland are highly exposed) and the potential escalation of the conflict, with uncertain outcomes and the potential use of a tactical if not strategic nuclear arsenal. The time scale in this case would be compressed

Mitigating factors

- engaging in extraordinary business disposals (disposal of the US motorway operations; see the Notes to the financial statements for details);
- optimizing credit facilities in order to shore up the erosion of cash and the stability of working capital.

Statistical tools were also used to predict how the pandemic would evolve and its impact on geographies and traffic channels relevant to the Group's business, with a view to constantly measuring the short- and medium-term operational and financial risks (scenario analysis and Monte Carlo simulation).

The Group, which has a very limited direct exposure to Russia, is constantly monitoring the war between Russia and Ukraine and is following the instructions and directives of the European Union and its partners in order to comply with the sanctions imposed and to protect the business and the safety of its operators and customers.

10 Source Oxford Economics

40

CORPORATE GOVERNANCE AND RISK MANAGEMENT

Strategic risks

Mitigating factors

and events would accelerate (days, hours). The risk for Autogrill is part of the general risks of a wide-scale conflict. The involvement of strategic facilities like nuclear power plants in Ukraine and neighboring territories could lead to ecological disasters with an impact on human life and mobility.

CONCESSION CONTRACTS

Most of the Group's operations are conducted under long-term contracts, awarded through competitive bidding, that grant it the right to operate in designated areas of airports, motorways and railway stations. Concessions are therefore fundamental to the Group for achieving its strategic goals.

Risks in this area concern:

- the Group's ability to renew concessions and win new ones;
- the risk that contracts will be less profitable than expected at the time they were awarded, which would reduce the return on investment given that many contracts include an obligation to pay minimum annual guaranteed rent (MAG) regardless of the revenue earned;
- the possibility that contracts will be terminated or otherwise cease to be valid for various reasons-some of them beyond the Group's control-such as cancellation by the authorities or the courts, the loss of permits, licenses or certificates required by national laws, or counterparties' failure to obtain approval in the case of extraordinary operations;
- any clauses that place limits on the Group's management of local operations and prevent it, for example, from adapting menus or commercial practices to customers' changing needs and preferences;
- the option generally given to concession grantors, even without breach of contract by the operator, to change certain conditions unilaterally (and sometimes without compensation for the operator) by invoking public interest or safety;
- the effect of the pandemic-related decline in traffic on the value of concessions in terms of the ability to intercept and capture traffic, with the consequent overvaluation of fixed concession fees and MAG. The risk translates into an imbalance between the amount of rent agreed before the pandemic and the current situation faced by the food & beverage and travel industries.

The Group mitigates these risks by following an approach aimed at building and maintaining a collaborative partnership with landlords, based in part

on the constant development of innovative concepts and commercial solutions that aim to improve infrastructure efficiency and reduce its environmental impact, in the interests of both parties and also of the public.

In 2021 the Group continued its efforts to confirm, where necessary, new terms and conditions for existing concession contracts. These efforts produced different results at the Group level, including (i) discounts on rent (or the waiver of minimum annual guaranteed rents (MAG) clauses); (ii) more flexible terms linked to results and passenger traffic; and (iii) an extension of lease durations.

BRANDS AND CONCEPTS

The Group operates through proprietary brands and concepts as well as many owned by third parties, which range from local favorites to international household names.

The main risk mitigation factor is the breadth of the Group's portfolio, which limits its dependence on any third-party brand.

There are teams dedicated to keeping menus up-to-date

41

ANNUAL REPORT 2021

Strategic risks

The main risks concern:

- the loss of significant partnerships or the inability to strike up new ones allowing the Group to attract customers with concepts and brands;
- the decreased attractiveness of concepts or brands in the portfolio, both of which could affect the ability to compete for new contracts and therefore to achieve growth targets.

Mitigating factors

through the development of new concepts consistent with emerging trends, the monitoring of up-and-coming brands, and the ongoing review of partner brands, so that the most innovative and attractive brands the market has to offer are always in the Group's portfolio.

Finally, this risk is mitigated by the Group's emphasis on building and maintaining good relationships with its most important partners whose brands enjoy the widest popularity.

COMPETITION

The travel food & beverage industry has been among hardest hit by the pandemic, resulting in a somewhat flattened competitive landscape.

Companies with greater financial resources that were quicker to adapt to the new circumstances have proved to be more resilient, while newer and/or smaller operators or those with less solid finances before the pandemic now risk extinction or absorption by other entities.

The current market rewards better structured players that are more able to seize opportunities for growth (organic or external), to the detriment of less structured and/or slower-reacting companies.

The prompt restructuring of its financial position and the measures taken to reduce running costs have allowed the Group to react well to the crisis. Autogrill carefully monitors market trends in order to grasp new investment opportunities, wherever feasible.

At the same time, the Group is always careful to uphold its reputation with landlords, which is an important factor in the awarding and renewing of concessions.

To that end, the Group's broad range of proprietary and third-party brands, both local and international, enable it to compete successfully for commercially viable and profitable locations.

In addition, the Group's solid response to the crisis sets it apart as a reliable, sought-after tenant for landlords who as a result of the pandemic are increasingly attentive to financial solidity and business continuity in addition to brand quality, service, and technical capability.

The Group also has a system for analyzing industry and channel trends so it can monitor its market position at all times.

Finally, it uses a proactive model to assess business development initiatives, analyzing the strategic rationale and main risks and opportunities with the aim of responding quickly to the best opportunities for growth (internal or external) and for the creation of value for its stakeholders.

INNOVATION

The Group's ability to maintain a constant process of innovation for its products, concepts and services allows it to react promptly to changes in the consumption habits and tastes of its clientele and is therefore key to increasing the satisfaction of customers and concession grantors.

The risk is that this ability would be diminished, especially given the greater speed with which new trends take root. COVID-19 has aggravated this risk, by requiring businesses to anticipate what the new market trends will be and how

The Group mitigates this risk by:

- monitoring performance (quality of service, positioning, attractiveness of menus and of the brand and concept portfolio);
- continuously revising menus in terms of products, concepts and services, while adapting to the latest technologies and the digital world. Special efforts have been made to offer an easier, safer experience for travelers, such as grab'n'go products and digital ordering and payment services;

42

CORPORATE GOVERNANCE AND RISK MANAGEMENT

Strategic risks

travelers' habits will evolve. Themes such as healthy, environmentally conscious food choices have been joined by new challenges regarding product safety and the protection of consumers through reduced interpersonal contact and social distancing, in accordance with public health measures aimed at containing the spread of the virus.

Mitigating factors

constantly updating the portfolio of partner brands to offer the most attractive, innovative names available on the market;
developing customer retention initiatives and client satisfaction analyses;
training workers periodically to ensure high standards of service.

REPUTATION

The outbreak of the pandemic highlighted the risk of in-store contagion that can compromise the safety of employees and customers. If not dealt with in a timely manner, such a risk can also hurt the Group's image.

The second risk factor affecting reputation, which increased in 2021, is cyber risk in general and more specifically the risk of data breaches. The theft of data pertaining to the business, customers, employees, partners, and suppliers, the potential leak and online publication of such data, or the use and abuse of such data outside the relationship with the Group exposes Autogrill to a strong risk of loss of image and violation of data protection laws.

It is important to protect our reputation with all stakeholders: customers, landlords, and licensors. An operator's reputation is an important factor in the tendering and renewal of concessions. Serious reputational damage entails the risk of:

- making the brand less attractive to customers;
- harming relationships with landlords and licensors;
- threatening contract renewals.

The causes stem primarily from the perceived deterioration of service, an inability to satisfy contractual commitments with grantors and licensors, and an inability to let the business model evolve in response to stakeholders' expectations of social and environmental sustainability.

Loss of reputation can also have indirect causes beyond Autogrill's control. In Italy, the fact that many travelers use the Group's name to refer to highway rest stops in general ("let's stop at the autogrill") may expose its operations in the motorway channel to reputational risk caused by any shortcomings in competitors' services that are mistakenly attributed to the Group.

For operations involving the sale of third-party brands under license or commercial partnerships (a model used widely in emerging markets), any reputation damage suffered by the licensor or partner may expose Autogrill to a potential loss of business due to factors beyond its control.

The widespread and ever growing use of online channels (websites, social media, etc.) is a powerful communications tool because large numbers of people are reached very quickly, but it also means that false or defamatory news can be magnified.

The Group constantly monitors its quality of service with respect to customers (perceived satisfaction and product safety), landlords (quantitative and qualitative parameters set out in the contract) and licensors (observance of operating and development standards); for the largest and most sensitive brands, this includes brand champions hired by headquarters and assigned to support local teams. In addition, suitable brand protection measures are taken in Italy if unpleasant experiences are wrongly attributed to Autogrill.

The Group's commitment to social and environmental sustainability is clear from the values espoused in its Code of Ethics.

On environmental issues, it works to promote responsible behavior in the conviction that protecting individuals and the environment is a global priority for people, businesses and institutions all over the world.

With a strong focus on safety issues, for events caused by Covid-19 infection the Group follows all government directives and protocols.

To protect its web reputation, Autogrill has implemented specific policies designed to regulate interaction with the web community and to govern crisis management procedures.

It also engages regularly in forms of commercial, television, and social media communication to reassure the public and draw attention to the high safety and personal protection standards the Group has adopted to keep employees and consumers safe. The systematic communication of its pandemic response has also been a constant in the investor relator activities that keep investors and shareholders up to date.

43

ANNUAL REPORT 2021

Strategic risks

DEVELOPMENT IN EMERGING MARKETS

The Group operates in various emerging markets through partnerships with local operators that in some cases require their active participation in store management.

In addition to the typical risks of such markets, it is possible that local partners will fail to meet their contractual obligations including in terms of the operating standards needed to ensure satisfactory quality and service, which could affect the Group's profitability and reputation.

In general, the pandemic and the resulting global crisis have changed the expectations of rapid expansion in certain geographical areas.

Southeast Asia and the Pacific, which have been part of the Group's International growth strategy, have suffered a severe loss of revenue and a lesser capacity for recovery in 2021 than Western countries. These areas were hit especially hard by the strict "zero Covid policy" mandated by China (but also Australia and New Zealand, which are connected to these regions by airport traffic); the sluggish vaccination campaign; and the drop in international leisure traffic towards the most popular tourist destinations, which are hugely significant in certain regions both for their impact on national GDP (Thailand, Malaysia) and for traffic volumes.

Going forward, emerging markets are still a profitable area expected to see swift economic, demographic, and per capita wealth expansion in the coming years, and a potential for non-linear growth in airport traffic that is difficult to reproduce in mature western economies.

Mitigating factors

The Group pursues and favors contracts that leave it in control of operations and commercial aspects. In any case, Autogrill is entitled by contract to perform audits ensuring compliance with service and quality standards. The spread of Covid-19 in emerging markets has caused the Group to take a prudent attitude to various countries.

HUMAN CAPITAL

Autogrill believes that a transparent policy of responsibility to its employees gives it a competitive edge, because employees are the Group's human capital: the wealth of skills, competencies and qualifications that make it stand out.

Therefore, any lessening of the Group's ability to attract, motivate and retain key employees would make it vulnerable to losing personnel with relevant expertise.

Furthermore, although Autogrill promotes behaviors that value the dignity and protect the rights of all individuals from the selection process throughout their careers, it cannot rule out the risk of discriminatory conduct in the workplace, which could damage the working environment, affect employee retention and harm its reputation.

Issues of gender diversity are discussed in the ESG risks section.

To mitigate these risks, the Group:

- uses bonus systems designed to reward employee dedication and success, thereby fostering a sense of belonging, and follows salary policies that ensure constant comparison with multinational and Italian companies in the consumer goods industry whose complexity, distribution intensity and capital expenditure are comparable to the Group's. To foster fairer treatment among its companies, the Group distributes international guidelines on various aspects of compensation, while fully respecting national laws and local differences. It also adopts policies and initiatives designed to motivate and retain talent;
- provides dedicated phone lines or email addresses in most of the countries where it operates, to receive any complaints of behavior that does not live up to its standards of fairness, integrity, transparency, honesty, ethics and legality. It has also created a European platform as a direct means of drawing attention to any

44

CORPORATE GOVERNANCE AND RISK MANAGEMENT

Strategic risks

Mitigating factors

conduct inconsistent with the Group's Code of Ethics, but also of signaling excellent behavior, while ensuring the confidentiality of information and the privacy of individuals;

- develops specific training opportunities and initiatives to develop and fine-tune soft skills and meta-skills, so employees can build their professional and interpersonal qualifications;
- follows a human resource management policy based on principles laid down in the Code of Ethics, which encourages the Group to instill good relationships with its employees and help them develop their skills and abilities;
- is committed, as enshrined in the Code of Ethics, to promote a safe, healthy, and non-discriminatory workplace that lets everyone reach their potential.

To protect its people, the Group follows the strictest international protocols for the protection of individuals who work indoors in contact with the public. On this note it has taken all appropriate measures to ensure safety during working hours.

Financial risks

Regarding the management of financial risks, consisting mostly of interest rate, exchange rate and liquidity risk, see the financial risk management

section of the Notes to the financial statement.

Mitigating factors

Autogrill manages its financial risks by defining Group-wide guidelines that inform financial management of its operating units, as part of an overall policy of financial independence.

In financial and strategic planning, Group Enterprise Risk Management - in close collaboration with Group Advanced Analytics (Datalab@Autogrill) - provides statistical forecast scenarios of the main factors that might influence business performance, such as vehicle and passenger traffic; this aims to determine the maximum expected oscillation of traffic by channel within a given range (90% confidence interval), and identifies the worst-case scenario, the best-case scenario, and the most likely (base) scenario on which to position the baselines of financial projections. Such projections contribute to the assessment of the Group's financial resilience for the coming years.

The Finance department ensures that the financial risk management policies are harmonized, identifying the most suitable financial instruments and monitoring the effectiveness of the policies followed.

The Autogrill Group does not allow the use of speculative derivative instruments.

Actions have been taken to periodically monitor working capital on a country-by-country basis, with daily estimates of revenue and weekly estimates of the main outflows.

45

ANNUAL REPORT 2021

Financial risks

Mitigating factors

In 2021, in addition to the strengthening measures described in the "Market context, macroeconomic and geopolitical factors and inflation" section, the Group's capitalization was strengthened through:

- a capital increase of €600 million, approved on 25 February and finalized in early July 2021;
- a new five-year credit facility of up to €1 billion, used primarily to pay down debt and improve the Group's financial flexibility, in continuity with its corporate finance transactions;
- the disposal of the US motorway business, which generated positive cash flow of €322.7 million.

See the "Group performance" section and the Notes to the financial statements for more details.

Mitigating factors

COUNTRY-SPECIFIC

Business may be interrupted briefly or for longer periods, generally as a result of uncontrollable events such as:

- pandemics;
- biological risks, natural disasters and weather emergencies;
- acts or threats of terrorism;
- hostilities or wars;
- strikes;

- political instability. Such events could:
 - involve Autogrill locations directly and force them to close;
 - halt or significantly reduce traffic;
 - hurt critical points of the supply chain (suppliers or partners interdependent with Autogrill);

- damage or affect the functioning of IT systems and network infrastructures that support key business processes.
- To mitigate this kind of risk, the Group has security and prevention systems and emergency management plans specific to each type of event.

Autogrill has Group-wide and local policies with major insurance firms, which include coverage for "material damage and interruption of business" and for "third-party liability".

In addition, many concession agreements protect the Group against infrastructure closures (and therefore business interruption) caused by force majeure.

LABOR

Labor is a significant factor for the Group, whose business has a strong customer service component. The need to keep service quality up to customers' and landlords' standards, and the complexity of regulations in the many countries served by the Group, give it less flexibility to manage its workforce.

The main risk is a significant increase in the cost per employee, as a result of labor market trends caused by the economy or government regulations, with a consequent decline in productivity. For example, the recent "living wage laws" enacted in some states of the US increase minimum wages and will continue to extend gradually to other states in 2022.

The human resource management policy is based on principles laid down in the Code of Ethics, which encourages the Group to instill good relationships with its employees and help them build their skills and abilities.

The risks in question are mitigated through the constant review of operating procedures, including the incorporation of digital technologies, to make the best, most efficient use of labor by matching skills to the tasks at hand.

The Group has systematically monitored the relief measures that states and governments have offered to support jobs during the pandemic, with the aim of taking all

46

CORPORATE GOVERNANCE AND RISK MANAGEMENT

Operational risks

Another risk relates to the difficulty in recruiting personnel, at a time when unemployment rates have returned to pre-pandemic levels and the lack of demand for jobs contrasts with an increase in vacancies as companies in various sectors, including those where the Group is active, attempt to ride the post-pandemic recovery. This could lead to an increase in wages as a means of attracting new workers, and may also affect conversion capacity due to a reduced capacity for service in comparison with pre-Covid periods.

QUALITY, HEALTH AND SAFETY

Autogrill's industry is highly regulated in terms of operating practices and worker and customer health and safety. This applies to personal protections and product quality, from raw materials to the finished product, through the use of proper food preparation processes and quality ingredients in compliance with all local regulations and accepted standards of food and environmental safety.

Any violation of or non-compliance with these complex norms at the local, national or supranational level, as they apply to concession operators or companies in the oil business, may not only expose the Group to lawsuits and civil or criminal penalties but could also diminish its reputation.

The outbreak of the pandemic has exacerbated this risk and required the food & beverage industry to adopt even higher standards of personal safety and protection.

Mitigating factors

available opportunities to reduce economic and social hardships for its workers and their families.

The Group has streamlined its hiring procedures to allow for a faster ability to recruit new workers and reduce the impact of the labor shortage in the current market.

The Group has set up region-wide quality assurance systems to ensure high standards for all its products and services. These are based on risk assessment processes for raw materials, products and their suppliers to measure compliance with quality standards defined by the company following the HACCP procedures; on systematic monitoring and control using specific KPIs; and on verifying the effectiveness of these measures through different kinds of audits conducted periodically by internal and external industry professionals.

The Group has always been committed to the highest standards of health and safety for its employees, primarily through the ongoing review of policies and procedures, but also through technical improvements, constant technology upgrades, personal protective equipment, and training on the job.

The Group also complies with the highest international safety standards in terms of COVID-19 transmission, even where not required by local laws, such as the periodic sanitization of workplaces, the provision and constant replacement of all medical devices required by law, and the installation of plexiglass barriers.

In almost all countries served, the Group has set up health and safety committees involving management and workers' representatives (depending on each country's policies), to monitor compliance with laws and regulations and take steps to reduce, if not eliminate, the risk of accidents.

There is also a monitoring system that constantly audits the quality of service with respect to customers' expectations contractual/legal requirements, as well as the controls in place with regard to reducing accidents in the workplace.

SUPPLY CHAIN

The main risks associated with the supply chain are as follows:

- events that might interfere with the proper functioning and continuity of the supply and logistics chain, hindering the Group's ability to provide a complete, balanced and effective assortment that meets the expectations of customers;

The Group has contingency plans to make sure its locations are suitably stocked, including by providing support to strategic suppliers that have been hard hit by the pandemic crisis. To put these suppliers on more solid ground, where necessary, business terms have been revised with a particular focus on payment times.

47

ANNUAL REPORT 2021

Operational risks

- the impact of high inflation, which began in 2021 with pressure on semiconductors and utilities and then gradually extended to the raw and semi-processed materials used to prepare menu items, with a consequent increase in sourcing costs; the potential erosion of margins as inflation is absorbed to a lesser degree.

The general crisis and its effects on demand have slowed down, or in the worst cases halted, production by certain suppliers. The risk inherent to this situation is that the Group's locations will not be adequately stocked. The impact is further magnified if such problems affect suppliers of products that are not easily replaced, logistical service providers, or vendors to which the Group is highly exposed.

Rising globalization has also raised the risk that suppliers will not adopt socially responsible behavior in their commercial dealings or will ignore international standards and principles on matters of personal dignity, working conditions, and health, safety and the environment.

For additional details on the impact of the conflict between Russia and Ukraine on the supply chain and supply costs, please refer to the section "Market context, macroeconomic and geopolitical factors and inflation"

Mitigating factors

Where possible, new agreements have been offered that extend rebate arrangements over a longer, multi-year term, in the expectation that the macroeconomic situation will improve and business will turn around in the coming years.

As for raw material prices, specialized internal units constantly strive to meet efficiency targets by negotiating agreements with key suppliers; for strategic materials, prices may be indexed to protect the Group, at least temporarily, from spikes.

On the topic of sustainability and human rights, the Group expects its suppliers to comply with the principles laid down in its Code of Ethics.

In addition to supplier selection procedures based on a risk assessment approach, the Group has adopted the "Autogrill Group Supply Chain Sustainability Guidelines" that set general standards for the evaluation of vendors and instruct Group companies to work with suppliers that share its sustainability principles and run their businesses ethically and responsibly with respect to people and the environment. The Guidelines set supplier qualifications that are based on the most important international agreements, conventions and standards and are in line with the Group's Code of Ethics.

Cyber & IT Risks

Cyber risks are exacerbated by the growing enjoyment and distribution of goods and services over expanding global networks, the use of information technologies to communicate and transfer data in real time with people all over the world, and the adoption of work-from-home arrangements due to the Covid-19 pandemic).

The main cyber risks consist of:

- cyber attacks through the use of malware or ransomware;
- the hacking or counterfeiting of a company's e-mail in order to steal information or order payments to non-entitled parties.

The impact may extend to:

- reputational damage caused by an attack designed to steal sensitive data or identities or attempted extortion/ blackmail schemes;
- the loss of customer data and violation of customer privacy;
- difficulty with standard operations if the attack aims to thwart access to necessary computer systems by authorized users (e.g. supply chain management);
- fines, in the event that sensitive data has not been protected in accordance with the latest international directives.

The war that has broken out in early 2022 between Russia and Ukraine has further demonstrated how the internet and

Mitigating factors

The Group conducts periodic training programs on the risks of using internet, social media and e-mail, as well as a graduated system for evaluating threats and the resiliency of existing protections to cyber attacks, including through the use of vulnerability tests.

The Group's Information Security Policy provides guidelines for ensuring suitable, uniform levels of security for the information stored and transmitted using ICT, adopting common methodologies, frameworks, processes, and technology (if possible), assuring legal compliance, and effectively handling risk. It defines the roles and responsibilities of the various players involved in information security. The security guidelines have been set in accordance with international standards (e.g. ISO 27001), laws on information security and company requirements.

As for work-from-home arrangements, the Group has provided staff with individual business productivity tools (laptops) along with communication and security services such as virtual private networks (VPNs), threat emulation tools/firewalls, and the use of SSL certificates and two-factor authentication. It has defined and distributed behavior policies and training activities and provided constant information on new cyber threats. It has set up a cyber risk help desk for the use of IT devices and formed a cyber security unit at the Corporate level that aims to bring all geographies into line with internationally recognized

48

CORPORATE GOVERNANCE AND RISK MANAGEMENT

Cyber & IT Risks

government information systems have been used as cybernetic battlefields and strategic targets (cyberwarfare) as the conflict unfolds. Cyber weapons like Hermetic Wiper, deployed against Ukraine's internet and government systems as occurred in 2009-2010 with Stuxnet, have the potential to spread across the digital substrate as there is no possibility for structural confinement and compromise important Western systems, infrastructure, and European agencies.

In the event of prolonged conflict, the EU's exposure would exponentially increase the risk of direct attacks by both war-related and independent

hackers. For Autogrill's business the direct risk is limited, but indirect exposure to attacks on transportation infrastructure or the energy and fuel distribution network (like the Colonial Pipeline attack) could have repercussions for business continuity in specific areas.

Mitigating factors

operational models and security frameworks (e.g. NIST), intensify monitoring and response to cyber issues with coordination between the various regions, and measure the level of cyber risk exposure in order to identify mitigation actions.

The Autogrill Group is aware of the increased risk of cyber attacks and social engineering as a result of the increased use of malware in the war zones; it has boosted the monitoring of its computer systems and continues to inform employees of cyber risks and the proper use of ICT tools.

Compliance risks

Violations of the Code of Ethics or of anti-corruption and other laws by Autogrill, its commercial partners, agents or other parties acting in its name or on its behalf may expose the Group and its employees to criminal or civil penalties and damage the Company's and the Group's reputation.

Mitigating factors

The Group is scrupulous in observing the laws, directives, and regulations that apply to its sectors; in 2021, it created the Group Compliance unit to focus attention on these issues. The new unit will strengthen the Company's organizational and operational apparatus to ensure full compliance with Group procedures, in accordance with applicable laws.

In addition, the Group has adopted:

- its own Code of Ethics, which requires all Group companies along with their top executives, managers and employees to conduct themselves according to the principles of legality, fairness and integrity;
- an Anti-Corruption Policy that instructs all directors, managers, employees, and internal auditors of Group companies, and everyone who works in Italy or abroad in Autogrill's name or on its behalf, what principles and rules they must follow to ensure compliance with anti-corruption legislation. Through this policy, the Group formalizes its across-the-board commitment to reject and prohibit corruption under all circumstances, with public officials and private parties alike, and its promise to observe anti-corruption laws in every country served.

ESG RISKS

ESG (Environmental, Social & Governance) factors are a great opportunity for corporate change and are increasingly central even in the context of quantitative disciplines like risk management, specifically as regards diversity, equal opportunities, non-discrimination of workers, inclusiveness, environmental protection, use of renewable energy, scarcity of resources, and reduction of waste.

Accordingly, risk management processes are undergoing a transformation that needs to be guided by strong discipline in terms of methods, practices, responsibilities, and policies, and requires new key performance indicators (KPI) and key risk indicators (KRI) with reference to ESG.

Mitigating factors

GENERAL ESG

In recent years, society's growing attention to social and environmental issues, and changes in national and international legislation, have given momentum to the disclosure and measurement of non-financial results that are now full-fledged indicators of how a company is managed and how competitive it is.

Socio-environmental topics, diversity, equal opportunities, non-discrimination of workers, inclusiveness, environmental protection, use of renewable energy, scarcity of resources, and reduction of waste are ever more integrated into companies' strategic decisions and increasingly attract the attention of the various stakeholders who are attentive to sustainability.

The risk is that these issues will not be adequately addressed, exposing the Company to penalties (if it fails to comply with legislation), and in some cases damaging its image and reputation if it does not effectively communicate its strategy.

The Autogrill Group has always been at the forefront in implementing policies and strategies that value socio-environmental issues, including highly innovative ways of managing employee and customer relations that put people at the center of its policies, and the creation of stores and products that focus on sustainability and reduced environmental impact. Over the years the Group has constantly promoted innovative concepts and solutions in terms of energy efficiency, developed programs to reduce and properly handle waste, and engaged in circular economy projects along the supply chain. The Group also takes care to find qualified, certified business partners to ensure a supply chain that is efficient and eco-sustainable.

In 2021 the Group sharpened its focus on ESG. To best respond to the demands of the market, customers, and other stakeholders it took specific steps to place ESG policies at the center of its strategies, in particular by:

- creating an ESG roadmap that will lead to a positive transformation for the business above and beyond mere compliance, while prioritizing relevant, measurable actions;
- forming a Group Sustainability Committee that will maintain the Group's focus on these issues, by periodically monitoring progress with the roadmap and recommending areas for its further development;
- naming "Sustainability Champions" at the business units for the implementation of ESG initiatives in the Company's processes;
- rationalizing ESG projects within a specific, long-term program, in order to make these topics as fundamental pillar to all business decisions and strategies; leveraging three strategic pillars:
 - *we nurture People*
 - *we offer sustainable Food Experiences*
 - *we care for the Planet*
- monitoring the effectiveness of the roadmap actions through the creation and monitoring of specific ESG KPIs;
- setting up a 2021 Performance Share Units Plan with sustainability performance targets;
- focusing on energy efficiency, through the definition of an Energy Saving Book that defines low-impact design, construction, and management guidelines for new locations.

PEOPLE FIRST

Autogrill puts people at the center of its business model: human capital is a strategic priority for which the Group plans to implement initiatives and safeguards that can mitigate risks and seize the many opportunities for development.

The Group's performance is strictly dependent on its ability to attract, motivate, and retain employees; ensure an inclusive, equitable working environment that values

Autogrill's commitment to protecting and valuing people is affirmed in the first pillar of its new ESG framework. The Group promotes human engagement throughout the organization, by listening to employees' and consumers' needs, and attracts, develops, and nurtures talent in order to cultivate tomorrow's leaders. It supports an inclusive, diverse environment and has committed to having women in 40-50% of leadership positions by the end of 2030, while rooting D&I culture throughout the organization by

50

CORPORATE GOVERNANCE AND RISK MANAGEMENT

Mitigating factors

diversity; and understand market trends and consumer demands.

Employee engagement

Risks concern the loss of key personnel; inappropriate behaviors that undermine rules and everyday operations; and employee health and safety.

Diversity, equal opportunities and inclusion

Risks concern employees' negative perception of the Group and the failure to achieve goals of diversity and female empowerment.

Consumer experience

Risks concern consumer complaints and the negative perception of branding.

SUSTAINABLE PRODUCTS AND SUPPLY CHAIN TRANSPARENCY

training inclusive, responsible leaders. From the consumer standpoint, Autogrill provides travelers around the world with the best possible experiences, treating their needs as the basis for a constant process of improving service.

The Group's present and future success is closely correlated with its ability to preserve, improve, and leverage the customer experience and the value of its brand. Brand value is based not only on the Group's purpose and mission but also on consumers' perception, which is influenced by a range of factors including food safety and quality, the variety and transparency of offerings, and the Group's commitment to responsible sourcing.

Brand perception, therefore, also depends on the correct implementation of the sustainability practices that Autogrill ensures through systemic coordination in all channels and countries served.

Food quality and safety

Risks concern the violation of food safety laws and standards.

Transparency and variety of offerings Risks concern the failure to meet consumers' expectations; sub-par sustainability and innovation; and a lack of transparent information for consumers (packaging and in-store communications).

To mitigate the risks arising from new consumption trends, the Group strives to develop products that are innovative, sustainable, and certified. This commitment is formalized in the second pillar of the new ESG framework, with the goal of offering 98% sustainably produced coffee to consumers in the Group's eight largest markets by 2025.

The Group is highly attentive to all aspects, environmental and social, of supply chain management. The Group Supply Chain Sustainability Guidelines set general standards for evaluating suppliers and lay out the basic principles of the Group's approach to sustainable management of the supply chain, also thanks to stable, long-term relationships with suppliers based on integrity and cooperation.

Supply chain

Risks concern the complexity of the supply chain in relation to the traceability and availability of raw materials, and suppliers' failure to comply with the Group's sustainability and human rights policies.

CLIMATE CHANGE AND ENVIRONMENT

Climate change, environmental protection, and the energy transition will cause significant changes in how businesses are run in every industry. Autogrill is sharply focused on environmental and climate compliance and takes numerous actions to mitigate emerging risks and seize the many opportunities for strategic development, with particular reference to energy sourcing, emissions reduction, and waste management.

A key component of Autogrill's renewed ESG approach is care and attention for the planet. The Group strives to develop solutions that can mitigate its impact on the climate and the environment, setting ambitious targets for the reduction of GHG emissions from the use of energy by 2030. To support this process Autogrill has developed a series of initiatives to design, construct, and modernize its stores in accordance with industry best practices, pursuing

ANNUAL REPORT 2021

ESG risks

Energy sourcing

Risks concern the insufficient supply of energy from renewable/non-renewable sources and the failure to achieve GHG emission reduction targets.

Environmental impact

Risks concern non-compliance with laws and standards on recycling and waste reduction; materials and product packaging that do not meet consumers' expectations in terms of innovation and sustainability; and the failure to meet the food waste reduction targets set by the Group.

Mitigating factors

reduced consumption and opting for a sustainable energy mix that can effectively power all of the Group's operations, and aiming to reduce the use of plastic and improve business circularity through goods reuse and recycling habits while promoting food waste reduction in all of the countries it serves.

In accordance with the ESMA recommendation "European common enforcement priorities for 2021 annual financial reports" of 29 October 2021, although the project to map and quantify the impacts of climate change is currently underway, as the recommendation allows, the Group has conducted a preliminary analysis to identify climate change risks and their potential impact on the Group's operations, especially as regards certain financial statement items whose measurement or amount may be impacted by climate change such as revenue, tangible and intangible assets, right-of

-use assets, risk provisions, and inventory.

In light of the impairment tests performed on the goodwill allocated to each cash-generating unit (CGU), which were carried out considering the 2022 budget, 2023-2026 financial projections, and prudent valuation parameters, at this time the existing coverage is considered sufficient to rule out impairment losses due to climate risk impacts and there is not yet cause to write down operating assets for technological obsolescence. Likewise, the amount of any costs relating to Autogrill's environmental impact or to the neutralization of that impact, and the nature of raw materials and merchandise in stock, do not currently suggest the need to write down inventory for the risk that it will go unsold.

Management also believes that the Group's presence in different travel channels and different parts of the world help protect its revenue from climate risk.

The Group will study these issues in greater depth with a view to the ongoing anticipation and monitoring of climate change risks and their potential impact on future performance.

52

CORPORATE GOVERNANCE AND RISK MANAGEMENT

THE INTERNAL CONTROL SYSTEM

Autogrill's internal control system is the set of rules, procedures, and organizational structures allowing for sound, proper management consistent with the Group's strategic objectives and for compliance with the law and the articles of association. An effective internal control system helps make sure that the Group's operations are efficient, knowable, and verifiable, and in general assures the integrity and reliability of the Group's corporate and business management.

It also ensures and verifies the quality and reliability of accounting and management data and of the information provided to the boards and the market, including by overseeing how such information is recorded and exchanged.

Autogrill's internal control and risk management system, as concerns operational responsibilities, is in line with international best practices consistent with the principle of three levels of control, as follows:

FIRST LEVEL CONTROL SECOND LEVEL CONTROL THIRD LEVEL CONTROL

Control on Company's processes is delegated to the local management of each operating units, becoming an integral part of every process
Control entrusted to specific function, separated from the operating units, supporting the local management to develop the system of control and risk management and in its

proper functioning

Control delegated to the Internal Audit

function, which is in charge of evaluating the design and functioning of the control and risk management system regarding the operating activities, the IT systems and the governance of the Group

The internal control and risk management system functions according to an audit plan, developed on the basis of a specific analysis of risks, on activities and processes mapped out within the Group companies. The plan consists of independent first- and second-level controls, in the form of specific auditing projects of business, administrative, and accounting processes; checks of IT system reliability; and follow-ups of the corrective actions determined during the auditing phase to help improve the control and risk management system.

In accordance with its Code of Ethics and the Autogrill Code, the Group acts to develop the principle of responsibility in every individual involved in the control system and to give an appropriate control structure to its business wherever it operates. It promotes, at all levels, the need for an adequate internal control and risk management system as the indispensable premise for achieving its goals.

1. DIRECTORS' REPORT

COMPARABILITY OF DATA; ALTERNATIVE PERFORMANCE MEASURES AND DEFINITIONS

COMPARABILITY OF DATA

As mentioned in the Notes to the consolidated financial statements for the year ended 31 December 2021, estimation and measurement criteria are the same as those used the prior year. Where applicable, they have been adjusted consistently with the new amendments and standards that took effect during the year, as detailed in the pertinent section of the Notes.

As in previous years, more than half the Group's operations are located in countries which use a non-euro currency, primarily the United States of America, Canada, Switzerland, and most of the countries in the International division. Due to the local nature of the business, in each country revenue is generally expressed in the same currency as costs and investments. The Group also has a currency risk policy, financing a portion of its net assets in the principal non-euro currencies with debt in the same currency, or entering into currency hedges that achieve the same effect. However, this does not entirely neutralize the impact of exchange rate fluctuations when translating individual financial statement items. The comparability of data is therefore affected by exchange rate trends, which are neutralized through the comparisons "at constant exchange rates" as described in the section below.

ALTERNATIVE PERFORMANCE MEASURES AND DEFINITIONS

The Directors' Report and the consolidated financial statements include the consolidated financial and economic measures used by management to monitor the Autogrill Group's performance. These measures are not defined or specified in the applicable regulations for financial reporting. As the specific makeup of these measures is not governed by the accounting standards, the criteria used by the Autogrill Group to determine them could be different from those used by other groups, so they may not be comparable.

The Alternative Performance Measures are constructed solely on the basis of the Group's historical financial figures and are determined in accordance with the ESMA Guidelines on Alternative Performance Measures of 5 October 2015 (ESMA 2015/1415) as per CONSOB Communication no. 92543 of 3 December 2015, considering the additional ESMA guidance of 17 April 2020 "ESMA Guidelines on Alternative Performance Measures (APMs)" and 29 October 2021 (section 3 of the "European common enforcement priorities for 2021 annual financial reports").

The following Alternative Performance Measures were used in this Directors' Report:

- Revenue: in the Directors' Report this refers to operating revenue, excluding fuel sales. Costs as a percentage of revenue are calculated on this basis. Fuel sales are classified net of the corresponding cost under "Other operating income".
- Change "at constant exchange rates": in comparisons with prior-year figures, the phrase "at constant exchange rates" signifies the increase or decrease that would have occurred had the comparative figures of consolidated companies with functional currencies other than the euro been calculated at the same exchange rates employed in the previous year's consolidated financial statements.
- Organic revenue growth: this is calculated by adjusting revenue for the two years for the effect of acquisitions, disposals and exchange rates (by translating prior-year sales at the current-year exchange rate) and then comparing the two figures. Organic revenue growth is expressed at constant exchange rates.
- Like-for-like revenue growth: calculated by adjusting organic revenue growth for the impact of new store openings and the revenue generated in the comparison period by stores that are no longer in the portfolio, as well as calendar differences (e.g. leap years) which are shown separately. Like-for-like revenue growth is expressed at constant exchange rates.

57

ANNUAL REPORT 2021

- EBITDA: profit (loss) for the year excluding "Income tax", "Financial income", "Financial expense", "Share of the profit (loss) of equity method investments", "Revaluation (write-down) of financial assets", "Depreciation and amortization", and "Impairment losses on property, plant and equipment, intangible assets and right-of-use assets". EBITDA can be gleaned directly from the consolidated financial statements, as supplemented by the Notes thereto. Because it is not defined in IFRS, it could differ from and therefore not be comparable with EBITDA reported by other groups.
- EBITDA margin: EBITDA expressed as a percentage of revenue.
- EBIT (earnings before interest and tax): the "Operating profit" gleaned directly from the consolidated income statement.
- EBIT margin: EBIT expressed as a percentage of revenue.
- Underlying Alternative Performance Measures: results for the year and their comparison with the previous year may include elements that are unusual or unrelated to operating performance which significantly impact the Group's results over time in an inconsistent, non-systematic way. This could hinder a correct interpretation of the Group's normalized profit when comparing it to the normalized figure for the previous year or future periods, which would limit the value of the information provided in the comparative condensed consolidated income statement and the comparative consolidated income statement prepared in accordance with IAS 1. These elements, specified in the "Group performance" section of the Directors' Report, can be classified as follows:
 - capital gains and capital losses from the disposal of businesses, with the corresponding transaction costs;
 - costs incurred for successful acquisitions, treated as transaction costs that management considers to be unrelated to operating performance;
 - costs for stock option plans (phantom stock options and performance share units). The estimated cost of the phantom stock option plan is heavily impacted by the price and fluctuation of Autogrill shares, which are not strictly dependent on the Group's performance;
 - net costs incurred for non-recurring refinancing debt, consisting mainly of a make-whole fee for the early repayment of the American private placements;
 - the costs for strategic, non-recurring Corporate reorganization and efficiency projects which temporarily penalize the performance measures gleaned from the consolidated income statement prepared in accordance with IAS 1.

These elements are identified separately and described in specific statements of reconciliation, and result in the following underlying alternative performance measures:

- Underlying EBITDA: determined by excluding the impact of the above mentioned unusual or non-performance-related elements from

EBITDA;

- Underlying EBITDA margin: underlying EBITDA expressed as a percentage of revenue;
- Underlying EBIT: determined by excluding the impact of the above mentioned unusual or non-performance-related elements from EBIT;
- Underlying EBIT margin: underlying EBIT expressed as a percentage of revenue;
- Underlying net profit: determined by excluding the impact of the above mentioned unusual or non-performance-related elements from net profit;
- Underlying basic earnings per share: underlying net profit per share;
- Underlying diluted earnings per share: determined by adjusting the underlying net profit attributable to holders of ordinary shares, as well as the weighted average of outstanding shares, to take into account the effects of all potential ordinary shares with dilutive effect and the share options granted to employees; if there is a loss per share there are no dilutive effects.

In the Directors' Report the following definitions are also used:

- Capital expenditure: the investments referred to in the notes "Property, plant and equipment" and "Other intangible assets" to the consolidated financial statements;
- Corporate costs: the costs pertaining to the Group's centralized units;
- Underlying Corporate costs: the costs pertaining to the Group's centralized units minus the effect of the above mentioned unusual or non-performance-related elements;

1. DIRECTORS' REPORT

- Net financial position (net financial indebtedness): the sum of net debt, determined (including as of 31 December 2020) in accordance with the "Guidelines on disclosure requirements under the Prospectus Regulation (04/03/2021 ESMA32-382-1138)", "Finance lease receivables" (current and non-current), and "Other financial assets" (current and non-current), excluding "Security deposits" and "Interest-bearing sums with third parties";
- Net financial position (net financial indebtedness) excluding lease receivables and liabilities: the net financial position less current and non-current assets and liabilities arising from leases.

Unless otherwise specified, amounts in the report are expressed in millions of euros (€m) or millions of US dollars (\$m). In the Notes to the financial statements, unless otherwise specified, amounts are expressed in thousands (€k and \$k).

Where figures have been rounded to the nearest million, sums, changes, and ratios are calculated using figures extended to thousands for the sake of greater accuracy.

ANNUAL REPORT 2021 /

GROUP PERFORMANCE

1. DIRECTORS' REPORT

/

GENERAL BUSINESS CONTEXT THE TREND IN AIRPORT TRAFFIC¹¹

Airports are the Group's primary channel and generate around 55% of total revenue, with a widespread presence in North America, Europe, Asia and the Pacific.

The first half of 2021 was affected by the ongoing uncertainty caused by the spread of the Covid-19 virus and the restrictive measures taken by public authorities in the affected countries in order to limit contagion. Such measures included limiting personal movement both within and beyond national borders, which reduced the volumes of travelers passing through airports. In the second half of the year, thanks to progress with the vaccination campaign, the situation gradually improved with the partial lifting of restrictions and a recovery in air traffic, especially in North America.

In North America, the Group's largest airport market, passenger traffic in 2021 increased by 72% over the previous year, thanks to the recovery of domestic traffic. In Europe, airport traffic was up by 34% over 2020 as intra-European traffic gradually picked up speed in the second half of the year. Airport traffic in Asia, on the other hand, decreased by 13% due to the ongoing pandemic and the resulting extension of the restrictive measures put in place in 2020; in the Middle East, air traffic grew by 13% with respect to the previous year.

THE TREND IN MOTORWAY TRAFFIC

In the motorway channel, especially since the disposal of the US motorway business as discussed below, the Group operates mainly in Europe with a strong presence in Italy, France, Belgium, and Switzerland.

Like airport traffic, motorway traffic benefitted from the gradual easing of the travel restrictions put in place to counter the Covid-19 pandemic, thanks to progress with the vaccination campaign in the regions where the Group operates.

¹¹ Source: ACI World - Airport Council International, 2021 traffic estimated on the basis of figures provided by ACI regional offices and industry experts

In Italy, the Group's largest motorway market, traffic increased by around 23%" over the previous year with a gradual acceleration in the second six months.

CHANGE IN SCOPE OF CONSOLIDATION

On 23 July, further to an agreement dated 31 March 2021 and after obtaining the necessary government authorizations and consent from the landlords, HMSHost Corporation finalized the disposal of its US motorway business to the consortium controlled by Blackstone Infrastructure Partners, which includes Applegreen Limited and B&J Holdings.

The sale price was \$ 381.4m, equivalent to € 324.1m; that amount is subject to an earn-out mechanism based on revenue earned by the new ownership in 2022 and 2023, which cannot be quantified on the basis of currently available information. The capital gain, not considering the earn out which will be realized when it can be determined, amounts to \$ 153.1m (€ 129.5m) net of transaction costs.

The US motorway business includes food & beverage concessions of various brands such as Starbucks, Burger King, and Pret (which the Group will continue to operate as licensee in other channels) and convenience retail concessions at about 60 motorway rest stops in the United States.

Until the sale date in 2021, revenue from the US motorway business was € 92.4m (\$ 109.3m), compared with € 121.2m (\$ 138.5m) the previous year.

ORGANIC GROWTH

In 2021, with relatively few calls for bids due to pandemic-related uncertainties, the Group obtained new contracts and contract renewals" worth a total of € 4.3 billion, with an average duration of around 3 years.

Below are the details by geographical area.

NEW AND RENEWED CONTRACTS

(€billion)	New	Renewed
North America	0.2	1.9
International	0.3	0.2
Europe	0.0	1.6
Total	0.5	3.7

Renewals in Europe include the two-year extension for the Italian motorway network pursuant to Decree Law 121/2021, in connection with the government's pandemic relief measures.

¹² Source: AISCAT

¹³ Total value of contracts calculated as the sum of expected revenue from each throughout its duration Also includes contracts held by equity-consolidated Group companies

1. DIRECTORS' REPORT

INCOME STATEMENT RESULTS

Results in 2021 were still heavily impacted by the Covid-19 pandemic, but after suffering the effects of the second wave early in the year, there was a steady increase in consumer traffic in all channels served by the Group. This owes to the slowdown in contagions which led to the gradual lifting of restrictions, and the successful vaccination campaign. The defining feature of 2020, of course, was the worldwide spread of Covid-19 beginning in early March.

In this context, the Group earned consolidated revenue of € 2,596.8m, an increase of 32.8% at constant exchange rates (+30.9% at current exchange rates) compared with the previous year's revenue of € 1,983.7m, with steady growth throughout 2021 (€ 4,996.8m in 2019). As in 2020, thanks to a

focus on hourly productivity, an improved product mix, and cost cutting, underlying EBITDA in 2021 increased by € 374.6m (from € 155.3m to € 529.9m) and rose from 7.8% of revenue in 2020 to 20.4%. In 2019 this item amounted to € 849.5m. Underlying EBIT in 2021 came to € -7.0m, compared with € -515.8m the previous year, for an increase of € 508.8m (underlying EBIT was a positive € 228.2m in 2019). The underlying net loss attributable to the shareholders of the parent company amounted to € 105.8m, compared with a loss of € 485.7m in 2020 and an underlying net profit of € 85.0m in 2019.

14 "Revenue" and "Raw materials, supplies and goods" differ from the amounts shown in the consolidated income statement because they do not include revenue and costs from fuel sales, the net amount of which is classified as "Other operating income" in accordance with management's protocol for the analysis of Group figures This revenue came to € 285.8m in 2021 (€ 232.1m in 2020) and the cost to € 769.9m (€ 219.1m in the previous year)

15 The item "Gain on operating activity disposal" is net of transaction costs of € 4.1mm 2021 (€ 0.4m in 2020)

16 "Openings" refer to new stores and not to reopenings subsequent to Covid-19 related closures

17 "Closings" refer to the permanent closure of stores and not the temporary closures attributable to the Covid-19 pandemic

Thanks in part to the slowdown of the Covid-19 pandemic with the gradual easing of restrictions, and to the successful vaccination campaign, revenue improved steadily throughout 2021 and achieved solid like-for-like growth (+39.0%). The increase was especially prominent in North America (+66.9%) and Italy (+33.1%), while the International division (-14.0%) suffered from the persistent weakness of international traffic.

In 2021 the additional revenue from new stores opened mainly in North America (Salt Lake City and Las Vegas airports) and from revised concepts was partially offset by the streamlining of the Group's presence in all geographical regions - this had begun independently of the Covid-19 pandemic, which in some cases accelerated or modified decisions to leave unprofitable locations - and by the impact of closures due to the normal dynamics of contract renewals.

The decrease in revenue as a result of disposals amounted to € 93.8m, reflecting the disposal of the US motorway business in July 2021 and the Group's Spanish operations in late December 2020 (formally completed on 14 January 2021).

In 2021 there was a net negative exchange effect of € 28.5m, due mainly to the devaluation of the US dollar against the euro.

The "calendar" effect had a net negative impact of € 5.0m.

The like-for-like increase, 39.0% at the Group level, occurred in all the Group's channels, with especially good performance by airports (+51.3%) and motorways (+28.9%).

At 31 December 2021, 74% of all points of sale were open (58% at 31 December 2020).

EBITDA

EBITDA in 2021 amounted to € 655.6m, up from € 159.5m the previous year, increasing by € 496.1m and rising from 8.0% of revenue in 2020 to 25.2%. The 2021 figure was heavily influenced by the sizable capital gain from the disposal of the US motorway business, which came to € 129.5m net of transaction costs.

19 "Openings" refer to new stores and not to reopenings subsequent to Covid-19-related closures
 20 "Closings" refer to the permanent closure of stores and not the temporary closures attributable to the Covid-19 pandemic
 21 "Calendar" refers to the impact of the extra day in 2020, which was a leap year.

65

ANNUAL REPORT 2021

Non-performance-related elements in 2021 or the previous year whose amounts can be compared were as follows:

- costs for stock option plans (phantom stock options and performance share units). The estimated cost of the phantom stock option plan is heavily impacted by the price and fluctuation of Autogrill shares, which are not strictly dependent on the Group's performance;
- capital gains (net of transaction costs) realized in 2021 from the disposal of the US motorway business and in 2020 from the disposal of all of the Group's operations in Spain;
- the costs incurred for efficiency programs at the three business units". The impact of these elements by business segment is broken down below.

(€m)	Full Year 2021	Full Year 2020	
North America	(128.4)	2.2	
Stock-based management incentive plans	:	0.9	i (01)

Stock-based management incentive plans	!	1.6	j (0.2)
Efficiency projects costs	.	-:	1.4
Total	l	(125.7)	(4.2)

After factoring out these elements, underlying EBITDA amounts to € 529.9m in 2021 (€ 155.3m the previous year), rising by € 374.6m and from 7.8% of revenue in 2020 to 20.4%. Most of the improvement is due to the substantial increase in sales, as well as the focus on hourly productivity, the product mix, and cost cutting.

1. DIRECTORS' REPORT

CHANGE IN UNDERLYING EBITDA MARGIN

IMPACT OF THE COVID-19 PANDEMIC

Regarding the disclosures called for by ESMA, CONSOB and IOSCO²³ for the last two years, in terms of the impact of Covid-19 on operations, the Group is unable to distinguish what portion of the changes in performance measures from 2020 to 2021 is directly attributable to the course of the pandemic. The overall effects on performance measures and results for which the course of the pandemic is largely if not exclusively responsible are discussed below.

As described previously, in 2021 the Group enjoyed an increase in revenue (+32.8% at constant exchange rates, +30.9% at current exchange rates), which improved steadily throughout the year, reflecting greater business volumes as a result of the slowdown in the pandemic (with the gradual easing of restrictions) and the successful vaccination campaign.

The cost of raw and ancillary materials, consumables and goods increased by 27.1% at constant exchange rates (+25.7% at current exchange rates) compared with the previous year. This was directly related to the trend in sales, although disproportionately; the figure includes a non-recurring cost of € 0.2m in relation to products expiring or becoming damaged (€ 9.2m in 2020).

Group management extended a number of measures taken in 2020 to mitigate the impact of the Covid-19 pandemic, achieving a steep reduction in:

- personnel expense, through measures such as reduced hours in line with the drop in traffic. Also contributing to the decrease in personnel expense were the various relief programs enacted by local governments and equivalent measures in the countries served by the Group, for an estimated € 79.8m (€ 155.5m in 2020) subject to possible positive adjustments that cannot be determined at this time;
- other operating costs, which did, however, suffer from the final reckoning of non-recurring costs for logistics and for the important measures taken to protect the health and safety of employees and customers (€ 2.0m, compared with € 5.7m in 2020).

23 ESMA - "European common enforcement priorities For 2020 annual Financial reports" of 28 October 2020 and "European common enforcement priorities for 2021 annual financial reports" of 29 October 2021, CONSOB - "Richiamo di attenzione" 6/2020 of 9 April 2020, 8/2020 of 16 July 2020, and 1/2021 of 16 February 2021, and IOSCO - "Statement on Importance of Disclosure about Covid-19" of 29 May 2020

ANNUAL REPORT 2021

As in the early months of the Covid-19 pandemic, the Group continued to renegotiate its existing leases in order to obtain better terms and conditions from landlords. As a result of these negotiations, the Group recognized rent reductions and cancellations of € 174.7m (€ 182.6m in 2020) directly in the income statement as of the effective date of the relief, in accordance with the amendments to IFRS16 "Covid-19 Related Rent Concessions (Amendment to IFRS 16 Leases)" of 28 May 2020 (endorsed on 9 October 2020) and "Covid-19 Related Rent Concessions beyond 30 June 2021 (Amendment to IFRS 16 Leases)" of 31 March 2021 (endorsed on 30 August 2021) which give lessees the option to account for Covid-19 related rent concessions without the need to determine from the contracts whether they constitute lease modifications as defined by IFRS 16 (subject to certain conditions).

Further negotiations with landlords are in progress, the benefits of which will be recognized in 2022 as they have not yet been realized and cannot be reliably quantified at this time. The negotiations will continue during the next few months of 2022 in relation to the impact of the Covid-19 pandemic on profitability for the year in course.

In 2021 the Group benefited from various forms of government relief amounting to € 36.5m (not present in 2020), mostly in Germany, France, and Switzerland, which is recognized under "Other operating income".

As in 2020, financial charges were recognized in connection with renegotiations with lender banks and bondholders, as better explained in the section "Net financial expense, income (expense) from investments, and revaluation (write-down) of financial assets" of this report and in the Notes to the financial statements.

In 2020 the Group had used tax benefits offered under the law enacted in the United States that year, as described in the Notes to the financial statements and in the "Income tax" section of this report.

DEPRECIATION, AMORTIZATION AND IMPAIRMENT LOSSES

These came to € 537.0m in 2021, a decrease of 18.4% at constant exchange rates (-20.0% at current exchange rates) compared with the previous year's figure of € 671.1m. The net decrease reflects lower net impairment losses (€ 61.7m in 2020, compared with € 14.6m in 2021), lower depreciation and amortization as a result of a decrease in investments, the disposal of the Group's Spanish operations in late December 2020 (€ -20.7m) and the disposal of the US motorway business in July 2021 (€ -13.4m) and the remeasurement of leases in accordance with IFRS 16.

EBIT

EBIT in 2021 came to € 118.6m versus a negative € 511.6m the previous year, reflecting the same factors described for EBITDA and the lower impact of depreciation, amortization and impairment losses with respect to 2020.

1. DIRECTORS' REPORT

Underlying EBIT stood at € -7.0m, compared with € -515.8m the previous year, an increase of € 508.8m.

NET FINANCIAL EXPENSE, INCOME (EXPENSE) FROM INVESTMENTS AND REVALUATION (WRITE-DOWN) OF FINANCIAL ASSETS

For 2021, net financial expense of € 100.9m (€ 112.9m the previous year) includes € 42.7m (€ 60.5m in 2020) in net implicit interest on lease liabilities in accordance with IFRS 16.

In March 2021, given the ongoing Covid-19 pandemic, the Group arranged an additional series of "covenant holiday" agreements with its lender banks and bondholders for the temporary suspension of required parameters (leverage ratio and interest coverage ratio) following similar agreements reached in 2020. These contractual changes, in accordance with IFRS 9, had led to a revision of the 2020 calculation of the difference between the present value of the modified cash flows discounted using the original effective interest rate and the present value of the original cash flows, entailing the recognition of € 13.6m in financial expense (C 22.3m in 2020, for the first round of covenant holidays). During the year, prior to the refinancing described in greater detail below, the fair value adjustment recognized on application of IFRS 9 was released to the income statement in the amount of € 20.8m (€ 7.0m for all of 2020).

The debt refinancing concluded in December 2021 produced the following effects on the income statement (overall charge of € 17.7m):

- a contractual "make-whole" charge of \$ 23.9m (€ 20.2m) paid to the American bondholders, amounting to the present value of future coupons based on the difference between the contractually agreed interest rate and the applicable US Treasury yield for the same maturity;
- an income of \$ 3.2m (€ 2.7m) for the unwinding of interest rate derivatives hedging the change in fair value of the bonds issued by HMSHost Corporation (notional amount \$ 100m);
- a charge of € 7.9m for the release to the income statement of not-yet-amortized upfront fees on the loans repaid in advance;
- an income of € 7.7m for the release to the income statement of the not-yet-amortized portion of the fair value adjustment recognized on application of IFRS 9 on bank loans and US bonds, as described above.

It should also be noted that interest expense was higher in 2021 than in the previous year due to the increase in margins on bank loans and bond coupons during the covenant holiday that began in June 2020 and ended in December 2021 with full repayment and cancelation of the loan agreements. This was mitigated by lower net finance expense on lease liabilities, due to the general decrease in the incremental borrowing rate used for new contracts and for remeasurements not related to indexing.

The average cost of debt was 6.0% (4.1% in 2020).

"Income (expense) from investments and revaluation (write-down) of financial assets" came to € i.8m and consist mainly of the writeback of loans granted to the non-controlling shareholders of some North American subsidiaries, as the reasons for writedowns charged in previous years (€ 13.2m in 2020, due to the collection problems caused by the pandemic) no longer applied.

INCOME TAX

Income tax in 2021 amounted to a negative € 40.0m, compared to a positive € 134.1m the previous year.

This item was affected by the tax due by HMSHost Corporation on the capital gain from the disposal of the US motorway business, amounting to \$52.8m (€ 44.7m).

In 2020, the main component was a tax refund of \$ 119m (€ 104.2m) to which the subsidiary HMSHost Corporation was entitled, by offsetting the federal tax loss incurred in 2020 as a result of the Covid-19 pandemic against the taxable income of prior years since 2015, according to the carry-back mechanism introduced in 2020 by US tax law. It was also possible to carry forward net operating losses for state tax purposes, for an additional deferred tax benefit of \$ 17m (€ 14.9m) that was likewise recognized in the 2020 income statement.

PROFIT (LOSS) FOR THE YEAR

The net loss attributable to shareholders of the parent company in 2021 was € 37.8m, compared with € 479.9m

the previous year. The profit attributable to non-controlling interests was € 17.3m (loss of € 24.0m in 2020).

The underlying net loss for 2021 attributable to shareholders of the parent company came to € 105.8m, compared with € 485.7m the previous year.

(*) According to prevailing industry practice, it includes "Principal payment of lease liabilities" and "Renegotiations For Covid-19 on lease liabilities", shown under "Net cash flow From (used in) financing activities" in the consolidated statement of cash Flows

The following table summarizes "Net cash flow after operating investments" (free cash flow), excluding the impact of the non-recurring transactions in the United States.

(€m)	Full Year 2021	Full Year 2020
Net cash flow after operating investment (free cash flow)	15.6	(520.7)

Net cash flow after the investments in non-recurring transactions in the United States (see the detail in the following page)

Net cash flow after operating investment excluding the effect relating to non-recurring transactions carried out in the United States	1170	(5009)
--	-------------	---------------

"Net cash flow (absorbed by) from operating activities, managerial" improved by € 496.4m since the previous year, due mainly to the increase in revenues, a more flexible cost structure thanks to action taken by management since the start of the pandemic, and the positive change in net working capital, partially offset by the rise in lease payments (principal and implicit interest on lease installments), taxes paid, and net financial expense.

25 "Gain on operating activity disposal net of transaction costs" is net of £ 4 lm in ancillary expenses (€ 0 4m in 2020)

26 Including the distribution of interest to the non-controlling shareholders of the consolidated companies, net of capital increase.

1. DIRECTORS' REPORT

"Net cash flow after operating investments (free cash flow)" also improved by € 536.3m, with an increase compared with "Net cash flow from (absorbed by) operating activities, managerial" because of a reduction in net capex payments.

"Net cash flow after operating investments (free cash flow)" stemming from the nonrecurring transactions in the United States is detailed below:

(€m)	Full Year 2021	Full Year 2020

Impact of the exit from the motorway business in the United States on net operating investment paid	(173)
Net cash flow after operating investment relating to non-recurring transactions carried out in the United States

The balance between the proceeds of disposals and outlays for acquisitions in 2021 was strongly positive due to the disposal of the US motorway business (€ +322.7111), while it was immaterial (€ -3.3m) in 2020.

The combined effect of the above components means that in 2021 the Group generated net cash of € 338.3m before relationship with minority partners, capital increases, and share buy-back, while in 2020 it absorbed net cash of € 523.9m.

As a reminder, due to the uncertainty caused by the Covid-19 pandemic, the Annual General Meeting of 21 May 2020 voted not to distribute a dividend and to carry forward the 2019 net profit. Also, on the basis of the shareholders' resolution of 23 April 2021, the loss for the year 2020 has been carried forward.

The balance between the distribution of interest to the non-controlling shareholders of consolidated companies and the capital increase absorbed cash of € 22.7m in 2021 (and generated € 1.4m the previous year).

In 2021, after the Extraordinary Shareholders' Meeting of 25 February 2021 approved the mandate to increase the share capital, the option period ran from 14 June to 29 June inclusive. During the option period, 249,110,975 options were exercised for the purchase of 129,537,707 new shares (99.16% of the total), amounting to € 594.6m. At the end of the option period, 2,107,375 options were unexercised for the purchase of 1,095,835 new shares, or 0.84% of the total. Those options were placed on the Milan Stock Exchange and sold in their entirety on 1 July 2021. They have since been exercised in full, in the amount of € 5.0m plus € 1.5m for the sale of unexercised rights. The total amount is included in the cash flow statement net of transaction costs (€ 21.8m).

As part of a buy-back program that ran from 12 March 2020 to 8 April 2020, the Group had completed the purchase of 3,000,000 treasury shares at a weighted average price of € 4.10 per share, for a total of € 12.3m.

73

ANNUAL REPORT 2021

NET FINANCIAL INDEBTEDNESS

Net financial indebtedness at 31 December 2021 amounted to € 1,813.8m (€ 2,973.6m the previous year), including € 1,616.4m in net lease liabilities (€ 1,890.9m at the end of 2020).

As of the same date, Group net debt excluding lease receivables and liabilities stood at € 197.4m, compared with € 1,082.7m at 31 December 2020. The decrease is explained primarily by the net generation of cash for the year, as detailed above.

The following table presents net financial indebtedness excluding lease receivables and liabilities deriving from the application of IFRS 16:

Notes (€m)		31.12.2021	31.12.2020	Change	
	Net financial indebtedness (A)		j	1,813.8	2,973.6 (1,159.8)
XII	Lease receivables - current	i	16.0	15.0	1.0
XII	Lease receivables - non current	i	59.9	61.8	(19)

		75.9;	76.8 (0.9)	
XXII	Lease receivables (B)			
XXII	Lease liabilities - current	j	■ (309.1)]	(377.3) 68 2
XXII	Lease liabilities - non current	j	(1,383.2):	(1,590.4) 207.2
	lease liabilities (C)		(1,692.31	(1,967.7) 275.4
	Net financial indebtedness excluding lease receivables and lease liabilities (A) + (B) + (C)		1974^	1082 7 (885 3)

At the close of 2021, nearly all net financial indebtedness excluding lease receivables and liabilities was denominated in US dollars (51% a year earlier). At the same date, all net financial indebtedness excluding lease receivables and liabilities consisted of fixed-rate debt, while at 31 December 2020 the share of fixed-rate debt, including debt converted to fixed-rate by means of interest rate swaps, was 17% of the total.

On 1 December 2021 the interest rate derivatives hedging the change in fair value of the bonds issued by HMSHost Corporation (notional amount \$ 100m) were fully unwound, generating a gain of \$ 3.2m (€ 2.7m) included under "Financial income (expense)" in the 2021 income statement. At 31 December 2020 these derivatives had a fair value of € 6.4m.

Debt to banks consists primarily of committed non-current credit lines. Loans have an average remaining life of about 4 years and 3 months, compared with 2 years and 11 months at 31 December 2020.

On 10 March 2021, given the persistence of the Covid-19 pandemic, the Group negotiated a new round of covenant holidays with its lender banks and bondholders for the temporary suspension of required parameters (leverage ratio and interest coverage ratio). For HMSHost Corporation and Autogrill S.p.A. the covenant holiday was therefore extended for another 12 months with respect to the period agreed in 2020.

On 1 April 2021, Autogrill S.p.A. contracted a term loan of € 100.0m, used in full on 9 April and fully repaid on 2 July 2021.

During the first six months of the year, the following were obtained: (i) government-guaranteed bank loans to meet liquidity needs for local operations, by the indirect subsidiaries based in France (€ 8.4m) and Germany (€ 4.0m); (ii) a credit line of € 2.5m to fund capital expenditure by the indirect subsidiary based in Belgium, used in the amount of € 1.7m at the end of December.

Starting in the second quarter of 2021 and throughout the summer, drawdowns on the committed revolving and uncommitted credit facilities held by Autogrill S.p.A. and HMSHost Corporation were repaid using available liquidity.

1. DIRECTORS' REPORT

At the end of June, HMSHost Corporation made a \$ 50m payment against the amortizing term loan contracted in 2018 for an original amount of \$ 200m, and in July Autogrill S.p.A. paid the first € 12.5m installment against the amortizing term loan contracted in 2019 for an original amount of € 50m.

On 1 September 2021, HMSHost Corporation reimbursed at maturity \$ 40m of the private placement issued in March 2013 with a coupon of 5.97%.

In the fourth quarter the Group revised its debt mix in order to reduce the overall cost of borrowing, improve financial flexibility, and extend average residual life in continuity with the corporate finance transactions completed in the first nine months of the year.

In that context, on 28 October 2021 Autogrill S.p.A. and a pool of leading banks signed a loan contract for maximum total principal of one billion euros, which was also entered into by the US subsidiary HMSHost Corporation on 22 November 2021.

On 3 December 2021 the Group completed its refinancing through the use of the amortizing term loan in the amount of € 200m by Autogrill S.p.A. and \$ 347.8m by HMSHost Corporation.

The liquidity deriving from the use of these credit lines and - where necessary - the Group's own liquidity were used immediately for the full prepayment of the two companies' loans and the early redemption of the US bonds.

At 31 December 2021, the Group had cash and unused credit lines of approximately €1,060m, no significant debts maturing before October 2024, and the first covenant tests with reference to consolidated figures at 31 December 2022.

77

NORTH AMERICA ²⁷ REVENUE

	597 +66.9%
(81)	

S
°
SL

In 2021 North America generated revenue of \$ 1,540.6m, an increase of 57.1% at constant exchange rates (+57.6% at current exchange rates of the Canadian vs. the US dollar¹⁸), compared with \$ 977.5m the previous year.

The like-for-like increase was 66.9%. At 31 December 2021, 71% of all points of sale were open (51% at 31 December 2020).

The decrease in revenue as a result of disposals came to S 80.8m, reflecting the disposal of the US motorway business in July 2021.

New stores in the airport channel, including in Salt Lake City and Las Vegas, more than offset the closures due to the normal dynamics of contract renewals.

 1. DIRECTORS' REPORT

EBITDA

(Sm)	Full Year 2021	Full Year 2020	exchange rates	Change	
				At current exchange rates	At constant exchange rates
EBITDA	560.6 j	92.5	n.s.	n.s.	
<i>% on revenue</i>		36.4% 9.5%			
EBITDA underlying	408.7 i	95.0	n.s.	n.s.	
<i>% on revenue</i>		26.5% 97%			

EBITDA in 2021 amounted to \$ 560.6m, up from \$ 92.5m the previous year, an increase of \$ 468.1m. As a percentage revenue EBITDA stood at 36.4%. This result was heavily influenced by the capital gain on the disposal of motorway operations in the United States, which came to \$ 153.1m net of transaction costs.

Underlying EBITDA for 2021 was \$ 408.7m, compared with \$ 95.0m in 2020, increasing by \$ 313.7m and amounting to 26.5% of revenue.

These results were achieved thanks to higher sales and the previously discussed focus on hourly productivity, improved product mix, and cost cutting. Local management extended the measures taken in 2020 to mitigate the effects of the Covid-19 crisis, namely:

- a decrease in personnel expense through the careful planning of schedules in line with the drop in traffic, and the use of the CARES Act in the United States and the Canadian Emergency Wage Subsidies in Canada, these latter with an estimated impact of US\$ 16.3m and US\$ 6.4m respectively (US\$ 22.7m and US\$ 3.7m in 2020), subject to possible positive adjustments that cannot be determined at this time;
- negotiations with various landlords in order to have the terms of local leases revised. As a result of these negotiations, lease and concession installments were cancelled for a net positive effect on the income statement of \$ 110.0m (\$ 115.4m in 2020).

EBIT

	Change	
	At current exchange rates	At constant exchange rates
EBIT	251.5 j	
<i>% on revenue</i>		
EBIT underlying		
<i>% on revenue</i>		

EBIT in 2021 came to \$ 251.5m (\$ -297.6m the previous year), an increase of \$ 549.1m; EBIT was influenced by the factors described above for EBITDA, by a decrease in impairment losses with respect to 2020 and by lower depreciation and amortization, due in part to the disposal of the US motorway business.

Underlying EBIT stood at \$ 99.6m, up from \$ -295.1m in 2020, an increase of \$ 394.7m.

CAPITAL EXPENDITURE

(\$m)	Full Year 2021	Full Year 2020	exchange rates	exchange rates	Change	
					At current	At constant

Capital expenditure in 2020 amounted to \$ 52.5m, mainly for the restyling/upgrading of points of sale at US airports (Salt Lake City, Memphis, Orlando, and Charlotte).

79

ANNUAL REPORT 2021

INTERNATIONAL ²⁹ REVENUE

(31)

8) (31) H -14%

Revenue in the International area in 2021 amounted to € 190.9m, compared with € 230.0m in 2020, for a decrease of 16.6% at constant exchange rates (-17.0% at current exchange rates). It should be reminded, in particular, that the Group doesn't have a meaningful direct exposure to Russia (€ 4.1m in 2021, 0.1% of the Group Revenues).

The like-for-like decrease was 14.0%, caused by the ongoing weakness of international traffic. At 31 December 2021, 57% of all points of sale were open (54% at 31 December 2020).

The balance between closures and new openings caused revenue to decrease by € 5.8m on the previous year, due mainly to closures in Ireland and Denmark.

There was a negative "calendar" effect of € 1.6m, due to the fact that 2020 was a leap year, and a net exchange loss of € 1.1m.

% on revenue	/	16.8%	4.6%				
EBITDA underlying	j	32.31	14.8				
% on revenue		16.9%	6.4%				

EBITDA in 2021 amounted to € 32.1m, up from € 10.6m the previous year, an increase of € 21.5m. As a percentage revenue EBITDA came to 16.8%.

Underlying EBITDA in 2021 stood at € 32.3m, compared with € 14.8m the previous year, rising by € 17.5m and amounting to 16.9% of sales.

These results were achieved thanks to a substantial increase in hourly productivity and to cost cutting, as discussed above. In this case as well, local management extended the measures taken in 2020 to mitigate the effects of the Covid-19 crisis, namely:

- a sharp reduction in personnel expense through the careful planning of schedules in line with the drop in traffic and the use of government relief measures, these latter with an estimated savings of € 6.4m (€ 40.3m in 2020), subject to possible positive adjustments that cannot be determined at this time;
- negotiations with various landlords in order to have the terms of local leases revised. As a result of these negotiations, lease and concession installments were cancelled for a net positive effect on the income statement of € 30.0m (€ 28.3m in 2020).

The Group also received various forms of government relief for a total of € 3.9m (not present in 2020), recognized in the income statement under other operating income.

EBIT

Change

(€m)	Full Year 2021	Full Year 2020	exchange rates	Change

ANNUAL REPORT 2021

EUROPE

REVENUE

	237	+27.8%
(25)		

°
S

Revenue in Europe in 2021 amounted to € 1,103.3m, compared with € 897.9m in 2020, for an increase of 23.0% at constant exchange rates (+22.9% at current exchange rates).

The like-for-like increase of 27.8% is due chiefly to the recovery of motorway traffic starting in the summer and the improvement of the traffic penetration rate in this channel in Italy. At 31 December 2021, 92% of all points of sale were open (96% in Italy and 87% in Other European countries), compared with 75% at 31 December 2020 (79% in Italy and 64% in Other European countries).

Closures and new openings produced a net revenue decrease of € 1.8m compared with 2020, due to selective renewals in the motorway channel and the decision to exit from non-strategic contracts.

The decrease in revenue as a result of disposals amounted to € 25.5m, reflecting the disposal of the Group's Spanish operations in late December 2020 (formally completed on 14 January 2021).

There was a negative "calendar" effect of € 3.4m, due to the fact that 2020 was a leap year, as well as a net exchange loss of € 0.8m in connection with operations in Switzerland.

1. DIRECTORS' REPORT**EBITDA**

			Change		At current	At constant
			Full Year 2021	Full Year 2020		

EBITDA in 2021 amounted to € 175.1m, up from € 87.9m the previous year, an increase of € 87.2m. As a percentage revenue EBITDA came to 15.9%. The previous year's figure was influenced by the capital gain on the disposal of operations in Spain, which came to € 19.2m net of transaction costs.

Underlying EBITDA in 2021 stood at € 176.1m, compared with € 76.0m the previous year, rising by € 100.1m and amounting to 16.0% of sales.

As for the other business units, local management continued with the measures taken in 2020 to mitigate the effects of the Covid-19 crisis with a view to increasing hourly productivity, improving the product mix, cutting costs, reducing personnel expense including through relief programs (these produced savings of an estimated € 54.2m, compared with € 94.9m in 2020, subject to possible positive adjustments that cannot be determined at this time), and continued to renegotiate the terms of its existing leases with the cancellation of lease and concession installments (for a net positive effect on the income statement of € 51.8m, versus € 53.2m in 2020). The Group also received various forms of government relief for a total of € 32.6m (not present in 2020), mostly in Germany, France and Switzerland, recognized in the income statement under other operating income.

% on revenue

Capital expenditure in 2021 came to € 82.1m, mostly for the restyling/upgrading of motorway locations in Italy, France, and Switzerland and of railway locations in Belgium.

ANNUAL REPORT 2021

CORPORATE COSTS

In 2021, centralized Corporate costs amounted to € 25.7m (€ 19.9m in 2020), an increase of 28.7%.

Underlying Corporate costs in 2021 came to € 24.1m, compared with € 18.8m in 2020, due to the same non-performance-related factors described in the comment on EBITDA.

OUTLOOK³⁰

85

This section includes forecasts and estimates that reflect management's current thinking (forward-looking statements), especially as regards future performance, capital expenditure, cash flow, and changes in the financial structure. By nature, forward-looking statements have an element of risk and uncertainty because they depend on the occurrence of future events. Actual results may differ, even significantly, as a result of various factors such as travel trends in the countries and channels served; the outcome of concession contract renewals and bids for new concessions, how the competition develops, the trend in exchange rates against the euro, especially of the US dollar and British pound, the trend in interest rates on those currencies, future demand, the price of oil and food raw materials, general macroeconomic conditions, geopolitical factors and regulatory changes in the countries served, and other changes in business conditions. The Group's business volumes correlate with travel trends.

ANNUAL REPORT 2021

On the basis of positive results during the year in terms of operating performance and free cash flow, the Group's 2021 guidance has been revised several times, as follows:

As for the year in course, Autogrill Group revenue from the beginning of 2022 through the end of February increased by about 100% compared with the first two months of 2021 (decreased by about 30% compared with the first two months of 2019). The improvement reflects performance in North America, where the Group's exposure to domestic air traffic has mitigated the impact of the Omicron variant, and in Europe thanks to the contribution of the motorway channel.

The Group's priorities for 2022, in continuity with the previous two years, are as follows:

- to ensure the health and safety of employees and customers;
- to strengthen the core business and Autogrill's leadership of the industry;
- to take advantage of the recovery;
- to continue focusing on cash conversion;
- to successfully implement the ESG strategy based on the three strategic pillars: 1) We nurture People; 2) We offer sustainable Food Experiences; 3) We care for the Planet.

Given the unfolding geopolitical events and related economic uncertainty, Autogrill temporarily refrains from providing guidance for 2022.

Targets for 2024 remain unchanged.

Despite the negligible exposure to Russia, Autogrill is monitoring the developments of the conflict in Ukraine and will promptly adapt its business strategies and risk assessment as the situation evolves.

1. DIRECTORS' REPORT

BSEQUENT EVENTS

Since 31 December 2021, no events have occurred that would have entailed an adjustment to the reported figures or required additional disclosures.

In particular, it should be noted that according to IAS 10, the impacts of the Russian-Ukrainian conflict do not affect the estimates related to the end of the financial year 2021 and will be considered, where necessary, in subsequent financial communications.

CONSOLIDATED NON-FINANCIAL STATEMENT

PURSUANT TO ARTS. 3 AND 4 OF LEGISLATIVE DECREE 254/2016

1. DIRECTORS' REPORT

ABOUT THE NON-FINANCIAL STATEMENT

The Consolidated Non-Financial Statement of the Autogrill Group, prepared in accordance with Arts. 3 and 4 of Legislative Decree 254/2016, as amended (the "Decree"), contains disclosures on environmental, social, personnel, human rights, and anti-corruption topics to the extent needed to ensure a full understanding of what the Group does, how it has performed, and the impact of its operations.

The statement also provides information on the topics required by the Decree by referring readers to other sections of the Directors' Report and to other corporate documents drawn up in accordance with the law, namely the Corporate Governance and Ownership Report, where the information is already contained therein. The following table reconciles the disclosures required by the Decree (where identified as material) with the corporate documents that provide those disclosures.

This statement, approved by the Board of Directors on 10 March 2022, is published annually and has been drawn up according to the GRI Sustainability Reporting Standards ("In accordance - Core" option) defined by the Global Reporting Initiative. The GRI Standards 2016 are the most widely followed in the world for non-financial reporting, and have been chosen by Autogrill as its reference standards for compliance with Decree 254/2016. To help readers locate information within the document, the GRI Content Index is provided below.

The non-financial disclosures in this statement reflect the principle of materiality (relevance), as provided for by law and featured in the GRI standards; the issues discussed are those which, following a materiality analysis, were found to be relevant as they reflect the Group's social and environmental impact or influence the decisions of its stakeholders. Given the Group's operations, the materiality analysis did not find water consumption to have a significant environmental impact, so it is not a topic addressed in this statement. The issue of human rights did not emerge as material, but is still highly important to the Group, especially in the selection and evaluation of suppliers and relations with employees and the community. These aspects are governed by policies and procedures such as the Group Sustainability Policy, the Code of Ethics, and the Supply Chain Sustainability Guidelines.

Materiality is reviewed with a frequency and according to a methodology defined on the basis of developments within and outside the Group. The document highlights the ways in which the Group's actions are connected with the United Nations Sustainable Development Goals (UN SDGs). In 2021 Autogrill began to comply with the requirements of the EU Taxonomy pursuant to Art. 8 of Regulation (EU) 2020/852, with the aim of providing investors and the market with a complete vision of the Group's economic activities in terms of the Taxonomy's first two objectives: climate change mitigation and climate change adaptation. See the section "Autogrill Group social and environmental data" for further information.

The quali- and quantitative disclosures in the Consolidated Non-Financial Statement refer to the Autogrill Group for the year ended 31 December 2021. As required by Art. 4 of Decree 254/2016, the Non-Financial Statement includes data for the Parent company (Autogrill S.p.A.) and its wholly-owned subsidiaries, unless otherwise specified, and breaks down results for the Group's three business units (North America, International, and Europe, including Italy).

The boundary for income statement figures is the same as that for the Group's 2021 Annual Report. The boundary for non-financial disclosures consists of the companies fully consolidated in the Autogrill Group's consolidated financial statements for the year ended 31 December 2021, except for dormant companies, those in liquidation, and companies acquired during the year. The US motorway business, which was definitively sold on 23 July 2021, is excluded from the reporting of social and environmental data. The Spanish operations are likewise not included as they were sold at the end of 2020.

Note that headquarters and stores where the Group does not contract utilities directly and therefore has no precise consumption data - mostly at airports, railway stations and malls - are not always included in the reporting on environmental figures. This limitation mostly concerns North America and the International business unit. Any other boundary limitations are stated within the document. Data for Stellar Partners Inc. refers solely to its workforce, with all other performance indicators excluded.

Such exclusions are not significant for understanding the Company's activities, performance, and results or its environmental and social impact.

Key

APPROACH TO SUSTAINABILITY

The Autogrill Group has always promoted an operational and business model that blends economic growth, social development, and protection of the environment.

This journey began with the publication of the first Sustainability Report in 2005 and continued with the development in 2011 of the first sustainability framework, Afuture, which was built on the three strategic areas of "People", "Product", and "Planet". The framework was reinforced in 2014 thanks to the first materiality analysis and the consequent definition of the Group's 2015 "Afuture Roadmap: Shape our tomorrow", containing specific improvement targets and initiatives spread in several countries.

In the following years Autogrill gradually formalized the management and integration of sustainability in its everyday business, through a system of policies and guidelines.

The formation of a Strategy and Sustainability Committee within the Board of Directors in 2020, and the appointment of a Chief Sustainability Officer in 2021 who reports directly to the CEO, are two milestones in the Group's redefinition of its sustainability governance structure.

The year 2021 was particularly important for Autogrill, which adopted a fresh strategic approach to sustainability topics, including with the definition of a new materiality matrix. The matrix reflects priorities in the sustainability areas relevant to the Group, in which Autogrill will continue to invest with the aim of integrating sustainability not only within its strategic guidelines but also within its day-to-day operations and company culture. The topics making up the new matrix have been grouped into three strategic pillars - We nurture People, We offer sustainable Food Experiences, and We care for the Planet - which contribute to the Group's sustainability framework Make it happen - Shaping a better future.

GROUP POLICIES AND GUIDELINES

Autogrill's policies and guidelines originate in the Code of Ethics and Sustainability Guidelines and aim to codify Group-wide social and environmental principles and to provide the business units with guidance for the sustainable management of everyday operations. Alongside these instruments are some specific policies such as the Anti-corruption Policy, the Supply Chain Sustainability Guidelines, and the Diversity & Inclusion Policy.

The Group's socio-environmental policies and guidelines

Code of Ethics: contains the ethical principles and values that guide Autogrill in doing business and sets guidelines for interacting with stakeholders, establishing priorities, principles, and behavioral norms for all

Sustainability Guidelines: specify key social and environmental principles for the sustainable management of business activities; currently being revised consistently with the Group's new ESG approach
Supply Chain Sustainability Guidelines: set the standards for sustainable supply chain management; in North America and International this document is called the HMShost Supplier Code of Conduct, which spells out the ethical standards that HMShost (a wholly-owned subsidiary of Autogrill) requires of its suppliers in order to make sure commercial transactions occur in accordance with its social and environmental sustainability principles

Anti-corruption Policy: ensures transparency, clarity as to allowable conduct, and compliance with national and international anti-corruption standards in all channels and countries served
Environmental Management Protocol: specifies behavioral principles with respect to environmental

standards in all business and countries under Environmental Management Protocol specifies general principles with respect to environmental and natural resource protections (part of the Organizational Model pursuant to Legislative Decree 231/2001)

Diversity, Equity & Inclusion Policy: promotes the acceptance and celebration of diversity throughout the organization

Whistleblowing Policy: governs the use and management of the whistleblowing system and defines how the Group protects whistleblowers, by keeping their identity and their complaints confidential during the handling process and prohibiting all forms of retaliation

SUSTAINABILITY GOVERNANCE

Autogrill has implemented a governance system for the Group-wide management and control of sustainability issues, to all intents and purposes integrating sustainability within its business.

To ensure the effective handling of ESG issues, in 2020 the Strategies and Sustainability Committee was set up within the Board of Directors, made up of three non-executive Directors, most of whom are independent (see the "Governance" section for further details). The committee has due diligence and advisory functions with respect to the Board on matters concerning the sustainable success of the business; such functions include promoting the integration of sustainability within the Group's strategies and culture and fostering these concepts among all stakeholders, reviewing stakeholder engagement, and periodically assessing the Group's position on sustainability themes (including financial market, ratings, and sustainability index analyses). It is also responsible for evaluating the sustainability guideline proposals developed by the Board of Directors.

To keep senior management on top of sustainability issues, in 2021 Autogrill established the position of Chief Sustainability Officer (CSO), reporting directly to the Group CEO. The position is currently filled by Autogrill's Group Chief Financial Officer. The Chief Sustainability Officer is assisted by the newly formed Group Sustainability Committee, made up of business unit and Corporate managers, whose duties include

1. DIRECTORS' REPORT

defining priorities, tracking progress, and coordinating the initiatives and projects envisaged by the sustainability strategy.

Projects are implemented by cross-functional working groups with members from all business units, coordinated by a Group Sustainability Manager, who are tasked with promoting a culture of sustainability at all levels of the Group (for further information, see "ESG risks" in the "Risk management and control system" section).

MAKE IT HAPPEN - SHAPING A BETTER FUTURE

Why change our approach to ESG?

- 1 It's the right thing to do: environmental issues and social challenges require everyone to take a step forward and embrace immediate, concrete actions, and corporations must play a pivotal role.
- 2 It's already permeating our organization: for many years, we have been promoting initiatives for our people, our customers, and the environment; now we need to elevate them as a consistent framework.
- 3 It's our responsibility as market leader: our stakeholders increasingly expect us to take concrete action in all dimensions of ESG, given our scale and our market position.
- 4 It's an opportunity to do bigger and better: the depth and breadth of ESG issues offer a unique opportunity to look at our business differently and take transformative action.

Sustainability and ESG issues have become one of the key factors influencing the market and business development models. In 2021 Autogrill decided to renew its ESG strategy and taking it to the next level. To do so, Autogrill's refreshed its approach compared to the past to define its strategic pillars and its plans in order to implement a solid path forward and set targets for future improvement.

This year-long process involved the creation of three interfunctional working groups with members from all business units and Corporate, tasked with producing a strategic sustainability plan that will guide the Group toward significant new sustainability objectives.

Make It Happen - Shaping a better future is Autogrill's strategic framework built on three pillars: We nurture People, We offer sustainable Food Experiences, and We care for the Planet. It spells out nine priority sustainability issues the Group has decided to pursue through specific initiatives, KPIs, and targets sets by dedicated working groups with a view to creating shared value for the short, medium and long term. Through Make It Happen, Autogrill shares strategic orientations with its stakeholders and defines the goals it promises to monitor and update every year, in the conviction that sustainability is not an arrival point but a constant process of evolution and improvement.

OUR CONTRIBUTION TO REACHING THE SUSTAINABLE DEVELOPMENT GOALS

In September 2015 the United Nations General Assembly adopted the 2030 Agenda for Sustainable Development, signed by 193 member states, which presents 17 Sustainable Development Goals or SDGs. Split into 169 targets to be achieved by 2030, the goals of the UN Agenda address a wide array of issues relating to socioeconomic development and environmental protection of the planet.

Through dialogue with stakeholders and a fresh materiality analysis, Autogrill has identified nine priority SDGs within the Make It Happen framework and associated them with each of the three strategic pillars: We nurture People, We offer sustainable Food Experiences, We care for the Planet.

DIALOGUE WITH STAKEHOLDERS

Autogrill understands the importance of engaging stakeholders and develops active dialogue based on transparency, trust, and shared ideas as called for by the Code of Ethics, which sets the priorities, principles, and conduct to be followed in every interaction.

By listening to stakeholders, Autogrill gained vital information on their needs and, more generally, on the context in which the Group operates, and can trace out a path of constant improvement for the impact on society and the environment.

Through this sort of feedback Autogrill can follow up on its commitment to stakeholders, by judging how well it is understanding and meeting their expectations and intercepting any problems before they arise.

1. DIRECTORS' REPORT

A real understanding of the interests and expectations of every stakeholder can only begin by identifying the key stakeholder categories with which to engage in regular feedback, and by defining the most appropriate channels of engagement.

In February 2022, the Board of Directors adopted a policy for handling dialogue with all shareholders and other stakeholders, modeled partly on the engagement policies followed by the Company's institutional investors. The policy specifies the Company's ordinary communication channels (the General Meeting of shareholders, Autogrill's website, institutional meetings with the financial community) and the other forms of dialogue that do not involve it directly, and establishes a procedure for direct dialogue between the shareholders and the Board of Directors. It was adopted at the recommendation of the Chair of the Board of Directors and drawn up with the Group CEO, with approval from the Control, Risks and Corporate Governance Committee.

In 2021 there was a strong focus on internal dialogue through the attentive, transparent sharing of information at every level, and on listening to the needs of customers through surveys and market research designed to grasp how travelers¹ expectations are evolving.

ANNUAL REPORT 2021

Engagement con i consumatori

Through its engagement activities Autogrill monitors the changing needs of consumers and their new purchasing habits. In 2021 Autogrill launched a new survey called Next Normal in Travel, designed to explore changes in travelers' attitudes, behaviors, and expectations in the context of today's "new normal".

The survey revealed a significant increase in behaviors aimed at responsible, sustainable consumption and a growing expectation of more varied product assortments, especially healthy, vegetarian, and plant-based options.

Especially among younger generations, the popularity of healthy, balanced diets is leading to a growing interest in the raw materials used and in foods' origin, quality, and safety.

Travelers are also increasingly attentive to how committed firms are to environmental sustainability and the steps they have taken at stores to reduce adverse impacts. Minimizing food waste, recycling, and reducing the use of plastic are the sustainability practices on which consumers place the greatest premium in the context of eating on the go.

MATERIALITY ANALYSIS

In sustainability reporting, the topics deemed as material (or relevant) are those that have a significant impact on the Company's economic, social, and environmental performance or that may substantially influence stakeholders' perceptions and decisions. The materiality analysis is therefore a key instrument for understanding the Company's standpoint but also that of its stakeholders.

Since 2014 Autogrill has conducted regular materiality analyses, following a structured process involving the analysis of best performers, industry peers, and the external context as well as dialogue with central and local management teams.

Considering how quickly the context is changing and consistently with its ever-greater commitment to ESG issues, in 2021 the Group decided to fortify its process of materiality analysis, carried out in accordance with the GRI reporting standards. The potential material aspects were identified on the basis of a preliminary analysis of the topics identified by the main reporting standards, such as those of the Global Reporting Initiative (GRI), the Sustainability Accounting Standards Board (SASB), and Italian Legislative Decree 254/2016, which were analyzed by observing key industry players, documents on the external scenario, and ESG ratings and through 20 one-on-one interviews with senior managers and Board members as well as the active involvement of more than 100 people within the organization. This approach led to the identification of a series of material aspects for the industry and for its stakeholders without losing sight of the specificities of a complex, multi-faceted company like Autogrill.

Each topic identified was assessed to understand the effective level of control in terms of initiatives the Group has taken and its capacity to monitor performance. Through the involvement of various functions for each business unit, the topic was analyzed in terms of the actual or potential impact the business generates in consideration of the different operating models specific to each channel, geographical area, and brand or concept used.

The analysis confirmed that the promotion of responsible behaviors within the Group is the basic prerequisite for growing the business by offering safe, high-quality products and services, making processes more innovative, and valuing employees and customers.

More specifically, of the nine most relevant topics: Food quality & safety, Waste management & packaging, and Employee engagement, talent

more specifically, of the nine most relevant topics, Food quality & safety, Waste management & packaging, and Employee engagement, talent development & retention were found to be most significant for both the business and the stakeholders.

1. DIRECTORS' REPORT

Through the analysis it was possible to assess existing initiatives and KPIs in place for the most relevant topics, defining the foundations for the sustainability framework Make It Happen - Shaping a Better Future.

1. DIRECTORS' REPORT

EMPLOYEE ENGAGEMENT, TALENT DEVELOPMENT & RETENTION

"We promote people engagement throughout the organization and listen to their needs. Our goal is to attract, develop, and retain talent within the Group in order to nurture the leaders of tomorrow"

Autogrill is a people company that provides services to people. Taking care of our employees so we can offer services of value is therefore a fundamental element of our strategies.

The way employees are cared for is a distinctive feature of Autogrill, which from recruitment throughout a person's career values the dignity, protection, and rights of every individual.

We also promote the constant development of our employees' technical and soft skills by favoring a management style centered on leveraging talent and on personal and professional growth.

The Group understands the importance of reinforcing team spirit and motivation while also polishing its own reputation, in order to attract skilled personnel who can build their professional success in harmony with the Autogrill's values and goals.

Autogrill's business policies, starting with its Code of Ethics and Sustainability Policy, are based on respect for work and the people who perform it and on eliminating all forms of irregular/forced labor and discrimination. They aim to ensure safe workplaces by monitoring the potential vulnerabilities of workers and other stakeholders and finding the best means of preventing and mitigating risks.

An eye to the future-Leading in a Diverse World is a new project starting in 2022 in which senior managers will act as mentors in order to develop tomorrow's leaders.

At 31 December 2021 the Autogrill Group employed 34,639 people (an increase of 11% over 2020), 61% of them women. Of the total 96% worked at stores. The increase in the workforce reflects the upturn in business with the

women. Of the total, 50% worked at stores. The increase in the workforce reflects the uptick in business with the easing of the Covid-19 pandemic. The most significant change was recorded in North America (+42% with respect to 2020), where the Group operates mainly in the airport channel, the greatest beneficiary of the recovery in traffic during the course of 2021.

At the Group level, 91% of employees were hired on permanent (open-ended) contracts. Temporary employees are managed differently from country to country, depending on local legislation and business needs. In general, because the Group mainly hires temporary workers to cover the busy summer and Christmas seasons, in 2021 there was a slight increase in this type of contract due to the lesser impact of the Covid-19 pandemic.

TRAINING AND DEVELOPMENT

Training and professional development is a fundamental tool for strengthening individual skills while also disseminating the Company's values through a process nourished by cultural and organizational progress.

through a process nourished by cultural and organizational progress.

Autogrill believes in the direct, pro-active involvement of employees that puts the person at the center, as the active protagonist of his or her professional growth. Over the years, the Group has put together transversal training programs to support the professional and personal development of its employees. The broad range of learning modules (coaching, onboarding, behavioral, technical, and managerial) can take place in the classroom, on the job, or online.

12 The "temporary" category does not apply to employees in North America, who are classified according to current legislation by which both parties can terminate employment at any time ("at-will employment").
13 Responsible for preparing, cooking, and serving food and beverages and cleaning the equipment, food preparation zones, and dining areas.

1. DIRECTORS' REPORT

Store personnel receive on-the-job training, to help them do their jobs and improve their service and food preparation skills, and as a way to attract the best talent.

School of excellence

In Italy Autogrill has developed a special training program for store managers. Called "Scuola di Eccellenza", it lasts for 25 weeks, 10 of them in the classroom and the rest on the job.

Topics range from hands-on store concept training to customer-centric managerial and administrative skills. The managerial courses address people management, leadership, and team working, and are taught internally

via coaching or in partnership with outside trainers. There are also team building activities to strengthen the soft skills of store managers in training. At the end of the program, trainees are challenged to develop a commercial project for their store.

In 2021 this program was held online to ensure uninterrupted learning in total safety.

Training this year was focused on customer and employee care, soft skills, and the development of leadership skills.

In light of the growing use of digital technologies and remote working, the Group continued to hold webinars and online training in computer skills, remote work management, proper conduct in common spaces, and the handling of customer interactions. The Group also took cybersecurity measures to protect its IT infrastructure, including instructing employees on these issues and on its video collaboration policies.

At the same time, in response to lasting uncertainty as to how the scenario would evolve, the Group promoted and encouraged several online get-togethers for its employees to keep interpersonal relationships alive and provide moments of contact and interaction. In North America, for example, managers followed a live webinar series on the handling of the Covid-19 pandemic.

In 2021 the Group provided more than 1.3 million man-hours of training¹⁴, a substantial increase with respect to 2020. The increased number of hours reflects the resumption of training activities in all countries served and for all professional categories. Group-wide, this translates to an average of 39.7 hours per head in 2021, up from 6.9 per head in 2020. The boost in training hours for office workers was sustained by the grant from the Fondo Nuove Competenze, a training fund for workers in Italy created by the Ministry of Labor and Social Policies. The program allowed the

a training fund for workers in Italy created by the Ministry of Labor and Social Policies. The program allowed the temporary remodulation of schedules in order to meet changed organizational and production needs, allocating part of the workweek to special training in order to update office workers' skills. From January to May 2021, 49,410 hours of training were provided over the MyAcademy platform, in addition to more than 1,200 webinar hours; these courses addressed a variety of topics including soft and managerial skills (emotions management, delegating tasks, innovation) as well as operational matters such as data privacy, foreign languages, and writing.

¹⁴ The Figures available as of this writing are partially estimated on the basis of the individual training plan for new hires. They do not include the recently acquired company Le CroBag GmbH, or figures for Autogrill Austria which are temporarily unavailable. Also, much in-store training is ongoing and is not always recorded systematically.

employees including emotions and stress management and foreign languages, focusing on all aspects of personal development.

Leaders on the Move - Executive program in collaboration with Coca-Cola

In September 2021 Autogrill launched the "Leaders on the Move" project in Italy in collaboration with Coca-Cola HBC Italia, a development program for 18 of the two companies' top talents, in the conviction that learning takes place through the intermingling of ideas and people.

Developed in cooperation with Challenge Network, the one-year intercompany program takes place in various stages and will guide the selected participants through the two companies in order to deepen their knowledge and boost innovation and experimentation.

By sharing experience, people, and company values, Leaders on the Move aims to develop new skills and to enrich the participants' professional qualifications through two business cases, one commercial and the other sustainability-related.

The program is a concrete demonstration of how different companies can join forces for the sake of growth, learning, and the cross-pollination of different experiences.

1. DIRECTORS' REPORT

HUMAN RESOURCE DEVELOPMENT AND APPRAISAL

With a view to fostering professional growth, Autogrill has defined a performance review system that measures specific technical capacities as well as managerial skills.

The review system aims to improve long-term value creation and is therefore one of the key processes for ensuring constant professional development, talent retention, and ultimately achieving the Group's objectives.

The measurement of performance is constantly evolving, including a new assessment paradigm in North America known by the slogan "Helping Others Succeed Throughout the Year", which places a premium on boosting other people's' chance at success.

In the International area, the "Be Competent" system has been joined by the new skills measurement program called "First Class", through which future managers can follow a plan for the effective development of their skills in line with the expectations of the market.

Since 2019 the Group has been engaged in a talent mapping process in Italy involving the area managers and outstanding store managers. Starting from the outcome of the performance review, the project aims to thoroughly assess training needs and potential in order to define tailor-made career plans for the Group's best performers.

In 2020, formal performance evaluation systems were temporarily suspended in favor of feedback sessions between employees and their managers.

In 2021 many countries reinstated their standard procedures, involving 8,814 people in performance reviews, mostly at office locations.

103

ANNUAL REPORT 2021

Most of the change in the percentage of non-HQ.employees who received performance reviews reflects turnover trends, especially in countries that only give reviews once an employee has been working for six months.

Data for top managers is not included because it refers to a management by objectives approach that differs from the performance review programs in place for other employees.

EmpoWer: two are better than one - Autogrill Italia's mentorship program

The EmpoWer program is one of the ways Autogrill can help its employees reach increasingly ambitious goals. This mentorship program pairs participants with more senior colleagues so they can learn the business and organizational skills crucial to the business.

The ultimate goal of the program is to facilitate professional growth. This takes place through the sharing of experience with the senior manager, the transmission of key organizational competencies, reinforcement of the company culture, and strong motivation to strive for one's best.

Lead, Inspire, Transform. At the 2021 FAB Awards, 10 honors for the Autogrill Group

The 2021 FAB (Food & Beverage) Awards honored people and teams who brought innovations in 2020 to food and beverage services for travelers.

For the first time in the event's history, the emphasis was not on food & beverage concepts, but on people and working groups: a welcome acknowledgment of everyone who helped the industry give concrete answers to the questions raised by the pandemic.

Excellence, dedication, and teamwork were the values recognized by the FAB Superstars Awards in five categories. Ten of these awards went to the Autogrill Group in the categories "Star Team", "Star Individual", "Star Story", and "Humanity, Leadership & Inspiration", honoring the teams and the people who, despite the pandemic, continued to work with professionalism and care for the customer and to face the future with optimism.

EMPLOYEE ENGAGEMENT AND TALENT ATTRACTION

Autogrill strives to build a professional environment that attracts and develops talent, through engagement projects and employer branding activities at the global and local level.

Over the last few years the Group has gradually developed talent attraction strategies to bring it closer to people and engage them in a process of professional and personal growth, thanks to effective online communication and a number of employer branding campaigns on job boards, social networks, and the major job search websites. In the Netherlands, for example, it has appointed "HMSHost ambassadors" who celebrate the brand on

networks, and the major job search websites. In the Netherlands, for example, it has appointed "Ambassadors" who celebrate the brand on social media, aiming to attract an ever broader audience.

Autogrill has been leaning towards talent attraction solutions using structured, online recruitment systems designed to make employment offers more visible and accessible and to create a direct line of communication with the younger generations. This has simplified the online application process, with an option to add video interviews in addition to the standard resume.

1. DIRECTORS' REPORT

Generation: a training program for young recruits

Through Generation, a project developed with Fondazione Generation Italy, we have provided 18- to 29-year-olds with a free 4-week course preparatory to becoming an Autogrill service manager trainee.

Talent Boost

Talent Boost is a program to help store employees rise to managerial positions. It combines mentoring, webinars on the specific skills needed for the job, leadership coaching,

and observation by product & service specialists. The program was run twice in 2021.

Assapora il futuro

Assapora il futuro ("Taste the future") is another talent attraction initiative: a career orientation day in which Autogrill jobs are presented by our employees and "tasted" at vocational schools, to help young people grow

familiar with our careers and understand what it's like to work and grow with Autogrill. This program also serves as a bridge between school and work, opening the Autogrill world to students.

In 2021, including the number of temporary contracts that by nature fluctuates more widely, the incoming turnover rate was 66%, up from 36% the previous year. Recruiting resumed in 2021 with 22,938 new hires, 67% of them in North America. Of total hires during the year, 78% were for permanent jobs; consistent with that trend is the steep decline in outgoing turnover to 49%, down from 133% in 2020 due largely to the impact of Covid-19.

At a delicate time when the Covid-19 pandemic is still in course, the Group has focused even more sharply on employee feedback, setting up two-way communication channels to keep dialogue strong, understand people's needs

employee feedback, setting up two-way communication channels to keep dialogue strong, understand people's needs, and discover any vulnerabilities in a timely manner.

105

ANNUAL REPORT 2021

Some of the most widespread initiatives include webinars, newsletters, internal online platforms where employees can post thoughts and questions, and specific courses where managers learn to be more sensitive to employee feedback and to keep their teams highly engaged.

In North America in 2021, management took the e-learning course "HMSHost Coaching and Engagement Philosophy" and completed the training program "Selecting a Winning Team", designed to help managers make unbiased, better-informed recruiting decisions.

StarWork

In late 2020 Autogrill sent out a survey to collect feedback on remote working and handling of the emergency in terms of perceived level of trust, flexibility, importance of saving time and fuel, etc. This analysis led to a new working arrangement called StarWork. StarWork is based on five principles: flexibility, phygital, new spaces, trust, and caring. The project was supported by regular meetings, newsletters, and an online space for feedback. A partnership was also set up with the University of Bologna to track the positive impacts of this new arrangement.

Autogrill's remuneration policies are based on principles of fairness, equal opportunities, and meritocracy, and are designed to maintain competitiveness in the labor market and to differentiate pay according to skills and qualifications (job description, role and level). To do so, Autogrill constantly observes market data and external benchmarks, ensuring compliance with local collective employment agreements and applicable laws. The remuneration system includes salary adjustments that are tied to performance, talent, and growth targets, through a fixed and a variable component, which reinforce the equal opportunity principle and avoid the risk of discriminatory pay.

In all countries with a minimum wage, Autogrill studies economic conditions and employment levels in addition to complying with the law. Entry-level wages are established in accordance with the local laws and collective employment contracts in place in the various countries.

Autogrill has a Compensation & Benefits systems based on competencies and merit, which aims to create a level playing field while fostering diversity in every form. Regarding benefits, too, the Group insists on treating employees with clarity and transparency, through a welfare unit that promotes education, wellbeing, and healthcare.

Benefits are roughly the same for temporary and permanent contracts and for full- and part-time workers, but vary by geographical region, depending on laws that include or exclude certain benefits and/or social security and insurance coverage (health insurance, accident insurance, maternity and paternity leave, disability payments, etc.).

They may include healthcare, life insurance, accident and disability insurance, parental leave, vouchers for cultural events or sports, and discounts on public transportation. In some countries, there are retirement benefits such as the 401K plan in the United States.

Because of the pandemic, some benefits such as healthcare, sick leave, and insurance for employees and their families have taken on greater importance. Employee benefits were also expanded, for instance, to include courses on mental health, exercise, mindfulness, and stress management, in recognition of how difficult it is to work under the present conditions.

HEALTH AND SAFETY

In all of the main countries served, health and safety commissions have been set up and include various positions (depending on local policies), from executives to workers' representatives, who monitor compliance with applicable laws and find the best solutions to reduce the risk of injuries to a minimum.

The Group assures all employees high standards of health and safety, in strict compliance with local laws and regulations and with an approach geared towards constant improvement. Operating principles are based on the measurement and monitoring of occupational risks, by way of certified management systems, such as ISO 45001 in Italy.

The business units define tools for measuring occupational hazards and create dedicated training processes. In North America, the Job Hazard Assessment (JHA) and Training Program evaluates occupational risk, the controls necessary for preventing accidents, and the personal protective equipment (PPE) needed for specific tasks. In Italy in 2021 Autogrill trained 1,538 fire wardens (medium risk) out of a total of 2,481 in the workforce, and 1,547 first aid officers out of a total of 2,136. In the other European countries, employees follow several health and safety courses including first aid, fire safety, and hygiene ("Beginners' Hygiene" and "Advanced Hygiene" in Switzerland), as well as courses in self-defense and resilience ("Aggression Training" and "Resilience Training" in Belgium) and occupational safety ("KOPAS I" in Switzerland).

In North America a monthly training program called "Safety Poster" engages all units in industry-specific safety issues, with learning guides to facilitate dialogue among coworkers. Every store has a Safety Team in charge of fostering a culture of safety; its members, who are both managers and front-line personnel, implement safety programs, facilitate training, and conduct audits to map the most frequent causes of injuries. The Safety Team members are encouraged to participate each month in projects designed to identify any vulnerabilities within their units and take mitigation measures. The team's objective is to promote health and safety best practices by carrying out safety programs, training activities, and monthly audits to reinforce the monitoring and prevention of accidents and injuries in the workplace.

In North America there is also an app called Mobile Data Safety Tool that automates monthly self-assessments on in-store safety issues. This tool makes it possible to take corrective measures during the audit procedure itself, which reduces the frequency of accidents and promotes a safer workplace.

LifeWorks: ensuring 360° wellbeing

In early 2021 the North America business unit entered into a partnership with LifeWorks, a confidential counseling program for employees and an inclusive solution that provides telephone support 24 hours a day, 7 days a week, and 365 days a year, and an online platform that:

1. Connects the user to benefits and events through the newsfeed;
2. Provides access to a wealth of online resources to support an individual's mental, physical, social, and financial wellness;
3. Guides people to professional counselors and specialists, for advice any time, on any job-related or personal problem;
4. Lets people speak confidentially with a mental health counselor or with other specialists such as financial and legal professionals.

INJURY RATES

		2021			
			North America	Europe	International Total
Workplace injuries (no]	j	408	351	115 874'	
Frequency rate	j	24.19	26.16	20.66 24.38;	
Serious injury rate	l	0.24	0.00	0.00	0.11 j
Death rate	j	0.00	0.07	0.00	0.03]

Injury rates include workplace injunes only (not commuting accidents)
 Frequency rate: ((total number of injunes + total number of deathj)/total hours worked] x 1,000,000 Serious injury rate: (total number of serious injunes/total hours worked) x 1,000,000 Death rate: (total number of deaths/total hours worked) x 1,000,000

Injury numbers and injury rates in 2021 reflect the increase in staffing at stores. During the year there were 874 workplace injuries, in line with the 2020 figure, with a minimal serious injury rate.

In March 2021 there was an incident of violence at an Autogrill Belgium hotel in which one employee was killed. The Group would like to stress that all safety norms and protocols were in place and fully observed. On the basis of currently available information, the Group has not been held liable in any way.

Management of the Covid-19 pandemic

To protect the health and safety of its employees during the pandemic, Autogrill promptly implemented a number of personnel protections and the structures required by law, training the entire workforce in Covid-19 prevention measures. In addition, the three business units prepared guidelines for the implementation of all safety protocols designed to limit contagion and correctly handle the emergency.

For example, the "Start-up manual HMSHost after Covid-19" was distributed within the International unit to provide universally applicable instructions and useful tools for reopening stores, in light of the highly fragmented laws and restrictions imposed by the authorities in different countries.

Autogrill was also quick to promote a massive work-from-home campaign for all tasks that can be performed remotely, thereby revolutionizing its working arrangements to ensure people's health and safety.

To make sure all protections were in place, some stores were audited by external bodies (such as local or government authorities, police, public health agencies, landlords, and franchise partners) or by members of management or internal H&S units, promptly implementing improvement actions where needed.

DIVERSITY, EQUITY & INCLUSION

"We strive to foster a working environment that prizes diversity, equity, and inclusion at all levels of the organization"

In each country where it operates, Autogrill respects the individuality and dignity of every person and firmly believes in valuing diversity without distinctions based on gender, age, ethnicity, religion, sexual orientation, or other aspects that may lead to discrimination.

As defined in the Group's policy documents like the Code of Ethics and the Diversity, Equity & Inclusion Policy, in keeping with the highest standards of the International Labour Organization, respect for diversity and equal opportunity and the prevention of all forms of discrimination are the principles to which Autogrill is committed at every stage of the employment relationship: recruitment and selection, remuneration policies, growth opportunities, and the eventual parting of ways. This commitment is also recognized externally: in Italy, for example, Autogrill has had SA8000 certification since 2009.

An eye to (he future...

Starting in 2022 Autogrill will be holding awareness-raising campaigns and volunteer days that will differ from place to place depending on local sensibilities (e.g. female empowerment, inclusiveness, support for vulnerable categories, etc.), in collaboration with NGOs and nonprofits. All business units will participate in unconscious bias training in order to increase awareness of how people's talent and character are often misjudged as a result of such bias.

In 2021 the Group developed its Diversity, Equity & Inclusion Policy. The policy aims to permeate the organization with a culture of inclusion, diversity appreciation, and mutual respect, to encourage a way of doing business that views diversity as a major plus.

IHAPINO A IITII PUTURI
.....

active in 15 international countries, by way of a dedicated section in the internal

16 Open Line is currently available in Europe in Italy, France, Switzerland, Belgium, Germany, and Greece, and since 2020, in the following international countries China, Denmark, Finland, France, India, Indonesia (Bali), Netherlands, Norway, Qatar, Sweden, Turkey, United Arab Emirates, United Kingdom, and Vietnam. A different whistleblowing platform is used in North America, while it is based on another operating system, its purposes and Functions are similar to those of Open Line and are in line with the Group's policy

17 The term "whistleblowing" is defined as a civic act by which the whistleblower, meaning the person who reports to the proper authorities violations or irregularities that do harm to the public good, helps reveal and prevent situations that are prejudicial to his or her organization and by extension to the collective public interest. All measures are taken to guarantee good-faith whistleblowers protection from all forms of retaliation, and in any case to ensure the whistleblower's confidentiality, save for legal obligations and the rights of the Company and of people erroneously or falsely accused

1. DIRECTORS' REPORT

communication tool Be Connected. Its launch was supported by an internal communication campaign featuring the slogan "Share. We Care", which included posters and newsletters drawing attention to the Speak Up Policy.

Complaints of discrimination received during the year were treated with the utmost attention and handled promptly. Guaranteeing the whistleblowers' confidentiality, meetings were held with the interested parties and appropriate corrective measures were taken. All incidents of which the Group is aware were suitably resolved and led to no further action.

Diversity, Equity, Civility and Inclusion Council in North America

In 2021, Autogrill in North America worked harder than ever to build a culture of inclusion and diversity within and outside the Company. To this end it set up the DEC&I Council to reinforce the awareness and understanding of diversity, equity, civility, and inclusion.

The DEC&I Council itself is diversified in every way: its members come from different levels of leadership, ethnicities, genders, generational backgrounds, and life experiences, all to the benefit of shared dialogue and growth.

The Council's activities in 2021 included an update to unconscious bias training, to be distributed to all associates, and participation in the e-learning program Building Awareness of a Diverse, Equitable and Inclusive Workplace, which aims to spread best business practices on these topics.

Autogrill has developed several training and awareness programs as well as external initiatives designed to bring people together on a path of tolerance, acceptance, and mutual respect.

In North America a wellness support program has been set up through an external provider, LifeWorks, to build a culture of wellbeing and offer counseling and services to employees and their families for work-related and personal matters. In addition, the Women's Leadership Network (WLN) provides women with networking opportunities and improved leadership skills as a way to enhance their personal and professional growth.

Valore D

Autogrill is a member of Valore D since 2012, an Italian association of large firms dedicated to supporting women in leadership roles. Valore D promotes a new cultural paradigm in which women are full participants in the economic and social life of the country.

Many women employed at Autogrill's headquarters have attended seminars and conferences and taken away important knowledge and tools for their professional growth.

ANNUAL REPORT 2021

SUPPORT FOR LOCAL COMMUNITIES AND INCLUSION

Thanks to its business model featuring an extensive network of stores, over the years Autogrill has become deeply rooted in the communities it serves, including through the development of direct relationships with local institutions.

The Group focuses its efforts on the responsibility of helping communities transform, by providing resources and know-how for the development of concrete projects, such as the donation of food and meals to nonprofits.

In North America Autogrill has long worked with the Food Donation Connection, passing on food surpluses to local social service associations who care for the needy. Through HMHost Foundation, the Group also strives to fight poverty in local communities and provide jobs to the younger generations.

For two years, Auticon has worked with Autogrill in Italy to test the systems installed at points of sale. The Group promotes the hiring of people with difficulties because it believes in the inclusion of neurodiversity and the possibility for diversity to make a difference in the world of work. Another example of Autogrill's dedication is its complete rebuilding of the iconic Villorosi Ovest store as a model of innovation and sustainability. This is the backdrop for its collaboration with Cometa, an association that provides care, educational and training opportunities to children and teenagers living in hardship: with its "Contrada degli Artigiani", Cometa produced all the furnishings for the Villorosi Ovest location.

HMHost Foundation

HMHost Foundation is a charity that supports communities by donating money, food, and housing and by helping to grow and educate the workforce with a view to combating poverty and improving the prosperity of the communities served.

HMHost Foundation directs its efforts on the basis of five pillars:

- Relieve hunger and promote nutritional wellness through food-related initiatives
- Combat homelessness through access to safe housing, furnishings, clothing, and stable employment
- Encourage the next generation through access to education and training
- Provide an opportunity for financial stability through training and placement
- Honor veterans and their families by supporting programs that meet their needs for food, shelter, medical care, and job training and placement

In 2021, HMHost and HMHost Foundation coordinated the donation of more than 200 food items and more than 65 kg of non-perishables to the MANNA Food Center. Gifts and grocery store gift cards were also donated to 24 families, including 54 children, teenagers, and young adults. HMHost and HMHost Foundation coordinated an employee volunteer event with the Women Build program of Habitat for Humanity, which builds homes for families in need. The volunteers spent a day demolishing and rebuilding an existing structure for two families who will have a home in Maryland. HMHost Foundation's support of charities that combat poverty has led to the salvage and supply of millions of kilos of food to local food banks throughout the country, feeding thousands of people who have been dragged into food insecurity by the Covid-19 pandemic.

112

1. DIRECTORS' REPORT

Support for Fondazione Humanitas

In 2020, 163 Autogrill stores began to raise funds for Fondazione Humanitas per la Ricerca, a nonprofit involved in the treatment of oncological, cardiovascular, neurological, and autoimmune diseases. Inside the stores, consumers who donate any amount to scientific research receive a red token made of organic, plastic-free material that fits in slots for the use of shopping carts.

In 2021 Autogrill organized a breast cancer prevention webinar with Dr. Alberto Mantovani, scientific director of IRCCS Istituto Clinico Humanitas and professor emeritus at Humanitas University. The webinar aimed to raise awareness among all female Autogrill employees of the importance of regular screenings, especially after almost two years of delayed and cancelled appointments as a result of the pandemic.

The water pledge of HMSHost International and Made Blue

Since 2014 HMSHost International has served as ambassador of the Made Blue program in collaboration with Made Blue Foundation: a fund-raising initiative based on the Company's water footprint. The funds raised help finance projects to ensure accessibility to safe drinking water in countries where it is difficult to access.

For every drink purchased at an Autogrill Group store at Amsterdam airport, Made Blue donates the equivalent of 4 liters of drinking water, for a total of 160 million liters per year. The project is currently active in Vietnam and Indonesia.

In 2021 the Group's donations reached approximately €1.8 million (10% direct, 10% indirect and 80% in kind). Most of them consisted of food donated through partnerships with local and national food banks, mostly in North America. The amount of donations in kind in Europe benefited from work with Banco Alimentare, where excess provisions are donated.

ANNUAL REPORT 2021

CUSTOMER EXPERIENCE

"Our goal is to provide travelers around the world with the best-in-class experience, by listening to their needs and constantly improving our product assortments and services"

By constantly observing the characteristics of travelers and listening to their needs, Autogrill keeps its offerings consistent with the latest consumption trends. Travel channels -airports, motorways, and railway stations - are privileged observation points to stay ahead of market signals and experiment with solutions to the changes in course. Ongoing dialogue with consumers, through different communication channels, provides a sneak preview of future needs, leading to the development of new concepts and freshen up menus while promoting a culture of responsible consumption.

An eye to the future...

In 2022 Autogrill plans to develop an annual quantitative survey based on different categories of travelers and other consumers (Autogrill customers and otherwise) in each country, using a transversal methodology and a common set of questions to ensure comparability from one country to the next. The survey results form a solid basis for the implementation of concrete local and global plans of action.

Autogrill will also be developing country-specific personalized guidelines, to ensure that there is in-store communication of alternative menu items and to incorporate sustainability into day-to-day operations.

In all countries served, the Group has set up customer care departments to collect feedback and handle any customer complaints. Store employees are suitably trained in this respect and learn to handle the most delicate situations promptly and in accordance with protocols.

To monitor how the Covid-19 pandemic has changed customers' needs and preferences, Autogrill analyzed the market using studies and various sources of information, and encouraged the exchange of insights and best practices within the Group's perimeter and with commercial partners. Through the direct observation of the new purchasing and consumption habits and direct requests for feedback, Autogrill updated its product assortments and business models accordingly so that customers would continue to have a pleasant experience in accordance with regulations in force.

In response to travelers' changing preferences and the new needs produced by the pandemic, the Group gradually adapted its product assortment to the new consumption patterns, increasingly geared towards takeaway and pre-packaged foods in snack or travel formats. Other measures included setting up new outdoor areas where travelers can safely eat and drink, replacing tableware with single-use takeaway packaging, and making greater use of digital technologies such as online or app-based ordering platforms and electronic or contactless payments.

1. DIRECTORS' REPORT

Next Normal in Travel - Growth by way of feedback

Seeking to constantly improve dialogue with consumers, in 2021 Autogrill rolled out a new customer engagement project called Next Normal in Travel. This is a survey the Group designed as the evolution of the Feel Good customer satisfaction program, which was momentarily suspended due to the Covid-19 pandemic. Launched in North America, Italy, France, Germany, Belgium, the Netherlands, England, and Switzerland, the project involved consumers in all the Group's channels (airport, motorways, railways, other) through questionnaires and video interviews carried out twice during the year, with questions about their experiences in the preceding three months.

Next Normal in Travel aims to explore consumers' expectations and concerns in the context of today's "new normal", strongly influenced by emerging trends and the pandemic; to investigate any changes in travelers' preferences and purchasing habits, whether temporary or long-term; and to learn information useful for improving the feedback initiatives planned for the coming years.

Through a series of specific questions, travelers' preferences regarding menus, concepts, and service models were scrutinized. Moreover, the survey measured the importance of sustainability in their consumption choices, thus acquiring valuable information for the development of the Group's strategic ESG projects. In this regard, the survey showed that travelers care increasingly about responsible consumption, choosing menus based on natural ingredients 33% of the time and low-sugar meals 29% of the time. In addition, 47% of travelers choose restaurants that can suit their personal diets. Sustainability is also central to travelers' purchasing habits: the survey showed that when traveling, consumers are more likely to buy food and beverage from sellers that ensure food safety and store hygiene, reduce food waste and their carbon footprint, have good recycling practices and plastic-free solutions, and treat their workers fairly. Finally, for nearly 40% of respondents, a store's declared sustainability commitments can influence their purchasing decision.

DIGITALIZATION AND INNOVATION

Over the years digitalization has been used to improve the customer experience, for example by providing better, clearer commercial information with screens that show personalized content depending on the time of day and target clientele. The ordering and purchasing phase has been gradually enhanced through the use of digital technologies like dedicated apps, QR codes, secure virtual payments, and digital kiosks for self-service orders.

The digitalization projects the Group has been promoting include the placement of QR codes in strategic, highly visible positions inside and in the vicinity of stores. Using a smartphone from outside the store, travelers can easily consult menus and order a meal, pay digitally, and receive a pick-up notification, reducing their time indoors to a minimum.

HMSHost speeds up service with Mashgin computer vision

Today's consumption patterns have demanded the rapid adjustment of business models and services to the new needs of travelers and to changes in their mobility and purchasing models. Time is a limited resource at airports, and the length of lines can make the difference between a good meal and a missed flight. HMSHost has addressed this issue by forming a partnership with eight busy international airports for the installation of 60 Mashgin Touchless Checkout Systems. Mashgin's scan-and-go systems reduce wait times at cash registers and service desks and are designed to be completely touchless: using computer vision, they identify multiple products instantaneously so travelers can scan, pay, and head for their gate in just 10 seconds. The project will be extended to another 32 installations in 2022.

In Italy the Group is working on a fidelity program and a customer app for table service at restaurants, which will allow a complete self-service meal from ordering through payment. It has also strengthened its commercial partnerships with delivery services.

WE OFFER SUSTAINABLE FOOD EXPERIENCES

Signed by all Group's suppliers as part of the qualification process

1. DIRECTORS' REPORT

FOOD QUALITY & SAFETY

"We provide the highest standards of quality and safety throughout all operations"

Autogrill has a primary responsibility to ensure the safety and quality of all product served, day after day: from raw materials to the finished product, following the right preparation processes and using quality ingredients in accordance with all local regulations and food safety standards.

Living up to this responsibility means having firm control of the supply chain to ensure quality products and ingredients. The Group requires its foods to be prepared under strict hygiene and sanitary conditions and actively involves its employees in understanding and appreciating these rules.

An eye to the future...

Starting in 2022 the Group plans to further enhance its safety controls by implementing and improving systems for the collection of information on the annual store audits, internal and external, which are already a key strength of its product quality and safety management system.

The quality and safety of products served are guaranteed by a management system that begins with the supplier selection process and is based on values and objectives shared by the Group and its trading partners. To that end, suppliers are periodically screened by way of questionnaires, direct or indirect information gathering, spot checks, and audits.

In addition to these assessments and controls is a self-screening program falling within the management system used in the various countries, consisting of a set of centrally coordinated procedures carried out on-site to ensure compliance with all hygiene and sanitary standards. The results of HACCP⁸ or similar audits at individual locations count towards the MBO^{1*} system followed for store managers. In Italy in 2021, Autogrill implemented the new AEA21 Food Quality and General Quality Standard for stores, which defines all of the rules and policies to be followed to ensure maximum food quality.

In 2021 specific audits were carried out to check compliance with food quality and safety standards at stores in different regions, such as the Europe business unit, where 100% of points of sale were audited, as well as in North America and various International countries.

Suppliers, too, go through a pre-approval process to test their level of compliance with the Group's quality standards, which call for the strict observance of food safety practices as well as microbiological, content and chemical/physical analyses along the entire supply chain, at intervals defined according to the degree of risk. As a brand licensee, the

Group itself is subject to audits by brand partners as well as concession grantors.

19 MBO Management by Objectives

1 17

ANNUAL REPORT 2021

Employee training in food safety standards and HACCP processes completes the Group's oversight program. In the Netherlands, for example, internal and externally managed unannounced audits are conducted on all provisions arriving at stores; the points of sale are also required to complete a daily food safety procedure, including temperature checks for specific products at different times of day and making sure foods are properly stored and labelled.

To ensure a transparent monitoring process, Autogrill follows all necessary protocols to trace, analyze, and resolve any food safety or quality incidents. Any incident regarding food safety is investigated in detail, and if necessary, reported to the supplier. The process is generally handled by the Quality Manager, who conducts an internal audit and writes up a report with any necessary corrective measures that is distributed to all parties involved.

PRINCIPAL CERTIFICATIONS

The Group views the certifications it has obtained as proof of its successful business models and as encouragement to strive for constant improvement.

Certification

Italy Autogrill Italia S p.A. and Nuova Sidap Australia: points of sale Austria: selected points of sale

Italy: Autogrill Italia S.p.A. Greece: Autogrill Hellas EPE India: Hyderabad airport

ISO 9001:2015 provision of technical project management services

Italy: Autogrill Italia S p.A. - HQ and airport locations Austria: selected points of sale

Halal certification from MUI (Mollis Ulama Indonesia)

Holland: Schiphol airport and Netherlands Austria and Norway: selected points of sale

India: Bangalore, Delhi, and Hyderabad airports, Shantiniketan Mall, Sujana Mali, Secunderabad railway station

NVWA (Netherlands Food and Consumer Product Safety Authority)

Italy: Rozzano HQ and points of sale

Vietnam and Malaysia: selected points of sale

1. DIRECTORS' REPORT

PRODUCT CHOICE, NUTRITION & TRANSPARENCY

"We raise customers' awareness on food nutritional values and offer them alternatives, including plant-based and healthy options"

Autogrill develops concepts, menus, and recipes that meet a variety of dietary needs and preferences, for an innovative, diversified, healthy and nutritious assortment with a growing emphasis on plant-based foods.

An eye to the future...

In 2022 the Group plans to add environmentally friendly alternatives to its offerings: every Business Unit will participate by choosing at least one food category - plant-based meat, eggs, or milk - to introduce to its store menus.

Starting in 2022 the Group will also be offering healthy alternatives (including vegetarian and/or vegan) for breakfast, lunch, and dinner, as well as in its assortment of packaged products (low-sugar, low-fat, etc.).

Autogrill has long been committed to upgrading its menus to accommodate sustainable consumption models and healthy lifestyles. Over the years, the Group have implemented balanced menu concepts and developed solutions that turn simple, genuine ingredients into the tastiest foods.

Concepts and brands that support travelers' healthy choices

- Le CroBag Veggie is a new concept developed in-house that combines the "French style" of this proprietary brand with healthy, high-quality vegetarian/vegan items and an emphasis on sustainable ingredients and packaging. V7T offers consumers healthy food and drink such as cold-pressed, no-sugar-added fruit juices made from all-natural ingredients. The concept includes a fully visible kitchen so guests can see every step of the preparation process.

Leon stands out for fast service and natural ingredients, giving travelers the chance to taste high-quality food by combining the growing interest in healthy, balanced nutrition with the need for quick breaks when on the go.

La Place works exclusively with natural, always-fresh ingredients. Its Autogrill-run stores in Holland now work in partnership with Jumbo Food College, a food & beverage development and innovation center, for the creation of specific menu items.

Reflecting this commitment are the many collaborations with industry experts, nutritionists and science communicators, who work with the Group to come up with new menu items, explore innovative ingredients, and improve the nutritional content of menus.

ANNUAL REPORT 2021

In Italy Autogrill has pursued several projects with leading food professionals such as chefs, physicians, and nutritionists, with a view to creating healthier, more sustainable foods and beverages. These new offerings include "Piatto Unico Bilanciato", developed with nutritionist-physician Mauro Mario Mariani and consisting of balanced, environmentally-friendly vegetarian dishes, and the whole wheat croissant created with chef, consultant, educator, and food manager Luca Montersino.

Over time Autogrill has developed external partnerships to ensure the provision of high-quality gluten-free products and organic items, while offering a range of options for those who choose a vegetarian or vegan diet, and in some countries marking halal products with their own sticker.

Plant-based foods: the nutritious, tasty alternative to animal protein

Italian locations in 2021 rolled out the Wowburger, a 100% plant-based burger created by the staff of Autogrill's Factory Food Designers together with vegan chef Simone Salvini and Nestle Garden Gourmet.

In North America, Autogrill has expanded its vegan menus with a full line of plant-based sausages, meatballs, bacon, chicken nuggets, hamburgers, and more.

In the Netherlands the Group offers meat alternatives by working with specialized suppliers and brands, including "Beyond Meat" and "The Vegan Vosboer".

In keeping with the recommendations of the World Health Organization, Autogrill strives to offer healthier foods like fresh fruit and raw vegetables instead of desserts and sugary snacks, and tests new, better-for-you items as part of its proprietary concepts.

Supporting research with the Umberto Veronesi Foundation

A healthy and varied diet is the foundation of a healthy lifestyle. Autogrill and the Umberto Veronesi Foundation joined forces in 2021 for a new project supporting scientific research. The project involved Ciao and La Fucina restaurants at Autogrill locations

throughout Italy: for every serving of poke sold, Autogrill donated 1 euro to the Umberto Veronesi Foundation. The full amount raised went toward funding a year's worth of work by a researcher.

Autogrill's innovative and diversified offerings fit within a broader perspective of promoting more responsible consumption models, geared toward reducing environmental impacts and protecting nature. Accordingly, it takes care to build a supply chain that can furnish sustainable ingredients and materials. In Europe, many certified suppliers participate in national and international initiatives like the Better Life Label for improved animal welfare, and the RSPO (Roundtable on Sustainable Palm Oil) in Belgium.

1. DIRECTORS' REPORT

RESPONSIBLE SOURCING

"We commit to ensuring a sustainable, ethical supply chain and adopting responsible practices in raw materials selection"

Autogrill strives to create supplier relationships based on transparency, integrity, impartiality, and contractual fairness, favoring domestic and local suppliers wherever possible.

An eye to the future...

Autogrill has set a long-term target for its coffee sourcing: to reach 98% of sustainably sourced coffee and/or coffee purchased directly from small local growers by the end of 2025 for proprietary brands.

The supply chain is made up chiefly of a structured system of food and beverage vendors, plus a narrower network of local producers for select items such as fresh foods, and a small number of providers of technical goods and services, such as maintenance and cleaning.

For the sake of efficiency throughout the sourcing process, Autogrill's Procurement and Supply Chain unit fosters the development of stable, long-lasting partnerships with suppliers, using specialists and intermediaries working at head offices in the different countries and leveraging brand partner systems.

For Autogrill, responsibly managing the supply chain means ensuring not only business continuity and high standards of food quality and safety, but also respect for human rights and the environment.

For this reason Autogrill has adopted the Group Supply Chain Sustainability Guidelines, developed with input from the Global Compact Network Italy Foundation, which define general standards for the evaluation of suppliers and the basic principles reflecting the Group's sustainable supply chain management approach. All suppliers (and intermediaries, if any) also sign the Group Code of Ethics, or a specific Supplier Code of Conduct in North America, as part of the qualification process. The International business unit has made the Supply Chain Sustainability Guidelines part and parcel of all new vendor contracts; in Italy, suppliers are bound to the certification standards of SA8000.

ANNUAL REPORT 2021

Protection of human rights

Autogrill acknowledges its role and responsibilities in fostering and protecting human rights. Applying in all circumstances the standards enshrined in its Code of Ethics, Autogrill promotes a responsible business model, in which principles like dignity and mutual respect underpin all of the Group's activities along the chain of value.

Autogrill's approach is consistent with UN guiding

principles, the special agreements drawn up by the International Labour Organization (ILO), and national and international standards on human rights. Autogrill rejects any form of worker exploitation or forced labor and any kind of abuse or psychological or physical coercion of the people involved in conducting its business, and strongly condemns human trafficking and exploitation in any form.

Modern Slavery Statement

In support of strong human rights protections along the entire value chain, HMSHost UK (a member of the Autogrill Group operating in the United Kingdom) has published a Modern Slavery Statement in accordance with Section 54(1) of the 2015 Modern Slavery Act, which declares its supply chain to be slavery-free and condemns all forms of slavery and human trafficking.

Supplier relations are managed by a central team in line with the Group's global policies: the Suppliers Code of

Conduct, which all suppliers are required to sign, states that all contracts must specify the policies, procedures, and practices in effect to ensure that business is conducted ethically and legally in full compliance with the country's laws, including the Modern Slavery Act.

Supply chains are the most complex areas of the business and the Group continues to take action to mitigate the risk of modern slavery and build transparent relationships with its suppliers, in part through team training exercises.

It is important to note that especially in countries where supplier quality cannot be audited, supply chain risk is managed by giving priority to large companies that are already certified and subject to external audits.

Foodbuy

In North America Autogrill works with Foodbuy, the leading procurement company for food & beverage services in the region (part of Compass Group). Foodbuy has made a number of promises to ensure high standards of food safety and sustainability. In North America all suppliers in the Foodbuy circuit undergo regular audits on central issues such as sustainability, human rights, and the environment, considering any additional risk factors such as geography or industrial sector.

All requests for proposals include category-specific questions on the candidate's social responsibility, in order

to score potential suppliers on social and environmental aspects.

In 2021 the Group bought products from 147 Foodbuy-approved suppliers with one or more certifications, including USDA Organic and Bio-Based (US Department of Agriculture), BPI Biodegradable (Biodegradable Products Institute), Cedar Grove Compostable, GAP Steps, Cage-free, HFAC, Reduced Antibiotics, Monterey Bay Yellow/Green, MSC, Salmon Safe, Rainforest Alliance, Bird-friendly, Eco-logo, Green Seal, FSC, and SFI.

122

1. DIRECTORS' REPORT

During the Covid-19 pandemic, the Group grew even more efficient at managing the supply chain by setting up a monitoring and rapid response system for critical issues like supply chain delays and interruptions. Autogrill also signed agreements with suppliers to remodulate the procurement system and render it more flexible in order to reduce unsold inventories, organize returns, and find alternative buyers for unsold or soon-to-expire products, thus actively helping to combat food waste.

ANIMAL WELFARE

Autogrill acknowledges its responsibility to promote sustainable, responsible purchasing that protects animal welfare in accordance with laws, regulations, and international best practices, with a particular focus on the different markets and contexts in which it operates.

The Group focuses on actions and protocols it can follow to ensure animal welfare in the course of its business.

In Italy in 2009, Autogrill won the Good Egg award from Compassion in World Farming, the largest international farm animal welfare organization, for its commitment to using only shell eggs from cage-free hens.

In 2017 in the Netherlands, Autogrill partnered with Kipster, a zero-impact organic farm that guarantees the highest standards of animal welfare and has obtained the BeterLeven mark of quality (three stars) for its eggs. In Italy, for directly managed locations and proprietary brands, Autogrill only uses shell eggs and egg mixes sourced from cage-free hens.

Autogrill has set a long-term target for North America and Europe of buying only cage-free eggs by 2025; in some European countries that goal has already been met.

WE CARE FOR THE PLANET

The third pillar of the Make It Happen strategy is about protecting and caring for the planet.

Waste management & packaging Energy, emissions & climate change Food waste

Our priority SDGs

20-30% reduction of GHG emissions from electricity consumption along motorways business by the end of 2030

Ongoing, with the aim of enhancing recycling of waste and food scraps, following a circular economy approach: WASCOFFEE, WASORANGE and WASBOTTLE

This is the content of recycled plastic used to produce the bottles of the mineral water Sourcy by Vrumona, introduced by HMSHost International at Schiphol airport

Development of new guidelines for the construction of "green" stores

Active since 2011 in donating surplus food to social service agencies that distribute it to people in need

1. DIRECTORS' REPORT

WASTE MANAGEMENT & PACKAGING

"We are committed to reducing the use of virgin plastic for packaging and to making our business more circular through the reuse of waste and materials"

Autogrill manages its waste through the careful planning of disposal and recovery processes, agreements with infrastructure operators, and partnerships aimed at reducing environmental impacts. Where possible, the Group tries to extend the life cycle of its materials and equipment.

An eye to the future...

The Group aims to reduce the amount of virgin plastic it uses by opting for alternative materials such as biodegradable plastic, rPET, paper, and wood for packaging and single-use items like dishes and cutlery.

Autogrill produces waste during food preparation and service: preparation requires the disposal of scraps and packaging, and once customers are served, there might be food scraps and leftovers or disposable tableware.

Each of the Group's business units has developed a country-by-country program for monitoring the volume of waste produced, based on local laws and the characteristics of each location, including the collection and recycling system.

In the vast majority of cases, especially at airports, railway stations, and malls, the Group does not have direct control over the collection and disposal of waste, which is up to the infrastructure operator. Conversely, on Italian motorways, Autogrill deals directly with the public service and with private companies for waste collection and disposal.

Autogrill has adopted several waste management and recycling strategies. An increasing number of locations separate waste in the food preparation areas and, where possible, collect plastic and glass bottles in the areas where customers are served. Various tools and technologies are in place to optimize the collection and recycling process. In Italy, for example, selected points of sale have special equipment (e.g. compactors and press-containers to reduce volumes and filling level sensors) to improve efficiency and quality and maximize the potential of each kind of waste.

Autogrill is careful about the management of organic waste, which in Italy is separated in-store and delivered to composting plants. In some European countries, frying oil is separated, collected, and used for the production of biodiesel and green energy, fully honoring the circularity principles that guide the Group's waste management policies.

Autogrill works not only to handle waste properly but also to reduce the quantity of waste: it is always seeking new ways of developing a more responsible, sustainable consumption model and works with brand partners, suppliers, and concession grantors to find effective, scalable solutions.

PACKAGING, PLASTIC AND SINGLE-USE

Over the years the Group has shown great sensitivity to the issue of plastic and sustainable packaging. It has proposed innovative solutions, tested materials, and formed strategic partnerships to streamline the use of plastic and opt for sustainable, increasingly green alternatives.

125

ANNUAL REPORT 2021

Plastic recycling efforts in the beverage sector are especially prominent: in some International stores, for example, customers pay a deposit on PET bottles or enjoy discounts if they reuse their own cup instead of asking for a new one. The Group has also built important partnerships in North America, where, beverage bottles are made from recycled plastic in amounts of up to 100% for certain lines, like Naked Juice.

In 2021, the ongoing Covid-19 emergency continued to require the utmost attention to hygiene and safety standards and caused a momentary increase in single-use packaging, and therefore in plastic and other waste. These trends should be viewed as temporary, as a necessary response to the pandemic, and do not change the Group's long-term commitments or its customers' inclination to more responsible consumption.

In that regard, Autogrill renews its emphasis on recycling and sustainable packaging by supporting research into a new assortment of products (including cutlery, plates, takeaway packaging, cups, and straws) made entirely of sustainable, compostable, and/or recycled materials.

In 2020 HMSHost International added Vrumona's local mineral water Sourcy to its Amsterdam Schiphol menu; the water is sold in bottles made of 100% recycled plastic (rPET). Other initiatives will follow to encourage travelers to recycle the bottles in turn, which will mark significant progress toward the sustainability targets set by HMSHost International.

Autogrill and the circular economy: "Was" projects WASCOFFEE

Innovation and sustainability are an integral part of Autogrill's development strategy and the proof is in WASCOFFEE", a material made from coffee grounds. The Group launched this open innovation project to find a way to recycle one of its most significant raw materials. Through a partnership with CMF Greentech, an Italian innovator specialized in eco-sustainable products, WASCOFFEE" was developed and patented as a 100% natural, recyclable material suited for furnishings and ecodesign.

WASCOFFEE® was first introduced at the Bistrot in Milan's City Life complex in late 2017 and was later adopted as a design element of newly opened Puro Gusto locations in Italy, the rest of Europe, and North America. These include Puro Gusto at Milan Linate airport and the new WASCOFFEE Lab Caffè at Milan Central Station, where the tables, counter, and wall panels are made entirely of WASCOFFEE®. The material has also been used to furnish some Puro Gusto locations in Turkey and North America.

WASORANGE

Wasorange® is a sustainability pilot project Autogrill is conducting in Italy in collaboration with Krill

Design, a company specialized in reusing food scraps through circular economy initiatives. The idea is to recycle orange rinds, after the oranges are squeezed for fresh juice, into items useful to the business such as sugar containers and other accessories for Autogrill stores.

WASBOTTLE

In 2021 Autogrill took another step toward its goal of reusing ever more materials within its stores by offering support for the creation of a 100% recycled and recyclable panel made from high-density polyethylene (HDPE), derived from the detergent bottles commonly used at its locations.

The resulting partnership with Bencore aims to produce panels for use not only at Autogrill stores but in all situations where architects and

decorators see the chance to use a product with these design and sustainability characteristics.

In 2021 Wasbottle was selected for the ADI Design Index, a selection of the best Italian concepts that completes the pre-selection for the upcoming Compasso d'Oro, the most influential design award in the world.

126

1. DIRECTORS' REPORT

ENERGY, EMISSIONS & CLIMATE CHANGE

"We commit to reducing emissions by favoring the use of energy from renewable sources and developing sustainable concepts that limit our impact on the environment"

Autogrill strives to reduce its emissions impact, through strategies to make energy use more efficient and gradually increase the use of clean energies, in accordance with environmental laws and regulations.

An eye to the future...

In 2022 the Group will be developing new guidelines for technical solutions for energy efficiency, the construction of "green" stores making use of

At stores where energy resources are managed directly, Autogrill has developed tools to monitor consumption and help reduce energy waste; these include instruments to measure energy performance at individual locations and to offer solutions for reducing consumption and environmental impact. Store employees are also given technical and awareness training to encourage the more rational, efficient use of existing equipment.

The Group's leverage in channels where utilities are managed by the landlord, typically airport and railway locations, is limited as the Group does not always have access to consumption details. In recent years, however, landlords have become increasingly attentive to these issues.¹⁰

Initiatives to reduce consumption in Italy

These range from technological solutions to optimize energy use, campaigns to encourage employees' more rational use of energy-intensive equipment, and the installation of energy-producing systems, e.g. solar panels at motorway locations. Autogrill also plans to replace obsolete technologies, choose optimal equipment settings to save energy, and implement remote monitoring and control systems for utilities.

Most of the energy Autogrill uses concerns store operations and logistics. Direct energy consumption" is the use of diesel and gasoline for company vehicles and of natural gas for heating. Indirect energy consumption" refers to

electricity, used for heating and air conditioning and for preparing, maintaining, and selling foods and beverages.

20 Given these circumstances, the Group's Footprint depends strictly on the infrastructure where its companies operate (e.g. airports). On motorways, efforts are made to improve the overall efficiency of stores. For further information on the impact of environmental policies on the Group's financial statements, see the "Risk management and control system" section of the Directors' Report.

21 Direct energy is the use of energy sources like natural gas, diesel, and gasoline, which generate emissions directly.

22 Indirect energy is purchased externally, like electricity, and generates emissions indirectly.

GROUP ENERGY CONSUMPTION - GJ*

2021		Total
HQ + locations		{
Total direct energy consumption		GJ 96,406;
Total indirect energy consumption	GJ j	626,513
From renewable sources:		MWh 10,894;
Emissions		55,2511
		tCO ₂ j ;
Total direct emissions (Scope 1)	j	5,614 >
Total indirect emissions (Scope 2)	t CO ₂ ,	49,637:

The trend in consumption was still influenced to some degree by pandemic-related operating restrictions at some locations, making the amounts not comparable with previous years, though on the rise with respect to 2020. Also, because the Group no longer operates in the motorway channel in North America, that business is excluded from environmental reporting as from 2021. The Group's greenhouse gas emissions reduction target refers solely to emissions generated in the motorway channel, which in Europe accounts for approximately 93% of direct energy consumption and 82% of indirect consumption.

ENVIRONMENTAL CERTIFICATION

Autogrill's care for the planet is reflected in its possession of major environmental certifications:

Applies to

Italy - Autogrill Italia S.p.A.: Villoresti Est USA - HMSHost: Bethesda HQ

Italy - Autogrill Italia S.p.A.: Villoresti Est and Villoresti Ovest 1958 Austria - selected points of sale Slovenia - points of sale

Italy - Autogrill Italia S.p.A.: HQ, Villoresti Est, Villoresti Ovest 1958, Brianza Sud and for points of sale at Caselle Airport in Turin, Nuova Sidap: registered office Greece - Athens El. Venizelos airport Austria - selected points of sale Slovenia - points of sale

California Green Building Code - Level I and California Energy Standard - Title 24 USA - HMSHost: locations at Los Angeles International Airport

USA - Equipment at locations

23 Figures for direct and indirect energy consumption refer mainly to motorway locations where utilities are managed directly by the Group. In the other channels these figures are based on available data. For each location. See the methodological note ("Preparation criteria" section) for further details.

1. DIRECTORS' REPORT

Note also that the Adda Sud location in Italy has obtained energy rating A1.

Autogrill has a plan of action designed to achieve medium/long term targets for the reduction of greenhouse gas emissions.

The plan includes making stores run more efficiently through the use of innovative technologies and a more rational, green design, optimizing logistics and processes, and using renewable energy to power business activities.

Remodeling the historic Villoresi Ovest 1958 location with sustainability front and center

The renovation of Villoresi Ovest stands testament to Autogrill's commitment to centering all new projects on sustainability as a stimulus for the entire Group's improvement and growth.

Villoresi Ovest has been remodeled without altering the building's original design, to emphasize the Group's ties to tradition, but has been upgraded to the latest construction standards. Sustainability was the focus of the many changes carried out during the project: LED lighting to reduce energy consumption, high-performance triple-glazed windows with UV protection film for better thermal insulation, energy-efficient heat pumps, and air treatment systems that allow natural climate control, operated by a building management system (BMS). The latest-generation plants and systems complement highly innovative materials: Active Ceramic flooring with antibacterial, anti-viral, self-cleaning, anti-pollution, anti-odor action; and Airlite paint, which goes on like regular paint but generates negative ions on the surface where it is applied, so the air is naturally purified every time it comes into contact with that surface.

FOOD WASTE

"We seek to reduce food waste in every country served"

Autogrill acknowledges the fundamental importance of combating food waste, which is harmful to the environment and expensive for running the business.

Accordingly, store management systems have been developed and refined over the years, with the introduction of new technologies to reduce food waste to a minimum and optimize the handling of raw materials.

An eye to the future...

To reduce food waste even further, the Group will be focusing on improvements to its existing monitoring out. systems in order to decrease the amount of food thrown

Autogrill works on several fronts: while making its back-end processes (recipe design, product preparation, etc.) as efficient as possible, it strives to find newer and better ways of cutting down waste, for example by improving production planning, raising customer awareness, and partnering with external organizations. In some International countries, for example, operations managers participate in monthly meetings to analyze the quantity of food waste and discuss ideas for improving on this front.

129

ANNUAL REPORT 2021

At the moment, leftovers are donated to food banks, where possible, or sold at a discount at day's end. In some European countries, Autogrill has partnered with the app "Too Good to Go" that helps ensure food does not go to waste.

Food Donation Connection

Since 2011 Autogrill has worked in North America with Food Donation Connection (FDC), which redirects surplus food to local social service agencies that distribute it to people in need. Every donor location is matched with a group of qualified charities that collect the food following a detailed schedule of days and times. FDC has worked with Autogrill's operational and food safety teams to make sure the food is safe and healthy and to render the donation process more agile and secure.

Since 2019, Autogrill has been able to incorporate the donation tracing process in CrunchTime. This allows stores to enter donated items into their systems and send weekly data files to FDC.

Autogrill and Banco Alimentare join forces against food waste

Since 1989, Banco Alimentare has been collecting unspoiled, non-expired food that is no longer sellable and would otherwise be thrown out. Instead of going to waste, the food becomes a resource for the needy. For every "Menu Pausa Perfetta" sold at its stores, Autogrill made a donation to Banco Alimentare for the distribution of food products equivalent to one meal to participating charities. Through this initiative, 214,000 meal equivalents were donated in 2020.

Starting this past year, the Group stepped up its controls of inventory and foods nearing their use-by date in order to reduce waste to a minimum, and in accordance with applicable laws it made efforts to speed up its donations to food banks and employees.

Among other measures it streamlined menus, redistributed inventory to stores that were open for business, reached

agreements with suppliers for the return of stocks, and adapted its commercial offers at individual locations depending on the inventory on hand or at risk of going to waste.

Soup & Bakery by De Verspillingsfabriek

In 2020 HMSHost International won the Innovation category of the Schiphol Business Awards assigned by the Royal Schiphol Group, for the Soup & Bakery concept of De Verspillingsfabriek. The shop serves dishes made from

ingredients that would otherwise be tossed out as waste: a perfect example of sustainability and of how raw materials, innovation, and talent can be combined to create new sustainable solutions.

130

1. DIRECTORS' REPORT

AUTOGRILL GROUP SOCIAL AND ENVIRONMENTAL DATA

ADDITIONAL INFORMATION LABOR UNION RELATIONS

Over the years the Group has maintained an open dialogue with the labor unions in the various countries served, so it can help find the best solutions to reconcile its needs with those of its people. All employees enjoy a transparent working relationship and full protection of their rights, regardless of the contracts typical of their countries. Autogrill protects their right to freedom of association and collective bargaining, recognizing the paramount importance of these freedoms, in accordance with national laws governing collective contracts, individual bargaining and freedom of association.

This commitment to transparency translates to the management of various forms of contract: from national collective bargaining to collective contracts by company and/or location, to individually negotiated agreements. When it needs to make organizational changes, Autogrill complies with all provisions of laws and collective contracts by informing the unions and involving them, where applicable, in talks. The minimum notice period in case of organizational changes thus depends on national and local laws, and ranges from one to 16 weeks. Labor relations and talks follow the highest standards of transparency and fair dealing, in strict accordance with the law, and promote constructive dialogue with a view to hearing feedback from workers' representatives and maintaining a mutually beneficial working environment.

Again in 2021, which was still affected to some degree by the Covid-19 emergency, in the countries where trade unions are present they were constantly involved in discussions and kept up-to-date, including through the mediation of workers' representatives, on health and safety standards and protocols, management of the workforce, any use of government relief programs, talent retention measures, and necessary organizational changes.

2019

Europe International North America

Employees covered
by collective bargaining⁷

70% Canada⁴ 42% United - States

71% Canada 55% United States

69% Canada 49% United States

PROTECTION OF HUMAN RIGHTS

In addition to respecting and protecting the rights of its own employees, as an international leader that does business around the world, Autogrill acknowledges its responsibility to promote the rights of all people. Following its Code of Ethics at all times and embracing the highest international standards, Autogrill works to instill a responsible business culture in everything it does, by building trust and mutual satisfaction with its trading partners and employees and observing all local, national, and supranational laws for the protection of human rights.

Autogrill rejects the exploitation of minors throughout its organization and does not use or support child labor, as defined by the International Labour Organization (ILO). In addition, Autogrill is opposed to forced labor and all other forms of exploitation, abuse or psychological or physical coercion of its own employees and of workers employed along the production chain, and strongly condemns human trafficking and exploitation in any form.

24 This figure, which is partially an estimate on the previous year, refers to the countries where employees are covered by collective bargaining agreements and excludes various International countries as well as the recently acquired feCrobag GmbH (and for 2019 also Stellar Partners Inc) For 2019, the Canada figure was calculated net of the number of employees of the discontinued motorway operations.

131

ANNUAL REPORT 2021

INFORMATION AND LABELLING

Autogrill aims to provide customers and consumers with all information necessary for a full understanding of the ingredients its products contain, to ensure maximum transparency and compliance with labelling laws. In every country served, the Group is fully compliant with laws requiring the communication of food ingredients; for some products, the ingredients and nutritional values can be viewed by scanning a barcode or a QR code on the packaging.

Autogrill also observes all laws on selling and serving alcohol and tobacco products. In North America the Group has developed a program called Serve Safe Alcohol, which trains all store employees in the correct way to serve alcoholic beverages. At its US stores Autogrill has also launched the We ID campaign, to raise consumers' awareness about safe drinking by asking all customers to present identification when they purchase alcohol.

EU TAXONOMY

In 2020 the European Commission created an integrated classification system at the European level in order to identify environmentally sustainable economic activities ("EU Taxonomy") and create a common language that investors and businesses can use to invest in economic activities with a substantial positive impact on climate and the environment. The EU Taxonomy defines the types of activities consistent with the transition to a green economy and aims to facilitate the flow of capital towards activities that can help achieve that goal by 2050.

The Taxonomy establishes six environmental and climate objectives:

- climate change mitigation;
- climate change adaptation;
- the sustainable use and protection of water and marine resources;
- the transition to a circular economy, including as concerns waste reduction and recycling;
- pollution prevention and control;
- the protection and restoration of biodiversity and ecosystems.

To be considered environmentally sustainable, an activity has to satisfy the following criteria:

- contribute substantially to at least one of the six environmental objectives; do no significant harm to any of the other environmental

objectives;

- comply with Minimum Social Safeguards (such as those contained in OECD guidelines and United Nations documents).

Implementation of the Taxonomy is in progress: in 2021 the EC approved the Delegated Act which defines the technical criteria for the first two of the Taxonomy's six environmental objectives, climate change mitigation and climate change adaptation.

As from January 2022 the companies subject to Directive 95/2014/EU, implemented in Italy with Legislative Decree 254/16, which requires publication of the consolidated non-financial statement, must disclose their "taxonomy eligibility" as the share of revenue, capital expenditure (Capex), and operating expenses (Opex) that potentially contribute to achieving the environmental objectives, regardless of whether these activities meet one or all of the technical screening criteria.

Only from January 2023 will they be required to disclose such indicators for activities that actually contribute to achieving the environmental objectives ("taxonomy alignment").

In 2021 Autogrill conducted a preliminary exercise in view of EU Taxonomy compliance. The exercise was based on an interpretation of the information currently available regarding the Regulation and its Delegated Act; in the future there may be specifics and guidelines that will lead to more precise definitions as to Taxonomy compliance and reporting obligations.

1. DIRECTORS' REPORT

The exercise conducted for reporting year 2021 showed that the Group's revenue-generating activities are not among the eligible activities described in the Delegated Act for climate change mitigation and climate change adaptation; no specific analysis was carried out on operating expenses (Opex) as they were deemed non-relevant for Autogrill's core business. As for Capex,¹⁵ about 60% turned out to be eligible according to the EU Taxonomy. The expenses forming the numerator of the Capex KPI are mainly costs for store construction and/or renovation, plant and machinery costs (e.g. climate control and electrical systems), transportation costs, and assets not yet completed and therefore unused; the economic activities considered fall primarily under 7.1. Construction of new buildings, 7.2. Renovation of existing buildings, and 6.5 Transport by motorbikes, passenger cars and light commercial vehicles.

With the start of fiscal year 2022 and the approval of delegated acts for the other four environmental objectives, Autogrill will expand its analysis of economic activities, and for those already identified as "eligible" it will investigate whether they contribute substantially, and to what extent, to at least one of the six environmental objectives without doing harm to the others and while ensuring compliance with minimum social safeguards.

Depreciation and amortization

Creating and distributing economic value is the ability to generate wealth and spread it among the stakeholders. In 2021, the Group created about € 3.2 billion in economic value, and distributed approximately € 2.7 billion. Of all value created, 85% was distributed to the internal and external stakeholders, while the remaining 15% was retained within the Group.

- 25 As per regulatory instructions, the applicable Capex is that indicated in the notes "Property, plant and equipment" and "Other intangible assets" of the consolidated Financial statements.
- 26 2019 includes capital gain for the disposal of Canadian motorways equity participation for € 37,951k
- 27 Shareholder's remuneration consists of the share of profits of the reference year which will be distributed as dividend the following year, as proposed to the Annual General Meeting by the Board of Directors in line with the previous year. For the current year the Board of Directors proposed to not distribute a dividend in 2022 (related to the 2021 Financial year) and to use available resources to cover the loss for the year
- 28 2020 includes a tax refund of \$ 119m to which the subsidiary HMSHost Corporation was entitled, by offsetting the federal tax loss incurred in 2020 as a result of the Covid-19 pandemic against the taxable income of prior years since 2015, according to the carry-back mechanism introduced in 2020 by US tax law. It was also possible to carry forward net operating losses for state tax purposes, for an additional deferred tax benefit of \$ 17m that was likewise recognized in the 2020 income statement

At headquarters, professional development (especially for top managers) often takes place in the form of workshops, conferences and seminars which are not subject to reporting and are therefore not included in the above numbers. The change in per capita training hours over the three-year period should be considered in light of the severe impact of the health emergency in 2020 and the administration of publicly funded training in Italy.

30 The Figures available as of this writing are partially estimated on the basis of the individual training plan For new hires They do not include the recently acquired companies Stellar Partners Inc (consolidated starting in 2021) and Le CroBag GmbH Figures for Autogrill Austria are temporarily unavailable and are therefore likewise excluded.

31 Calculated considering the employees assessed under the performance review process who were still employed as of 31 December, for countries with an existing performance review system The 2021 figures do not include some minor markets such as Austria, Slovenia, Belgium, and Greece (Europe) and India and the Maldives (International). Nor do they include the recently acquired companies Stellar Partners Inc and Le CroBag GmbH Some Figures are estimates
1. DIRECTORS' REPORT

Most of the change in the percentage of non-HQ employees who received performance reviews reflects turnover trends, especially in countries that only give reviews once an employee has been working for six months. Data for top managers is not included because it refers to a management by objectives approach that differs from the performance review programs in place for other employees. See the Remuneration Report for further information.

Percentages represent employee turnover rates (incoming and outgoing) and are calculated in relation to the total number of employees for each area, gender, and age range. The differences in turnover rates across regions is explained by diverse trends in the markets and in Group operations, which in some countries continued to be affected by the public health emergency.

US;

Data on direct and indirect energy consumption refers mainly to headquarters and motorway locations, where utilities are contracted directly by the Group. For Europe in particular, the motorway channel accounts for 93% of direct energy consumption and 82% of indirect consumption, where the Group will concentrate its efforts to reduce greenhouse gas emissions. The trend in consumption is closely correlated with the Group's business volumes in the different countries, which recovered somewhat in 2021, especially in the International area. At locations where utilities are included in the rent, it is not always possible to know how much is consumed; these locations, therefore, will continue to be excluded from reporting.

33 Starting from the current year. Scope 2 emission, being part of an international perimeter, are calculated according to the location-based methodology using the emission factors provided by TERNA International Comparison (2018 version For 2020 data and 2019 version For 2021 data) Further to an improvement in the reporting system and a revision of emission factors in line with the most recent ones available, emissions Figures For 2020 have been restated For data published previously, see the 2020 Non-Financial Statement of www.autogrill.com

Direct and indirect emissions from thermal energy are expressed in tons of CO₂e Indirect emissions from electricity consumption are shown in tons of CO₂ in line with the emission factors used, however the percentage of methane and nitrous oxide has a negligible impact on total emissions (CO₂e) as can be deduced by the reference technical literature The "market-based" calculation method is not applicable to current reporting because For electricity contracts, managed at the individual country level, the Group refers to the corresponding market mix

34 Scope 1 emissions related to biogas consumption was calculated using the emission Factor of 0 00068793 tCO₂e/t for 2020 and 0 00068691 tCO₂e/t for 2021 (DEFRA 2020 and DEFRA 2021) considering zero CO₂ emissions while taking into account emissions in N₂O and CH₄. To complete the reporting, CO₂ emission related to the combustion process of biogas considered out of scope and not included in the Scope 1, 2 and 3 reporting perimeter are taken into account, and are calculated using the emission Factor of 0 679 tCO₂e/l for 2020 and 2021 (DEFRA 2020 and DEFRA 2021)

INDEPENDENT AUDITORS' REPORT

Deloitte

Tel +390283322111 Fax +39 02 83322112 www.deloitte.it

INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED NON-FINANCIAL STATEMENT PURSUANT TO ARTICLE 3, PARAGRAPH 10 OF LEGISLATIVE DECREE No. 254 OF DECEMBER 30, 2016 AND ART. 5 OF CONSOB REGULATION N. 20267/2018

To the Board of Directors of Autogrill S.p.A.

Pursuant to article 3, paragraph 10, of the Legislative Decree no 254 of December 30, 2016 (hereinafter "Decree") and to article 5 of the CONSOB Regulation n. 20267/2018, we have carried out a limited assurance engagement on the Consolidated Non-Financial Statement of Autogrill S.p.A. and its subsidiaries (hereinafter "Autogrill Group" or "Group") as of December 31, 2021 prepared on the basis of art. 4 of the Decree, presented in the specific section of the report on operations and approved by the Board of Directors on March 10, 2022 (hereinafter "NFS").

Our limited assurance engagement does not extend to the information required by art. 8 of the European Regulation 2020/852 included in the paragraph "EU Taxonomy".

Responsibility of the Directors and the Board of Statutory Auditors for the NFS

The Directors are responsible for the preparation of the NFS in accordance with articles 3 and 4 of the Decree and the "Global Reporting Initiative Sustainability Reporting Standards" established by GRI - Global Reporting Initiative (hereinafter "GRI Standards"), which they have identified as reporting framework.

The Directors are also responsible, within the terms established by law, for such internal control as they determine is necessary to enable the preparation of NFS that is free from material misstatement, whether due to fraud or error.

The Directors are moreover responsible for defining the contents of the NFS, within the topics specified in article 3, paragraph 1, of the Decree, taking into account the activities and characteristics of the Group, and to the extent necessary in order to ensure the understanding of the Group's activities, its trends, performance and the related impacts.

Finally, the Directors are responsible for defining the business management model and the organisation of the Group's activities as well as, with reference to the topics detected and reported in the NFS, for the policies pursued by the Group and for identifying and managing the risks generated or undertaken by the Group.

The Board of Statutory Auditors is responsible for overseeing, within the terms established by law, the compliance with the provisions set out in the Decree.

Auditor's Independence and quality control

We have complied with the independence and other ethical requirements of the Code of Ethics for Professional Accountants issued by the International Ethics Standards Board for Accountants, which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour. Our auditing firm applies International Standard on Quality Control 1 (ISQC Italia 1) and, accordingly, maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Auditor's responsibility

Our responsibility is to express our conclusion based on the procedures performed about the compliance of the NFS with the Decree and the GRI Standards. We conducted our work in accordance with the criteria established in the "International Standard on Assurance Engagements ISAE 3000 (Revised) - Assurance Engagements Other than Audits or Reviews of Historical Financial Information" (hereinafter "ISAE 3000 Revised"), issued by the International Auditing and Assurance Standards Board (IAASB) for limited assurance engagements. The standard requires that we plan and perform the engagement to obtain limited assurance whether the NFS is free from material misstatement. Therefore, the procedures performed in a limited assurance engagement are less than those performed in a reasonable assurance engagement in accordance with ISAE 3000 Revised, and, therefore, do not enable us to obtain assurance that we would become aware of all significant matters and events that might be identified in a reasonable assurance engagement.

The procedures performed on NFS are based on our professional judgement and included inquiries, primarily with company personnel responsible for the preparation of information included in the NFS, analysis of documents, recalculations and other procedures aimed to obtain evidence as appropriate.

Specifically we carried out the following procedures:

1. Analysis of relevant topics with reference to the Group's activities and characteristics disclosed in the NFS, in order to assess the reasonableness of the selection process in place in light of the provisions of art. 3 of the Decree and taking into account the adopted reporting standard.
2. Analysis and assessment of the identification criteria of the consolidation area, in order to assess its compliance with the Decree.
3. Comparison between the financial data and information included in the NFS with those included in the consolidated financial statements of the Autogrill Group.
4. Understanding of the following matters:
 - i) business management model of the Group's activities, with reference to the management of the topics specified by article 3 of the Decree;
 - ii) policies adopted by the entity in connection with the topics specified by article 3 of the Decree, achieved results and related fundamental performance indicators;
 - (iii) main risks, generated and/or undertaken, in connection with the topics specified by article 3 of the Decree.

Moreover, with reference to these matters, we carried out a comparison with the information contained in the NFS and the verifications described in the subsequent point 5, letter a)

1. DIRECTORS' REPORT

Deloitte,,

5. Understanding of the processes underlying the origination, recording and management of qualitative and quantitative material information included in the NFS.

In particular, we carried out interviews and discussions with the management of Autogrill Italia S.p.A. e con il personale di Nuova Sidap S.r.l., HMSHost Corporation, Stellar Partners Inc., Host International of Canada Ltd, HMSHost International B.V., as well as carrying out limited documentary verifications, in order to gather information about the processes and procedures which support the collection, aggregation, elaboration and transmittal of non-financial data and information to the department responsible for the preparation of the NFS.

In addition, for material information, taking into consideration the Group's activities and characteristics:

- at the parent company's and subsidiaries' level'
 - with regards to qualitative information included in the NFS, and specifically with reference to the business management model, policies applied and main risks, we carried out interviews and gathered supporting documentation in order to verify its consistency with the available evidence;
 - with regards to quantitative information, we carried out both analytical procedures and limited verifications in order to ensure, on a sample basis, the correct aggregation of data.
- for Autogrill Italia S.p.A., Nuova Sidap S.r.l., HMSHost Corporation, Stellar Partners Inc., Host International of Canada Ltd, HMSHost International B.V., which we selected based on their activities, their contribution to the performance indicators at the consolidated level and their location, we carried out call conferences, during which we have met their management and have gathered supporting documentation with reference to the correct application of procedures and calculation methods used for the indicators.

Conclusion

Based on the work performed, nothing has come to our attention that causes us to believe that the NFS of the Autogrill Group as of December 31, 2021 is not prepared, in all material aspects, in accordance with articles 3 and 4 of the Decree and the GRI Standards.

Our conclusion on the NFS does not extend to the information required by art 8 of the European Regulation 2020/852 included in the paragraph "EU Taxonomy".

DELOITTE & TOUCHE S.p.A.

Signed by Ernesto Lanzillo

1. DIRECTORS' REPORT

CORPORATE GOVERNANCE

All information on this subject is included in the Corporate Governance Report, prepared in accordance with Art. 123 bis of Legislative Decree 58 of 24 February 1998 and approved by the Board of Directors along with the annual report. It is available at Autogrill's headquarters and secondary office, at the online market storage site www.iinfo.it <<http://www.iinfo.it>>, and on the Group's website, www.autogrill.com <<http://www.autogrill.com>> (Governance section).

MANAGEMENT AND COORDINATION

At its meeting of 18 January 2007, the Board of Directors had established that there were no conditions whereby Autogrill would be subject to the management and coordination of the parent, Schematrentaquattro S.r.l. (Schematrentaquattro S.p.A. since 18 November 2013), pursuant to Art. 2497 bis of the Italian Civil Code.

In 2017, Autogrill S.p.A. began a process to evaluate whether the reasons for its decision of 18 January 2007 still applied. In a resolution of 28 September 2017, the Board of Directors confirmed the absence of elements that would suggest management and coordination by the direct parent, Schematrentaquattro S.p.A., or by the ultimate parent, Edizione S.r.l. (hereafter "Edizione", which became a joint-stock company on 25 January 2022 and is now called Edizione S.p.A.), including in light of the following considerations:

1. the Company defines its own budgets and/or strategic, business and financial plans and carries them out independently;
2. the Company does not receive, and is not in any way subject to, directives or instructions in matters of finance or lending and borrowing;
3. commercial strategies are freely and independently assessed by the Board of Directors of the Company, which negotiates in full autonomy with customers and suppliers;
4. the Company is not subject to group policies for the purchase of goods or services in the market;
5. the Company does not receive directives or instructions with regarding to acquisitions and disposals;
6. the Company is not a party to any cash pooling agreement or other support or coordination arrangements of a financial nature;
7. the Company does not receive, and is in no way subject to, directives concerning extraordinary operations and/or investment initiatives;
8. the Company has independently drawn up and approved the organizational chart of Autogrill S.p.A. and the Autogrill Group; and
9. the Company has no obligation to comply with codes of conduct or policies imposed by Schematrentaquattro or other companies held by Edizione.

INTERCOMPANY AND RELATED PARTY TRANSACTIONS

Transactions with the related parties, including intercompany transactions, do not qualify as atypical or unusual and fall within the normal sphere of operations. They are conducted in the interests of Group companies on an arm's length basis.

See the section "Other information" in the Notes for further information on related party transactions, including the specific disclosures required by Consob Resolution 17221 of 12 March 2010, as amended. Autogrill S.p.A.'s procedures for related party transactions can be consulted on its website (www.autogrill.com <<http://www.autogrill.com>> - Governance/Related Parties section).

STATEMENT PURSUANT TO ART. 2.6.2(7) OF THE REGULATIONS FOR MARKETS ORGANIZED AND MANAGED BY BORSA ITALIANA S.P.A.

In respect of Art. 15 of Consob Regulation no. 20249 of 28 December 2017 on conditions for the listing of companies that control entities formed or governed under the laws of countries outside the European Union that are of material significance to the consolidated financial statements, we report that two companies fall under these provisions (HMSHost Corporation and Host International Inc.), that suitable procedures have been adopted to ensure total compliance with said rules, and that the conditions stated in Art. 15 have been satisfied.

RESEARCH AND DEVELOPMENT

The Group did not perform research and development during the year.

TREASURY SHARES

At 31 December 2021 Autogrill S.p.A. owned 3,181,641 treasury shares (unchanged since the end of 2020), with a carrying amount of € 13,042k and an average carrying amount of € 4.10 per share. No treasury shares were purchased or disposed of in 2021.

Autogrill S.p.A. does not own equities or other securities representing the share capital of the ultimate parents, and did not at any time during the year, either directly or through subsidiaries, trust companies or other intermediaries.

SIGNIFICANT NON-RECURRING EVENTS AND TRANSACTIONS

In 2021, there were no significant non-recurring events or transactions as defined by CONSOB Resolution 15519 of 27 July 2006 and CONSOB Communication DEM/6064293 of 28 July 2006.

1. DIRECTORS' REPORT

ATYPICAL OR UNUSUAL TRANSACTIONS

In 2021 there were no atypical and/or unusual transactions as defined by CONSOB Communication DEM/6064293 of 28 July 2006. See, respectively, Note XXVII and Section 2 of the Notes for information on the capital increase and the disposal of the US motorway business, which fall within the Group's ordinary operations.

INFORMATION PURSUANT TO ARTS. 70 AND 71 OF CONSOB REGULATION NO. 11971/1999

On 24 January 2013 the Board of Directors of Autogrill S.p.A. voted to take the option provided for by Consob Resolution 18079 of 20 January 2012 that exempts companies from issuing the public disclosure documents required by Arts. 70 and 71 of the Listing Rules (Consob Regulation 11971/1999) in the case of significant mergers, demergers, increases in share capital through contributions in kind, acquisitions, and transfers. The disposal of the US motorway business, finalized in July 2021, is in any case not a large enough transaction to require a written disclosure document pursuant to the above regulatory clauses.

2. CONSOLIDATED FINANCIAL STATEMENTS

GROUP OPERATIONS

The Autogrill Group operates in the food & beverage industry, mainly at airports, motorway rest stops and railway stations, under contracts known as concessions.

1. ACCOUNTING POLICIES AND CONSOLIDATION METHODS

GENERAL STANDARDS

These financial statements were prepared in accordance with the International Financial Reporting Standards (IFRS) published by the International Accounting Standards Board (IASB) and endorsed by the European Union. IFRS means International Financial Reporting Standards including International Accounting Standards (IAS), supplemented by the interpretations issued by the International Financial Reporting Interpretations Committee (IFRIC), previously called the Standing Interpretations Committee (SIC).

The financial statements are also compliant with the rules on reporting formats adopted by CONSOB in accordance with Art. 9 of Legislative Decree 38/2005 and with the other CONSOB regulations on financial reporting.

The 2021 consolidated financial statements were prepared on a going-concern basis using the euro as the functional currency. Unless otherwise specified, the figures in the financial statements and Notes are in thousands of euros (€k).

Below are the accounting standards, amendments and interpretations issued by the IASB and endorsed by the European Union for mandatory adoption in financial statements for years beginning on 1 January 2021:

- amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4, and IFRS 16 in accordance with the document "Interest rate benchmark reform - phase 2" published by the IASB on 27 August 2020, which entered into force on 1 January 2021;
- Covid-19-Related Rent Concessions beyond 30 June 2021 (Amendments to IFRS 16), published on 31 March 2021 and applicable from 1 April 2021, endorsed on 30 August 2021.

Except for "Covid-19-Related Rent Concessions beyond 30 June 2021", the application of the amendments listed above did not affect the Group's financial statements to an extent requiring mention in these Notes.

(endorsed on 7 October 2020). Because the Covid-19 pandemic is still having a significant impact, the amendment allows lessees to recognize directly in the income statement the benefits of the reduction and cancellation of minimum lease payments originally due by 30 June 2022, rather than 30 June 2021 as established by the 2020 expedient, without the need to determine whether they constitute lease modifications as defined by IFRS 16. The net total benefit from negotiation with landlords, reflected in the 2021 Income statement as a result of the above amendment, is € 174,668k (€182,634k in 2020).

Finally, we report that the breakdown of the net financial position provided in this report as required by Consob's circular of 28 July 2006 has been revised in accordance with the latest ESMA recommendations of 4 March 2021.

Below are the accounting standards, amendments and interpretations issued by the IASB and endorsed by the European Union for mandatory adoption in years beginning on or after 1 January 2022 that Autogrill did not choose to apply early in the 2021 financial statements:

- Amendments to IFRS 3 Business Combinations, for the purpose of updating the reference in IFRS 3 to the revised version of the Conceptual Framework, with no material changes to the accounting standard;
- Amendments to IAS 16 Property, Plant and Equipment, to prohibit the deduction from the cost of an item of property, plant and equipment any proceeds from the sale of items produced during the asset's testing phase. Such proceeds and the related costs will instead be recognized in profit or loss;
- Amendments to IAS 37 Provisions, Contingent Liabilities and Contingent Assets, to clarify that all costs relating directly to a contract must be considered when determining whether the contract is onerous. Therefore, an entity should consider both incremental costs (e.g. materials) as well as any costs it cannot avoid because it is a party to the contract (e.g. the depreciation of machinery used to fulfill the contract);
- Annual Improvements 2018-2020: the improvements concern IFRS 1 First-time Adoption of International Financial Reporting Standards, IFRS 9 Financial Instruments, IAS 41 Agriculture, and the Illustrative Examples of IFRS 16 Leases.

The Directors are currently assessing the potential impact of these amendments which, in any case, should not affect the Group's financial statements to an extent requiring mention in these Notes.

As concerns accounting policies, amendments and interpretations not yet endorsed by the European Union:

- on 23 January 2020, the IASB published "Amendments to IAS 1 Presentation of Financial Statements: Classification of Liabilities as Current or Non-current". These clarifying amendments come into force on 1 January 2023;
- on 12 February 2021 the IASB published two amendments: "Disclosure of Accounting Policies - Amendments to IAS 1 and IFRS Practice Statement 2" and "Definition of Accounting Estimates - Amendments to IAS 8". The amendments improve the disclosure of accounting policies in order to provide more useful information to investors and to other primary users of financial statements, and help companies distinguish changes in accounting estimates from changes in accounting policies. They are applicable as of 1 January 2023;
- on 7 May 2021 the IASB published "Amendments to IAS 12 Income Taxes: Deferred Tax related to Assets and Liabilities arising from a Single Transaction". The amendments clarify the accounting of deferred tax on certain transactions that can generate assets and liabilities of the same amount, such as leasing and decommissioning obligations. They are applicable as of 1 January 2023.

The Directors are assessing the potential effects of these amendments on the consolidated financial statements.

2. CONSOLIDATED FINANCIAL STATEMENTS

STRUCTURE, FORMAT AND CONTENT OF THE CONSOLIDATED FINANCIAL STATEMENTS

The financial statements are clearly presented and give a true and fair view of the Group's financial position, results and cash flows. Formats and standards are constant over time.

Pursuant to IAS 1(24) and IAS 1(25), the consolidated financial statements have been prepared on a going concern basis with respect to both the Parent company and the Group. Confirmation of going concern status reflects (i) the level of capitalization, especially considering the capital increase approved on 25 February 2021 and finalized in early July 2021 (Note XXVII), (ii) the availability of approximately € 1,060m in cash and credit facilities at 31 December 2021, thanks in part to the refinancing concluded in December 2021 (Note XXI) and the disposal of the US motorway business which generated positive cash flows of € 322.7m (Section 2), and (iii) the lack of significant debt maturing before October 2024.

In accordance with IAS 1 and IAS 7, the formats used in the 2021 consolidated financial statements are as follows:

- Statement of financial position, with assets and liabilities split between current and non-current items;
- Income statement, with costs classified by nature;
- Statement of comprehensive income;
- Statement of changes in equity;

- Statement of changes in equity,
- Statement of cash flows, using the indirect method to determine cash flow from operating activities.

The financial statements of each company included in the scope of consolidation are prepared in the currency of its primary location (functional currency). For the purposes of the consolidated financial statements, the assets and liabilities of foreign subsidiaries with a functional currency other than the euro, including goodwill and fair value adjustments generated by the acquisition of a foreign business, are translated at the rates prevailing at year end. Income and expense are converted at average exchange rates for the year, which approximate those in force when the corresponding transactions took place. Exchange differences are recognized in the statement of comprehensive income and shown under "translation reserve" in the statement of changes in equity. Exchange gains and losses arising from receivables or payables with foreign operations, the collection or payment of which is neither planned nor likely in the foreseeable future, are treated as part of the net investment in foreign operations and are recognized in other comprehensive income and shown under "translation reserve" in the statement of changes in equity.

Below are the exchange rates used to translate the financial statements of the main subsidiaries with a functional currency other than the euro:

		2021		2020	
		Rate on 31 December	Average rate for the period	Rate on 31 December	Average rate for the period
US Dollar	j	1.1326	1.1827]	1.2271	1.1422
Canadian Dollar	!	1.4393	1.48261	1.5634	1.5311
Swiss Franc		1.0331	1.0811;	10802	10705

173

ANNUAL REPORT 2021

BASIS OF CONSOLIDATION

The scope of consolidation includes subsidiaries for which the Group, pursuant to IFRS 10, is exposed to or has rights to variable returns and is able to affect those returns through power over these investees. The list of consolidated companies is annexed to these Notes.

The consolidated financial statements include the 2021 financial statements of Autogrill S.p.A. and all companies it directly or indirectly controls or controlled during the year. The scope of consolidation also includes a French company that is not wholly owned and others belonging to the US subsidiary HMSHost Corporation (see the annex "List of consolidated companies and other investments"), which are controlled on the basis of a 50% or lower stake and an agreement that puts their business under the management of Autogrill.

The financial statements of subsidiaries are consolidated on a line-by-line basis, i.e. by recognizing the full amount of their assets and liabilities at the close of the year and their income and expenses for the entire year or for the portion of the year during which control was maintained, and eliminating the carrying amount of the consolidated equity investments held by the parent against the relative share of equity.

Non-controlling interests in the net assets of consolidated subsidiaries are identified separately from equity attributable to the owners of the Parent. They are determined on the basis of the non-controlling investors' share of the fair value of the assets and liabilities recognized at the date of acquisition (see "Business combinations") and of changes in equity attributable to non-controlling interests after that date.

Any material unrealized gains and losses arising out of transactions between consolidated companies are eliminated! as are all significant payables, receivables, income and expenses between Group companies. These adjustments, like the other consolidation adjustments, take account of any

receivables, income and expenses between Group companies. These adjustments, like the other consolidation adjustments, take account of any deferred tax effects.

The income and expense of subsidiaries acquired or sold during the year are included in the consolidated income statement from the actual date of acquisition or to the actual date of disposal, with slight timing adjustments where these dates do not coincide with monthly accounting dates. If necessary, adjustments are made to subsidiaries' financial statements to bring their accounting policies into line with those of the Group.

If control of a subsidiary is lost, the Group eliminates assets and liabilities, non-controlling interests, and other components of equity relating to the former subsidiaries. Gain or loss resulting from loss of control is recognized in profit or loss. Any interest retained in the former subsidiary is measured at fair value on the date of loss of control. It is subsequently valued using the net equity method, or as a financial asset depending on the degree of influence retained. J

HMSHost Corporation and its subsidiaries, following common practice in English-speaking countries, close their fiscal year on the Friday closest to 31 December and divide it into 13 four-week periods, which in turn are grouped into 12-week quarters with the exception of the last which is a 16-week quarter. As a result, the accounts included in the 2021 consolidated financial statements cover the period 2 January to 31 December 2021, while the previous year's accounts covered the period 4 January 2020 to 1 January 2021. This has had no significant impact on the statement of financial position at 31 December 2021 or on results for the year.

With respect to 31 December 2020 there were no significant changes in the scope of consolidation, except for the disposal of various companies in the US motorway channel. For details of that operation, see Section 2 below ("Disposals") and the Directors' Report.

It should be reminded that, in particular, the Group doesn't have a meaningful direct exposure to Russia (€ 4.1m of revenue in 2021, 0.1% of the Group Revenues).

2. CONSOLIDATED FINANCIAL STATEMENTS

ACCOUNTING POLICIES

The Group follows the historical cost principle, except for items that in accordance with IFRS are measured at fair value pursuant to IFRS 9 and IFRS 13, as specified in the individual accounting policies below.

BUSINESS COMBINATIONS

The Group follows the rules of IFRS 3 (2008) - Business combinations.

All business combinations are accounted for using the acquisition method. The consideration transferred in a business combination includes the sum of fair value, as of the acquisition date, of the assets and liabilities transferred and of the interests issued by the Group in exchange for control of the acquired company, as well as the fair value of any contingent consideration and incentives in share-based payments recognized by the acquiree that have to be replaced in the business combination. If the business combination settles a pre-existing relationship between the Group and the acquiree, the lesser of the settlement provision, as established by contract, and the off-market price of the element is deducted from the consideration transferred and recognized under other costs.

The identifiable assets acquired and the identifiable liabilities assumed are measured at their respective acquisition-date fair values.

A contingent liability of the acquiree is assumed in a business combination only if this liability represents a current obligation deriving from past events and when its fair value as of the acquisition date can be reliably measured.

For each business combination, any minority interest in the acquiree is measured at fair value or in proportion to the minority share of the acquiree's net identifiable assets.

Goodwill arising from the acquisition is recognized as an asset and is initially measured as the excess between the consideration transferred and the acquisition-date net amount of the identifiable assets acquired and the identifiable liabilities assumed.

In case of a business combination achieved in stages, the interest previously held in the acquiree is remeasured at its acquisition-date fair value and any resulting gain or loss is recognized in profit or loss.

The costs relating to the acquisition are recognized in profit or loss in the years in which the costs are incurred and the services received; the sole exception is for the cost of issuing debt securities or equities.

Conversely, if a disposal leads to lost control of an entity, the difference between the disposal price and the value of the net assets transferred

Conversely, if a disposal leads to lost control of an entity, the difference between the disposal price and the value of the net assets transferred (corresponding to the change in the scope of consolidation) is taken to profit or loss, while for disposals without loss of control (where the entity remains in the scope of consolidation) the difference between the disposal price and the value of the net assets transferred is recognized in equity.

BUSINESS COMBINATIONS UNDER COMMON CONTROL

A business combination in which the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination, when that control is not transitory, qualifies as a combination "under common control". Business combinations under common control are outside the scope of IFRS 3 "Business Combinations" and of other IFRS. In the absence of an accounting principle that deals specifically with these transactions, the most suitable accounting principle to be chosen

175

ANNUAL REPORT 2021

should meet the general object of IAS 8, that is, faithful and reliable presentation of the transaction. Furthermore, the accounting treatment of business combinations under common control should reflect the economic substance of the transaction, regardless of its legal form. The pre-eminence of economic substance is therefore the key factor guiding the method chosen to account for these business combinations. Economic substance must refer to the creation of added value that translates into significant changes in the cash flows of the net assets transferred.

The accounting treatment of the transaction should also take account of current interpretations and trends, in particular OPII (Orientamenti Preliminari Assirevi in tema di IFRS - Preliminary Orientations on IFRS by the Italian Association of Auditors), "Accounting treatment of business combinations of entities under common control in separate and consolidated financial statements".

The Autogrill Group recognizes the net assets transferred at the carrying amounts presented in the consolidated financial statements of the common parent and treats the resulting difference between the acquisition price and the value of the net assets transferred as an adjustment of net equity reserves attributable to the Group. Conversely, in the case of discontinued operations, the difference between the disposal price and the value of the net assets transferred is treated as an adjustment of the Autogrill Group's share of net equity reserves.

ACQUISITIONS OF NON-CONTROLLING INTERESTS

The Group applies IFRS 10 to all acquisitions carried out after control is assumed. On that basis, such acquisitions are treated as transactions carried out with shareholders in their capacity as owners, and do not give rise to goodwill. Adjustments to non-controlling investments are based on a proportional amount of the subsidiary's net assets. Previously, the recognition of goodwill from the acquisition of a non-controlling interest in a subsidiary represented the excess cost of the additional investment with respect to the book value of the interest in the net assets acquired on the transaction date.

INVESTMENTS IN ASSOCIATES AND JOINT VENTURES

An associate is a company over which the Group has a significant influence, but not control or joint control, through participation in decisions regarding the associate's financial and operational policies; a joint venture is an agreement through which the Group has rights to net assets, rather than rights to assets and obligations for liabilities.

The income, expenses, assets and liabilities of associates and joint ventures are recognized in the consolidated financial statements using the equity method, except where the investment is classified as held for sale.

Accordingly, investments in associates and joint ventures are initially recognized at cost. The cost of the investment includes transaction costs. The consolidated financial statements include the Group's share of the investees' profits or losses, recognized using the equity method, up to the date it no longer has significant influence or joint control.

RECOGNITION OF REVENUE AND COSTS

The standard "IFRS 15 - Revenue from Contracts with Customers" sets out the following model for recognizing revenue:

- identify the contract with a customer;
- identify the performance obligations in the contract;
- determine the transaction price;

- determine the transaction price;
- allocate the transaction price to the performance obligations in the contract;
- revenue is recognized when the entity satisfies each performance obligation.

2. CONSOLIDATED FINANCIAL STATEMENTS

In this context, sales revenue and costs for the purchase of goods are recognized on transfer of title at fair value, i.e., the price paid or received net of returns, rebates, sales discounts and year-end bonuses.

Revenue is recognized when (or gradually as) the risks and the benefits connected to ownership of the goods are transferred to the buyer and the amount of the revenue can be accurately measured. If it is probable that discounts will be granted and the amount can be measured reliably, the discount is charged as a reduction of revenue when the sale is recognized.

Goods are transferred when the customer acquires control, meaning the ability to decide how an asset is used and to reap its benefits. In the case of a retail sale, the transfer generally takes place when the goods are delivered and the consumer has paid the consideration asked. In the instance of wholesale transactions, the transfer usually coincides with the arrival of the products in the client's warehouse.

Service revenue and costs are recognized according to the stage of completion at year end. Stage of completion is determined according to measurements of the work performed. When the services covered under a single contract are provided in different years, the consideration will be broken down by service provided on the basis of the relative fair value.

When the Group is acting as an agent and not as a principal in a sales transaction, the revenue recognized is the net amount of the Group's premium or commission.

Grants, including non-monetary grants measured at fair value, are recognized if there is reasonably certainty that the Group will meet the conditions set out in contracts (in the case of private grants, e.g. awarded against services rendered) or government regulations (in the case of public grants awarded in the different countries where the Group operates) and that the grants will be received.

Capital grants are recorded in the statement of financial position as deferred revenue, which is recognized as income on a systematic, rational basis over the useful life of the tangible or intangible asset.

Operating grants are recognized on a systematic basis in the income statement in the years in which the Group recognizes as costs the expenses that the grants are intended to offset.

Where a government grant is meant to provide immediate financial assistance, such as the various forms of relief provided by different countries' governments in response to the Covid-19 pandemic, it may be recognized in the income statement the year the right to receive it accrues.

Such operating grants are recognized in the income statement under "Other operating income" or, alternatively, deducted from the related cost.

Recoveries of costs borne on behalf of third parties are recognized as a deduction from the related cost.

RECOGNITION OF FINANCIAL INCOME AND EXPENSE

Financial income includes interest on invested liquidity (including financial assets available for sale), income from finance lease receivables, dividends approved, proceeds from the transfer of financial assets available for sale, fairvalue changes in financial assets recognized in profit or loss, income arising from a business combination due to the remeasurement at fair value of the interest already held, gains on hedging instruments recognized in profit or loss, and the reclassification of net gains previously recognized in

other comprehensive income. Interest income is recognized on an accruals basis using the effective interest method. Dividends are recognized when the Group's right to receive them is established.

Financial expense includes interest on loans, expense on lease liabilities and defined benefit plans, the release of discounting on provisions and deferred income, losses from the transfer of financial assets available for sale, fair value changes in financial assets recognized in profit or loss and in contingent consideration, impairment losses on financial assets (other than trade receivables), losses on hedging instruments recognized in profit or loss, and the reclassification of net losses previously recognized in other comprehensive income.

Net foreign exchange gains or losses on financial assets/liabilities are shown under financial income and expense on the basis of the net gain or loss produced by foreign currency transactions.

EMPLOYEE BENEFITS

All employee benefits are recognized and disclosed on an accruals basis.

Group companies provide defined benefit and defined contribution plans.

Post-employment benefit plans are formalized agreements whereby the Group provides post-employment benefits to one or more employees. The manner in which these benefits are provided varies according to legal, fiscal and economic conditions in the countries in which the Group operates, and are normally based on compensation and years of service.

Defined-contribution plans are post-employment benefit plans under which the Group pays pre-determined contributions to a separate entity (a fund) and will have no legal or constructive obligation to pay further contributions should the fund have insufficient assets to pay all benefits to employees.

Defined benefit plans are post-employment benefit plans other than defined contribution plans. Defined benefit plans may be unfunded or entirely or partly funded by contributions paid by the employer, and sometimes by the employee, to a company or fund which is legally separate from the company that pays the benefits.

The amount accrued is projected forward to estimate the amount payable on termination of employment and is then discounted using the projected unit credit method, which determines the liability on the basis of employment conditions in effect on the date it is measured.

The liability is recognized in the accounts net of the fair value of any plan assets. If the calculation generates a benefit for the Group, the amount of the asset recognized is limited to the sum of any unrecognized cost for previous employment and the present value of economic benefits available in the form of refunds from the plan or reductions in future contributions to the plan. An economic benefit is available to the Group when it can be realized throughout the duration of the plan or upon settlement of the plan liabilities.

Actuarial valuations are made by actuaries outside the Group. Actuarial gains and losses from experience adjustments and changes in actuarial assumptions are recognized in the statement of comprehensive income.

Due to changes in the system of post-employment benefits (frattamento di fine rapporto or TFR) brought about by Law 296 of 27 December 2006 and by the decrees and regulations issued in early 2007 (the "Social security reform"):

- TFR accrued at 31 December 2006 by employees of the Group's Italian companies is treated as a defined benefit plan in accordance with IAS 19. The benefits promised to employees in the form of TFR, which are paid upon termination of service, are recognized in the period in which the right vests;

2. CONSOLIDATED FINANCIAL STATEMENTS

- TFR accrued from 1 January 2007 is treated as a defined contribution plan, so contributions accrued during the period are fully recognized as costs. The portion not yet paid into the funds is listed under current liabilities (other payables).

SHARE-BASED PAYMENTS

In the case of share-based payment transactions settled with equity instruments of the company, which include the Performance Share Unit plan, the grant-date fair value of the options granted to employees is recognized in personnel expense with a corresponding increase in equity ("Other reserves and retained earnings"), over the period in which the employees become unconditionally entitled to the awards. The fair value of options is estimated on the basis of all market-based vesting conditions, such as the performance of Autogrill shares and market indexes. Also, so that the final amount is based on the number of options that will actually vest, the cost is adjusted to reflect both service conditions and non-market conditions.

There is no true-up for differences between expected and actual conditions.

In the case of cash-settled share-based payment transactions (or those settled with equity or other financial instruments issued by a different entity), which include the Growth Potential Share Option plan, the fair value of the amount payable to employees is recognized as cost with an increase in

which include the Group's Phantom Stock Option plan, the fair value of the amount payable to employees is recognized as a cost, with an increase in liabilities as a contra entry over the period during which the employees have the unconditional right to receive payment. The liability is measured at each year-end and at the settlement date, based on the remeasurement of the fair value of the option rights. Any changes in the fair value of the liability are recognized in profit or loss under personnel expense (employee benefits).

INCOME TAX

Tax for the year is the sum of current and deferred taxes recognized in the profit or loss for the year, with the exception of those recognized directly in equity or in other comprehensive income.

Current tax is calculated on taxable income for the year. Taxable income differs from the result reported in the income statement because it excludes costs and income that will be deducted or taxed in other years ("temporary differences"), as well as items that will never be deducted or taxed ("permanent differences"). Current tax liabilities are determined using the tax rates in effect (on an official or de facto basis) on the reporting date in the countries where the Group operates.

For three-year period 2019-2021, Autogrill S.p.A. is following the tax consolidation regulations of the ultimate parent Edizione S.p.A., as permitted by the Consolidated Income Tax Act.

Under those regulations, the Company is also part of the fiscal subconsolidation with the other Italian subsidiaries, which for IRES (corporate income tax) purposes only, involves the settlement of accounts receivable or payable with the Parent company Autogrill S.p.A.

The regulations provide for:

- payment in full of the amount corresponding to the transferred profit times the IRES rate;
- payment in full of the amount corresponding to the transferred loss times the IRES rate, when utilized by Edizione S.p.A.;
- the transfer of any tax assets, also with respect to the subgroup including all Italian subsidiaries, as acknowledged in the regulations defining transactions with Edizione S.p.A.

The net current tax asset or liability for the year, in respect of IRES only, is therefore recognized as a receivable or payable due from/to Edizione S.p.A. and is therefore

179

ANNUAL REPORT 2021

not shown under tax assets or liabilities but under "Other receivables" or "Other payables".

Deferred tax liabilities are generally recognized for all taxable temporary differences, while deferred tax assets, arising from deductible temporary differences and losses carried forward, are recognized and maintained in the financial statements to the extent that future taxable income is likely to be earned allowing use of those assets. Specifically, the carrying amount of deferred tax assets is reviewed at each reporting date based on the latest forecasts as to future taxable income, also with respect to the subgroup including all Italian subsidiaries, as acknowledged in the regulations defining transactions with Edizione S.p.A.

Deferred tax assets and liabilities are not recognized if the temporary differences arise from the initial recognition of goodwill or, for transactions other than business combinations, of other assets or liabilities in transactions that have no influence either on accounting profit or on taxable income. Deferred tax liabilities are recognized on taxable temporary differences relating to equity investments in subsidiaries, associates or joint ventures, unless the Group is able to monitor the reversal of the temporary differences and they are unlikely to be reversed in the foreseeable future.

Deferred tax assets and liabilities are measured using the tax rate that will apply at the time the asset is realized or the liability is settled, taking account of the tax rates in force at the end of the year.

Current and deferred tax assets and liabilities are offset when there is a legal right to do so and when they pertain to the same tax authorities.

Note that coordination between the international accounting standard IFRS 16 and calculation of the tax effect in Italy is governed by an Economy Ministry decree dated 5 August 2019.

NON-CURRENT ASSETS

GOODWILL

Goodwill arising from the acquisition of subsidiaries is shown separately in the statement of financial position.

Goodwill is not amortized, but is subject to impairment testing on a yearly basis or when specific events or changed circumstances indicate the possibility of a loss in value. After its initial recognition, goodwill is measured at cost net of any accumulated impairment losses.

Upon the sale of a company or part of a company whose previous acquisition gave rise to goodwill, account is taken of the residual value of the goodwill in determining the capital gain or loss from the sale.

OTHER INTANGIBLE ASSETS

"Other intangible assets" are recognized at purchase price, production cost or goodwill value, including ancillary charges, and amortized over their useful life when it is likely that use of the asset will generate future economic benefits.

The Group reviews the estimated useful life and amortization method of these assets at each year end and whenever there is evidence of a change in the asset's expected future profitability. If impairment losses arise - determined in accordance with the section "Impairment losses and reversals" - the asset is written down accordingly.

2. CONSOLIDATED FINANCIAL STATEMENTS The following are the amortization periods used

for the various kinds of intangible asset:

Concessions, licenses, trademarks and similar rights:

Software licenses	3-10 years or term of license
License to sell state monopoly goods	Term of license
Contractual rights 3-6 years	Term of the rights
2-10 years or term of underlying contract	

Other:

Software on commission Other costs to be amortized

PROPERTY, PLANT AND EQUIPMENT

"Property, plant and equipment" are recognized when it is probable that use of the asset will generate future benefits and when the cost of the asset can be reliably determined. They are stated at purchase price or production cost, including ancillary charges and direct or indirect costs according to the share that can reasonably be attributed to the asset.

On transition to IFRS, any revaluations carried out in accordance with monetary revaluation laws were maintained in the financial statements as they are consistent with IFRS 1.

"Property, plant and equipment" are depreciated on a straight-line basis at rates deemed to reflect their estimated useful lives. The Group reviews the useful life of each asset at every year end. Cost includes reasonably estimated expenses (if compatible with IAS 37) that are likely to be incurred on expiry of the relevant contract to restore the asset to the contractually agreed condition, assuming that maintenance will continue to be carried out properly and with the usual frequency. Components of significant value (in excess of € 500k) or with a different useful life (50% longer or shorter than that of the asset to which the component belongs) are considered separately when determining depreciation.

The following are the depreciation periods used for property, plant and equipment:

Property, plant and equipment	Useful life (years)
Industrial buildings	5-50
Plant and machinery	3-14
Industrial and commercial equipment	2-22

Industrial and Commercial equipment	2-23
Other	3-23

Land is not depreciated.

For "Assets to be transferred free of charge", these rates, if higher, are replaced by those corresponding to the term of the concession contract. An asset's useful life is reviewed annually, and is changed when maintenance work during the year has involved enhancements or replacements that materially change its useful life.

In the event that, regardless of depreciation already recorded, there is a loss in value determined according to the criteria described in the section "Impairment losses and reversals on non-current assets", the asset is written down accordingly.

Costs incurred to enhance and maintain an asset that produce a material and tangible increase in its productivity or safety or extend its useful life are capitalized and amortized over the asset's useful life. Routine maintenance costs are taken directly to the income statement.

181

ANNUAL REPORT 2021

Leasehold improvements are included in property, plant and equipment on the basis of the type of cost incurred. They are depreciated over the asset's residual useful life or the term of the concession contract, whichever is shorter.

The gain or loss from the sale of property, plant or equipment is the difference between the net proceeds of the sale and the asset's carrying amount, and is recognized under "Other operating income" or "Other operating expense".

RIGHT-OF-USE ASSETS

"Right-of-use assets" are recognized as of the commencement date of the lease contract, namely the date when the lessor makes the underlying asset available to the lessee. In some circumstances, the lease contract may contain different lease components and consequently the effective date shall be determined by each lease component.

"Right-of-use assets" are initially valued at cost and include the present value of the lease liability, the lease payments made before or at the commencement date of the lease contract, and any other initial direct cost. They can then be further adjusted to reflect any remeasurement of lease receivables/liabilities.

"Right-of-use assets" are systematically depreciated over the lease term or the asset's residual useful life, whichever is shorter. Typically, in the Group, lease contracts do not provide for the transfer of ownership of the underlying asset and therefore depreciation is carried out over the contractual term. Depreciation begins as of the commencement date of the lease.

Regardless of depreciation already recognized, if there are impairment losses (determined as described for onerous contracts), the asset is written down accordingly.

The Group has made certain professional judgments involving the definition of some accounting policies and the use of estimates and assumptions. In detail:

- not to apply IFRS 16 to leases that have as underlying an intangible asset;
- not to apply IFRS 16 to some Italian contracts where Autogrill Italia S.p.A. already owns the land and buildings along the motorway and negotiates access rights with the landlord, with the commitment to sell fuel and lubricants and/or food and beverages to motorway users;
- for the purpose of determining the lease term, to analyze lease agreements and define each one's term as the "non-cancellable" period, together with the effects of any extension or early termination option if the exercise of these is deemed reasonably certain using the information available at the inception date;
- as the implicit interest rate is not available for all the Group's leases, to determine lease liabilities by applying to future minimum lease payments a discount rate equal to the risk-free rate of each country where the leases were drawn up, with maturities in line with the duration of the leases plus a country-specific credit spread.

IMPAIRMENT LOSSES AND REVERSALS ON NON-CURRENT ASSETS

At each balance sheet date, the Group tests whether there are internal or external indicators of impairment or reversal of impairment for its property, plant and equipment, intangible assets, and right-of-use assets, with reference to the total amount of such assets allocated per cash generating unit. If so, the recoverable amount of the assets is estimated to determine any impairment loss or reversal. Where it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs; a cash-generating unit is a group of assets that generates cash flows broadly independent from other assets or groups of assets. With regard to property, plant and equipment and right-of-use assets in the sales network, this minimum aggregation unit is the store or stores covered by a single concession agreement.

Goodwill and assets under development are tested for impairment at each year end and any time there is evidence of possible impairment.

2. CONSOLIDATED FINANCIAL STATEMENTS

The cash generating units to which goodwill has been allocated are grouped so that the level of detection of impairment reflects the level of greatest detail at which goodwill is monitored for internal reporting purposes. Goodwill acquired in a business combination is allocated to the cash-generating units expected to benefit from the synergies of the combination.

The recoverable amount is the higher of market value (fair value less costs to sell) and value in use. In determining value in use, the estimated future cash flows are discounted to their present value using a post-tax rate that reflects current market assessments of the time value of money and the risks specific to the asset. If the recoverable amount of an asset or cash-generating unit is estimated to be less than its carrying amount, it is reduced to recoverable amount. Impairment losses are recognized in the income statement.

Impairment losses on cash-generating units are first deducted from the carrying amount of any goodwill attributed to the unit; any remainder is deducted from the other assets of the unit, including right-of-use assets, in proportion to their carrying amount.

If the reason for the impairment loss no longer exists, the asset or cash-generating unit is reversed to the new estimate of recoverable amount (except in the case of goodwill), which may not exceed the carrying amount net of depreciation/amortization that the asset would have had if the impairment loss had not been charged. The reversal of impairment is taken to the income statement.

ASSETS/LIABILITIES HELD FOR SALE AND DISCONTINUED OPERATIONS

A discontinued operation is part of a group whose activities and financial flows are clearly distinguishable from the rest of the group, and which:

- constitutes a major independent branch or geographical area of business,
- is part of a single coordinated plan to dispose of a major independent branch or geographical area of business, or
- is a subsidiary acquired for the sole purpose of reselling it.

An operation is listed as discontinued when it is sold or when it meets the conditions for being classified as "held for sale", whichever comes first.

When an operation is listed as discontinued, the comparative statement of comprehensive income is redetermined as if the operation had been discontinued as of the beginning of the previous year.

The assets and liabilities of operations being discontinued are classified as held for sale if their carrying value has been or will be recovered mainly through their sale and not through continued use. Once an asset/liability is classified as held for sale, it is recognized at the lower of carrying value and fair value net of costs to sell.

In the financial statements:

- the net profit or loss of discontinued operations is shown separately in the income statement, net of tax effects and transfer costs (if sold), along with any capital gain or loss realized with the sale; the corresponding amounts from the prior year are reclassified for the sake of comparison;
- financial assets and liabilities held for sale and discontinued operations are shown in the statement of financial position separately from other assets/liabilities and are not offset.

ASSETS AND LIABILITIES - CURRENT AND NON-CURRENT

INVENTORIES

Inventories are recognized at the lower of purchase or production cost and market value. Purchase or production cost includes directly attributable expenses, net of discounts, rebates, annual bonuses and similar contributions from suppliers, and is calculated using the FIFO method or with criteria that approximate FIFO. When the carrying value of

that approximate FIFO, when the carrying value of

ANNUAL REPORT 2021

inventories is higher than their net realizable value, they are written down and an impairment loss is charged to the income statement. The recoverability of inventories is verified at each reporting date. If the reasons for the impairment loss cease to apply, they are reversed to an amount not exceeding purchase or production cost.

TRADE AND OTHER RECEIVABLES

"Trade receivables" and "Other receivables" are initially recognized at fair value, and subsequently at amortized cost, where necessary, using the effective interest method. They are reduced by estimated impairment losses, determined according to procedures that may involve both writedowns of individual positions, if material, where the receivables are objectively uncollectable in whole or in part, or generic impairment calculated on the basis of historical and statistical data ("expected credit losses" or "ECL").

In accordance with international accounting standard IFRS 9, factored receivables are eliminated from the accounts if the contract entails the full transfer of the associated risks and rewards (contractual rights to receive cash flows from the asset). The difference between the carrying value of the asset transferred and the amount received is recognized in the income statement under financial expense.

LEASE RECEIVABLES

In its role as sub-lessor, the Group recognizes lease receivables as of the commencement date of the lease.

The sub-leases are determined with reference to the right-of-use asset deriving from the principal lease contract, rather than the underlying asset. For this reason, considering the recognition of a right-of-use asset under IFRS 16 and the fact that the sub-leases typically have a duration equal to the principal lease, the Group reduces its right-of-use assets and recognizes a lease receivable as a counter-entry, split between current and non-current assets.

The lease receivable corresponds to the present value of the minimum lease payments to be received as of the commencement date, including those determined on the basis of an index or rate (initially valued using the index or rate at the commencement date of the contract), as well as any penalties in the event that the lease term provides for the option for the early termination of the lease contract and the exercise of that option is estimated to be reasonably certain. The present value is determined using the implicit interest rate of the lease contract. If it is not possible to determine this rate easily, the Group uses the incremental borrowing rate as discount rate. The lease receivable is subsequently increased by the interest accrued and decreased by the receipts received for the lease.

Lease receivables are remeasured in the event of changes in the future minimum receipts expected for the lease, as result of:

- changes in the index or rate used to determine the lease receipts: in such cases the lease receivables are remeasured by discounting the new minimum lease receipts at the initial discount rate;
- change in the lease term or in the likelihood of exercise of the purchase, extension, or early termination option: in such cases the lease receivable is remeasured by discounting the new minimum lease receipts at the discount rate in place at the date of the change;
- contractual changes that do not fall under any of the reasons for the separate recognition of a new lease: in these cases as well, the lease receivable is remeasured by discounting the new minimum lease payments at the discount rate in place at the date of the change.

The use of estimates in relation to the measurement of lease receivables is mentioned in the previous section on right-of-use assets.

OTHER FINANCIAL ASSETS

IFRS 9 requires a single approach to the analysis and classification of all financial assets, including those containing embedded derivatives. They are classified and measured

2. CONSOLIDATED FINANCIAL STATEMENTS

considering both the business model applied to the asset and the contractual characteristics of the cash flows the asset produces. Depending on the characteristics of the asset and the business model, it will fall into one of three categories: (i) financial assets measured at amortized cost; (ii)

financial assets measured at fair value through other comprehensive income (FVTOCI); (iii) financial assets measured at fair value through profit and loss (FVTPL).

A financial asset is measured at amortized cost if both of the following conditions are met: (i) the business model consists of holding the financial asset for the sole purpose of collecting cash flows; and (ii) the asset generates, on contractually predetermined dates, cash flows consisting solely of payments of principal and interest. Under the amortized cost method, the initial value recognized is subsequently adjusted to take account of the reimbursement of principal, any impairment losses, and amortization of the difference between the redemption value and the initial carrying amount. Amortization is charged at the internal effective interest rate, corresponding to the rate which, upon first-time recognition, makes the present value of projected cash flows equal to the initial carrying amount. Receivables and other financial assets measured at amortized cost are presented in the statement of financial position net of impairment provisions.

Financial assets consisting of debt instruments whose business model allows for both the collection of contractual cash flows and the realization of capital gains (held to collect and sell) are measured at FVTOCI. In this case, the fair value changes in the instrument are recognized in equity under other comprehensive income. The cumulative amount of the fair value changes in other comprehensive income is reversed to profit and loss when the instrument is derecognized. Interest income calculated using the effective interest rate, exchange differences, and impairment losses are recognized in the income statement.

Financial assets consisting of debt instruments that are not measured at amortized cost or FVTOCI are measured at fair value through profit and loss.

CASH AND CASH EQUIVALENTS

"Cash and cash equivalents" include cash and current accounts with banks and post offices, demand deposits, and other highly liquid short-term financial investments (maturity of three months or less on the acquisition date) that are immediately convertible to cash; they are stated at face value as they are not subject to significant impairment risk.

LOANS, BANK LOANS, BONDS AND OVERDRAFTS

Interest-bearing bank loans, bonds and account overdrafts are initially recognized at fair value taking account of the amounts received, net of transaction costs, and are subsequently measured at amortized cost using the effective interest method.

TRADE PAYABLES

"Trade payables" are initially recognized at fair value (normally the same as face value) net of discounts, returns and billing adjustments, and subsequently at amortized cost, if the financial effect of payment deferral is material.

LEASE LIABILITIES

The Group recognizes lease liabilities as of the commencement date of the lease.

The lease liability corresponds to the present value of the minimum lease payments due as of the commencement date, including those determined on the basis of an index or rate (initially valued using the index or rate at the commencement date of the contract), as well as any penalties in the event that the lease term provides for the option for the early termination of the lease contract and the exercise of that option is estimated to be reasonably certain. The present value is determined using the implicit interest rate of the lease contract. If it is not possible to determine this rate easily, the Group uses the

ANNUAL REPORT 2021

incremental borrowing rate as discount rate. The lease liability is subsequently increased for the accrual of interest and reduced to reflect the lease payments made.

The lease liability is remeasured in the event of changes to the future minimum lease payments, due to:

- changes in the index or rate used to determine the lease payments: in such cases the lease liability is remeasured by discounting the new minimum lease payments at the initial discount rate;
- change in the lease term or in the likelihood of exercise of the purchase, extension, or early termination option: in such cases the lease liability is remeasured by discounting the new minimum lease payments at the discount rate in place at the date of the change;
- contractual changes that do not fall under any of the reasons for the separate recognition of a new lease: in these cases as well, the lease liability is remeasured by discounting the new minimum lease payments at the discount rate in place at the date of the change.

The use of estimates in relation to the measurement of lease liabilities is mentioned in the previous section on right-of-use liabilities.

DERIVATIVE FINANCIAL INSTRUMENTS AND HEDGE ACCOUNTING

The Group's liabilities are exposed primarily to financial risks due to changes in interest and exchange rates. To manage these risks the Group uses financial derivatives, mainly in the form of interest rate swaps, forward rate agreements, interest rate options, and combinations of these. The use of derivatives is governed by the "Financial Management and Financial Risks Policy" and the "Annual Financial Strategy" approved by Autogrill S.p.A.'s Board of Directors, which set standards and guidelines for the Group's financial risk hedging strategy. Derivative contracts have been entered into with counterparties deemed to be financially solid, with the aim of reducing default risk to a minimum. Group companies do not use derivatives for purely trading purposes, but rather to hedge identified risks.

For further information see the policy described in Section 6.1 - Financial risk management.

In accordance with IFRS 9, derivative financial instruments qualify for hedge accounting only if: (i) the relationship consists only of eligible hedging instruments and eligible hedged items; (ii) at the inception of the hedge relationship there is formal designation and documentation ("hedge documentation") of the hedge relationship, risk management objectives, and hedging strategy; (iii) all hedge effectiveness requirements are satisfied.

All derivative financial instruments are initially measured at fair value in accordance with IFRS 13 and IFRS 9, with the related transaction costs recognized in profit or loss when incurred. They are subsequently carried at fair value. More specifically, the fair value of forward exchange contracts is based on the listed market price, where available. If a listed market price is not available, then fair value is estimated by discounting the difference between the contractual forward price and the current spot rate for the residual maturity of the contract using a risk-free interest rate (based on government securities) of the country/ currency of the instrument's user.

For interest rate swaps, fair value is determined using the cash flows estimated on the basis of the conditions and remaining life of each contract, and according to the year-end market interest rates of comparable instruments.

When financial instruments qualify for hedge accounting, the following rules apply:

- Fair value hedge: if a derivative financial instrument is designated as a hedge against changes in the fair value of a recognized asset or liability attributable to a particular risk that may affect profit or loss, the gain or loss arising from subsequent fair value accounting of the hedge is recognized in the income statement. The gain or loss on the hedged item attributable to the hedged risk adjusts its carrying amount and is recognized in profit or loss;

2. CONSOLIDATED FINANCIAL STATEMENTS

- Cash flow hedge: if a derivative financial instrument is designated as a hedge against exposure to variations in the future cash flows of a recognized asset or liability or a forecast transaction that is highly probable and could affect profit or loss, the effective portion of the gain or loss on the financial instrument is recognized in comprehensive income and presented in the "hedging reserve" under equity. The cumulative gain or loss is reclassified from comprehensive income and recognized in profit or loss in the same year in which the economic effect of the hedged transaction is recognized. Fair value gains and losses associated with a hedge (or part of a hedge) which has become ineffective are recognized in the income statement immediately. If a hedge or a hedging relationship is terminated, but the hedged transaction has not yet taken place, the gains or losses accrued up to that time in the statement of comprehensive income are reclassified to profit or loss as soon as the transaction occurs. If the transaction is no longer expected to take place, the gains or losses not yet realized that have been included in comprehensive income are reclassified immediately to profit or loss;
- Hedge of net investment: if a derivative financial instrument is designated as a hedge of a net investment in a foreign operation, held directly or indirectly through an intermediary holding company, the effective portion of the gain or loss on the hedge is recognized in comprehensive income and presented in the "translation reserve" under equity, while the ineffective portion is taken to profit or loss. On disposal of the foreign operation, the gain or loss on the effective portion of the hedge that has been cumulatively recognized in the translation reserve is also taken to profit or loss.

If hedge accounting does not apply, the gains or losses arising from measurement at fair value of the financial derivative are immediately recognized in the income statement.

PROVISIONS FOR RISKS AND CHARGES

Provisions are recognized when the Group has a present obligation as a result of a past event and will likely have to use resources in order to produce economic benefits that satisfy that obligation, and when the amount of the obligation can be reliably determined. Provisions are based on the best estimate of the cost of fulfilling the obligation as of the reporting date, and when the effect is material, are discounted to their present value.

With the adoption of international accounting standard IFRS 16, provisions for onerous contracts are recognized net of the right-of-use asset

pertaining to the individual store, by discounting the right-of-use assets corresponding to each onerous lease contract. A provision for onerous contracts is made when the unavoidable costs necessary to fulfil the obligations of a contract are greater than the economic benefits the Group can expect to obtain therefrom. The provision is measured at the present value of the lower of the cost of terminating the contract and the net cost of continuing with the contract. Before a provision is established, the Group recognizes any impairment losses on the assets associated with the contract.

A provision for restructuring is recognized when the Group has approved a detailed and formal restructuring plan and the restructuring has either commenced or been publicly announced, thus generating a valid expectation. Future operating costs are not provided for.

SHARE CAPITAL AND PURCHASE OF TREASURY SHARES

The share capital is comprised wholly of ordinary shares, which form part of equity. Incremental costs directly attributable to the issue of ordinary shares are deducted from net equity, net of the tax effects.

If treasury shares are purchased, the amount paid - including directly attributable expenses and net of tax effects - is deducted from equity. The shares thus purchased are classified as treasury shares and reduce the amount of shareholders' equity. The amount received from the subsequent disposal of the treasury shares is added back to equity. Any positive or negative difference from the transaction is transferred to or from retained earnings.

187

ANNUAL REPORT 2021

EARNINGS PER SHARE

The Group presents basic and diluted earnings per share for its ordinary shares.

Basic earnings per share is calculated by dividing the profit or loss attributable to the company's ordinary shareholders by the weighted average number of ordinary shares outstanding during the period, adjusted for treasury shares held. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, as defined above, for the effects of all dilutive potential ordinary shares and stock options granted to employees. In case of a loss, there are no dilutive effects.

FOREIGN CURRENCY TRANSACTIONS

Transactions in foreign currencies are converted into the reporting currency at the exchange rate in effect on the transaction date. Foreign currency assets and liabilities are converted at the year end exchange rate. Exchange gains and losses arising from the conversion are recognized in the income statement under financial income and expense.

USE OF ESTIMATES

The preparation of the consolidated financial statements and Notes requires management to make estimates and assumptions that affect the carrying amounts of assets, liabilities, costs and income and the disclosure about contingent assets and liabilities at the year-end date. Actual results may differ. Estimates are used to determine the effects of business combinations (goodwill and its amortization), asset impairment losses/reversals (value in use and realizable value), the fair value of financial instruments, provisions for bad debts (specific and general risk), provisions for inventory obsolescence (disposal policies), amortization and depreciation (useful life), employee benefits (actuarial assumptions), taxes (recoverability of deferred tax assets), and provisions for risks and charges (outcome of disputes). Estimates and assumptions are periodically reviewed and the effect of any change is taken to the income statement of the present year and the years to which the changes pertain. The estimation criteria used for these financial statements are the same as those followed the previous year, unless otherwise specified.

With the adoption of international accounting standard IFRS 16, the Group has made certain professional judgments involving the definition of some accounting policies and the use of estimates and assumptions, as mentioned earlier in these Notes.

Following the guidance of the most recent documents published by ESMA, in light of the Covid-19 pandemic and the consequent health emergency, estimates at 31 December 2021 reflect a highly uncertain future and are based on up-to-date assumptions of the presumed future impact of the virus, whose potential effects in terms of extent and duration will be constantly monitored in the coming weeks and months.

Finally, the uncertainties on the evolution of the Russian-Ukrainian conflict have no impact on the use of estimates made in the financial statements

as at 31 December 2021, according to IAS 10.

2. DISPOSALS

On 23 July 2021, further to an agreement dated 31 March 2021 and after obtaining the necessary government authorizations and consent from the landlords, HMSHost Corporation finalized the disposal of its US motorway business to the consortium controlled by Blackstone Infrastructure Partners, which includes Applegreen Limited and B&J Holdings.

The sale price was \$ 381,394k (equivalent to € 324,122k), subject to an earn-out mechanism on the basis of revenue earned by the new ownership in the two-year period 2022-2023, which cannot be quantified on the basis of currently available information. The capital gain,

2. CONSOLIDATED FINANCIAL STATEMENTS

without considering the earn-out mechanism, amounts to \$ 157,950k (€ 133,550k).

The US motorway business includes food & beverage concessions of various brands such as Starbucks, Burger King, and Pret (which the Group will continue to operate as licensee in other channels) and convenience retail concessions at about 60 motorway rest stops in the United States.

Until the sale date in 2021, revenue from the US motorway business was € 92,443k (\$ 109,332k), compared with € 121,238k (\$ 138,478k) the previous year.

The transaction resulted in cash generation of € 322,736k (\$ 379,763k), as the difference between the consideration received and the € 1,386k (\$ 1,631k) in cash transferred.

3. NOTES TO THE STATEMENT OF FINANCIAL POSITION

CURRENT ASSETS

I. CASH AND CASH EQUIVALENTS

(€k)		31.12.2021	31.12.2020 Change
Bank and post office deposits	j	307,034;	590,255 (283,221]
Cash and equivalents on hand	i	36,174'	23,290 12,884
Total	j	343,2081	613,545 (270,337]

"Cash and equivalents on hand" include cash floats at stores and amounts in the process of being credited to bank accounts. The amount may vary substantially depending on the frequency of pick-ups for deposit, which are generally handled by specialized third-party carriers.

The significant decrease in "Bank and post office deposits" (€ 283,221k) mostly reflects repayments carried out as part of the refinancing operation completed in December 2021, as described in Note XXI and the Directors' Report.

The statement of cash flows presents the various sources and uses of cash that contributed to the change in this item, along with the balance of current account overdrafts.

II. OTHER FINANCIAL ASSETS

Other financial assets are as follows:

(€k)		31.12.2021	31.12.2020 Change
Financial receivables from third parties	l	28,7441	37,818 (9,074]
Receivables from credit card companies	i	7,558;	5,564 1,994
Fair value of interest rate hedging derivatives		-!	1,698 (1,698)
Fair value of exchange rate hedging derivatives	i	38!	3,049 (3,011
Total		36,3401	48,129 (11,789)

"Financial receivables from third parties" consist primarily of the current portion of capital advances due back from the non-controlling shareholders of some North American subsidiaries; the amount takes account of their ability to pay the sums back with future earnings. The net change in this item is due largely to payments received during the year, which exceeded new disbursements.

The increase in "Receivables from credit card companies" is explained by the gradual recovery in sales despite the ongoing Covid-19 pandemic.

In 2020 the "Fair value of interest rate hedging derivatives" included the current portion of the fair value measurement of derivatives with a combined notional value of \$ 100m associated with the bond loans; those derivatives were unwound as part of the refinancing completed in December 2021 (Note XXIV).

"Fairvalue of exchange rate hedging derivatives" refers to the fairvalue measurement of the derivatives entered into to hedge exchange rate risk, in particular to the forward purchase and/or sale of currency. The significant decrease is explained by the unwinding of the derivatives held by Autogrill S.p.A. due to the repayment of intercompany loans with the US subsidiary HMSHost Corporation, in the context of the refinancing.

190

2. CONSOLIDATED FINANCIAL STATEMENTS

III. TAX ASSETS

These amount to € 68,013k, compared with € 6,132k at 31 December 2020, and refer to income tax credits assets accrued mainly in the United States (€ 65,741k). The significant increase on the previous year concerns the reclassification of the current portion of the gain realized in 2020 by the US subsidiary through use of the carry-back mechanism (included under other non-current receivables), which will be received in 2022 in the amount of € 55,761k (\$ 63,155k).

IV. OTHER RECEIVABLES

31.12.2020

44,986 j

Lease/concession and royalties advance payments

Inland revenues and government agencies

Receivables from grantors for investments

Sub-concessionaires

Receivable from personnel

Other

Total

33,720 135,789

(1,546)

163 (16,617)

"Suppliers" refers to amounts receivable for marketing contributions awaiting settlement, as well as advances for services to be received. Most of the decrease relates to the reduced amount of contributions.

"Lease and concession advance payments" consist of lease instalments paid in advance, as required by contract.

"Receivables from inland revenue and government agencies" relate mostly to indirect taxes. The reduction is due primarily to the decrease in the Italian companies' VAT credits, taking account of Autogrill S.p.A.'s transfer of the VAT credit in June 2021 for a nominal € 12,865k against a net amount received of € 12,756k.

The decrease in "Receivables from grantors for investments" relates to lower commercial investments made on behalf of concession grantors in North America in accordance with contractual provisions.

Amounts due from "Sub-concessionaires" refer to businesses sublet to others and consist mainly of receivables due under lease contracts with variable rents.

"Receivables from personnel" refer to wages and salaries advanced or rounded up and employees' expenses paid in advance by the Group.

"Other" consists mainly of prepayments for maintenance fees, insurance policies and reimbursements, as well as advances on local taxes and miscellaneous receivables, which increased due to the upturn in business. At 31 December 2021 this item also includes € 13,409k due to the German subsidiary Le CroBag GmbH & Co KG from the German government for Covid-19 relief payments which, as part of the joint request filed with the Benetton Group, will be received in the name and on behalf of the Benetton Group and paid over to it (Section 11 - Other information - Related party transactions). That change was counterbalanced by the offsetting, possible as from this year, of the US subsidiary HMSHost Corporation's liability for the Employee Retention Tax Credit (ERTC) in the amount of € 16,465k (\$ 18,648k) against the corresponding credit for the portion not yet received (€ 16,601k or \$ 18,802k).

V. TRADE RECEIVABLES

(€k)

Third parties Bad debt reserve Total

The item "Third parties" refers mainly to catering service agreements and accounts with affiliated companies. The increase with respect to 31 December 2020 reflects a recovery in business volumes thanks to the gradual improvement of the pandemic situation.

As in previous years, the default risk of receivables has been estimated on the basis of the general default risk of receivables not yet due on the reporting date as inferred from past performance, in keeping with international accounting standard IFRS 9.

Movements in the allowance for impairment are shown below:

j€k|

Bad debt reserve at 31 December 2020 8,142

Reversal, net of allowances (1,388) Other movements and exchange rate differences 1,244 Utilizations (1,329) Bad debt reserve at 31 December 2021 6,669

Net releases of € 1,388k in 2021 reflect revised estimates as to the recoverability of disputed receivables and the general default risk applicable to receivables not yet due, mainly in North America and Italy.

Utilizations, amounting to € 1,329k, refer particularly to the settlement of disputes during the year against which bad debt provisions had been made in the past.

VI. INVENTORIES

Inventories amounted to € 116,540k at 31 December 2021, compared with € 97,444k a year earlier. The increase with respect to 31 December 2020 reflects a recovery in business volumes thanks to the gradual improvement of the pandemic situation. The amount is shown net of the write-down provision of € 4,286k (€ 2,856k at 31 December 2020), determined considering revised recoverability estimates of the value of slow-moving goods. Inventories are concentrated mostly in Italy and the United States and consist chiefly of food raw materials, drinks, packaged products, and goods sold under government monopoly.

As mentioned in the Directors' Report, the negative impact of inventories disposed of or no longer sellable because they were damaged or past their expiration dates as a result of the pandemic amounted to € 213k (€ 9,189k in 2020).

NON-CURRENT ASSETS

VII. PROPERTY, PLANT AND EQUIPMENT

The following tables show movements in property, plant and equipment in 2021 and 2020.

193

ANNUAL REPORT 2021

Capital expenditure in 2021 amounted to € 122,228k, while the net carrying amount of disposals was € 6,967k in addition to € 146,506k in net disposals for the US motorway operations (Section 2 - Disposals). The disposals produced no significant net capital gains. Other movements consist mainly of the reclassification upon completion of assets under construction. Details of capital expenditure by channel and principal locations are provided in the Directors' Report.

Depreciation came to € 190,385k for the year (€ 224,097k in 2020).

Impairment testing of individual locations resulted in net impairment losses of € 12,677k (€ 30,738k in 2020), including the reversal of losses charged in previous years (up to historical amortized cost as of the reversal date for immaterial amounts) where the reasons for impairment no longer exist (€ 675k in 2021). Consistently with the method followed in the 2020 financial statements, impairment testing was based on the estimated future cash flows for each location (without incorporating any assumed efficiency gains), discounted at the average cost of capital, which reflects the cost of money and the specific business risk associated with each country.

"Leasehold improvements" refer to expenses incurred to set up or adapt leased premises and concessions. This includes costs for the development of locations managed at airports, at shopping centers in North America, and at several locations prevalently on Italian motorways.

"Assets under construction and payments on account" are concentrated mostly in the United States and Italy and include investments for new openings and contract renewals.

Balance at 31 December 2020

Balance at 31 December 2021

ANNUAL REPORT 2021

Right-of-use assets amounted to € 1,487,463k at 31 December 2021 (€ 1,748,787k at the end of 2020).

Of the net change in this item, € 330,123k (€ 116,310k at 31 December 2020) concerns new contracts and the remeasurement of leases further to the lease term extensions agreed with landlords and the Italian government's two-year extension of motorway concessions pursuant to Decree Law 121/2021 in connection with the Covid-19 pandemic and other changes concerned Covid-related negotiations, a decrease for early lease terminations (€ 127,230k, compared with € 193,457k in 2020), and the disposal of the North American motorway business for € 225,313k (Section 2 - Disposals), as well as exchange differences. These transactions did not have a significant economic impact.

Depreciation on this item came to € 305,894k for the year (€ 356,914k in 2020).

Impairment testing of individual points of sale resulted in impairment losses of € 8,927k (€ 27,661k in 2020, mostly in the United States and Italy), net of impairment reversals of € 8,886k.

"Buildings" refers essentially to area concessions, business leases and commercial leases, while "Other assets" consist mainly of leased vehicles.

In particular:

- Area concessions are contracts with which the infrastructure operator (motorway or airport) grants a concession to a specialized entity to arrange and provide food & beverage and/or fuel services, authorizing it (i) to build and install, on land owned by the grantor, buildings, plant, furnishings and fittings designed for the sale of food and drink, complementary products and groceries and/or for the distribution of fuel, and (ii) to carry on this business against payment of a fee based on turnover, with certain stipulations regarding the means and continuity of service provision during the business hours established by the grantor.
It frequently occurs that the subconcession for all the services of an entire motorway service area or airport terminal is assigned to a single entity, which then sub-assigns each individual service to a number of additional specialized firms. Usually, on expiry of the contract, the assets built for the provision of motorway services must be transferred free of charge to the grantor, while this is almost never the case for airport terminals;
- leasing a business or business branches allows an operator to use rights and/or buildings, equipment etc. organized to serve food and beverage products. In some cases the business consists of an authorization to operate and of administrative licenses, in which case the operator incurs the necessary capital expenditure and provides the service. In other cases, a firm leases a company consisting of both the authorization and the necessary buildings and equipment. Leasing a company in the concession business entails the obligation to ensure continuity of service and payment of a fee; for primary concession contracts between a petrol company and a motorway operator, it also entails payment of the royalties due by the petrol company;
- in a commercial lease, the operator uses buildings for business activity against payment of rent. The premises are equipped and furnished according to the specifications and at the expense of the operator, who must clear the premises when the lease expires.

These latter two types of concession are common (i) along motorways, where there are area or service sub-concessions assigned to a petrol company, which then turns to a caterer, and (ii) in cities, railway stations and shopping centers, according to the business objectives of the owner of the property.

2. CONSOLIDATED FINANCIAL STATEMENTS

IX. GOODWILL

At 31 December 2021 goodwill amounted to € 816,944k, compared with € 819,473k the previous year.

The cash-generating units (CGUs) were identified on the basis of business segment, following a geographical/operational logic, consistently with the governance responsibilities of the chief executive officers of those segments and the minimum level at which goodwill is monitored for internal management purposes.

The carrying amounts of goodwill by geographical CGU are as follows:

(€k)		31.12.2021	31.12.2020	Change
North America	j400,593 j	412,950	(12,357)	
International	69,219 j	65,544	3,675	
Europe	{			
Italy	83,631 J	83,631		
Other European countries	263,501 j	257,348	6,153	
Total	j816,944 1	819,473	(2,529)	

The change since the previous year relates to the disposal of the US motorway operations (€ 44,988k), whose effect was partially offset by exchange differences of € 42,459k, mostly involving the U.S. dollar.

In a context marked by the ongoing Covid-19 pandemic throughout 2021, impairment testing was carried out following the same methods used in previous years, as recommended in ESMA communications of the past two years⁵⁶.

In consideration of the significant amount of goodwill recognized, the recoverability of the goodwill allocated to each CGU was tested by estimating its value in use, defined as the present value of estimated future cash flows discounted at a rate differentiated by geographical area reflecting the specific risks of the individual CGUs at the measurement date. The discount rate was set using the capital assets pricing model, based on indicators and variables observable in the market.

The estimated future cash flows of each CGU for the five-year period 2022-2026, used to determine recoverable amount, have been calculated by each country's executive team, validated by the country and the relevant CGU's management, approved by Group Senior Management (CEO and CFO), and reviewed by the Board of Directors.

They have been estimated on the basis of the 2022 budget and financial projections for 2023-2026 (explicit forecast period) and developed by the CGUs' management on the basis of expected traffic curves in the channels served by the Group, which were modelled in consideration of the specific features of those channels and the data provided by airport authorities and other external sources.

Cash flows beyond the range of financial projections have been estimated by normalizing the information from those projections, using the discount rate described above, and applying nominal growth rates ("g") which do not exceed the long-term growth estimates of each CGU's sector and country of operation (consistently with medium- to long-term inflation forecasts by the International Monetary Fund), and by using the perpetuity method to calculate terminal value. For all CGUs, growth investments are correlated with the expiration of contracts, while maintenance investments are assumed to be consistent with historical trends; the financial projections, in line with IAS 36 and consistently with previous tests, do not include the effects of potential new contract acquisitions that have not yet been assigned.

56 ESMA - "European common enforcement priorities for 2020 annual financial reports" of 26 October 2020 and "European common enforcement priorities For 2021 annual financial reports" of 29 October 2021

ANNUAL REPORT 2021

The findings and conclusions of the impairment tests are backed by a Fairness Opinion issued by an independent third-party company which, including on the basis of independent checks, confirms the overall reasonableness of the outcomes and the proper application of the impairment model.

The following table shows the discount rates used for impairment testing at 31 December 2019 and 31 December 2020:

	Discount Rate at 31.12.2021
	Discount Rate at 31.12.2020
	Discount Rate at 31.12.2019
North America	
International	
6.6%	
Other European countries	

On the basis of these assumptions, the amount of goodwill attributed to each CGU was found to be fully recoverable.

Sensitivity analyses were then conducted, taking into account the changes in the discount rate and "g" rate; and "break-even" WACC and EBITDA were identified to find the levels beyond which goodwill would be subject to impairment.

In detail:

- the following table shows the discount rates at which there would no longer be a gap between the individual CGU's value in use and book value ("stress rates");

	at 31.12.2021	at 31.12.2021	Discount rate	"Break-even" Discount Rate
Other European countries	j	5.3% 7.6%		

- in the sensitivity analysis of the "stress rate" it should be noted that the likelihood of a further increase in the WACC is remote, as this would be in

addition to the substantial WACC increase resulting from the pandemic (Group average +0.7% in 2021 with respect to the 2019 test), which already incorporates the higher volatility and uncertainty in the Group's industry and in the equity market in general;

- in order to eliminate the difference between the CGU's value in use and carrying amount, the Group would have to suffer EBITDA losses of around € 130m per year for the next five years, which is not a likelihood based on the five-year projections.

These sensitivity analyses, therefore, also confirmed the full recoverability of goodwill.,

See the paragraph "ESG Risks - Climate change and environment" about the impact of climate change on the financial statement line items and the related risk of impairment.

 Balance at 31 December 2021

Capital expenditure in 2021 came to € 13,028k, mostly for business software, while amortization totalled € 26,083k (€ 28,431k in 2020).

"Disposals" refer to the disposal of the US motorway business (Section 2 - Disposals).

"Other movements" consist mainly of the reclassification upon completion of assets under construction.

All "Other intangible assets" have finite useful lives.

Impairment testing of individual points of sale, carried out in conjunction with the property, plant and equipment testing mentioned in Note VII, led to intangible asset impairment losses of € 1,875k for the year (€ 986k in 2020).

XI. INVESTMENTS

This item is mainly comprised of associates and joint ventures, measured using the equity method.

Any surplus of an investment's carrying amount over pro rata equity represents future profitability inherent in the investment.

For the sake of thoroughness, we report that the following were recognized in accordance with the equity method:

- net positive adjustments of € 122k under "Share of the profit (loss) of equity method investments" (compared with negative adjustments of € 192k in 2020);
- immaterial exchange differences (vs. net exchange losses of € 59k the previous year) in the statement of comprehensive income.

Investments at 31 December 2021 and 31 December 2020 are detailed below:

2. CONSOLIDATED FINANCIAL STATEMENTS

XII. LEASE RECEIVABLES

(€k)	31.12.2021	31.12.2020	Change
Lease receivables - current	i 15,964 j	15,003	961
Lease receivables - non current	; 59,890 j	61,808	(1,918)
Total	75,854 1	76,811	(957)

The recognition of lease receivables represents the transfer of some of the Group's rights of use to third parties under sublet agreements (mostly in North America). At 31 December 2021 this item amounted to € 75,854k (€ 76,811k at the end of 2020), of which € 15,964k (€ 15,003k at 31 December 2020) was classified under current assets and € 59,890k (€ 61,808k the previous year) under non-current assets.

Of the change for the year, € 15,160k (€ 22,523k at 31 December 2020) refers to new sublet agreements and the remeasurement of existing ones, € 4,798k (€ 8,166k the previous year) to early terminations, € 2,193k to the disposal of the US motorway business, and € 5,241k to exchange gains.

Implicit interest accrued came to € 2,384k (€ 4,342k in 2020), while amounts received totalled € 9,468k (€ 8,343k the previous year).

In addition, these receivables decreased as a result of the permanent rent reduction agreements on sublets that the Group has granted in connection with the Covid-19 emergency (see Note XXIX for the impact on the income statement).

XIII. OTHER FINANCIAL ASSETS

(€k)	31.12.2021	31.12.2020	Change
Interests-bearing sums with third parties	3 043 i	12 021	(8 078)

interest-bearing sums with third parties	3,370 j	12,021	(8,651)
Guarantee deposits	18,978	18,398	580
Other financial receivables from third parties	7,974 j	2,272	5,702
Fair value of interest rate hedging derivatives		i	- i 4,659 (4,659)
Total	j 30,895 j	37,350	(6,455)

"Interest-bearing sums with third parties" consist of security deposits on which the Group receives interest. The decrease reflects the disposal of the US motorway business.

"Guarantee deposits" are essentially in line with the previous year.

"Other financial receivables from third parties" consist primarily of the non-current portion of capital advances due back from the non-controlling shareholders of some North American subsidiaries and non-subsidiary companies; the amount takes account of their ability to pay the sums back with future earnings. The increase in this item refers to new loans granted, the partial reversal of writedowns recognized in 2020, and exchange differences.

"Fair value of interest rate hedging derivatives" includes the non-current portion of the fair value measurement of derivatives with a combined notional value of S 100m; those derivatives were unwound as part of the refinancing completed in December 2021 (Note XXIV).

XIV. DEFERRED TAX ASSETS AND LIABILITIES

At the end of 2021, deferred tax assets not offsettable against deferred tax liabilities amounted to € 62,279k (€ 76,694k at 31 December 2020). At the end of 2021, deferred tax liabilities not offsettable against deferred tax assets amounted to € 16,243k (€ 46,241k the previous year).

Deferred tax liabilities and deferred tax assets are broken down as follows:

31.12.2020

Deferred tax liabilities gross

Deferred tax assets available for offset

Deferred tax liabilities non available for offset

Deferred tax assets non available for offset

The following tables show gross movements in deferred taxes in 2021 and 2020.

"Trade payables" at 31 December 2021 came to € 357,609k. The net increase with respect to the balance of € 292,097k at 31 December 2020 is explained chiefly by the growth of purchasing during the period, in parallel with the upturn in business volumes following the course of the Covid-19 pandemic.

XVII. TAX LIABILITIES

"Current tax liabilities" amount to € 1,164k (€ 1,176k at 31 December 2020) and refer to taxes accrued during the year net of offsettable credits. The balance is in line with the previous year.

XVIII. OTHER PAYABLES

(€c)	31.12.2021	31.12.2020	Change
Personnel expense	98,444;	64,227	34,217
Due to suppliers for additions of capital expenditure	75,164 *	87,450	(12 286)
Social security and defined contribution plans	43,605	34,023	9,582
Indirect taxes	59,738	32,905	26,833
Withholding taxes	7,122	6,097	1,025
Other	94,920	41,661	53,259
Total	378,993	266,363	112,630

Most of the net increase in "Personnel expense" reflects the upturn in business and the relaxing of measures taken by Group management in 2020 to mitigate the effects of the Covid-19 crisis. The measures that were relaxed with respect to 2020 mainly concern a reduction in working hours consistently with the decline in traffic, the use of different forms of relief measures put in place by local governments and equivalent actions in the countries served by the Group and personnel accruals of 2021, as well.

The significant decrease in "Amounts due to suppliers for additions of capital expenditure" reflects decreased investment as a result of the pandemic. It is also explained by the settlement of capex payables upon the disposal of the US motorway business (Section 2 -Disposals).

The item "Social security and defined contribution plans" refers to the amount due to local social security institutions and payments due under defined contribution programs. The increase mostly regards the extended payment terms granted by the governments of various countries as a form of Covid relief (€ 6,401k).

Most of the change in "Indirect taxes" concerns value added tax/sales tax. The increase pertains chiefly to the extended payment terms granted by the Dutch tax authorities in accordance with a government regulation concerning Covid-19 (€ 24,490k).

2. CONSOLIDATED FINANCIAL STATEMENTS

In addition to sundry payables, the heading "Other" includes amounts due to Directors and Statutory Auditors as well as deferred promotional contributions from suppliers and accrued liabilities for utilities and maintenance, which increased as a result of the recovery in business. At 31 December 2021 this item also includes € 13,409k due by the German subsidiary Le CroBag GmbH & Co KG to the Benetton Group for Covid-19 relief payments which, as part of the joint request filed with the Benetton Group, will be received in the name and on behalf of the Benetton Group and paid over to it once received from the German government (Section 11 - Other information - Related party transactions).

XIX. OTHER FINANCIAL LIABILITIES

31.12.2020

Accrued expense and deferred income for interest on loans

Liabilities due to others

Fair value of exchange rate hedging derivatives 1

Other financial accrued expense and deferred

(13,751)

In 2020, "Accrued expenses and deferred income for interest on loans" consisted mainly of interest on the American bond loan contracted by the US subsidiary HMSHost Corporation. The sharp decrease is due primarily to the refinancing completed in December 2021, as described in Note XXIV.

"Liabilities due to others" refer mainly to financial payables to the non-controlling shareholders of certain North American subsidiaries.

"Fair value of exchange rate hedging derivatives" refers to the fair value measurement of the derivatives entered into to hedge currency risk, in particular to the forward sale and/or purchase of currency by the US subsidiary and Autogrill Europe S.p.A.

NON-CURRENT LIABILITIES

XX. OTHER PAYABLES

These amount to € 16,166k (€ 29,177k at 31 December 2020) and consist of the € 7,920k due to personnel for defined contribution plans (€ 7,837k at 31 December 2020).

The net change with respect to 31 December 2020 refers mainly to the offsetting, allowed as of this year, of the Employee Retention Tax Credit (ERTC) of the US subsidiary HMSHost Corporation (€ 16,465k, or \$ 18,648k) against the corresponding receivable for the amount not yet received (€ 16,601k, or \$ 18,802k).

XXI. LOANS

(€k)

Current account overdrafts

Unsecured bank loans

Total current

Unsecured bank loans

Fair value adjustment of contractual cash flow |
modification

Commissions on loans

Commissions on loans

Total non-current

1,462,230

"Current unsecured bank loans" consist mainly of ultra-short-term bank borrowings by the Parent company and the North American subsidiaries, as well as the current portion of Covid-19-related loans received by the European subsidiaries.

The change since the previous year reflects the full repayment of the ultra-short-term bank borrowings contracted chiefly by the Parent company and various North American subsidiaries, as well as current payments on long-term loans. In 2020, in fact, this item included the current portion of the amortizing term loan held by Autogrill S.p.A. (€ 12.5m) repaid in July 2021, the current S 50m portion (€ 40,746k) of the amortizing term loan held by HMSHost Corporation that matured in June 2021, and the current portions of loans obtained by the European subsidiaries (€ 5,413k).

The change in "Non-current unsecured bank loans" is due to the full repayment of the credit lines outstanding at the end of 2020 using the Group's liquidity and the cash made available by the refinancing that concluded in December 2021 (Autogrill S.p. A.'s amortizing term loan of € 200m and HMSHost Corporation's amortizing term loan of \$ 347,790k, or € 307,072k).

The refinancing entailed the full release to the income statement of the remaining balance of the fair value adjustment for change in contractual flows and of fees on paid off loans (Note XXXVI).

2. CONSOLIDATED FINANCIAL STATEMENTS

The breakdown of "Non-current unsecured bank loans" at the close of 2021 and 2020 is presented below:

207

ANNUAL REPORT 2021

At 31 December 2021 the Group's committed credit facilities were drawn down by 53% (fully drawn down at 31 December 2020).

On 1 April 2021, Autogrill S.p.A. contracted a term line of € 100m, used on 9 April and fully repaid on 2 July 2021.

Starting in the second quarter of 2021 and throughout the summer, drawdowns on the committed revolving facilities held by Autogrill S.p.A. were repaid in the amount of € 325m and those held by HMSHost Corporation in the amount of \$ 200m, using the two companies' available liquidity.

At the end of June, HMSHost Corporation made a \$ 50m payment against the amortizing term loan contracted in 2018 for an original amount of \$ 200m, and in July Autogrill S.p.A. paid the € 12.5m installment due on the amortizing term loan contracted in 2019 for an original amount of € 50m.

In the fourth quarter the Group revised its debt mix in order to reduce the overall cost of borrowing, improve financial flexibility, and extend average residual duration in continuity with the corporate finance transactions completed in the first nine months of the year.

In that context, on 28 October 2021 Autogrill S.p.A. and a pool of leading banks signed a facility agreement for maximum total principal of one billion euros, which was also entered into by the US subsidiary HMSHost Corporation on 22 November 2021.

The loan is made up of:

- an amortizing term loan of € 500m, to be split into two tranches: i) Tranche I of up to € 200m, available to Autogrill S.p.A. and ii) Tranche II of up to € 300m (\$ 347,790k), available in US dollars to the subsidiary HMSHost Corporation. Tranche I will be paid back starting in October 2024 in two yearly installments of € 66m, with a final principal payment of € 68m in October 2026, while Tranche II will be paid back starting in October 2024 in two yearly installments of \$ 114.8m, with a final principal payment of \$ 118.2m in October 2026;
- a revolving credit line of € 500m available to Autogrill S.p.A. and of up to \$ 200m available to HMSHost Corporation, to be fully repaid by October 2026.

The facility agreement requires the compliance with the following financial ratios: leverage ratio (net debt/adjusted EBITDA) of 3.5 or less and interest coverage (adjusted EBITDA/net financial expense) of at least 4.5, calculated on Group consolidated data. The first covenant test will be carried out on financial statement figures at 31 December 2022.

For the calculation of these ratios, net debt, adjusted EBITDA, and financial charges are measured according to contractual definitions and therefore differ from the amounts valid for financial reporting purposes. Thus, the final ratios are not readily apparent from the financial statements.

By contract, the lenders are entitled to cancel the facilities and force the borrower to pay back all amounts in advance in the event of the borrower's change of control. For these purposes, a "change of control" would occur if one or more parties - other than the current key investors of Edizione S.p.A. - acted individually or in concert to acquire control of Autogrill S.p.A. as defined by paragraphs 1.1 and 1.2 of Civil Code Art. 2359.

On 3 December 2021 the Group completed its refinancing through the use of Tranche I of the amortizing term loan in the amount of € 200m by Autogrill S.p.A. and Tranche II of the amortizing term loan in the amount of € 300m (S 347,790k) by HMSHost Corporation.

2. CONSOLIDATED FINANCIAL STATEMENTS

The liquidity deriving from the use of these credit lines and - where necessary - the Group's own liquidity were used immediately for the full prepayment of the two companies' loans.

More specifically, HMSHost Corporation closed out the loan contracted in 2018 consisting of i) an amortizing term line originally of \$ 200m (drawn down by \$ 100m at the time of repayment) and ii) a fully-available revolving line of \$ 200m. Both lines were to mature in June 2023.

Autogrill S.p.A. closed out the following:

- the amortizing term line of € 300m contracted in November 2020 and guaranteed by SACE S.p.A., with an original final maturity of June 2025;
- the amortizing term line of € 150m contracted in March 2020, with an original final maturity of March 2025;
- the revolving credit line of € 100m contracted in January 2018 with an original final maturity of January 2023, fully available as of the close-out date;
- the loan consisting of an amortizing term line of € 100m and an amortizing revolving line of € 200m (the latter fully available as of the close-out date), contracted in January 2018 with an original final maturity of January 2025;
- the loan consisting of an amortizing term line of € 50m (outstanding for € 37.5m as of the close-out date) and an amortizing revolving line of € 25m (fully available as of the close-out date), contracted in August 2019 with an original final maturity of August 2024.

Closing out these loans entailed termination of the loan covenants and the limitations deriving from the waivers negotiated in 2020 and 2021 for covenant holidays with respect to the leverage ratio and interest coverage ratio, including a margin supplement on drawdowns during the holiday period, allowing the Group to move towards a lower overall cost of debt and to improve its financial flexibility.

"Other credit facilities" refer mainly to government loans granted to various European subsidiaries to help manage the Covid-19 emergency and support capital expenditure.

During the first six months of the year, the following were obtained: (i) government-guaranteed bank loans to meet liquidity needs for local operations, by the indirect subsidiaries based in France (€ 8.4m) and Germany (€ 4m); (ii) a credit line of € 2.5m to fund capital expenditure by the indirect subsidiary based in Belgium, used in the amount of € 1,654m at the end of December.

XXII. LEASE LIABILITIES

(€k)	31.12.2021	31.12.2020	Change
Lease liabilities - current	309,098;	377,289	(68,191]
Lease liabilities - non current	1,383,163 j	1,590,384	(207,221)
Total	1,692,261 j	1,967,673	(275,412)

This item includes the current and non-current portion of liabilities arising from the discounting of minimum guaranteed lease payments, as a result of applying IFRS 16.

Of the change in this item, € 344,830k (€ 139,509k at 31 December 2020) concerns new contracts and the remeasurement of leases further to the lease term extensions agreed with landlords and the Italian government's two-year extension of motorway concessions pursuant to Decree Law 121/2021 in connection with the Covid-19 pandemic and other changes concerned Covid-related negotiations, a decrease for early lease terminations (€ 133,631k, compared with € 208,179k in 2020), and the disposal of the US motorway business for € 241,269k (Section 2 - Disposals), as well as exchange gains of € 86,320k.

Implicit interest accrued came to € 45,048k (€ 64,850k in 2020), while amounts paid totalled € 194,760k (€ 138,532k the previous year).

These liabilities did increase as a result of the temporary rent reductions the Group obtained through negotiations with landlords, but the effect was amply offset by decreases reflecting the permanent rent reductions agreed with landlords as a result of the Covid-19 emergency which fall within the scope of application of the amendment to IFRS 16 (see Note XXXII for the impact on the income statement).

XXIII. OTHER FINANCIAL LIABILITIES

(€k)			31.12.2021	31.12.2020	Change
Liabilities due to others		922'	1,283	361	
Total	'	922'	1,283	(361)	

"Liabilities due to others" refer mainly to financial payables to the non-controlling shareholders of certain North American subsidiaries.

XXIV. BONDS

(€k)	31.12.2021	31.12.2020	Change
------	------------	------------	--------

"Bonds" refer to private placements issued by HMSHost Corporation, which were fully redeemed during the year in the context of the Group's refinancing, as detailed below:

- early redemption of the \$ 150m private placement issued in January 2013, due to mature in January 2023, with fixed-interest half-yearly coupons of 6.12%;
- early redemption of \$ 135m against the \$ 200m private placement issued in March 2013 (of which \$ 25m was redeemed in September 2020 and \$ 40m in September 2021), with half-yearly coupons and split into tranches as summarized in the following table:

Nominal amount (\$m)	Issue date	Annual Fixed rate	Expiry
80	March 2013	6.40%	September 2024
55	March 2013	6.45%	September 2025

At the time of the early redemption, the US subsidiary HMSHost Corporation paid the bondholders a contractual make-whole fee, amounting to the present value of future coupons based on the difference between the contractually agreed interest rate and the applicable US Treasury yield for the same maturity. The make-whole cost of € 20,201k (\$ 23,915k) is included in "Other financial expense" for the year.

2. CONSOLIDATED FINANCIAL STATEMENTS

The early redemption of the private placements and consequent termination of the financial covenants and limitations deriving from the waivers associated with the covenant holiday allow the Group to lower the overall cost of debt and improve its financial flexibility.

The interest rate hedges on the bond loans, with a notional amount of \$ 100m, have also been unwound. The unwinding process produced an income of € 2,721k (\$ 3,219k).

The refinancing entailed the full release to the income statement of the remaining balance of the fair value adjustment for change in contractual flows and of fees on the redeemed private placements (Note XXXVI).

XXV. DEFINED BENEFIT PLANS

At 31 December 2021 the net value of "Defined benefit plans" was € 44,905k (€ 60,082k at the close of the previous year).

The table below shows details of employee benefits recognized as defined benefit plans. The legal obligation for Italian post-employment benefits (trattamento di fine rapporto or "TFR") is € 32,993k, compared with € 37,276k determined on an actuarial basis.

Inflation rate

As a result of the revised estimate, the liability for defined benefit plans increased by € 5,584k gross of the tax effect; after € 1,069k in taxes the net impact of € 4,515k was recognized in comprehensive income (Note XXVII). Liabilities for employee benefits decreased by a net € 5,654k, which more than offset the change recorded in OCI, due to net liquidations for the period (€ 4,824k) and the gain recognized in the income statement (€ 5,167k) as a result of the impact of significant involuntary leavings on the determination of past service costs attributable to the Swiss subsidiary.

XXVI. PROVISIONS FOR RISKS AND CHARGES

The change is due to normal allocations and utilizations for the year, and to the release of provisions as described below.

PROVISION FOR TAXES

This item relates primarily to disputes over US companies' indirect tax obligations and reflect the advice of the Group's tax advisors. No significant allocations were made during the year.

OTHER PROVISIONS

These consist of a United States "self-insurance" provision covering the deductibles on third-party liability contained in insurance plans, settled on an annual basis. In 2021, € 3,953k was allocated to the current and non-current portions of this provision, determined by independent appraisers on the basis of track records and forecasts regarding accidents, while settlements for the year came to € 11,009k.

2. CONSOLIDATED FINANCIAL STATEMENTS

PROVISION FOR LEGAL DISPUTES

This provision covers the risk of losing lawsuits brought against Group companies, and takes account of the opinions of the Group's legal advisors. Utilizations concern actual payments, in line with forecasts.

PROVISION FOR THE REFURBISHMENT OF THIRD PARTY ASSETS

This represents the estimated liability for ensuring that leased assets are returned in the contractually agreed condition.

RESTRUCTURING PROVISION

This provision, first recognized in 2020, concerns restructuring plans implemented in Italy and Europe. The plans aim to centralize the strategic functions of the Europe business unit at the Rozzano headquarters (Milan) and to permanently reorganize the Corporate functions. The significant change mostly concerns utilizations to cover plan-related expenses during the first half of 2021.

PROVISION FOR ONEROUS CONTRACTS

This refers to long-term leases or concession agreements on commercial units that are not profitable enough to cover promotional contributions and service fees, with reference to a location of the Austrian subsidiary whose landlord has opted for early termination.

XXVII. EQUITY

Movements in equity items during the year are detailed in the statement of changes in equity.

SHARE CAPITAL

After the Extraordinary Shareholders' Meeting of 25 February 2021 approved the mandate to increase the share capital, the option period ran from 14 June to 29 June inclusive. During the option period 249,110,975 options were exercised for the purchase of 129,537,707 new shares (99.16% of the total), amounting to € 594,578k, of which € 76,427k goes to share capital and the rest to the share premium reserve.

At the end of the option period, 2,107,375 options were unexercised for the purchase of 1,095,835 new shares, or 0.84% of the total. Those options were placed on the Milan Stock Exchange and sold in their entirety on 1 July 2021. They have since been exercised in full, for a total of € 5,030k, of which € 647k has been allocated to share capital and the rest to the share premium reserve.

On 20 July 2021, the certification of the capital increase was filed with the Novara Companies Register.

Therefore, at 31 December 2021 Autogrill S.p.A.'s share capital, fully subscribed and paid in, amounted to € 145,762k (€ 68,688k at 31 December 2020) and was made up of 385,033,542 ordinary shares with no specified par value (254,400,000 shares at the end of 2020).

ANNUAL REPORT 2021

At 31 December 2021 Schematrentaquattro S.p.A., wholly owned by Edizione S.p.A., held 50.3% of the share capital.

LEGAL RESERVE

The legal reserve (€ 13,738k) is the portion of Autogrill S.p.A. profits that cannot be paid out as dividends, in accordance with Art. 2430 of the Italian Civil Code.

TRANSLATION RESERVE

Translation differences are generated by the translation into euros of the foreign currency financial statements of companies consolidated on a line-by-line basis or using the equity method, net of the fair value of instruments designated as net investment hedges. Of the increase, € 33,366k concerns exchange rate differences from the translation of financial statements in foreign currencies and € 36k to the change in the fair value of instruments designated as net investment hedges, net of the tax effect.

SHARE PREMIUM RESERVE

The share premium reserve, formed as a result of the capital increase described above, includes the portion of the capital increase price designated as a premium: € 524,083k (including € 1,549k from the sale of unexercised options) net of € 21,766k in transaction costs.

OTHER RESERVES AND RETAINED EARNINGS

These include the profits of subsidiaries not distributed as dividends and the amount set aside in connection with the recognized costs of the stock option plans.

Other reserves and retained earnings also include unrealized actuarial gains and losses (net of the tax effect) arising from the remeasurement of defined benefit plan assets and liabilities.

The change in this item was caused mainly by the loss for 2020 that has been carried forward on the basis of the Shareholders' Meeting resolution of 23 April 2021, as well as € 1,028k for contributions made on behalf of a partner of a North American affiliate that later became a wholly-owned subsidiary and € 35k for tax adjustments by the Italian companies Autogrill Italia S.p.A. and Autogrill Europe S.p.A., recipients of the ICT and Payroll divisions transferred by Autogrill Advanced Business Services S.p.A. ("business combination under common control" carried out in 2020).

TREASURY SHARES

At 31 December 2021 Autogrill S.p.A. owned 3,181,641 treasury shares with a carrying amount of € 13,042k, unchanged since the end of 2020.

NON-CONTROLLING INTERESTS

Non-controlling interests amount to € 51,002k, compared with € 59,881k at 31 December 2020. Most of the change is due to the profit for the period (€ 17,331k) and exchange gains of € 4,267k, net of the decrease in non-controlling interests due to reduced contributions for capital expenditure in the amount of € 30,477k.

2. CONSOLIDATED FINANCIAL STATEMENTS

4. NOTES TO THE INCOME STATEMENT

XXVIII. REVENUE

"Revenue" is detailed below:

Change
Full Year 2021
Full Year 2020

In 2021 the Group enjoyed an increase in revenue which improved steadily throughout the year, reflecting greater business volumes as a result of the slowdown in the pandemic (with the gradual easing of restrictions) and the successful vaccination campaign.

See the Directors' Report for a detailed review of sales performance.

XXIX. OTHER OPERATING INCOME

Full Year 2020

Marketing contributions from suppliers

Other income

177,028 i

"Marketing contributions from suppliers" increased by € 4,025k, due mainly to the higher purchasing volumes as a result of the gradual post-pandemic recovery in traffic in all of the Group's sales channels and countries.

"Income from business leases" refers to variable rent received under such arrangements. The increase was caused by the upturn in business, and the consequent reduction in the impact of completed renegotiations with sub-lessees of the terms and conditions of leases in light of the Covid-19 emergency (€ 7,282k vs. € 11,625k the previous year).

"Affiliation fees" pertain mostly to income earned by the companies Le CroBag and Autogrill Italia S.p.A. for franchised locations; the balance was stable from year to year.

"Gains on sales of property, plant and equipment" increased in 2021 as a result of the disposals in the United States.

"Other income", which includes income from services, reimbursements from third parties, and insurance payments, rose by € 52,937k mostly as a result of:

- the increase in revenue from the sale of food & beverage at American Airlines airport lounges (from € 24,598k or \$ 28,096k in 2020 to € 38,289k or \$ 45,284k in 2021) under an exclusive five-year contract with the airline (since May 2019) through the US subsidiary HMSHost Corporation;
- various forms of government Covid-19 relief for a total of € 36,531k (zero in 2020), mostly in Germany, France, and Switzerland.

2. CONSOLIDATED FINANCIAL STATEMENTS

There was basically no change in commissions from the sale of goods and services for which the Group acts as an agent (mostly telephone cards, fuel, and lottery tickets).

XXX. RAW MATERIALS, SUPPLIES AND GOODS

(€k)	Full Year 2021	Full Year 2020	Change
Purchases	1,190,623 j	902,267	288,356
Change in inventories	(20,659) ¹	32,910	(53,569)
Total	1,169,964 !	935,177	234,787

The increase in this item correlates with the growth in revenue. See the Directors' Report for further details.

XXXI. PERSONNEL EXPENSE

Full Year 2020

Wages and social security contribution

Employee benefits

Other costs

820,079 j

The increase in this item relates chiefly to the recovery of business and a relaxing of the initiatives taken by management in 2020 to mitigate the negative consequences of the pandemic. The measures that were relaxed with respect to 2020 mainly concern a reduction in working hours consistently with the decline in traffic and the use of different forms of relief measures put in place by local governments and equivalent actions in the countries served by the Group. These latter were significantly lower in 2021 (€ 79,784k) than the previous year (€ 155,479k).

The decrease in employee benefits is strictly correlated with the income of € 5,167k reported in Switzerland due to the impact of significant involuntary leavings on the determination of past service costs.

"Other costs" include the portion of the stock option plans pertaining to the year and fees paid during the period to the Board of Directors, as detailed in Section 11 below. The decrease is due to the significant impact of restructuring expenses (€ 18,916k) the previous year.

The headcount was 34,639 (31,092 in 2020).

XXXII. LEASES, RENTALS, CONCESSIONS AND ROYALTIES

(€k)

Leases, rentals and concessions Royalties

151,978

The balance of "Leases, rentals and concessions" at 31 December 2021 consists of variable lease and concession fees (€ 252,384k), short-term leases (€ 13,118k), low-value leases (€ 5,035k), and fees for access rights (€ 3,448k). The increase is due to a rise in the variable component (€ 153,885k in 2020) as well as the gain deriving from the release to the income statement in connection with the reduction/cancellation of lease liabilities as a result of the renegotiations concluded with landlords because of the ongoing Covid-19 pandemic, which entailed a reduction in minimum guaranteed lease payments of € 181,950k (€ 194,260k in 2020).

219

ANNUAL REPORT 2021

"Royalties" also increased, in line with business performance. XXXIII. OTHER

For taxes

For legal disputes

For onerous contracts

For restructuring

For other risks

Allocation to provisions for risks (Note XXVI)

Indirect and local taxes

Other operating expense

395,606 J

The increase in "Costs for materials and services" relates mainly to the rise in fees on credit card payments. The other items were essentially in line with the previous year, thanks to the cost-cutting measures taken by Group companies starting in March 2020 in light of the decrease in sales due to the spread of Covid-19. As better detailed in the Directors' Report, however, this item was affected by the final reckoning of non-recurring logistics costs, and by the introduction of important measures to protect the health and safety of employees and customers for € 1,971k (€ 5,667k in 2020).

2. CONSOLIDATED FINANCIAL STATEMENTS

"Allocations to provisions for risks" decreased substantially with respect to the 2020 figure, which was heavily influenced by provisions made by the North American subsidiaries against legal disputes with employees and third parties and provisions for restructuring costs in European countries. See Note XXVI for further details.

XXXIV. DEPRECIATION, AMORTIZATION AND IMPAIRMENT LOSSES

The following table summarizes this item by asset category:

Full Year 2021

Change

Full Year 2020

Depreciation of right-of-use assets is broken down below by asset category:

	Full Year 2021	Full Year 2020	Change
Buildings			
Other			
Total			
(€k)			
			304,116 1,778 305,894*
Change			(50,721) (299) (51,020)

The steep reduction for property, plant and equipment reflects lower capital expenditure as a result of the Covid-19 pandemic, and for assets to be transferred free of charge, the effect of the two-year extension of Italian motorway concessions as established by Art. 2(2) of Decree Law 121/2021.

The depreciation of right-of-use assets decreased further as a result of the business slowdown in 2020, which led to fewer store openings, and the remeasurement of leases further to negotiations arising from the contractual extensions agreed with landlords.

Contributing to the reduction in both items was the disposal of the Spanish operations at the end of the previous year (€ 20,709k for all of 2020) and of the US motorway business in late July 2021 (€ 13,384k for the period August-December 2020).

During the year a total of € 23,479k in impairment losses was recognized (€ 61,656k in 2020), following impairment tests based on the prospective cash flows of each point of sale. Most of the impairment losses were recognized in the United States, Italy, Belgium, and Switzerland.

As mentioned earlier, these impairment losses reflect the new earnings projections of various locations which, due to the Covid-19 emergency and medium-term expectations regarding a return to pre-pandemic profitability, led management to change its location management strategies and to plan on exiting from these contracts in the coming months.

221

ANNUAL REPORT 2021

In this regard, in 2021 there was also a positive effect of € 8,886k from the early closure of two locations in the United States that management had already decided to exit in 2020.

The following table breaks down net impairment losses by category:

(€k)	Full Year 2021	Full Year 2020	Change
Goodwill	-2,271	(2,271)	
Other intangible assets	1,875	986	889
Property, plant and equipment	8,188	27,719	(19,531)
Assets to be transferred free of charge	4,489		3,019
Right-of-use assets	41	27,661	(27,620)

Total 14,59361,656(47,063)

See notes VII, VIII, IX, and X for details of the assumptions and criteria used to measure the recoverability of these categories of non-current assets.

XXXV. CAPITAL GAINS FROM THE DISPOSAL OF OPERATING ACTIVITIES

For 2021 this item refers to the disposal of the US motorway operations; for 2020 it concerned the disposal of Autogrill Iberia S.L.U. For further details see Section 2 of these Notes.

XXXVI. FINANCIAL INCOME AND EXPENSE

Full Year 2020

Other financial expense

Total financial expense

Total net financial expense

222

2. CONSOLIDATED FINANCIAL STATEMENTS

For 2021, net financial expense of € 100,925k (€ 112,926k the previous year) includes € 42,664k (€ 60,508k in 2020) in net implicit interest on lease liabilities in accordance with international accounting standard IFRS 16.

In light of the ongoing Covid-19 pandemic, in March 2021 a new set of covenant holidays was arranged with lender banks and bondholders for the temporary suspension of required parameters (leverage ratio and interest coverage ratio). These contractual changes, in accordance with IFRS 9, led to a revision of the 2020 calculation of the difference between the present value of the modified cash flows discounted using the original effective interest rate and the present value of the original cash flows, entailing the recognition of € 13,648k in interest expense (€ 22,300k in 2020, for the

first round of covenant holidays). During the year, prior to the refinancing described above, € 20,805k was released to the income statement (€ 6,976k in 2020).

The debt refinancing that concluded in December 2021 entailed the following: • an increase in fees due to the release to the income statement of not-yet-amortized upfront fees on the loans repaid in advance (€ 7,938k);

an increase in other financial expense due mainly to the payment to US bondholders of a contractual make-whole fee, amounting to the present value of future coupons based on the difference between the contractually agreed interest rate and the applicable US Treasury yield for the same maturity. The expense of the make-whole fee of € 20,201k (\$ 23,915k) was partially offset by the unwinding of interest rate derivatives hedging the change in fair value of the bonds issued by HMSHost Corporation (notional amount \$ 100m), which produced an income of € 2,721k (\$ 3,219k).

The early repayment of bank loans and US bonds for which covenant holidays had been agreed led to the release to the income statement of € 7,735k, for the not-yet-amortized portion of the fair value adjustment recognized on application of IFRS 9 classified under interest expense.

That amount was partially offset by higher interest expense in 2021 due to the increase in margins on bank loans and bond coupons during the covenant holiday that began in June 2020 and ended in December 2021 with full repayment and cancellation of the loan agreements and bonds.

There was also a reduction in finance expense on lease liabilities, due to the general decrease in the incremental borrowing rate used for new contracts and for remeasurements not related to indexing.

XXXVII. REVALUATIONS (WRITE-DOWN) OF FINANCIAL ASSETS

Amounting to € 1,634k in 2021, this item includes the writeback of loans granted to the non-controlling shareholders of some North American subsidiaries classified under financial receivables from third parties, since the reasons for previous writedowns (€ -13,242k in 2020 in connection with the pandemic) no longer apply.

XXXVIII. INCOME TAX

The negative amount of € 39,976k (€ +134,094k in 2020) includes € 48,002k in current taxes (€ 6k the previous year) and € 8,528k in net deferred tax assets (€ 134,861k in 2020). Tax was affected by the amount due by HMSHost Corporation for the capital gain on the disposal of the US motorway business, amounting to € 44,659k (\$ 52,820k).

The 2020 amount included a tax refund of \$ 119m (€ 104.2m) to which the subsidiary HMSHost Corporation was entitled, by offsetting the federal tax loss incurred in 2020 as a result of the Covid-19 pandemic against the taxable income of prior years since 2015, according to the carry-back mechanism introduced in 2020 by US tax law. It was also possible to carry forward net operating losses for state tax purposes, for an additional deferred tax benefit of \$ 17m (€ 14.9m) that has likewise been recognized in the income statement.

At 31 December 2021 this item includes IRAP of € 232k (€ 71k the previous year), which is charged on Italian

operations and whose basis is essentially EBIT plus personnel expense for fixed-term labor, and CVAE of € 209K (€ 690k in 2020), charged on French operations and calculated on the basis of revenue and value added.

Below is the reconciliation between theoretical income tax and recognized income tax:

Full Year 2020

Theoretical income tax

Reduced tax due to the direct taxation of minority partners in fully consolidated US joint ventures

Net effect of unrecognised tax losses, of utilization of unrecognised prior-year tax losses and the revision of estimates on the taxability/ deductibility of temporary differences

Adjustment on French deferred tax liabilities due to the variation on tax rate from 25% to 26.5% (from 28% to 25% in the previous year)

Gain on operating activity disposal - difference between the book value and the tax value of the assets sold

Tax concession on the labour cost in the United States

Other net permanent differences

Income tax, excluding IRAP and CVAE

IRAP and CVAE

Recognised income tax

Average tax rate of the country where the Group operates

224

2. CONSOLIDATED FINANCIAL STATEMENTS

XXXIX. BASIC AND DILUTED EARNINGS PER SHARE

Basic earnings per share is calculated as the Group's share of net profit divided by the weighted average number of ordinary Autogrill S.p.A. shares outstanding during the year; treasury shares held by the Group are therefore excluded from the denominator.

Diluted earnings per share takes account of dilutive potential shares deriving from stock option plans when determining the number of shares outstanding.

		Full Year 2021	Full Year 2020
Profit (loss) for the period attributable to owners of the Parent (€k)	(37,846) i	(479,868)

Basic earnings (loss) per share (€)	j	-0.1192	-1.9049

5. NET FINANCIAL INDEBTEDNESS

Details of the net financial position (net financial indebtedness) at 31 December 2021 and 31 December 2020 are as follows:

Note	(€m)	31.12.2021	31.12.2020	Change
I	A) Cash	36.2	23.3	12.9
	B) Cash equivalents	307.0	590.3	(283.3)
	C) Other current financial assets			

Other current financial assets

- D) Liquidity (A + B + C)
- E) Current financial debt (including debt instruments, but excluding current portion of non-current financial debt)
- F) Current portion of non-current financial debt
- G) Current financial indebtedness (E + F)
- H) Net current financial indebtedness (G - D)

1,927.4!

0.9; 1,928.3 i
(860.1)

(239.7) (0.4) (1,100.2)

M) Net financial indebtedness (H + L) - cam. CONSOB (04/03/2021 | ESMA 32-382-1138)¹

N) Other current and non-current financial assets

Net financial indebtedness (M - N)

¹ As required by the CONSOB circular and in accordance with ESMA 32-232-1138 recommendation of 4 March 2021
^{*} It includes the following financial statements lines "Bank loans and borrowings" excluding the current portion of non-current financial indebtedness [€ 37 Bm] and "Other financial liabilities" (€ 1.6m)
^{**} It includes the following financial statements lines "Bank loans and borrowings" limited to the current portion of non-current financial indebtedness [€ 5.3m], "Lease liabilities" for the current portion [€ 309.1m]
^{***} It includes the following financial statements lines for non-current liabilities "Loans" for the non-current portion of Financial Indebtedness [€ 544.2m] and "Lease liabilities" (€ 1,383.2m)
^{****} It includes the following financial statements lines "Lease receivables" [€ 16.0m], "Other Financial assets" (€ 36.3m) for current assets, "Lease receivables" [€ 599m] and "Other financial assets" net of guarantee deposits and intracsi-bcannng sums with third parties [€ 79m] for non-current assets

The decrease in net financial indebtedness is strictly correlated with the capital increase and the disposal of the US motorway business, which generated the cash needed to conclude the Group's refinancing in December 2021 (Notes XXI and XXIV).

For further commentary, see the notes indicated above for each item; the Group has a direct presence in Russia which is irrelevant also with reference to the impact on net financial indebtedness.

The Group's Dutch subsidiaries have local tax liabilities of € 24,490k (Note XVIII) as a result of the extended payment terms granted by an emergency Covid-19 government regulation; these are not included in net financial indebtedness as they are not a significant financing component, either implicitly or explicitly, in accordance with disclosure guidelines pursuant to ESMA 32-232-1138 of 4 March 2021.

226

2. CONSOLIDATED FINANCIAL STATEMENTS

RECONCILIATION OF LIABILITIES ARISING FROM FINANCING ACTIVITIES

As required by IAS 7 (§44A), the following table reconciles changes in liabilities arising from financing activities, distinguishing between those arising from cash flows and other non-monetary changes.

€m	Cosh flow	Exchange rate	Non-monetary movements		Other movements	Total
			movements	gains (losses)		
	01.01.2021					31.12.2021

Current other financial liabilities, net of accruing interest (€ 0.4m), non-current Other financial liabilities (€ 0.9m) For the purpose of reconciliation with the Consolidated statement of cash flow, the cash flows are included in the item "Utilization of non-current loans" for € 0.2m and in the item "Issue of new current loans net of repayments" for € 0.8m

Current Other financial assets (€ 36.3m), non-current Other financial assets net of guarantee deposits and interest-bearing deposits with third parties (€ 79m) For the purposes of reconciliation with the Consolidated statement of cash flow, the cash flows are included in the item "Utilization of non-current loans" for € 6.4m and in the item "Issue of new current loans net of repayments" for € -11.9m Amounts shown in the statement of cash flows

The "Other changes" column includes the interest provisions for the year and changes in lease receivables and liabilities as a result of exemptions and contract remeasurements

6. FINANCIAL INSTRUMENTS - FAIR VALUE AND RISK MANAGEMENT

6.1 FAIR VALUE HIERARCHY

The following tables break down assets and liabilities by category at 31 December 2021 and 2020 and financial instruments measured at fair value by valuation method. The different levels are defined as follows:

Level 1 - quoted prices (unadjusted) in active markets for identical assets or liabilities; Level 2 - inputs other than quoted prices included within Level 1 that are observable for

than quoted prices included within Level 1 that are observable for assets and liabilities either directly (prices) or indirectly (derived from prices); Level 3 - inputs for assets and liabilities that are not based on observable market data (unobservable inputs).

The Group has recognized financial assets according to the business model test for the use of amortized cost (held to collect) or fair value through other comprehensive income (held to collect and sell).

Information on the fair value of assets and liabilities is not included when the carrying amount is a reasonable approximation of fair value.

In 2021 there were no transfers between different hierarchical levels.

ANNUAL REPORT 2021

a) Level 1 financial instruments

The fair value of a financial instrument traded in an active market is based on quoted market prices at the reporting date. A market is regarded as active if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service or regulatory agency, and

active if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis. The quoted market price used for the financial assets held by the Group is the current bid price.

b) *Level 2 financial instruments*

The fair value of financial instruments not traded in an active market (for example, over-the-counter derivatives) is determined using valuation techniques that maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

For level 2, the specific valuation techniques are as follows:

- the fair value of interest rate swaps has been estimated considering the present value of future cash flows based on observable yield curves. This fair value takes into account the credit risk of the counterparty determined based on observable market data. It also takes into account the credit risk of the Group, calculated on the basis of credit and other financial ratios and benchmarking;
- the fair value of loans and bonds was estimated by discounting future cash flows at a risk-free market interest rate gross of a spread determined on the basis of the Group's credit risk, financial ratios and benchmarking.

6.2 FINANCIAL RISK MANAGEMENT

The Group is exposed to the following risks:

- market risk;
- credit risk;
- liquidity risk.

The overall responsibility for the creation and supervision of a Group risk management system lies with Autogrill S.p.A.'s Board of Directors, which has formed a sub-committee for Control, Risk and Corporate Governance. The sub-committee is responsible for looking into matters concerning Autogrill's control and risk management system and helping the Board of Directors reach informed decisions on these issues.

The Group's risk management policies are designed to identify and analyze the risks to which the Group is exposed, establish appropriate limits and controls, and monitor the risks and compliance with those limits. These policies and the corresponding systems are revised regularly to reflect any changes in market conditions and the Group's operations. Through training, standards and official procedures, the Group aims to create a disciplined and constructive environment in which its employees are aware of their roles and responsibilities. The Internal Audit unit complements the sub-committee for Control, Risk and Corporate Governance in its monitoring activities, conducting periodic reviews and spot checks of the controls and risk management procedures and reporting results to the Board of Directors.

This section describes the Group's exposure to each of the risks listed above, its risk objectives and policies, and its means of managing and assessing these risks.

2. CONSOLIDATED FINANCIAL STATEMENTS

MARKET RISK

Market risk arises from exposure to fluctuations in variables relevant to financial transactions or in the prices of factors relevant to the Group's activities, due to changes in exchange rates, interest rates or equity instrument prices. The aim of market risk management is to take steps to minimize the impact of the volatility of such variables on the income statement or the consolidated financial statements. Minimizing volatility means keeping it within acceptable limits, also considering the cost-effectiveness of transactions to hedge the underlying risk.

Autogrill's financial policy places a strong emphasis on the management and control of market risk, in particular with respect to interest rates and exchange rates, given the extent of the Group's borrowings and its international profile.

INTEREST RATE RISK

The aim of interest rate risk management is to ensure the constant monitoring of financial expense and its volatility. This entails, through a mix of fixed-and floating-rate liabilities, the predetermination of a portion of financial expense out to a time horizon in keeping with the structure of debt, which in turn must be in line with capital structure and future cash flows. Where it is not possible to obtain the desired risk profile in the capital markets or through banks, it is achieved by using derivatives of amounts and maturities in line with those of the liabilities to which they refer. The derivatives used are mainly interest rate swaps (IRS).

Hedging instruments are allocated to companies with significant exposure to interest rate risk, through debt carrying a floating rate (thus exposing

Hedging instruments are allocated to companies with significant exposure to interest rate risk, through debt carrying a floating rate (thus exposing the Group to higher finance costs if interest rates rise) or a fixed rate (which means that lower or higher interest rates do not bring about a reduction or an increase in the amount payable).

Interest rate hedging instruments are accounted for as cash flow hedges in the financial statements of Group companies exposed to this risk. They are recognized under financial assets or liabilities, on a separate line of the statement of comprehensive income, and in the "Hedging reserve" in net equity.

Financial instruments hedging the risk of changes in the fair value of liabilities are accounted for as fair value hedges in the financial statements of Group companies exposed to this risk, and recognized as financial assets or liabilities with a balancing entry in the income statement.

At the close of 2021, net financial indebtedness excluding lease receivables and liabilities was denominated almost entirely in US dollars (51% a year earlier).

At the same date, all net financial indebtedness excluding lease receivables and liabilities consisted of fixed-rate debt, while at 31 December 2020 the share of fixed-rate debt was 17%.

EXCHANGE RATE RISK

The Group operates in various countries with functional currencies other than the euro. In these countries, the procurement policy dictates that raw material purchases and other operating expense be conducted in the same currencies, thereby minimizing exchange rate risk. Such a risk remains with respect to intragroup loans, when granted to subsidiaries that use non-euro currencies. Under these circumstances, the objective of currency risk management is to neutralize some of this risk in respect of payables and receivables in foreign currency arising from lending transactions in currencies other than the euro.

231

The Group's exposure to currency translation risk is detailed below, in local currency:

(Currency/0001	USD	CAD CHF
Equity	481,719	43,715 26,891
Profit (loss)	102,231	(10,358) (5,869)

If the euro had risen or fallen by 10% against the above currencies, at 31 December 2021 equity and profit for the year would have been altered as shown in the following table (in thousands of euros):

(€k)	USD 1.1326		CAD CHF 1.4381 1.0331			
	10%	-10%	10%	-10%	10%	-10%
Equity	(38,666)	47,258	(2,763)	3,378	(2,366)	2,892
Profit (loss)	(7,858)	9,604	635	(776)	493	(603)

This analysis was based on the assumption that the other variables, especially interest rates, remain unchanged.

Hedging instruments are allocated to companies with significant exposure to currency risk in terms of translation risk (i.e., the risk attending conversion into euros in the Parent company's or its subsidiaries' accounts of equity investments denominated in foreign currency) or financial assets or liabilities in a currency other than the reporting currency. These transactions are recognized at fair value under financial assets or liabilities.

Fluctuations in the fair value of hedges of foreign currency financial assets or liabilities are taken to profit or loss as

Fluctuations in the fair value of hedges of foreign currency financial assets or liabilities are taken to profit or loss, as is the corresponding change in the amount of the hedged assets and liabilities.

The fair value of exchange rate hedges outstanding at 31 December 2021 is shown below:

Notional amount (currency/000)	Expiry	Forward rate (€k)	Fair value
CHF10,985	November 2021	10470	(141)
NOK28,500	February 2022	10.2209	21
GBP2,000	February 2022	0.8480	17
USD8,000	February 2022	110980	(10)

232

2. CONSOLIDATED FINANCIAL STATEMENTS

CREDIT RISK

Credit risk is the risk that a customer or a financial instrument counterparty may cause a financial loss by defaulting on an obligation. It arises principally in relation to the Group's trade receivables and financial investments.

The carrying amount of the financial assets is the Group's maximum exposure to credit risk, in addition to the face value of guarantees given for the borrowings or commitments of third parties, as detailed in Section 10.

Exposure at 31 December 2021 and 31 December 2020 was as follows:

31.12.2020

This item excludes amounts due from "Personnel" for € 976k (€ 2,522k in 2020), from "Inland Revenue and government agencies" for € 14,909k (€ 29,410k in 2020), and "Accrued income and prepayments" for € 23,520k (€ 14,796k in 2020) in relation to the current assets item "Other receivables" in the consolidated statement of financial position, whose total balance comes to € 119,172k (€ 135,789k the previous year) Included in current "Other financial assets" for € 38k (€ 1,698k in 2020) and non-current "Other financial assets" for € 0k (€ 4,659k in 2020) of the Consolidated statement of financial position

Exposure to credit risk is modest because the Group serves consumers who pay in cash or by credit/debit card at the moment of purchase; this means that trade receivables and thus the relative degree of risk is of limited significance in relation to total financial assets.

In most cases, the Group's trade receivables stem from catering service agreements and commercial affiliations.

Other receivables (current and non-current) consist mainly of advances for services or commercial investments made on behalf of concession grantors, for which the degree of credit risk is low.

Financial assets are recognized net of impairment losses calculated on the basis of the counterparty's risk of default. Impairment is determined according to local procedures, which may require impairment of individual positions, if material, where there is evidence of an objective condition of uncollectability of part or all of the amount due, or generic impairment calculated on the basis of historical and statistical data.

Total		21,875	9,258	1,302	934	3,327 36,696

There is no significant concentration of credit risk: the top 10 customers account for 28% of total trade receivables (26% at 31 December 2020), and the largest customer, American Airlines, for 10% (7% the previous year).

LIQUIDITY RISK

Liquidity risk arises when it proves difficult to meet the obligations relating to financial liabilities.

The Group manages liquidity by ensuring that to the extent possible, it always has sufficient funds to meet its obligations on time, without incurring excessive charges or risking damage to its reputation.

The defining elements of the Group's liquidity situation are the resources generated or absorbed by operating and investing activities, the characteristics of its debt, the liquidity of its financial investments, and financial market conditions.

With regard to exposure to trade payables, there is no significant concentration of suppliers, of which the largest io account for 28% of the total and the leading supplier (Autostrade per ritalia)foro%.

The loans (Note XXI) outstanding at 31 December 2021 require the compliance with certain financial ratios, specifically, the leverage ratio (net debt/EBITDA) and interest coverage ratio (EBITDA/net financial expense). These are measured with different criteria and for different groupings of companies depending on the loan and the beneficiary. In particular,

Autogrill S.p.A. has outstanding loans for which the above ratios are calculated on figures pertaining to the Autogrill Group as a whole.

The weighted average term of bank loans and bonds at 31 December 2021, including unutilized credit lines, is approximately 4 years and 3 months (2 years and 11 months at the end of 2020).

The accounting policies used for segment reporting are the same as those applicable to the consolidated financial statements.

Segment reporting in table form is provided below.

The Directors' Report highlights, by segment, the impact of elements that are unusual in terms of amount or likelihood of recurrence which, in the Directors' opinion, condition the perception of the normalized profitability of the Group and its segments. The corresponding adjusted figures are expressed as underlying EBIT and underlying profit.

It should be reminded that the Group doesn't have a meaningful direct exposure to Russia (4.1m€ of revenue in 2021, 0.1% of the Group Revenues), as already described in the Directors' Report and in the Notes.

9. SEASONAL PATTERNS

The Group's volumes are closely related to the flow of travellers, which is highly seasonal in some businesses, and this in turn affects consolidated results.

Despite the ongoing Covid-19 pandemic, the breakdown of 2021 results by quarter was quite similar to 2019, when volumes were mostly concentrated in the second six months of the year when business is stronger due to the summer holidays. In 2020, on the other hand, the breakdown of results by quarter showed how the spread of the Covid-19 altered the seasonal pattern of previous years so that nearly half of all revenue was earned during the first quarter, before the pandemic was widespread, then dropped sharply during the second quarter when the first wave reached its peak and governments strictly curtailed personal movement.

⁵⁷ "Financial assets" include Investments and Other financial assets with the exception of Financial receivables From third parties [€ 79m at 31 December 2021 and € 2.3m at the end of 2020) and Fair value at interest rate hedging derivatives [zero of 31 December 2021 and € 4.7m at the end of the previous year]

⁵⁸ Net working capital consists of Tax assets, Other receivables, Trade receivables, Inventories, Trade payables, Tax liabilities, Other payables, and Provisions for risks and charges (current portion only)

⁵⁹ Other non-current non-financial assets and liabilities include Deferred tax assets, Other receivables, Deferred tax liabilities, Defined benefit plans, Provisions for risks and charges, and Other payables (non-current portion only)

% of full year

For consistency with the data in the Directors' Report, revenue does not include fuel sales, which take place mainly at Italian and Swiss service stations Figures not audited

The percentages shown are general indications only and should not be used to predict results or the generation of cash.

10. GUARANTEES GIVEN, COMMITMENTS AND CONTINGENT LIABILITIES

GUARANTEES

At 31 December 2021 the guarantees given by the Autogrill Group amounted to € 455,983k (€ 460,077k at the close of 2020) and referred mainly to performance bonds and other personal guarantees issued in favor of grantors and business counterparties.

COMMITMENTS

Commitments outstanding at 31 December 2021 concern:

- the value of goods on consignment held at Group locations (€ 217k);
- commitments for service contracts (€ 204,525k);
- commitments for access rights (€ 15,037k);
- commitments under low-value and short-term leases (€ 7,269k).

An access concession exists when ownership of the land and buildings along the motorway is in the hands of a private firm (like Autogrill), which negotiates access rights with the motorway company with the commitment to sell fuel and lubricants and/or food and beverages to motorway users. The firm accepts the obligation to pay rent to the motorway as well as certain stipulations regarding the way the services are to be provided and the hours of operation.

CONTINGENT LIABILITIES

At 31 December 2021, there were no contingent liabilities as defined in IAS 37.

11. OTHER INFORMATION

RELATED PARTY TRANSACTIONS

Autogrill S.p.A. is controlled by Schematrentaquattro S.p.A., which owns 50.3% of its ordinary shares. Schematrentaquattro S.p.A. is a wholly-owned subsidiary of Edizione S.p.A.

All related-party transactions are carried out in the Company's interest and at arm's length.

In 2021 Autogrill S.p.A. and its subsidiaries conducted no transactions with the direct parent, Schematrentaquattro S.p.A.

ANNUAL REPORT 2021

Edizione S.p.A.

"Personnel expense" refers to fees earned by a Director of Autogrill S.p.A. and paid back to Edizione S.p.A. where he serves as executive manager.

"Other payables" mostly originate from Autogrill Italia S.p.A.'s purchase of Edizione S.p.A.'s tax credit (IRES) for the year 2019, amounting to € 750k, which was paid for in July.

Atlantia group

"Leases, rentals, concessions and royalties" refer to variable concession fees and ancillary costs paid to Autostrade per l'Italia S.p.A. by Autogrill Italia S.p.A. In 2021 the variable portion more than offset the reduction due to the waiver of fixed concession fees (€ 34,893k) granted by Autostrade per l'Italia S.p.A. and recognized in the income statement in accordance with the amendment to IFRS 16.

"Other operating expense" refers chiefly to the management of motorway locations.

"Financial expense" concerns the application of international accounting standard IFRS 16, which requires the recognition of implicit interest previously included under "Leases, rentals, concessions and royalties".

"Trade payables" originate from the same contractual relationships.

"Lease liabilities" arise from the application of IFRS 16 and the consequent recognition of € 308,784k deriving from the discounting of fixed or substantively fixed future minimum lease payments outstanding at 31 December 2021. During the year, the enactment of Art. 2(2) of Decree Law 121 of 11 September 2021 granted a two-year extension of motorway concessions. As a result, the Company recognized additional right-of-use assets and lease liabilities.

"Other receivables" refers mainly to credit notes to be received from Autostrade per l'Italia S.p.A., as well as fees for rest stop cleaning services.

Verde Sport S.p.A.

Other operating expense concerns the commercial sponsorship of youth sports at the facilities housed at "La Ghirada - Citta dello Sport".

Benetton Group S.p.A.

Benetton Group S.p.A.

"Other payables" include € 13,409k due by the German subsidiary Le CroBag GmbH & Co KG to the Benetton Group for Covid-19 relief payments which, as part of a joint request, will be received in the name and on behalf of the Benetton Group and paid over to it once received from the German government. The current presentation of this item represents the most likely settlement of the parties' positions with each other and with the German tax authorities as of this writing.

2. CONSOLIDATED FINANCIAL STATEMENTS

REMUNERATION OF DIRECTORS AND KEY MANAGEMENT PERSONNEL

The following remuneration accrued to members of the Board of Directors and to key management personnel in 2021¹:

 (2) Other fees are for serving as director at Autogrill Europe S.p.A and Autogrill Italia S.p.A.
 *** Other fees are For serving on the Control, Risks and Corporate Governance, Strategies and Sustainability, and Human Resources committees.
 **** Other Fees are For serving as director, at Autogrill Europe SpA and Autogrill Italia S.p.A., respectively
 ***** Laura Cioli resigned From Autogrill S.p.A.'s Board of Directors on 28 February 2022, effective immediately
 ***** other Fees are For serving as sole director of Autogrill Advanced Business Services S.p.A

A significant portion of the variable compensation received by the CEO, the Corporate General Manager, and the key management personnel is tied to the achievement of specific targets established in advance by the Board of Directors, by virtue of their participation in management incentive plans. Should the CEO leave office for any reason, he shall retain the right to variable pay under the incentive plans of which he is a beneficiary, subject to the achievement of the targets and the satisfaction of any other condition stated in each plan, regulation, or program and in an amount proportional to the service rendered during the relevant period of time.

For the Corporate General Manager and key management personnel, any rights acquired under incentive plans (including options) shall be null and void in the event of termination for just cause, subjective justified cause, or voluntary resignation ("bad leavers"). In the event of termination for objective justified cause or retirement ("good leavers"), the beneficiary does not lose the pro-rata rights acquired under the plans

leavers), the beneficiary does not lose the pro-rata rights acquired under the plans.

See the section "Incentive plans for executive Directors and key management personnel" for a description of the plans in force.

The CEO's remuneration includes his executive salary from Autogrill S.p.A., which is shown under "Other remuneration". According to the Board of Directors resolution of 21 May 2020, which governs the CEO's employment, if the CEO resigns with just cause or is dismissed by the Company without just cause, the Company will top up to € 2m the standard indemnity in lieu of notice and any other indemnity or leaving compensation provided for in the national collective managers' contract for the commercial sector, when less than that amount. Also, given the CEO's strategic role at the Company, he is bound by a non-compete agreement and a ban on poaching Autogrill Group personnel for 18 months, under a specific agreement that entails a penalty for breach thereof.

Non-compete agreements, with or without an option clause, are also in place with the Corporate General Manager and with key management personnel.

INCENTIVE PLANS FOR DIRECTORS AND KEY MANAGEMENT PERSONNEL

2016 PHANTOM STOCK OPTION PLAN

On 26 May 2016, the General Meeting of shareholders approved an incentive plan referred to as the "2016 phantom stock option plan". The options were assigned free of charge to executive Directors and employees with strategic responsibilities of the company and/or its subsidiaries or to members of the management team as named, on one or

responsibilities of the company and/or its subsidiaries or to members of the management team as named, on one or more occasions, by the Board of Directors.

This plan, which expires on 30 June 2024, is split into three sub-plans or "Waves" which

244

2. CONSOLIDATED FINANCIAL STATEMENTS

grant each beneficiary the right to receive, for each option exercised, a gross cash amount equal to the difference between the terminal value and the allocation value of the Autogrill shares (the "Bonus"), subject to certain conditions and in any case not exceeding a given cap. Specifically, the terminal value of the shares is defined as the average official closing price of the company's shares at the end of each trading session of the Italian Stock Exchange in the month prior to and inclusive of the exercise date, plus dividends paid from the grant date until the date of exercise. The allocation value is defined as the average official closing price of the company's shares at the end of each trading session of the Italian Stock Exchange in the month prior to and inclusive of the allocation date.

On 26 May 2016, the plan was implemented and the terms and conditions of Wave 1 were defined. With a vesting period from 26 May 2016 to 25 July 2019, a total of 4,825,428 options were assigned. No options were cancelled in 2021.

Under the 2016 phantom stock option plan described below, the CEO has been assigned 679,104 options in Wave i, with a minimum holding commitment as detailed in the Remuneration Report. In 2019 the CEO exercised 543,283 of his Wave 1 options.

Movements in options in 2021 and 2020 are shown below:

Number of options

Options at 31 December 2019 795,474

Options exercised in 2020

Options cancelled in 2020 (7,464) Options at 31 December 2020 788,010

Options exercised in 2021 Options cancelled in 2021

Options at 31 December 2021 788,010

An independent external advisor has been hired to calculate the fair value of the phantom stock options, based on the value of shares on the grant date, volatility, estimated dividend payments, the term of the plan and the risk-free rate of return. The calculation was performed using the binomial method.

The costs for this plan amounted to € 243k in 2021 compared with € -1,376k the previous year, when the amount was strongly influenced by the greater volatility and uncertainty in the Group's industry and in general throughout the stock market.

The remaining average contractual life is 0.6 years.

Thorough information on the 2016 phantom stock option plan is provided in the Disclosure Document prepared in accordance with Art. 84-iw (1) and Annex 3A (Schedule 7) of Consob Regulation 11971/1999, which is available to the public at www.autogrill.com <<http://www.autogrill.com>> (/Governance/Shareholders' meeting).

2018 PERFORMANCE SHARE UNITS PLAN

On 24 May 2018, the General Meeting of shareholders approved an incentive plan referred to as the "2018 performance share unit plan". The units were assigned free of charge to executive Directors and employees with strategic responsibilities of the company and/or its subsidiaries or to members of the management team as named, on one or more occasions, by the Board of Directors.

The plan is split into cycles or "Waves" which grant each beneficiary the right to exchange units for Autogrill shares if the Group's stock market performance and financial results both satisfy given conditions.

245

On 24 May 2018, the plan was implemented and the terms and conditions of Wave 1 and Wave 2 were defined. For Wave 1 (vesting period from 24 May 2018 to 23 May 2020) a total of 866,032 units were assigned. For Wave 2 (vesting period from 24 May 2018 to 23 May 2021) a total of 789,906 units were assigned.

Under the 2018 performance share unit plan, the CEO received 136,701 units in Wave 1 and 122,830 units in Wave 2.

On 27 June 2019, Wave 3 of the plan was rolled out. The vesting period runs from 27 June 2019 to 26 June 2022 and a total of 956,206 units have been assigned, of which 153,632 to the CEO.

Regarding Wave 2, in 2021 the vesting conditions were not satisfied, and the beneficiaries definitively lost the opportunity to convert their units into shares. Wave 2 is therefore terminated (as was Wave 1 in 2020).

To exclude the dilutive effect of the capital increase concluded in early July 2021, at its meeting of 30 July the Board of Directors voted to assign an additional 114,819 units (20,124 of them to the CEO).

Wave 3 movements in 2021 and 2020 are shown below:

	Number of units WAVE 3
Units at 31 December 2019	926,342
Units exercised in 2020	
Units cancelled in 2020	(47,809)
Units at 31 December 2020	878,533
Units exercised in 2021	
Options assigned in 2021	114,819
Units cancelled in 2021	(6,347)
Units at 31 December 2021	987,005

An independent external advisor was hired to calculate the fair value of the units, based on the value of shares on the grant date, volatility, estimated dividend payments, duration, and the risk-free rate of return. The calculation was performed using the binomial method.

2021 PERFORMANCE SHARE UNITS PLAN

On 23 April 2021, the General Meeting of shareholders approved a new long-term incentive plan referred to as the "2021 performance share unit plan". Units are assigned to employees and/or Directors of the Company and its subsidiaries who are selected, on one or more occasion, by Board of Directors - at its sole discretion - from among those individuals with strategic responsibilities or members of the management team tasked with creating value (the "Beneficiaries").

The units are assigned free of charge, giving Beneficiaries the right to one free share per unit, under the terms and conditions stated in the regulations.

The Plan is split into three subplans, or "Waves": the first with a launch date in 2021 and a vesting period of 24 months from the launch date, and the other two with launch dates in 2021 and 2022 and vesting periods of 36 months from those dates.

On 23 April 2021, the plan was implemented and the terms and conditions of Wave 1 and Wave 2 were defined. For Wave 1 (vesting period from 23 April 2021 to 22 April 2023) a total of 1,168,574 units were assigned. For Wave 2 (vesting period from 23 April 2021 to 22 April 2024) a total of 1,046,879 units were assigned.

Under the 2021 performance share unit plan, the CEO received 213,601 units in Wave 1 and 191,356 units in Wave 2.

2. CONSOLIDATED FINANCIAL STATEMENTS

To exclude the dilutive effect of the capital increase concluded in early July 2021, at its meeting of 30 July the Board of Directors voted to assign an additional 152,420 units (27,878 of them to the CEO) under Wave 1 and an additional 136,659 units (24,980 of them to the CEO) under Wave 2.

Movements in 2021 are presented below:

movements in 2021 are presented below.

	Number of units	
	Wave 1	Wave 2
Units at 31 December 2020		
Units received in 2021	1,321,094	1,183,538
Units exercised in 2021		
Units cancelled in 2021		
Units at 31 December 2021	1,321,094	1,183,538

An independent external advisor was hired to calculate the fair value of the units, based on the value of shares on the grant date, volatility, estimated dividend payments, duration, and the risk-free rate of return. The calculation was performed using the binomial method.

Costs in 2021 for the Group's performance share units plans came to € 2,887k (€ 850k in 2020).

The remaining average contractual life is 1.4 years.

Thorough information on the 2018 performance share unit plan and the 2021 performance share unit plan is provided in the Disclosure Document prepared in accordance with Art. 1021-bis (1) and Annex 3A (Schedule 7) of Consob Regulation 11971/1999, which is available to the public at www.autogrill.com <<http://www.autogrill.com>> (/Governance/Shareholders' meeting).

12. SIGNIFICANT NON-RECURRING EVENTS AND TRANSACTIONS

In 2021, there were no significant non-recurring events or transactions as defined by CONSOB Resolution 15519 of 27 July 2006 and CONSOB Communication DEM/6064293 of 28 July 2006.

13. ATYPICAL OR UNUSUAL TRANSACTIONS

In 2021 there were no atypical and/or unusual transactions as defined by CONSOB Communication DEM/6064293 of 28 July 2006. See, respectively, Note XXVII and Section 2 of the Notes for information on the capital increase and the disposal of the US motorway business, which fall within the Group's ordinary operations.

14. SUBSEQUENT EVENTS

Since 31 December 2021, no events have occurred that would have entailed an adjustment to the reported figures or required additional disclosures.

In particular, it should be noted that according to I AS 10, the impacts of the Russian-Ukrainian conflict do not affect the estimates related to the end of the financial year 2021 and will be considered, where necessary, in subsequent financial communications.

15. AUTHORIZATION FOR PUBLICATION

The Board of Directors authorized the publication of this annual report and consolidated financial statements at its meeting of 10 March 2022.

ANNUAL REPORT 2021

ATTESTATION BY THE CEO AND THE FINANCIAL REPORTING MANAGER

Certification of the consolidated financial statements pursuant to Art. Si-ter of CONSOB Regulation 11971 of 14 May 1999, as amended

1. We, the undersigned, Gianmario Tondato Da Ruos as Chief Executive Officer and Camillo Rossotto as Manager in charge of Financial Reporting of Autogrill S.p.A., hereby declare, including in accordance with Art. 154-¹⁵ (3) and (4) of Legislative Decree 58 of 24 February 1998:
 - the adequacy of, in relation to the characteristics of the business; and
 - due compliance with the administrative and accounting procedures for the preparation of the consolidated financial statements during the course of 2021.
2. No significant findings have come to light in this respect.
3. We also confirm that:
 - 1 the consolidated financial statements:
 - a) have been prepared in accordance with the applicable International Financial Reporting Standards endorsed by the European Union pursuant to Regulation 1606/2002/EC of the European Parliament and the Council of 19 July 2002;
 - b) correspond to the ledgers and accounting entries;
 - c) provide a true and fair view of the financial position and results of operations of Autogrill S.p.A. and the companies included in the consolidation;
 - 2 the Directors' Report includes a reliable description of the performance and financial position of the issuer and the entities in the scope of consolidation, along with the main risks and uncertainties to which they are exposed.

INDEPENDENT AUDITOR'S REPORT PURSUANT TO ARTICLE 14 OF LEGISLATIVE DECREE No. 39 OF JANUARY 27, 2010 AND ARTICLE 10 OF THE EU REGULATION 537/2014

To the Shareholders of Autogrill S.p.A.

REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Opinion

We have audited the consolidated financial statements of Autogrill Group (the "Group"), which comprise the consolidated statement of financial position as at December 31, 2021, the consolidated income statement, the consolidated statement of comprehensive income, the consolidated statement of changes in equity, the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at December 31, 2021, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards as adopted by the European Union and the requirements of national regulations issued pursuant to art. 9 of Italian Legislative Decree no 38/05.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISA Italia). Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of Autogrill S.p.A (the "Company") in accordance with the ethical requirements applicable under Italian law to the audit of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters, accordingly.

ANNUAL REPORT 2021

Effects of the rent concession renegotiations related to the COVID-19 pandemic

Description of the key On October 9, 2020 the European Union endorsed the amendment to IFRS 16

audit matter - "COVID-19 related rent concession" issued by the IASB on May 28, 2020; moreover, in order to extend the period of applicability of the practical expedient provided by such amendment, on August 31, 2021 the European Union endorsed an additional amendment to IFRS 16 - "COVID-19 related rent concession beyond 12 months" issued by the IASB on March 31, 2021. Autogrill Group opted for adoption of these amendments in the consolidated financial statements as of December 31, 2021, as already done in the financial statements as of December 31, 2020.

These amendments give the lessee the option to account, as a practical expedient, for the rent concessions related to the COVID-19 pandemic, if specific conditions are met, without the need to determine, through the contracts analysis, whether they constitute lease modifications in accordance with IFRS 16, and allows to reflect these effects directly in the income statement as of the effective date of the rent concession. Where the terms of the amendment are not met, lease contracts are remeasured in accordance with the lease modification definition stated by the IFRS 16

The net total benefits from negotiation with landlords, reflected in the 2021 income statement as a result of the abovementioned amendments adoption is Euro 174.7 million (Euro 182.6 million in 2020).

Taking into consideration the significance of the impact, we considered the application of the amendments in the recognition of the rent concession renegotiation related to the COVID-19 pandemic to represent a key audit matter for the Group consolidated financial statements.

The paragraph "1 - Accounting policies and consolidation methods - General standards" of the notes to the consolidated financial statements provides the effects of the amendments implementation.

Audit procedures performed

We performed, among others, the following procedures.

- understanding of the procedures and the relevant controls undertaken by the Group on the recognition process of the rent concession renegotiations related to the COVID-19 pandemic;
- check the compliance of the methodology used by Management to determine the impact of the rent concession renegotiations related to the COVID-19 pandemic to the accounting policies indicated in the notes, including the amendments to IFRS 16-COVID-19 related rent concessions,

- obtain and analyze, through the support of Deloitte specialist on IFRS adoption and interpretation, by gathering information and inquiries with Group Management, the accounting policy defined by the Group for the adoption of the amendments in the recognition of the effects of the rent concession renegotiations related to the COVID-19 pandemic;
- execute, in coordination with the Audit Teams of the Group subsidiaries, specific procedures on a sample basis in order to check the complete and accurate recognition of the rent concession renegotiations related to the COVID-19 pandemic,
- check the appropriateness of the disclosure included in the notes to the consolidated financial statements and its compliance in accordance with the related accounting standards

Impairment Test of the carrying amount of Goodwill

Description of the key Non-Current Assets of the consolidated financial statements as at

audit matter December 31, 2021 include goodwill for Euro 816.9 million which, during the financial year, had a net decrease of Euro 2.5 million due to the disposal of the US motorways operations for Euro 45.0 million, partially offset by the effect of the translation adjustments of Euro 42.5 million. Goodwill represents approximately 20% of the total assets and is subject to Impairment Test, at least on a yearly basis, as established by the accounting standard IAS 36.

Consistently with the minimum level at which goodwill is monitored by the Group's management for internal management purposes, the CGUs (Cash Generating Units) identified are North America, International, Italy and Other European Countries, for each CGU, the Impairment Test has been executed through the comparison between the carrying amount of goodwill and the other asset attributable to each CGU (including the right of use assets accounted for in accordance with the accounting standard IFRS 16) reported in the consolidated financial statements as at December 31, 2021 and the related recoverable amount, determined as the value in use, defined as the present value of estimated future cash flows of the operations realized by each CGU, discounted at different rate for each geographic areas, and which reflects the specific risks of the individual CGUs at the evaluation date.

The impairment process carried out by the Management is complex since it includes several assumptions regarding the forecasted future cash flows of operations of each CGU, the definition of appropriate discount rates (WACC) and long-term growth rates ("g-rate"). In this respect, Management has been supported by an independent advisor that in its Fairness Opinion has confirmed that the methodology adopted is adequate and reasonable.

ANNUAL REPORT 2021

Deloitte

For the determination of the recoverable amount, the Management based its assumptions, for the 5-years period 2022-2026, on the estimated future cash flows calculated by each country's executive team, validated by the countries and the relevant CGU's Management, approved by Group Senior Management (Group Chief Executive Officer and Group Chief Financial Officer) and reviewed by the Board of Directors. The estimated future cash flows used in the Impairment Test is based on the traffic expectations of the channels served by the Group, which were modelled in consideration of the specific features in those channels and the data provided by airport authorities and other qualified external sources.

For all the CGUs, growth capital expenditures are correlated with the expiration of contracts, while maintenance capital expenditures are assumed to be consistent with historical trends.

Furthermore, sensitivity analysis were developed considering the changes in the discount rate and in the long-term growth rate; there was also the determination of the thresholds, in terms of break-even EBITDA and WACC (beyond which it will be necessary to recognize an impairment loss on goodwill).

As a result of the Impairment Test exercise performed, no need for goodwill write-down resulted; moreover, also the sensitivity analysis developed by Management and reported in the notes to the consolidated financial statements confirm the complete recoverability of the goodwill.

Taking into consideration the relevant book value of goodwill reported in the consolidated financial statements and the subjectivity of the estimates used to determine future cash flows and key variables for the Impairment Test exercise, as well as the uncertainty of the outlook resulting from the COVID-19 pandemic, we considered the Impairment Test of the carrying amount of Goodwill to represent a key audit matter for the Group consolidated financial statements.

The notes "IX - Goodwill" and the paragraph "1 - Accounting policies and consolidation methods - Use of estimates" of the notes to the consolidated financial statements, provide the disclosure on the caption content and on the Impairment Test exercise, including the results of the sensitivity analysis

Audit procedures performed

We performed, among others, the following procedures, also through the support of Deloitte specialists:

- analyze the accounting procedures applied in the determination of the value in use of the CGUs;
- check of the compliance to accounting policies indicated in the notes of the Impairment Test exercises adopted by Management;

2. CONSOLIDATED FINANCIAL STATEMENTS

Deloitte

5

- update the observation of the procedures and relevant controls undertaken by the Group on the Impairment Test exercise; in this respect, we analyzed also the Fairness Opinion of the independent advisor, prepared for the Directors' benefit, as well organizing meetings for the comprehension and analysis of data and methodology adopted;
- analyze the appropriateness of the main assumptions adopted for the determination of financial forecasts, also through the analysis of sector data and external sources,
- analyze data realized in comparison with initial forecasts, with the aim to identify the reasons for the differences, also considering the effects of the COVID-19 pandemic, for concluding on the reliability on the financial forecasts determination process, checking the consistency between contract renewal rates and historical data, as well;
- check the reasonableness of the methodology for determining the discount and long-term growth rates testing, as well, the mathematical accuracy of the model used for the determination of the CGUs' value in use;
- independent testing of the sensitivity analysis performed by the Management and by the independent advisor;
- check of the appropriateness of the disclosure included in the notes to the consolidated financial statements on Impairment Test and its compliance in accordance with IAS 36.

Responsibilities of the Directors and the Board of Statutory Auditors for the Consolidated Financial Statements

The Directors are responsible for the preparation of consolidated financial statements that give a true and fair view in accordance with International Financial Reporting Standards as adopted by the European Union and the requirements of national regulations issued pursuant to art. 9 of Italian Legislative Decree no. 38/05, and, within the terms established by law, for such internal control as the Directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the Directors are responsible for assessing the Group's ability to continue as a going concern,

disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they have identified the existence of the conditions for the liquidation of the Company or the termination of the business or have no realistic alternatives to such choices.

The Board of Statutory Auditors is responsible for overseeing, within the terms established by law, the Group's financial reporting process.

259

ANNUAL REPORT 2021

Deloitte

6

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISA Italia) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with International Standards on Auditing (ISA Italia), we exercised professional judgment and maintained professional skepticism throughout the audit. Moreover:

- we identified and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, we designed and performed audit procedures responsive to those risks, and obtained audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- we obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control;
- we evaluated the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors;
- we concluded on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
- we evaluated the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation,
- we obtained sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the

consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion;

We communicated with those charged with governance, identified at an appropriate level as required by ISA Italia, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identified during our audit.

2. CONSOLIDATED FINANCIAL STATEMENTS

Deloitte

We also provided those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence applicable in Italy, and we communicated with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determined those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We described these matters in our auditors' report.

Other information communicated pursuant to art. 10 of the EU Regulation 537/2014

The Shareholders' Meeting of Autogrill S.p.A. has appointed us on May 28, 2015 as auditors of the Company's separate and consolidated financial statements for the years from 2015 to 2023.

We declare that we have not provided prohibited non-audit services referred to in art. 5 (1) of EU Regulation 537/2014 and that we have remained independent of the Company in conducting the audit.

We confirm that the opinion on the financial statements expressed in this report is consistent with the additional report to the Board of Statutory Auditors, in its role of Audit Committee, referred to in art. 11 of the said Regulation.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

Opinion on the compliance with the provisions of the Delegated Regulation (EU) 2019/815

The Directors of Autogrill SpA are responsible for the application of the provisions of the European Commission Delegated Regulation (EU) 2019/815 with regard making reference to the consolidated financial statement - to the regulatory technical standards on the specification of the single electronic reporting format (ESEF - European Single Electronic Format) (hereinafter referred to as the "Delegated Regulation"), to be included in the annual financial report.

We have carried out the procedures set forth in the Auditing Standard (SA Italia) n 700B in order to express an opinion on the compliance of the ESEF consolidated financial statements with the provisions of the Delegated Regulation.

In our opinion, the ESEF consolidated financial statements have been prepared in XHTML format and have been marked up, in all material respects, in accordance with the provisions of the Delegated Regulation.

Opinion pursuant to art. 14 paragraph 2 (e) of Legislative Decree 39/10 and art. 123-bis, paragraph 4, of Legislative Decree 58/98

The Directors of Autogrill S.p.A. are responsible for the preparation of the report on operations and the report on corporate governance and the ownership structure of Autogrill Group as at December 31, 2021, including their consistency with the related consolidated financial statements and their compliance with the law.

ANNUAL REPORT 2021

Deloitte,,

8

We have carried out the procedures set forth in the Auditing Standard (SA Italia) n 720B in order to express an opinion on the consistency of the report on operations and some specific information contained in the report on corporate governance and the ownership structure set forth in art. 123-bis, n 4 of Legislative Decree 58/98, with the consolidated financial statements of Autogrill Group as at December 31, 2021 and on their compliance with the law, as well as to make a statement about any material misstatement.

In our opinion, the above-mentioned report on operations and some specific information contained in the report on corporate governance and the ownership structure are consistent with the consolidated financial statements of Autogrill Group as at December 31, 2021 and are prepared in accordance with the law.

With reference to the statement referred to in art 14, paragraph 2 (e), of Legislative Decree 39/10, made on the basis of the knowledge and understanding of the entity and of the related context acquired during the audit, we have nothing to report.

Statement pursuant to art. 4 of the CONSOB Regulation for the implementation of Legislative Decree 30 December 2016, no. 254

The Directors of Autogrill S.p.A. are responsible for the preparation of the non-financial statement pursuant to Legislative Decree 30 December 2016, no. 254.

We verified the approval by the Directors of the non-financial statement.

Pursuant to art. 3, paragraph 10 of Legislative Decree 30 December 2016, no 254, this statement is subject of a separate attestation issued by us.

DELOITTE & TOUCHE S.p.A.

2021 Concessions Program Handbook

INTRODUCTION:

The City of Chicago ("City") and the Chicago Department of Aviation ("CDA") welcome you to the family of concessionaires operating at the City's airports. Your concession represents an excellent business and professional opportunity to serve the traveling public as well as operate a profitable enterprise. In order to ensure quality and uniformity among all concessions, we have designed a Concessions Program that is outlined in this handbook. It is important that you review and adhere to these standards as they will serve as tools for the successful operation of your concession.

THE CONCESSIONS PROGRAM:

The CDA's Airport Concessions Program serves as the primary resource to meet the needs of the traveling public with regard to the provision of quality, reasonably-priced goods and services at Chicago's airports. To this end, CDA is further responsible for the outreach, selection, coordination and monitoring of concessionaires. In order to fulfill these responsibilities, CDA has several functional units that, as part of their overall duties, operate as liaisons to prospective and existing concessionaires. The primary units and their

Overall duties, operate as liaisons to prospective and existing concessionaires. The primary units and their concession-related functions are as follows:

Policy generation and resolution.

Overall coordination of revenue, finance, bonding, insurance, property management and concessions functions/issues including merchandising plans, outreach, proposal generation and evaluation, contract negotiation, and overall coordination and processing.

CDA UNIT FUNCTIONS Commissioner's Office

Managing Deputy Commissioner

Assist in overseeing Concessions, the monitoring program and general airport guidelines.

Entity retained by the CDA to assist in overseeing Concessions, including construction of Improvements at the airport.

Assistant Commissioner

Concession Management Representative ("CMR")

Planning/Coordinating Architects Plan and design review; construction coordination and monitoring.

Finance/Revenue Financial reporting, review and auditing.

Security Coordination of security identification and other related issues.

THE MONITORING PROGRAM:

The Monitoring Program is designed to provide a process to ensure that concessions operating in the Airports comply with the ordinances and policies of the City, provisions of their respective Lease Agreements and specific airport guidelines as established by the CDA. The primary areas that will be reviewed include financial commitments, maintenance of concession space(s), licensing (where required), and overall adherence to the provisions of the Lease Agreement.

The intent of the Monitoring Program is to benefit the traveling public and other airport visitors, concessionaires and the City.

THE PRE-MONITORING PROCESS:

After a prospective concession is selected by CDA there are five stages that precede the commencement of the Monitoring Program

City Monitoring Program.

STAGE 1 - CITY COUNCIL APPROVAL

Upon completing lease negotiations with the concessionaire, CDA forwards the lease agreement ("Agreement"), signed by the Tenant, to the City's Law Department. After the Law Department's review of the form and legality of the proposed concession agreement, the proposed tenant is introduced to the full City Council. City Council sends the Agreement to the Aviation Committee for review. The Aviation Committee approves, rejects or requests further information. Once approved by the Aviation Committee, the recommendation is forwarded to the full City Council for final approval. In most cases, recommendations submitted to the full Council by Committee are ratified, usually at the next meeting. This approval is documented in the "Journal of Proceedings." The documented approval and contract are then forwarded to the Mayor and other pertinent City departments for execution.

STAGE 2 - LEASE AGREEMENT

The Lease Agreement outlines a concessionaire's contractual relationship with the City. It delineates the responsibilities, expectations and the requirements of both parties, financial and non-financial. During negotiation of the terms of the agreement, you will have cause to interact with individuals from the CDA and the CMR Office. The Managing Deputy Commissioner of Concessions will oversee the processing of the Lease Agreement as well the Monitoring Program.

4

STAGE 3 - DESIGN APPROVAL

All concessionaires must submit a conceptual, schematic drawing which shows the general design of the unit. The Planning and Architecture departments will review the concept, and if the approval is given, a letter will be sent giving conceptual approval and requesting 100% architectural drawings including a complete materials board, plans and specifications so the plans meet the CDA requirements and aesthetic appeal. Upon providing approval of the 100% plans, Architecture will send a letter to the concessionaire giving authority to apply to the City Buildings Department for building permits. In no case may construction begin prior to the receipt of this approval. The Planning Unit will also monitor construction in progress.

STAGE 4 - PRE-CONSTRUCTION APPROVAL

Prior to construction, each concession will meet with the CMR for the purpose of providing the concessionaire with general airport construction guidelines. Examples of these guidelines are locations and times for pick-ups, deliveries, refuse disposal, elevator usage, and loading.

and times for pick-ups, deliveries, refuse disposal, elevator usage, and bagging.

Following the operations meeting, the CMR will schedule a pre-construction meeting with CDA. Prior to the meeting, the General Contractor for the project will submit all documents, permits and approvals to CDA for review. Construction may begin following approval at the pre-construction meeting.

STAGE 5 - CONSTRUCTION

After the contract is finalized, each concessionaire has a specified period to commence and complete construction based on approved design and construction specifications. During this period each concessionaire has the responsibility to expeditiously begin and obtain all necessary approvals, licenses, insurances, etc. Each concessionaire should maintain communication with the CMR during the process to ensure that all construction and licensing requirements are addressed in a timely fashion. It is important that the concession be open to the public within the time parameters specified in the Agreement.

KEY ELEMENTS OF THE MONITORING PROGRAM:

The Concessions Monitoring Program consists of three primary elements: operations reviews, audits and pricing reports. Operations reviews will be conducted on an ongoing basis by the CMR. The operations review form in Appendix 2 will provide a frame work for this component of the Monitoring Program.

Financial and compliance audits will be conducted on an annual and periodic basis, respectively. Financial audits will review all financial, bonding and insurance related requirements.

As specified in the Agreement, each concession shall submit an annual pricing report.

PHYSICAL INSPECTIONS

5

The Monitoring Process will include ongoing site inspection of each concession site by the CMR. Typical inspections will consist of reviews of facilities, general maintenance, employee practices, product/price conformity and space utilization. Inspection staff will use the CMR Operation Review Form (Appendix 2) to record their findings and observations. Reviews will be sent to the concession manager for review and follow-up on all review items. Non-compliance could result in liquidated damages being levied and/or commencement of default proceedings, dependent upon the nature of the violation.

FINANCIAL AUDITS

In accordance with the provisions of the standard Concession Lease Agreement, CDA reserves the right to require a certified public and/or City audit of all books, ledgers, journals, accounts and records of its concessions.

COMPLIANCE AUDITS

On a regular basis, the CDA will review compliance with insurance coverage, financial commitments and financial reporting requirements. Non-compliance could result in liquidated damages being levied

and financial reporting requirements. Non-compliance could result in liquidated damages being levied and/or commencement of default proceedings, dependent upon the nature of the violation. Additionally, compliance with ACDBE Special Conditions will be audited.

SECRET SHOPPING

The CDA, from time to time, may hire an outside contractor to perform "secret shopping" and evaluate employee performance of each concession location. Such reviews shall be used to monitor customer service and cash handling procedures among other things.

SUMMARY:

The Monitoring Program will provide a basis of uniformity to all concessions. Adherence to the Concession Lease Agreement as well as the elements of this Handbook will contribute to the successful operation of your business.

The following Appendices will further delineate additional information/requirements stated above.

APPENDIX 1

PHYSICAL INSPECTION STANDARDS:

FACILITY MAINTENANCE STANDARDS ITEMS:

Overall appearance

Cleanliness of counters, displays, floors, fixtures, equipment, etc. Litter management/control Pest control

STANDARD:

Clean and neat to the eye.

Free of dust and litter upon inspection. **ACTION:**

Expect employees to clean/dust/sweep/vacuum/mop daily. Utilize covered metal waste receptacles. Have waste receptacles in high traffic areas.

Empty waste receptacles into designated compactor areas on a regular basis.

Have grease traps serviced and cleaned as often as necessary.

Instruct employees to look for and clean problem areas.

Provide for regular pest control service to sales and storage areas.

Have a plan/system for emergency clean-ups and replacement of broken or worn fixtures. Report any damage to the premises to CDA and your insurance company (if applicable) immediately.

ITEMS:

Lease line maintenance "Pop-out" areas

STANDARD:

All customer lines must be maintained within the Leased area.

Merchandise and displays must be maintained within the Leased area.

Solicitation and sampling must be maintained within the Leased area.

Only CDA approved fixtures may be placed in the pop-out area (if so designated in the Agreement) at the front of the space.

ACTION:

Train employees to direct customer lines so they do not spill out into the public corridor.

Review tenant design criteria for approved merchandising and fixtures.

Obtain written approval from CDA prior to adding or removing any merchandise fixtures or other objects within the pop-out area.

ITEMS:

Altering of layout

Renovations/construction Signage/advertising

STANDARD:

Written approval, prior to action, by the Commissioner of Aviation.

ACTION:

Consider areas for improving the concession location either from layout changes or renovation. Submit requested changes for approval with appropriate drawings, etc., to the CMR prior to initiation of the changes.

All signs must be professionally produced.

All signs and sign holders must be kept clean and in good repair.

All signs must be pre-approved by the Commissioner or a representative of the Commissioner.

ITEMS:

Properly functioning equipment

STANDARD:

Preventative maintenance program.
Ongoing, reliable, licensed source for immediate repairs.

ACTION:

Have employees' spot check all equipment for possible malfunction.
Maintain a back-up/alternative plan. Repair equipment as soon as possible.

EMPLOYEE STANDARDS

ITEMS:

Courteous and professional appearance Proper dress
Proper identification including CDA security badge Customer Service

Attend customer service meetings, as offered

STANDARD:

Employees should be polite and courteous to the traveling public.
Employees must wear clean and neat uniforms or approved attire.
Employees must not eat while on duty.
Employees must display a CDA issued security badge in addition to any other employee identification.
Only badged employees may work in the secured portion of the airport.

8

Employees must be familiar with the Merchant Handbook. Employees are to offer general public services:

- Making change
- Giving directions

ACTION:

Train employees in proper customer service techniques using the Merchant Handbook provided to all companies.
Give all new employees airport tours so they are familiar with the airport layout and available services.
Encourage employees to be polite and courteous.
Provide necessary employee breaks to discourage eating while on duty.
Supply employees with uniforms or at least a written standard, if they are responsible for their own, as well as guidelines for proper maintenance of the uniform.
Supply employees with company identification.

Obtain CDA security badges for all employees.

Supply employees with a company policies and procedures manual so that they know what is expected of them.

ITEMS:

Sanitary handling of foods/beverages

Proper cleaning and maintenance of food areas

STANDARD:

Employees must handle food in a safe and sanitary manner.

Employees must comply with all company and governmental health regulations and Lease requirements.

ACTION:

Provide explicit instructions to employees on the safe and sanitary handling of foods. Obtain and post proper instructions regarding health information available from City, State and Federal sources.

Provide explicit instructions for cleaning food areas in a manner that will not possibly lead to any harmful contamination.

A Certified Food Manger must be on-site during food preparation. A Safe Food Handling Certificate must be posted.

PRODUCT STANDARDS

ITEMS:

Selling of authorized products only Adequate inventory level Proper/professional approved signage Merchandising Product pricing

9

STANDARD:

Only authorized products can be sold as determined in the Lease Agreement.

Only use professionally produced or printed signage as approved by CDA.

Merchandising permitted only within the confines of the locations, unless as authorized in writing, by CDA.

Must adhere to Value Pricing as provided in the Lease Agreement.

ACTION:

Use professionally produced, approved signage only.

Consider innovative ways to merchandise your products/services.

Obtain written approval from the Commissioner of Aviation prior to implementing merchandising that will go beyond the confines of your space or that is outside of the terms of the Lease Agreement.

Maintain adequate inventory levels.

Notify the Department when adding, deleting or changing merchandise or changing prices.

Maintain pricing as provided in the Lease Agreement.

AUXILIARY SPACE STANDARDS ITEM:

Storage Area

Corridors, common areas

Pick-up, delivery and disposal

STANDARD:

Safe use of storage space.

Proper storage of potentially flammable items in accordance with fire codes. Provide adequate ingress and egress within storage space. Clear aisles and corridors.

Pick-ups and deliveries during designated hours at designated locations as determined by CDA.

Refuse disposal during designated hours at designated locations as determined by CDA.

ACTION:

Use storage space wisely.

Maintain a system providing for access by authorized personnel only. Report any tampering with or malfunctioning of security locks, gates, etc. Keep corridors and common areas free of debris, trash, carts and stock. Provide pest control service on a regular basis. Refrain from using luggage carts for deliveries. Dispose of refuse during designated hours.

APPENDIX 3

FINANCIAL AUDIT STANDARDS:

In accordance with the provisions of most Concession Lease Agreements, CDA reserves the right to audit and review the records of each concession as they relate to the operation of the concession. Therefore, the following will serve as the standards and practices that will govern those audits/reviews.

Lease Fees

Each concessionaire shall submit the rent and fees in accordance with its Agreement.

Records

Each concession is required to maintain true and accurate accounts, records, books and data recording all sales made and services performed on the premises for cash, credit or other conveyance including the gross receipts. The following represent appropriate practices that will reflect the prior stated requirements:

Maintenance of an internal control system (e.g. cash register, point of sale equipment) to insure proper reporting to the City.

Books, ledgers, journals, accounts and/or records must be maintained according to generally accepted accounting principles.

Each concession must provide timely submission of the audited "Statement of Sales and Fees" and annual audited financial statements based upon their individual reporting system.

Other items as required in the Agreement.

Insurances

The following insurances are customarily required during the terms of the Agreement and should be maintained at the levels specified by the Agreement:

Worker's Compensation Comprehensive
General Liability Comprehensive Automobile
Liability Property Insurance
Other insurance as required in the Lease Agreement

The City of Chicago will be named as "Additional Insured", with the following language: "The City, and its elected and appointed officials, agents, representatives, and employees shall be named as additionally insureds..."

Security Deposit/Letter of Credit

All concessions must provide a letter of credit or cashier's check per the terms of the Agreement.

APPENDIX 4

CONCESSIONS OPERATING STANDARDS:

General Airport Guidelines

The following guidelines are examples of the types of issues that will be reviewed with the City's CMR, who will provide each operator with specific guidelines for their concession.

Pick-up and deliveries to/from specific areas at specified times.

Refuse disposal at specific and designated areas/times.

Unauthorized use of restricted Airport areas.

Adherence to minimum business operating hours.
Agreement to emergency hours as may be determined by CDA under special conditions.
Elevator use at designated times.
Ingress and egress from designated areas, as outlined in Agreement. Proper and improper use of signage.

Laws and Ordinances

CDA reserves the right to adopt and enforce reasonable rules and regulations with respect to the use of the Airport, terminal buildings, terminal concourse areas, and related facilities.

All concessions must observe all laws, ordinances, regulations and rules of the Federal, State, County and Municipal governments which may be applicable to the operation at the Airport.

Permits and Leases necessary for the operation of the concession areas must be obtained prior to the first day of operation, and renewed annually as needed.

Default Notices

The CDA reserves the right to issue a Default Notice to any concessionaire who is not in compliance with the Agreement.

APPENDIX 7

RULES AND REGULATIONS:

Lessee shall, at all times during the term of the Lease Agreement:

1. Use, maintain and occupy the Premises in a careful, safe, professional and lawful manner. Keep Premises and its appurtenances in a clean and safe condition.
2. Keep all glass in the doors and windows of the Premises clean and in good repair with floor displays and shelving cleaned daily.
3. Not place, maintain or sell any merchandise or place any signage in any vestibule or entry to the public area adjacent to the Premises, or place any signage in the public area adjacent to the Premises, or elsewhere on the outside of the Premises without the prior written consent of the Commissioner.
4. At its own cost, keep Premises in a clean, orderly and sanitary condition, free of insects, rodents,

vermin and other pests.

5. Not permit accumulation of garbage, trash, rubbish and other refuse inside or outside the Premises, and keep refuse in closed containers within the interior of the Premises until removed. Not place any rubbish, litter, trash, or material of any nature in the parking areas, exterior areas, entryways, passages, doors, elevators, hallways, or stairways of the Airport. Comply with any recycling program as directed by the Commissioner.
 6. Not use, or permit the use of any apparatus or instruments for musical or other sound reproductions or transmissions in such manner that the sound emanating therefrom or caused thereby shall be audible beyond the interior of the Premises, without the prior written consent of the Commissioner.
 7. Not use helium balloons and blinking lights.
 8. Not cause or permit objectionable odors to emanate from the Premises.
 9. Not deliver or permit delivery of merchandise at any time other than those times allowed by the Commissioner or her designated representative.
 10. Maintain and keep operational all electric signs, and where applicable, light the show windows and exterior signs of Premises during hours of operation.
 11. Use only signage of professional quality. All signage must be approved by the Commissioner or her designated representative. Handwritten signs of any kind are not permitted. Signage or other materials may not be taped to windows.
 12. Prominently sign or mark pricing on each product or mark with easily recognizable professional signage.
 13. Keep all mechanical apparatus in good working order and free of vibration and noise.
 14. Not overload the floors or electrical wiring or install any additional electrical wiring or plumbing without the Commissioner's prior written consent.
 15. Not use show windows on the Premises for any purpose other than display of merchandise for sale. Merchandise must be kept in a neat, professional and attractive manner.
 16. Not conduct, permit or suffer any public or private action sale to be conducted on or from the Premises.
 17. Not solicit business in the common area of the Airport or distribute handbills or other advertising materials in the common area. If this provision is violated, the Lessee shall pay the City the cost of collecting same from the common area for trash disposal. Lessee shall not hold demonstrations in the Premises or any other area of the Airport. Lessee agrees to cooperate and assist the City in the prevention of canvassing, soliciting and peddling within the Premises or Airport.
- 25
18. Not use the plumbing facilities in the Premises for any purpose other than that for which they were constructed or dispose of any foreign substance therein, whether through the utilization of "garbage disposal units" or otherwise. If Lessee uses the Premises for the sale, preparation or service of food for on-premises consumption, Lessee shall install such grease traps as shall be necessary or desirable to prevent the accumulation of grease or other wastes in the plumbing facilities servicing the Premises. Lessee shall contract with a grease trap/plumbing service for periodic maintenance of its plumbing facilities. Lessee shall provide the City with a copy of said service contracts.
 19. Not operate in the Premises or in any part of the Airport any coin or token operated vending machines or similar devices for the sale of any merchandise or service, except as may be allowed in the Lease Agreement or with the prior written consent of the Commissioner.
 20. Not have slot machines, devices, or other gambling games on the Premises or in any part of the

Airport without the prior written consent of the Commissioner.

21. Refer all contractors or contractor's representatives rendering any service on or to the Premises for the Lessee, to the City or the CMR for approval before performance of any contractual service provided that they meet insurance requirements.

Lessee's contractors and installation technicians shall comply with the City's rules and regulations pertaining to construction and installation. This provision shall apply to all work performed on or about the Premises or the Airport, including installation of telecommunication devices, electrical devices, attachments and installations of any nature affecting floors, walls, woodwork, trim, windows, ceilings and equipment, or any other physical portion of the Premises or project.

22. Keep from public view all personal property, cups, papers, cleaning and other supplies.
23. Not permit employees to eat, drink or sleep in public view.
24. Not at any time occupy any part of the Premises or project as sleeping or lodging quarters.
25. Not place, install or operate on the Premises or in any part of the Airport any engine, stove or machinery, or conduct mechanical operations or cook thereon or therein, or place or use in or about the Premises or project any explosives, gasoline, kerosene, oil, acids, caustics, or any flammable, explosive or hazardous material.
26. Insure that staff members are, at all times, appropriately dressed (as designated in the Lease Agreement) with airport badges in view.
27. Not hold the City responsible for lost or stolen personal property, equipment, money or jewelry from the Premises or the Airport regardless of whether such loss occurs when the area is locked-against entry or not.
28. Not have dogs, cats, fowl, or other animals brought into or kept in or about the Premises or Airport.
29. Not use the public restrooms for any purpose other than those for which they were constructed, and any damage resulting to them from misuse or by the defacing or injury of any part of the building shall be borne by the person who shall cause it. No person shall waste water by interfering with the faucets or otherwise.
30. Not lay floor covering within the Premises without written approval of the Commissioner. The use of cement or other similar adhesive materials not easily removed with water is expressly prohibited.
31. Comply with and ensure that Lessee's employees comply with the City's non-smoking policy for the Airport.

26

32. Post any Emergency Evacuation Plan adopted by the City. Lessee shall post the Plan in a place which is non-visible to Lessee's customers, but visible to Lessee's employees. Train all employees regarding Lessee's Emergency Evacuation Plan and other emergency procedures.
33. Along with its employees, agents and invitees park their vehicles only in those parking areas allowed by the City. If requested, furnish the City with state automobile Lease numbers of Lessee's vehicles and its employees' vehicles and shall notify the City of any changes within five (5) days after such change occurs. Concessionaire or its employees shall not leave any vehicle in a state of disrepair (including without limitation, flat tires, out-of-date inspection stickers or Lease plates) on Airport property or in its parking areas.
34. Comply with all parking rules and regulations including any sticker or other identification system established by the City. Failure to observe the rules and regulations shall terminate Lessee's right to use the parking area and subject the vehicle in violation of the parking rules and regulations to removal or impoundment. No termination of parking privileges or removal or impoundment of a vehicle shall create any liability on the City or be deemed to interfere with Lessee's right to possession of its

Premises. Vehicles must be parked entirely within the parking lines and all directional signs, security notices, arrows and posted speed limits must be observed. Parking is prohibited in areas not striped for parking, in aisles, where "No Parking" signs are posted, on ramps, in cross hatched areas, and in other areas as may be designated by the City. Parking stickers or other forms of identification, if any, supplied by the City, shall remain the property of the City and not the property of Lessee and are not transferable. Every person is required to park and lock his vehicle. All responsibility for

damage to vehicles or persons is assumed by the owner of the vehicle or its driver.

35. Follow all ID Badging procedures as may be required by the Commissioner or her designated representative.
36. Instruct employees to report spills, hazardous conditions and any suspicious activities to the appropriate party as directed by the Commissioner or her designated party.
37. Not use luggage carts for product deliveries.
38. Use only delivery carts and equipment as approved by the Commissioner or her designated party.
39. Use only designated elevators for deliveries.
40. Surrender all keys to the Premises to the Commissioner upon termination of this Lease Agreement.
41. Comply with the City's desire to maintain in the Airport the highest standard of dignity and good taste consistent with comfort and convenience for the Lessee. Any action or condition not meeting this high standard should be reported directly to the City. Lessee's cooperation will be mutually beneficial and sincerely appreciated.
42. The City reserves the right to make such other and further reasonable rules and regulations as in its judgment may from time to time be necessary for the safety, care and cleanliness of the Premises and for the preservation of good order therein.

EXHIBIT 13 LIQUIDATED DAMAGES

Tenant acknowledges the City's objective to provide the public and air traveler with the level and quality of service as described herein. Accordingly, the City has established liquidated damages and not penalties, as set forth in the table below, that it may assess, in its sole discretion, for various violations of the provisions of this Agreement, the Airport Concession Program Handbook, and/or City Rules and Regulations. Tenant and the City agree that the fines set forth herein are reasonable, and Tenant further agrees to pay to the City in accordance with amounts specified herein upon each occurrence of the specified violation and upon written demand by the City.

Notwithstanding any other liquidated damages provisions provided for in this Agreement, the liquidated damages shown on the table below are intended to reflect the inconvenience to the public and adverse effects on the Airport's operation. Payment of liquidated damages shall not relieve the Concessionaire of responsibility for damage, personal injury, or the harm caused by any of these violations. Tenant further acknowledges that the liquidated damages are not exclusive remedies and the City may pursue other remedies as allowed for in this Agreement and at law, at the Commissioner's or CMR's sole discretion. The City's waiver of any liquidated damages provided for below shall not be construed as a

waiver of the violation or Tenant's obligation to remedy the violation.

1. For the first violation of a requirement during any 12-month rolling year, the City will provide written notice to Tenant to correct the violation within the time specified in the notice.
2. For the second and third violation of the same requirement during any 12-month rolling year commencing upon the first notice of violation, liquidated damages shall be immediately assessed with no grace period.
3. Further, after the third violation of the same requirement within any 12-month rolling year, the City reserves the right, in its sole discretion, to deem the repeated violations an Event of Default and to seek any other remedies available to it under this Agreement.

CONCESSION LEASE AND LICENSE AGREEMENT

This Concession Lease and License Agreement ("Agreement") is entered into as of _____, 20____ ("Effective Date"). The Agreement is by and between MRG Chicago, LLC an ni inois limited liability corporation ("Tenant"), and the City of Chicago, a municipal , corporation and home rule unit of local government under the Constitution of the State of Illinois ("City"), acting through its Chicago Department of Aviation ("CDA" or "Department").

BACKGROUND

The City owns and, through CDA, operates Chicago O'Hare International Airport ("O'Hare" or the "Airport"). O'Hare includes terminals 1, 2, 3, 5, a multimodal facility and a transportation center (collectively, the "Terminals"). The City has determined that certain portions of the Terminals will be used for food, beverage and retail concessions designed to serve the needs of Airport patrons and employees and desires to operate its concession program at the Terminals to strive to meet the needs and desires of Airport users by providing first-class food, beverage, retail and service facilities.

The City issued a Request for Proposals ("RFP") on April 23, 2021 for food and beverage, specialty retail, and travel essentials" concession to be located at the Airport in Terminal 3 and 5, and Tenant responded with a proposal to

operate a concession featuring Specialty Retail, Travel Essentials and Coffee in Terminals 3 and 5. The City desires to grant Tenant, and Tenant desires to accept, a license to operate such a concession and a lease to operate the concession at the Terminal location(s) identified in this Agreement, all under the terms and conditions of this Agreement.

The City and Tenant acknowledge that the continued operation of the Airport as a safe, convenient and attractive facility is vital to the economic health and welfare of the City of Chicago, and that the City's right to supervise performance under this Agreement by Tenant is a valuable right incapable of quantification.

NOW, THEREFORE, the City and Tenant agree as follows:

1

ARTICLE 1 CITY APPROVAL

This Agreement is subject to approval by the City Council of the City of Chicago. The City is not bound by the terms of this Agreement until such time as it has been approved by the City Council and has been duly executed by the Mayor of Chicago or the Mayor's proxy. As provided in Section 11.13, where the approval or consent of the City is required under this-Agreement, unless expressly provided otherwise in this Agreement, it means approval or consent of the Commissioner, the Commissioner's authorized representative or such other person as may be duly authorized by the City Council. As provided in Section 11.3, unless expressly provided otherwise in this Agreement, any amendment of this Agreement will require execution by the Mayor or the Mayor's proxy. As further provided in Section 11.3, any substantial amendment of the terms of this Agreement will require approval by the City Council.

ARTICLE 2 INCORPORATION OF BACKGROUND AND EXHIBITS

1 Incorporation of Background. The background set forth above is incorporated by reference as if fully set forth here.

2 Incorporation of Exhibits. The following exhibits are incorporated into and made a part of this Agreement:

- | | | | | | | | | | | | | |
|-------|-------|-------|-------|-------|-------|-------|-------|-------|-------|-------|-------|-------|

t 13	Liquidated Damages

ARTICLE 3 DEFINITIONS 3.1 Interpretation and

Conventions.

- A. The term "include" in all of its forms, means "include, without limitation," unless the context clearly states otherwise.

2

- B. The term "person" includes firms, associations, partnerships, trusts, corporations and other legal entities, including public bodies, as well as natural persons.
- C. Any headings preceding the text of the articles and sections of this Agreement, and any table of contents or marginal notes appended to copies of this Agreement are solely for convenience of reference and do not constitute a part of this Agreement, nor do they affect its meaning, construction or effect.
- D. Words in the singular include the plural and vice versa. Words of the masculine, feminine or neuter gender include correlative words of the other genders. Wherever an article, section, subsection, paragraph, sentence, exhibit, appendix, or attachment is referred to, the reference is to this Agreement, unless the context clearly indicates otherwise.
- E. Where the approval or consent of Tenant is required under this Agreement, it means the approval or consent of the Tenant's authorized representative. To be binding on the City, all approvals or consents must be in writing and signed by the appropriate City representative.
- F. Whenever time for completion or performance is listed as "days", if the number of days is 30 or more, it means calendar days, and if the number of days is less than 30, it means business days per the City of Chicago calendar.

3.2 Definitions

In addition to terms defined elsewhere in this Agreement, the following words and phrases, when capitalized, have the following meanings:

"Additional Rent" has the meaning set forth in Section 7.1.

"Additional Space" means Retail Space or Storage Space that is added to Leased Space after the Effective Date pursuant to Section 5.1 but does not include Relocation Space. Additional Space, if any that is offered to Tenant is solely

at the discretion of the Commissioner. Tenant has absolutely no right or entitlement to be offered any Additional Space, and the concept of Additional Space is solely for the benefit of the Airport's concession program.

"Affiliate", except where otherwise defined, means any individual, corporation, partnership, trustee, administrator, executor or other legal entity that directly or indirectly owns or controls, or is directly or indirectly owned or controlled by, or is under common ownership or control with Tenant.

"Airport Concession Disadvantaged Business Enterprise" or "ACDBE" means an entity meeting the definition of airport concession disadvantaged business enterprise, as

3

defined in U.S. Department of Transportation Regulations Title 49, Code of Federal Regulations, Part 23, as amended from time to time, and certified as such in the State of Illinois in accordance with those regulations.

"Airport Concession Program Handbook" means the handbook developed by the CDA to govern the uniform operation of the concessions' programs at the Airports. The Airport Concession Program Handbook is available on the CDA website and may be amended from time to time by the Department. Any amendment of the Airport Concession Program Handbook by the Department during the Term of this Agreement will be binding on Tenant without need for amendment of this Agreement, provided that the amendment of Airport Concession Program Handbook does not conflict with the other terms and conditions of this Agreement.

"Airport Transit System" means the automated transit rail system that serves terminals and parking structures.

"Base Rent" means the fee payable by Tenant for the Lease, equal to the amount as set forth on Exhibit 2.

"Chief Procurement Officer" means the head of the Department of Procurement Services of the City and any City officer or employee authorized to act on the Chief Procurement Officer's behalf.

"Commissioner" means the head of the Department and any City officer or employee authorized to act on the Commissioner's behalf. City contractors and consultants, including the Concession Management Representative, have no authority to grant approvals or consents required to be granted by the Commissioner under this Agreement, except where the Concession Management Representative is expressly authorized to do so.

"Common Areas" means those areas of the Terminals that are not leased, licensed, or otherwise designated or made available by the Department for exclusive or preferential use by specific party or parties.

"Comptroller" means the head of the Department of Finance of the City and any City officer or employee authorized to act on the Comptroller's behalf.

"Concession" means Tenant's business of offering the Products identified in Exhibit 5 for sale at retail to the public at the Airport pursuant to this Agreement.

"Concession Management Representative" or "CMR" means the entity retained by the City to assist in overseeing Concessions, including the construction of Improvements, at the Airport.

"Construction Documents" means the drawings and specifications for the construction of Improvements, approved by the Commissioner pursuant to Section 5.5.

4

"Date of Beneficial Occupancy" or "DBO" means, as to each Retail Space, the latest to occur of (A), (B) or (C) as follows:

- A. the date that is 180 days after the Delivery Date of the Retail Space in question;
- B. the date that is 180 days after the building permit for the Improvements for the Retail Space in question is issued; provided that the Tenant has demonstrated to the satisfaction of the Commissioner that Tenant timely submitted design drawings in accordance with Section 5.5 hereof and promptly applied for, and diligently pursued the issuance of, such building permit; or
- C. the date set forth in the Development Plan for the commencement of retail sales in the Retail Space in question; provided, however, that the date set forth in the Development Plan for commencement of retail sales shall be extended one day for each day Tenant has demonstrated to the satisfaction of the Commissioner that Tenant was delayed due to force majeure pursuant to Section 11.20 or delays otherwise beyond Tenant's control. Under no circumstance can this date exceed 60 days beyond the date established in A. above.

Notwithstanding the foregoing, if Tenant completes the Improvements in any Retail Space and commences retail sales in such Retail Space before the DBO determined in accordance with the foregoing, the DBO for that Retail Space is the date that retail sales commence. -

The DBO for each Retail Space shall be confirmed in writing by the parties, and such written •Confirmation(s) of DBO" shall thereafter be attached to Exhibit 1 of this Agreement without need for a formal amendment of this Agreement.

The Date of Beneficial Occupancy for any Storage Space is the Delivery Date for that Storage Space.

"Default Rate" means 12% per annum. '

"Delivery Date" means the date upon which the City gives Tenant possession of the Retail Space or Storage Space in question, which such date the City shall set forth in writing.

"Department" means the Chicago Department of Aviation, also known as CDA.

"Design and Construction Standard Operating Procedures- Concessions Projects" or "C-SOP" means those certain design standards and policies prepared by the Department for the Concession areas at the Airport, as amended by the Department from time to time.

"Development Plan" means, as further described in Section 5.5, the Tenant's conceptual plans, budget and other design specifications for construction of its Improvements and its schedule for commencement of retail sales in each Retail Space. The Development Plan is attached hereto as Exhibit 3. The Development Plan may be updated from time to time

5

without the need to amend the Agreement.

"Distribution Fee" means the amount, if any, payable pursuant to Section 4.11 for the Tenant's use of a centralized distribution and storage facility.

"Environmental Laws" means collectively, all applicable federal, state and local environmental, safety or health laws and ordinances and rules or applicable common law, including the Occupational Safety and Health Act of 1970, as amended (29 U.S.C. §651 et seq.), the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. §9601 et seq.), the Hazardous Materials Transportation Authorization Act of 1994 (49 U.S.C. §5101 et seq.), the Resource Conservation and Recovery Act (42 U.S.C.

§6901 et seq.), the Toxic Substances Control Act of 1976, as amended (15 U.S.C. §2601 et seq.), the Clean Air Act (42 U.S.C. §7401 et seq.), the Clean Water Act (33 U.S.C. §1251 et seq.), the Safe Drinking Water Act (42 U.S.C. §300(f) et seq.) as any of the foregoing may later be amended from time to time; any rule or regulation pursuant to them, and any other present or future law, ordinance, rule, regulation, permit or permit condition, order or directive addressing environmental, health or safety issues of or by the federal government, or any state or other political subdivision of it, or any agency, court or body of the federal government, or any state or other political subdivision of it, exercising executive, legislative, judicial, regulatory or administrative functions.

"Event of Default" has the meaning set forth in Article 9.

"Food Court Common Area" means the space immediately adjacent to specific Retail Spaces where shared seating is provided to the public.

"Gross Revenues" or "gross receipts" means the total amount in dollars at the actual sales price of all receipts, whether for cash or on credit, that are derived from business conducted in, on or from the Leased Space, all mail or telephone orders received or filled at or from the Leased Space, all deposits not refunded to purchasers, all orders taken in and from the Leased Space, including catalog and on-line sales whether or not the orders are filled elsewhere, and receipts or sales by Tenant and any other person or persons doing business in or from the Leased Space, including receipts from promotions, advertising, and income derived from retail display advertising or any other use of the Leased Space by Tenant. Gross Revenues do not, however, include the following:

- A. any sums collected and paid out by Tenant for any sales, retail excise, use, privilege, or retailers occupation taxes now or later imposed by any duly constituted governmental authority;
- B. the amount of any cash or credit refund made upon any sale, but only if the original sale was made in or from the Leased Space and included in Gross Revenue;

6

- C. bona Fide transfers of Products to or from the Leased Space to any other stores or warehouses of Tenant;
- D. sales of Tenant's fixtures and store equipment not in the ordinary course of Tenant's business;
- E. returns to shippers, suppliers or manufacturers;

- F. bulk sales of Products inventory not sold to the public and not in the ordinary course of business;
- G. receipts from the sale of grease or other scrap material resulting from Tenant's operations at the Leased Space;
- H. payments made to Tenant by subtenants for services provided by Tenant for the operation of the Leased Space; for the avoidance of doubt, this provision shall not relieve Tenant from its full obligation to pay to City the agreed Percentage Fee on all Gross Revenues of subtenants or rents paid by subtenants to Tenant;
- I. the amount of any tips paid or given by customers to employees of Tenant; and
- J. insurance proceeds received from the settlement of claims for loss of or damages to Improvements, Products, fixtures, trade fixtures and other Tenant personal property other than the proceeds of business interruption insurance.

A "sale" is deemed to have been consummated for purposes of this Agreement, and the entire amount of the sales price must be included in Gross Revenues, at the time that: (i) the transaction is initially reflected in the books or records of Tenant; or (ii) Tenant receives all or any portion of the sales price; or (iii) the applicable goods or services are delivered to the customer, whichever occurs first.

"Imposition" means real estate taxes, permit fees, license fees, and any other fee or charge not specified in this Agreement but otherwise payable by Tenant pursuant to a statute, ordinance, or regulation in order for Tenant to operate the Concession at the Airport.

"Improvements" means the improvements to be made to the Leased Space by Tenant that add or maintain value to the Leased Space, including fixtures and trade fixtures (but excluding trademarked or proprietary trade fixtures) and any other enhancements of a permanent or temporary nature made to the Leased Space, other than the Shell and Core, so that the Leased Space can be used for Concession operations. The Improvements must be described, along with a budget of Improvement Costs and depicted conceptually in the Development Plan and must conform to Tenant's response to the RFP.

"Improvement Costs" means the total amount paid by Tenant for categories of labor, services, materials and supplies used in the design, development, installation and construction

7

of the Improvements. The minimum Improvement Costs must not be less than 95% of the budgeted Improvement Costs included in the approved Development Plan. Tenant's actual, reasonable Improvement Costs will be memorialized in the written Confirmation of DBO that will be attached to Exhibit 1 upon approval by the Commissioner. Whenever this Agreement refers to amortization of Improvement Costs for a Leased Space, such amortization will be calculated on a monthly straight-line basis over the term of the Agreement from the DBO of the Leased Space in question, and the amount being amortized will be the actual Improvement Costs for that Leased Space as memorialized in the Confirmation of DBO for that Leased Space.

"In-Line Site" means a Retail Space, other than a Kiosk, that may be permanent or temporary, typically operated as a walk-up, quick serve facility often with other Retail Spaces directly adjacent or in-line to the left or right or both.

"Kiosk" means a Retail Space that is a non-mobile, free-standing, permanent or temporary facility that is not

affixed to the Terminals, whether completely free-standing or located against a wall.

"Lease" means the lease granted by the City to the Tenant in Section 4.1 to use and occupy the Leased Space in order to conduct and operate the Concession pursuant to the License.

"Leased Space" means the total Retail Space and Storage Space leased to Tenant under this Agreement, identified in Exhibit 1, which may be amended from time to time as space may be added to, deleted from, or relocated during the Term in accordance with the provisions of this Agreement. Leased Space shall be used for operation of the Concession and for no other purpose unless otherwise approved in writing by the Commissioner.

"Lease Year" means

- A. for the initial Lease Year of this Agreement, a period beginning on the first Date of Beneficial Occupancy of any Retail Space and ending on December 31 of that calendar year, and
- B. for the balance of the Term, each successive calendar year, but including only that portion of the calendar year prior to the date on which the Term expires, or the Agreement is otherwise terminated.

"License" means the privilege granted to Tenant under this Agreement to operate the Concession at the Airport.

"License Fee" means the fee payable by Tenant for the License, equal to the greater of the "Percentage Fee" or "Minimum Annual Guarantee" as set forth in Section 7.1 and Exhibit 2.

8

"Marketing Fee" means the Tenant's contribution for promotions at the Airport, as set forth in Section 4.10.B.

"Minimum Annual Guarantee" or "MAG" means the minimum amount payable each Lease Year for the License Fee. If this Agreement covers more than one Retail Space, Exhibit 2 must prorate the MAG for the Agreement among the various Retail Spaces in proportion to their anticipated Gross Revenue volumes. The MAG for each Retail Space will commence upon the DBO for that Retail Space.

"Percentage Fee" means the product of the Percentage Fee Rate and Gross Revenues.

"Percentage Fee Rate(s)" has the meaning set forth in Exhibit 2.

"Products" means the convenience merchandise, food and beverage menu items, Chicago oriented gift items, vending items and related merchandise that Tenant is permitted to sell in its Retail Space and maintain in inventory in its Storage Space under the terms of this Agreement, as set forth by category or item in Exhibit 5. As set forth in Article 4, Tenant was selected by the City specifically to sell the Products identified in Exhibit 5 and is not permitted to sell any items or types of items not identified in Exhibit 5 or conduct any other business from the Leased Space unless otherwise agreed in writing by the Commissioner.

"Relocation Space" means space to which Tenant must relocate a Retail Space or Storage Space at the request of the Commissioner pursuant to Section 5.1.

"Rent" means all amounts payable by Tenant in connection with this Agreement, including but not limited to Base Rent, License Fees, Additional Rent and any liquidated damages specified in the Agreement for non-compliance with the

City's requirements for Concession operations.

"Retail Space" means a Leased Space used by Tenant for the sale at retail of Products, including any Additional Space or Relocation Space used for that purpose.

"Shell and Core" means those improvements to the Leased Space to be completed by the City as specified in Exhibit 4 and, with respect to Additional Space or Relocation Space, as may be agreed in writing by the Commissioner.

"Storage Space" means a Leased Space used by Tenant for storage of Products inventory to support a Retail Space. No Products may be sold to the public from Storage Space.

"Subcontractor" means all entities providing services and materials to Tenant necessary for its Concession operations or for the construction, repair, and maintenance of the Leased Space and Improvements. The term "Subcontractor" also includes subconsultants of any tier, subcontractors of any tier, suppliers and materialmen, whether or not in privity with Tenant.

9

"Subcontracts" means all oral or written agreements with Subcontractors.

"Sustainable Airport Manual" or "SAM" means the manual developed by the CDA regarding environmentally sustainable practices in the construction and operation of the Airports. The manual is available on the CDA website and may be updated from time to time by the CDA. Any amendment of the SAM by the Department during the Term of this Agreement will be binding on Tenant without need for amendment of this Agreement, provided that the amendment of SAM does not conflict with the other terms and conditions of this Agreement.

"Term" means the period of time beginning on the Effective Date and ending at 11:59 p.m. on the tenth anniversary of the DBO of the Retail Space to open for business, excluding any Retail Space that is Additional Space or Relocation Space.

"Third Party Use Agreement" has the meaning set forth in Section 4.4(1).

"Use Agreements" means those certain airport use and facility lease agreements between the City and the airlines operating out of the Airport regarding the use and operation of the Airport, as amended or executed from time to time.

"Value Pricing" has the meaning set forth in Section 4.3.

"Work" means everything necessary for the design, engineering, construction and installation of the Improvements; when referring to restoration of Improvements after Major Damage, it means everything necessary for the replacement, repair, rebuilding, or restoration of the Improvements.

ARTICLE 4 LICENSE. LEASE AND TENANT'S OPERATIONS

4.1 Concession License and Lease. As of the Effective Date, the City grants Tenant a License to operate a Concession at the Airport and, upon delivery of the Leased Space or portion thereof, a Lease to operate the Concession from the Leased Space so delivered. Tenant accepts the License and Lease from the City and assumes the duties of Tenant provided in this Agreement and in the Airport Concession Program Handbook. TENANT ACKNOWLEDGES AND AGREES THAT ALL AMOUNTS PAYABLE TO THE CITY UNDER THIS AGREEMENT CONSTITUTE

RENT AND THAT THIS AGREEMENT CREATES A TAXABLE LEASEHOLD UNDER THE ILLINOIS PROPERTY TAX CODE, 35 ILCS 200/1 et seq. Tenant understands and agrees that both its License to operate a Concession and its right to occupy the Leased Space will terminate upon the expiration or earlier termination of this Agreement. If Tenant complies with the terms of this Agreement, Tenant will have the right of ingress to and egress from the Leased Space, for Tenant, its officers, employees, agents, Subcontractors, vendors, suppliers, and invitees, subject, however, to all statutes, ordinances, rules and regulations from time to time enacted or established by the City, the FAA, the TSA or any other governmental agency or authority having jurisdiction. Tenant must not conduct its Concession operations in a manner that, in the judgment of the

10

Commissioner:

- A. interferes or might interfere with the reasonable use by others of Common Areas or the leased or licensed space of other tenants or licensees at the Airport;
- B. hinders or might hinder TSA, Airport security, police, fire-fighting or other emergency personnel in the discharge of their duties;
- C. would, or would be likely to, constitute a hazardous condition at the Airport;
- D. would, or would be likely to, increase the premiums for insurance policies • maintained by the City, unless the operations are not otherwise prohibited under this Agreement and Tenant pays the increase in insurance premiums occasioned by the operations; or
- E. would involve any illegal purposes.

2 No Subleases, Assignments or Other Uses. Tenant understands and agrees that the Lease and the License granted under this Agreement are interdependent and that the locations of the Retail Spaces were determined by the City so that the Concession operated by Tenant is an element of an overall concession program and, as such, complements and does not conflict with other concessions in the vicinity of the Retail Space(s). Accordingly, Tenant acknowledges that the principal purpose of this Agreement is to provide Tenant a License to operate its Concession, without right of sublease or assignment, from the Leased Space and that any attempted sublease, assignment or other use of the Leased Space without the written consent of the City in accordance with the terms of this Agreement is absolutely prohibited and is an Event of Default.

3 **Products and Value Pricing.**

A. Exhibit 5 to this Agreement constitutes the listing, by general category or specific item, of all Products that Tenant is allowed to sell from each Retail Space and the prices to be charged to the public. Those items of Products that Exhibit 5 indicates are mandatory, if any, must be offered for sale to the public by the Tenant as a part of the Airport's overall concession program. If Exhibit 5 is stated in general terms, upon request, Tenant must within 5 days provide the Commissioner with a complete list of all Products and prices. The City's execution of this Agreement constitutes its approval of the sale of the products, services, and pricing as reflected on Exhibit 5 on the Effective Date. Any changes to Exhibit 5 are subject to the Commissioner's prior written approval. Upon such approval, Exhibit 5 may be amended without need for formal amendment of this Agreement pursuant to Section 11.3.

B. Tenant must stock a sufficient amount of each item comprising its Products within the Retail Space so

as to maximize Gross Revenues, subject to and consistent with Tenant's and the City's desire to accommodate the convenience and needs of the Airport's

11

patrons. The Products must be new, fresh and of top quality. Tenant must store Products inventory in excess of the amount needed to stock displays out of sight of customers before restocking a display.

C. Value Pricing. The City has established a Value Pricing policy for all Tenants at the Airport. The policy generally requires Tenants to charge a price for a product or service at the Airport as the same price charged for the same product or service at similar stores in the City (each hereinafter referred to as a "Benchmark Store"). Benchmark Stores will be proposed by the Tenant subject to approval by the City. The following locations and areas shall be excluded when establishing Benchmark Stores: hotel restaurants or kiosks, bus and train transportation centers, entertainment centers, arenas, theaters, convention centers or similar venues. Benchmark Store exclusions may change throughout the Term as determined necessary by the City. If the Tenant or its subtenants currently operate the exact other locations in the City of Chicago, then these locations may be designated Benchmark Stores. Otherwise, Benchmark Stores will be selected based on stores that are comparable to the proposed concept. Notwithstanding the aforementioned exclusions, in the case of a news and gift store where Tenant or its subtenant currently operate a same-brand location in the City of Chicago, in a transportation center, and that location has its own customer walk-up street access, the City may consider allowing Tenant to propose that location as a Benchmark Store. In such a case, the Value Pricing policy prohibits mark-up of pricing higher than that of the applicable Benchmark Store because that store already is in a transportation center.

Other Pricing Policy. The Commissioner may adopt other reasonable pricing policies, with which Tenant and subtenants shall comply, to restrict overcharging and price gouging by subtenants due to their dominant market position and any exclusive rights granted, but in no event shall the Commissioner require prices lower than the established Value Pricing.

Tenant must submit to the CMR, within 30 days after the end of each Lease Year, or as requested from time to time by the Commissioner or CMR, a pricing report demonstrating compliance by Tenant with the Value Price requirements. Any prices that the Commissioner or CMR determines to be inconsistent with the Value Price requirements must be adjusted accordingly. At any time, and from time to time, the Commissioner or CMR may review the prices of the Products then being offered for sale by Tenant and require adjustments in prices of the Products or particular items in order to comply with the Value Price requirement. Following the CMR's written notice to Tenant, Tenant shall promptly adjust the price of the Products or particular items, as applicable. Failure to comply within five days will constitute an Event of Default.

Tenant's failure to comply would cause the City damages, including loss of goodwill, that are difficult or impossible to prove or quantify. Therefore, in addition to other remedies for an Event of Default, for as long as non-compliance continues after the five-day cure period, the Commissioner will assess Tenant, as liquidated damages and not as a penalty, in amounts as outlined in Exhibit 13.

12

D. At any time, the Commissioner or the CMR may review the quality of the Products then being offered for sale by Tenant and require reasonable improvements in quality of the Products or particular items or may require elimination of particular items that the Commissioner determines to raise safety or security issues. Following the

Commissioner's written notice to Tenant, Tenant shall within 5 days rectify or modify the quality of the Products or particular items or eliminate the particular items, as applicable. Failure to comply within five days will constitute an Event of Default. Tenant's failure to comply would cause the City damages, including loss of goodwill, that are difficult or impossible to prove or quantify. Therefore, in addition to other remedies for an Event of Default, for as long as non-compliance continues after the five-day cure period, the Commissioner will assess Tenant, as liquidated damages and not as a penalty, an amount as outlined in Exhibit 13.

4.4 General Requirements for Operation of Concessions. Tenant has the authority to manage and administer the Concession in the Leased Space, subject to the rights of the City under the law, in equity, and under this Agreement to direct Tenant in order to ensure that the Airport operates in the most effective and efficient way possible and to supervise the Tenant's performance. Tenant covenants to take all commercially reasonable measures to maintain, develop, facilitate and increase the business of the Concession so as to maximize Gross Revenues. Failure to operate the concession as included in the Development Plan, attached as Exhibit 3, constitutes an Event of Default. Tenant further covenants that neither it nor any Affiliate of Tenant will divert or cause or allow to be diverted any business from the Leased Space to other locations not at the Airport that are operated by Tenant or any Affiliate of Tenant. A material condition of this Agreement is that Tenant must operate the Concession operations in accordance with the Airport Concession Program Handbook, the Sustainable Airport Manual, and the following general requirements:

A. Unless otherwise approved by the Commissioner in writing, Tenant must conduct business in its Retail Space only in the Tenant's trade name ChiBoys, BLVD & Branch, InMotion, Six Points Market and Metropolis Coffee Company, that which is identified in its response to the RFP or other trade name approved by the Commissioner.

B. Due to the nature of the concession, Tenant is not authorized to install and operate any coin, card, token or otherwise activated vending machines as part of the Tenant's Development Plan unless otherwise approved by the Commissioner.

C. Tenant must conduct its Concession operations in a first-class, businesslike, efficient, courteous, and accommodating manner consistent with the "Physical Inspection Standards" that appear in Appendix 1 of the Airport Concession Program Handbook. The Commissioner or the CMR has the right to make reasonable objections to the appearance and condition of the Leased Space if they do not comply with the Physical Inspection Standards. Tenant must discontinue or remedy any non-compliant practice, appearance or condition within five days following receipt of a written notice by the Commissioner or CMR (or immediately upon receipt of such a notice if the Commissioner or CMR deems non-compliance hazardous or illegal). Tenant's failure to timely cure the non-compliance as required by the Commissioner

or CMR would cause the City damages including, among other things, loss of goodwill, which would be difficult or impossible to prove or quantify. Accordingly, if Tenant fails to timely cure non-compliance, then, in addition to all other remedies the City may have at law, in equity or under this Agreement, and beginning on the first day after expiry of the five-day cure period, Tenant must pay the City, as liquidated damages in connection with the loss of good will among visitors to the Terminals, and not as a penalty, as outlined in Exhibit 13 per Retail Space for each non-compliant practice, appearance or condition specified in the notice that remains uncured after the cure period.

D. Tenant must neither commit nor allow any nuisance, noise or waste in the Leased Space or annoy, disturb or be offensive to others in the Terminals. Tenant must employ all reasonable means to prevent or eliminate unusual, nauseating or objectionable smoke, gases, vapors or odors from emanating from the Leased Space. Tenant must employ all reasonable means to eliminate vibrations and to maintain the lowest possible sound level in the operation of the

Concession.

E. Tenant must offer payment systems that are widely accepted in the industry for the sale of all Products. Tenant must offer a receipt, which may be virtual, with each purchase. Failure to comply with this Section will constitute an Event of Default. Tenant's failure to comply would cause the City damages, including loss of goodwill, that are difficult or impossible to prove or quantify. Therefore, in addition to other remedies for an Event of Default, if Tenant is found to prohibit the acceptance of the above payment option, the City may assess, as liquidated damages and not as a penalty for non-compliance as further defined in Exhibit 13.

F. Tenant's Concession must be and remain compliant with Payment Card Industry Security Standards ("PCI Standards") at all times as the PCI Standards are in effect at such time. Any breach of compliance with PCI Standards in effect and related to the Concession, at such time, must be reported to the City within 24 hours of the Tenant's knowledge of such event.

Tenant's failure to be in compliance with the PCI Standards with respect to its Concession on numerous occurrences (more than one) shall be an Event of Default under this Agreement.

G. Tenant must not place or install any racks, stands, or trade fixtures directly on or over the boundaries of its Leased Space. Tenant must not use any space outside the Leased Space for sale, storage or any other undertaking, other than in connection with deliveries made in a prompt, timely and efficient manner.

H. In its capacity as Tenant under this Agreement, and not as an agent of the City, Tenant must manage the Concession operations and the Leased Space in accordance with this Agreement, in furtherance of which Tenant must, among other things:

- (i) use reasonable efforts to remedy problems and issues raised by Airport patrons

14

with respect to the operation of the Leased Space;

ii) answer in writing all written customer complaints within 72 hours after receipt, furnishing a copy of the complaint and the answer to the Commissioner within that period; and,

iii) furnish the Commissioner within 72 hours after their receipt copies of all written notices received by Tenant from any governmental authority or any Subcontractor with respect to any part of the Leased Space or any Subcontract.

If Tenant fails to timely respond to customer correspondence or governmental notices and furnish the requisite copies to the Commissioner, Tenant acknowledges that the City may suffer loss of goodwill and other harm the value of which is difficult to determine, and thus, in addition to any remedies for the Event of Default, the Commissioner will assess liquidated damages against Tenant, and not as a penalty: as outlined in Exhibit 13. Tenant's failure to perform either (A) or (B) for a period of 30 days or more will be grounds for the City declaring an Event of Default pursuant to Article IX, in which event Tenant will have no longer than 10 days to cure the Event of Default.

I. Tenant, or Tenant's subtenant approved pursuant to Section 4.2, shall at all times operate the Concession. To the extent Tenant utilizes a third party to operate the Concession, Tenant shall, at all times during the Term: (i) be licensed or permitted by such third party to operate the concession, (ii) provide the City with copies of any agreements or other

evidence the City may reasonably request demonstrating such arrangement ("Third Party Use Agreements"), (iii) comply in all material respects with the terms and conditions of Third Party Use Agreements, unless Tenant's compliance with such terms and conditions would cause Tenant to breach its obligations hereunder, (iv) not be in default under any Third Party Use Agreement, (v) notify the City in writing immediately upon notification by any party to a Third Party Use Agreement of Tenant's breach under such or termination of any Third Party Use Agreements. Failure to comply with this Section 4.4(1) shall be an Event of Default under this Agreement.

4.5 Hours of Operation.

A. Tenant must begin conducting its Concession operations in each Retail Space on the Date of Beneficial Occupancy applicable to that Retail Space and continue them uninterrupted after that date during all required hours of operation. The Retail Space shall be open, at a minimum, from 5:30 a.m. until 10:30 p.m. daily, to serve the public seven (7) days per week and three hundred sixty-five (365) days per year. Concession may close periodically for restocking, cleaning and routine maintenance. Closure times must be during daily periods of lowest passenger traffic volumes at the Airport. In no event shall the hours of operation be curtailed to an extent that the service contemplated under this Lease shall be diminished. Except as otherwise stated herein, the hours of service shall be determined in light of changing public demands and Airport's flight schedules. The Retail Space must be open, as stated above, unless otherwise approved by the Commissioner or CMR in writing. The Tenant is required to allow access to the Retail Space, 24 hours per day, 365 days per year.

15

B. Except as otherwise permitted under this Agreement, if Tenant fails to operate its Concession from any portion of the Retail Space during all times that Tenant is required to do so under this Agreement and the failure continues for more than three days after the City gives Tenant notice, it is an Event of Default. In addition, Tenant acknowledges that failure to provide Concession services to the public would cause the City substantial damages, a portion of which may be ascertainable but another portion of which, related to loss of goodwill due to the public's inability to obtain the Products, the provision of which is one of the key purposes of this Agreement, might be difficult or impossible to prove or quantify. Accordingly, in addition to other remedies available to the City for an Event of Default, Tenant must pay the City as liquidated damages (and not as a penalty) in connection with such loss of goodwill the amounts as outlined in Exhibit 13 per Retail Space, beginning as of the time that the City first notifies Tenant that it is not operating the Concession in accordance with the time requirements of this Agreement. The obligation to make payments of liquidated damages will continue until the earliest of: (i) the time that the affected portion of the Retail Space re-opens for business; (ii) the date that this Agreement expires or is terminated with respect to the affected portion of the Retail Space; and (iii) the date that the Commissioner receives possession of the affected portion of the Retail Space.

4.6 Personnel.

A. Staff

i) Tenant must maintain a full time, fully trained staff during the Term of this Agreement having sufficient size, expertise and experience to operate the Concession. Tenant must maintain an adequate sales force so as to maximize Gross Revenues and use the utmost skill and diligence in the conduct of its Concession operations. A staff member for each concession location must be physically available during all hours of operation.

ii) All employees of Tenant must at all times be clean, courteous, neat in appearance and helpful to the public, whether or not on duty. While on duty, Tenant's employees must wear Airport identification badges (and any other form(s) of identification that may be required by the Commissioner or CMR from time to time) and are required to wear uniforms

in good taste, the color and style of which Tenant selects. Tenant may make the arrangements with its own employees as it considers appropriate regarding the purchase and maintenance of standard uniforms. The City is entitled at any time to direct Tenant to require any of its employees not properly attired to immediately conform to the requirements of this Section or leave the Leased Space. Tenant must not permit its employees to use any portion of the Terminal Common Spaces, including the public washrooms located there, for the changing of clothes or the storage of their personal effects, nor may Tenant permit its employees to loiter in the Common Areas of the Terminals, including but not limited to the Food Court Common Area.

iii) Tenant and its personnel must at all times participate and cooperate fully in all quality assurance programs that may be instituted by the Commissioner or CMR from time to time. Tenant must cause its personnel to attend all customer service training meetings and

16

participate in such other programs as may be required by the Commissioner or CMR. An appropriate officer or management representative of Tenant must meet with the Commissioner or CMR as requested by the Commissioner or CMR to discuss matters relating to this Agreement, including merchandising and marketing plans. In addition, at the request of the Commissioner or CMR, an appropriate officer or management representative of Tenant must attend other meetings with the City, airlines, other users of the Terminals or any other parties designated by the Commissioner or CMR.

iv) The Commissioner reserves the right to object to any of the personnel responsible for the day-to-day operation of the Concession. Upon receipt of such objection, Tenant must use its best efforts to resolve the cause for Commissioner's objection or replace the objectionable personnel with personnel satisfactory to the Commissioner.

v) In the event that Tenant was not the existing tenant in the Leased Space prior to the Effective Date, Tenant and its subtenants, if any, will work cooperatively in attempting to retain existing concession employees working in the Leased Space. This will be accomplished by giving the existing concession employees working in the Lease Space prior to the Effective Date preferential interviews for jobs in the Leased Space during the term of this Agreement.

vi) Tenant acknowledges that failure to comply with the provisions of this Section 4.6(A) may cause the City to suffer loss of goodwill and other harm the value of which is difficult to determine, and thus, in addition to any remedies for the Event of Default, the Commissioner will assess, as liquidated damages against Tenant, and riot as a penalty, the amounts outlined in Exhibit 13.

B. General Manager. Tenant must designate a General Manager experienced in management and supervision who has sufficient authority and responsibility to administer and manage the Concession. The General Manager (or authorized representative) must be immediately available to the Department whenever any of the Retail Spaces are open. The base of operations of the General Manager must be at the Airport, and the General Manager must spend substantially all of his or her working hours at the Airport, unless the Commissioner approves in writing another arrangement. The General Manager is subject to removal at the direction of the Commissioner if the Commissioner reasonably determines, in the Commissioner's sole discretion that the General Manager is not performing up to standards consistent with the fulfillment of Tenant's obligations after providing Tenant notice.

C. Salaries. Salaries of all employees of Tenant and its Subcontractors performing services or Work under this Agreement must be paid unconditionally and not less often than once a month without deduction or rebate on any account, except only for those payroll deductions that are mandated by law or permitted by the applicable regulations issued by the United States Secretary of Labor under the "Anti-Kickback Act" of June 13, 1934 (48 Stat. 948; 62 Stat.

740; 63 Stat. 108; 18 U.S.C. § 874, and 40 U.S.C. § 276c). Tenant must comply with all applicable "Anti-Kickback" regulations and must insert appropriate provisions in all Subcontracts covering Work under this Agreement to ensure compliance of all Subcontractors

with those regulations and with the other requirements of this subsection and is responsible for the submission of affidavits required under them, except as the United States Secretary of Labor may specifically provide for variations of, or exemptions from, the requirements of them.

4.7 Operation and Maintenance.

A. The City, at its sole cost and expense, will keep in good repair the Common Areas, including the roof, structures, foundations and central mechanical, plumbing and electrical systems in the Airport providing heating, ventilation, cooling, water, sewage and electrical service to the terminals, concourses, and other structures at the Airport related to the Concession. The City will provide, without separate charge to Tenant, heating, ventilating and cooling of the Common Areas. The Commissioner reserves the right to interrupt temporarily the heating, air cooling, ventilation, plumbing or electrical services furnished to the Common Areas, the Terminals or the Airport as a whole to make emergency repairs or for other reasonable purposes, and the Commissioner will restore the services as soon as reasonably possible. The City has no responsibility or liability for failure to supply heat, air cooling, ventilation, plumbing, electrical or any other service to the Leased Space, the Common Areas, the Terminal or the Airport, when prevented from doing so by laws, orders or regulations of any federal, state or local governmental requirement (including any requirement of any agency or department of the City) or as a result of the making of repairs or replacements, fire or other casualty, strikes, failure of the utility provider to provide service or due to any other matter not within the City's reasonable control. Tenant must provide all cleaning and janitorial services to the Leased Space. Tenant must clean, maintain and repair (including replacements, where necessary) the Leased Space and Improvements in first-class condition and repair during the entire Term.

i) Tenant is responsible for pest control within the Leased Space by contracting with a professional pest control service to provide service on a regular basis or as needed, or at the Commissioner's election, the City or CMR may provide or contract for the pest control and charge Tenant a reasonable charge for the service. If the Commissioner so requires, Tenant must coordinate all pest control service with the City's or CMR's pest control contractor. Tenant must furnish the Commissioner and CMR a copy of its pest control contract and service records upon request.

ii) Tenant must, at its own expense, keep the exhaust system, including all risers, piping and fans used in connection with the exhaust systems, whether located in or outside of the Leased Space, and all other pipes or ducts used by Tenant, including black iron duct, in good repair and so as to meet the highest standards of cleanliness, health, and safety, in a manner consistent with the operation of a first-class Concession and in accordance with all applicable laws, codes and regulations of any governmental authority having jurisdiction. Tenant must not permit any grease to be discharged into the City's plumbing lines. If fixtures or equipment are installed in or attached to roof vents or other openings in the structure or to ducts that connect with the openings, Tenant must keep the ducts, vents and openings free from the accumulation of grease, dirt and other exhaust matter and must furnish and service any filters or other equipment necessary to prevent such accumulation. Tenant must keep the exhaust fan in good

condition and repair so as to provide at least the air flow velocities required by applicable codes and regulations. Without limiting the foregoing, Tenant must clean black iron duct twice yearly, or more often as may be required by any local governmental codes, regulations or officials, insurance requirements or applicable industry standards, whichever is more restrictive.

Tenant must maintain all fire detection and fire suppression systems and mechanisms in accordance with all applicable laws, codes and the requirements of all applicable policies of insurance and insurance inspectors and of the City. Tenant must not cause or permit any damage to insulation and fire protection materials surrounding the black iron duct. In addition to Tenant's obligation to maintain utility lines in the Leased Space as set forth in Section 4.8 below, Tenant must install and maintain in good working order and in accordance with the rules and regulations of all insurers and applicable laws, codes, and regulations of any governmental authority; all fire extinguishing systems in the Leased Space.

Upon request, Tenant must provide CMR with monthly repair and maintenance reports detailing all repair and maintenance undertaken with respect to its Leased Space. In the event that such repair and maintenance reports indicate that Tenant is not complying with its repair and maintenance obligations, it shall be an Event of Default. In addition to any other remedies available to the City, if Tenant fails to undertake required repair or maintenance within 5 days after receiving notice from the Commissioner (or such shorter time as may be required due to health or safety reasons) the City may undertake the required repair or maintenance through a City contractor or its own forces and charge Tenant the reasonable cost thereof as Additional Rent.

(iii) To the extent any City ordinance imposes a stricter standard than the requirements of this section, the stricter standard must govern. With respect to a Leased Space that has been designated to be relocated, if any, Tenant's obligations with respect to repair and maintenance will continue until such time as Tenant has completed the Improvements in the Relocation Space to which the affected Leased Space is being relocated.

iv) Any damage to property of the Airport or property of other tenants arising out of Tenant's failure to perform its maintenance obligations is expressly deemed a "Loss" subject to Tenant's indemnification obligations under Section 8.2.

v) Tenant acknowledges that failure to comply with the provisions of this Section 4.7(A) may cause the City to suffer loss of goodwill and other harm the value of which is difficult to determine, and thus, in addition to any remedies for the Event of Default, the Commissioner will assess, as liquidated damages against Tenant, and not as a penalty, the amounts outlined in Exhibit 13.

B. Food Court Common Areas.

To the extent that any of Tenant's Retail Space is located adjacent to a Food Court Common Area, the following provisions apply to such Retail Space:

1) Tenant has the non-exclusive right to use the Food Court Common Area, in common with other tenants and their customers, on the terms and conditions established by the City and as may be revised during the Term at the City's sole discretion. That use does not include the right to wait on customers in the Food Court Common Area. The City reserves the right to establish and enforce the policies for the Food Court Common Area and tenants whose customers use the Food Court Common Area that the City determines are in the best interest of the overall operation of the Food Court Common Area, so that the City may properly and efficiently operate and manage it as a whole. Tenant must comply with these policies.

ii) Tenant must at all times in operating its business in the Retail Space abide by all rules and regulations applicable to tenants whose customers use the Food Court Common Area including those relating to: (a) the health and sanitary conditions of the Retail Space, the Food Court Common Area and the employees of Tenant; (b) standards and quality of Products, services, and merchandising as determined by the City; (c) customer relations; and (d) other matters as the City determines applicable with respect to the operation of the Food Court Common Area and the business conducted by Tenant and all other tenants whose customers use the Food Court Common Area.

iii) The City will be responsible for the operation, repair and maintenance of the Food Court Common Area. Food Court CAM Costs include all costs incurred by the City in the repair and maintenance of the Food Court Common Area, including corridors and seating areas, and include, but are not limited to costs of: painting; cleaning; trash and grease removal; operation, maintenance and repair and replacement of all lighting, electrical, plumbing, HVAC and other mechanical and utility systems; cleaning and retrieval of trays; water, power, gas and sewerage charges; wages and salaries (including employee benefits, unemployment, Social Security and Medicare, and any other payroll taxes) for employees performing operation, maintenance and repair of the Food Court Common Area; materials, equipment, supplies and services purchased for operation, maintenance and repair of Food Court Common Area; required permits and licenses; reasonable straight-line depreciation of movable equipment (including tables and chairs) used in the operation, maintenance or repair of the Food Court Common Area; rental of any equipment used in the operation, maintenance or repair of the Food Court Common Area; and all other direct costs and expenses properly chargeable to the operation, maintenance or repair of the Food Court Common Area. Neither the City nor any company, firm or individual operating, maintaining, managing or supervising the Food Court Common Area, nor any of their respective agents or employees, are or will be liable to Tenant or to any of Tenant's employees, agents, customers or invitees or anyone claiming through or under Tenant, for any damage, injuries, losses expenses, claims or causes of action because of any interruption or discontinuance at any time for any reason in furnishing services relating to operation, maintenance and repair of the Food Court Common Area, nor will any such interruption or discontinuance be deemed a disturbance of Tenant's use or possession of the Leased Space or any part of it; nor will any such interruption or discontinuance relieve Tenant from full performance of Tenant's obligations under this Agreement. Tenant is responsible for providing seating and chairs for Food Court Common Area directly adjacent to Tenant's Leased Space.

Utilities.

A. Tenant must pay for all utilities furnished to the Leased Space, to the extent separately metered. All utilities must be separately metered for usage within a Leased Space except to the extent that the Commissioner agrees otherwise in writing. Notwithstanding the foregoing, in the event that water/sewage is not separately metered, the City may charge Tenant for water/sewage based on a reasonable estimate of usage given the nature of the Concession.

B. In addition to payment for utility service, Tenant must maintain utility lines to the Leased Space as follows:

(1) where the utility lines, including gas, electrical, telephone, hot and cold water, fire sprinkler, gas, and sewer serve both the Leased Space and other areas of the Terminals, Tenant is only obligated to maintain those branch lines and facilities that exclusively serve the Leased Space; and

ii) where such utility lines are entirely for the exclusive service of the Leased Space, Tenant is obligated to maintain the utility lines from the Leased Space up to the main entry point of the utility to the Terminal(s). Alternatively, the City may, at the Commissioner's sole discretion, maintain such utility lines and charge Tenant the reasonable cost of the maintenance.

iii) Tenant must maintain all electrical cables, conduits, wiring, fire alarm systems, electrical panels and associated equipment located within and serving the Leased Space.

4.9 Refuse Handling.

A. Tenant, at its own cost and expense, must provide for the handling of all refuse, including trash, garbage, recycling and other waste created by its Concession operations and for their disposal at a centrally located collection area within the Airport designated by the Commissioner from time to time. Within its Leased Space, Tenant must provide a complete and proper arrangement for the adequate sanitary handling and disposal of trash, garbage, recycling and other refuse resulting from its Concession operations. Tenant must provide and use suitable covered metal receptacles for all trash, garbage, recycling and other refuse in accessible locations within the boundaries of each Leased Space. Piling of boxes, cartons, barrels or other similar items in an unsightly or unsafe manner on or about the Leased Space or the Common Areas is forbidden. The Commissioner reserves the right, from time to time, to establish time periods or schedules during which Tenant must remove refuse from the Leased Space.

B. Tenant must comply with all present and future laws, orders and regulations and any rules and regulations promulgated by the Commissioner regarding the separation, sorting and recycling of garbage, refuse and trash, including but not limited to those policies, rules and regulations incorporated in the Airport Concessions Program Handbook and the Sustainable Airport Manual. Tenant must separate and appropriately dispose of recyclable and non-recyclable waste, including organic materials. Recyclable waste includes newspaper, unsoiled paper

products, cardboard, plastic, aluminum and glass. Tenant is encouraged to use service goods made from recycled and recyclable materials. All recyclable waste will be disposed at the direction of the CDA. The CDA may also require sorting and disposal of compostable/organic wastes, including food scraps and soiled paper products. Tenants must therefore also provide for the separation of pre-consumer compostable\organic waste for composting. Tenants are expected to fully comply with CDA's waste recovery program by sorting, to the maximum extent possible, recyclable and compostable waste from that which will be sent to landfill.

C. Tenant acknowledges that any failure to comply with the provisions of this Section 4.9 may cause the City to suffer loss of goodwill and other harm the value of which is difficult to determine, and thus, in addition to any remedies for the Event of Default, the Commissioner will assess as liquidated damages against Tenant, and not as a penalty, the amounts outlined in Exhibit 13.

4.10 Promotion.

A. Signs and Advertising. Tenant may, at its own expense and subject to obtaining any necessary permits, install and operate necessary and appropriate identification signs in and on the Retail Space for its promotional use (identifying the Concession operations at the Retail Space in question or the Products sold there). All such signage (especially all signage visible from the Common Areas) must be in compliance with signage and other applicable criteria adopted by the Commissioner or other City agencies from time to time and subject to the prior written approval of the Commissioner as to the number, size, height, location and design (as applicable). Tenant must not install, affix, or display any signage outside the Retail Space except as permitted by the Department. Without the prior written consent of the Commissioner, Tenant and its Subcontractors must not distribute any advertising, promotional or informational pamphlets, circulars, brochures or similar materials at the Airport except within the Retail Space and except as are related to Tenant's Concession. Tenant acknowledges that any failure to comply with this Section 4.10(A) may cause the City to suffer loss of goodwill and other harm the value of which is difficult to determine, and thus, in addition to any remedies for the Event of Default, the Commissioner will assess, as liquidated damages against Tenant, and not as a penalty, the amounts outlined in Exhibit 13.

B. Marketing and Advertising Fund. The Department operates a marketing fund ("Fund") for the purpose of financing a program for advertising and promoting Concessions at the Airport. The Program may include advertising, media placements, special events, promotional events, brochures, videos and catalogs, mystery shops, market research and surveys, customer service training etc., as appropriate. The Program will be funded by contributions from the Tenant and other tenants at the Airport. Tenant will contribute an amount of one-half of one percent (0.5%) of Gross Revenues per Lease Year to the Fund. All contributions to the Fund may only be expended for the promotion of concessions and marketing-related staff activities at the Airport and for no other purposes. Tenant shall make its contributions to the Fund monthly in arrears concurrently with its Rent payment under this Agreement.

22

The City may, but is not required to, contribute to the Fund. Tenant has no ownership or beneficial interest whatsoever in the Fund or any unspent moneys therein.

11 Distribution and Storage; Deliveries.

A. It is necessary, due to the number of Concession tenants in the Airport, that the Commissioner protect the Common Areas and the Terminal curb front for the flow of airline passengers. Therefore, Concession deliveries must be made only within the times and at the locations authorized by the Commissioner or the Commissioner's designated representative and otherwise in accordance with the terms of this Agreement. All deliveries that require access to the aircraft operations area ("AOA") must be made by vehicles and drivers qualified and permitted to drive over AOA roadways.

B. O'Hare. There is currently no central distribution and storage facility at O'Hare; however, the City intends to implement such a facility during the Term of this Agreement. Thereafter, at the option of the Commissioner, after first giving reasonable notice to Tenant, the Commissioner may require Tenant to arrange for all deliveries to the central distribution and storage facility, except where delivery to a third party is prohibited by law, such as delivery of liquor, or as otherwise approved by the Commissioner in writing. At the Commissioner's sole discretion, the central distribution and storage facility, if implemented, may be operated by a third-party contractor selected or approved by the Commissioner. If the central distribution and storage facility is implemented, Tenant must pay the City, or the third-party operator, Tenant's proportional share of the cost for deliveries to and distribution from the facility ("Distribution Fee") as determined by the Commissioner. Such Distribution Fee will be intended to cover the costs of delivery as well as

development, utility, operation and maintenance costs and other costs associated with the opening and/or operation of the central distribution and storage facility and is considered to be Additional Rent.

C. Tenant acknowledges that the City will not be responsible for and will have no liability related to the operation of (or the failure to operate) the central distribution and storage facility at either Airport, including lost profits, consequential damages or any other losses or damages whatsoever.

12 Certain Rights Reserved By the City.

A. Except as expressly provided otherwise in this Agreement: the City has the rights set forth below, each of which the City may exercise with notice to Tenant and without liability to Tenant for damage or injury to property, person or business on account of exercising them; the City's exercise of any such rights is not deemed to constitute a breach of this Agreement or a disturbance of Tenant's use or possession of or Lease to the Leased Space; the City's exercise does not give rise to any claim, including for set-off or abatement of Rent; the City's exercise also does not relieve Tenant of any obligation to pay all Rent when due. The rights include the rights to:

23

(i) Install, affix and maintain any and all signs on the exterior and on the interior of the Terminals;

ii) Decorate or to make repairs, inspections, alterations, additions, or improvements, whether structural or otherwise, in and about the Terminals, or any part of them, and for such purposes to enter upon the Leased Space, and during the continuance of any of the work, to temporarily close doors, entryways, public space and corridors in the Terminals, and to interrupt or temporarily suspend services or use of facilities, all without affecting any of Tenant's obligations under this Agreement, so long as the Leased Space is reasonably accessible and usable;

iii) Upon request, require Tenant to furnish the Department with copies of door keys for the entry doors of the Leased Space, where applicable, and to retain them at all times, and to use in appropriate instances, keys, including master keys and passkeys, to all doors within and into the Leased Space, but the keys will at all times be kept under adequate and appropriate security by the Department. Tenant must not change any locks, nor affix locks on doors without the prior written consent of the Commissioner. Notwithstanding the provisions for the Department's access to the Leased Space, Tenant releases the City from all responsibility arising out of theft, robbery, pilferage and personal assault unless the same results from the City's gross negligence or willful misconduct. Upon the expiration of the Term of this Agreement or Tenant's right to possession of the Leased Space, Tenant must return all keys to the Concession Management Representative and must disclose the combination of any safes, cabinets or vaults left in the Leased Space;

iv) Approve the weight, size and location of safes, vaults and other heavy equipment and articles in and about the Leased Space and the Terminals so as not to exceed the legal load per square foot designated by the structural engineers for the Airport, and to require all such items and furniture and similar items to be moved into or out of the Terminals and the Leased Space only at the times and in the manner as the Commissioner directs in writing. Tenant must not install or operate machinery, or any mechanical devices of a nature not directly related to Tenant's ordinary use of the Leased Space without the prior written consent of the Commissioner. Movements of Tenant property into or out of the Terminals or the Leased Space and within the Terminals are entirely at the risk and responsibility of Tenant, and the Commissioner reserves the right to require permits before allowing any property to be moved into or out of the Terminals or the Leased Space;

v) Establish controls for the purpose of regulating all property and packages, both personal and otherwise, to be moved into or out of the Terminals and the Leased Space;

(vi) Regulate delivery and service of supplies and the usage of the apron area, loading docks, receiving areas and freight elevators and designate the times within which, and the locations at which, deliveries may be made to or by Tenant;

(vii) Show the Leased Space to prospective Tenants and subtenants at reasonable

24

times and, if vacated or abandoned, prepare the Leased Space for re-occupancy;

viii) Erect, use and maintain pipes, ducts, wiring and conduits, and appurtenances to them, in and through the Leased Space at reasonable locations;

ix) Enter the Leased Space for the purpose of periodic inspection for fire protection, maintenance and compliance with the terms of this Agreement, including but not limited to the Airport Concession Handbook, and exercise any rights granted to City or retained by City in this Agreement; except in the case of emergency, however, the right must be exercised upon reasonable prior notice to Tenant and with an opportunity for Tenant to have an employee or agent present;

x) Grant to any person the right to conduct any business or render any service in or to the Terminals or the Airport.

xi) Promulgate from time-to-time rules and regulations regarding the operations at the Airport; and

xii) Maintain newspaper vending machines at any location in the Airport.

B. If Tenant is required to perform any sprinkler Work, City reserves the right to perform the Work and charge the Tenant for the cost of the sprinkler Work and specify charges as Additional Rent under the Agreement or to approve Tenant's proposed sprinkler contractor, at the Commissioner's sole option. If any sprinkler work requires a temporary shut-down and/or drainage of the sprinkler system or portion thereof in the Terminal, Tenant must pay an up-front fee of \$500 per occurrence in the form of a certified check or money order.

ARTICLE 5 LEASED SPACE AND IMPROVEMENTS

5.1 Leased Space. As provided in Section 4.1, the City grants Tenant the right to use the Leased Space identified in Exhibit 1, or portions thereof, from the date of delivery of each portion of the Leased Space through the remainder of the Term of this Agreement for the operation of the Concession, except as otherwise provided for herein. Exhibit 1 may be amended by agreement of the Tenant and the Commissioner from time to time to reflect changes in Leased Space, including but not limited to any Additional Space or Relocation Space. As of the Effective Date, all square footage identified in Exhibit 1 is approximate, and is subject to final correction in accordance with field measurements to be taken after completion of the Improvements. All such measurements relating to the Leased Space will be made to and from the "lease lines" as identified on Exhibit I. Tenant must confine all of its Concession operations to its Leased Space. Any

conduct of Concession operations outside of Tenant's Leased Space is an Event of Default.

A. Retail Space. The Leased Space includes the Retail Space identified in Exhibit 1. Retail Space is to be used for the sale of Products at retail to the public.

25

B. Storage Space. The Leased Space includes the Storage Space, if any, identified in Exhibit 1. Storage Space is to be used to store inventory and supplies for use in the Retail Space. It may be used for other purposes relating to the Concession with the consent of the Commissioner, but not as a point of retail sale of Products. If the Commissioner determines that Tenant is using Storage Space for purposes unrelated to the Concession, the Commissioner may unilaterally delete the Storage Space from the Leased Space. If the Commissioner determines that the size of the Storage Space exceeds the needs of the Tenant, the Commissioner may unilaterally reduce the size of the Storage Space.

C. Additional Space.

(i) During the Term, the Commissioner may from time to time, at the Commissioner's sole discretion, make Additional Space available in the Terminals for Tenant's Concession operations. In such event, the Commissioner will send written notice to Tenant to advise Tenant of the following:

- a. size and location of the Additional Space being offered, if any;
- b. whether the Additional Space is being offered as Retail Space or Storage Space; and
- c. the City's Shell and Core obligations and Tenant's Improvement obligations for the Additional Space.

Within 30 days after receiving the notice from the Commissioner, Tenant must notify the Commissioner if it accepts or rejects the Additional Space and, if the Additional Space is Retail Space, the proposed Improvements and the amount by which Tenant proposes to increase its Minimum Annual Guarantee to reflect the anticipated increase in Gross Revenues from the Additional Space. Upon notification from Tenant to the Commissioner that Tenant accepts the Additional Space and, if the Additional Space is Retail Space, acceptance by the Commissioner of the proposed Improvements and increase in the Minimum Annual Guarantee, the square footage will be added to the Retail Space or Storage Space, as applicable, under this Agreement and Exhibits 1 and 2 modified accordingly. Upon notification from Tenant to the Commissioner that it rejects the Additional Space or if Tenant fails to notify the Commissioner within 30 days that it accepts the Additional Space, the offer will terminate, and the Commissioner may offer the Additional Space to others.

ii) Nothing in (i) above requires the Commissioner to offer any Additional Space to Tenant or limits or restricts the Commissioner's or the City's right to enter into any Concession agreement with any third party for such space. Additional Space, if any, offered to Tenant is solely for the benefit of the Airport to enhance Airport revenues, and whether or not to offer such Additional Space to Tenant is at the Commissioner's sole and absolute discretion. TENANT HAS NO RIGHT TO BE OFFERED ANY ADDITIONAL SPACE.

iii) The maximum aggregate amount of Retail Space that may be offered to Tenant as Additional Space is 2,000 sq. ft.

D. Relocation Space. The Commissioner may at any time during the Term require Tenant to relocate all or portion of the Leased Space to another location within the Airport and

terminate the Lease with respect to the Leased Space being vacated when, in the sole discretion of the Commissioner, the relocation is necessary for other Airport purposes or is in the best interest of the City. In such an event:

i) The Commissioner will notify Tenant in writing within a reasonable period of time prior to the relocation of all or part of the Leased Space. Such notice will be not less than 90 days in advance of the relocation but, in any event, notice is not required more than 180 days in advance.

ii) If a Retail Space is being relocated and the Relocation Space has, in Tenant's reasonable business judgment, diminished size, visibility, and/or exposure to passenger traffic in comparison to the Retail Space being vacated, Tenant may so notify the Commissioner in writing no later than 15 days after Tenant receives the Commissioner's notice. Such notice must detail with reasonable specificity why Tenant believes that the Relocation Space is not comparable to the Retail Space being vacated and the projected adverse impact on Tenant's sales. Tenant and Commissioner may thereafter negotiate an adjustment in the Percentage Fee and/or the Minimum Annual Guarantee for the Relocation Space to reflect the differences in size, visibility, and/or passenger traffic. If the Tenant and Commissioner fail to agree on such an adjustment or if Tenant otherwise rejects the Relocation Space, then the Lease for the Retail Space being vacated will terminate on the date for the relocation set forth in the Commissioner's notice, and the Minimum Annual Guarantee as of such date will be adjusted in proportion to the percentage of Tenant's Gross Revenues from prior Lease Year that were generated at the Retail Space being vacated. Further, if the Lease of the Retail Space being vacated is terminated, Tenant is entitled to a credit, equal to the unamortized portion of Tenant's actual Improvement Costs for the Retail Space being vacated (but excluding any Improvement Costs for Tenant personal property or any portion of the Improvements that can be moved and used by Tenant elsewhere), against Rent due and owing to the City from Tenant until the full amount of the credit has been applied against Rent.

iii) Except when Tenant rejects Relocation Space pursuant to (ii) above, the City is responsible for costs incurred in the relocation or replication of the Improvements in the Leased Space being vacated, including the cost of moving Tenant's equipment and inventory and the cost of constructing replacement Improvements comparable to the condition of the Improvements in the Leased Space being vacated as of the date of relocation, to the extent comparable Improvements do not already exist in the Relocation Space. In the case of a relocation, Tenant must promptly vacate the portion of the Leased Space required to be vacated and as to which this Agreement is being terminated and return the portion of the Leased Space in as good or better condition as existed as of the date that the City gave Tenant possession of the Leased Space being vacated, unless the Commissioner otherwise agrees in writing. The City will endeavor not to require Tenant to move from the Leased Space being vacated to the Relocation Space before Work on Improvements in the Relocation Space is completed, but the Leased Space being vacated may be needed for other Airport purposes prior to the completion of Improvements in the Relocation Space. Because the City is replacing Improvements in kind, Tenant is not entitled to any credit for unamortized Improvement Costs for the Leased Space being vacated, and the unamortized Improvement Costs for the Leased Space being vacated will

deemed to be the unamortized Improvement Costs for the Relocation Space and continue to be amortized on the same schedule as the original Leased Space.

2 Title to Property in the Leased Space. Tenant shall retain title and ownership to all Products and other Tenant personal property and proprietary trade fixtures in the Leased Space, except in the event of deemed abandonment, as provided in Section 6.3. The City owns all other property in the Leased Space, including the Shell and Core and, upon completion, Tenant Improvements.

3 Shell and Core. The City is responsible for providing Shell and Core, if any are
3 specified in Exhibit 4, for the Leased Space. The City makes no warranty, either express or
3 implied, as to the design or condition of the Leased Space, including the Shell and Core, or the
3 suitability of the Leased Space, including the Shell and Core, for the Tenant's purposes or needs.
3 The City is not responsible for any patent or latent defect, and Tenant must not, under any
3 circumstances, withhold any amounts payable to the City under this Agreement on account of
3 any defect in the Leased Space, including the Shell and Core; if feasible, however, the City will
3 assign to Tenant any warranties obtained from the City's contractor for the Shell and Core
3 and/or the right to enforce City's rights under its contract for the Shell and Core. After the City
3 delivers the Shell and Core to Tenant, Tenant must immediately notify the
3 Commissioner of any defects in the Shell and Core.

4 **Tenant's Improvement Obligations.**

A. Retail Space and Storage Space. Unless otherwise agreed in writing by the Commissioner, Tenant must complete, or cause to be completed, the Improvements as described in the Development Plan. Improvements shall be at Tenant's sole cost and expense and must be completed on or before the Date of Beneficial Occupancy set forth for each portion of the Leased Space in accordance with the schedule set forth in the Development Plan, subject to Section 11.20, "Force Majeure". Failure to achieve DBO for the Improvements in accordance with the schedule in the Development Plan will result in liquidated damages pursuant to Section 5.5(J).

B. Additional Space. Tenant must complete or cause to be completed, at Tenant's sole cost and expense, the Improvements for each Additional Space approved by the Commissioner by the proposed Date of Beneficial Occupancy applicable to each such Additional Space, at a total investment in Improvement Costs for each permanent Additional Space of at least 95% of the budget approved by the Commissioner.

C. Temporary Relocation Space and Additional Space. The Commissioner may require Tenant to operate the Concession, prior to the Date of Beneficial Occupancy applicable to any Relocation Space and Additional Space, from a temporary Relocation Space, at City's sole cost and expense. If approved by the Commissioner, Tenant may use temporary or used fixtures, trade fixtures and equipment and is not required to install Improvements except to the extent necessary to make the temporary Relocation Space or Additional Space useable.

D. Improvement Costs. Only Improvement Costs of the types set forth in the budget in the Development Plan are deemed to be validly incurred Improvement Costs for purposes of this Agreement. Tenant must provide the Commissioner with a statement certified by Tenant.

setting forth the aggregate amount of the Improvement Costs expended by Tenant for each Leased Space, with such detail as may be reasonably requested by the Commissioner. The certified statement must be submitted at the same time as the "as-built" drawings for the Leased Space. Tenant must make available to the Commissioner, at the Commissioner's request, receipted invoices for labor and materials covering all Improvement Costs. The Commissioner has the right to audit the Improvement Costs. If there is a discrepancy of 5% or more, the cost of the audit must be paid promptly by Tenant upon request. If the Tenant's actual Improvement

Costs for any portion of the Leased Space are less than 95% of the amount set forth in the Development Plan for said portion of the Leased Space, Tenant must, within 30 days after the date of completion of the Work or the Date of Beneficial Occupancy, whichever is earlier, pay the City the difference between 95% of the amount set forth in the Development Plan and the actual Improvement Cost for said portion of the Leased Space. The actual Improvement Costs, as approved by the Commissioner, will be memorialized in the confirmation of DBO for the Leased Space in question and attached to Exhibit 1.

5.5 Work Requirements.

A. TIME IS OF THE ESSENCE IN THE PERFORMANCE OF WORK UNDER THIS AGREEMENT.

B. Compliance with Standards. Tenant must comply in its design, construction, use, occupancy and operation of the Leased Space, at its own cost, with:

i) all regulations and directives now or later promulgated by the United States Federal Aviation Administration ("FAA") or Transportation Security Administration ("TSA") pertaining to airport security, as such regulations and directives may be amended or modified from time to time during the Term of this Agreement;

ii) all federal, State of Illinois, and City laws, rules, regulations and ordinances, including all building, zoning and health codes and all Environmental Laws; and

(iii) the Design and Construction Standard Operating Procedures- Concessions

Projects ("C-SOP") C-SOP, the Airport Concession Program Handbook, and the Sustainable Airport Manual.

Tenant must complete or cause to be completed all Improvements in accordance with all rules, regulations and standards, including the C-SOP, and the approved Construction Documents (as defined below) for any Improvements. If there is a conflict between work requirements stated in this Agreement and those set forth in the C-SOP, the Commissioner has the sole discretion to determine which prevails. No construction must take place until the Commissioner has approved the Construction Documents.

Tenant must provide for any supplemental heating, cooling and exhaust facilities that Tenant may require to properly heat, cool, ventilate and exhaust air in the Leased Space. All such supplemental facilities must be designed and installed in accordance with the C-SOP and applicable building codes and must be approved by the Commissioner prior to installation. If at any time the Tenant's supplemental heating, cooling and exhaust facilities fail to comply with the design and operational standards set forth in the C-SOP, Tenant must, on notice from

the City, cause repairs to be made so that Tenant is in compliance with this requirement.

In addition to the requirements set forth in the C-SOP, Tenant acknowledges the City's goal to incorporate environmentally sustainable design in building, infrastructure, and tenant improvements at the Airport. Accordingly, Tenant agrees to use best efforts to incorporate sustainable design practices in the development and build out of the Leased Space, to engage a LEED® (Leadership in Energy and Environmental Design) accredited professional on its architectural team, to create an operational plan that incorporates sustainable practices in all aspects of the daily operation of the Leased Space, and to comply to the extent that it is commercially reasonable to the requirements of the Sustainable Airport Manual.

C. Development Plan. Tenant's Development Plan, as approved by the Commissioner, is attached hereto as

Exhibit 3. It describes and depicts the Tenant's thematic concept for the Retail Space (including storefront design images, as appropriate), floor plan(s) of the Retail Space, its plan and schedule for implementing the Improvements and commencing Concession operations in the Leased Space, temporary facilities that may be necessary to meet the requirements of this Agreement, and its other submission requirements as set forth in the C-SOP. The Development Plan must include the anticipated Date of Beneficial Occupancy of each Retail Space, the budgeted Improvement Costs for each Retail Space, and the dates by which City must complete the Shell and Core and the Delivery Date necessary in order to achieve the anticipated DBO for each Retail Space.

D. 30, 60, 90 and 100 Percent Design Phase. Tenant must submit to the Commissioner its proposed 30, 60, 90, 100 Percent design drawings and specifications prepared as required under the C-SOP. The C-SOP outlines the timing and expectations for submissions at each percentage of the design phase. The C-SOP also provides the timing of the review by the Commissioner. Tenant must adhere to the time required to respond to the Commissioner's comments as outlined in the C-SOP. If Tenant fails to provide acceptable designs, after 5 attempts, an Event of Default can be declared by the Commissioner.

E Start of Construction. For each portion of the Leased Space, within 10 days after the latest of occur of: 1) the date the City delivers to Tenant possession of said portion of the Leased Space, 2) the date Tenant has obtained applicable building permits for said portion of the Leased Space, and 3) the date of commencement of construction set forth in the Development Plan, Tenant must begin construction of the Improvements under and consistent with the approved Construction Documents, in a diligent, first-class and workmanlike manner. Commissioner may require Tenant and its Subcontractors to meet with the Department's construction manager and Concessions Management Representative prior to starting construction. Among other requirements, the Improvements:

- i) Must conform with all architectural, fire, safety, zoning and electrical codes and all federal, State, City and other local laws, regulations and ordinances pertaining to them, including the ADA, and all Airport standards, procedures and regulations.
- ii) Must be free and clear of any mechanics' or materialmen's liens or similar liens or encumbrances.
- iii) Except as otherwise provided in this Agreement, must be completed entirely at

Tenant's cost and expense and in accordance with the requirements of this Agreement including, but not limited to, the requirements and procedures set forth in the C-SOP.

(iv) Upon the request of the Commissioner, Tenant must purchase and install a security camera and connect the camera feed into a junction box at a location to be determined by the Commissioner. Tenant will permit the Commissioner to connect the security camera to the Airport security system.

Approval of the Construction Documents by the Commissioner does not constitute the Commissioner's or the City's representation or warranty as to their conformity with any architectural, fire, safety, zoning, electrical or building code, and responsibility therefore at all times remains with Tenant. Tenant must not permit its design and construction Subcontractors to make any modifications to base building systems without prior written consent of the Commissioner.

F. Change Order Review. Tenant must cause all Work to be performed in a first class, good and workmanlike manner and in accordance with the Construction Documents. Tenant may request in writing that change orders relating to the Work be responded to by the City, and the City will so respond within 10 days, unless a response within 10 days is unreasonable in the circumstances, in which case the response period will be as reasonably determined by the City but in no event longer than 20 days. At all times during the Work, Tenant must have on file with the Commissioner and on the construction site for inspection by the Commissioner, a copy of the approved Construction Documents. Tenant must immediately begin to reconstruct or replace and diligently pursue to completion, at its sole cost and expense, before or after completion of the Work, any Work that is not performed in accordance with the Construction Documents as

approved by the Commissioner.

G. Inspection of Improvements in Progress. The Department has the right to enter upon the Leased Space for the purposes of inspecting and recording the Improvements in progress, ensuring that Tenant's construction complies with the Construction Documents, and rejecting any such construction that does not so conform.

H. Notice of Substantial Completion and Inspection. At least 10 days prior to anticipated substantial completion of the construction of a Leased Space, Tenant must deliver to the Commissioner a "notice of substantial completion" in order for the Commissioner to schedule a representative to inspect the Improvements. On the date specified in the notice of substantial completion, the Department will perform a final inspection of the Improvements for compliance with the Construction Documents for the Improvements, and will, not later than 10 days after inspection, provide a punch list to Tenant describing in sufficient detail any discrepancies between the Improvements and the Construction Documents. Tenant must cause all discrepancies (other than those approved by the Commissioner as variances) to be reconstructed, replaced or repaired in substantial accordance with the Construction Documents. Within 10 days after the date of substantial completion and prior to commencing Concession operations in Leased Space, Tenant must provide, as evidence of the substantial completion of the Work, copies of any and all Certificates of Occupancy and other approvals, if any, necessary for Tenant to occupy the portion of the Leased Space for its intended use. Tenant

shall not commence Concession operations in the Leased Space until such documents have been received by the Commissioner and until authorized to do so by the Commissioner.

I. Timeliness - Punch Lists: Opening for Business. Tenant acknowledges that if it fails to comply with Construction Document requirements (including all tasks necessary to satisfy them, such as, but not limited to, applying at the earliest possible time for and diligently pursuing all necessary building permits), the delay may cause the City to suffer substantial damages, including loss of goodwill, that might be difficult to ascertain or prove. For that reason, but subject to extensions that may be approved by the Commissioner, or day-to-day extensions for delays caused by a force majeure event pursuant to Section 11.20, if Tenant has not caused the Improvements to be substantially completed in accordance with the Construction Documents and Retail Space to be open to the public for business not later than the scheduled Date of Beneficial Occupancy in the Development Plan:

i) Tenant must pay the City liquidated damages at the rate of \$250 per day for each day from and after the Date of Beneficial Occupancy, until the date on which the Retail Space actually opens to the public for business; and

ii) Tenant must cooperate with the Commissioner in providing the interim Concession operations from kiosks or other temporary locations, as the Commissioner may reasonably require, to serve the patrons of the Terminals until the applicable Improvements have been completed and the Retail Space is open to the public for business; and

iii) if, for any reason, Tenant fails to substantially complete the Improvements in accordance with the approved Construction Documents relating to them and open the Retail Space to the public for business within 30 days after the Date of Beneficial Occupancy, the failure is an Event of Default, and the City has the right to exercise any and all remedies under this Agreement, at law or in equity; and further,

iv) if Tenant is permitted to open for business in accordance with the schedule in the Construction Documents but any punch list items are not completed within 30 days following the date on which Tenant opens to the public for business, the Commissioner will assess liquidated damages against Tenant at the rate of \$250 per day per punch list item not timely completed; and

v) if Tenant is permitted to open for business but any punch list items are not completed within 60 days following the date on which Tenant opens to the public for business, the City reserves the right, at the Commissioner's

sole discretion, to either:

- a. complete the punch list Work at the City's cost and bill the Tenant for this Work, in which case the charges are considered Additional Rent; or
- b. close the affected Retail Space until all outstanding punch list items are completed.

J. Post-construction Documentation. Tenant must submit a complete set of "as-built" drawings and documentation as outlined in the C-SOP to the Commissioner within 30 days after the date the Commissioner authorizes Tenant to begin Concession operations in the

32

Leased Space. The as-built drawings and documentation are and become the property of the City, except to the extent of any intellectual property reflecting Tenant's trademarks, trade names or trade dress contained in them.

K. Mechanics' Liens. Tenant must not permit any mechanics' lien for labor or materials furnished or alleged to have been furnished to it to attach to any portion of the Leased Space, the Airport, Tenant's leasehold interest, or this Agreement in any way relating to any work performed by or at the direction of Tenant. Upon making payments to Subcontractors, Tenant must obtain from each Subcontractor a waiver of mechanics' liens against any portion of the Leased Space, the Airport, Tenant's leasehold interest, or this Agreement arising out of any Work done by the Subcontractor and each and every of the Subcontractor's materialmen and workmen. If, nonetheless, any such mechanics' lien is filed upon any portion of the Leased Space, the Airport, Tenant's leasehold interest, or this Agreement, Tenant must indemnify, protect, defend and save harmless the City against any loss, liability or expense whatsoever by reason of the mechanic's lien and must promptly and diligently proceed with or defend, at its own expense, the action or proceedings as may be necessary to remove the lien. Tenant must deliver notice to the Commissioner of any such lien or claim within 15 days after Tenant has knowledge of it. Tenant may permit the mechanics to remain undischarged and unsatisfied during the period of the, contest and appeal; provided that, upon request by the Commissioner, Tenant must post a bond with the City equal to 150% of the amount of the lien. If the lien is stayed and the stay later expires or if by nonpayment of any lien any portion of the Leased Space, the Airport, Tenant's leasehold interest, or this Agreement will be, or is claimed to be, subject to loss or forfeiture, then Tenant must immediately pay and cause to be satisfied and discharged the lien. If Tenant fails to do so, the Commissioner may, in his or her sole discretion, draw on the bond and make such payment. If the Commissioner has not requested a bond, then the Commissioner may, in the Commissioner's sole discretion, make such payment out of legally available Airport funds and, in such event, the amount paid shall immediately be payable by Tenant as Additional Rent. Failure to post a bond when requested by the Commissioner or pay such Additional Rent shall be an Event of Default.

L Mid-Term Refurbishment. Tenant must budget and expend such funds as necessary to undertake a mid-Term refurbishment of each Retail Space during or about the middle of the Term in order to ensure that each Retail Space presents a first-class appearance to the public. The minimum expenditure does not include financing costs, interest, and inventory or intracompany charges of the Tenant. The scope and extent of the renovation, remodeling, and upgrade and/or redecorating for such mid-Term refurbishment shall be jointly determined by the Commissioner and Tenant.

5.6 Damage or Destruction of Improvements.

A. Insubstantial Damage. If Improvements to any Leased Space are damaged, in whole or in part, by fire or casualty, and there is no Major Damage (as defined below) to the portion of the Terminals served by the damaged Improvements, then the City will repair any damage to the Shell and Core at the City's expense, and Tenant must repair the damage to the Improvements as soon as reasonably possible (after completion of the Shell and Core) at Tenant's expense.

B. Major Damage.

(i) "Major Damage" means any damage or destruction that, based on reasonable estimates made by the Department within 60 days after the occurrence of the damage or destruction, in order to be repaired to the condition existing before the damage or destruction:

- a. would cost, with respect to the Improvements, in excess of 50% of the replacement cost value of all Improvements; and
- b. would cost, with respect to the Shell and Core, in excess of 50% of the replacement cost of the Shell and Core, or would require, in the sole judgment of the Commissioner, more than nine months to complete.

ii) If any part of the Terminals suffers Major Damage, whether or not including any portion of the Leased Space located in them, in whole or in part by fire or other casualty, the Commissioner has the right, for a period of six months starting on the date of the occurrence, to elect not to repair the Major Damage as otherwise required under this section, by giving written notice of the election to Tenant. If the Commissioner notifies Tenant of the Commissioner's election not to repair the Major Damage, this Agreement will terminate as to the affected Leased Space effective as of the date of the Major Damage, all Rent due under this Agreement will be prorated to the date of termination, and Tenant must surrender the affected portion of the Leased Space to the City.

iii) If any portion of the Leased Space suffers Major Damage, and if after the occurrence of the damage the Agreement is not terminated, the Commissioner and the Airport architect will estimate the cost of restoration and the length of time that will be required to repair the damage and will notify Tenant of the estimate. If the damage can be repaired and the Improvements restored before the Term expires, then Tenant must repair the damage and restore the Improvements. If repair and restoration cannot be substantially completed before the Term expires, then this Agreement terminates as to the portion of the Leased Space as of the date of the Major Damage.

iv) If this Agreement is not terminated in accordance with paragraphs (B) (ii) or (iii) and a casualty has damaged or destroyed any portion of the Shell and Core involving the Leased Space, the City will restore the Shell and Core to the condition existing on the Delivery Date, according to the original as-built plans and specifications. Upon completion of the City's Shell and Core restoration work, if any, Tenant must proceed to rebuild the Improvements as nearly as possible to the character of Improvements existing immediately before the occurrence.

v) Before beginning to replace, repair, rebuild or restore Improvements, Tenant must deliver to the Commissioner a report of an independent consultant acceptable to the Commissioner setting forth:

- a. an estimate of the total cost of the Work;
- b. the estimated date upon which the Work will be substantially completed; and
- c. a statement to the effect that insurance proceeds are projected to

be sufficient to pay the costs of the Work.

(vi) The Commissioner will use commercially reasonable efforts to provide suitable temporary Relocation Space

during the period of restoration subject to the reasonable approval of Tenant. Tenant must relocate the Concession operations to the temporary Relocation Space, and the costs associated with any such relocation, including moving expenses and the cost of reconstructing the Improvements in the temporary Relocation Space, must be borne by Tenant.

C. Tenant's Option. If the Leased Space or a portion of it is subject to Major Damage during the final three years of the Term, Tenant has the right, for a period of 60 days beginning on the date of the occurrence, to elect not to restore the affected Improvements as otherwise required under this Agreement by giving the Commissioner written notice of the election, in which event this Agreement will, as to the portion of the Leased Space, terminate upon the notice. If Tenant desires to rebuild the affected Leased Space, it may do so only upon the written approval of the Commissioner.

D. Insufficient Insurance. In no event will the City be obligated to repair, alter, replace, restore, or rebuild any Improvements, or any portion of them, nor to pay any of the costs or expenses for them. If Tenant's available insurance proceeds are not sufficient to cover the cost of the restoration as required under this Section, then Tenant is liable to complete the repairs at its own cost and expense, except as provided in (C) above.

5.7 City Resident Construction Worker Employment Requirement.

A. Use of Residents. In connection with and during the construction of any Work in excess of \$100,000 in Improvement Costs, Tenant and its Subcontractors must comply with the provisions of § 2-92-330 of the Municipal Code of the City of Chicago ("Municipal Code"), as amended from time to time concerning the minimum percentage of total construction worker hours performed by actual residents of the City. At least 50% of the total construction worker hours worked by persons on the site of the Work must be performed by actual residents of the City, and 7.5% of the total work hours (which may be included on the 50%) must be performed by project area residents: residents of neighborhoods surrounding the Airport. Tenant may request a reduction or waiver of this minimum percentage level of Chicagoans in accordance with standards and procedures developed by the Chief Procurement Officer of the City. In addition to complying with this percentage. Tenant and its Subcontractors are required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions. "Actual residents of the City" means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment. Tenant and each Subcontractor (for purposes of this subsection, "Employer") must provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed. Each Employer will maintain copies of personal documents supportive of every Chicago employee's actual record

of residence.

B. Certified Payroll Reports. Weekly certified payroll reports (U.S. Department of

35

Labor Form WH-347 or equivalent) must be submitted by hard copy or electronically to the Commissioner and must identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

C. Inspection of Records. Each Employer must provide full access to its employment records to the Chief Procurement Officer, the Commissioner, and the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Each Employer must maintain all relevant personnel data and records for a period of at least 3 years after final acceptance of the Work. At the direction of the Commissioner, affidavits and other supporting documentation may be required of each Employer to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

D. Level of Effort. Efforts on the part of each Employer to provide utilization of actual Chicago residents that are not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer will not suffice to replace the actual, verified achievement of the requirements of this section concerning the worker hours performed by actual Chicago residents.

E. Shortfalls; Liquidated Damages. When the Work is completed, in the event that the City has determined that Tenant has failed to ensure the fulfillment of the requirement of this section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1% of the aggregate hard construction costs of the Improvement Costs (the product of .0005 x such aggregate hard construction costs) (as evidenced by approved contract value for the actual contracts) must be surrendered by Tenant to the City as liquidated damages, and not as a penalty, in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Tenant and/or the Subcontractors to prosecution. The City may draw against the security any amounts that appear to be due to the City under this provision pending the City's determination as to the full amount of liquidated damages due on completion of the Work.

F. Nothing set forth in this section acts as a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents, as applicable.

G. Inclusion in Subcontracts. Tenant must cause or require the provisions of this section to be included in all construction Subcontracts related to the Work.

36

8 Licensing of General Contractor. This Agreement is subject to Chapter 4-36 of the Municipal Code which

requires all persons acting as a general contractor (as defined in Chapter 4-36) to be licensed as a general contractor by the City. Tenant's failure to ensure that any general contractor working on Improvements complies with Chapter 4-36 will be an Event of Default.

9 Prevailing Wages. In connection with the construction, repair, and maintenance of Improvements. Tenant must comply with the applicable provisions of 820 ILCS 130/0.01 et seq. regarding the payment of prevailing wages, and the most recent Illinois Department of Labor schedule of prevailing wages, and any successors to them. Tenant must insert appropriate provisions in all Subcontracts covering construction work under this Agreement to ensure compliance of all construction Subcontractors with the foregoing wage statutes and regulations.

10 Subcontractor Certifications. Tenant must require all Subcontractors performing Work in connection with this Agreement to be bound by the following provision and Tenant must cooperate fully with the City in exercising the rights and remedies described below or otherwise available at law or in equity:

"Subcontractor certifies and represents that Subcontractor and any entity or individual that owns or controls, or is controlled or owned by, or is under common control or ownership with Subcontractor is not currently indebted to the City and will not at any time during the Term be indebted to the City, for or on account of any delinquent taxes, liens, judgments, fees or other debts for which no written agreement or payment plan satisfactory to the City has been established. In addition to any other rights or remedies available to the City at law or in equity, Subcontractor acknowledges that any breach or failure to conform to this certification may, at the option and direction of the City, result in the withholding of payments otherwise due to Subcontractor for services rendered in connection with the Agreement and, if the breach or failure is not resolved to the City's satisfaction within a reasonable time frame specified by the City in writing, may result in the offset of any such indebtedness against the payments otherwise due to Subcontractor and/or the termination of Subcontractor for default (in which case Subcontractor will be liable for all excess costs and other damages resulting from the termination.)"

11 MBE/WBE Compliance. Tenant shall make good faith efforts to meet the following goals with respect to participation of Minority Business Enterprises/Woman-Owned Business Enterprises ("MBE/WBE") in the design (including professional services) and construction of Tenant's Improvements, respectively: (i) Design: 26% MBE and 6% WBE; and (ii) Construction: 26% MBE and 6% WBE. However, in consideration of the anticipated costs of the design and construction of the Concession, the City will accept a participation plan that meets a combined single Design and Construction goal of 26% MBE and 6% WBE

participation, which participation may be achieved with any combination of construction and design contracts. The Special Conditions and related forms used by the City in its own procurements are attached hereto as Exhibit 9 and should be used by Tenant's Contractors. Tenant must submit to the CMR completed Schedules Cs and D's from its design and construction Contractors demonstrating their percentage MBE and WBE participation commitments, and their good faith efforts to achieve the foregoing goals if the commitments are less than those goals. Thereafter, Tenant must submit periodic reports to the CMR, in a form and frequency determined by the Commissioner, documenting its Contractors' compliance with their commitments.

ARTICLE 6 TERM OF AGREEMENT

1 Term. The term of this Agreement is the Term as defined in Article 3, unless this Agreement is

terminated earlier in accordance with its terms.

2 Holding Over.

A. With consent. Any holding over after expiration of the Term with the written consent of the Commissioner constitutes a month-to-month lease on the same terms and conditions as this Agreement, including payment of the Rent attributable to the portion or portions of the Leased Space that Tenant continues to occupy. Thereafter, Tenant must surrender and vacate the Leased Space no later than the 30th day following notice from the Commissioner that the month-to-month holdover is terminated; Tenant's failure to do so shall be deemed a holding over without consent under (B).

B. Without consent. If Tenant continues to occupy all or a portion of the Leased Space without the written consent of the Commissioner after expiration or termination of this Agreement in its entirety, or as to any such portion of the Leased Space where the Lease under this Agreement has expired or terminated, the holding over constitutes a month-to-month lease on the same terms and conditions as this Agreement, except that Tenant must pay Rent for the entire holdover period for the Leased Space where the Lease has expired or been terminated at double the annual rate of the Rent payable for that Leased Space during the immediately preceding Lease Year. No occupancy of Leased Space by Tenant after the expiration or other termination of the Lease under this Agreement with respect to such Leased Space extends the Term of this Agreement or the Lease, except as a holdover tenancy. Also, in the event of such holdover tenancy, Tenant shall indemnify the City against all damages arising out of the Tenant's retention of occupancy, including but not limited to any costs incurred by the City to evict Tenant, and all insurance policies and letters of credit required to be obtained and maintained by Tenant as set forth in this Agreement shall continue in effect.

3 Return of the Leased Space and Removal of Improvements.

A. At the termination or expiration for any reason of this Agreement or the Lease as to any portion of the Leased Space, Tenant must promptly, peaceably, quietly and in good order quit, deliver up and return the Leased Space (or that portion as to which the Lease has

terminated, in the case of a partial termination) in good condition and repair, ordinary wear and tear and damage by fire or other casualty excepted. :

B. Tenant must remove all Tenant personal property and proprietary trade fixtures from the Leased Space or the portions of the Leased Space before the date of termination or expiration. Any personal property or trade fixtures remaining in the Leased Space 48 hours after the date of termination or expiration shall be deemed abandoned, and the City may dispose of such personal property or trade fixtures in the Commissioner's sole discretion, and Tenant shall have no claim to the proceeds, if any, from such disposition.

C. Further, at the Commissioner's request (which request will be given in writing at least 30 days before the termination or expiration of the Term), Tenant must remove all Improvements installed by or for Tenant, or Tenant's agents, employees or Subcontractors, except for Improvements that the Commissioner may elect to require Tenant to leave in place (excluding proprietary property which Tenant shall retain and remove). As provided in Section 5.2, all Improvements are City property and, if not requested to be removed by the Commissioner, may be used by the City or a replacement tenant; provided, however, that all of Tenant's trade dress, service marks, trademarks and trade names shall be removed, obliterated or painted out in a commercially reasonable manner at Tenant's cost. If directed by the Commissioner to remove Improvements, Tenant must also cap off any plumbing or drains and remove, obliterate or paint out any and all of its signs, advertising and displays as the Commissioner or his designated representative may direct, and

repair any holes or other damage left or caused by Tenant.

D. Tenant must repair any damage to the Leased Space caused by Tenant's removal of Tenant personal property, trade fixtures and Improvements. All the removal and repair required of Tenant under this section are at Tenant's sole cost and expense.

E. If Tenant fails to perform any of its foregoing obligations, then the Commissioner may cause the obligations to be performed by Department personnel or City contractors, and Tenant must pay the cost of the performance, together with interest thereon at the Default Rate from and after the date the costs were incurred until receipt of full payment therefor.

4 Termination Due to Change in Airport Operations. This Agreement, or the Lease of any affected Leased Space, is subject to termination by either party on 60 days' written notice in the event of any action by the FAA, the TSA or any other governmental entity or the issuance of an order by any court of competent jurisdiction which prevents or restrains the use of the Airport, the Terminals or a portion thereof that renders performance by either party in the Leased Space impossible, and which governmental action or court order remains in force and is not stayed by way of appeal or otherwise, for a period of at least 90 days, so long as the action or order is not the result of any Event of Default of Tenant.

5 **Eminent Domain.**

39

A. If the entirety of the Terminals or a substantial part of them, including the entire Leased Space, is taken by eminent domain by an authority other than the City, the Term of this Agreement will end upon the earlier of the date when possession is required by the condemning authority or the effective date of the taking.

B. If any eminent domain proceeding is instituted by an authority other than the City in which it is sought to take any part of the Airport or the Terminals, the taking of which would, in the good faith judgment of the Commissioner or Tenant, render it impractical or undesirable to conduct Concession operations on the remaining portion of the Leased Space for the intended purposes, the Commissioner and Tenant will each have the right to terminate this Agreement upon not less than 90 days' written notice to the other.

C. In the event of termination of this Agreement under either (A) or (B), all Rent accrued for the Leased Space in question prior to the termination date is payable to the City. However, the City shall have no obligation to pay Tenant any unamortized Improvement Costs for such Leased Space, and Tenant shall look solely to the condemning authority for any award of damages.

6.6 Early Termination. Notwithstanding anything to the contrary set forth in this Lease, the Commissioner may terminate this Agreement with respect to any or all of the Leased Space without cause for any reason, in the Commissioner's sole discretion, upon at least ninety (90) days prior written notice to Tenant. Upon the effective date set forth in such notice, Tenant shall surrender and vacate that portion of Leased Space as to which this Agreement is being terminated as if the Agreement had expired on that date with respect to such Leased Space. In the event of such early termination, the City shall pay to Tenant a "Leased Space Termination Payment", which shall be defined herein to include the following: (i) a sum equal to the unamortized balance of Tenant's Improvement Costs with respect to the Leased Space being terminated, depreciated using the monthly straight-line method over the term of the lease commencing on the Date of Beneficial Occupancy of the Leased Space being terminated; and (ii) a sum equal to Gross Revenues earned by

Tenant from the Leased Space being terminated during the four (4)-month period immediately preceding the termination date, less the Rent payable to the City for that period. Upon Tenant's receipt of the Leased Space Termination Payment and vacation of the Leased Space, the City and Tenant shall thereafter be released from any and all obligations under this Agreement with respect to the Leased Space except for such obligations which are expressly stated to survive the expiration or earlier termination of this Agreement.

ARTICLE 7 RENT AND FEES

7.1 Rent Payable.

A. In consideration of Tenant's Lease of the Leased Space and the License to operate its Concession in the Leased Space and the associated rights and privileges granted in this Agreement, Tenant must pay the following, without notice or demand, as rent and fees

40

(collectively, "Rent") as follows:

i) Base Rent: Beginning as of the Delivery Date of any portion of the Leased Space, the Base Rent for such Leased Space as set forth on Exhibit 2. The initial Base Rent applicable to each Leased Space will increase in each succeeding License Year by 3% following the initial License Year compounded annually. The annual Base Rent is payable in monthly installments and will be prorated for any partial Lease Year.

ii) License Fee. Beginning as of the first Date of Beneficial Occupancy of a Retail Space, an amount equal to the greater of a. or b.:

- a. Percentage Fee. The "Percentage Fee" is an amount equal to the product of the Percentage Fee Rates and Gross Revenues.
- b. Minimum Annual Guarantee. There is no "Minimum Annual Guarantee (MAG)" or "MAG" for the first and second Lease Years of the Term. The Minimum Annual Guarantee will be established beginning in the third Lease Year at an amount equal to 85% of the Percentage Fee payable in the second Lease Year. In the subsequent Lease Years of the Term, the MAG will equal 85% of the Percentage Fee calculated for the prior Lease Year but will never be less than the MAG established in the third Lease Year.

In the event the Leased Space is comprised of two or more distinct Retail Spaces that are opening for Concession operations on different dates, then Exhibit 2 must apportion the MAG payable for the entire Agreement among the various Retail Spaces. The MAG for each Retail Space shall become payable upon its DBO, prorated for any partial year! Upon the DBO of the final Retail Space, the entire MAG shall be payable, prorated for any partial year.

iii) Pre-Construction License Fee. In the event Tenant conducts, with the Commissioner's approval, concession operations in any portion of the Retail Space prior to the construction of the Improvements, then the "Pre-Construction License Fee" is an amount equal to 20% of Gross Revenues during each calendar month (or portion thereof) from the Delivery Date through the DBO of the Retail Space.

iv) Additional Rent. The Marketing Fee and Distribution Fee, if any, and any other charges payable to the City under this Agreement that are identified as Additional Rent. Failure by Tenant to pay Rent, or any portion thereof, when due is an Event of Default.

B. Impositions. Tenant must timely pay, as and when due, any and all taxes, assessments, fees, and charges levied, assessed or imposed by a governmental unit upon this Agreement, the Leased Space, Tenant's leasehold, Tenant's Concession business or upon Tenant's personal property, including but not limited to all permit fees and charges of a similar nature for Tenant's conduct of any business or undertaking in the Leased Space (collectively, "Impositions"). Tenant must provide the Concession Management Representative with copies

of any business licenses or permits required for the Tenant to operate the Concession. Tenant must provide Commissioner a copy of all notices relating to leasehold taxes on the Leased Space within 30 days after receipt and must provide the Commissioner with a receipt indicating payment of leasehold taxes on the Leased Space when due. Nothing in this Agreement precludes Tenant from contesting the amount of an Imposition, including those taxes or charges enacted or promulgated by the City, but unless otherwise allowed by the entity imposing the tax or charge, Tenant must pay the tax or charge pending the judicial or administrative decision on the Tenant's contest. Failure of Tenant to pay any Imposition when due, except to the extent that Tenant is allowed to withhold payment while contesting the amount of the Imposition, will constitute an Event of Default. As provided in Section 4.1, Tenant acknowledges that the leasehold created under this Agreement is taxable, and while Tenant may contest the amount of the leasehold tax, Tenant shall not contest its applicability.

C. Rent under this Agreement is not considered to be a tax and is independent of any Imposition levied by the City on the Tenant's business. Further, the payment of the Rent under this Agreement is independent of each and every other covenant and agreement contained in this Agreement, and Tenant must pay all Rent without any set off, abatement, counterclaim or deduction whatsoever except as otherwise expressly provided in this Agreement. If Tenant is directed to move its Concession operations to a Relocation Space, and the City determines that the affected Retail Space is to be closed before completion of the Improvements in the Relocation Space, then adjustments will be made to the Minimum Annual Guarantee until Tenant begins Concession operations in the Relocation Space. Such adjustments will be in the same proportion as the Gross Revenues attributable to the Retail Space to be closed bears to the Gross Revenues for the entire Retail Space to which the Minimum Annual Guarantee applies. If actual Gross Revenue amounts are not available, the adjustment will be made based on the MAG per location estimates in Exhibit 2.

7.2 Time of Payments.

A. On or before the first day of each calendar month, prorated for any partial calendar month, beginning on the Delivery Date of the first Leased Space and continuing throughout the Term, Tenant must pay to the City the monthly installment of Base Rent owed pursuant to Section 7.1(A)(i).

B. On or before the first day of each calendar month, prorated for any partial calendar month, beginning on the DBO of the first Leased Space and continuing throughout the Term, Tenant must pay to the City:

(i) that portion of the Minimum Annual Guarantee as may be due pursuant to Section 7.1(A)(ii)(b);

C. On or before the 15th day of each month, beginning the month following the month in which the DBO of the first Leased Space occurs, Tenant must pay the City:

- i) the amount, if any, by which the actual Percentage Fee for the preceding month pursuant to Section 7.1(A) (ii)(a) exceeds the Minimum Annual Guarantee payment that was made on the first day of the month;
- ii) the Marketing Fee, Distribution Fee and additional rent, if any, based on the Gross Revenues of the preceding month or pre-determined amount; and
- iii) any other charges payable to the City.

D. If the annual statement of Gross Revenues indicates that the Percentage Fee attributable to the preceding Lease Year exceeds the amount of all payments made by Tenant to the City for the Lease Year in question, then Tenant must pay the amount of the underpaid Percentage Fee to the City upon the submission of the annual statement of Gross Revenues. If the annual statement of Gross Revenues indicates that the Percentage Fee attributable to the preceding Lease Year is less than the amount of all License Fee payments made by Tenant to the City for the period in question, but the Percentage Fee still exceeds the MAG for that Lease Year, then Tenant will receive a credit against the next License Fee payment due under this Agreement for the amount by which the License Fee actually paid by Tenant exceeded the Percentage Fee attributable to the period.

3 Material Underpayment or Late Payment. Without waiving any other remedies available to the City, if:

i) Tenant underpaid Rent due in any calendar year by more than 5%, or

ii) Tenant failed to make any Rent payments within 5 days of the date due, then Tenant must pay, in addition to the amount due the City as Rent, interest on the amount of underpayment or late payment at the Default Rate. Interest on the amount underpaid accrues from the date on which the original payment was due until paid in full and shall be considered Additional Rent. The provision for the payment of interest does not constitute an authorization by the City of underpayment or late payment.

4 **Reports.**

A. Monthly. Tenant must furnish to the Commissioner on or before the 15th day of each calendar month falling wholly or in part within the Term of this Agreement a complete statement, certified by Tenant, of the amount of Gross Revenues derived from each Retail Space by Tenant during the preceding month.

B. Daily and/or Weekly. Tenant will furnish to the Commissioner daily and/or weekly sales reports, if requested, breaking down all sales and Gross Revenues by day, daypart (breakfast, lunch, dinner and late/overnight), selling category and by each separate Retail Space. If so requested, Tenant will provide Commissioner with statistical information regarding the number and type of transactions occurring at each Retail Space, in the form specified by the Commissioner. In addition to providing the City the foregoing daily and/or weekly reports, if requested, Tenant shall make all such reports available in an electronic,

searchable format acceptable to the City. The City may require Tenant to provide such electronic, searchable reports more or less frequently than other reports requested pursuant to this subsection.

C. Annually or more often.

(i) Tenant also must furnish to Commissioner no later than March 1 of each Lease Year falling wholly or in part within the Term of this Agreement, and within 120 days after the expiration or termination of this Agreement, a complete statement of revenues certified by an independent certified public accountant engaged by Tenant, showing in all reasonable detail the amount of Gross Revenues made by Tenant in, on or from the Leased Space during the preceding Lease Year and copies of all returns and other information filed with respect to Illinois sales and use taxes as well as such other reasonable financial and statistical reports as the Commissioner may, from time to time, require by written notice to Tenant.

(ii) The annual statement must include a breakdown of Gross Revenues on a month-by-month basis and an opinion of an independent certified public accountant that must include the following language, or language of similar purport:

"We, a firm of independent certified public accountants, have examined the accompanying statement reported to the City of Chicago by [] for the year ended relating to its operations at the Terminals pursuant to an Agreement dated , . Our examination was made in accordance with generally accepted accounting principles and, accordingly, includes such tests of the accounting records and such other procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statement showing gross revenues of \$ presents accurately the amount of Gross Revenues, as defined in the Agreement, for the year ended ."

D. All such reports and statements must be prepared on a form approved by the Commissioner and must, among other things, provide a breakdown of the Gross Revenues by category of Products and an analysis of all Percentage Fees due and payable to the City with respect to the period in question. If Tenant fails to timely furnish to the Commissioner any monthly or annual statement required under this Agreement or if the independent certified public accountant's opinion is qualified or conditioned in any manner, the Commissioner has the right (but is not obligated) without notice, to conduct an audit of Tenant's books and records and to prepare the statements at Tenant's expense. Tenant must also provide the

Commissioner with such other financial or statistical reports and information concerning the Leased Space or any part thereof, in the form as may be reasonably required from time to time by the Commissioner.

7.5 Books, Records and Audits.

A Except as provided below. Tenant must prepare and maintain at its office full; complete and proper books, records and accounts in accordance with generally accepted accounting procedures relating to and setting forth the Gross Revenues, including but not limited to Gross Revenues generated by sales of Products for cash, debit, check, gift certificate, credit, or any other form of compensation, and must require and cause its operations personnel to prepare and

keep books, source documents, records and accounts sufficient to substantiate those kept by Tenant. The books and source documents to be kept by Tenant must include true copies of all federal, state and local tax returns filed with respect to Tenant's Concession operation and reports, records of inventories and receipts of Products, daily receipts from all sales and other pertinent original sales records and records of any other transactions conducted in or from the Leased Space by Tenant and any other persons conducting business in or from the Leased Space. Pertinent original sales records must include the following documents or their auditable electronic equivalents:

- i) cash register tapes, including tapes from temporary registers,
- ii) serially pre-numbered sales slips,
- iii) the original records of all mail and telephone orders at and to the Leased Space,
- iv) original records indicating that Products returned by customers was purchased at the Leased Space by the customers,
- v) memorandum receipts or other records of Products taken out on approval,
- vi) detailed original records of any exclusions or deductions from Gross Revenues,
- vii) sales tax records, and
- viii) such other sales records, if any, that would normally be examined by an independent accountant under accepted auditing standards in performing an audit of Tenant's Gross Revenues.

B. Tenant must record at the time of each sale or other transaction, all receipts, whether in physical form or electronic, from the sale or other transaction. The books, records and accounts, including any sales tax reports that Tenant may be required to furnish to any government or governmental agency, must at all reasonable times be open to the inspection (including the making of copies or extracts) of the Commissioner, the Commissioner's auditor or other authorized representative or agent at the Leased Space or Tenant's other offices in Chicago for a period of at least three (3) years after the expiration of each calendar year falling wholly or in part within the Term.

C. The acceptance by the Commissioner of payments of any Percentage Fee is without prejudice to the Commissioner's right to conduct an examination of the Tenant's books and records relating to Gross Revenues and of inventories of Products at the Retail Space, in order to verify the amount of Gross Revenues made in and from the Retail Space.

D. After providing Tenant at least 3 days prior oral or written notice, the

Commissioner may inspect the books and records of Tenant. Further, at its option, the Commissioner may at any reasonable time, upon no less than 10 days prior written notice to Tenant cause a complete audit to be made of Tenant's entire records relating to the Retail Space for the period covered by any statement issued by Tenant as above set forth. If the audit discloses that Tenant's statement of Gross Revenues is understated to the extent of:

- i) 3% or more, Tenant must promptly pay the City the cost of the audit in addition to the deficiency (and any interest on the deficiency at the Default Rate), which deficiency is payable in any event, and if
- ii) 5% or more, an Event of Default is considered to have occurred, and in addition to all other remedies available under this Agreement, at law, or in equity, the Commissioner has the right to terminate this Agreement immediately upon giving notice to Tenant, without any opportunity for Tenant to cure.

in addition to the foregoing, and in addition to all other remedies available to the City, if Tenant or the City's auditor schedules a date for an audit of Tenant's records and Tenant fails to be available or otherwise fails to comply with the reasonable requirements for the audit, Tenant must pay all reasonable costs and expenses associated with the scheduled audit.

7.6 Revenue Control. Upon the request of the Commissioner Tenant must make available monthly sales data for each Retail Space ("Point of Sale Data"), reflecting the amount of each sales transaction, items sold per transaction, time and date of the transaction, and specifying the sales category applicable to each item sold. At such time, if any, as computerized Point of Sale Data systems ("POS Systems") have been developed to a point where the Commissioner deems it necessary or desirable to install such a POS System, then Tenant must upon request and at its own expense, install such a POS System in the Retail Space or, if it already uses such a system, must use reasonable efforts to promptly cause the system to conform to the City's POS System, provided, in no event shall Tenant be required to disclose customer data in contravention of applicable laws. Tenant shall be given a reasonable amount of time, not to exceed one year, to accomplish the foregoing.

7.7 Lien. In addition to any liens as may arise under Illinois law, the City has a contractual lien under this Agreement on all property, including Tenant personal property located on the Leased Space, but excluding any Products that is subject to floor plan financing, as security for non-payment of any Rent due.

ARTICLE 8 INSURANCE, INDEMNITY AND SECURITY

8.1 Insurance. Tenant must, at its sole expense, procure and maintain at all times during the Term of this Agreement, and during any time period following expiration or termination of this Agreement during which Tenant is holding over or Tenant is required to return to the Leased Space for any reason whatsoever, the types of insurance specified in Exhibit 7 covering all operations under this Agreement, with insurance companies authorized to do business in the State of Illinois.

46

8.2 Indemnification.

A. Except where this indemnity clause would be found to be inoperative or unenforceable under the Construction Contract Indemnification for Negligence Act, 740 ILCS 35/0.01 et seq. ("Anti-Indemnity Act"), Tenant must defend, indemnify, keep and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees, from and against any and all Losses.

B. "Losses" means, individually and collectively, liabilities of every kind, including losses, damages, and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way

arise out of or relate to the acts or omissions of Tenant, its employees, agents, subtenants, and Subcontractors.

C. At the City Corporation Counsel's option, Tenant must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Tenant of any of its obligations under this Agreement. Tenant must not make any settlement without the prior written consent to it by the City Corporation Counsel if the settlement requires any action on the part of the City or in any way involving the Airport.

D. To the extent permissible by law, Tenant waives any limits to the amount of its obligations to indemnify, defend or contribute to any sums due under any Losses, including any limits applicable to a claim by any employee of Tenant that may be subject to the Workers' Compensation Act, 820 ILCS 305/1 et seq or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The waiver, however, does not require Tenant to indemnify the City for the City's own negligence to the extent doing so would violate the Anti-Indemnity Act. The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

E The indemnities contained in this section survive expiration or termination of this Agreement, for matters occurring or arising during the Term of this Agreement or as the result of or during the holding over of Tenant beyond the Term. Tenant acknowledges that the requirements set forth in this section to indemnify, keep and save harmless and defend the City are apart from and not limited by the Tenant's duties under this Agreement, including the insurance and Security requirements.

8.3 Security

A. Form of Security.

(i) Tenant must deliver to the City no later than the earlier to occur of: a) 30 business days after the Effective Date or b) the Delivery Date for the first Leased Space, an irrevocable,

47

unconditional sight draft Letter of Credit in favor of the City. The face amount of the Letter of Credit and any replacements or renewals of it must be maintained by Tenant, through and including the date that is 180 days after the expiration of the Term or termination of this Agreement, as follows: the face amount of the Letter of Credit must equal a) until the third full Lease Year of the Term, \$25,000, and b) during and after the third full Lease Year of the Term, 25% of third full Lease Year MAG in the form of an irrevocable letter of credit issued in favor of the City or a cash deposit. If a letter of credit is provided as the form security, it will be required to be adjusted throughout the Term, as the MAG increases or decreases. The Letter of Credit must be in the form set forth in Exhibit 6 or as otherwise approved by the Corporation Counsel.

ii) In lieu of the Letter of Credit, Tenant may provide cash or a cashier's check in the same amount for immediate deposit in the City's accounts. The Letter of Credit, cash or cashier's check, as applicable, is referred to in this Agreement as the "Security." The original Letter of Credit, and all replacements of it, must be issued with an expiry date of at least one year after their respective dates of issuance. The Security secures the faithful performance by Tenant of all of Tenant's obligations under this Agreement. The Commissioner is entitled to draw on any such Letter of Credit unless proof of renewal of the Letter of Credit or a replacement Letter of Credit in form and substance satisfactory to the Comptroller has been furnished to the Commissioner at least 30 days before its expiration date. The City will hold the proceeds as a cash Security to secure the full and faithful performance of Tenant's obligations under this Agreement. The

Commissioner is not obligated to pay or credit Tenant with interest on any Security.

iii) The Commissioner also is entitled to draw on the Letter of Credit in whole or in part upon the occurrence of an Event of Default, which such Event of Default remains uncured after any applicable cure period, in which event the Commissioner is entitled to apply or retain all or any part of the proceeds of it or any cash or other Security deposited by Tenant and held by the City for the payment of any obligation of Tenant arising before or after the Event of Default; provided, the Commissioner is not entitled to draw on the Letter of Credit if such Event of Default permits cure and has been cured.

iv) The Letter of Credit must provide that the Commissioner may draw upon the Letter of Credit in whole or in part upon the delivery by the Commissioner to the issuer of the Letter of Credit of a demand for payment, purportedly signed by the Commissioner, together with a written statement that the Commissioner is entitled to draw upon the Letter of Credit under the terms of this Agreement. If amounts are drawn upon the Letter of Credit or amounts of a cash Security are applied by the Commissioner in accordance with the terms of this Agreement, Tenant must reinstate the Letter of Credit or cash Security to its full amount required in this Agreement within 5 days following notification by the Commissioner of the City's draw upon the Letter of Credit or use of the cash Security. The rights reserved to the Commissioner or the City under the Letter of Credit or any cash Security are in addition to any rights they may have under this Agreement or under law.

B. Qualified Issuers. The Letter of Credit called for in this Agreement must be issued by companies or financial institutions having a rating of "A" or better as determined by Standard and Poor's or by Moody's Investors Service, Inc., or a net worth of at least \$500,000,000, and must have an office in Chicago where the Commissioner may draw on the Letter of Credit. The Commissioner also reserves the right to order Tenant to immediately close some or all of the Leased Space until the Letter of Credit is in place and effective.

C. Right to Require Replacement of Letter of Credit. If the financial condition of any Letter of Credit issuer issuing the Letter of Credit materially and adversely changes, the Commissioner may, at any time, require that the Letter of Credit be replaced with a Letter of Credit from another institution and in accordance with the requirements set forth in this section.

D. No Excuse from Performance. None of the provisions contained in this Agreement nor in the Letter of Credit required under this Agreement excuse Tenant from faithfully performing in accordance with the terms and conditions of this Agreement or limit the liability of Tenant under this Agreement for any and all damages in excess of the amounts of the Letter of Credit.

E. Non-Waiver. Notwithstanding anything to the contrary contained in this Agreement, the failure of the Commissioner to draw upon the Letter of Credit required under this Agreement or to require Tenant to replace the Letter of Credit at any time or times when the Commissioner has the right to do so under this Agreement does not waive or modify the Commissioner's rights to draw upon the Letter of Credit and to require Tenant to maintain or, as the case may be, replace the Letter of Credit, all as provided in this Section.

ARTICLE 9 DEFAULT, REMEDIES AND TERMINATION

9.1 Events of Default. The following (A) through (N) constitute Events of Default by Tenant under this Agreement. The Commissioner will notify Tenant in writing of any event that the Commissioner believes to be an Event of Default. Tenant will be given an opportunity to cure the Event of Default within a reasonable period of time, as

determined by the Commissioner, but not to exceed 30 days after written notice of the Event of Default; provided, that (1) if a provision of this Agreement provides for a different cure period for a particular Event of Default, that different cure period will apply; (ii) if a provision of this Agreement does not expressly allow a right to cure a particular Event of Default, there will be no right to cure; and (iii) if neither (i) or (ii) apply and if the promise, covenant, term, condition or other nonmonetary obligation or duty cannot be cured within the time period granted by the Commissioner, but Tenant promptly begins and diligently and continuously proceeds to cure the failure within the time period granted and after that continues to diligently and continuously proceed to cure the failure, and the failure is reasonably susceptible of cure within 45 days from delivery of the notice, Tenant will have the additional time, not in any event to exceed 45 days, to cure the failure.

A. Any material misrepresentation made by Tenant to the City in the inducement

49

to City to enter this Agreement or in the performance of this Agreement. There is no right to cure this Event of Default.

B. Tenant's failure to make any payment in full when due under this Agreement and failure to cure the default within five days after the City gives written notice of the nonpayment to Tenant. In addition, Tenant's failure to make any such payment within five days after the written notice more than three times in any Lease Year constitutes an Event of Default without the necessity of the City giving notice of the fourth failure to Tenant or allowing Tenant any opportunity to cure it.

C. Tenant's failure to promptly and fully keep, fulfill, comply with, observe, or perform any promise, covenant, term, condition or other non-monetary obligation or duty of Tenant contained in this Agreement.

D. Tenant's failure to promptly and fully perform any obligation or duty, or to comply with any restriction of Tenant contained in this Agreement concerning Transfer or Change in Ownership, whether directly or indirectly, of Tenant's rights or interests in this Agreement or of the ownership of Tenant.

E. Tenant's failure to provide or maintain the insurance coverage required under this Agreement (including any material non-compliance with the requirements) and the failure to cure the Event of Default within two days following oral or written notice from the Commissioner; or, if the noncompliance is non-material, the failure to cure the Event of Default within 20 days after the Commissioner gives written notice. The Commissioner, in the Commissioner's sole discretion, will determine if noncompliance is material.

F. Tenant's failure to conduct Concession operations in any Retail Space at all times Tenant is required to do so under this Agreement.

G. Tenant's failure to comply with the Value Pricing policy.

H. Tenant's failure to begin or to complete its Improvements on a timely basis or to timely open for business in the Leased Space or any portion of it as required herein.

I. An Event of Default by Tenant or any Affiliate under any other agreement it may presently have or may enter into with the City during the Term of this Agreement and failure to cure the default within any applicable cure period.

J. Tenant or Guarantor, if any, does any of the following and the action affects Tenant's ability to carry out the terms of this Agreement:

i) becomes insolvent, as the term is defined under Section 101 of the Bankruptcy Code as amended from time to time; or

ii) fails to pay its debts generally as they mature; or

50

iii) seeks the benefit of any present or future federal, state or foreign insolvency statute; or

iv) makes a general assignment for the benefit of creditors, or

v) files a voluntary petition in bankruptcy or a petition or answer seeking an arrangement of its indebtedness under the Bankruptcy Code or under any other law or statute of the United States or of any State or any foreign jurisdiction; or

vi) consents to the appointment of a receiver, trustee, custodian, liquidator or other similar official, of all or substantially all of its property.

K. An order for relief is entered by or against Tenant or Guarantor (if any) under any chapter of the Bankruptcy Code or similar law in any foreign jurisdiction and is not stayed or vacated within 60 days following its issuance.

L. Tenant is dissolved.

M. A violation of law that results in a guilty plea, a plea of nolo contendere, guilty finding, or conviction of a criminal offense, by Tenant, or any of its directors, officers, partners or key management employees directly or indirectly relating to this Agreement, and that may threaten, in the sole judgment of Commissioner, Tenant's performance of this Agreement in accordance with its terms.

N. Any failure to perform, act, event or omission that is specifically identified as an Event of Default elsewhere in this Agreement.

9.2 Remedies.

If an Event of Default occurs and is not cured by Tenant in the time allowed, in addition to any other remedies provided for in this Agreement, including the remedy of Self-help as provided in Section 9.3, the City through the Commissioner or other appropriate City official may exercise any or all of the following remedies:

A. Terminate this Agreement with respect to all or a portion of the Leased Space and exclude Tenant from that part of the Leased Space affected by the termination. If the Commissioner elects to terminate this Agreement, the Commissioner may, at the Commissioner's sole option, serve notice upon Tenant that this Agreement ceases and expires and becomes absolutely void with respect to the Leased Space or that part identified in the notice on the date specified in the notice, to be no less than five days after the date of the notice, without any right on the part of Tenant after that to save the forfeiture by payment of any sum due or by the performance of any term, provision, covenant, agreement or condition broken. At the expiration of the time limit in the notice, this Agreement and the Term of this Agreement, as well as the right, title and interest of Tenant under this Agreement, wholly ceases and expires and becomes void with respect to the Leased Space identified in such notice in the same manner.

and with the same force and effect (except as to Tenant's liability) as if the date fixed in the notice were the date in this Agreement stated for expiration of the Term with respect to the Leased Space identified in such notice.

B. Recover all Rent, including Additional Rent and any other amounts due that have accrued and are then due and payable and also all damages available at law or under this Agreement. If the Agreement is terminated, whether in its entirety or with respect to a part of the Leased Space, the damages will include damages for the balance of the scheduled Term, based upon any and all amounts that Tenant would have been obligated to pay for the balance of the Term with respect to the Leased Space, or if this Agreement is terminated with respect to a portion of the Leased Space, that portion of the Leased Space affected by the termination, calculated as provided in this Agreement or, if not fixed, as reasonably estimated and prorated among the various portions of the Leased Space. In determining the amount of damages for the period after termination, the Commissioner may make the determination based upon the sum of any future payments that would have been due to the City, for the full Lease Year immediately before the Event of Default. All amounts that would have been due and payable after termination for the balance of the Term with respect to all or a portion of the Leased Space must be discounted to present value at the Default Rate existing as of the date of termination. The Commissioner may declare all amounts to be immediately due and payable.

C. At any time after the occurrence of any uncured Event of Default, whether or not the Lease under this Agreement has been terminated, reenter and repossess the Leased Space and/or any part of it with or without process of law, so long as no undue force is used, and the City has the option, but not the obligation, to re-lease all or any part of the Leased Space. The City, however, is not required to accept any Tenant proposed by Tenant or to observe any instruction given the City about such a re-lease. The failure of the City to re-lease the Leased Space or any part or parts of it does not relieve or affect Tenant's liability under this Agreement nor is the City liable for failure to re-lease. Reentry or taking possession of the Leased Space does not constitute an election on the City's part to terminate this Agreement unless a written notice of the election by the Commissioner is given to Tenant. Even if the City re-leases without termination, the Commissioner may at any time thereafter elect to terminate this Agreement for any previous uncured Event of Default. For the purpose of re-leasing, the Commissioner may decorate or make repairs, changes, alterations or additions in or to the Leased Space to the extent deemed by the Commissioner to be desirable or convenient, and the cost of the decoration, repairs, changes, alterations or additions will be charged to and payable by Tenant as Additional Rent under this Agreement. Any sums collected by the City from any new Tenant obtained on account of Tenant will be credited against the balance of the Rent due under this Agreement. Tenant must pay the City monthly, on the days when payments of Rent would have been payable under this Agreement, the amount due under this Agreement less the amount obtained by the City from the new Tenant, if any.

D. Enter upon the Leased Space, distraint upon and remove from it all inventory, equipment, machinery, trade fixtures and personal property of any kind or nature, whether owned by Tenant or by others, and to proceed without judicial decree, writ of execution or

assistance or involvement of constables or the City's and Tenant's officers, to conduct a private sale, by auction or sealed bid without restriction. Tenant waives the benefit of all laws, whether now in force or later enacted, exempting any of Tenant's property on the Leased Space or elsewhere from distraint, levy or sale in any legal proceedings taken by the City

to enforce any rights under this Agreement.

E. Seek and obtain specific performance, a temporary restraining order or an injunction, or any other appropriate equitable remedy.

F. Seek and obtain money damages; including special, exemplary, incidental and consequential damages.

G. Deem Tenant and Affiliates non-responsible in future contracts or concessions to be awarded by the City.

H. Declare Tenant and Affiliates in default under any other existing contracts or agreements they might have with the City and to exercise any remedies available under those other contracts or agreements.

I. Accept the assignment of any and all Subcontracts between Tenant and the design and construction Subcontractors.

J. Require Tenant to terminate a Subcontractor that is causing breaches of this Agreement.

9.3 Commissioner's Right to Perform Tenant's Obligations.

A. Upon the occurrence of an Event of Default that Tenant has failed to cure in the time provided, the Commissioner may, but is not obligated to, make any payment or perform any act required to be performed by Tenant under this Agreement in any manner deemed expedient by the Commissioner for the purpose of correcting the condition that gave rise to the Event of Default ("Self-help"). The Commissioner's inaction never constitutes a waiver of any right accruing to the City under this Agreement nor do the provisions of this section or any exercise by the Commissioner of Self-help under this Agreement cure any Event of Default. Any exercise of Self-help does not limit the right of any other City department or agency to enforce applicable City ordinances or regulations.

B. The Commissioner, in making any payment that Tenant has failed to pay:

i) relating to taxes, may do so according to any bill, statement or estimate, without inquiry into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim;

ii) for the discharge, compromise or settlement of any lien, may do so without inquiry as to the validity or amount of any claim for lien that may be asserted; and

(iii) in connection with the completion of construction, furnishing or equipping of the Leased Space or the licensing, operation or management of the Leased Space or the payment of any of its operating costs, may do so in such amounts and to such persons as the Commissioner may deem appropriate.

Nothing contained in this Agreement requires the Commissioner to advance monies for any purpose.

C. If Tenant fails to perform its obligations under this Agreement to maintain and operate the Leased Space in accordance with specified standards within 3 days following written notice from the Commissioner, or in the event of a serious health or safety concern or in an emergency (in which case no notice is required) the Commissioner may, but is not obligated to, direct the Department to perform or ensure the performance of any such obligation in any manner deemed

not obligated to, direct the Department to perform or cause the performance of any such obligation in any manner deemed expedient by the Commissioner for the purpose of correcting the condition in question.

D. All sums paid by the City under the provisions of this Section and all necessary and incidental costs, expenses and reasonable attorneys' fees in connection with the performance of any such act by the Commissioner, together with interest thereon at the Default Rate, from the date of the City's payment until the date paid by Tenant, are deemed Additional Rent under this Agreement and are payable to the City within 10 days after demand therefor, or at the option of the Commissioner, may be added to any Rent then due or later becoming due under this Agreement, and Tenant covenants to pay any such sum or sums with interest at the Default Rate.

9.4 Effect of Default and Remedies

A. Tenant, for itself and on behalf of any and all persons claiming through or under it (including creditors of all kinds), waives and surrenders all right and privilege that they or any of them might have under or by reason of any present or future law, to redeem the Leased Space or to have a continuance of this Agreement for the Term, as it may have been extended, after having been dispossessed or ejected by process of law or under the terms of this Agreement or after the termination of this Agreement as provided in this Agreement.

B. The City's waiver of any one right or remedy provided in this Agreement does not constitute a waiver of any other right or remedy then or later available to the City under this Agreement or otherwise. A failure by the City or the Commissioner to take any action with respect to any Event of Default or violation of any of the terms, covenants or conditions of this Agreement by Tenant will not in any respect limit, prejudice, diminish or constitute a waiver of any rights of the City to act with respect to any prior, contemporaneous or later violation or Event of Default or with respect to any continuation or repetition of the original violation or Event of Default. The acceptance by the City of payment for any period or periods after an Event of Default or violation of any of the terms, conditions and covenants of this Agreement does not constitute a waiver or diminution of, nor create any limitation upon any

right of the City under this Agreement to terminate this Agreement for subsequent violation or Event of Default, or for continuation or repetition of the original violation or Event of Default. Tenant has no claim of any kind against the City by reason of the City's exercise of any of its rights as set forth in this Agreement or by reason of any act incidental or related to the exercise of rights.

C. All rights and remedies of the City under this Agreement are separate and cumulative, and none excludes any other right or remedy of the City set forth in this Agreement or allowed by law or in equity. No termination of this Agreement or the taking or recovery of the Leased Space deprives the City of any of its remedies against Tenant for Rent, including Additional Rent or other amounts due or for damages for the Tenant's breach of this Agreement. Every right and remedy of the City under this Agreement survives the expiration of the Term or the termination of this Agreement.

ARTICLE 10 SPECIAL CONDITIONS

10.1 Warranties and Representations. In connection with the execution of this Agreement, Tenant warrants and represents statements (A) through (L) below are true as of the Effective Date. If during the Term there is any change in circumstances that would cause a statement to be untrue, Tenant must promptly notify the Commissioner in writing. Failure to do so will constitute an Event of Default. Tenant must incorporate all of the provisions set forth in this Section 10.1 in all Subcontracts entered into with any suppliers of materials, furnishers of services, Subcontractors, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any materials, labor or services in connection with this Agreement, such that the parties warrant, represent and covenant to Tenant as to the

services in connection with this Agreement, such that the parties warrant, represent and covenant to Tenant as to the matters set forth in this Section. Tenant must cause its Subcontractors to execute those affidavits and certificates that may be necessary in furtherance of these provisions. The certifications must be attached and incorporated by reference in the applicable agreements. If any Subcontractor is a partnership or joint venture, Tenant must also include provisions in its Subcontract ensuring that the entities comprising the partnership or joint venture are jointly and severally liable for its obligations under it.

A. Tenant is financially solvent; Tenant holds itself to very high standards of quality and professionalism; Tenant and each of its employees and agents are competent to perform as required under this Agreement; this Agreement is feasible of performance by Tenant in accordance with all of its provisions and requirements; Tenant has the full power and is legally authorized to perform or cause to be performed its obligations under this Agreement under the terms and conditions stated in this Agreement; and Tenant can and will perform, or cause to be performed, all of its obligations under this Agreement in accordance with the provisions and requirements of this Agreement

B. Tenant is qualified to do business in the State of Illinois; and Tenant has a valid current business privilege license to do business in the State of Illinois and the City of Chicago, if required by applicable law.

55

C. The person signing this Agreement on behalf of Tenant has been duly authorized to do so by Tenant; all approvals or consents necessary in order for Tenant to execute and deliver this Agreement have been obtained; and neither the execution and delivery of this Agreement, the consummation of the transactions contemplated, nor the fulfillment of or compliance with the terms and conditions of this Agreement:

i) conflict with or result in a breach, default or violations of: Tenant's organizational documents; any law, regulation, ordinance, court order, injunction, or decree of any court, administrative agency or governmental body, or any lease or permit; or any of the terms, conditions or provisions of any restriction or any agreement or other instrument to which Tenant is now a party or by which it is bound; or

ii) result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of Tenant under the terms of any instrument or agreement.

D. There is no litigation, claim, investigation, challenge or other proceeding now pending or, to Tenant's knowledge after due and complete investigation, threatened, challenging the existence or powers of Tenant, or in any way affecting its ability to execute or perform under this Agreement or in any way having a material adverse effect on the operations, properties, business or finances of Tenant.

E. This Agreement constitutes the legal, valid and binding obligation of Tenant, enforceable against Tenant in accordance with its terms, subject to applicable bankruptcy, insolvency, moratorium and other laws affecting creditors' rights and remedies generally and by the application of equitable principles.

F. No officer, agent or employee of the City is employed by Tenant or has a financial interest directly or indirectly in this Agreement, a Subcontract under it, or the compensation to be paid under it except as may be permitted in writing by the Board of Ethics established under Chapter 2-156 of the Municipal Code and as may otherwise be permitted by law.

G. Tenant has not and will not knowingly used the services of any person or entity for any purpose in its performance under this Agreement, when such person or entity is ineligible to perform services under this Agreement or in connection with it, as a result of any local, state or federal law, rule or regulation, or when such person or entity has or

in connection with it, as a result of any local, state or federal law, rule or regulation, or when such person or entity has an interest that would conflict the performance of services under this Agreement.

H. There was no broker instrumental in consummating this Agreement and no conversations or prior negotiations were had with any broker concerning the rights granted in this Agreement with respect to the Leased Space. Tenant shall hold the City harmless against any claims for brokerage commission arising out of any conversations or negotiations had by Tenant with any broker.

56

I. Neither Tenant nor any Affiliate of Tenant is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U. S. Department of Commerce or their successors, or on any other list of persons with which the City may not do business under applicable law: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, and Entity List, and the Debarred List.

J. Tenant, and to the best of Tenant's knowledge, its Affiliates, Subcontractors, any of their respective owners holding 7.5% or more beneficial ownership interest, and any of Tenant's directors, officers, members, or partners:

i) currently have no interest, directly or indirectly, that conflicts in any manner or degree with Tenant's performance under this Agreement and will not at any time during the Term have any interest nor acquire any interest, directly or indirectly, that conflicts or would or may conflict in any manner or degree with Tenant's performance under this Agreement;

ii) have no outstanding parking violation complaints or debts, as the terms are defined in Section 2-92-380 of the Municipal Code (with the exception of any debt or obligation that is being contested in a pending administrative or judicial proceeding) and agrees that, for the Term, they will promptly pay any debts, outstanding parking violation complaints or monetary obligations to the City that may arise during the Term, with the exception of any debt or obligation that is being contested in a pending administrative or judicial proceeding;

iii) are not in default under any other City contract or agreement as of the Effective Date, nor have been deemed by the City to have been in default of any other City contract or agreement within five years immediately preceding the Effective Date;

iv) are not in violation of the provisions of § 2-92-320 of the Municipal Code pertaining to certain criminal convictions or admissions of guilt and are not currently debarred or suspended from contracting by any Federal, State or local governmental agency;

v) are not delinquent in the payment of any taxes due to the City; and

vi) will not make use of the Leased Space in any manner that might interfere with the landing and taking off of aircraft at the Airport under current or future conditions or that might otherwise constitute a hazard to the operations of the Airport or to the public generally.

K. Except only for those representations, statements, or promises expressly contained in this Agreement, including any Exhibits attached to this Agreement and incorporated by reference in this Agreement, no representation, warranty of fitness, statement or promise, oral or in writing, or of any kind whatsoever, by the City, its officials, agents, or employees, has induced Tenant to enter into this Agreement or has been relied upon by Tenant, including any with

reference to:

- (i) the meaning, correctness, suitability or completeness of any provisions or

57

requirements of this Agreement;

- ii) the nature of the Concession license being granted;
- iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities, needed for the performance of this Agreement;
- iv) the general conditions that may in any way affect this Agreement or its performance;
- v) the compensation provisions of this Agreement; or
- vi) any other matters, whether similar to or different from those referred to in clauses (i) through (iv) immediately above, affecting or having any connection with this Agreement, the negotiation of this Agreement, any discussions of this Agreement, the performance of this Agreement or those employed in connection with it.

10.2 Business Documents, Disclosure of Ownership Interests and Maintenance

of Existence.

A. Tenant must provide evidence of its authority to do business in the State of Illinois including, if applicable, certifications of good standing from the Office of the Secretary of State of Illinois, and appropriate resolutions or other evidence of the authority of the persons executing this Agreement on behalf of Tenant.

B. Tenant has provided the Commissioner with an Economic Disclosure Statement and Affidavit ("EDS") for itself and EDS(s) for all entities with an ownership interest of 7.5 percent or more in Tenant, copies of which have been scanned for viewing on the City's website. Upon request by the Commissioner, Tenant must further cause its Subcontractors, subtenants, sublicensees and proposed Transferees (and their respective 7.5 percent owners) to submit an EDS to the Commissioner. Tenant must provide the Commissioner, upon request, a "no change" affidavit if the information in the EDS(s) previously supplied remains accurate, or revised and accurate EDS(s) if the information contained in the EDS(s) has changed. In addition, Tenant must provide the City revised and accurate EDS(s) within 30 days of any event or change in circumstance that renders the EDS(s) inaccurate. Failure to maintain accurate EDS(s) on file with the City is an Event of Default.

10.3 Licenses and Permits. Tenant must in a timely manner consistent with its

obligations under this Agreement, secure and maintain, or cause to be secured and maintained

at its expense, the permits, licenses, authorizations and approvals as are necessary under

federal, state or local law for Tenant, its subtenants (if any), and Subcontractors: to operate the

Concession; to construct, operate, use and maintain the Leased Space; and otherwise to comply

with the terms of this Agreement and the privileges granted under this Agreement. Tenant must

with the terms of this Agreement and the privileges granted under this Agreement. Tenant must promptly provide copies of any required licenses and permits to the Commissioner and to the Concession Management Representative.

58

4 Confidentiality. Except as may be required by law during or after the performance of this Agreement, Tenant will not disseminate any non-public information regarding this Agreement or the Concession operations without the prior written consent of the Commissioner, which consent will not be unreasonably withheld or delayed. If Tenant is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any documents that may be in its possession by reason of this Agreement, Tenant must immediately give notice to the City's Corporation Counsel. The City may contest the process by any means available to it before the records or documents are submitted to a court or other third party. Tenant, however, is not obligated to withhold the delivery beyond that time as may be ordered by the court or administrative agency, and unless the subpoena or request is quashed or the time to produce is otherwise extended. Tenant must require each prospective Subcontractor to abide by such restrictions in connection with their respective Subcontracts.

5 **Subcontracts and Assignments.**

A. " The City expressly reserves the right to assign or otherwise transfer all or any part of its interest under this Agreement, at any time and to any third party. Upon assignment to any successor or assignee of the City's right, title and interest in and to the Airport, the City is forever relieved, from and after the date of the assignment, of any and all obligations arising under or out of this Agreement, to the extent the obligations are assumed by the successor or assignee.

B. **Limits on Tenant's transfers and changes in ownership:**

i) Tenant may not sell, assign, sublease, sublicense, convey, pledge, encumber or otherwise transfer (individually and collectively, "Transfer") all or any part of its rights or interests in or to this Agreement, the License, the Leased Space, the Term, or otherwise permit any third party to use the Leased Space, without prior consent of the City, which consent may be given or denied in the City's sole and absolute discretion. Consent by the City does not relieve Tenant from obtaining further consent from the City for any subsequent Transfer. Transfers involving all of Tenant's interest in this Agreement require approval of the City Council. Transfers of less than all of Tenant's interest in this Agreement require approval of the Commissioner. Consent by the City to any Transfer does not relieve Tenant from the requirement of obtaining consent from the City for any subsequent Transfer. Transfers that have the effect of granting a third party a security interest in this Agreement or the Leased Space as collateral for Tenant financing are strictly prohibited and, if entered into by Tenant, are an Event of Default.

ii) Except as otherwise provided below, any transaction involving a change of any ownership interest in Tenant, whether to an Affiliate, subsidiary or otherwise, or the transfer of an interest in any holder of a direct or indirect ownership interest in Tenant, or any merger or consolidation of Tenant (individually and collectively, "Change in Ownership"), is subject to the consent of:

Ownership), is subject to the consent of.

59

- a. City Council, in its sole discretion, if the Change in Ownership involves a 100% Change in Ownership of Tenant, or
- b. the Commissioner, in the Commissioner's reasonable discretion, if the Change in Ownership involves less than a 100% Change in Ownership of Tenant.

iii) If Tenant (or, if Tenant is a joint venture or other entity comprised of other entities, any of the entities comprising Tenant) is a corporation whose shares are traded at arms-length on a public exchange, any Change in Ownership involving 5% or more of the shares of Tenant's (or if Tenant is a joint venture or other entity comprised of other entities, of any of the entities comprising Tenant) stock is subject to the City's consent as set forth above. In that event, Tenant must provide the City with such prior notice of a Change in Ownership as is not prohibited by law or by a confidentiality agreement executed in connection with the proposed Change in Ownership. If such prior notice is not permitted, then Tenant must notify the City as soon as possible after the Change in Ownership to obtain the City's consent to the Change in Ownership, which consent the City may grant or deny in its sole discretion. If Tenant (or if Tenant is a joint venture or other entity comprised of other entities, of any of the entities comprising Tenant) is a publicly traded corporation, a Change in Ownership of less than 5% does not require consent as set forth in (ii) above unless a series of such transactions results in a cumulative Change in Ownership of 5% or more.

iv) Consent by the City to any Change in Ownership does not relieve Tenant (or if Tenant is a joint venture, any of the entities comprising Tenant) from the requirement of obtaining consent from the City for any subsequent Change in Ownership.

v) Any Transfer or Change in Ownership made without the City's prior consent is an Event of Default subject to all remedies, including termination of this Agreement at the City's option, and does not relieve Tenant of any of its obligations under this Agreement for the balance of the Term. This section applies to prohibit a Transfer, such as an assignment by a receiver or trustee in any federal or state bankruptcy, insolvency or other proceedings or by operation of law. Under no circumstances will any failure by the Commissioner to act on or submit any request by Tenant or to take any other action as provided in this Agreement be deemed or construed to constitute consent to the Tenant's request by the Commissioner or by the City Council. If the City is found to have breached its obligations under this Section, then Tenant's sole remedy is to terminate this Agreement without liability to either the City or Tenant.

vi) Notwithstanding any permitted Transfer by Tenant of any rights under this Agreement, Tenant remains fully liable for all payments due to the City under this Agreement and for the performance of all other obligations under this Agreement. In the event of a permitted Transfer of the License or all or any portion of the Leased Space or Transfer of all or any portion of the Term, where the fees payable to Tenant exceed the Rent or pro rata portion of the Rent under this Agreement, as the case may be, for the License, Leased Space or Term, Tenant must pay the City monthly, as Additional Rent, at the same time as the monthly

60

installments of other Rent under this Agreement that are payable in monthly installments, the excess of the fees payable to Tenant pursuant to the Transfer over the Rent payable to the City under this Agreement

Tenant pursuant to the Transfer over the Rent payable to the City under this Agreement.

vii) Any or all of the requests by Tenant for consents under this Section must be made in writing and provided to the Commissioner (a) at least 60 days prior to the proposed Transfer or Change in Ownership if the Commissioner's consent is required; and (b) at least 120 days prior to a proposed Transfer or Change in Ownership if the City Council's consent is required, unless the City determines that more time is required. All requests for consent must include copies of the proposed documents of Transfer or Change in Ownership, evidence of the financial condition, reputation and business experience of the proposed transferee, completed Economic Disclosure Statements and Affidavits for all involved parties in the form then required by the City, and such other documents as the City may reasonably require to evaluate the proposed Transfer or Change in Ownership. All documents of Transfer or Change in Ownership must completely disclose any and all monetary considerations payable to Tenant in connection with the Transfer or Change in Ownership. Consent to a Transfer or Change in Ownership proposed under this Agreement is in the sole discretion of the City and, as a condition of the consent, the City may require a written acknowledgment from Tenant that, notwithstanding the proposed Transfer or Change in Ownership, Tenant remains fully and completely liable for all obligations of Tenant under this Agreement; however, Tenant shall remain so liable regardless of whether or not the City requests a written acknowledgment.

viii) If any Transfer or Change in Ownership under this Agreement occurs, whether or not prohibited by this section, the Commissioner may collect the Rent payable under this Agreement from any transferee of Tenant and in that event will apply the net amount collected to the amounts payable by Tenant under this Agreement without, by doing so, releasing Tenant from this Agreement or any of its obligations under this Agreement. If any Transfer or Change in Ownership occurs without the consent of the City and the City collects compensation from any transferee of Tenant and applies the net amount collected in the manner described in the preceding sentence, the actions by the City are not deemed to be waiver of the covenant contained in this section and do not constitute acceptance of the transferee by the City.

ix) All reasonable costs and expenses incurred by the City in connection with any prohibited or permitted Transfer or Change in Ownership must be borne by Tenant and are payable to the City as Additional Rent.

C. The provisions of this Agreement, to the extent applicable, are deemed a part of any sublease or contract between Tenant and a subtenant or Subcontractor.

D. Assignment of Subleases, Sublicenses and Subcontracts.

(i) Tenant shall assign to the City all of Tenant's right, title and interest in and to each and every permitted sublease and sublicense and each and every Subcontract with a design and construction Subcontractor, now or later executed by Tenant in connection with

the License or the Leased Space or any part of it. In connection with the assignment, Tenant must deliver all originally executed subleases, sublicenses and Subcontracts to the Commissioner. Any such assignment will become operative and effective only when and if the City accepts the assignment by giving written notice to Tenant and:

- a. either this Agreement and the Term of this Agreement or Tenant's right to possession under this Agreement are terminated pursuant to Article 9; or
- b. in the event of the issuance and execution of a dispossession warrant or of any other re-entry or repossession by the City under the provisions of

repossession by the City under the provisions of
' this Agreement; or

c. if an Event of Default exists.

(ii) At the time, if any, that the assignment becomes effective as provided above, the subtenants or Subcontractors will be deemed to have waived all claims, suits, and causes of action against the City arising out of or relating to the period before the effective date of the assignment. Further, in no instance will the City be responsible for any claims by a subtenant or Subcontractor arising from or related to any fraud, misrepresentation, negligence or willful or intentionally tortious conduct by Tenant, its officials, employees, or agents.

10.6 Compliance with Laws. Tenant must at all times observe and comply with all applicable laws, statutes, ordinances, rules, Regulations, court orders and executive or administrative orders and directives of the federal, state and local government, now existing or later in effect (whether or not the law also requires compliance by other parties), including the Americans with Disabilities Act and Environmental Laws, that may in any manner affect the performance of this Agreement (collectively, "Laws"), and must not use the Leased Space, or allow the Leased Space to be used, in violation of any Laws or in any manner that would impose liability on the City or Tenant under any Laws. Tenant must notify the City within seven days of receiving notice from a competent governmental authority that Tenant or any of its Subcontractors may have violated any Laws. Provisions required by any Law to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement. Without limiting the foregoing, Tenant covenants that it will comply with all Laws, including but not limited to the following:

A. In connection with Section 2-92-320 of the Municipal Code, Tenant has executed an Economic Disclosure Statement and Affidavit which is attached to this Agreement as Exhibit 11 and which contains a certification as required under the Illinois Criminal Code, 720 ILCS 5/33E, and under the Illinois Municipal Code, 65 ILCS 5/8-10-1 et seq. Ineligibility under Section 2-92-320 of the Municipal Code continues for 3 years following any conviction

62

or admission of a violation of Section 2-92-320. For purposes of Section 2-92-320. when an official, agent or employee of a business entity has committed any offense under the section on behalf of such an entity and under the direction or authorization of a responsible official of the entity, the business entity is chargeable with the conduct. If, after Tenant enters into a contractual relationship with a Subcontractor, it is determined that the contractual relationship is in violation of this subsection, Tenant must immediately cease to use the Subcontractor. All Subcontracts must provide that Tenant is entitled to recover all payments made by it to the Subcontractor if before or subsequent to the beginning of the contractual relationship, the use of the Subcontractor would be violative of this subsection.

i

B. It is the duty of Tenant and all officers, directors, agents, partners, and employees of Tenant to cooperate with the Inspector General and the Legislative Inspector General of the City in any investigation or hearing undertaken under Chapter 2-56 or Chapter 2-55 of the Municipal Code, respectively. Tenant understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code. Tenant must inform all Subcontractors of this provision and require under each Subcontract compliance herewith by each Subcontractor as to each such Subcontractor and all of its officers, directors, agents, partners and employees.

C. Tenant must not use or allow the Leased Space to be used for the release, storage, use, treatment, disposal or other handling of any hazardous substance, as defined in any Environmental Law, except in full

disposal or other handling of any hazardous substance, as defined in any Environmental Laws, except in full compliance with all Environmental Laws. Tenant must not use or allow the Leased Space to be used for the storage of any such hazardous substances except small amounts of cleaning fluids, business equipment materials (such as copy machine toner) and other small amounts of such hazardous substances customarily handled or used in connection with the Concession operations, all of which must be stored and used in compliance with all applicable Environmental Laws. Upon the expiration or termination of this Agreement, Tenant must surrender the Leased Space to the City free from the presence and contamination of any hazardous substances.

D. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its Subcontractors have not violated and are not in violation of the following sections of the Municipal Code (collectively, the "Waste Sections"):

- 7-28-390 Dumping on public way-Violation-Penalty;
- 7-28-440 Dumping on real estate without permit
- 1-4-1410 Disposal in waters prohibited;
- 1-4-1420 Ballast tank, bilge tank or other discharge;
- 1-4-1450 Gas manufacturing residue;
- 1-4-1500 Treatment and disposal of solid or liquid waste;
- 1-4-1530 Compliance with rules and regulations required;
- 1-4-1550 Operational requirements;
- 1-4-1560 Screening requirements; and

63

any other sections listed in Section 11-4-1600(e). as it may be amended from time to time.

During the period while this Agreement is executory. Tenant's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an Event of Default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and Event of Default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit the Tenant's and its Subcontractors' duty to comply with all Environmental Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement and may further affect the Tenant's eligibility for future City agreements.

E. Section 2-92-586 of the Municipal Code: The City encourages Tenant to use contractors and subcontractors that are firms owned or operated by individuals with disabilities, as defined by section 2-92-586 of the Municipal Code of the City of Chicago, where not otherwise prohibited by federal or state law.

F. Prohibition on Certain Contributions (Mayoral Executive Order No. 2011 -4):

- 1. Licensee agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's Subcontractors, any

person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to the Mayor's political fund-raising committee (i) after execution of this bid, proposal or Agreement by Tenant, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

2. Tenant represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Tenant or the date the Tenant approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

3. Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to the Mayor's political fund-raising committee.

64

4. Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

5. Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any

Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

6. If Tenant violates this provision or Mayoral Executive Order No. 2011 -4 prior to award of the Agreement resulting from this specification, the Chief Procurement Officer may reject Tenant's bid.

7. For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to the Mayor's political fund-raising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the city council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- a) they are each other's sole domestic partner, responsible for each other's common welfare;
- b) neither party is married;
- c) the partners are not related by blood closer than would bar marriage in the State of Illinois;
- d) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- e) two of the following four conditions exist for the partners:
 - (i) The partners have been residing together for at least 12 months.

65

- ii) The partners have common or joint ownership of a residence.
- iii) The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
- iv) Each partner identifies the other partner as a primary beneficiary in a will.

"Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

of the Municipal Code of Chicago, as amended.

G. Tenant covenants that no payment, gratuity or offer of employment must be made in connection with this Agreement by or on behalf of any Subcontractors or higher tier Subcontractors or anyone associated with them as an inducement for the award of a Subcontract or order; and Tenant further acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 of the Municipal Code is voidable as to the City.

H. Pursuant to section 2-156-030(b) of the Municipal Code, it is illegal for any elected official of the city, or any person acting at the direction of such official, to contact, either orally or in writing, any other city official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any city council committee hearing or in any city council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of §2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement. Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest will not include: (1) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (2) the authorized compensation paid to an official or employee for his office or employment; (3) any economic benefit provided equally to all residents of the city; (4) a time or demand deposit in a financial institution; or (5) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" will not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the city.

I. Visual Rights Act.

i) The Tenant will cause any artist who creates artwork for the Leased Space to waive any and all rights in the artwork that may be granted or conferred on any work of visual art (the "Artwork") under Section 106A and Section 113 of the United States Copyright Act, (17 U.S.C. § 101 et seq.) (the "Copyright Act"). The waiver must include, but is not limited to, the right to prevent the removal, storage, relocation, reinstallation, or transfer of the Artwork. The Tenant acknowledges and will cause the artist to acknowledge that such removal, storage, relocation, reinstallation or transfer of the Artwork may result in the destruction, distortion, mutilation or other modification of the Artwork. Further, the Tenant acknowledges and consents and will cause the artist to acknowledge and consent that the Artwork may be incorporated or made part of a building or other structure in such a way that removing, storing, relocating, reinstalling or transferring the Artwork will cause the destruction, distortion, mutilation or other modification of the Artwork.

ii) The Tenant represents and warrants that it will obtain a waiver of Section 106A and Section 113 of the Copyright Act as necessary from any employees and subcontractors, or any other artists. Tenant must provide City with copies of any such waivers required by Section 106A and Section 113 of the Copyright Act prior to installation of any Artwork in the Leased Space.

10.7 Airport Security.

A. This Agreement is expressly subject to the airport security requirements of Title 49 of the United States Code, Chapter 449, as amended ("Airport Security Laws"), the provisions of which govern airport security and are

Code, Chapter 449, as amended (Airport Security Laws), the provisions of which govern airport security and are incorporated by reference, including the rules and regulations promulgated under it. Tenant is subject to, and further must conduct with respect to its Subcontractors and the respective employees of each, such employment investigations, including criminal history record checks, as the Commissioner, the TSA or the FAA may deem necessary. Further, in the event of any threat to civil aviation, as defined in the Airport Security Laws, Tenant must promptly report any information in accordance with those regulations promulgated by the United States Department of Transportation, the TSA and by the City. Tenant must, notwithstanding anything contained in this Agreement to the contrary, at no additional cost to the City, perform under this Agreement in compliance with those guidelines developed by the City, the TSA and the FAA with the objective of maximum security enhancement. The drawings, plans, and specifications provided by Tenant under this Agreement must comply with those guidelines for airport security developed by the City, the TSA and the FAA and in effect at the time of their submission.

B. Further, Tenant must comply with, and require compliance by its Subcontractors, suppliers of materials and furnishers of services, employees, and business invitees, with all present and future laws, rules, regulations, or ordinances promulgated by the City, the TSA or the FAA, or other governmental agencies to protect the security and integrity of the Airport, and to protect against access by unauthorized persons. Subject to the approval

67

of the TSA, the FAA and the Commissioner, Tenant must adopt procedures to control and limit access to the Airport and the Leased Space by Tenant and its Subcontractors, suppliers of materials and furnishers of services, employees, and business invitees in accordance with all present and future City, TSA and FAA laws, rules, regulations, and ordinances. At all times during the Term, Tenant must have in place and in operation a security program for the Leased Space that complies with all applicable laws and regulations.

C. Gates and doors located on the Leased Space, if any, that permit entry into restricted areas at the Airport must be kept locked by Tenant at all times when not in use or under Tenant's constant security surveillance. Gate or door malfunctions must be reported to the Commissioner or the Commissioner's designee without delay and must be kept under constant surveillance by Tenant until the malfunction is remedied.

D. In connection with the implementation of its security program, Tenant may receive, gain access to or otherwise obtain certain knowledge and information related to the City's overall Airport security program. Tenant acknowledges that all such knowledge and information is of a highly confidential nature. Tenant covenants that no person will be permitted to gain access to such knowledge and information, unless the person has been approved by the Commissioner in advance in writing. Tenant further must indemnify, hold harmless and defend the City and other users of the Airport from and against any and all claims, reasonable costs, reasonable expenses, damages and liabilities, including all reasonable attorney's fees and costs, resulting directly or indirectly from the breach of Tenant's covenants and agreements as set forth in this section.

E. Tenant understands that fines and/or penalties may be assessed by the TSA or FAA for Tenant's noncompliance with the provisions of 49 CFR Parts 1540 and 1542 entitled "Airport Security" or by other agencies for noncompliance with regulations applicable to Tenant's operations. In the event the City shall be subject to any fine or penalty by reason of any violation at the Airport of any such rule, regulation or standard, the Commissioner may conduct an investigation and make a determination as to the identity of the party responsible for the violation. If it is determined by the Commissioner that Tenant, or any party for which Tenant is liable under this Agreement, is responsible for all or part of the fine or penalty, the Tenant shall pay said amount of the fine or penalty as Additional Rent.

F. Except for authorized members of the Chicago Police Department and State and Federal Law Enforcement officers, no one is permitted to carry a firearm or any other weapon or enter any building, real property,

enforcement officers, no one is permitted to carry a firearm or any other weapon on or into any building, real property, or parking area under the control of O'Hare or Midway International Airports. Under 430 ILCS 66 (the "Illinois Concealed Carry Act"), a license to carry a concealed firearm does NOT entitle the licensee to carry a firearm on or into any building, real property, or parking area under the control of an airport and doing so is a violation of the Concealed Carry Act and other laws, rules, and regulations. Violation of the Illinois Concealed Carry Act and carrying a firearm or other weapons on or into any building, real property, or parking area under the control of O'Hare or Midway Airports may result in severe penalties, including but not limited to imprisonment and permanent revocation of the violator's

access to restricted areas of O'Hare and Midway International Airports. 10.8 Non-

Discrimination.

A. Tenant for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration of this Agreement, covenants that: (i) no person on the grounds of race, color, or national origin will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in the use of the Leased Space; (ii) in the construction of any Improvements on, over, or under the Leased Space and the furnishing of services in them, no person on the grounds of race, color, or national origin will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination; (iii) Tenant will use the Leased Space in compliance with all other requirements imposed by or under 49 C.F.R. Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as those regulations may be amended; and (iv) Tenant shall operate the Concession on a fair, equal, and not illegally discriminatory basis to all users of it, and shall charge fair, reasonable, and nondiscriminatory prices for Products (but Tenant is allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.) In addition, Tenant assures that it will comply with all other pertinent statutes, Executive Orders and the rules as are promulgated to assure that no person will, on the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from participating in any activity conducted with or benefitting from federal assistance.

B. It is an unlawful practice for Tenant to, and Tenant must at no time: (i) fail or refuse to hire, or discharge, any individual or discriminate against the individual with respect to his or her compensation, or the terms, conditions, or privileges of his or her employment, because of the individual's race, creed, color, religion, sex, age, handicap or national origin; or (ii) limit, segregate, or classify its employees or applicants for employment in any way that would deprive any individual of employment opportunities or otherwise adversely affect his or her status as an employee, because of the individual's race, creed, color, religion, sex, age, handicap or national origin; or (iii) in the exercise of the privileges granted in this Agreement, discriminate or permit discrimination in any manner, including the use of the Leased Space, against any person or group of persons because of race, creed, color, religion, national origin, age, handicap, sex or ancestry. Tenant must post in conspicuous places to which its employees or applicants for employment have access, notices setting forth the provisions of this nondiscrimination clause.

C. Tenant must comply with the Civil Rights Act of 1964, 42 U.S.C. § 2000e et seq. (1981), as amended, and to the extent required by the law, must undertake, implement and operate an affirmative action program in compliance with the rules and regulations of the Federal Equal Employment Opportunity Commission and the Office of Federal Contract Compliance, including 14 CFR Part 152, Subpart E. Attention is called to: Exec. Order No. 11,246, 30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C. § 2000e note, as amended by Exec. Order No. 11,375, 32 Fed. Reg. 14,303 (1967) and by Exec. Order No. 12,086, 43 Fed. Reg.

46,501 (1978); Age Discrimination Act, 42 U.S.C. §§ 6101-06 (1981); Rehabilitation Act of 1973, 29 U.S.C. §§ 793-94 (1981); Americans with Disabilities Act, 42 U.S.C. § 12101 and 41 CFR Part 60 et seq (1990) and 49 CFR Part 21, as amended (the "ADA"); and all other applicable federal statutes, regulations and other laws.

D. Tenant must comply with the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. as amended and any rules and regulations promulgated in accordance with it, including the Equal Employment Opportunity Clause, 5 III. Admin. Code §750 Appendix A. Furthermore, Tenant must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq., as amended, and all other applicable state statutes, regulations and other laws.

E. Tenant must comply with the Chicago Human Rights Ordinance, sec. 2-160-010 et seq. of the Municipal Code, as amended, and all other applicable City ordinances and rules. Further, Tenant must furnish or must cause each of its Subcontractors) to furnish such reports and information as requested by the Chicago Commission on Human Relations.

F. The Tenant agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. If the Tenant transfers its obligation to another, the transferee is obligated in the same manner as the Tenant.

This provision obligates the Tenant for the period during which the property is owned, used or possessed by the Tenant and the airport remains obligated to the Federal Aviation Administration. This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

G. During the performance of this contract, the Tenant, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor"), agrees as follows:

1. Compliance with Regulations: The Contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
2. Nondiscrimination: The Contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.
3. Solicitations for Subcontracts, including Procurements of Materials and Equipment:

In all solicitations, either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Contractor of the contractor's obligations under this contract and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.

Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.

4. Information and Reports: The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the Contractor will so certify to the sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance: In the event of a Contractor's noncompliance with the non-discrimination provisions of this contract, the sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

- a. Withholding payments to the Contractor under the contract until the Contractor complies; and/or
- b. Cancelling, terminating, or suspending a contract, in whole or in part.

6. Incorporation of Provisions: The Contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The Contractor will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Contractor may request the sponsor to enter into any litigation to protect the interests of the sponsor. In addition, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

H. The Tenant for himself/herself, his/her heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin,

will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the Tenant will use the premises in compliance with all other requirements imposed by or pursuant to the List of discrimination Acts And Authorities.

With respect to Tenant, in the event of breach of any of the above nondiscrimination covenants, the City will have the right to terminate the Agreement and to enter or re-enter and repossess said land and the facilities thereon, and hold

the same as it said Agreement had never been made or issued.

I. During the performance of this contract, the Tenant, for itself, its assignees, and successors in interest agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC § 2000d et seq., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination in Federally-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 USC § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973 (29 USC § 794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended (42 USC § 6101 et seq.) (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982 (49 USC § 471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987 (PL 100-209) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §§ 12131 - 12189) as implemented by U.S. Department of Transportation regulations at 49 CFR parts 37 and 38;

- The Federal Aviation Administration's Nondiscrimination statute (49 USC § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and

resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC 1681 et seq).

J. Tenant must insert these non-discrimination provisions in any agreement by which Tenant grants a right or privilege to any person, firm, or corporation to render accommodations and/or services to the public on the Leased Space. Tenant must incorporate all of the above provisions in all agreements entered into with any subtenants, suppliers of materials, furnishers of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services, in connection with this Agreement, and Tenant must require them to comply with the law and enforce the requirements. In all solicitations either by competitive bidding or negotiations by Tenant for work to be performed under a Subcontract, including procurements of materials or leases of equipment, each potential Subcontractor or supplier must be notified by Tenant of the Tenant's obligations under this Agreement relative to nondiscrimination.

K. Noncompliance with this Section will constitute a material breach of this Agreement; therefore, in the event of such breach, Tenant authorizes the City to take such action as federal, state or local laws permit to enforce compliance, including judicial enforcement. In the event of Tenant's noncompliance with the nondiscrimination provisions of this Agreement, the City may impose such sanctions as it or the Federal or state government may determine to be reasonably appropriate, including cancellation, termination or suspension of the Agreement, in whole or in part.

L. Tenant must permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the City, the Commissioner or the federal government to be pertinent to ascertain compliance with the terms of this Section. Tenant must furnish to any agency of the Federal or state government or the City, as required, any and all documents, reports and records required by Title 14, Code of Federal Regulations,

Part 152, Subpart E, including an affirmative action plan and Form EEO-1.

M. The City is committed to compliance with federal Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency ("LEP"), and related FAA guidance. Tenant must cooperate with the City, and require its Subcontractors to cooperate, in updating and implementing the LEP access plan. This may include but is not limited to collecting demographic data and conducting surveys of LEP customers, providing multilingual signage and menus, and hiring multilingual staff.

9 Airport Concession Disadvantaged Business Enterprises (ACDBEs). This Agreement is subject to the requirements of the U.S. Department of Transportation's regulations 49 C.F.R. Parts 26 and 23, as amended from time to time. Tenant must comply with the Special Conditions Regarding ACDBE participation attached hereto as Exhibit 8 and incorporated here by reference. Failure to comply with such Special Conditions shall be an Event of Default.

10 No Exclusive Rights. Nothing contained in this Agreement must be construed to grant or authorize the granting of an exclusive right, including an exclusive right to provide aeronautical services to the public as prohibited by section 308(a) of the Federal Aviation Act of 1958, as amended, and the City reserves the right to grant to others the privilege and right of conducting any one or all activities of an aeronautical nature. It is clearly understood by Tenant that no right or privilege has been granted that would operate to prevent any person, firm, or corporation operating aircraft on the Airport from providing aeronautical services to the public.

the Airport from performing any services on its own aircraft with its own regular employees (including maintenance and repair) that it may choose to perform.

11 Airport Landing Area. The City reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of

Tenant, and without interference or hindrance. The City reserves the right, but is not obligated to Tenant, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of Tenant in this regard.

12 No Obstructions. Tenant must comply with applicable notification and review requirements covered in Part 77 of the Federal Aviation Regulations if any future structure or building is planned for the Leased Space, or in the event of any planned modification or alteration of any present or future building or structure situated on the Leased Space. Tenant, by accepting the Lease, expressly agrees for itself, its successors and assigns that it will not erect nor permit the erection of any structure or object nor permit the growth of any tree on the Leased Space above the applicable mean sea level elevation set forth in Part 77 of the Federal Aviation Regulations. If these covenants are breached, the City serves the right to enter upon the Leased Space and to remove the offending structure or object and/or cut down the offending tree, all of which will be at the expense of Tenant.

74

13 Avigation Easement. There is reserved to the City, its successors and assigns for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the Leased Space. This public right of flight includes the right to cause in the airspace any noise inherent in the operation of any aircraft used for navigation or flight through the airspace or landing at, taking off from, or operation on the Airport. Tenant by accepting this Lease agrees for itself, its successors, and assigns that it will not make use of the Leased Space in any manner that might interfere with the landing and taking off of aircraft from Airport or otherwise constitute a hazard. If this covenant is breached, the City reserves the right to enter upon the Leased Space and cause the abatement of the interference at the expense of Tenant.

14 National Emergency. This Agreement and all the provisions of this Agreement are subject to whatever right the United States government now has or in the future may have or acquire affecting the control, operation, regulation, and taking over of the Airport, or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

15 **2014 Hiring Prohibitions.**

A) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

B) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire an individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel of Tenant in connection with this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Contract is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any

personnel or tenant.

C) Tenant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel associated with this Lease, or offer employment to any individual to provide services associated with this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

75

(D) In the event of any communication to Tenant by a City employee or City official in violation of Section 15.5 (b) above, or advocating a violation of Section 15.5(c) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the Commissioner of the Department.

ARTICLE 11 GENERAL CONDITIONS

1 Entire Agreement. This Agreement contains all the terms, covenants, conditions and agreements between the City and Tenant relating in any manner to the use and occupancy of the Leased Space and otherwise to the subject matter of this Agreement. No prior or other agreement or understandings pertaining to these matters are valid or of any force and effect. This Agreement supersedes all prior or contemporaneous negotiations, undertakings, and agreements between the parties. No representations, inducements, understandings or anything of any nature whatsoever made, stated or represented by the City or anyone acting for or on the City's behalf, either orally or in writing, have induced Tenant to enter into this Agreement, and Tenant acknowledges, represents and warrants that Tenant has entered into this Agreement under and by virtue of Tenant's own independent investigation.

2 Counterparts. This Agreement may be comprised of several identical counterparts and may be fully executed by the parties in separate counterparts. Each such counterpart is deemed to be an original, but all such counterparts together must constitute but one and the same Agreement.

3 Amendments. Except as otherwise expressly provided in this Agreement, the provisions of this Agreement may be amended only by a written agreement signed by the City and Tenant. No review or approval by the Commissioner, including approval of Construction Documents, constitutes a modification of this Agreement (except to the extent that the review or approval expressly provides that it constitutes such a modification or it is apparent on its face that the review or approval, if made in writing, modifies terms or provisions of this Agreement that are within the express powers of the Commissioner under this Agreement to modify), nor excuse Tenant from compliance with the requirements of this Agreement or of any applicable laws, ordinances or regulations. Amendments must be signed by the Mayor, provided that the Commissioner alone may sign amendments to the Exhibits. Notwithstanding the foregoing, any amendment that would modify the Agreement such that the Agreement would no longer substantially conform to the form of Agreement that was approved by City Council requires approval by the City Council.

4 Severability. Whenever possible, each provision of this Agreement must be interpreted in such a manner as to be effective and valid under applicable law. However, notwithstanding anything contained in this Agreement to the contrary, if any provision of this Agreement is under any circumstance prohibited by or invalid under applicable law, the

provision is severable and deemed to be ineffective, only to the extent of the prohibition or invalidity, without invalidating the remaining provisions of this Agreement or the validity of

76

the provision in other circumstances.

5 Covenants in Subcontracts. All obligations imposed on Tenant under this Agreement pertaining to the maintenance and operation of the Leased Space and compliance with the ACDBE requirements in this Agreement are deemed to include a covenant by Tenant to insert appropriate provisions in all Subcontracts covering work under this Agreement and to enforce compliance of all Subcontractors with the requirements of those provisions.

6 Governing Law. This agreement is deemed made in the state of Illinois and governed as to performance and interpretation in accordance with the laws of Illinois. Tenant irrevocably submits itself to the original jurisdiction of those courts located within Cook County, Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. Tenant consents to service of process on Tenant, at the option of the City, by registered or certified mail addressed to the applicable office as provided for in this Agreement, by registered or certified mail addressed to the office actually maintained by Tenant, or by personal delivery on any officer, director, or managing or general agent of Tenant. If any action is brought by Tenant against the City concerning this Agreement, the action can only be brought in those courts located within Cook County, Illinois.

7 Notices. Any notices or other communications pertaining to this Agreement must be in writing and are deemed to have been given by a party if sent by nationally recognized commercial overnight courier or registered or certified mail, return receipt requested, postage prepaid and addressed to the other party. Notices are deemed given on the date of receipt if by personal service, or one day after deposit with a nationally recognized commercial overnight courier, 3 days after deposit in the U.S. mails, or otherwise upon refusal of receipt. Unless otherwise directed by Tenant in writing, all notices or communications from City to Tenant will <http://will>. be <http://be> addressed to the person identified as the Tenant's contact person in the Tenant's Economic Disclosure Statement and Affidavit, as attached as Exhibit 11. All notices or communications from Tenant to the City must be addressed to:

Commissioner, Chicago Department of Aviation City of Chicago O'Hare
International Airport 10510 W. Zemke Rd Chicago, Illinois 60666

Marshall Retail Group
3755 W. Sunset Road, Suite A
Las Vegas, NV 89118

and with a copy to: Deputy Commissioner of Concessions at the same address.

77

If the notice or communication relates to payment of Rent or other payments to the City or relates to the Security deposit or insurance requirements, a copy must be sent to:

City Comptroller City of Chicago City Hall - Room 501
121 N. LaSalle Street Chicago, Illinois 60602

Marshall Retail Group
3755 W. Sunset Road, Suite A
Las Vegas, NV89118

If the notice or communication relates to a legal matter or the indemnification requirements, a copy must be sent to:

City of Chicago, Department of Law
Aviation, Environmental, Regulatory and Contracts Division
2 North LaSalle Street, Suite 540
Chicago, Illinois 60602
Attn: Deputy Corporation Counsel

Marshall Retail Group
3755 W. Sunset Road, Suite A
Las Vegas, NV89118

Either party may change its address or the individual to whom the notices are to be given by a notice given to the other party in the manner set forth above.

11.8 Successors and Assigns; No Third-Party Beneficiaries. This Agreement inures to the exclusive benefit of, and be binding upon, the parties and their permitted successors and assigns; nothing contained in this Section, however, constitutes approval of an assignment or other transfer by Tenant not otherwise permitted in this Agreement. Nothing in this Agreement, express or implied, is intended to confer on any other person, sole proprietorship, partnership, corporation, trust or other entity, other than the parties and their successors and assigns, any right, remedy, obligation, or liability under, or by reason of, this Agreement unless otherwise expressly agreed to by the parties in writing. No benefits, payments or considerations received by Tenant for the performance of services associated and pertinent to this Agreement must accrue, directly or indirectly, to any employees, elected or appointed officers or representatives, or to any other person or persons identified as agents of, or who are by definition an employee of, the City. Neither this Agreement nor any rights or privileges under this Agreement are an asset of Tenant or any third party claiming by or through Tenant or otherwise, in any bankruptcy, insolvency or reorganization proceeding.

78

11.9 Subordination

A. This Agreement is subordinate to the provisions and requirements of any existing or future agreements between the City and the United States government or other governmental authority, pertaining to the development, operation or maintenance of the Airport, including agreements the execution of which have been Or will be required as a condition precedent to the granting of federal or other governmental funds for the development of the Airport. If the United States government requires modifications, revisions, supplements or deletions of any of the terms of this

Agreement, then Tenant consents to the changes to this Agreement.

B. This Agreement and all rights granted to Tenant under this Agreement are expressly subordinated and subject to any existing agreement or any Use Agreement with any airline utilizing the Airport, including the Terminals, and any existing agreement with any airline consortium pertaining to the operation of the Airport, including the Terminals.

C. To the extent of a conflict or inconsistency between this Agreement and any agreement described in paragraphs A. and B. above, those provisions in this Agreement so conflicting must be performed as required by those agreements referred to in paragraphs A. and B.

10 Conflict. In the event of any conflict between the terms and provisions of this Agreement and the terms and provisions of any sublease or Subcontract between Tenant and third parties, the terms and provisions of this Agreement govern and control.

11 Offset by Tenant. Whenever in this Agreement the City is obligated to pay Tenant an amount, then the City Comptroller may elect to require Tenant to offset the amount due against Rent or other payments owed by Tenant to the City, in lieu of requiring the City to pay such amount. Tenant shall have no right to offset any amount due to City under this Agreement against amounts due to Tenant by City unless so directed in writing by the City Comptroller.

12 Waiver; Remedies. No delay or forbearance on the part of any party in exercising any right, power or privilege must operate as a waiver of it, nor does any waiver of any right, power or privilege operate as a waiver of any other right, power or privilege, nor does any single or partial exercise of any right, power or privilege preclude any other or further exercise of it or of any other right, power or privilege. No waiver is effective unless made in writing and executed by the party to be bound by it. The rights and remedies provided for in this Agreement are cumulative and are not exclusive of any rights or remedies that the parties otherwise may have at law, in equity or both, except that the City will not be liable to Tenant for any consequential damages whatsoever related to this Agreement.

13 Authority of Commissioner. Unless otherwise expressly stated in this Agreement, any consents and approvals to be given by the City under this Agreement may be

79

made and given by the Commissioner or by such other person as may be duly authorized by the City Council, unless the context clearly indicates otherwise.

14 Estoppel Certificate. From time to time upon not less than 15 days prior request by the other party, a party or its duly authorized representative having knowledge of the following facts, will execute and deliver to the requesting party a statement in writing certifying as to matters concerning the status of this Agreement and the parties' performance under this Agreement, including the following:

A. that this Agreement is unmodified and in full force and effect (or if there have been modifications, a description of the modifications and that the Agreement as modified is in full force and effect);

B. the dates to which Rent, including Additional Rent, have been paid and the amounts of the Rent most recently paid;

C. that the requesting party is not in default under any provision of this Agreement, or, if in default, the

nature of it in detail;

D. that, to its knowledge, the requesting party has completed all required improvements in accordance with the terms of this Agreement, and Tenant is in occupancy and paying Rent on a current basis with no offsets or claims; and

E. in the case of the City's request under this Agreement, such further matters as may be requested by the City, it being intended that any such statement may be relied upon by third parties.

15 No Personal Liability. Tenant, or any subtenant, sublicensee, assignee or Subcontractor, must not charge any elected or appointed official, agent, or employee of the City personally or seek to hold him or her personally or contractually liable to Tenant, subtenant, sublicensee, assignee, or Subcontractor for any liability or expenses of defense under any provision of this Agreement or because of any breach of its provisions or because of his or her execution, approval, or attempted execution of this Agreement.

16 Limitation of City's Liability. Tenant, its subtenants and Subcontractors must make no claims against the City for damages, charges, additional costs or fees or any lost profits or costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement. All Tenant, subtenant, and Subcontractor personal property upon the Leased Space or upon any other part of the Airport, is at the risk of Tenant, subtenant, or Subcontractor respectively only; and the City is not liable for any loss or damage to it or theft of it or from it. The City is not liable or responsible to Tenant, its subtenants or Subcontractors, and Tenant waives, and will cause its subtenants and Subcontractors likewise to waive, to the fullest extent permitted by law, all claims against the City for any loss or damage or inconvenience to any property or person or any lost profits any or all of which may have been occasioned by or arisen out of any event or circumstance, including theft, fire, act of God, public enemy, injunction, riot, strike, insurrection, war, court order, requisition or order

of governmental body or authority, or water leakage, steam, excessive heat or cold, falling plaster, or broken glass; or any act or neglect of the City or any occupants of the Airport, including the Terminals or the Leased Space, or repair or of this Agreement that the City is required to perform and, notwithstanding the foregoing, Tenant recovers a money judgment against the City, the judgment must be satisfied only out of credit against the Rent and alteration of any part of the Airport, or failure to make any such repairs or any other thing or circumstance, whether of a like nature or a wholly different nature. If the City fails to perform any covenant or condition other monies payable by Tenant to the City under this Agreement, and the City is not liable for any deficiency except to the extent provided in this Agreement and to the extent that there are legally available Airport funds.

17 Joint and Several Liability. If Tenant, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then in that event, each and every obligation or undertaking stated in this Agreement to be fulfilled or performed by Tenant is the joint and several obligation or undertaking of each such individual or other legal entity.

18 Non-Recordation. Tenant must not record or perm it to be recorded on its behalf this Agreement or a memorandum of this Agreement, in any public office.

19 Survival. Any and all provisions set forth in this Agreement that, by its or their nature, would reasonably be expected to be performed after the expiration or termination of this Agreement survive and are enforceable after the expiration or termination. Any and all liabilities, actual or contingent, that have arisen in connection with this Agreement, survive any expiration or termination of this Agreement. Any express statement of survival contained in any section must not be construed to affect the survival of any other section, which must be determined under this section.

11.20 Force Majeure. Neither party is liable for non-performance of obligations under

this Agreement due to delays or interruptions beyond their reasonable control, including delays or interruptions caused by strikes, lockouts, labor troubles, war, fire or other casualty, acts of God ("force majeure event"). As a condition to obtaining an extension of the period to perform its obligations under this Agreement, the party seeking such extension due to a force majeure event must notify the other party within 20 days after the occurrence of the force majeure event. The notice must specify the nature of the delay or interruption and the period of time contemplated or necessary for performance. The foregoing notwithstanding, however, in no event will Tenant be entitled to an extension of more than 60 days due to a force majeure event, without the express written consent of the Commissioner.

81

EXHIBIT 1 LEASED SPACE

(INCLUDING CONFIRMATION OF DBO AND ACTUAL IMPROVEMENT COSTS)

The Leased Space is located at ORD and consists of three locations with a total of approximately 3,365 square feet of Retail Space as further depicted in the lease outline drawings attached hereto and not more than 700 square feet of Storage Space.

The Date of Beneficial Occupancy is: TBD

83

***** n 1- fMifil

EXHIBIT 2 RENT

Base Rent: The annual Base Rent equals \$50 per square foot of Leased Space and shall be increased 3.0% annually as of January 1st of each calendar year during the Term. For purposes of determining Base Rent, Leased Space includes Retail Space and Storage Space.

Percentage Fee: The Percentage Fee shall be due and paid monthly as per the terms of the Agreement.

Percentage Fee Rate: The Percentage Fee Rate shall be equal to:

	Chi Boys	\$0 - \$1,400,000	11.0%
	Over \$1,400,000	13.0%	
Boulevard & Branch	\$0 - \$1,600,000	11.0%	
	Over \$1,600,000	13.0%	
	InMotion	\$0 - \$1,400,000	11.0%
	Over \$1,400,000	13.0%	
Six Points Market	All Sales	14.0%	

Minimum Annual Guarantee. There is no "Minimum Annual Guarantee (MAG)" or "MAG" for the first and second Lease Year of the Term. The Minimum Annual Guarantee will be established beginning in third Lease Year of the Term at an amount equal to 85% of the Percentage Fee payable for the second Lease Year. In each subsequent Lease Year of the Term, the MAG will equal 85% of the Percentage Fee calculated for the prior Lease Year but will never be less than the MAG established in the third Lease Year. In the event the Leased Space is comprised of two or more distinct Retail Spaces that are opening for Concession operations on different dates, then the MAG payable for the entire Agreement will be apportioned among the various Retail Spaces based on actual annualized Gross Revenue, projected Gross Revenues or another reasonable method mutually agreed upon by both parties. The MAG for each Retail Space shall become payable upon its DBO, prorated for any partial year. Upon the DBO of the final Retail Space, the entire MAG shall be payable, prorated for any partial year.

Ladies and gentlemen, the Captain has turned on the fasten
.. ..

seated sign

- we are going to take you on a ride through the Windy City!

C

Chicago is magical, unlike any place in the world. It is one of the most beautiful cities in America, and Chicagoans are proud to be a part of it. One of the many things that makes this city unique is its collection of thriving neighborhoods, intersecting cultures, and welcoming communities, each with its own vibe, sense of place, and appeal.

This diverse and dynamic multi-cultural city is also renowned for its rich history, vibrant mix of global influences, and some of the world's most interesting, influential, and identifiable architecture. Art can be found in almost every neighborhood and the galleries and museums are among the best in the world. As a major center for music in the Midwest, some of the best music and artists have originated in Chicago. We invite you to explore, eat, drink, and laugh like a Chicagoan. Make your own discoveries and fall in love with the character and charm of this special city.

CONCEPTS REFLECTIVE OF CHICAGO

Our concept offerings reflect an unparalleled sense of place that tells the story of Chicago neighborhoods through locally sourced goods and internationally recognized brands within our proposed concepts. Travelers will find a "best of" variety for each category in our news and gift and specialty assortments, along with local businesses showcasing their creations that foster creativity, conversation, and convenience, and a sense of place that captures the character and spirit of Chicago.

With the introduction of our one-of-a-kind local concepts created especially for PRD: ChiBoys, BLVD & Branch combined with the industry leading, international award-winning tech brand, InMotion, and Six Points Market partnering with local roasters Metropolis Coffee Company - we believe these concepts will generate the highest and best revenues throughout the term of the contract. We continuously distinguish ourselves from our competitors by consistently exceeding our customer's expectations.

CELEBRATING THE NEIGHBORHOODS OF CHICAGO

Travelers like retail offerings to represent the cities and neighborhoods they visit. Each of our unique concepts represents the authenticity of the neighborhoods in Chicago. This thoughtful and creative positioning of our stores will increase the customers' desire to see more and enjoy more within the airport. Whether it's catering to the demands of the business traveler or creating a relaxed shopping environment for the leisure traveler, our custom-developed and inviting commercial

90

spaces will capture their attention, enhance their experience, and create better opportunities for them to make a purchase. Our goal is to elevate the travelers' journey the moment they enter Chicago O'Hare International Airport, where they will experience the sights, sounds, and flavors that make Chicago so unique and highly desirable.

Now please prepare for landing, and Welcome to Chicago!

The Marshall Retail Group, LLC

C

hiBoys, is a local Black-owned clothing brand that is offered at a pop-up shop located in Wicker Park - one of the city's hippest and most eclectic neighborhoods, as well as a t-shirt truck that visits Chicago festivals and an online store. This brand was built on passion, strength, and belief that 'We Are One'; meaning, togetherness, unity and diversity.

Native Chicagoan, designer, and entrepreneur, DeShawn Murry, opened his heart to the city he calls home when he created the concept ChiBoys - a brand that tells the story of the city through stylish and innovative fashion that appeals to all ages, races, ethnicities, gender, and sexuality. ChiBoys is a chic Chicago-inspired clothing line that focuses on the city's History, Architecture, and Culture.

HISTORY: ChiBoys expresses the soul of Chicago by exploring its lineage, structure, and the pulse of the city. Chicago is a city with a history of pleasure, hardship, and prosperity. The roots tell a story that many Chicagoans today are proud of, and DeShawn's clothing line artistically tells that story through each design. He loves the idea that ChiBoys embraces that Chicago neighborhood feeling.

ARCHITECTURE: Chicago is ALL about its neighborhoods because each is SO different, special, and vibrant. Each neighborhood brags on its unique style and flavor, yet every single one is distinctly Chicago. ChiBoys fuses an innovative style with recognizable lines and shapes of Chicago's skeleton. The beat of this city is powered by a united collaboration of difference.

CULTURE: The brand was created to highlight the diversity of Chicago, to bring communities together, and designed so locals could wear proudly. DeShawn loves the idea of emphasizing community and togetherness, which is why he created the one star design called 'We Are One Star.' The meaning behind it is to take every person, no matter their neighborhood, race, sex, or beliefs, and put them under one star because, at the end of the day, we are all one. The slogan and design are meant to symbolize unity within the city and are the perfect representation of the brand's mission.

INCREDIBLE SOUND. DESIGNED FOR YOU.

As customers' lives have become increasingly intertwined with the digital world, we have designed ChiBoys to create excitement and conversation by combining the Chicago-inspired fashion line with the finest cutting-edge and diverse premium electronics. From noise-canceling headphones, wireless headphones, true wireless earphones, to a wide array of fashion tech accessories for the modern traveler's lifestyle, we are reshaping the retail experience by combining the two largest industries in the world, fashion with technology.

The Marshall Retail Group, LLC

INMOTION

or this Terminal 5 opportunity, we are proud to present the awarding-winning, tech-forward, cutting-edge and largest airport-based electronics retailer in the country, InMotion. We are the undisputed retail leader in airport electronics and the traveler's top destination for electronics on the go.

InMotion has received countless industry awards and was the winner of the "Best Concessions Award, Highest Regard for Customer Service for Large Retailers" for five consecutive years by Airport Experience News (AXN). And for seven years in a row, InMotion is the only airport retailer to appear on Dealerscope's Top 101 Consumer Electronics Retailer List.

By delivering this award-winning concept with first-class customer service, InMotion has cemented its position as the traveler's airport technology retailer of choice. We operate over 120 stores across 43 airports in North America and are dedicated to understanding the traveler's need to stay connected and their continued desire to experience something new. How do we accomplish that? By bringing InMotion 2.0 to the Terminal. InMotion 2.0 presents a new creative store designed to bring an interactive and innovative digital experience along with expanding on the product offering to intrigue the travelers of T5.

The world of airport retail will become the way customers shop in the future. We know this and we are continuously seeking ways to transform an average shopping visit into a locally engaging and immersive experience.

! Start your journey with InMotion.

average. Specialty Retail, Travel Essentials Concessions

107

Creating a World-Class

GUEST I EXPERIENCE

InMotion is designed to create an innovative environment and an exceptional in-store experience that excites customers with its modern architectural design, aesthetic, and unifying customer touchpoints. We know that engaging digital experiences help consumers understand how technology can impact their lives. !

For the ease and convenience of travelers, our stores are designed to create excitement and conversation by showcasing exciting lifestyle brands' products and dynamic displays of exclusive and trusted global brands, including Apple, Beats, Bose, JBL, and Sony. The unparalleled wide and varied product range ensures we appeal to all travelers. Something for everyone can be found within each store including noise canceling headphones, wireless headphones, true wireless earphones, chargers, portable speakers, tablets, digital action cameras, fitness and wellness products, laptop bags, fashion tech accessories, business telecommuting products, portable power, and a wide array of mobile accessories.

InMotion's stores are equally designed to create an innovative and inviting environment. Merchandise is well lit and easily identified, and contemporary graphic headers guide customers to display categories. The consumers were in mind when designing our demonstration counters as products are presented on suede-lined trays with digital screens

108

detailing product features. These hands-on displays encourage people to explore and test the latest electronic products and stimulate interaction with our team.

The Marshall Retail Group, LLC

OUR TEAM HAS MORE THAN TRAINING,
EXPERIENCE, AND COURTESY.
THEY HAVE PASSION.

Passion for sharing what they know about the latest technology products, Passion for helping people who are unsure about their buying options, Passion to succeed! InMotion considers our team members as stakeholders in the success of the business. We motivate, engage, and reward our people, and it shows every day in their care of our customers. Our talented team enjoys working in a dynamic, high energy environment that challenges their skills while rewarding their performance.

OPERATIONAL EXCELLENCE

One of InMotion's key goals is to ensure that the products that customers most need and desire are always in stock. We even have a program that allows customers to reserve items and pick-up nationwide at any of our airport store locations. Every aspect of our operation, from sales team training and to realtime inventory replenishment, has an efficiently managed system to guarantee the best possible customer experience.

It is important to continually evolve and improve to respond to the changing needs of the airport customer. For example, our sales team is now able to utilize a new portable tablet-based system that enables purchase transactions to be completed anywhere in the store. This allows the sales team to provide a greater level of customer service, significantly increases the speed and efficiency of each transaction, and ultimately leads to an enhanced shopping experience. \

Through its award-winning sales and customer service training program, together with the next generation InMotion 2.0 store concept design and expansive and unique product offering, InMotion continues[^] reinvent and redefine the airport electronics shopping experience.

We are excited to present BLVD & Branch, an original, locally focused concept that celebrates the beauty of connecting communities through merchandise created and produced by neighborhood makers throughout Chicagoland, with a strong focus on minority- and female-owned businesses. In creating the name, we pay homage to the beautiful Boulevards dotting Chicago's unique neighborhoods, and the Branches of Chicago's very own "L" public transit system.

branches of Chicago's very own L public transit system.

This local concept conveys a timeless charm with a modern appeal that will bring people together in a welcoming atmosphere, making it the perfect fit for the new expansion area of Terminal 5, which will serve a combination of both domestic and international passengers. BLVD & Branch is an interactive one-stop shopping experience that celebrates local makers and embodies the heart of the community. It showcases local curations paired with national brands and offers something for people of all ages that represent the diverse culture, sense of community, and unique beauty of Chicago; a true FIRST for ORD. BLVD & Branch promises to offer travelers an experience that is all at once immersive, engaging, memorable, and above all, not to be missed.

The brands and products available at BLVD & Branch will be selectively curated and developed to create the world-class shopping experience that travelers expect to encounter in Chicago. We will partner with local artisanal communities to connect customers to an authentic shopping experience. In research for this project, our development team along with our local partners hit the streets of Chicago to engage with residents, travelers, and those who conduct daily business in the city to understand better how we can bring this destination concept to life through experience and products. Our neighborhood tours, took us from Pilsen to Wicker Park, from Hyde Park to the Loop. We were excited as our local partners showed us what is truly unique about Chicago's neighborhoods and their vision for the type of merchandise

116

that could be featured within BLVD & Branch.

MALL BUSINESSES BENEFIT THE LOCAL COMMUNITY

Small businesses contribute to local economies by bringing growth and innovation to the community while providing employment opportunities. Unfortunately, the global crisis caused by the Covid-19 pandemic left many small businesses financially fragile. Our mission is to give local small businesses, especially those operated by minorities and women, a unique opportunity to showcase their products in front of millions of people traveling through ORD T5. By introducing local brands at our BLVD & Branch concept and supporting and promoting an array of artists and artisans, we can positively impact the Chicago community continuously throughout the term of the lease. It will be our goal to offer goods from as many of the 77 Chicago communities as possible.

7'

ChiBoys is a clothing line that tells Chicago's story through stylish and innovative fashions. This line was created to fill a void in representing the city through fashion while avoiding typical sports apparel. ChiBoys expresses the soul of the city by exploring its lineage, structure, and its pulse. The roots tell a story that many Chicagoans today are proud of; this clothing line artistically tells that story through each design.

REP CHI: It began with a pinback button press and turned into a full-time custom and original screen-printing shop. After years of street festivals and even longer to save up for a storefront, REP CHI calls the Northwest Corridor home. From Civic pride apparel, handmade gifts, recycled wares, artwork, and other unique, non-touristy Chicago items, REP CHI has it covered!

Other unique, non-touristy Chicago items, RFP City has it covered:
Chicago Candle Co.

Chicago Candle Co. is a small, family-owned business based in Chicago. Entrepreneurs Sara and Fernando Velarde launched the company in 2013 out of their home and 8 years later, their small business has become something much, much larger and they couldn't be prouder. They hand-pour vegan soy wax into cut and polished upcycled bottles. This includes bottles recycled from local shops and cafes in the Chicago-land area! Every candle is hand-crafted and made right here in Chicago!

Lettering Works creates memorable brands for artists and creative businesses by helping them embrace the intersection of art and strategy. Founded in 2016, Lettering Works is the result of an artist's hopes to turn her love of hand lettering into a full-time career. In our five years in business, Lettering Works has grown to encompass so much more.

FRANGO.

Frango Mint Chocolates: Beloved by millions for nearly a century, Frango is a one-of-a-kind treat to commemorate any occasion, from the everyday to the extraordinary. All Frango recipes remain closely guarded secrets

- and each chocolate is lovingly and meticulously crafted. Ahead of its time as a premium chocolate, Frango continues to occupy a treasured place as one of America's best-loved confections. While Frango is recognized throughout the world, their hometown and their hearts are here in Chicago.

y building partnerships with local vendors and creating programs reflective of the regions they serve, airports are redefining the passenger's air travel experience. Travelers are drawn to local products and are attracted to concessions unique to the city they are visiting, like BLVD & Branch.

At MRG, we recognize the importance of giving our travelers an unrivaled shopping experience that makes us stand out from our competition. By offering such a unique concept, we provide a platform where travelers will discover a wide range of top-quality products, local gifts, unexpected finds, and stellar customer service all under one roof.

MARKETING PLAN

& Conceptual Designs

■ MARKETING

We are excited to partner with local artisans and brands that will feature Hype Tables exhibitions strategically placed throughout our retail spaces. These local partnerships allow us to collaborate and promote the artisan and their products through storytelling. This innovative marketing concept directive invites the customer to sample and or taste the products. Through our analytics, we know that we obtain a 20% increase in sales when in-store events occur. Installations run from 4 to 8 weeks long depending upon performance and relevance.

■ PROMOTIONS

MRG offers regular instore promotions within our travel convenience locations for our guests to enjoy from Meal Deals to Buy One Get One 50% Off Beverages to discounts on sweet & salty bagged snacks to receiving a gift with purchase.

InMotion's guests will appreciate several instore marketing campaigns throughout the year offering discounts on some of their favorite must have digital items from brands like Beats and Bose.

All year long, InMotion offers bundles that guests are sure to appreciate.

A

h lie Midwest's largest City. Chicago ii built on a strong sense of community pride. More importantly, Chicagoans fov« (heir City and take pride in the flag's unique design - two bars and four stars that represent their tight-knit community and rich history!

Designed by Wallace Rice and adopted by the city council in 1917, the municipal flag of Chicago is a simple yet striking symbol that Chicagoans have adored throughout the years. At the time of its creation, the six- pointed stars could only be found on. this flag-a testament to Rice's desire to fashion a sew icon that was worthy of representing his City. Today, Chicago's flag is arguably the best-known and most recognizable flag in the United States and has been proudly representing the Wind;- City for over 100 years.

Taking inspiration from the flig's brilliant design and profound and powerful symbclrsm, MRG has created Six Points Market as a tribute to the City¹ s deep history. Our objective for this original concept is to capture the City' s passion and tell a story lhat represents those who love Chicago. Our mission is to provide visitors a taste of Chicago, for their retail needs to be met and their senses invigorated with a mix of exciting specialty products. Souvenirs and gifts, news, and convenience, digital and' technology-driven experiences can be found as they wander through our thoughtfully designed concept.

Upon entering, travelers are filled with a sense fifgjjr^jgmenj and curiosity as they view all that the store has to offer. Six Points Market will offer the expected and sought-after travel essentials such as snacks, health & beauty, travel aids, gifts, souvenirs, and much more I In addition to the familiar national brands, we.believe that it is critical to a contemporary program to offer locally sourced fresh, grab-and-go products complemented by healthy and organic choices. ^

There is a science to product placement within our approach to the retail environment, and based upon our experience, we have created a seamless way/^, to guide the traveler on a path to purchase. Our 'ft product layout and displays are strategically placed adjacent lo categories with impulse purchasing in mind. These adjacencies speak to different types of travelers with varied interests in local gifts, books, andv/or enjoying a healthy grab & go option from ourlocal partner.LighrhaiiaeWhole

FRESH

ilgae days, consumers are becoming increasingly passionate about wanting to know where their food comes from and are seeking avenues to Eat, Drink, and Think

Local We understand the importance of their wants/ needs and sought out a local company to satisfy their requests by providing locally sourced grab & go items. As a family-owned business. LjgtgtuiagJE, Whole Food Grill is a company that not only serves healthy, hi^h qnaiifa/ foods, but also gives back to their community.

#BeTheLite

Where i health; community comes to dine.

ytehjjae Whole Food Grill opened in 2013 and was meant to disrupt the usual fast-food glut that seems to cluster in some African American neighborhoods by serving healthier items [ike salads and wraps made with organic ingredients lile grass-fed beef. They offer vegetarian items with tofu and soy, as well as jerk chicken burritos. Uil&tWUll&a. Strives to find unique, premier-quality items and use their creativity and well-seasoned expertise to

and soy, as well as jerk chicken burritos. Our chefs, strives to find unique, premier-quality items and use their creativity and well-seasoned expertise to bring them efficiently and effectively to market.

We are excited to partner with UtebmSR Whole Food GrQl for the Grab & Go program within Six Points Market. The program will focus on the enjoyment of local foods by providing a critical path to a healthier and more sustainable world. Rather than being subjected to thousands of miles of transport, preservatives, and processing. Ijisfeaus^wiLl provide locally sourced farm to fork grab & go items that are ripe, ready, and at their peak Of natural flavor. The focus is to offer unique, locally made products exemplified by a stamp of approval from UJ&hjBW&S, SUCtl 33 salads, sandwiches, snacks, chips, and beverages. Ulftj&US& will capture the essence of Chicago, allowing travelers to taste the authentic flavor of the region. Their focus is on high-quality, premium specially products and a commitment to providing customers with the freshest foods, which is why they are a perfect fit for the Terminal.

MARKETING PLAN

& Conceptual Designs

■ MARKETING

We are excited to partner with local artisans and brands that will feature Hype Tables exhibitions strategically placed throughout our retail spaces. These local partnerships allow us to collaborate and promote the artisan and their products through storytelling. This innovative marketing concept directive invites the customer to sample and or taste the products. Through our analytics, we know that we obtain a 20% increase in sales when in-store events occur. Installations ran from 4 to 8 weeks long depending upon performance and relevance.

■ PROMOTIONS

MRG offers regular in-store promotions within our travel convenience locations for our guests to enjoy from Meal Deals to Buy One Get One 50% Off Beverages to discounts on sweet & salty bagged snacks to receiving a gift with purchase.

Our guests will appreciate several in-store marketing campaigns throughout the year offering discounts on some of their favorite must-have digital items from brands like Beats and Bose.

INSURANCE REQUIREMENTS

Chicago Department of Aviation [Name of Tenant]

**Concession Lease and License Agreement O'Hare International
Airport**

A. INSURANCE REQUIRED

Tenant must provide and maintain at Tenant's own expense, during the term of the Agreement and during the time period following expiration if Tenant is required to return and perform any work, services, or operations, the insurance coverages and requirements specified below, insuring all work, services, or operations related to the Agreement.

- 1) **Workers Compensation and Employers Liability (Primary and Umbrella)**
Workers Compensation Insurance, as prescribed by applicable law covering all employees who are to provide a work, services, or operations under this Agreement and Employers Liability coverage with limits of not less than \$1,000,000 each accident; \$1,000,000 disease-policy limit; and \$1,000,000 disease-each employee, or the full per occurrence limits of the policy, whichever is greater. Coverage must include, but not be limited to, the following: other state endorsement, voluntary compensation and alternate employer, when applicable.

Tenant may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the

required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.

- 2) **Commercial General Liability (Primary and Umbrella)**
Commercial General Liability Insurance or equivalent must be maintained with limits of not less than \$2,000,000 per occurrence, or the full per occurrence limits of the policy, whichever is greater, for bodily injury, personal injury, and property damage liability. Coverages must include, but not limited to, the following: Leased Space and operations, products/completed operations, separation of insureds, defense, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City must be provided additional insured status with respect to liability arising out of Tenant's work, services or operations performed. The City's additional insured status must apply to liability and defense of suits arising out of Tenant's acts or omissions, whether such liability is attributable to the Tenant or to the City on an additional insured endorsement form acceptable to the City. The full policy limits and scope of protection also will apply to the City as an additional insured, even if they exceed the City's

209

minimum limits required herein. Tenant's liability insurance must be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

Tenant may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.

- 3) **Automobile Liability (Primary and Umbrella)**
When any motor vehicles (owned, non-owned and hired) are used in connection with work, services, or operations to be performed, Automobile Liability Insurance must be maintained by the Tenant with limits of not less than \$1,000,000 per occurrence, or the full per occurrence limits of the policy, whichever is greater, for bodily injury and property damage. The City is to be added as an additional insured on a primary, non-contributory basis.

Tenant may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.

- 4) **Excess/Umbrella**
Excess/Umbrella Liability Insurance must be maintained with limits of not less than \$4,000,000 per occurrence, or the full per occurrence limits of the policy, whichever is greater. The policy/policies must provide the same coverages/follow form as the underlying Commercial General Liability, Automobile Liability, Employers Liability and Completed Operations coverage required herein and expressly provide that the excess or umbrella policy/policies will drop down over reduced and/or exhausted aggregate limit, if any, of the underlying insurance. The Excess/Umbrella policy/policies must be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

Tenant may use a combination of primary and excess/umbrella policies to satisfy the limits of liability required in sections A.1, A.2, A.3 and A.4 herein.

- 5) **Property**

- 5) Property
The Tenant must maintain All Risk Property Insurance for the Leased Space including improvements and betterments, in the amount of their full replacement cost. Coverage extensions must include Business Income and Extra Expense. The City is to be named as an additional insured and loss payee, as its interest may appear. Tenant is responsible for all loss or damage to personal property including equipment, fixtures and contents.
- 6) Cyber Liability
Cyber Liability Insurance must be maintained with limits of not less than \$2,000,000 for each occurrence or claim. Coverage must include, but not be limited to network security

210

- and privacy liability including computer or network system attacks (liability arising from the loss or disclosure of confidential information), privacy breach response coverage and costs, regulatory liability including fines and penalties, denial or loss of service, introduction, implantation and/or spread of malicious software code, unauthorized access to or use of computer systems, theft of data, and no exclusion/restriction for unencrypted portable devices/media may be on the policy. The City must be named as an additional insured and/or indemnified party. If the City is named as an additional insured and the policy contains an insured vs insured exclusion, the exclusion must be amended, and not be applicable to the City.
- 7) Commercial Crime Insurance
The Tenant must provide a Fidelity Bond or Commercial Crime coverage covering all loss or damage by employee dishonesty, robbery, burglary, theft, destruction or disappearance, computer fraud, credit card forgery, and other related crime risks. The policy limit must be written to cover losses in the amount of maximum monies collected, received or on premises or in possession of Tenant at any given time. The City must be named as a loss payee as its interest may appear. Coverage must include, but not be limited to, third party fidelity coverage, including coverage for loss due to theft and must not contain a requirement for an arrest and/or conviction.
- 8) Builders Risk
When Tenant undertakes any construction, including improvements, betterments, upgrades and/or repairs, the Tenant must provide or cause to be provided, All Risk Builders Risk Insurance to cover materials, supplies, equipment, machinery and fixtures that will be part of the permanent facility/Leased Space Property. The City of Chicago is to be named as an additional insured and loss payee as its interest may appear.

The Tenant is responsible for all loss or damage to City of Chicago property at full replacement cost.

B. Additional Requirements

Evidence of Insurance. Tenant must furnish the City of Chicago, Department of Aviation, 10510 W. Zemke Rd, Chicago, IL 60666, original certificates of insurance and additional insured endorsement, or other evidence of insurance, to be in force on the date of this Agreement, and renewal certificates of Insurance and endorsement, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Tenant must submit evidence of insurance prior to execution of Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of Agreement. The failure of the City to obtain, nor the City's receipt of, or failure to object to a non-complying insurance certificate, endorsement or other insurance evidence from Tenant, its insurance broker(s) and/or insurer(s) will not be construed as a waiver by the City of any of the required insurance provisions. Tenant must advise all insurers of the Agreement provisions regarding insurance. The City in no way warrants that the insurance required herein is sufficient to protect Tenant for liabilities which may arise from or relate to the Agreement. The

City reserves the right to obtain complete, certified copies of any required insurance policies at any time.

Failure to Maintain Insurance. Failure of the Tenant to comply with required coverage and terms and conditions outlined herein will not limit Tenant's liability or responsibility nor does it relieve Tenant of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

Notice of Material Change, Cancellation or Non-Renewal. Tenant must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed and ten (10) days prior written notice for non-payment of premium.

Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Tenant.

Waiver of Subrogation. Tenant hereby waives its rights of subrogation and agrees to require their insurers to waive their rights of subrogation against the City under all required insurance herein for any loss arising from or relating to this Agreement. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City received a waiver of subrogation endorsement for Tenant's insurer(s).

Tenant's Insurance Primary. All insurance required of Tenant under this Agreement must be endorsed to state that Tenant's insurance policy is primary and not contributory with any insurance carrier by the City.

No Limitation as to Tenant's Liabilities. The coverages and limits furnished by Tenant in no way limit the Tenant's liabilities and responsibilities specified within the Agreement or by law.

No Contribution by City. Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Tenant under this Agreement.

Insurance not Limited by Indemnification. The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

Insurance and Limits Maintained. If Tenant maintains higher limits and/or broader coverage than the minimums shown herein, the City requires and must be entitled the higher limits and/or broader coverage maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage must be available to the City.

Joint Venture or Limited Liability Company. If Tenant is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Other Insurance obtained by Tenant. If Tenant desires additional coverages, the Tenant will be responsible for the acquisition and cost.

Insurance required of Subcontractors. Tenant must name the Subcontractor(s) as a named insured(s) under Tenant's insurance or Tenant will require each Subcontractor(s) to provide and maintain Commercial General Liability, Commercial Automobile Liability, Worker's Compensation and Employers Liability Insurance and when applicable Excess/Umbrella Liability Insurance and Professional Liability Insurance with coverage at least as broad as in outlined in Section A, Insurance Required. The limits of coverage will be determined by Tenant but be no less than \$5,000,000 per occurrence for access to airside and \$2,000,000 per occurrence for access to landside for Commercial General Liability and Auto Liability. Tenant must determine if Subcontractors) must also provide any additional coverage or other coverage outlined in Section A, Insurance Required. Tenant is responsible for ensuring that each Subcontractor has named the City as an additional insured where required on an additional insured endorsement form acceptable to the City. Tenant is also responsible for ensuring that each Subcontractor has complied with the required coverage and terms and conditions outlined in this Section B, Additional Requirements. When requested by the City, Tenant must provide to the City certificates of insurance and additional insured endorsements or other evidence of insurance. The City reserves the right to obtain complete, certified copies of any required insurance policies at any time. Failure of the Subcontractor(s) to comply with required coverage and terms and conditions outlined herein will not limit Tenant's liability or responsibility.

City's Right to Modify. Notwithstanding any provisions in the Agreement to the contrary, the City, Department of Finance, Risk Management Office maintains the right to modify, delete, alter or change these requirements.

EXHIBIT 8

ACDBE SPECIAL CONDITIONS AND RELATED FORMS

City of Chicago Department of Aviation

Special Conditions Regarding Airport Concessions Disadvantaged Business Enterprise

Special Conditions Regarding Airport Concessions Disadvantaged Business Enterprise
(ACDBE)
Commitment

I. POLICY AND PROGRAM

It is the policy of the City of Chicago ("City") not to discriminate on the basis of race, color, sex or national origin in the award or performance of airport concession agreements. Because the City is a recipient of Airport Improvement Program funds from the Federal Aviation Administration ("FAA"), the concessions at the City's airports are subject to 49 CFR Part 23, Participation of Disadvantaged Business Enterprise in Airport Concessions ("Part 23"). The City will not, directly or indirectly, through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or impeding the accomplishment of the objectives of Part 23. Compliance with Part 23 requirements will not diminish or supplant the Concessionaire's obligations to comply with nondiscrimination laws as required elsewhere in the Agreement. In the event of a conflict between the provisions of these Special Conditions and the requirements of Part 23, the requirements of Part 23 shall prevail. Part 23 is available on-line at <<https://www.ecfr.gov/current/title-49/subtitle-A/part-23?toc=1>>.

It is further the policy of the City, in accordance with the requirements of Part 23, that Airport Concession Disadvantaged Business Enterprises ("ACDBEs") have the maximum opportunity to participate fully in the City's airport concession program. As used throughout these Special Conditions, the term "ACDBE" means an entity that has been certified as such under the Illinois Unified Certification Program ("UCP"). If a firm is not certified by the Illinois UCP as an ACDBE in accordance with the standards in Part 23, the firm's participation is not counted for Part 23 purposes. ACDBEs certified by other jurisdictions are not considered certified ACDBEs for purposes of this Agreement and will not be counted as such unless they have also been certified by the Illinois UCP.

In accordance with Part 23, Subparts B and D, the City submitted an ACDBE Program and ACDBE Goal for approval by the FAA. The FAA-approved ACDBE Program and ACDBE Goal are available upon request. In the event of any amendments or revisions to Part 23 (or any related or superseding regulations), these Special Conditions shall be subject to such revised regulations and any City-promulgated program, regulations, or goals established thereunder. Upon request by the City, this Agreement shall be amended to replace these Special Conditions with revised Special Conditions that reflect the then-current federal regulations, if necessary.

214

The following assurances are required to be included in the Agreement by 49 CFR §23.9(c). Concessionaire is deemed to be the "concessionaire or contractor" referenced.

1. This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner's race, color, national origin or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase order or other agreement covered by 49 CFR Part 23.

2. The concessionaire or contractor agrees to include the above statements in any subsequent

z. The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23, that it enters and cause those businesses to similarly include the statements in further agreements.

II. PROGRAM GOALS

The City has established, and the Federal Aviation Administration has approved, aspirational goals for ACDBE participation in its airport concessions program as required by Part 23, Subpart II. Generally, ACDBE participation in airport concessions is measured as a percentage of annual gross receipts earned by the concessions. Details on counting ACDBE participation are found in 49 CFR §§ 23.53 (rental car concessions) and 23.55 (non-rental car concessions) and described further below.

The below aspirational goals are for the City's concessions program as a whole. With respect to this Agreement, the City may or may not have established a contract-specific ACDBE aspirational goal at the time that the City issued the Request for Proposals for the concession ("RFP"). If the RFP included a contract-specific goal, Tenant's proposal either included participation by ACDBE(s) that met or exceeded the contract-specific goal or Concessionaire demonstrated "good faith efforts" to meet that contract-specific goal but was unable to do so. Guidance on "good faith efforts" can be found in Appendix A to 49 C.F.R. Part 26. Appendix A as it appears on the date of the Agreement is incorporated in Section VI. A. of these Special Conditions, but Concessionaire is responsible for compliance with federal regulations as they may be amended from time to time.

1. All Concessions Except Rental Cars.

O'Hare International Airport: The City has determined that the appropriate aspirational goal for ACDBE participation in non-rental car concessions is 32%. Historical data regarding ACDBE participation at the City's airports indicates that this aspirational goal should consist of a race-neutral goal of 7% and a race-conscious goal of 23%.

Midway International Airport: The City has determined that the appropriate aspirational goal for ACDBE participation in non-rental car concessions is 37%. Historical data regarding ACDBE participation at the City's airports indicates that this aspirational goal should consist of a race-neutral goal of 5.5% and a race-conscious goal of 31.5%.

215

B. Rental Car Concessions. Due to the lack of ACDBE rental car companies, the national or regional nature of rental car industry procurement practices and a general lack of reliable historical data, the City has determined that the aspirational goal for ACDBE participation in rental car concessions at both airports is 2.4%. Nevertheless, rental car concessionaires are encouraged to use all reasonable efforts to maximize procurement of goods and services from ACDBEs that may be certified in the Illinois UCP or the UCPs of other states.

In 2012, the Rent-A-Car Concessions Voluntary M/W/DBE Program ("RAC Program") was approved by City Council of Chicago, Illinois, as part of an amendment to the rental car concession license agreements at Chicago O'Hare and Midway International Airports. (Coun.. 12-12-2012, p. 43891.) As part of the program, the on-airport rental car companies ("RACs") will use good faith efforts to expand contracting opportunities for businesses owned by minorities, women and/or disadvantaged persons in connection with "non-fleet

expenditures attributable to the On-Airport KACs operations at the Airports. The KACs agree that for fiscal year 2017 and thereafter, the goal of their outreach efforts will be to achieve, at a minimum, 30% of non-fleet expenditures with businesses owned by M/W/DBEs that are either certified or not certified but are owned by minority, women and/or disadvantaged persons.

III. CONCESSIONAIRE'S ACDBE COMMITMENT

A. INITIAL ACDBE COMMITMENT

The extent and nature of the ACDBE participation commitment by Concessionaire is documented in Schedules B, C and/or D attached to these Special Conditions ("ACDBE Commitment"). As used these Special Conditions and in Schedules B, C and D, "Concessionaire" means the entity with whom the City has entered into a concession agreement, whether that entity is referred to in that agreement as "Tenant," "Licensee" or other term.

The total ACDBE Commitment, stated as a percentage of the concessions gross revenues, must equal or exceed the percentage ACDBE participation required in the Agreement. If the Agreement indicates that there is no ACDBE participation requirement, it will be conclusive evidence that either (a) the RFP contained no contract-specific goal and Concessionaire did not propose any ACDBE participation or (b) the Concessionaire demonstrated, to the satisfaction of the City, that it exerted good faith efforts to obtain ACDBE participation to meet a contract-specific goal but was unable to obtain such participation. In either such event, there will be no Schedule B, C or D attached to these Special Conditions.

If there is ACDBE participation in the form of a joint venture member, the attached Schedule B sets forth the essential terms of that joint venture participation, including a representation as

216

to the value of the ACDBE's activities in operating the concession as a percentage of gross revenues, and a copy of the joint venture agreement is attached to Schedule B. If there is ACDBE participation in the form of ACDBE(s) acting as sublicensee(s), subtenant(s) or subcontractor(s), it is documented in Schedules C and D. Schedule(s) C is the commitment by the ACDBE(s) to participate by providing the goods or services indicated, and Schedule D is the commitment by the non-ACDBE to such participation by the ACDBE(s).

B. CHANGES IN ACDBE PARTICIPATION

Pursuant to 49 CFR 23.25 and 49 CFR 26.53, Concessionaire must not make arbitrary changes to its ACDBE Commitment. Further, after entering into a joint venture agreement, sublicense or subcontract (collectively, "ACDBE agreement") with each approved ACDBE, Concessionaire must not terminate the ACDBE agreement, reduce the scope of the ACDBE's participation in the concession, nor decrease the compensation to the ACDBE, as applicable, without in each instance receiving the prior written consent of the City. The City will not consent unless Concessionaire shows good cause. Concessionaire must promptly notify the Commissioner of any proposed change in an ACDBE agreement and submit a copy of the proposed amendment to the ACDBE agreement. Prior to requesting consent from the City to terminate or substitute an ACDBE, Concessionaire must give notice to the ACDBE, with a copy to the City, providing the ACDBE an opportunity to respond.

In any event, the collective participation of the previously approved ACDBE(s) must either continue to contribute to the

concession at least the value of the ACDBE Commitment, as stated in terms of a percentage of gross revenues, or substitute or additional ACDBE(s) must be retained by Concessionaire pursuant to (D) below to maintain the ACDBE Commitment, except as provided in (C) below. Failure to comply with the ACDBE Commitment is an event of default under the Agreement. If the proposed change in ACDBE participation is approved by the City, Concessionaire and ACDBE(s) must complete revised Schedules B, C or D, as applicable.

These notice and consent requirements apply both pre- and post- award of the Agreement. Note that changes to a joint venture Concessionaire prior to award may result in rejection of the proposal if the City determines, in the sole discretion of the Commissioner, that those changes affect Concessionaire's qualifications.

C. INVOLUNTARY CHANGES IN ACDBE PARTICIPATION

In the event that it appears that Concessionaire will not comply with its ACDBE Commitment because: (i) an ACDBE has defaulted in its performance under the ACDBE agreement through no fault of Concessionaire, (ii) an ACDBE is decertified by the Illinois UCP through no fault of Concessionaire and the ACDBE's participation can no longer be counted, (iii) the ACDBE's certified area of specialty has been changed through no fault of Concessionaire and the ACDBE's participation can no longer be counted, or (iv) an ACDBE is otherwise unable or unwilling to perform its obligations through no fault of Concessionaire, then Concessionaire must promptly notify the ACDBE with a copy to the City, of its intent to terminate or substitute

217

the ACDBE's participation and provide the ACDBE with a minimum of five days to respond, unless the City grants permission for a shorter response period as a matter of public necessity (i.e. safety). Concessionaire requests to the City for permission to terminate or substitute an ACDBE must specify one or more of the foregoing reasons as the cause for potential noncompliance with the ACDBE Commitment. If the City concurs with the specified reason, Concessionaire shall use good faith efforts as described in Section VI below to replace the ACDBE's participation with participation by another ACDBE. As provided in Section VI, Concessionaire must demonstrate those good faith efforts to the satisfaction of the Commissioner. Failure to comply with the foregoing shall be an event of default under the Agreement.

Concessionaire's position in these cases must be fully explained and supported with adequate documentation. Stated reasons which will NOT be acceptable include: A replacement firm has been recruited to perform the same function under terms more advantageous to the Concessionaire; issues about performance by the committed ACDBE were disputed (unless every reasonable effort has already been taken to have the issues resolved or mediated satisfactorily); and an ACDBE has requested reasonable price escalation which may be justified due to unforeseen circumstances.

D. ACDBE SUBSTITUTION AND ADDITIONAL ACDBEs

If Concessionaire identifies a substitute, replacement or additional ACDBE for the City's approval, Concessionaire's request for approval shall include the name, address, and principal official of the proposed ACDBE; the nature and essential terms of the ACDBE agreement under which the ACDBE will participate; and a letter of intent signed by Concessionaire and the ACDBE to enter into such an ACDBE agreement upon approval by the City. Concessionaire must provide such other affidavits and documents as the City may request to evaluate the request. The City will evaluate and respond to the submitted documentation within fifteen working days after the submittal of a complete request. The response may be in the form of approving the request, requiring more information, or requiring an interview.

Actual use of a substitute, replacement or additional ACDBE should not be made by Concessionaire before City approval is given. An ACDBE agreement between Concessionaire and the ACDBE must be executed within the time

specified by the City, and a fully executed copy of the ACDBE agreement must be submitted immediately to the City.

E. AGREEMENT EXTENSIONS, ASSIGNMENTS AND SUBLEASES

If the Agreement contains a term extension or if the Concessionaire proposes an assignment or sublease of the Agreement, as a condition precedent to the City's consent to such extension, assignment or sublease, the City and Concessionaire will revisit and possibly adjust the Concessionaire's ACDBE Commitment to reflect any possible change in ACDBE availability and to ensure compliance with Part 23 as it may have been amended in the interim.

218

Concessionaire will be required to provide amended Schedules D, B, or C, along with amended ACDBE agreements, to reflect any required changes to the ACDBE Commitment or provide documentation of good faith efforts to achieve increased ACDBE participation.

IV. COUNTING ACDBE PARTICIPATION

A. CONCESSIONS OTHER THAN RENTAL CAR

In order for participation in the concession to be counted and reported to the FAA, ACDBEs must perform a commercially useful function, as defined in 49 CFR § 23.55(a). The work performed or gross receipts earned by a firm after its ACDBE eligibility has been removed are not counted, except as provided in 49 CFR § 23.55(j). Costs incurred in connection with the renovation, repair, or construction of a concession facility (sometimes referred to as the "buildout") are not counted (but may be subject to goals for M/WBE or other types of participation under a local program as specified by the City). Otherwise, ACDBE participation in non-rental car concessions is counted in accordance with 49 CFR § 23.55 as follows:

1. Concessionaire is an ACDBE. When Concessionaire is an ACDBE or a joint venture consisting only of ACDBEs, the gross receipts earned by Concessionaire are counted. Gross receipts attributable to a non-ACDBE sublicensee of Concessionaire are not counted.
2. Separate locations. When an ACDBE performs as a sublicensee to Concessionaire with its own concession location or when Concessionaire is a joint venture which includes a non-ACDBE and in which an ACDBE operates its own separate location, the gross receipts earned by the ACDBE at its separate location are counted. The ACDBE location must be independently operated by the ACDBE as evidenced by the ACDBE's responsibility for all aspects of the management and operation of the location. Gross receipts attributable to a non-ACDBE sublicensee of the ACDBE are not counted.
3. Joint venture, no separate locations. When Concessionaire is a joint venture with an ACDBE participant and the ACDBE jointly participates with a non-ACDBE in the operation of all locations, only the portion of the Concessionaire's gross receipts attributable to the distinct, clearly defined portion of the work of the concession that the ACDBE performs with its own forces is counted. When the City has reason to doubt the extent of an ACDBE joint venturer's commercially useful contribution towards the concessionaire's gross receipts, the City may require Concessionaire to submit evidence to substantiate the value of the ACDBE's contribution. If the Concessionaire fails to submit satisfactory evidence, it is an event of default under the Agreement.

4. Subcontractor participation. When an ACDBE provides, as a subcontractor to Concessionaire, goods or services for operation of the concession, the amounts paid to the ACDBE are counted as provided below. However, if the ACDBE enters into a subcontract with a non-ACDBE to provide the goods or services, the amounts paid to the non-ACDBE are not counted.
 - a. The entire amount of fees or commissions charged by an ACDBE firm for a bona fide service, provided that the City determines this amount to be reasonable and not excessive as compared with fees customarily paid for similar services. Such services may include, but are not limited to, professional, technical, consultant, legal, security systems, advertising,
 - building cleaning and maintenance, computer programming, or managerial.
 - b. The entire amount of the cost of goods obtained from an ACDBE manufacturer, as provided in 49 CFR § 23.55(f).
 - c. The entire amount of the cost of goods purchased or leased from a ACDBE regular dealer, as provided in 49 CFR § 23.55(g).
 - d. For goods purchased from an ACDBE which is neither a manufacturer nor a regular dealer, the amount of reasonable fees, commissions, or delivery charges earned by the ACDBE, as provided in 49 CFR § 23.55(h).

B. RENTAL CAR CONCESSIONS

If Concessionaire is a rental car company, ACDBE participation counts in accordance with the provisions of 49 CFR §23.53. Goods and services will be counted in accordance with the following:

1. The entire amount of the cost charged by an ACDBE for repairing vehicles, provided that it is reasonable and not excessive as compared with fees customarily allowed for similar services; and further provided that any portion of a fee paid by a manufacturer to an ACDBE car dealership for reimbursement of work performed under the manufacturer's warranty is excluded;
2. The entire amount of the fee or commission charged by an ACDBE to manage a car rental concession under an agreement with the Concessionaire, provided that it is reasonable and not excessive as compared with fees customarily allowed for similar services.
3. For other goods and services, ACDBE participation counts as provided in 49 CFR §26.55 and §23.55. In the event of any conflict between these two sections, §23.55 controls.

4. If a rental car company has a national or regional contract with an ACDBE, it may count a pro-rated share of the amount of that contract toward the goals of each airport covered by the contract as provided in §23.55(f)

Rental car companies may also count ACDBE direct participation through direct ownership arrangements, but such arrangements are not required.

V. CERTIFICATION, RECORDS, REPORTS AND MONITORING

A. CERTIFICATION

Copies of letters of certification from a member of the Illinois UCP for each ACDBE that is part of Concessionaire's ACDBE Commitment are attached to their respective Schedule C or Schedule B. All letters of certification issued by the City of Chicago include a statement of the ACDBE firm's area of specialization.

Each ACDBE must promptly notify Concessionaire if there is any change in the ACDBE's certification status. Concessionaire, in turn, must notify Commissioner of any change in an ACDBE's certification status and provide a copy of any correspondence from the certifying agency regarding the status of an ACDBE's certification.

The ACDBE's scope of work, as detailed by Schedule B, C or D, must conform to its stated area of specialization. If, during the course of this Agreement, Concessionaire proposes to amend Schedules B, C or D so that an ACDBE performs additional work or supplies additional goods, materials or services not covered by its area of certification, the ACDBE must request an extension of its certification for such work, goods, materials or services in order to count toward the ACDBE's participation in the concession. The request to expand the scope of the ACDBE's certification, together with all documentation required by the City to process that request, must be received by the City at least 60 days in advance of the proposed date to perform such additional work or supply such additional goods, materials or services.

B. RECORDKEEPING

The Concessionaire must maintain records of all relevant data with respect to the utilization of ACDBEs, retaining these records for a period of at least three years after termination or expiration of the Agreement. Concessionaire grants full access to these records to the City of Chicago, Federal or State authorities, the U.S. Department of Justice, or their duly authorized representatives.

C. REPORTING

Concessionaire must file ACDBE utilization reports (monthly if non-rental car and quarterly if rental car), together with its concession license fee payment, delineating for the month or quarter, as applicable, and cumulatively for the year-to-date: (i) contribution by ACDBE joint venture

221

member(s) or sublicensee(s) to Concessionaire's gross receipts and (ii) payments to ACDBE subcontractor(s). Each ACDBE utilization report must be signed by an authorized officer or representative of the Concessionaire and be notarized.

D. MONITORING

The City will, from time to time during the term of the Agreement, conduct investigations and interviews to monitor and verify that ACDBE participation in the concession meets or exceeds the ACDBE Commitment. Concessionaire

must give, upon request, earnest and prompt cooperation to the City in submitting to inspections and interviews, in allowing entry to places of business, in providing further documentation, and in requiring the cooperation of its ACDBEs.

If the City determines that an ACDBE's actual role or responsibilities do not comply with the representations made by Concessionaire and the ACDBE in Schedules B, C or D, or that Concessionaire and/or ACDBE have misrepresented to the City either the payments to the ACDBE or the value of the ACDBE's participation in a joint venture, it shall be an event of default under the Agreement.

VI. GOOD FAITH EFFORTS

A. EXAMPLES

Examples of "good faith efforts" are described below and in 49 CFR § 23.25, 49 CFR §26.53, and Appendix A to 49 CFR Part 26. As provided in § 23.25, §26.53 and Appendix A to 49 Part 26, the following are examples of documented actions that the City may take into consideration in determining whether Concessionaire made good faith efforts:

1. Soliciting through all reasonable and available means (e.g., advertising and/or written notices) the interest of all certified ACDBEs who have the capability to perform work or services or to supply goods relevant to the concession. Concessionaire must solicit this interest within sufficient time to allow the ACDBEs to respond to the solicitation. Concessionaire must determine with certainty if the ACDBEs are interested by taking appropriate steps to follow up initial solicitations.
2. Soliciting the work, services or goods in portions that increase the likelihood that an ACDBE can perform the work or services or provide the goods. This includes, when appropriate, breaking out contract items into economically feasible units to facilitate ACDBE participation, even when the concessionaire might otherwise prefer to perform these work items with its own forces.
3. Providing interested ACDBEs with adequate information about the operations, management and requirements of the concession in a timely manner to assist them in responding to a solicitation.
4. Negotiating in good faith with interested ACDBEs. Evidence of such negotiation

222

includes the names, addresses and telephone numbers of ACDBEs that were considered; a description of the information provided regarding the opportunities selected for possible ACDBE participation; and evidence as to why agreement could not be reached for ACDBEs to perform the work.

NOTE: A concessionaire using good business judgment would consider a number of factors in negotiating with potential business partners or subcontractors, including ACDBEs, and would take a firm's price and capabilities as well as contract goal into consideration. However, the fact that there may be some additional costs involved in finding and using ACDBEs is not in itself sufficient reason for a failure to meet the ACDBE Commitment, as long as such costs are , reasonable. Concessionaires are not, however, required to accept higher quotes from ACDBEs if the price difference in comparison to non-ACDBEs is excessive or unreasonable.

5. Not rejecting ACDBEs as being unqualified without sound reasons based on a thorough investigation of their

capabilities. The ACDBE's standing within its industry, membership in specific groups, organization or associations and political or social affiliation (for example union vs. non-union employee status) are not legitimate causes for rejection.

6. Making efforts to assist interested ACDBEs in obtaining bonding, lines of credit or insurance as required by the City or Concessionaire.
7. Making efforts to assist interested ACDBEs in obtaining necessary equipment, supplies, materials, or related assistance or services.
8. Effectively using the services of available minority/women community organizations and contractors' groups; local, state and federal minority/women business assistance offices; and other organizations as allowed on a case-by-case basis to provide assistance in the recruitment and placement of ACDBEs.

B. DOCUMENTATION

Whenever Concessionaire is required to demonstrate good faith efforts by Part 23 or these Special Conditions, Concessionaire must provide supporting documentation to the satisfaction of the Commissioner. This means documentation to show that Concessionaire took all necessary and reasonable steps which by their scope, intensity and appropriateness to the objective, could reasonably be expected to obtain compliance, even if not fully successful. The following types of documentation, as applicable to the situation, will be considered by the City in determining whether Concessionaire has made good faith efforts:

1. A listing of all ACDBE firms that were contacted that includes:
 - a. names, address and telephone numbers of ACDBE firms contacted;

223

- b. date and time of contact;
- c. method of contact (written, telephone, transmittal of facsimile documents, etc.);
- d. name of the person contacted.

Copies of letters or any other evidence of mailing that substantiates outreach to ACDBE vendors that include:

- a. concession identification and location;
- b. descriptions/classification/commodity of work, services or goods for which quotations were sought; and
- c. date, time and location for submittal of bids or proposals.

Detailed statement which summarizes direct negotiations with appropriate ACDBE firms and indicates why negotiations were unsuccessful. Affirmation that good faith efforts have been demonstrated by choosing opportunities likely to be performed by ACDBEs by not imposing any limiting conditions which were not mandatory for all potential bidders/proposers; or denying the benefits ordinarily conferred for the type of opportunity that was solicited.

Copies of proposed portions of the work, services or goods to be performed or provided by ACDBEs in order to increase the likelihood of ACDBE participation. Evidence that Concessionaire negotiated in good faith with interested ACDBEs. Evidence that Concessionaire did not reject ACDBEs as being unqualified without sound reasons based on a thorough

investigation of their capabilities. Evidence that Concessionaire made efforts to assist interested ACDBEs in obtaining bonding, lines of credit or insurance, as required by the City or the concessionaire.

Evidence that Concessionaire made efforts to assist interested ACDBEs in obtaining necessary equipment, supplies, materials or related assistance or services.

Evidence that Concessionaire has provided timely notice of the opportunity to at least 50 percent of the applicable ACDBEs listed in the Illinois UCP Directory. The City may contact the ACDBEs identified by Concessionaire for verification of such notification.

Evidence that ACDBE participation is excessively costly. In order to establish that a ACDBE's quote is excessively costly, Concessionaire must provide the following information:

- a. A detailed statement of the opportunity identified for ACDBE participation for which Concessionaire asserts the ACDBE quote(s) were excessively costly.
- b. A listing of all potential business partners or subcontractors contacted for a quotation on that opportunity.

224

- c. Prices quoted by all such potential business partners or subcontractors for that opportunity.
- d. Other documentation that demonstrates to the satisfaction of the City that the ACDBE quotes are excessively costly.

ADMINISTRATIVE RECONSIDERATION

For the purposes of this Agreement, the City has delegated the responsibility for making the determination regarding a Concessionaire's good faith efforts to the Department of Aviation. The determination shall be based upon the Department's review of the documentation that the Concessionaire has timely submitted. Within five days of being informed by the Department that Concessionaire has not documented sufficient good faith efforts, Concessionaire may request administrative reconsideration. The request must be made in writing to the following official:

City of Chicago Department of Aviation 10510 West Zemke Road
Chicago, Illinois 60666 Attention: Commissioner

NOTE: The Commissioner may not have played any role in the original determination that the Concessionaire did not make or timely document sufficient good faith efforts. The Commissioner may appoint a reconsideration officer, who did not play any role in the original determination, to act in his or her stead.

With copies to: City of Chicago
Department of Procurement Services City Hall, Room 806 121 N. LaSalle
Street Chicago, Illinois 60602 Attention: Chief Procurement Officer

City of Chicago Department of Aviation 10510 West Zemke Road
Chicago, Illinois 60666

Attention: Deputy Commissioner for Concessions City of Chicago Department

of Law
Aviation, Environmental, Regulatory and Contracts Division 2 North LaSalle Street,

Suite 540 Chicago, Illinois 60602
Attention: Deputy Corporation Counsel

225

2. As part of this reconsideration, the Concessionaire will have the opportunity to provide written documentation or argument concerning the issue of whether it made adequate good faith efforts. The Concessionaire will have the opportunity to meet in person with the reconsideration officer to discuss whether it did so. The Department will send the Concessionaire a written decision on reconsideration, explaining the basis for finding that the Concessionaire did or did not make adequate good faith efforts.

VII. NON-COMPLIANCE AND DAMAGES

A. NON-COMPLIANCE GENERALLY

Concessionaire's failure to comply with these Special Conditions constitutes a material breach of the Agreement and entitles the City to declare an event of default. If Concessionaire fails to cure the default within the time allowed under the default provisions of the Agreement, the City may exercise those remedies provided for in the Agreement, at law or in equity, including termination of the Agreement. In addition to any remedies specified in the Agreement, at the City's option the term of this Agreement will become month-to-month until the City locates a new Concessionaire. At the City's option, any improvements added by Concessionaire must remain for the new tenant at no cost to the City or the new tenant.

B. NON-COMPLIANCE WITH ACDBE AGREEMENT

If Concessionaire has not complied with the requirements of an ACDBE agreement, the affected ACDBE may seek to recover from Concessionaire damages suffered by the ACDBEs as a result of such non-compliance. Such disputes may impact the quality of concessions at the City's airports and/or the ability of other airport tenants to solicit ACDBE participation. Therefore, Concessionaire consents to have any disputes between Concessionaire and affected ACDBEs resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorneys' fees, being recoverable by the prevailing party in accordance with any applicable regulations. This provision is intended for the benefit of all ACDBEs affected by Concessionaire's failure to comply with ACDBE agreements and grants ACDBEs specific third-party beneficiary rights. In cases deemed appropriate by the City, a dispute may lead to the withholding of sums that the City may owe Concessionaire until the City receives a copy of the final arbitration decision, but in no event will Concessionaire be excused from making any payments due to the City during the pendency of a dispute. Noncompliance or non-cooperation with the City may affect continued eligibility to enter into future contracting arrangements with the City.

EXHIBIT 9

MBE\WBE SPECIAL CONDITIONS AND RELATED FORMS

SPECIAL CONDITIONS REGARDING MINORITY OWNED BUSINESS ENTERPRISE COMMITMENT AND WOMEN OWNED BUSINESS ENTERPRISE COMMITMENT IN CONSTRUCTION CONTRACTS

I. Policy and Terms

As set forth in 2-92-650 et seq. of the Municipal Code of Chicago (MCC) it is the policy of the City of Chicago that businesses certified as Minority Owned Business Enterprises (MBEs) and Women Owned Business Enterprises (WBEs) in accordance with Section 2-92-420 et seq. of the MCC and Regulations Governing Certification of Minority and Women-owned Businesses, and all other Regulations promulgated under the aforementioned sections of the Municipal Code, shall have full and fair opportunities to participate fully in the performance of this contract. Therefore, bidders shall not discriminate against any person or business on the basis of race, color, national origin, or sex, and shall take affirmative actions to ensure that MBEs and WBEs shall have full and fair opportunities to compete for and perform subcontracts for supplies or services.

Failure to carry out the commitments and policies set forth herein shall constitute a material breach of the contract and may result in the termination of the contract or such remedy as the City of Chicago deems appropriate.

Under the City's MBE/WBE Construction Program as set forth in MCC 2-92-650 et seq, the program-wide aspirational goals are 26% Minority Owned Business Enterprise participation and 6% Women Owned Business Enterprise participation. The City has set goals of 26% and 6% on all contracts in line with its overall aspirational goals, unless otherwise specified herein, and is requiring that bidders make a good faith effort in meeting or exceeding these goals.

Contract Specific Goals and Bids

A bid may be rejected as non-responsive if it fails to submit one or more of the following with its bid demonstrating its good faith efforts to meet the Contract Specific Goals by reaching out to MBEs and WBEs to perform work on the contract:

- I. An MBE/WBE compliance plan demonstrating how the bidder plans to meet the Contract Specific Goals (Schedule D); and/or
- II. Documentation of Good Faith Efforts (Schedule H).

If a bidder's compliance plan falls short of the Contract Specific Goals, the bidder must include either a Schedule H demonstrating that it has made Good Faith Efforts to find

MBE and WBE firms to participate or a request for a reduction or waiver of the goals.

Accordingly, the bidder or contractor commits to make good faith efforts to expend at least the following

percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded the contract:

MBE Contract Specific Goal: 26% WBE Contract Specific Goal: 6%

This Contract Specific Goal provision shall supersede any conflicting language or provisions that may be contained in this document.

For purposes of evaluating the bidder's responsiveness, the MBE and WBE Contract Specific Goals shall be percentages of the bidder's total base bid. However, the MBE and WBE Contract Specific Goals shall apply to the total value of this contract, including all amendments and modifications.

Contract Specific Goals and Contract Modifications

I. The MBE and WBE Contract Specific Goals established at the time of contract bid shall also apply to any modifications to the Contract after award. That is, any additional work and/or money added to the Contract must also adhere to these Special Conditions requiring Contractor to (sub) contract with MBEs and WBEs to meet the Contract Specific Goals.

1. Contractor must assist the Construction Manager or user Department in preparing its "proposed contract modification" by evaluating the subject matter of the modification and determining whether there are opportunities for MBE or WBE participation and at what rates.
2. Contractor must produce a statement listing the MBEs/WBEs that will be utilized on any contract modification. The statement must include the percentage of utilization of the firms. If no MBE/WBE participation is available, an explanation of good faith efforts to obtain participation must be included.

II. The Chief Procurement Officer shall review each proposed contract modification and amendment that by itself or aggregated with previous modification/amendment requests, increases the contract value by ten percent (10%) of the initial award, or \$50,000, whichever is less, for opportunities to increase the participation of MBEs or WBEs already involved in the Contract.

II. Definitions

"Area of Specialty" means the description of a MBE's or WBE's activity that has been

determined by the Chief Procurement Officer to be most reflective of the firm's claimed specialty or expertise. Each MBE and WBE letter of certification contains a description of the firm's Area of Specialty. Credit toward the Contract Specific Goals shall be limited to the participation of firms performing within their Area of Specialty. The Department of Procurement Services does not make any representation concerning the ability of any MBE or WBE to perform work within its Area of Specialty. It is the responsibility of the bidder or contractor to determine the capability and capacity of MBEs and WBEs to perform the work proposed.

"B.E.P.D." means an entity certified as a Business enterprise owned or operated by people with disabilities as defined in MCC 2-92-586.

"Broker" means a person or entity that fills orders by purchasing or receiving supplies from a third party supplier rather than out of its own existing inventory and provides no commercially useful function other than acting as a conduit between his or her supplier and his or her customer.

"Chief Procurement Officer" or "CPO" means the chief procurement officer of the City of Chicago or his or her designee.

"Commercially Useful Function" means responsibility for the execution of a distinct element of the work of the contract, which is carried out by actually performing, managing, and supervising the work involved, evidencing the responsibilities and risks of a business owner such as negotiating the terms of (sub)contracts, taking on a financial risk commensurate with the contract or its subcontract, responsibility for acquiring the appropriate lines of credit and/or loans, or fulfilling responsibilities as a joint venture partner as described in the joint venture agreement.

"Construction Contract" means a contract, purchase order or agreement (other than lease of real property) for the construction, repair, or improvement of any building, bridge, roadway, sidewalk, alley, railroad or other structure or infrastructure, awarded by any officer or agency of the City, other than the City Council, and whose cost is to be paid from City funds.

"Contract Specific Goals" means the subcontracting goals for MBE and WBE participation established for a particular contract.

"Contractor" means any person or business entity that has entered into a construction contract with the City, and includes all partners, affiliates and joint ventures of such person or entity.

"Direct Participation" the value of payments made to MBE or WBE firms for work that is done in their Area of Specialty directly related to the performance of the subject

229

matter of the Construction Contract will count as Direct Participation toward the Contract Specific Goals.

"Directory-" means the Directory of Minority Business MBEs and WBEs maintained and published by the Chief Procurement Officer. The Directory identifies firms that have been certified as MBEs and WBEs. and includes the date of their last certifications and the areas of specialty in which they have been certified. Bidders and contractors are responsible for verifying the current certification status of all proposed MBEs and WBEs.

"Executive Director" means the executive director of the Office of Compliance or his or her designee.

"Good Faith Efforts" means actions undertaken by a bidder or contractor to achieve a Contract Specific Goal that, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program's requirements.

"Joint venture" means an association of a MBE or WBE firm and one or more other firms to carry out a single, for-profit business enterprise, for which each joint venture partner contributes property, capital, efforts, skills and knowledge, and in which the MBE or WBE is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the joint venture are commensurate with its ownership interest.

"Minority Business Enterprise" or "MBE" means a firm certified as a minority-owned business enterprise in accordance with City Ordinances and Regulations.

"Supplier" or "Distributor" refers to a company that owns, operates, or maintains a store, warehouse or other establishment in which materials, supplies, articles or equipment are bought, kept in stock and regularly sold or leased to the public in the usual course of business. A regular distributor or supplier is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials or supplies required for performance of the Contract are bought, kept in stock, and regularly sold to the public in the usual course of business. To be a regular distributor the firm must engage in, as its principal business and in its own name, the purchase and sale of the products in question. A regular distributor in such bulk items as steel, cement, gravel, stone, and petroleum products need not keep such products in stock if it owns or operates distribution equipment.

"Women Business Enterprise" or "WBE" means a firm certified as a women . owned business enterprise in accordance with City Ordinances and Regulations.

Joint Ventures

230

The formation of joint, ventures to provide MBEs and WBEs with capacity and experience at the prime contracting level, and thereby meet Contract Specific Goals (in whole or in part) is encouraged. A joint venture may consist of any combination of MBEs, WBEs, and non-certified firms as long as one member is an MBE or WBE.

- I. The joint venture may be eligible for credit towards the Contract Specific Goals only if:
1. The MBE or WBE joint venture partner's share in the capital contribution, control, management, risks and profits of the joint venture is equal to its ownership interest;
 2. The MBE or WBE joint venture partner is responsible for a distinct, clearly defined portion of the requirements of the contract for which it is at risk;
 3. Each joint venture partner executes the bid to the City; and
 4. The joint venture partners have entered into a written agreement specifying the terms and conditions of the relationship between the partners and their relationship and responsibilities to the contract, and all such terms and conditions are in accordance with the conditions set forth in Items I, 2, and 3 above in this Paragraph A.

II. The Chief Procurement Officer shall evaluate the proposed joint venture agreement, the Schedule B submitted on behalf of the proposed joint venture, and all related documents to determine whether these requirements have been satisfied. The Chief Procurement Officer shall also consider the record of the joint venture partners on other City of Chicago contracts. The decision of the Chief Procurement Officer regarding the eligibility of the joint venture for credit towards meeting the Contract Specific Goals, and the portion of those goals met by the joint venture, shall be final.

The joint venture may receive MBE or WBE credit for work performed by the MBE or WBE joint venture partner(s) equal to the value of work performed by the MBE or WBE with its own forces for a distinct, clearly defined portion of the work.

Additionally, if employees of the joint venture entity itself (as opposed to employees of the MBE or WBE partner) perform the work then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture, as described in Schedule B.

231

The Chief Procurement Officer may also count the dollar value of work subcontracted to other MBEs and WBEs. Work performed by the forces of a non-certified joint venture partner shall not be counted toward the Contract Specific Goals.

III. Schedule B: MBE/WBE Affidavit of Joint Venture

Where the bidder's Compliance Plan includes the participation of any MBE or WBE as a joint venture partner, the bidder must submit with its bid a Schedule B and the proposed joint venture agreement. These documents must both clearly evidence that the MBE or WBE joint venture partner(s) will be responsible for a clearly defined portion of the work to be performed, and that the MBE's or WBE's responsibilities and risks are proportionate to its ownership percentage. The proposed joint venture agreement must include specific details related to:

IV. The parties' contributions of capital, personnel, and equipment and share of the costs of insurance and bonding; and/or work to be performed by employees of the newly formed joint venture entity;

1. Work items to be performed under the supervision of the MBE or WBE joint venture partner; and
2. The MBE's or WBE's commitment of management, supervisory, and operative personnel to the performance of the contract.

NOTE: Vague, general descriptions of the responsibilities of the MBE or WBE joint venture partner do not provide any basis for awarding credit. For example, descriptions such as "participate in the budgeting process," "assist with hiring," or "work with managers to improve customer service" do not identify distinct, clearly defined portions of the work. Roles assigned should require activities that are performed on a regular, recurring basis rather than as needed. The roles must also be pertinent to the nature of the business for which credit is being sought. For instance, if the scope of work required by the City entails the delivery of goods or services to various sites in the City, stating that the MBE or WBE joint venture partner will be responsible for the performance of all routine maintenance and all repairs required to the vehicles used to deliver such goods or services is pertinent to the nature of the business for which credit is being sought.

**IV. Counting MBE and WBE Participation Towards the Contract Specific Goals Work items to be performed
by the MBE'Gs or WBE'Ds own forces**

Refer to this section when preparing the MBE/WBE compliance plan and completing Schedule D-1 for guidance on what value of the participation by MBEs and WBEs will

232

be counted toward the stated Contract Specific Goals. The "Percent Amount of Participation" depends on whether and with whom a MBE or WBE subcontracts out any portion of its work and other factors.

Firms that are certified as both MBE and WBE may only be listed on a bidder's compliance plan as either a MBE or a WBE to demonstrate compliance with the Contract Specific Goals. For example, a firm certified as both a MBE and a WBE may only listed on the bidder's compliance plan under one of the categories, but not both. Additionally, a firm that is certified as both a MBE and a WBE could not self-perform 100% of a contract, it would have to show good faith efforts to meet the Contract Specific Goals by including in its compliance plan work to be performed by another MBE or WBE firm, depending on which certification that dual- certified firm chooses to count itself as.

- A. Only expenditures to firms that perform a Commercially Useful Function as defined above may count toward the Contract Specific Goals.
- B. The CPO will determine whether a firm is performing a commercially useful function by evaluating the amount of work subcontracted, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and the credit claimed for its performance of the work, industry practices, and other relevant factors.

A. A MBE or WBE does not perform a commercially useful function if its participation is only required to receive payments in order to obtain the appearance of MBE or WBE participation. The CPO may examine similar commercial transactions, particularly those in which MBEs or WBEs do not participate, to determine whether non MBE and non WBE firms perform the same function in the marketplace to make a determination.

- Only the value of the dollars paid to the MBE or WBE firm for work that it performs in its Area of Specialty in which it is certified counts toward the Contract Specific Goals.

Only payments made to MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements above will be counted toward the Contract Specific Goals.

- If the MBE or WBE performs the work itself:
 - 100% of the value of work actually performed by the MBE's or WBE's own forces shall be counted toward the Contract Specific Goals, including the cost of supplies purchased or equipment leased by the MBE or WBE from third parties or second tier subcontractors in order to perform its (sub)contract with its own forces. 0% of the value of work at the project site that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals

233

- If the MBE or WBE is a manufacturer:
 - 100% of expenditures to a MBE or WBE manufacturer for items needed for the Contract shall be counted toward the Contract Specific Goals. A manufacturer is a firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the bidder or contractor.
- If the MBE or WBE is a distributor or supplier:
 - 60% of expenditures for materials and supplies purchased from a MBE or WBE that is certified as a regular dealer or supplier shall be counted toward the Contract Specific Goals.
- If the MBE or WBE is a broker:
 - 0% of expenditures paid to brokers will be counted toward the Contract Specific Goals.
 - As defined above. Brokers provide no commercially useful function.
- If the MBE or WBE is a member of the joint venture contractor/bidder:
 - A joint venture may count the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the contract that the MBE or WBE performs with its own forces toward the Contract Specific Goals.
 - OR if employees of this distinct joint venture entity perform the work then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in Schedule B.
 - Note: a joint venture may also count the dollar value of work subcontracted to other MBEs and WBEs, however, work subcontracted out to non-certified firms may not be counted.

C. If the MBE or WBE subcontracts out any of its work:

1. 100% of the value of the work subcontracted to other MBEs or WBEs performing work in its Area of Specialty may be counted toward the Contract Specific Goals.
2. 0% of the value of work that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals (except for the cost of supplies purchased or equipment leased by the MBE or WBE from third parties or second tier subcontractors in order to perform its (sub)contract with its own forces as allowed by C1. above).
3. The fees or commissions charged for providing a bona fide service, such as professional, technical, consulting or managerial services or for providing bonds or insurance or the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the Contract, may be counted toward the Contract Specific Goals, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar

234

services.

4. The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.
5. The fees or commissions charged for providing any bonds or insurance, but not the cost of the premium itself, specifically required for the performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees

customarily allowed for similar services.

V. Procedure to Determine Bid Compliance

The following Schedules and requirements govern the bidder's or contractor's MBE/WBE proposal:

- Schedule B: MBE/WBE Affidavit of Joint Venture
 - Where the bidder's Compliance Plan includes the participation of any MBE or WBE as a joint venture partner, the bidder must submit with its bid a Schedule B and the proposed joint venture agreement. See Section III above for detailed requirements.

- Schedule C: MBE/WBE Letter of Intent to Perform as a Subcontractor or Supplier

The bidder must submit the appropriate Schedule C with the bid for each MBE and WBE included on the Schedule D. The City encourages subcontractors to utilize the electronic fillable format Schedule C, which is available at the Department of Procurement Services website, <<http://cityofchicago.org/forms>>. Suppliers must submit the Schedule C for Suppliers, first tier subcontractors must submit a Schedule C for Subcontractors to the Prime Contractor and second or lower tier subcontractors must submit a Schedule C for second tier Subcontractors. Each Schedule C must accurately detail the work to be performed by the MBE or WBE and the agreed upon rates/prices. Each Schedule C must also include a separate sheet as an attachment on which the MBE or WBE fully describes its proposed scope of work, including a description of the commercially useful function being performed by the MBE or WBE in its Area of Specialty. If a facsimile copy of the Schedule C has been submitted with the bid, an executed original Schedule C must be submitted by the bidder for each MBE and WBE included on the Schedule D within five (5) business days after the date of the bid opening.

235

D. Schedule D: Compliance Plan Regarding MBE and WBE Utilization

The bidder must submit a Schedule D with the bid. The City encourages bidders to utilize the electronic fillable format Schedule D, which is available at the Department of Procurement Services website, <<http://cityofchicago.org/forms>>. An approved Compliance Plan is required before a contract may commence.

The Compliance Plan must commit to the utilization of each listed MBE and WBE. The bidder is responsible for calculating the dollar equivalent of the MBE and WBE Contract Specific Goals as percentages of the total base bid. All Compliance Plan commitments must conform to the Schedule Cs.

A bidder or contractor may not modify its Compliance Plan after bid opening except as directed by the Department of Procurement Services to correct minor errors or omissions. Bidders shall not be permitted to add MBEs or WBEs after bid opening to meet the Contract Specific Goals, however, contractors are encouraged to add additional MBE/WBE vendors to their approved compliance plan during the performance of the contract when additional opportunities for participation are identified. Except in cases where substantial, documented justification is provided, the bidder or contractor shall not reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedule Cs and Schedule D. All terms and conditions for MBE and WBE participation on

the contract must be negotiated and agreed to between the bidder or contractor and the MBE or WBE prior to the submission of the Compliance Plan. If a proposed MBE or WBE ceases to be available after submission of the Compliance Plan, the bidder or contractor must comply with the provisions in Section VII.

E. Letters of Certification

A copy of each proposed MBE's and WBE's Letter of Certification from the City of Chicago must be submitted with the bid.

A Letters of Certification includes a statement of the MBE's or WBE's area(s) of specialty. The MBE's or WBE's scope of work as detailed in the Schedule C must conform to its area(s) of specialty. Where a MBE or WBE is proposed to perform work not covered by its Letter of Certification, the MBE or WBE must request the addition of a new area at least 30 calendar days prior to the bid opening.

F. Schedule F: Report of Subcontractor Solicitations

A Schedule F must be submitted with the bid, documenting all subcontractors and suppliers solicited for participation on the contract by the bidder. Failure to submit the Schedule F may render the bid non-responsive.

236

0

G. Schedule H: Documentation of Good Faith Efforts

1. If a bidder determines that it is unable to meet the Contract Specific Goals, it must document its good faith efforts to do so, including the submission of Attachment C, Log of Contacts.

H. If the bidder's Compliance Plan demonstrates that it has not met the Contract Specific Goals in full or in part, the bidder must submit its Schedule H no later than three business days after notification by the Chief Procurement Officer of its status as the apparent lowest bidder. Failure to submit a complete Schedule H will cause the bid to be rejected as non-responsive.

I. Documentation must include but is not necessarily limited to:

1. A detailed statement of efforts to identify and select portions of work identified in the bid solicitation for subcontracting to MBEs and WBEs;
2. A listing of all MBEs and WBEs contacted for the bid solicitation that includes:

Names, addresses, emails and telephone numbers of firms solicited; Date and time of contact; Person contacted;
Method of contact (letter, telephone call, facsimile, electronic mail, etc.).

3. Evidence of contact, including:
Project identification and location;
Classification/commodity of work items for which quotations were sought;

Date, item, and location for acceptance of subcontractor bids; Detailed statements summarizing direct negotiations with appropriate MBEs and WBEs for specific portions of the work and indicating why agreements were not reached. > Bids received from all subcontractors.

4. Documentation of bidder or contractor contacts with at least one of the minority and women assistance associations on Attachment A.
- Agreements between a bidder or contractor and a MBE or WBE in which the MBE or WBE promises not to provide subcontracting quotations to other bidders or contractors are prohibited.

237

- Prior to award, the bidder agrees to promptly cooperate with the Department of Procurement Services in submitting to interviews, allowing entry to places of business, providing further documentation, or soliciting the cooperation of a proposed MBE or WBE. Failure to cooperate may render the bid non-responsive.
- If the City determines that the Compliance Plan contains minor errors or omissions, the bidder or contractor must submit a revised Compliance Plan within five (5) business days after notification by the City that remedies the minor errors or omissions. Failure to correct all minor errors or omissions may result in the determination that a bid is non-responsive.
- No later than three (3) business days after receipt of the executed contract, the contractor must execute a complete subcontract agreement or purchase order with each MBE and WBE listed in the Compliance Plan. No later than eight (8) business days after receipt of the executed contract, the contractor must provide copies of each signed subcontract, purchase order, or other agreement to the Department of Procurement Services.

VI. Demonstration of Good Faith Efforts

I. In evaluating the Schedule H to determine whether the bidder or contractor has made good faith efforts, the performance of other bidders or contractors in meeting the goals may be considered.

II. The Chief Procurement Officer shall consider, at a minimum, the bidder's efforts to:

1. Solicit through reasonable and available means at least 50% (or at least five when there are more than eleven certified firms in the commodity area) of MBEs and WBEs certified in the anticipated scopes of subcontracting of the contract, as documented by the Schedule H. The bidder or contractor must solicit MBEs and WBEs within seven (7) days prior to the date bids are due. The bidder or contractor must take appropriate steps to follow up initial solicitations with interested MBEs or WBEs.
2. Advertise the contract opportunities in media and other venues oriented toward MBEs and WBEs.
3. Provide interested MBEs or WBEs with adequate information about the plans, specifications, and requirements of the contract, including addenda, in a timely manner to assist them in responding to the solicitation.

4. Negotiate in good faith with interested MBEs or WBEs that have submitted bids. That there may be some additional costs involved in soliciting and using MBEs and WBEs is not a sufficient reason for a bidder's failure to meet the Contract Specific Goals, as long as such costs are reasonable.
5. Not reject MBEs or WBEs as being unqualified without sound reasons based on a thorough investigation of their capabilities. The MBE's or WBE's standing within its industry, membership in specific groups, organizations, or associations and political or social affiliations are not legitimate causes for rejecting or not soliciting bids to meet the Contract Specific Goals.
6. Make a portion of the work available to MBE or WBE subcontractors and suppliers and selecting those portions of the work or material consistent with -the available MBE or WBE subcontractors and suppliers, so as to facilitate meeting the Contract Specific Goals.
7. Make good faith efforts, despite the ability or desire of a bidder or contractor to perform the work of a contract with its own organization. A bidder or contractor who desires to self-perform the work of a contract must demonstrate good faith efforts unless the Contract Specific Goals have been met.
8. Select portions of the work to be performed by MBEs or WBEs in order to increase the likelihood that the goals will be met. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate MBE or WBE participation, even when the bidder or contractor might otherwise prefer to perform these work items with its own forces.
- J. Make efforts to assist interested MBEs or WBEs in obtaining bonding, lines of credit, or insurance as required by the City or bidder or contractor.
- K. Make efforts to assist interested MBEs or WBEs in obtaining necessary equipment, supplies, materials, or related assistance or services; and
- L. Effectively use the services of the City; minority or women community organizations; minority or women assistance groups; local, state, and federal minority or women business assistance offices; and other organizations to provide assistance in the recruitment and placement of MBEs or WBEs.
 1. If the bidder disagrees with the City's determination that it did not make good faith efforts, the bidder may file a protest pursuant to the Department of Procurement Services Solicitation and Contracting

Process Protest Procedures within 10 business days of a final adverse decision by the Chief Procurement Officer.

VII. Changes to Compliance Plan

- No changes to the Compliance Plan or contractual MBE and WBE commitments or substitution of MBE or WBE subcontractors may be made without the prior written approval of the Chief Procurement Officer. Unauthorized changes or substitutions, including performing the work designated for a subcontractor with the contractor's own forces, shall be a violation of these Special Conditions and a breach of the contract with the City, and may cause termination of the executed Contract for breach, and/or subject the bidder or contractor to contract remedies or other sanctions. The facts supporting the request for changes must not have been known nor reasonably could have been known by the parties prior to entering into the subcontract. Bid shopping is prohibited. The bidder or contractor must negotiate with the subcontractor to resolve the problem. If requested by either party, the Department of Procurement Services shall facilitate such a meeting. Where there has been a mistake or disagreement about the scope of work, the MBE or WBE can be substituted only where an agreement cannot be reached for a reasonable price for the correct scope of work.
- Substitutions of a MBE or WBE subcontractor shall be permitted only on the following basis:
 - Unavailability after receipt of reasonable notice to proceed;
 - Failure of performance;
 - Financial incapacity;
 - Refusal by the subcontractor to honor the bid or proposal price prscope;
 - Mistake of fact or law about the elements of the scope of work of a solicitation where a reasonable price cannot be agreed;
 - Failure of the subcontractor to meet insurance, licensing or bonding requirements;
 - The subcontractor's withdrawal of its bid or proposal; or
 - De-certification of the subcontractor as a MBE or WBE. (Graduation from the MBE/WBE program does not constitute de-certification.)
- If it becomes necessary to substitute a MBE or WBE or otherwise change the Compliance Plan, the procedure will be as follows:
 - M. The bidder or contractor must notify the Chief Procurement Officer in writing of the request to substitute a MBE or WBE or otherwise change the Compliance Plan. The request must state specific reasons for the substitution or change. A letter from the MBE or WBE to be substituted or affected by the change stating that it cannot perform on the contract or that it agrees with the change in its
240
scope of work must be submitted with the request.
 - N. The City will approve or deny a request for substitution or other change within 15 business days of receipt of the request.
 - O. Where the bidder or contractor has established the basis for the substitution to the satisfaction of the Chief Procurement Officer, it must make good faith efforts to meet the Contract Specific Goal by substituting a MBE or WBE subcontractor. Documentation of a replacement MBE or WBE, or of good faith efforts, must meet the requirements in sections V and VI. If the MBE or WBE Contract Specific Goal cannot be reached and good faith efforts have been made, as determined by the Chief Procurement Officer, the bidder or contractor may substitute with a non- MBE or non-WBE.

- P. If a bidder or contractor plans to hire a subcontractor for any scope of work that was not previously disclosed in the Compliance Plan, the bidder or contractor must obtain the approval of the Chief Procurement Officer to modify the Compliance Plan and must make good faith efforts to ensure that MBEs or WBEs have a fair opportunity to bid on the new scope of work.
- Q. A new subcontract must be executed and submitted to the Chief Procurement Officer within five business days of the bidder's or contractor's receipt of City approval for the substitution or other change.
- D. The City shall not be required to approve extra payment for escalated costs incurred by the contractor when a substitution of subcontractors becomes necessary to comply with MBE/WBE contract requirements.

VIII. Renorting and Record Keening

- During the term of the contract, the contractor and its non-certified subcontractors must submit partial and final waivers of lien from MBE and WBE subcontractors that show the accurate cumulative dollar amount of subcontractor payments made to date. Upon acceptance of the Final Quantities from the City of Chicago, FINAL certified waivers of lien from the MBE and WBE subcontractors must be attached to the contractor's acceptance letter and forwarded to the Department of Procurement Services, Attention: Chief Procurement Officer.
- The contractor will be responsible for reporting payments to all subcontractors on a monthly basis in the form of an electronic audit. Upon the first payment issued by the City of Chicago to the contractor for services performed, on the first day of each month and every month thereafter, email and/or fax audit

241

notifications will be sent out to the contractor with instructions to report payments that have been made in the prior month to each MBE and WBE. The reporting of payments to all subcontractors must be entered into the Certification and Compliance Monitoring System (C2), or whatever reporting system is currently in place, on or before the fifteenth (15th) day of each month.

Once the prime contractor has reported payments made to each MBE and WBE, including zero dollar amount payments, the MBE and WBE will receive an email and/or fax notification requesting them to log into the system and confirm payments received. All monthly confirmations must be reported on or before the

: 20th day of each month. Contractor and subcontractor reporting to the C2 system must be completed by the 25th of each month or payments may be withheld.

All subcontract agreements between the contractor and MBE/WBE firms or any first tier non-certified firm and lower tier MBE/WBE firms must contain language requiring the MBE/WBE to respond to email and/or fax notifications from the City of Chicago requiring them to report payments received for the prime or the non-certified firm.

Access to the Certification and Compliance Monitoring System (C2), which is a web based reporting

system, can be found at: <<http://chicago.mwdbe.com>>

- R. The Chief Procurement Officer or any party designated by the, Chief Procurement Officer shall have access to the contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the contractor's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the contractor's records by any officer or official of the City for any purpose.
- S. The contractor shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs, retaining these records for a period of at least five years after final acceptance of the work. Full access to these records shall be granted to City, federal or state authorities or other authorized persons.

IX. Non-Compliance

- Without limitation, the following shall constitute a material breach of this contract and entitle the City to declare a default, terminate the contract, and exercise those remedies provided for in the contract at law or in equity: (1) failure to demonstrate good faith efforts; and (2) disqualification as a MBE or

242

WBE of the contractor or any joint venture partner, subcontractor or supplier if its status as an MBE or WBE was a factor in the award of the contract and such status was misrepresented by the contractor.

- Payments due to the contractor may be withheld until corrective action is taken.
- Pursuant to 2-92-740, remedies or sanctions may include disqualification from contracting or subcontracting on additional City contracts for up to three years, and the amount of the discrepancy between the amount of the commitment in the Compliance Plan, as such amount may be amended through change orders or otherwise over the term of the contract, and the amount paid to MBEs or WBEs. The consequences provided herein shall be in addition to any other criminal or civil liability to which such entities may be subject.
- The contractor shall have the right to protest the final determination of noncompliance and the imposition of any penalty by the Chief Procurement Officer pursuant to 2-92-740 of the Municipal Code of the City of Chicago, within 15 business days of the final determination.

X. Arbitration

If the City determines that a contractor has not made good faith efforts to fulfill its Compliance Plan, the affected MBE or WBE may recover damages from the contractor.

Disputes between the contractor and the MBE or WBE shall be resolved by binding

arbitration before the American Arbitration Association (AAA), with reasonable expenses, including attorney's fees and arbitrator's fees, being recoverable by a prevailing MBE or WBE. Participation in such arbitration is a material provision of the Construction Contract to which these Special Conditions are an Exhibit. This provision is intended for the benefit of any MBE or WBE affected by the contractor's failure to fulfill its Compliance Plan and grants such entity specific third party beneficiary rights. These rights are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a contractor and a MBE or WBE. Failure by the Contractor to participate in any such arbitration is a material breach of the Construction Contract.

A MBE or WBE seeking arbitration shall serve written notice upon the contractor and file a demand for arbitration with the AAA in Chicago, IL. The dispute shall be arbitrated in accordance with the Commercial Arbitration Rules of the AAA. All arbitration fees are to be paid pro rata by the parties.

243

The MBE or WBE must copy the City on the Demand for Arbitration within 10 business days after filing with the AAA. The MBE or WBE must copy the City on the arbitrator's decision within 10 business days of receipt of the decision. Judgment upon the arbitrator's award may be entered in any court of competent jurisdiction.

XT-Equal Employment Opportunity

Compliance with MBE and WBE requirements will not diminish or supplant equal employment opportunity and civil rights provisions as required by law related to bidder or contractor and subcontractor obligations.

6/15/2020 - Revised

Definitions

In addition to the terms defined elsewhere, the following words, phrases, when capitalized, have the following meanings:

"Airport", refers to O'Hare International Airport (ORD) and/or Midway International Airport (MDW). "Airport Concession Program Handbook" refers to the manual created by CDA to coordinate operations of the Concession location with the CDA, including inspections, daily operations, and construction. "As-Built Drawings" refers to the drawings that document on-site changes to the original construction documents. The initial plan markups are submitted by the General Contractor to the Architect of Record for submission to CDA. These drawings are required by Chicago Department of Aviation as part of the close out documentation package. "Business Day" refers to a measurement of time that typically is a day in which normal business is conducted Monday through Friday; excluding Saturday, Sunday and City of Chicago holidays for all documentation and design submittals.

"Chicago Department of Aviation" (CDA) refers to the managing entity for the Airports on behalf of the City of Chicago.

"CDA CAD / BIM Standards" refers to the standards created by the Chicago Department of Aviation describing requirements for drawings

"CDA's Coordinating Architect of Design and Construction" refers to the designee appointed by the CDA to oversee the design creation and review process. This entity may also be involved in the review of the construction process to ensure coordination with the design.

"CDA Concessions" (CDA-C) refers to the department within CDA responsible for the oversight of the concessions program or its Concessions Management Representative (CMR)

"CDA Point of Contact" (CDA POC) refers to a designee assigned by CDA to oversee the development of the construction project on behalf of CDA.

"CDA Project Number" refers to the CDA project identification number that is required to be included on all correspondence and applications submitted throughout the design and construction process. "CDA Construction Safety Manual" refers to the manual, as amended from time to time, created by The City of Chicago, to incorporate health and safety regulations as the responsibility of the Contractor working on airport premises. See Exhibit D.5

"CDA Safety" refers to any party working for, or on behalf of, the CDA in regard to safety, security, or similar airport operations.

"Chicago Department of Public Health" (CDPH) refers to the City of Chicago entity responsible for enforcing Chicago Health Codes, by performing inspections and administering permits. "Concessionaire" refers to the leaseholder or tenant in the business of selling products or services to the public at the Airport. "Concessionaire Point of Contact" (Concessionaire POC) refers to any party working on behalf of a concessionaire; which will include architects and their engineers and consultants (POC Architect), and the general contractors and their subcontractors (POC Contractor)

contractors and their subcontractors (i.e. contractor).

"Concessions" refers to non-rental car concession businesses at the Airport selling products or services to the public.

"Concessions Design Guidelines for Midway" refers to the guidelines established by the CDA regarding overall design intent and to provide quality, material, signage, lighting and system standards for concessions development at Chicago Midway International Airport (MDW).

"Concessions Design Guidelines for O'Hare" refers to the guidelines established by the CDA regarding overall design intent and to provide quality, material, signage, lighting and system standards for concessions development at Chicago O'Hare International Airport (ORD).

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 3 of 23

CHICAGO DEPARTMENT OF AVIATION

"Concessions Management Representative" (CMR) refers to the entity or entities retained by the CDA to assist in overseeing Concessions, including construction of Improvements at the airport.

"Construction Services" refers to the portion of the project involving construction, including but not limited to trade labor, material purchase, equipment purchase, tool or equipment rentals, support services such as safety monitoring, clean up labor, delivery costs, taxes, etc. that directly results in a code compliant concession location. "Department of Buildings" refers to the City of Chicago entities responsible for enforcing Chicago Building Codes, by performing inspections and administering permits including the Ventilation Department, Electrical Department, Plumbing Department, and New Construction Department.

"Design and Construction Standard Operating Procedures; Concessions Projects" (C-SOP) refers to the guidelines established by CDA and CDA Concessions as the process by which all Concessions projects are reviewed and approved.

"Design Documents" refers to the documents that illustrate and describe the project design by defining scope, relationships, forms, size and appearance of the project with specifications, plans, sections, elevations, perspectives, typical sectional details, diagrams and equipment layouts.

"Liquor License" refers to the City of Chicago entity responsible to enforce the Chicago Liquor Licensure by performing inspections and administering permits.

"Pre-Construction Meeting" refers to the mandatory meeting held prior to project construction.

"Project's Digital Design Coordinator" (DDC) refers to the Concessionaire's architect's and engineer's point of contact for document exchange. Multiple members of the design team may have password access, but only the DDC should contact the CDA POC if follow up coordination is required.

"Project Initiation Letter" (PIL) refers to the concessionaire's formal letter submittal to CDA Design and Construction requesting a CDA Project Number. The Project Initiation Letter should clearly define the project and scope. Please refer to Exhibit A for a list of items to be included in the PIL.

"Professional Services" refers to the portion of the project involving design, coordination, or post-construction work including but not limited to design, code review, project or program coordination, etc. that is associated with, but not necessarily required for the concession location. Note that work performed by an employee of the Concessionaire does not count as Professional Services.

"Retail Management System" (RMS) refers to the CDA's secure concessions portal, AirportWare™ Software Suite, for Capital Program Management, Lease Management, Aviation Statistics, and Facilities Inspection.

"Review Comments Form" refers to the CDA template used to document all reviewing parties' comments regarding the drawing submittal.

"Review and Conditions Letter" refers to the document that is issued by CDA and used at all submittals throughout the drawing

REVIEW AND CONDITIONS LETTER refers to the document that is issued by CDA and used at all submittals throughout the drawing review process as a communication and response tool between review parties and the Concessionaire.

"The Sustainable Airport Manual (SAM™)" refers to the manual created by CDA to incorporate and track sustainability in administrative procedures, planning, design and construction, operations and maintenance, and concessions and tenants with minimal impact to project schedules or budgets.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 4 of 23

Introduction

O'Hare and Midway International Airports are owned by the City of Chicago and operated by the Chicago Department of Aviation (CDA). As a department within the City of Chicago, CDA is responsible for the management of the Airports, including the concessions program, and accordingly CDA reserves the right to review and approve the construction or modification of any Concession on Airport property.

For O'Hare International Airport official addresses and site map refer to:

- Exhibit 1: O'Hare International Airport Official Addresses and Site Map(s)

For Midway International Airport official addresses and site map refer to:

- Exhibit 2: Midway International Airport Official Addresses and Site Map

The procedures, submission requirements, and deadlines set forth in this C-SOP document are mandatory and may only be waived in unique circumstances upon written approval by CDA Concessions. CDA reserves the right to modify the requirements at any time.

The Concessionaire shall provide evidence of professional services throughout all stages of work. All project documentation shall be prepared, signed, and stamped by a licensed design professional. Throughout the design process the Concessionaire is to utilize the most sustainable design practices in the industry with reference to the Sustainable Airport Manual (SAM™) to the extent dictated in the Concessionaire's signed Lease and License Agreement. The CDA, through its Design and Construction Division & CDA Concessions, reviews, oversees, and approves design and work for all new construction, renovation, and remodeling projects at the Airports.

Project oversight varies based on milestones

- Compliance Overview

Development and Design Process Overview

The concept development and design process has been established to provide a systematic and organized process by which a concessions concept and design are reviewed and approved by CDA Concessions. It should be noted that field verification is mandatory for all projects.

STEP 1.0: Project Initiation

1.1: Concept Proposal and Design Presentation

In order to begin a remodel project, store renovation or concept change, CDA Concessions must approve the proposed project and/or concept. The Concessionaire's concept design should include spatial relationships or models as necessary to describe the image and function of the project for CDA's review. CDA Concessions will be available to assist with the presentation scheduling.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 5 of 23

The Concessionaire must provide the following items at the Conceptual Design presentation:

- 1) Site Plan
- 2) Concept plan
- 3) Proposed terminal, concourse and requested square footage,
- 4) The existing to remain or newly proposed lease line
- 5) Design perspectives / renderings (illustrative images)
- 6) Design plans / elevations
- 7) Proposed materials / finish board (to be mailed to the address below)
- 8) Preliminary overall project schedule
- 9) Preliminary construction budget
- 10) Sample menu

The concepts documents should be submitted via email to:

O'Hare International Airport Contacts

Midway International Airport Contacts

O'Hare International Airport Contacts

Chicago Department of Aviation Chicago Department of Aviation
Aviation Administration Building
Attn: Deputy Commissioner Concessions
10510 West Zemke Rd. 10510 West Zemke Rd.
Chicago, IL 60666 Chicago, IL 60666
Email: ordretailconstructionofficofchicago.org

Midway International Airport Contacts

Chicago Department of Aviation Chicago Department of Aviation
Aviation Administration Building
Attn: Deputy Commissioner Concessions
10510 West Zemke Rd. 10510 West Zemke Rd.
Chicago, IL 60666 Chicago, IL 60666
Email: [mdwretailconstruction\(Sicityofchicago.org](mailto:mdwretailconstruction(Sicityofchicago.org)

These items will be reviewed by CDA Concessions for completeness. The Concessionaire will be contacted via email or hard copy letter with review results within ten (10) business days of the Concept presentation with comments and direction regarding items that need revisions or enhancements, and that should be addressed before the Concessionaire moves forward to submit a Project Initiation Letter.

1.2: Project Initiation Letter

When CDA Concessions issues written approval for the conceptual design, the Concessionaire shall submit to CDA's Coordinating Architect of Design and Construction, a Project Initiation Letter (PIL) on Concessionaire's or Concessionaire's Architect's letterhead. Within ten (10) business days of receiving the PIL, CDA will send a "Response to Project Initiation Letter" to the Concessionaire with comments and direction regarding the required number of and completion level of design submittals, along with the assigned CDA Project Number which must be included on all future project correspondence and submittals including permits.

CDA's Coordinating Architect of Design and Construction will determine if the scope of work requires a CDA Project Number as well as a full design and construction review. At that time, it is also determined if compliance with the SAM™ is required. Not all projects will be assigned a CDA Project Number or must be SAM™ compliant. Based on the construction scope and duration, some projects may be eligible to proceed through CDA's eForm system (for more information on eForms see Step 5). All Concessionaire questions, concerns, or requests for information or project coordination should be directed to the CDA POC.

For a list of required documentation to include in the PIL refer to: • Exhibit A: Project Initiation Letter Submittal Check List

Please refer to Step 1.1 for where O'Hare and Midway Pre-Construction Submittals should be sent.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 6 of 23

Once the PIL has been received and acknowledged, the project owner and/or representative is responsible and required to provide the following project documentation and electronic documentation to the CDA Concessions POC:

- Project written reports pertaining to all Design Reviews, Pre-Construction, Construction and PostConstruction updates e-mailed to the CDA POC as requested. The project owner and/or representative is to ensure all project meetings be attended by a project representative. Please refer to Step 6.6 for further information.

1.3: Sustainable Airport Manual (SAM™)

The Concessionaire is required to submit a Sustainable Airport Manual (SAM™) Checklist. The Designer will complete and submit a checklist for the SAM™ Terminal Occupants - Design & Construction Chapter (SAM™ TO-DC Credits 1.0 to 6.0) and include all relevant supporting documentation. Be advised that the Terminal Occupants -Operations & Maintenance (CT-OM) checklist is not required for construction projects (all projects would need to submit a checklist). Please refer to link below:

[SAM™ Manual](#)

End of STEP 1

STEP 2.0: Design Review

All projects require review by CDA Concessions. The Concessionaire's design professional shall perform code review to determine what permits are required. If it is determined that the scope of work does not require permit(s), the design professional shall provide this determination in writing to CDA Concessions. Otherwise, building permits are issued by the Department of Buildings. CDA encourages the Concessionaire to allow ample schedule time to acquire the required building permits. Please note that if a sign construction permit is required, it can only be obtained by a licensed sign contractor. All projects are to conform and comply with all applicable CDA standards.

2.1: Concessionaire and Concessionaire's Consultants' Responsibilities

The Concessionaire is ultimately responsible for all work designed, approved and constructed in the Airport by its vendors and consultants.

2.2: Design Overview

The design review process includes design drawing, review, and approval. The project design timeline will vary based on multiple factors, such as scope of work, existing conditions, drawing completeness at time of submittal, and/or as dictated by CDA.

Please note:

- CDA's design review requires a minimum of fifteen (15) business days.
- Concessionaire's design professional is allotted thirty (30) business days after receipt of CDA comments to submit the next drawing package.

30% Design Submittal

100% Construction Document Submittal

Final CDA Document Submittal

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 7 of 23

The Concessionaire will receive a "Review and Conditions Letter" that either approves the submittal with qualifications, "Reviewed as Noted" or a "Revise and Resubmit".

2.3: Design Submittals

The Concessionaire will submit to the CDA's Coordinating Architect of Design and Construction, at the 30%, 60%, 90%, and 100% design completion levels, or other completion level combinations based upon review and completeness of the initial and follow-up submittals. Less complex projects may be approved to deviate from this requirement, which will be addressed in CDA's "Response to Project Initiation Letter".

The Concessionaire is required to prepare and submit architectural and engineering drawings, material samples, specifications, lighting schedule and catalog cuts, display fixture and equipment plans, and other technical data as necessary to create a complete design package. The submittal must be in accordance with General Procedures and as described in the Concession Lease and License Agreement.

- 1) The design drawing documents shall be prepared by design professionals licensed to practice in the State of Illinois.
- 2) Particular attention should be given to the non-combustible classification of the building, related flame spread ratings and smoke

- 2) Particular attention should be given to the non-combustible classification of the building, related flame spread ratings and smoke development classification of materials. Documentation should demonstrate compliance with these requirements.
- 3) Concessionaire documentation for all submissions shall be provided in imperial measurement at the following suggested minimum scales:
 - a) Key plans; 1/32" = 1'-0", with the location of the space clearly identified by the column line designation.
 - b) Floor plans, reflected ceiling plans, merchandising plans, interior elevations, sections and related details; V*n = 1'-0".
 - c) Passenger traffic flow diagrams (queuing) and adjacency plans at 1/8" = 1'-0".
 - d) Storefronts, signage, logos and lettering, in elevation, section or detail; 'A" = 1'-0".
 - e) Sample boards identifying all proposed materials, 11" x 17" panel minimum, include legend.
 - f) Sample boards identifying photos for all proposed furniture and lighting fixtures, 11" x 17" panel minimum, include legend.
 - g) Renderings 11" x 17" or larger for presentation, provide 11" x 17" hand-out copies to be distributed to the attendees.
- 4) All drawings shall be submitted in accordance to CDA CAD / BIM Standards. Electronic submittals will also be accepted in AutoCAD format or the current CDA standard format. A complete set of PDFs is also required as part of each Concessionaire design submission. During design development, at the Concessionaire's request, CDA will make available known as-built files.
- 5) Concessionaire and design team to relay existing condition findings to CDA Facilities for review and approval before submitting the 30% design submittal. An in-person meeting maybe required. The CDA POC will help facilitate a meeting date and time.

2.4: Concessionaire and CDA Signage

Sign design documents must be submitted for review and approval by CDA separate from the phase submittals. Each project must include an illuminated storefront sign. Where it is applicable a blade sign may also be included. Design documents for the signage must express the image, location, specifications, materials, and dimensions. All signage, with or without electrical components, require a sign permit from the Department of Buildings; which can only be obtained by a licensed sign contractor.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP)

Page 8 of 23

6/15/2020 - Revised

The Concessionaire must inform the CDA Concessions POC if the project requires airport owned signage removal or modification. A walk through with CDA Concessions will be scheduled to ensure adequate time will be allotted for the required airport owned sign work to occur during the construction phase. Any CDA signage needing to be removed or relocated within the project area must be performed by CDA. If CDA signage is located within the project area, the Concessionaire must include specifications in the construction documents, detailing steps to be taken by the contractor to adequately protect all CDA signage to ensure it is not damaged during construction.

2.5: Review Comments

CDA's Coordinating Architect of Design and Construction will distribute a blank "Review Comments Form" form to the appropriate review team. This document will be distributed as an Excel Workbook file and will only be used by the reviewer for their comments. After all comments have been made, each reviewer will send back their comments to the CDA's Coordinating Architect of Design and Construction.

The designer is to provide written line item responses to all comments in the workbook file. This process will repeat for each review phase, as designated in the CDA's "Response to Project Initiation Letter".

Please refer to:

Exhibit B: Submittal Review Comments Form Concessions 2.6: Response to

Comments

The Concessionaire is required to respond to all review comments listed on the Review Comments Form, as well as any issues identified in the "Review and Conditions Letter". The spreadsheet column titled "Concessionaire Response" must be completed and accompany the preceding design submittal. Failure to do so will affect the design review process timeline. Concessionaire must respond to all review comments, in writing and submit within or no less than three (3) business days prior to the request for a Pre-Construction Meeting.

2.7: Requests for Information

Concessionaire questions, concerns or requests for information or project coordination should be directed to the CDA Concessions POC.

2.8: Requests for As-Built Drawings

The Concessionaire, their architect and/or engineer may submit an as-built drawing request from CDA for use in their design. Use the link below "Document Request Form" and submit it to the CDA for approval. As-built drawings will not be available until the form is signed by CDA. The Concessionaire, their architect and/or engineer will be notified by the CDA if and when the drawings are available. Please refer to:

- **Exhibit B.1: CDA Standard Electronic Document Request Form 2.9: Requests for CDA**

Design Standards Variance

The Concessionaire, their architect and/or engineer may submit a request for a variance to the CDA Design Standards. Use the link below to access the "Designer's Request for CDA Design Standards Variance" form. The variance must be reviewed and approved by CDA Design and Construction. Please refer to:

- **Exhibit B.2: Designer's Request For CDA Design Standards Variance Form**

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 9 of 23

2.10: 30% Schematic Design (SD) Submittal

The 30% SD submittal illustrates further development of the Concessionaire's design concept. The 30% SD should respond to the feedback given during the Concept Design Presentation and include, at a minimum, more definitive spatial relationships, updated perspectives, plans, elevations, sections, and overall dimensions and other illustrative materials critical to describing the development of the project.

Work required outside the Concessionaire's lease/license line should be clearly identified on all drawings and communicated directly to the CDA POC. Designs must also specify affected Airport base building structure or utilities, including but not limited to: advertising space, public telephones, vending devices, internet kiosks, charging stations, AED's, fire extinguishers, signage, public address speakers, mechanical, electrical, plumbing, fire protection equipment, etc.

For a detailed list of 30% SD Submittal refer to:

- **Exhibit C: 30% Schematic Design (SD) Submittal Check List**

2.11: CDA Review and Response to 30% SD Submittal

The CDA will provide a "Review and Conditions Letter" as well as a Review Comments Form (see Steps 2.5 and 2.6), which is used for all submittals throughout the design review process between CDA review parties and the Concessionaire's architect or design professional. The letter will include the following information:

- 1) Identify the project status as "Reviewed as Noted" or "Revise and Resubmit".
- 2) Provide comments and direction regarding the proposed scope of work and design submittals.
- 3) If applicable, display the assigned CDA Project Number.
- 4) Determine if the project will require (SAM™) compliance.

2.12: 60% Design Development (DD) Submittal

The 60% DD drawings further enhance the previous submittals and should include: architectural, structural, mechanical, electrical, plumbing, fire protection, and equipment demolition plans as well as MEP existing conditions, floor and reflected ceiling plans, elevations, sections, details, specifications, system diagrams, and structural load calculations. Additionally, this submittal should include meter locations: water, gas and electrical. The 60% DD drawings should convey the full scope of work and all impacts to the Airport base building and adjacent spaces. The Concessionaire, their architect and/or engineer may also be required to attend coordination meetings with CDA to present and clarify the submittal documents. For a detailed list of 60% DD Submittal refer to:

Exhibit C1: 60% Design Development (DD) Submittal Check List Exhibit C.2: Electrical Submittal Check List •

Exhibit C.3: Mechanical, Fire Protection & Plumbing Submittal Check List

2.13: Additional Submittals

CDA Concessions or CDA Design and Construction may determine that the proposed design is more complex and will require an intermediate design review, page turn with the CDA, or site walkthrough to confirm all concerns and questions are sufficiently resolved. The CDA will identify in the 60% "Review and Conditions Letter" that an additional submittal is required and will list the reasons for the request before continuing to the next major phase.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 10 of 23

The additional submittal(s) must address the issues identified by CDA. The Concessionaire is encouraged to schedule a coordination meeting with CDA to discuss the issues identified. See Step 2.15 for where to send Design submittals via email and hardcopies. All submittals to include the project number and design submittal phase on the email subject line i.e. THXXX. 19-00 Concession's Project Name 60% Submission

2.14: Compliance Overview

All Concessionaires are required to comply with the City of Chicago construction compliance rules, city residency requirement and certified payroll requirements. See Step 9 for more information.

2.15: 90% Construction Document (C D) Submittal

The 90% CD drawings further enhance the previous submittals and should include: specifications, signage details and locations, and additional

The 90% CD drawings shall include the previous submittals and shall include specifications, signage details and locations, and additional mechanical, electrical, fire protection, and plumbing details. With the 90% submittal, comments should include minimal outstanding issues that need to be incorporated into the 100% CDs.

For a detailed list of 90% CD Submittal refer to:

- Exhibit C.4: 90 and 100% Construction Document (CD) Submittal Check List

cc: ordretailconstruction@cityofchicago.org cc: mdwretailconstruction@cityofchicago.org <<http://mdwretailconstruction@cityofchicago.org>>

End of STEP 2

STEP 3.0: Final CDA Document Review and Conditional Approval to Construct 3.1: Final CDA Document

Submittal

When the documents are 100% complete, the Concessionaire will need to submit the final documents to CDA for review. If approved, CDA will issue a "Review and Conditions Letter" with a "Reviewed as Noted" status to the Concessionaire, and if applicable, a separate letter to the City of Chicago, Department of Buildings, indicating the construction documents have been reviewed and approved, allowing for the start of the permit application process. For a detailed list of 100% CD Submittal refer to:

- Exhibit C.4: 90 and 100% Construction Document (CD) Submittal Check List

3.2: Pre-Permitting Drawing Set Review and Response

The Concessionaire is required to respond to all review comments listed on the Review Comments Form throughout all design phases. The Concessionaire is to submit a Pre-Permitting Drawing Set for CDA review and approval prior to applying for the project required permits. If any or all review comments have not been incorporated into the Pre-Permitting Drawing Set, the set will not receive approval and/or no construction activities are able to take place until all review comments are incorporated.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 11 of 23

3.3: Applying for Permit with the Chicago Department of Buildings

Following approval of 100% CDs, the project is bid and construction contracts are awarded. It is necessary for the awarded contractor to apply for the required permits from the City of Chicago's Department of Buildings, and any other applicable state and federal authority. The Concessionaire must coordinate the method, process and schedule for the permit application submittals as well as coordinate conduction of final inspections. It is the Concessionaire's sole responsibility to follow-up on the permit issuance process. Note, the Description of Work on the permit must include the associated terminal (i.e. Terminal 2), the closest gate (i.e. E4), the project name and, if applicable, CDA project number.

A list of required work permits is located on the Department of Buildings website. Please note that when a sign construction permit is required, it can only be obtained by a licensed sign contractor.

All Chicago Department of Buildings permit applications and submittals are fully electronic and available via the City's online system "E-Plan" at the following website: <<https://www.chicago.gov/city/en/depts/bldgs>>

3.4: Self-Certification

The Self-Certification Permit Program simplifies the building permit process for eligible residential, business and mercantile and small assembly projects where the Architect of Record takes full responsibility for code compliance. The Department of Buildings plan reviews are eliminated by allowing the Professional of Record to certify that the permit drawings comply with the Chicago Building Code. The Professional of Record must have prepared and sealed the permit drawings, completed DOB's Self-Certification Training Class, and hold an active Self-Certification registration. Structural work cannot be self-certified.

For more information please visit: [Chicago Dept. of Buildings Self Certification Program](#)

End of STEP 3

STEP 4.0: Pre-Construction 4.1: Pre-Construction

Meeting

The Concessionaire POC shall request a Pre-Construction Meeting through CDA as directed in the final CDA review comments. All Pre-Construction documents must be compiled, and electronic copies sent to the CDA prior to scheduling the Pre-Construction Meeting. The Pre-Construction Meeting can be scheduled no sooner than three (3) business days after the final pre-construction document is received.

CDA or the CDA POC will schedule a Pre-Construction Meeting and notify the Concessionaire of the meeting time and location. At the Pre-Construction Meeting, the Concessionaire and their representatives should be prepared to answer any questions regarding the required documentation and the proposed construction. If applicable, the General Contractor must provide proof that the barricade graphic has been produced and is ready for installation; the barricade and graphic must be installed within (7) seven business days from the start of construction. The Pre-Construction Meeting will NOT take place until MBE/WBE Compliance Plans have been reviewed and accepted by the CDA. Please refer to Step 9 for more information on compliance.

At the conclusion of the pre-construction meeting, CDA will determine if the documentation and Concessionaire's

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 12 of 23

response to any questions are complete and, if so, CDA will issue a letter authorizing construction to start. Note that an eForm must also be submitted and approved before construction can start. Please refer to Step 5 for more information on the eForm.

4.2: Pre-Construction Documentation

It is the Concessionaire's POC's responsibility to compile and submit the required documentation in a timely manner in order to maintain the overall project schedule. The list of required documents can be found in Exhibit D. Allow two (2) to four (4) weeks to acquire badging, vehicle permits, building permits and other necessary pre-construction documentation, identified below. Processes for all required Airport badges and permits must be completed for every employee/worker and vehicle involved in the project before work begins. Construction will NOT begin until all required documentation has been submitted and reviewed by the CDA POC.

Pre-Construction document submittal shall include the following: one (1) full size hard copy set of stamped approved plans by the Department of Buildings, one (1) half size set of stamped approved plans by the Department of Buildings, and one (1) PDF of stamped plans approved by the Department of Buildings.

The Pre-Construction Documentation includes the following: Exhibit D: Pre-Construction Meeting Check List Exhibit D.1a or D.1b: Pre-Construction Meeting Form

Exhibit D.2: FAA Approved 7460 Forms - FAA Letter of Determination Exhibit D.3: Impact to CDA Security and TSA Approval Exhibit D.4: Certificate of Insurance (COI)

Exhibit D.5: General Contractor Safety, CDA Construction Safety Manual & Safety Manager Credentials Exhibit D.6: Safety and Security Plan Exhibit D.7 & D.8: Incident Notification Plan Exhibit D.9: Building Permit (example)

4.3: Logistics

The General Contractor must develop a logistic plan prior to the Pre-Construction Meeting. The logistic plan should identify the following:

- 1) Hours of Construction are 10:00 PM to 5:00 AM, unless approved otherwise by the CDA.
- 2) **Obtain employee/worker and vehicle badging, employer /worker information, authorization form and permits. (See Exhibits D.10 & D.11)**
- 3) **Identify dock location for deliveries / Determine dumpster locations. (See Exhibit D.12 & D.13)**
- 4) **Determine site access / Elevator matrix & maps. (See Exhibits D.14 - D.17)**
- 5) **Vehicle Access Form - Airfield (See Exhibit D.18)**
- 6) **Operations Plan - Material delivery and debris removal. (See Exhibit D.19)**
- 7) Create a detailed project schedule that identifies all work phasing
- 8) Identify, any building systems that will be required to be shutdown
- 9) All material storage and staging areas, should be off site or within the barricaded concession area; and
- 10) Contractors and Sub-Contractors new to the Airport are required to perform an onsite facilities training. The CDA POC will facilitate a meeting date time

Please refer to Step 2.15 for where O'Hare and Midway Pre-Construction Submittals should be sent. 4.4: Pre-Construction

Meeting Attendance

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 13 of 23

The following is a list of required attendees: Concessionaire and/or Owner's representative(s): General Contractor's. Project Manager.

Superintendent, and Safety Manager. Concessionaire's design consultant's attendance is optional. The CDA Concessions POC will notify all Airport stakeholders necessary to attend the meeting.

End of STEP 4

STEP 5.0: Notice to Airport User Form (eForm) 5.1: Notice to Airport Users

Form (eForm)

For all construction projects, the Concessionaire is required to submit a Notice to Airport User Form. The Concessionaire shall register or login to the online Notice to Airport Users Form at <<https://eforms.cirvofchicagatJQ.org/uforms>> and create a project start up form indicating scope, start and completion dates. Additional User Forms required during the course of construction will be discussed at the Pre-Construction Meeting. All User Forms must be submitted at least three (3) business days in advance of the anticipated start of construction to allow adequate time for review. Select the link below to learn more about how to submit a Notice to Airport Users Form for O'Hare International Airport and Midway International Airport. The eForm must be approved by the CDA before the Concessionaire can begin construction.

[ORD Quick Reference Guide MDW Quick Reference Guide](#)

Any work on the fire protection system within the tenant space which requires a fire protection shutdown should have a separate user form submitted and follow the CDA fire shutdown procedures.

Any work on the domestic water service within the tenant space which requires partial domestic water service shutdown should have a separate user form submitted and follow the CDA domestic water service shutdown procedures.

End of STEP 5

STEP 6.0: Construction

6.1: Site Maintenance / Construction Administration

All permits, user forms, emergency contact directory, and construction alerts shall be prominently displayed in a locked glass display cabinet 30" high by 36" wide approved by the CDA. One full size stamped set of drawings and the original permit must be kept on site at all times.

6.2: Building Inspections

Department of Buildings Inspection Bureau will be conducting inspections throughout construction. Contractors must request inspections of ventilation, electrical, plumbing, and new construction on all projects with issued building permits, regardless of scope, for both rough and final inspections. Failure to request these inspections may result in suspension or revocation of the permit, and issuance of citations by the Chicago Department of Buildings for violation

of licensing requirements against the General Contractor and subcontractors.

Chicago Department of Buildings inspections shall be scheduled via the on-line inspection scheduling system at www.cityofchicago.org/buildings <<http://www.cityofchicago.org/buildings>>. All requests for rough and final Chicago Department of Buildings inspections should be requested at least fourteen (14) business days in advance.

If needed, contact the Department of Buildings Inspection Bureaus by phone as listed below:

Ventilation Department - (312) 743-3573 Electrical Department - (312) 743-3622
Plumbing Department-(312) 743-3572 • New Construction Department - (312)
743-3531

In addition, contractors must offer the terminal manager and building engineer an opportunity to perform an inspection at demolition, rough, and final phases. The Concessionaire shall contact the CDA Concessions POC to coordinate these inspections.

6.3: Chicago Department of Public Health Inspections and Liquor License

Food establishments and retail establishments serving food require a health inspection to be conducted by the Chicago Department of Public Health (CDPH). Concessionaires applying for a liquor license require a separate inspection coordinated by the Business Affairs and Consumer Protection Department, in addition to the Department of Buildings inspections. For both inspections, allow one (1) to three (3) weeks to schedule and obtain a final inspection and certificate.

Please note, the construction barricade cannot be removed until applicable licenses and inspections are complete.

- PDF of the Health Inspection Approval and supporting documentation must be supplied and sent to CDA Concessions prior to store opening.

For Chicago Department of Public Health (CDPH) visit their website at: <https://www.cityofchicago.org/city/en/depts/cdph.html> <<http://www.cityofchicago.org/city/en/depts/cdph.html>> or call (312) 747-9884.

For Business Affairs and Consumer Protection Department information visit their website at: <<https://www.cityofchicago.org/city/en/depts/bacp/provdrs/bus.html>> or call (312) 744-6249.

6.4: Safety and Security Plan

All contractors and subcontractors and the work they perform are subject to the CDA Construction Safety Manual. Each project requires an onsite full time Safety Manager who is solely responsible to monitor job site safety and security (See Exhibit D.5 for more details).

Please refer to link below:

[CDA Construction Safety Manual](#)

CDA Safety will perform site safety walkthroughs during construction to ensure all work is being performed per the CDA Construction Safety Manual. CDA Safety and the CDA POC have the authority to stop work if unsafe conditions or practices are observed.

6.5: Demolition

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 15 of 23

CHICAGO DEPARTMENT OF AVIATION

Prior to demolition, pre-construction photos must be taken, documenting all of the existing conditions. Failure to provide photo documentation of the existing conditions before construction will result in the contractor and Concessionaire assuming responsibility for all damages and perceived damage to existing base building materials. Damaged materials must be repaired or replaced at the contractor's and/or Concessionaire's expense. Once demolition is complete, the CDA terminal manager, the CDA building engineer, and CDA POC shall perform a site inspection prior to the start of construction.

Core drilling, cutting of floors, walls or roofs may be required for tenants needing plumbing and/or additional mechanical HVAC provisions. Under no circumstances shall the Concessionaire or its contractor(s), at any time be permitted to drill or cut conduit, pipe sleeves, chases or duct equipment openings in the floor, columns, walls or roofs of the structure without prior review and acceptance of the proposed locations and sizes by the CDA's structural consultant. The Concessionaire is required to x-ray or scan the area prior to beginning work utilizing a 3D ground penetrating radar and will provide a copy of x-ray / scan results to CDA. Scan / x-ray to be submitted via eForm three (3) business days prior to performing coring or drilling work.

6.6: Construction Meetings and Reporting

During construction, the General Contractor is required to provide the following project documentation and electronic documentation to the CDA Concessions POC:

- 1) Minutes from a weekly contractor led meeting (in person or via telecom) including the project owner and/or representative and CDA POC, at an agreed location (project site or POC conference room).
- 2) A weekly status summary report describing the progression of the work. The weekly status report must contain at a minimum the following:
 - Project title
 - Project number
 - Forecasted / actual start / completion date(s)
 - What construction occurred since the last weekly report
 - Revised three (3) week "Look Ahead" construction task schedule (CDA Design and Construction / CDA Concessions will determine if applicable to a given project)
 - What issues occurred and / or are projected
 - At least three (3) photos taken daily to document in-progress installation of materials
 - Other items as requested by CDA
- 3) A revised overall schedule when necessary
- 4) All Issued for Construction Drawings (IFC), addenda to the permit drawings, and resolved RFIs as they become available

6.7: Non-Compliance and Unauthorized Construction

Non-compliance or construction that deviates from the approved permit documents without CDA's prior written approval may be just cause for CDA to order work stoppage until corrective measures are taken and compliance is obtained. Any cost or claims due to this work stoppage shall be borne by the Concessionaire and the General Contractor.

End of STEP 6

STEP 7.0: Substantial Completion

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 16 of 23

7.1: Substantial Completion Notification

The General Contractor shall notify the CDA POC a minimum of seven (7) business days prior to the anticipated substantial completion date to request a site inspection project completion walk through. The construction space must be clean and all tools and surplus materials must be removed from the site or the walk through will be canceled. Mandatory attendance at the walk through includes: Concessionaire and/or Owner's Representative(s), and the General Contractor's Project Manager and Superintendent. The CDA POC will notify the CDA terminal manager, the CDA building engineer, the CDA Project Manager, and any other attendees identified during the Pre-Construction meeting or as deemed necessary. The items listed below are required to support the substantial completion walk through process:

- 1) The Concessionaire's architect should compile their punch list items. The Concessionaire or concessionaire's architect will provide a copy of their punch list to CDA for review prior to the walk through.
- 2) The concessionaire will receive final CDPH and Department of Buildings inspector's approval before the substantial completion walk through.

(3) The substantial completion walk through must occur 5-10 business days prior to concessions opening.

7.2: Final Walk Through and Punch List

At the substantial completion walk through, the General Contractor will conduct a brief meeting to distribute and discuss the punch list items that they have identified and the proposed date of substantial completion. The General Contractor and Concessionaire must show proof of all final Department of Buildings and CDPH inspections, Certificate of Occupancy, Business and Liquor licenses and Certificate of Insurance. If a Certificate of Occupancy is required as determined by the Department of Buildings, it will need to be submitted to the CDA prior to any occupancy of the renovated or newly constructed space. It is the Tenant's responsibility to arrange for inspection by the Department of Buildings for the Certificate of Occupancy. The Concessionaire should identify meter locations to be properly labeled and provide the meter number and the room name of meter location(s).

After all attendees have completed the walk through, the parties will reassemble to discuss their punch list items with the Concessionaire and General Contractor. CDA Concessions will review the Concessionaire's architect's punch list and relay any additional items identified during the substantial completion walk through on a separate punch list. Any punch list items that are noted as critical and thus require immediate correction will be identified during the substantial completion walk through. The concessions location cannot open until these critical punch list items have been corrected. /

Within five (5) business days after the substantial completion walk through, the Concessionaire, Concessionaire's architect, and/or the contractors will consolidate all agreed upon punch list items and issue via e-mail, a composite formal punch list. This list will be distributed to all parties invited from the substantial completion walk through. The Concessionaire's architect will also submit their substantial completion letter to the CDA.

Depending on issues presented, CDA will determine which option below is acceptable.

For Retail Concessions:

- (1) Concessionaire may proceed to stock, train, and open their concession, while non-critical punch list repairs continue.
- (2) Concessionaire may stock and train for their concession but cannot open until the identified critical punch list items are corrected.

(3) Concessionaire may NOT stock, or train for, or open their concession until the identified critical punch list items are corrected.

For Food and Beverage Concessions:

- 1) Concessionaire may proceed to train, furnish, and prep their food and beverage, while noncritical punch list repairs continue.
- 2) Concessionaire may proceed to train, furnish, and prep their food and beverage but cannot open until the identified critical punch list items are corrected.
- 3) The Concessionaire may NOT furnish, prep, or train for their facility until the identified critical punch list items are corrected.

CDA Concessions will review and then issue a response/acceptance letter back to the Concessionaire or Concessionaire's architect after receipt of the substantial completion letter. The concession location cannot open until they have received CDA Concession's notice to open.

The Concessionaire will track the completion of the punch list and periodically send CDA the list of completed and outstanding punch list items (with reason for incomplete items and lead times for materials not immediately available).

Please note, the construction barricade may not be removed without written approval from CDA Concessions.

The General Contractor is to complete the punch list items within thirty (30) business days of the initial walk through or as dictated in the Concessionaire's signed Lease and License Agreement.

If after thirty (30) business days, the punch list items remain incomplete CDA may elect to:

- Impose a fine of \$200 per item, per day, until the work is finished.

If after sixty (60) business days, the punch list items remain incomplete CDA may elect to:

- Hire contractors to complete the work at the Concessionaire's expense.

The punch list completion tracking document will be sent to CDA Concessions for review within the thirty (30) business day period after the substantial completion walk through takes place. All punch list items should be resolved to the satisfaction of CDA or include an agreed upon completion schedule.

7.3: Business License and Certificate of Insurance

Prior to opening, the Concessionaire must obtain a Business License from the City of Chicago Business Affairs & Consumer Protection Department (BACP) City Hall, Room 805, 121 N. LaSalle St, 60602.

Concessionaire is also responsible for providing a current Certificate of Insurance per the Concessionaire's signed Lease and License Agreement.

- PDF of the Business License must be sent to CDA Concessions prior to store opening.

For Business License and Certificate of Insurance information visit their website at:

<<https://www.cityofchicago.org/city/en/depts/bacp/provdrs/bus.html>> or call (312) 744-6060.

7.4: ComEd Verification of IVIeter(s)

Prior to opening, the Concessionaire must reference the meter #, and provide its tax ID and billing mailing address. For more information call (877) 426-6331.

7.5: Open for Business

After written approval has been obtained from CDA Concessions, the construction barricade may be removed no earlier than the evening prior to the concession's opening.

- Please refer to the 'Airport Concession Program Handbook' for other operational procedures as dictated in the Concessionaire's signed Lease and License Agreement.

End of STEP 7

STEP 8.0: Project Closeouts 8.1: Close Out

Documents

The Concessionaire^ architect and engineer of record must transmit to the CDA POC as dictated in the Concessionaire's signed Lease and License Agreement all architectural and engineering "As-Built Documents". If no time period is specified, then the "As-Built Documents" must be submitted within thirty (30) business days. The items listed below are required to support maintenance of accurate facility records and future construction. The Concessionaire must submit two (2) copies of the below documents on CD and (T) full size hard copy:

- 1) One (1) full size hard copy As-Built Documents, including the General Contractor's redline markups and clouding construction changes
- 2) One (1) CD / DVD of CAD files either in AutoCAD and/or BIM format - all CAD files to be submitted per CDA BIM standards
- 3) One (1) CD/ DVD of all image files in PDF format
- 4) If applicable, one (1) PDF of the finalized SAM™ Construction Checklist
- 5) If applicable, one (1) PDF of all Operating and Maintenance Manuals (O&M Manual) for equipment being maintained by the CDA
- 6) One (1) PDF of the General Contractor's, and if applicable, subcontractor's, manufacturer's, and equipment warranties
- 7) One (1) PDF of all the specifications
- 8) One (1) PDF of the Building Permit (both sides) with all required rough and final inspection signoffs
- 9) If applicable, PDFs of the preventative maintenance schedules listing:
 - a) the systems and equipment that require preventative maintenance
 - b) scope of maintenance to be performed
 - c) frequency
 - d) clarification on which entity is responsible for maintenance

Closeout and Warranty documents should be both emailed and one (1) full size hard copy sent to O'Hare or Midway Airport, see address below:

O'Hare International Airport Contacts

CDA Aviation Administration Building
Attn: Coordinating Architect, Design and Construction
10510 West Zemke Rd.
Chicago, IL 60666

Midway International Airport Contacts

CDA Aviation Administration Building
Attn: Coordinating Architect, Design and Construction
10510 West Zemke Rd.
Chicago, IL 60666

cc: ordretailconstruction@cityofchicago.org <<http://ordretailconstruction@cityofchicago.org>>

cc: md\retailconstruction@cityofchicago.org

In addition, the following close out documents must be transmitted to the CDA POC as dictated in the Concessionaire's signed Lease and License Agreement. If no time period is specified, then the documents must be submitted within sixty (60) business days

- 1) PDFs containing the Concessionaire's Sworn Statement of Improvement Costs, and all final lien waivers, including change orders.
- 2) PDFs containing the General Contractor's Sworn Statement of Improvement Costs, and all final lien waivers.
- 3) PDFs containing the Professional Services Contractor's Sworn Statement of Improvement Costs, and all final lien waivers.

8.2: Final SAM™ Checklist

If applicable, the Concessionaire must submit a final construction SAM™ Checklist that incorporates information on final quantities, contractor submittals, and other SAM™ related data that is incorporated during the construction phase. The Sustainable Review Panel (SRP) will evaluate the final SAM™ checklist and as recognition for participation in the SAM™ Checklist, a Green Airplane Certification will be awarded to the Concessionaire.

8.3: Contractor's Warranty

The General Contractor must warrant to the City of Chicago and CDA that the work, materials, and equipment furnished and installed under the contract are of good quality and new, and that the work conforms to the requirements of the contract documents. Work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective. The Contractor's warranty shall exclude remedy for damage or defect caused by abuse, modifications, improper or insufficient maintenance and operation, or normal wear and tear, and normal usage, not executed by the contractor.

8.4: Subcontractor's Manufacturer's and Equipment Warranties

The General Contractor must ensure that all required subcontractor's, manufacturer's, and equipment warranties are passed on to the CDA. The warranties must include the name of the project as designated in the contract documents, project reference number and must be signed by an officer of the company having authority to provide the warranty. Include wording such as "this document serves as a (list duration of the warranty) written guarantee for the work performed, and the material and equipment installed on the above referenced project. This warranty incorporates all provisions of the contract documents that refer or relate to the guarantee. This warranty will commence on the date of the Store opening."

During the warranty period, the Contractor must repair and replace at its own expense, all materials or equipment that may develop defects whether these defects may be inherent in the equipment or materials, in the functioning of the piece of equipment, or in the functioning and operation of pieces of equipment operating together as a functional unit. Any equipment or material that is repaired or replaced will have the warranty period extended for a period of one additional year from the date of the last repair.

8.5: Final Notice to Airport Users Form

After the punch list is complete, the General Contractor shall close out the Notice to Airport Users Form by, electronically attaching a PDF of the all permits, front and back sides showing the inspector sign-offs. Enter the last day the punch list was completed, and the anticipated submittal date of

the General Contractor redlined drawings.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 20 of 23

8.6: Final Closeout Notice and Acceptance

After all the close out documentation has been reviewed and verified complete, CDA will issue a response/acceptance letter.

End of STEP 8

STEP 9.0: Compliance Overview

Throughout the Design and Construction process, the Concessionaire will be responsible for complying with various City of Chicago participation requirements. The Concessionaire will also be responsible for tracking their participation and providing verifying documents to CDA for review.

9.1: City of Chicago Minority and Women Owned Business Participation Rules

In accordance with the Municipal Code of Chicago 2-92-650, or as dictated in the Lease and License Agreement, the City's Minority Owned Business Enterprise Commitment and Women Owned Business Enterprise Commitment in Construction Contracts has set goals of MBE participation and WBE participation on all contracts.

Please refer to link below for additional information pertaining to this Compliance Rule:

- **Exhibit E.1: Special Conditions Regarding Minority Owned Business Enterprise Commitment and Women Owned Business Enterprise Commitment in Professional Services**
- **Exhibit E.2: Special Conditions Regarding Minority Owned Business Enterprise Commitment and Women Owned Business Enterprise Commitment in Construction Contracts**

MBE and WBE participation shall be separately documented for Construction Services and Professional Services. 9.2: Required MBE and WBE

Documentation

Required compliance documentation will be submitted through the web-based Retail Management System ("RMS") which is the City of Chicago, Department of Aviation's, secure concession's portal. All compliance reporting must be submitted electronically using RMS.

The Concessionaire and General Contractors are required to enter the Compliance Plans, Certified Payroll and Sworn Statements into RMS. Once the Concessionaire selects a Professional Service Contractor and General Contractor, the designated Concessionaire POCs will be provided with RMS log in information. The RMS links and User Guide are listed below. The individual Exhibits E.1 - E.12 listed below should be used as reference only; all required documents must be submitted electronically using RMS.

- **RMS Portal:** <<https://www.airportware.com/rms> prod/App forms/General/Login.aspx>

- Exhibit E.3: RMS Construction Compliance User Guide

9.3: MBE and WBE Compliance Plans

Once the Final or 100% Construction Document Submittal is approved by CDA (see Step 3.0), and the Concessionaire has selected a General Contractor, then the Concessionaire is required to submit, via RMS, the Concessions'

Compliance Plans: Affidavit of Concessionaire, Affidavit of Prime Contractor for Construction and Affidavit of Prime

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 21 of 23

Contractor for Professional Services. Exhibits E.4-E.7, which includes a selection of MBE, WBE and Non-Minority Sub-Contractors.

- Exhibit E.4: Concession's Compliance Plan - Affidavit of Concessionaire
- Exhibit E.5: Concession's Compliance Plan - Affidavit of Professional Services
- Exhibit E.6: Concession's Compliance Plan - Affidavit of Prime Contractor

PLEASE NOTE:

If at any point during the construction phase of the project, there is a change in VIBE or WBE participation, the CDA POC must be immediately notified.

Resource:

To aid in outreach efforts to meet or exceed the City of Chicago's Construction and Professional Services Program goals, a list of City of Chicago certified MBE and WBE firms may be found at:

- https://www.cityofchicago.org/city/en/depts/dps/supp_info/process_improvements.html
- <http://www.idot.illinois.gov/doing-business/certifications/disadvantaged-business-enterprise->certification/ilucp->

MBE and WBE Good Faith Efforts

If the Concessionaires' and Prime Contractors' Compliance Plans fall short of the MBE or WBE Construction Program goals, a Good Faith Efforts form must be included with the submitted Compliance Plans. Good Faith Efforts are achieved by actively soliciting MBE and WBE firms to perform work on the contract in accordance with Exhibit E.2: Special Conditions Regarding Minority Owned Business Enterprise Commitment and Women Owned Business Enterprise Commitment in Construction Contracts. The Good Faith Efforts form must contain contact information for not less than five (5) MBEs and/or WBEs.

Exhibit E.7: Good Faith Efforts Form

A Compliance Plan may be rejected as non-responsive if the Concessionaire and/or General Contractor fail to submit one or more of the documents (Exhibits E.4 - E.7) with the response.

PLEASE NOTE:

If a Concessionaire's and/or General Contractor's Compliance Plan fails to meet the Construction Program goals for MBE and WBE participation, the project will be delayed and not move toward a Pre-Construction Meeting until either the goal is satisfied or Good Faith Efforts have been demonstrated and approved.

9.4: City Resident Construction Worker Employment Requirement & Certified Payroll Requirements

In accordance with the Municipal Code of Chicago 2-92-330 and Article 5 of the Concession Lease and License Agreement, at least 50% of the total construction worker hours worked by persons on the site of the Work must be performed by actual residents of the City and at least 7.5% by project area residents. The Airport will identify the project area for the purposes of calculating project area residents.

Design and Construction Standard Operating Procedures Concessions Projects (C-SOP) Page 22 of 23

The Concessionaire will provide each general contractor bidding on the project with a Compliance Plan (Exhibit E.5) and the "City Resident Construction Worker Employment Requirement" (Exhibit E.8) for use in the bid preparation process.

Once a project has been approved by CDA and construction has commenced, the General Contractor must submit on a weekly basis, the following Certified Payroll Report for all contractors and subcontractors:

- Exhibit E.8: City Resident Construction Worker Employment & Certified Payroll Requirements
- Exhibit E.9: Excel Certified Payroll Worksheet (example)

9.5: Compliance Close Out Documents

Within sixty (60) business days of substantial completion, the Concessionaire, the General Contractor and the Professional Services Contractor are required to submit the following documents, along with final lien waivers.

- Exhibit E.10: Concession's Sworn Statement - Affidavit of Concessionaire
- Exhibit E.11: Concession's Sworn Statement - Affidavit of Prime Contractor for Professional Services
- Exhibit E.12: Concession's Sworn Statement - Affidavit of Prime Contractor for Construction Services

End of STEP 9

STEP 10.0: Supplemental Exhibits

These Guidelines should be read in conjunction with the Design and Construction Standard Operating Procedures Concessions Projects Exhibits (C-SOP Exhibits) and referenced with the Concessionaire Design Guidelines. Please refer to links below:!

---------------------	---	--------------

SECTION III -- INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? [] Yes ^\$<fNo

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? [] Yes ^fNo

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:

Mjn

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party? [] Yes f^No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner (s) and describe the financial interest(s).

and des

NtfV

SECTION IV - DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Page 3 of 15

|

<u>Name (indicate whether retained or anticipated to be retained)</u>	<u>Business Relationship to Disclosing Party Address (subcontractor, attorney, lobbyist, etc.)</u>	<u>Fees (indicate whether paid or estimated.) NOTE: "hourly rate" or "t.b.d." is not an acceptable response.</u>
ftVWML.		

(Add sheets if necessary) i

Check here if the Disclosing Party has not retained, nor expects to retain, any! such persons or entities.

I

SECTION V -- CERTIFICATIONS '

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE !

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

I

Yes No No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement? !

Yes No

i

B. FURTHER CERTIFICATIONS

!

1. [This paragraph 1 applies only if the Matter is a contract being handled by the^City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

I

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

I

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section 11(B)(1) of this EDS:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded

from any transactions by any federal, state or local unit of government;

- b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;
 - c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;
 - d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and
 - e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.
4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).
5. Certifications (5), (6) and (7) concern:
- the Disclosing Party;
 - any "Contractor" (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, "Disclosure of Subcontractors and Other Retained Parties");
 - any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
 - any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Page 5 of 15

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such

Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

- a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery 'or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity; .
- b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or
- c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or !
- d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

I

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions iList maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

i

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").¹

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

ii

I

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than \$25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

is is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

|

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary): i

Mlft

!

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes No ¹

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

i

Does the Matter involve a City Property Sale? ¹

Yes No ¹

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address.	Nature of Financial Interest
------	-------------------	------------------------------

i

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee. i

Ver.2018-1

Page 8 of 15'

!

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

g__1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

SECTION VI -- CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: If the Matter is federally funded, complete this Section VI. If the Matter is not federally funded, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding. .

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party

with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

Ver.2018-1

Page 9 of 15

i

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above. !

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986: or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations. !

Is the Disclosing Party the Applicant?

Yes

No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)

Yes

No !

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?

Yes No Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?

Yes No

If you checked "No" to question (1) or (2) above, please provide an explanation:

SECTION VII - FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at www.cityofchicago.org/Ethics <<http://www.cityofchicago.org/Ethics>>. and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. NOTE: With respect to Matters subject to MCC Chapter 1-23, Article I (imposing PERMANENT INELIGIBILITY for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

Page 11 of 15

CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX A**

**FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND
DEPARTMENT HEADS**

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B.1.a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

Yes

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

APPENDIX B**

**I
BUILDING CODE SCOFFLA W/PROBLEM LANDLORD CERTIFICATION**

i

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416? J

Yes ^No j

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416? '

Yes [] No ^ The Applicant is not publicly traded on any exchange.

I

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply. j

Ver.2018-1

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT
AND AFFIDAVIT
APPENDIX C**

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com <<http://www.amlegal.com>>), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

Yes

No

N/A - I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385.

This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1).

If you checked "no" to the above, please explain.

i

limited liability company, or interest of a beneficiary of a trust, estate or other similar entity. If none, state "None."

NOTE: Each legal entity listed below may be required to submit an EDS on its own behalf.

Name	Business Address	Percentage Interest in the Applicant
------	------------------	--------------------------------------

SECTION III - INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? Yes No

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? Yes No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:

NIA

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party? Yes No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner(s) and describe the financial interest(s).

MjA-

SECTION IV - DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing

Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Page 3 of 15

Name (indicate whether Business Relationship to Disclosing Party retained or anticipated Address (subcontractor, attorney, lobbyist, etc.) to be retained) Fees (indicate whether paid or estimated.) NOTE: "hourly rate" or "t.b.d." is not an acceptable response.

(Add sheets if necessary) !

f\$ Check here if the Disclosing Party has not retained, nor expects to retain, any Isuch persons or entities.

SECTION V - CERTIFICATIONS i

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE j

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

[] Yes f^Q No [] No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement?

[] Yes [] No

! ■
i

B. FURTHER CERTIFICATIONS ■

i

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or-entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as

help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

Page 4 of 15

j

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section 11(B)(1) of this EDS:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;

b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;

c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and

e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any "Contractor" (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, "Disclosure of Subcontractors and Other Retained Parties");
- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or

ownership; identity or interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;

- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

!

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

!

- a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity; !
 - b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or
 - c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or
 - d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).
6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.
7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23,

Article I (for applicability and defined terms) of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

Ver.2018-1

Page 6 of 15

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

Nil ft :

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than \$25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

:

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

is is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

Page 7 of 15

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold pursuant to a process of competitive bidding, or otherwise permitted, by the City (collectively "City Property Sold").

by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

Yes

No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest
------	------------------	------------------------------

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

Page 8 of 15

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

SECTION VI -- CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: If the Matter is Federally Funded, complete this Section VI. If the Matter is not Federally Funded, skip this

NOTE: If the Matter is federally funded, complete this section. If the Matter is not federally funded, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

Ver.2018-1

Page 9 of 15

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations:

negotiations.

Is the Disclosing Party the Applicant?

Yes No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)

Yes No

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?

Yes No Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?

Yes No

If you checked "No" to question (1) or (2) above, please provide an explanation:

Page 10 of 15

SECTION VII - FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at www.cityofchicago.org/Ethics <<http://www.cityofchicago.org/Ethics>>, and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact

Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. NOTE: With respect to Matters subject to MCC Chapter 1-23, Article I (imposing PERMANENT INELIGIBILITY for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

Page 11 of 15

CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX A**

**FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND
DEPARTMENT HEADS**

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial -relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B.1.a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more

limited liability company, (2) any principal officers of the Disclosing Party, and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

Yes No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

AFFIDAVIT
APPENDIX B**

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No The Applicant is not publicly traded on any exchange.

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

Page 14 of 15

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX C**

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com <<http://www.amlegal.com>>), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

Yes

No

N/A - I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385. This

I/We are not an Applicant that is a contractor as defined in MCC Section 2-92-385. This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1). If you checked "no" to the above, please explain.

SECTION II -- DISCLOSURE OF OWNERSHIP INTERESTS

A. NATURE OF THE DISCLOSING PARTY

-] Person
] Publicly registered business corporation] Privately held business corporation] Sole proprietorship] General partnership] Limited partnership] Trust
[] Limited liability company
[] Limited liability partnership
[] Joint venture
[] Not-for-profit corporation
(Is the not-for-profit corporation also a 501(c)(3))?
[] Yes [] No [] Other (please specify)

2. For legal entities, the state (or foreign country) of incorporation or organization, if applicable:

lUm

3. For legal entities not organized in the State of Illinois: Has the organization registered to do business in the State of Illinois as a foreign entity?

[] Yes [] No [] Organized in Illinois

Yes

No

Organized in Illinois

B. IF THE DISCLOSING PARTY IS A LEGAL ENTITY:

1. List below the full names and titles, if applicable, of: (i) all executive officers and all directors of the entity; (ii) for not-for-profit corporations, all members, if any, which are legal entities (if there are no such members, write "no members which are legal entities"); (iii) for trusts, estates or other similar entities, the trustee, executor, administrator, or similarly situated party; (iv) for general or limited partnerships, limited liability companies, limited liability partnerships or joint ventures, each general partner, managing member, manager or any other person or legal entity that directly or indirectly controls the day-to-day management of the Applicant.

NOTE: Each legal entity listed below must submit an EDS on its own behalf.

Name	Title
2. Please provide the following information concerning each person or legal entity having a direct or indirect, current or prospective (i.e. within 6 months after City action) beneficial interest (including ownership) in excess of 7.5% of the Applicant. Examples of such an interest include shares in a corporation, partnership interest in a partnership or joint venture, interest of a member or manager in a	

limited liability company, or interest of a beneficiary of a trust, estate or other similar entity. If none, state "None."

NOTE: Each legal entity listed below may be required to submit an EDS on its own behalf.

Name	Business Address	Percentage Interest in the Applicant
•xonyi PAfetollg	ten n.fldyl/md-fW.	top•/>

SECTION III -- INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? Yes No

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? Yes No

ected official during the 12-month period following the date of this EDS: [] Yes [y] No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:

Ni A

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party? [] Yes [y] No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner(s) and describe the financial interest(s).

Mh

:

SECTION IV - DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Page 3 of 15

Name (indicate whether Business retained or anticipated Address to be retained)
Relationship to Disclosing Party (subcontractor, attorney, lobbyist, etc.)
Fees (indicate whether paid or estimated.) NOTE: "hourly rate" or "t.b.d." is not an acceptable response.

(Add sheets if necessary)

J^j Check here if the Disclosing Party has not retained, nor expects to retain, any such persons or entities. SECTION V - CERTIFICATIONS

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrears?

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrears on any child support obligations by any Illinois court of competent jurisdiction?

Yes No No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement?

Yes No

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

Page 4 of 15

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section 11(B)(1) of this EDS:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;

b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;

c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and

state or local) terminated for cause or default, and

e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any "Contractor" (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, "Disclosure of Subcontractors and Other Retained Parties");
- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Page 5 of 15

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

- a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;
- b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or
- c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or
- d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage).

5. Violated the provisions referenced in MCC Subsection 2-72-020(a)(1)(Contracts Requiring a Base Wage), (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

Ver.2018-1

Page 6 of 15

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

^IrV

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none")

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than \$25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

is is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

Page 7 of 15

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

m

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

Yes No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest
------	------------------	------------------------------

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

Page 8 of 15

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

SECTION VI - CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: If the Matter is federally funded, complete this Section VI. If the Matter is not federally funded, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

Ver.2018-1

Page 9 of 15

of a member of Congress, in connection With the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities." as that term is

defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?

Yes No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)

Yes No

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?

Yes No Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?

Yes No

If you checked "No" to question (1) or (2) above, please provide an explanation:

SECTION VII -- FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at www.cityofchicago.org/Ethics <<http://www.cityofchicago.org/Ethics>>, and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in. and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. NOTE: With respect to Matters subject to MCC Chapter 1-23, Article I (imposing PERMANENT INELIGIBILITY for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

Page 11 of 15

CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX A**

**FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND
DEPARTMENT HEADS**

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the

Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B. 1 .a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

Yes fyj No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

AFFIDAVIT
APPENDIX B**

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No p<TThe Applicant is not publicly traded on any exchange.

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX C**

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com <<http://www.amlegal.com>>), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385,1 hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

Yes

No

N/A -I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385. This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1). If you checked "no" to the above, please explain.

SECTION II - DISCLOSURE OF OWNERSHIP INTERESTS

A. NATURE OF THE DISCLOSING PARTY

1. Indicate the nature of the Disclosing Party:

- Person Limited liability company
- Publicly registered business corporation Limited liability partnership
- Privately held business corporation Joint venture
- Sole proprietorship Not-for-profit corporation
- General partnership (Is the not-for-profit corporation also a 501(c)(3))?
- Limited partnership Yes No
- Trust Other (please specify)

2. For legal entities, the state (or foreign country) of incorporation or organization, if applicable:

rxldvwrfr

3. For legal entities not organized in the State of Illinois: Has the organization registered to do business in

the State of Illinois as a foreign entity?

Yes No Organized in Illinois

B. IF THE DISCLOSING PARTY IS A LEGAL ENTITY:

1. List below the full names and titles, if applicable, of: (i) all executive officers and all directors of the entity; (ii) for not-for-profit corporations, all members, if any, which are legal entities (if there are no such members, write "no members which are legal entities"); (iii) for trusts, estates or other similar entities, the trustee, executor, administrator, or similarly situated party; (iv) for general or limited partnerships, limited liability companies, limited liability partnerships or joint ventures, each general partner, managing member, manager or any other person or legal entity that directly or indirectly controls the day-to-day management of the Applicant.

NOTE: Each legal entity listed below must submit an EDS on its own behalf.

Name Title

•f^b- fo[dfoai Corp. 4c>l& fC<L^b£-r

2. Please provide the following information concerning each person or legal entity having a direct or indirect, current or prospective (i.e. within 6 months after City action) beneficial interest (including ownership) in excess of 7.5% of the Applicant. Examples of such an interest include shares in a corporation, partnership interest in a partnership or joint venture, interest of a member or manager in a

Page 2 of 15

limited liability company, or interest of a beneficiary of a trust, estate or other similar entity. If none, state "None."

NOTE: Each legal entity listed below may be required to submit an EDS on its own behalf.

<i>Name</i>	<i>Business Address</i>	<i>Percentage Interest in the Applicant</i>
<i>(flflfr rWtejC iV p. ?%S tt! • -W*- rW Ut VtfSj M foil ft \OP/'</i>		

SECTION III - INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? Yes

Does the Disclosing Party reasonably expect to provide any income or compensation to any City

elected official during the 12-month period following the date of this EDS? Yes No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party?

Yes No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner(s) and describe the financial interest(s).

^ijt

SECTION IV - DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Page 3 of 15

(Add sheets if necessary)

Check here if the Disclosing Party has not retained, nor expects to retain, any such persons or entities. SECTION V CERTIFICATIONS

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

Yes No ^| No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement?

Yes No

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

Page 4 of 15

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section 11(B)(1) of this EDS:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;

b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;

c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal,

state or local) terminated for cause or default; and

e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any "Contractor" (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, "Disclosure of Subcontractors and Other Retained Parties");
- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Page 5 of 15

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

- a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;
- b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or
- c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or
- d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage);

(a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

Ver.2018-1

Page 6 of 15

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

NIA

:

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

m

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than \$25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

N4:

—

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

is is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

Page 7 of 15

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

Nlft

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

Yes No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest
------	------------------	------------------------------

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

Page 8 of 15

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

X 1- The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

SECTION VI -- CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: If the Matter is federally funded, complete this Section VI. If the Matter is not federally funded, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

Ver.2018-1

Page 9 of 15

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal

Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?

Yes No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)

Yes No

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?

Yes No Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?

Yes No

If you checked "No" to question (1) or (2) above, please provide an explanation:

Page 10 of 15

SECTION VII -- FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at www.cityofchicago.org/Ethics <<http://www.cityofchicago.org/Ethics>>, and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. NOTE: With respect to Matters subject to MCC Chapter 1-23, Article I (imposing PERMANENT INELIGIBILITY for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

Page 11 of 15

CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

Toby Keir

(Print or type title of person signing)

at C\ CUrk> County, ^vWfiirft (state).

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX A**

**FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND
DEPARTMENT HEADS**

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B.1.a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating

officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

Yes

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

Page 13 of 15

AFFIDAVIT
APPENDIX B**

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No (M The Applicant is not publicly traded on any exchange.)

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

Page 14 of 15

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX C**

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com <<http://www.amlegal.com>>), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

Yes No

N/A - I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385. This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1).

If you checked "no" to the above, please explain.

SECTION II -- DISCLOSURE OF OWNERSHIP INTERESTS

A. NATURE OF THE DISCLOSING PARTY

1. Indicate the nature of the Disclosing Party:

- | | |
|---|--|
| <input type="checkbox"/> Person | <input type="checkbox"/> Limited liability company |
| <input type="checkbox"/> Publicly registered business corporation | <input type="checkbox"/> Limited liability partnership |
| <input type="checkbox"/> Privately held business corporation | <input type="checkbox"/> Joint venture |
| <input type="checkbox"/> Sole proprietorship | <input type="checkbox"/> Not-for-profit corporation |
| <input type="checkbox"/> General partnership | (Is the not-for-profit corporation also a 501(c)(3))? |
| <input type="checkbox"/> Limited partnership | <input type="checkbox"/> Yes <input type="checkbox"/> No |
| <input type="checkbox"/> Trust | <input type="checkbox"/> Other (please specify) |

2. For legal entities, the state (or foreign country) of incorporation or organization, if applicable:

%Uwfire,

3. For legal entities not organized in the State of Illinois: Has the organization registered to do business in the State of Illinois as a foreign entity?

Yes No Organized in Illinois

B. IF THE DISCLOSING PARTY IS A LEGAL ENTITY:

1. List below the full names and titles, if applicable, of: (i) all executive officers and all directors of the entity; (ii) for not-for-profit corporations, all members, if any, which are legal entities (if there are no such members, write "no members which are legal entities"); (iii) for trusts, estates or other similar entities, the trustee,

executor, administrator, or similarly situated party; (iv) for general or limited partnerships, limited liability companies, limited liability partnerships or joint ventures, each general partner, managing member, manager or any other person or legal entity that directly or indirectly controls the day-to-day management of the Applicant.

NOTE: Each legal entity listed below must submit an EDS on its own behalf.

Name Title

2. Please provide the following information concerning each person or legal entity having a direct or indirect, current or prospective (i.e. within 6 months after City action) beneficial interest (including ownership) in excess of 7.5% of the Applicant. Examples of such an interest include shares in a corporation, partnership interest in a partnership or joint venture, interest of a member or manager in a

Page 2 of15

limited liability company, or interest of a beneficiary of a trust, estate or other similar entity. If none, state "None."

NOTE: Each legal entity listed below may be required to submit an EDS on its own behalf.

Name	Business Address	Percentage Interest in the Applicant
------	------------------	--------------------------------------

SECTION III - INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? [] Yes [] No

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? [] Yes [] No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:

 1U :

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable

inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party?

Yes No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner(s) and describe the financial interest(s).

SECTION IV - DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Ver.2018-1

Page 3 of 15

Name (indicate whether Business retained or anticipated Address to be retained)
Relationship to Disclosing Party (subcontractor, attorney, lobbyist, etc.)
Fees (indicate whether paid or estimated.) NOTE: "hourly rate" or "t.b.d." is not an acceptable response.

(Add sheets if necessary)

Check here if the Disclosing Party has not retained, nor expects to retain, any such persons or entities. SECTION V -- CERTIFICATIONS

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

Yes No No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement?

Yes No

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

Page 4 of 15

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section 11(B)(1) of this EDS:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;

b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;

c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and

e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).
5. Certifications (5), (6) and (7) concern:
- the Disclosing Party;
 - any "Contractor" (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, "Disclosure of Subcontractors and Other Retained Parties");
 - any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
 - any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Page 5 of 15

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

- a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;
- b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or
- c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or
- d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials,

agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

Ver.2018-1

Page 6 of 15

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

-m

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than \$25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

J±|&

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

is is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

Page 7 of 15

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

Yes No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest
------	------------------	------------------------------

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

SECTION VI - CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: If the Matter is federally funded, complete this Section VI. If the Matter is not federally funded, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

Ver.2018-1

Page 9 of 15

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of

the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?

Yes No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)

Yes No

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?

Yes No Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?

Yes No

If you checked "No" to question (1) or (2) above, please provide an explanation:

SECTION VII -- FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether

procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at www.cityofchicago.org/Ethics <<http://www.cityofchicago.org/Ethics>>, and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. NOTE: With respect to Matters subject to MCC Chapter 1-23, Article I (imposing PERMANENT INELIGIBILITY for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

Page 11 of 15

CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX A**

**FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND
DEPARTMENT HEADS**

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B.1 .a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

Yes No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

AFFIDAVIT
APPENDIX B**

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No The Applicant is not publicly traded on any exchange.

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

Page 14 of 15

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX C**

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com <<http://www.amlegal.com>>), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from

current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

Yes

No

N/A - I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385. This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1). If you checked "no" to the above, please explain.

SECTION II - DISCLOSURE OF OWNERSHIP INTERESTS A. NATURE OF THE DISCLOSING PARTY

- Person
 - Publicly registered business corporation [X] Privately held business corporation
 - Sole proprietorship
 - General partnership
 - Limited partnership
 - Trust
 - Limited liability company
 - Limited liability partnership
 - Joint venture
 - Not-for-profit corporation
- (Is the not-for-profit corporation also a 501(c)(3))?

Yes No Other (please specify)

2. For legal entities, the state (or foreign country) of incorporation or organization, if applicable:

3. For legal entities not organized in the State of Illinois: Has the organization registered to do business in the State of Illinois as a foreign entity?

Yes No Organized in Illinois

B. IF THE DISCLOSING PARTY IS A LEGAL ENTITY:

1. List below the full names and titles, if applicable, of: (i) all executive officers and all directors of the entity; (ii) for not-for-profit corporations, all members, if any, which are legal entities (if there are no such members, write "no members which are legal entities"); (iii) for trusts, estates or other similar entities, the trustee, executor, administrator, or similarly situated party; (iv) for general or limited partnerships, limited liability companies, limited liability partnerships or joint ventures, each general partner, managing member, manager or any other person or legal entity that directly or indirectly controls the day-to-day management of the Applicant.

NOTE: Each legal entity listed below must submit an EDS on its own behalf.

Name . Title

2. Please provide the following information concerning each person or legal entity having a direct or indirect, current or prospective (i.e. within 6 months after City action) beneficial interest (including ownership) in excess of 7.5% of the Applicant. Examples of such an interest include shares in a corporation, partnership interest in a partnership or joint venture, interest of a member or manager in a

Page 2 of 15

limited liability company, or interest of a beneficiary of a trust, estate or other similar entity. If none, state "None."

NOTE: Each legal entity listed below may be required to submit an EDS on its own behalf.

Name	Business Address	Percentage Interest in the Applicant
------	------------------	--------------------------------------

SECTION III -- INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? Yes No

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? Yes No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:

MI : -

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party?

Yes No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner(s) and describe the financial interest(s).

SECTION IV - DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Page 3 of 15

<u>Name (indicate whether retained or anticipated to be retained)</u>	<u>Business Address</u>	<u>Relationship to Disclosing Party (subcontractor, attorney, lobbyist, etc.)</u>	<u>Fees (indicate whether paid or estimated.) NOTE: "hourly rate" or "t.b.d." is not an acceptable response.</u>
---	-------------------------	---	--

Ulfc

(Add sheets if necessary)

Check here if the Disclosing Party has not retained, nor expects to retain, any such persons or entities. SECTION V -- CERTIFICATIONS

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

Yes No No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement?

Yes No

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

Page 4 of 15

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified

in Section 11(B)(1) of this EDS:

- a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;
- b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;
- c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;
- d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and
- e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any "Contractor" (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, "Disclosure of Subcontractors and Other Retained Parties");
- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Page 5 of 15

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any

Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

- a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;
- b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or
- c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or
- d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe

has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

m

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than \$25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

 A ft

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

is yfa is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

U\fv :

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

Yes No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest
------	------------------	------------------------------

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired

by any City official or employee.

Page 8 of 15

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

SECTION VI - CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: If the Matter is federally funded, complete this Section VI. If the Matter is not federally funded, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any

person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee Ver.2018-1 Page 9 of 15

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?

Yes No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)

Yes No

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?

Yes No Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?

Yes No

If you checked "No" to question (1) or (2) above, please provide an explanation:

Page 10 of 15

SECTION VII -- FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at [www.cityofchicago.org <http://www.cityofchicago.org> g/Ethics](http://www.cityofchicago.org/Ethics). and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. NOTE: With respect to Matters subject to MCC Chapter 1-23, Article I (imposing PERMANENT INELIGIBILITY for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

Page 11 of 15
CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX A**

**FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND
DEPARTMENT HEADS**

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which

has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B. 1 .a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

Yes

No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No The Applicant is not publicly traded on any exchange.

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX C**

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com <<http://www.amlegal.com>>), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other

of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

Yes

No

N/A - I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385. This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1). If you checked "no" to the above, please explain.

SECTION III - INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? Yes No

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? Yes No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party? Yes No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner(s) and describe the financial interest(s).

SECTION IV - DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Relationship to Disclosing Party (subcontractor, attorney, lobbyist, etc.)
Fees (indicate whether paid or estimated.) NOTE: "hourly rate" or "t.b.d." is not an acceptable response.

(Add sheets if necessary)

Check here if the Disclosing Party has not retained, nor expects to retain, any such persons or entities. SECTION V -- CERTIFICATIONS

A, COURT-ORDERED CHILD SUPPORT COMPLIANCE

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

Yes No [/ ^ No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement?

Yes No

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section 11(B)(1) of this EDS:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;

b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;

c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and

e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any "Contractor" (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, "Disclosure of Subcontractors and Other Retained Parties");
- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

- a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;
 - b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or
 - c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or
 - d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).
6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.
7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.
8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.
9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").
10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

Plift

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than \$25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

m

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

is is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the

loss of the privilege of doing business with the City."

Page 7 of 15

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

Yes No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest
------	------------------	------------------------------

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

/he Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

SECTION VI - CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: If the Matter is federally funded, complete this Section VI. If the Matter is not federally funded, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?

Yes No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)

Yes No

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?

Yes No Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?

Yes No

If you checked "No" to question (1) or (2) above, please provide an explanation:

SECTION VII - FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at [www.cityofchicago.org <http://www.cityofchicago.org> g/Ethics](http://www.cityofchicago.org/Ethics), and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. NOTE: With respect to Matters subject to MCC Chapter 1-23, Article I (imposing PERMANENT INELIGIBILITY for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

CERTIFICATION

Under penalty of perjury, the person signing below; (1) warrants that he/she is authorized to execute this CDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this CDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX A**

**FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND
DEPARTMENT HEADS**

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B.1.a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

Yes

No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX B**

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No The Applicant is not publicly traded on any exchange.

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX C**

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com <<http://www.amlegal.com>>), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

Yes

No

N/A - I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385. This

certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1). If you checked "no"

to the above, please explain.

SECTION II -- DISCLOSURE OF OWNERSHIP INTERESTS

A. NATURE OF THE DISCLOSING PARTY

1. Indicate the nature of the Disclosing Party:

- Person
 - Publicly registered business corporation
 - Privately held business corporation
 - Sole proprietorship
 - General partnership
 - Limited partnership
 - Trust
 - Limited liability company
 - Limited liability partnership
 - Joint venture
 - Not-for-profit corporation
- (Is the not-for-profit corporation also a 501(c)(3))?
 Yes No
 Other (please specify).

2. For legal entities, the state (or foreign country) of incorporation or organization, if applicable:

And IWS

3. For legal entities not organized in the State of Illinois: Has the organization registered to do business in the State of Illinois as a foreign entity?

- Yes
- No
- Organized in Illinois

B. IF THE DISCLOSING PARTY IS A LEGAL ENTITY:

1. List below the full names and titles, if applicable, of: (i) all executive officers and all directors of the entity; (ii) for not-for-profit corporations, all members, if any, which are legal entities (if there are no such members, write "no members which are legal entities"); (iii) for trusts, estates or other similar entities, the trustee, executor, administrator, or similarly situated party; (iv) for general or limited partnerships, limited liability companies, limited liability partnerships or joint ventures, each general partner, managing member, manager or any other person or legal entity that directly or indirectly controls the day-to-day management of the Applicant.

NOTE: Each legal entity listed below must submit an EDS on its own behalf.

Name _____, Title _____

2. Please provide the following information concerning each person or legal entity having a direct or indirect, current or prospective (i.e. within 6 months after City action) beneficial interest (including ownership) in excess of 7.5% of the Applicant. Examples of such an interest include shares in a corporation, partnership interest in a

partnership or joint venture, interest ora member or manager in a

Page 2 of 15

limited liability company, or interest of a beneficiary of a trust, estate or other similar entity. If none, state "None."

NOTE: Each legal entity listed below may be required to submit an EDS on its own behalf.

Name	Business Address	Percentage Interest in the Applicant
------	------------------	--------------------------------------

SECTION III -- INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? Yes No

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? Yes No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party?

Yes No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner (s) and describe the financial interest(s).

SECTION IV - DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing

Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Page 3 of 15

Name (indicate whether retained or anticipated to be retained)	Business Address	Relationship to Disclosing Party (subcontractor, attorney, lobbyist, etc.)	Fees (indicate whether paid or estimated.) NOTE: "hourly rate" or "t.b.d." is not an acceptable response.
--	------------------	--	---

(Add sheets if necessary)

Check here if the Disclosing Party has not retained, nor expects to retain, any such persons or entities.

SECTION V - CERTIFICATIONS

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

Yes No No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement?

Yes No

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or

continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

Page 4 of 15

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section 11(B)(1) of this EDS:

- a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;
- b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;
- c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;
- d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and
- e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any "Contractor" (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, "Disclosure of Subcontractors and Other Retained Parties");
- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity

means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;

- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Page 5 of 15

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

- a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;
- b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or
- c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or
- d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their

subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

Ver.2018-1

Page 6 of 15

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

-J*1£ :

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a , complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than \$25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

Njr\

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

is is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

Page 7 of 15

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

Mk

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

Yes

No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest
------	------------------	------------------------------

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

Page 8 of 15

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

SECTION VI - CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: If the Matter is federally funded, complete this Section VI. If the Matter is not federally funded, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

Ver.2018-1

Page 9 of 15

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?

Yes

No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)
 Yes No
2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?
 Yes No Reports not required
3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?
 Yes No

If you checked "No" to question (1) or (2) above, please provide an explanation:

Page 10 of 15

SECTION VII -- FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. *The certifications, disclosures, and acknowledgments contained in this EDS will become part of] contract or other agreement between the Applicant and the City in connection with the Matter, whet! procurement, City assistance, or other City action, and are material inducements to the City's executio^^^^of any contract or taking other action with respect to the Matter. The Disclosing Party understands trf^^^^it must comply with all statutes, ordinances, and regulations on which this EDS is based. ':%&B8S\$I&*

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full tex^^^^ of this ordinance and a training program is available on line at www.cityofchicago.org/Ethics <<http://www.cityofchicago.org/Ethics>>. and im^^ also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610j|ji|pr - (312) 744-9660. The Disclosing Party must comply fully with this ordinance. . "*:|fflp-'

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly

request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. NOTE: With respect to Matters subject to MCC Chapter 1-23, Article I (imposing PERMANENT INELIGIBILITY for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

Page 11 of 15

CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX A**

**FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND
DEPARTMENT HEADS**

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B.1.a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

Yes

No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

APPENDIX B**

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No The Applicant is not publicly traded on any exchange.

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

Page 14 of 15

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX C**

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com <<http://www.amlegal.com>>), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

Yes

No

N/A - I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385. This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1). If you checked "no" to the above, please explain.

SECTION III -- INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? Yes No

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? Yes No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party? Yes No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner(s) and describe the financial interest(s).

J

SECTION IV -- DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Page 3 of 15

Name (indicate whether Business retained or anticipated Address to be retained)
Relationship to Disclosing Party (subcontractor, attorney, lobbyist, etc.)
Fees (indicate whether paid or estimated.) NOTE: "hourly rate" or "t.b.d." is not an acceptable response.

(Add sheets if necessary)

Check here if the Disclosing Party has not retained, nor expects to retain, any such persons or entities. SECTION V - CERTIFICATIONS

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

Yes No No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement?

Yes No

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5 year period preceding the date of this EDS, neither the Disclosing Party nor

procurement services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

Page 4 of 15

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section 11(B)(1) of this EDS:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;

b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;

c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and

e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any "Contractor" (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, "Disclosure of Subcontractors and Other Retained Parties");
- any "Affiliated Entity" (meaning a person or entity that directly or indirectly controls the Disclosing

- any Affiliated Entity (meaning a person or entity that, directly or indirectly, controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Page 5 of 15

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

- a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;
 - b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or
 - c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or
 - d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).
6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.
7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.
8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving

admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

Ver.2018-1

Page 6 of 15

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than \$25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

is is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

Page 7 of 15

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

OF THIS MATTER.

Does the Matter involve a City Property Sale?

Yes

No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest
------	------------------	------------------------------

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

Page 8 of 15

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

 Y 1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

SECTION VI - CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: If the Matter is federally funded, complete this Section VI. If the Matter is not federally funded, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

Ver.2018-1

Page 9 of 15

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?

is the Disclosing Party the Applicant:

Yes No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)

Yes No

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?

Yes No Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?

Yes No

If you checked "No" to question (1) or (2) above, please provide an explanation:

Page 10 of 15

SECTION VII - FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at www.cityofchicago.org/Ethics, and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. NOTE: With respect to Matters subject to MCC Chapter 1-23, Article I (imposing PERMANENT INELIGIBILITY for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

Page 11 of 15

CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this F.DS. and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this FDS. and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX A**

**FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND
DEPARTMENT HEADS**

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B.1.a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

F I X --

F I X --

Yes

No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes

No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes

No

The Applicant is not publicly traded on any exchange.

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

Page 14 of 15

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX C**

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com <<http://www.amlegal.com>>), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

Yes

No

N/A - I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385. This

certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1). If you checked "no"

to the above, please explain.

SECTION II - DISCLOSURE OF OWNERSHIP INTERESTS

A. NATURE OF THE DISCLOSING PARTY

1. Indicate the nature of the Disclosing Party:

- | | |
|---|--|
| <input type="checkbox"/> Person | <input type="checkbox"/> Limited liability company |
| <input type="checkbox"/> Publicly registered business corporation | <input type="checkbox"/> Limited liability partnership |
| <input type="checkbox"/> Privately held business corporation | <input type="checkbox"/> Joint venture |
| <input type="checkbox"/> Sole proprietorship | <input type="checkbox"/> Not-for-profit corporation |
| <input type="checkbox"/> General partnership | (Is the not-for-profit corporation also a 501(c)(3))? |
| <input type="checkbox"/> Limited partnership | <input type="checkbox"/> Yes <input type="checkbox"/> No |
| <input type="checkbox"/> Trust | hd Other (please specify) , |

2. For legal entities, the state (or foreign country) of incorporation or organization, if applicable:

3. For legal entities not organized in the State of Illinois: Has the organization registered to do business in the State of Illinois as a foreign entity?

Yes DO No Organized in Illinois

B. IF THE DISCLOSING PARTY IS A LEGAL ENTITY:

1. List below the full names and titles, if applicable, of: (i) all executive officers and all directors of the entity; (ii) for not-for-profit corporations, all members, if any, which are legal entities (if there are no such members, write "no members which are legal entities"); (iii) for trusts, estates or other similar entities, the trustee, executor, administrator, or similarly situated party; (iv) for general or limited partnerships, limited liability companies, limited liability partnerships or joint ventures, each general partner, managing member, manager or any other person or legal entity that directly or indirectly controls the day-to-day management of the Applicant.

NOTE: Each legal entity listed below must submit an EDS on its own behalf.

Name . Title

2. Please provide the following information concerning each person or legal entity having a direct or indirect, current or prospective (i.e. within 6 months after City action) beneficial interest (including ownership) in excess of 7.5% of the Applicant. Examples of such an interest include shares in a corporation, partnership interest in a partnership or joint venture, interest of a member or manager in a

Page 2 of15

limited liability company, or interest of a beneficiary of a trust, estate or other similar entity. If none, state "None."

NOTE: Each legal entity listed below may be required to submit an EDS on its own behalf.

<u>Name</u>	<u>Business Address</u>	<u>Percentage Interest in the Applicant</u>

SECTION III - INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? Yes No

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? Yes No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party? Yes No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner(s) and describe the financial interest(s).

SECTION IV - DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Page 3 of 15

Name (indicate whether retained or anticipated to be retained)	Business Address	Relationship to Disclosing Party (subcontractor, attorney, lobbyist, etc.)	Fees (indicate whether paid or estimated.) NOTE: "hourly rate" or "t.b.d." is not an acceptable response.

(Add sheets if necessary)

r^] Check here if the Disclosing Party has not retained, nor expects to retain, any such persons or entities.

SECTION V -- CERTIFICATIONS

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

Yes No [y] No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement?

Yes No

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Department Services.] In the 5 paragraphs preceding the 1st of this FDS, with the Disclosing Party's

procurement services.] in the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

Page 4 of 15

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section 11(B)(1) of this EDS:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;

b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;

c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and

e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any "Contractor" (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, "Disclosure of Subcontractors and Other Retained Parties");
- any "Affiliated Entity" (meaning a person or entity that directly or indirectly controls the Disclosing

- any Affiliated Entity (meaning a person or entity that, directly or indirectly, controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Page 5 of 15

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

- a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;
 - b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or
 - c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or
 - d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).
6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.
7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.
8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or pled under supervision for, any criminal offense involving

admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

Ver.2018-1

Page 6 of 15

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

um

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

jm

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than \$25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)
 is C)Q is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

Page 7 of 15

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

Jim :

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes YJ No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning

taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

Yes No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest
------	------------------	------------------------------

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

Page 8 of 15

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

SECTION VI - CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: If the Matter is federally funded, complete this Section VI. If the Matter is not federally funded, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

Ver.2018-1

Page 9 of 15

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?

Y N

Y N

Yes

NO

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)

Yes

No

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?

Yes

No

Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?

Yes

No

If you checked "No" to question (1) or (2) above, please provide an explanation:

Page 10 of 15

SECTION VII -- FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at www.cityofchicago.org/Ethics, and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. NOTE: With respect to Matters subject to MCC Chapter 1-23, Article I (imposing PERMANENT INELIGIBILITY for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

Page 11 of 15

CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this HDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX A**

**FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND
DEPARTMENT HEADS**

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B.1.a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

Yes No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

person has a familial relationship, and (+) the precise nature of such familial relationship.

APPENDIX B**

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

Yes No The Applicant is not publicly traded on any exchange.

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

Page 14 of 15

**CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
APPENDIX C**

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com' <<http://www.amlegal.com>'>), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

Yes

No

N/A - I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385. This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1). If you checked "no" to the above, please explain.

WH Smith PLC Annual Report and Accounts 2021

Strategic report

Group at a glance

WH Smith PLC is a leading travel retailer with a smaller high street business

Travel

WHSmith Travel is a global travel retailer with a strong presence in UK travel locations and an increasing portfolio of stores around the world, including our fast-growing North American businesses. Marshall Retail Group (MRG) for speciality retail, and InMotion, the market-leading global technology retailer in travel locations.

WHSmith Travel sells a range of products serving customers in travel locations or in need of a convenience offer.

As at 31 August 2021, the business operated from 1,166 units (2020: 1,174 units), in airports, hospitals, railway stations and motorway service areas. 595 of these units (2020: 584 units) are outside the UK across 30 countries and mainly in airports.

During the year, the business has continued to be impacted by the Covid-19 pandemic with a significant number of stores temporarily closed across the globe. Further to the easing of government restrictions around the world, we have been encouraged by the improving trends in each of our channels, and we are well positioned to benefit from the opportunities that exist as our markets recover.

Our goal

to be the leading retailer in travel essentials for the world's travelling customer.

Highlights

Operating in

1,166 units

WH Smith PLC Annual Report and Accounts 2021

High Street

High Street sells a wide range of Stationery Books, Newspapers, Magazines and Impulse products.

As at 31 August 2021, the business operated from 544 WHSmith High Street stores¹(2020: 568 stores'), located on most of the UK's significant high streets and shopping centres. We operate over 200 Post Offices from within our High Street stores, further cementing our position on the high street and at the heart of the communities we serve.

Our online digital business operates through five websites: funkypigeon.com <<http://funkypigeon.com>>, whsmith.co.uk <<http://whsmith.co.uk>>, cultpens.com <<http://cultpens.com>>, treeofhearts.co.uk <<http://treeofhearts.co.uk>> and dottyaboutpaper.co.uk <<http://dottyaboutpaper.co.uk>>.

During the year, High Street was impacted by reduced footfall as a result of the Covid-19 pandemic. In line with government guidance, we kept the vast majority of our High Street stores open throughout the lockdown periods in order to provide access to essential products and services, including Post Offices.

Our goal

to be Britain's most popular high street stationer, bookseller and newsagent.

Our customers

You can read more about our markets on pages 5 and 6

Our markets

Travel

Travel sells a range of products serving customers in travel locations and in need of a convenience offer. Travel's typical customer has less time to browse and is more-interested in purchasing convenience and impulse products such as food, drink and confectionery, travel and tech accessories and souvenirs, as well as reading materials for a journey.

Travel units are typically located in high footfall locations with higher operating and occupation costs with rents paid as a percentage of sales (often subject to minimum guarantees). Travel is less affected by the Christmas trading period than high street retailers. Increased passenger traffic during the summer holiday season, particularly in airports, contributes to a summer peak in sales. Most passengers are travelling for leisure purposes.

Our main markets are in the UK (air, hospitals and rail) and in North America (air and resorts in Las Vegas). All our markets have been impacted by government actions following the outbreak of Covid-19. The rate at which passengers return to travel locations will have the biggest impact on our markets. As restrictions have eased, we have seen a return to travelling led first by domestic travel and then short-haul. Long-haul travel will be the last to recover. Most industry forecasts, for example, Airports Council International (ACI) expect passenger numbers to return to 2019 levels by 2024.

In the UK, air passenger numbers have been significantly impacted. However, as restrictions have eased, we have seen a recovery in passenger numbers. According to ACI, UK passenger numbers were down 49 per cent in October 2021 compared to 2019. This compares to down 80 per cent in October 2020 compared to October 2019. Rail passenger numbers have also been significantly impacted by government restrictions and have recovered as restrictions have eased. Concourse data from Network Rail suggests that rail passengers were down 34 per cent in October 2021 compared to October 2019. This has improved from down 65 to 70 per cent in October 2020. Hospitals are impacted by changes in the number of visitors and elective surgeries. The UK Government continues to invest in the National Health Service and in building new and extended hospitals.

In North America, due to the domestic nature of the market, airport passenger numbers have recovered quickly. Based on TSA data, passenger numbers had recovered to 84 per cent of 2019 by the end of October 2021. In Las Vegas, visitor numbers have also recovered with occupancy levels at 85 per cent of 2019 levels in September 2021.

The speed of the recovery in each market in which we operate will depend on the successful roll-out of vaccines around the world, the emergence of new variants and their response to vaccines, and the way governments choose to relax or impose restrictions in the face of these changes. Over the longer term, Travel will be impacted by macroeconomic trends and other factors which influence the number and nationality of travelling customers. These include levels of employment and investment, the cost of travelling, specific category trends such as the growth of consumable products and tech accessories, and policy intervention to tackle climate change.

WH Smith PLC Annual Report and Accounts 2021 05

Strategic report

Our markets continued

High Street

High Street sells a wide range of products in the following categories: Stationery (including greetings cards, general stationery, art and craft, and gifting), News and Impulse (including newspapers, magazines, confectionery and drinks) and Books. High Street's trading is seasonal, peaking at Christmas and in August/September for 'Back to School'.

We also have a number of online businesses:

- funkypigeon.com <<http://funkypigeon.com>> - our personalised cards and gifts site.
- whsmith.co.uk <<http://whsmith.co.uk>> - which sells a range of Stationery. Books, Magazines and Gifts.
- cultpens.com <<http://cultpens.com>> - our specialist pen site.
- treeofhearts.co.uk and dottyaboutpaper.co.uk <<http://dottyaboutpaper.co.uk>> - our specialist wedding stationery sites

These websites complement our core in-store and stationery offers and have accelerated during the Covid-19 pandemic.

High Street's performance is dependent upon overall growth in consumer spending and the levels of footfall on the UK high street. Since Covid-19, we have seen further declines in the level of footfall on UK high streets. There is a wide discrepancy in store performance depending on the location, with smaller market towns and more affluent catchments performing better than city centre locations, reflecting the level of government restrictions imposed due to Covid-19. Going forward, further lockdowns or restrictions in the UK would impact the performance of our High Street stores.

Funkypigeon.com <<http://Funkypigeon.com>> is our online personalised greeting card and gifting website. The market for greetings cards in the UK is substantial and estimated at £1.6bn' with online penetration estimated at c.15 per cent' with OC&C forecasting online growth of single cards over the next three years, taking penetration to c.20 per cent' of the card market by 2024. The UK greetings card market has been stable with a culture of sending greetings cards in the UK. with adults sending on average 20 greetings cards per person each year.

Chairman's statement

it
We are now in a strong position to capitalise on the growth opportunities that exist in our markets."

Henry Staunton
Chairman

Despite the ongoing uncertainty throughout the financial year, the Group has delivered a robust performance. We have taken decisive actions to secure the financial position of the Group and we are now in a strong position to capitalise on the growth opportunities that exist in our markets. Within Travel, despite the significant impact on passenger numbers in the year, we have won strategically important business in the UK, with 30 technology stores won² across UK airports.

This is a significant step forward for the Group as we introduce our market-leading technology business in travel locations in the US. InMotion. to the UK. making it the largest, global technology retailer in travel locations

In addition, the growth opportunities in the North American travel market are substantial During the year, we have won some significant new business at major US airports and we are in a strong position as the market recovers.

While the easing of government-imposed restrictions had a positive impact on the Group's performance in the second half of the financial year, the Group has continued to be significantly impacted by the Covid-19 pandemic. Across our global travel business, passenger numbers have been significantly impacted. In our High Street business, we have seen a structural shift in consumer behaviour accelerated by the pandemic, resulting in reduced high street footfall. Despite these challenges, our teams have acted fast and responded to the evolving trading environment by focusing on initiatives within our control that support us in the short term and put us in a better position to emerge operationally stronger as our markets recover.

Once again, I feel immense pride for how our colleagues have responded to the pandemic and the resulting challenges. During the year, we committed to playing our part in the communities we serve to provide access to vital postal and banking services from our High Street stores with Post Offices. Similarly we kept the majority of our stores open in hospitals in order to support frontline NHS workers This would not have been possible without the extraordinary commitment of our store colleagues and I remain grateful for their outstanding contribution.

2 As at 10 November 2021

Looking ahead, value creation remains central to our plans and we will continue to invest for the longer term where we see attractive opportunities for profitable growth.

Corporate governance

Corporate governance remains an important area of focus for the Board and underpins the sustainability of our business and the achievement of our strategy. A more detailed explanation of our approach to corporate governance can be found in our Corporate governance report on pages 41 to 88. /

Sustainability

We are committed to adopting a market-leading position on responsible business practices, and seek to make a positive _ impact on the planet, the lives of our people and the communities in which we operate. This year, we met our target to reach carbon neutrality for our UK operations by 2021. We continued our work to reduce plastic packaging and ensure no deforestation from the manufacture of our stationery products. In addition, we extended our programme to provide books and reading support to disadvantaged children, continuing our work with the National Literacy Trust and others.

Further information on all aspects of our sustainability programmes can be found on pages 29 to 36.

People

It has been another challenging year for our colleagues across-the Group and I am sincerely grateful for their ongoing contribution. We have a very strong team at WHSmith and this year has proven that despite the many challenges we have faced, we have outstanding talent to lead our business.

Outlook

While we remain cautious in our approach, we are a resilient and versatile business. We are financially strong and are well placed to benefit in due course from further opportunities as our markets recover. We remain very disciplined with our capital allocation and going forward remain committed to delivering value for our shareholders

Henry Staunton

Chief Executive's review

kk

We are a financially strong Group in a robust position to emerge operationally stronger."

Carl Cowling
Group Chief Executive

Covid-19 continues to have a significant impact on the performance of the Group. Over the last year, we have worked hard throughout the world to navigate our way through the changing government restrictions in each country. The imposition and subsequent easing of lockdowns and restrictions has meant we have developed a flexible and dynamic approach to operating our stores, opening up when we had sufficient customer traffic to generate incremental cash or, in line with government guidelines, remaining open to provide essential products and services to our customers.

As at 31 October 2021, we had 1,540 stores open around the world out of a total portfolio of 1,711 stores.

Our overriding priority during the year has been the health and wellbeing of all our colleagues and customers. All stores, distribution centres and head offices had appropriate safety measures in place in line with the relevant government guidance at any one time, including social distancing measures, PPE for colleagues' use, protective screens and guidelines to limit the number of customers in store. In addition, all head office staff, having initially worked at home, are now operating a hybrid model, combining home and office working.

Group overview

Throughout the year, the trading environment remained impacted by Covid-19 with extensive restrictions in place. We focused on initiatives within our control that have supported us in the immediate term and put us in a good position to emerge operationally stronger as our markets continue to recover. These key areas of focus are:

- Securing our financial position through the new banking arrangements and convertible bond issuance announced in April 2021. This gives us a strong balance sheet, extends maturity dates to 2025 and increases our revolving credit facility to £250m.
- Driving average transaction value and sales per passenger

¹ iKfluidity is defined as cash on deposit plus undrawn facilities

² Equivalent month in 2019

- Extending our categories and ranges to reflect the specific needs of our customers in each location where we operate. For example, health and beauty products across our Travel stores and working from home and electrical accessories ranges across our High Street stores.
- Working with landlords and building on our strong relationships to create opportunities for winning new business, extending key contracts and improving the quality and location of the space where we operate. The expansion of InMotion into the UK through the winning of every technology store in UK airports is a good example of this in practice, reflecting the combination of our core travel retail expertise, strong brand and landlord relationships, and builds on the learnings from operating InMotion in the US.
- Investing capex in strategically important projects which set us up well for the future, such as our refitted stores at London Heathrow Terminal 5 and our stores at the new terminal at Manchester Airport.
- Building our internet proposition by extending ranges, investing in the websites, marketing, fulfilment and distribution and building customer engagement through social media.
- Forensic focus on costs and cash, minimising discretionary spend and managing our cash burn resulting in cash on deposit of £107m and access to £357m of liquidity¹ as at the end of October 2021.

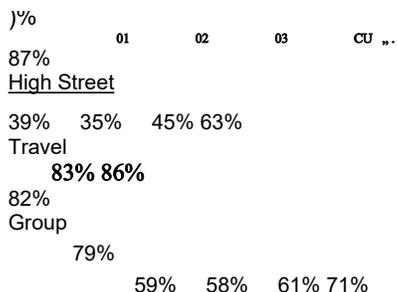

Total Group revenue as a percentage of 2019 total revenue has been

Percentage of 2019 Revenue²

FY 2021

FY 2022

9wecksto

30 October 2021

Covid-19 continued to have a significant impact on the Group. Total Group revenue at £886m (2020: £1,021m) was down 13 per cent compared to last year (which included six months pre-pandemic) and was 62 per cent of 2019³. Travel remained impacted by the government enforced travel restrictions throughout the year. However, we saw an improved performance

The Group adopted IFRS 16 Leases with effect from 1 September 2019. The Group continues to monitor performance and allocate resources based on pre-IFRS 16 (applying the principles of IAS 17) information, and therefore the results for the years ended 31 August 2021 and 31 August 2020 have been presented on both an IFRS 16 and a pre-IFRS 16 basis. Measures described as 'Headline' are presented pre-IFRS 16. For the purposes of narrative commentary on the Group's performance and financial position, both pre-IFRS 16 and IFRS 16 measures are provided. Reconciliations from pre-IFRS 16 measures to IFRS 16 measures are provided in the Glossary on page 156. Group revenue was not affected by the adoption of IFRS 16, and therefore all references to and discussion of revenue, and like-for-like revenue are based on statutory measures.

WH Smith PLC Annual Report and Accounts 2021

across all channels in the second half as restrictions were eased in most countries where we operate and which has continued into Q1 of the current financial year. We saw a consistently robust performance in High Street throughout the year, despite footfall declines, with the important December trading period at 92 per cent of 2019. Our internet businesses have continued to perform strongly.

The Headline Group loss from trading operations³ for the year was £20m (2020: loss of £43m) with Headline Group loss before tax and non-underlying items³ at £55m (2020: loss of £69m). This includes a second half performance over £110m better than the prior year. Including non-underlying items, the Headline Group loss before tax³ was £104m (2020: loss of £226m).

The Group loss before tax, after non-underlying items and including IFRS 16, was £116m (2020: loss of £280m).

On 28 April 2021, the Group announced new financing arrangements which included a £250m Revolving Credit Facility (RCF) (increased from £200m) with maturity extended to 2025. At the same time, the Group launched an offering of convertible bonds which mature in 2026. The bonds raised £327m, of which £50m was retained by the Group to fund new and existing growth opportunities, including the InMotion stores won in the UK and the further 100 stores won and yet to open in Travel. The remaining £267m was used to pay down a significant proportion of the Group's term debt with its commercial banks, which now stands at £133m with a maturity in 2025.

The Group had the following cash, committed facilities and drawn debt as at 31 August 2021 ^{31 August 2021 Maturity}

Cash and cash equivalents £130m

Facility	Amount	Maturity
Revolving Credit Facility	£250m	April 2025
Term Loan	£133m	April 2025
Convertible Bond	£327m	April 2026

As at 31 August 2021, Headline net debt³ was £291 m (2020: £301 m). We continued to focus on cash. Group free cash flow³ was an inflow of £14m (2020: outflow of £41m).

As at 30 October 2021, access to liquidity was £357m being cash on deposit of £107m and the undrawn RCF.

The Board has announced that it will not be paying a dividend in respect of the financial year ending 31 August 2021.

The Group's approach to capital allocation remains unchanged.

- investing in our existing business and in new opportunities where we see attractive rates of return ahead of the cost of capital;
- re-establishing a dividend for our shareholders;
- undertaking attractive value-creating acquisitions in strong and growing markets; and
- returning surplus capital to shareholders by way of share buybacks.

In normalised conditions, we have a leverage target of between 0.75x and 1.25x EBITDA.

³ Alternative Performance Measure defined and explained in the Glossary on page 156. £ Undrawn as at 10 November 2021

Travel performance

Covid-19 continued to significantly impact the business across our UK, North America and Rest of the World markets. This has resulted in a total Headline trading loss³ of £39m (2020: loss of £33m) in the year which is comprised of a loss of £32m in the UK (2020: loss of £1m), a profit of £6m (2020: loss of £18m) in North America and a loss of £13m (2020: loss of £0m) in the Rest of the World. Total revenue was £401 m (2020: £553m), down 27 per cent compared to last year.

In Travel, we have focused on initiatives within our control, that have supported us in the immediate term, and positioned us well to emerge operationally stronger as our markets recover. As restrictions have eased, we have seen a return to travelling, led first by domestic travel and then short-haul. Long-haul travel will be the last to recover. Most industry forecasts including Airports Council International (ACI) expect passenger numbers to return to 2019 levels by 2024.

We continue to invest in the business where we see attractive opportunities for profitable growth.

High Street performance

We have managed this business very tightly throughout the year given the uncertain trading environment, with an ongoing focus on cost control and cash generation High Street delivered a resilient performance with a full year Headline trading profit³ of £19m (2020: loss of £10m). Total revenue was up four per cent. Cost savings of £30m were delivered in the year. An additional E45m of cost savings have been identified over the next three years, of which £35m are planned for 2021/22

Environmental, Social and Corporate Governance ('ESG')

During the first half of the financial year, we launched our new sustainability strategy. Our journey to a better business', and we have continued to focus on our ESG performance.

During the year, we have met our target to reach carbon neutrality for our UK operations, reducing our energy consumption by over 60 per cent since 2007. switching to 100 per cent renewable electricity and investing in tree planting projects to neutralise residual emissions.

Over the next few years, we intend to extend this approach to our international operations and encourage our supply chain to join us on the pathway to net zero. We will be seeking independent assessment and approval of our carbon targets from the Science Based Target Initiative in the next year.

We continue to focus on more environmentally responsible sourcing practices and we have removed plastic glitter from all our own-brand ranges. This is in addition to our work to redesign and remove plastic packaging from our seasonal ranges wherever possible.

One of the greatest impacts of the pandemic has been the increasing gap in children's literacy levels We are therefore proud to continue our partnership with the National Literacy Trust at such an important time.

We are committed to continuing to play our part to address some of the key challenges facing society and the environment over the years ahead

In Travel, we have focused on initiatives within our control that have supported us in the

9% revenue in air was 17 per cent, our hospital channel was 76 per cent, and rail was 32 per cent. This resulted in a headline trading loss of £32m (2020 loss of £1m).

While first half trading in Travel UK was impacted by lockdown restrictions, quarantine measures, and resultant reduced passengers on public transport, we saw encouraging signs of recovery across all our channels in the second half as restrictions were progressively eased. This improved performance has continued into the new financial year Revenue in September 2021 was 60 per cent. In October 2021, revenue was 71 per cent of 2019 revenue, with air at 59 per cent, hospitals at 92 percent and rail at 74 per cent.

In air, we saw a significant improvement in passenger numbers in the second half as restrictions eased and more countries were added to the UK Government's green list. We saw an improvement in our hospital performance, with higher levels of visitors, as hospitals returned to more general medical care with more elective surgeries. Similarly, we saw an improved performance in our rail business as restrictions eased over the summer months and commuter traffic increased. Since the beginning of the new financial year, we have seen a notable shift in rail passenger numbers with strong performances particularly over the weekends and an improving weekday performance, albeit still below pre-pandemic levels.

We have worked hard across all our channels to deliver against our plan, focusing on key priorities within our control. All three channels saw a double digit increase in ATV during the year.

As at 31 August 2021, Travel UK operated from 571 stores of which 518 were open as at 31 October 2021. Over the next three years, we expect to open an additional ten to 15 stores each year.

Air

In Air, where leisure passengers have been the most important customer segment before and during the pandemic, we have continued to build on our strong position in this channel, including successfully winning all the technology stores across UK airports, including London Heathrow, London Gatwick and London Stansted airports. These business wins comprise 30 stores and will trade under the InMotion brand. Combining the learnings and expertise from our InMotion stores in the US, these stores will provide a first-class customer service experience and showcase a range of premium brands, such as Apple, Bose and Samsung, as well as an extensive range of tech accessories.

As at 31 October 2021, we have eight InMotion stores trading in UK airports. These include a combined WHSmith and InMotion store at London Stansted airport which forms part of a format trial, combining under one roof a news, books and convenience offer by WHSmith with a technology range from InMotion. Similar to our flagship store at London Heathrow Terminal 2, this store boasts a large digital fascia which complements further digital signage in store, creating an attractive look and feel while promoting key offers and products. While it is still early days, there is scope to further develop this new combined format across our existing large airport stores going forward. In addition, we will launch a new reserve and collect service later this year in our new InMotion stores to provide our customers with another quick and convenient way to shop.

Technology and accessories is a strong growth market and in a fully recovered travel market we would anticipate that these stores will deliver c.£80m of incremental sales per year. Investment in capex and working capital relating to these stores in the year will be c.£18m. We expect most of the remaining stores to open by the end of the first half of the current financial year.

We have also continued to invest in our stores, develop new formats and win new business in this channel. This has included: major refits across London Heathrow Terminal 5 to our store of the future' format, the opening of three stores in the new terminal at Manchester airport in October 2021, our first shared space store with M&S Food at Liverpool Airport, the opening of a new standalone Bookshop at London Heathrow Terminal 2, and, under a franchise agreement, new Costa Coffee stores in Aberdeen and Southampton airports.

Our ongoing investment in format development puts us in a stronger position to win more new business while benefiting from higher levels of customer penetration, delivering a greater return on our space. Going forward, we expect more space to become available.

Category development remains a key part of the strategy and we have made good progress in the year, extending our ranges into new categories such as health and beauty, tech accessories, premium souvenirs and premium food trials. The premium food trials include YO! Sushi and Crush which have delivered a 25 per cent increase in ATV and have been rolled out to further stores.

As expected, we have seen a faster return of leisure passengers over the period. We saw another step change in sales over the half-term holiday in October, with sales at 70 per cent of the comparable period in 2019.

During the year, we have also successfully extended a number of key contracts.

WH Smith PLC Annual Report and Accounts 2021

Strategic report

Review of operations continued

Hospitals

The Hospitals channel is an important channel for us and it is our second largest channel by revenue in Travel UK. While sales were clearly impacted in the first half of the financial year, with no hospital visitors and elective surgeries cancelled, we saw an improvement in the second half as restrictions eased and these stores performed well. This strength in performance has extended to the new financial year with sales in October at 92 percent of 2019 levels.

The hospital market continues to grow with additional government investment and we are well placed to service the increased demand for retail services in hospitals resulting from extended operating times to compensate for department backlogs. In addition, there are considerable space opportunities for us to improve the retail offer across UK hospitals.

As at 31 August 2021 we operated from 138 stores in 100 hospitals and we believe there is scope for around 300 hospitals in the UK that are able to support at least one of

our three store formats (WHSmith, M&S Food and Costa Coffee).

This channel is a good example of how we continue to innovate with a strong proposition tailored to each location, and a broad suite of formats and brands; including most recently, our first WHSmith store with a Post Office in Travel.

As at 31 August 2021 we operated 49 M&S standalone or shared space stores across hospitals, including a recently opened M&S Cafe at St Thomas' hospital in London.

Looking ahead, we would expect to return to opening on average circa ten new stores each year in this channel over the medium term

Rail

Rail remains an attractive channel. According to the Department for Transport, pre-pandemic, rail had approximately 1.7bn passenger journeys with leisure passengers accounting for around 40 per cent of these journeys

During the year, we have seen a gradual improvement in sales as restrictions have eased Concourse data for October suggested passenger numbers in October were 66 per cent of 2019 levels. Revenue in rail in October was at 74 percent of 2019 levels.

As we have done across all our channels, we continue to focus on driving ATV and we have seen some good results with a c.25 per cent increase from expanding categories (such as premium food as we have in air) and changing store layouts.

We also continue to invest and develop new formats in this channel. We have recently opened our first shared space store ■ in rail with M&S Food at Bristol Templemeads Station. While it is still early days, both customer and landlord feedback has been positive.

In addition, we will be launching a new 'blended essentials' store at Euston Station in London later this month. This store will combine our traditional news, books and convenience offer with electrical accessories, health and beauty products and a pharmacy.

North America

We saw a strong performance from North America, where there was a steady recovery in passenger numbers and also visitors to Las Vegas over the spring and summer months. Total revenue for the year in North America was £166m (2020: £116m), with a Headline trading profit¹ of £6m (2020 loss of £18m). The Headline trading profit¹ of £6m¹ reflects the recovery in passenger numbers and tight cost control including the benefits from merging the MRG and InMotion head offices into Las Vegas.

The growth opportunities in North America are substantial. The US is the largest travel retail market in the world with annual sales, pre-pandemic, at \$3.2bn. Approximately 85 per cent of passengers are domestic, with leisure passengers the biggest segment. TSA (Transportation Security Administration) data continues to show the gradual recovery in passenger numbers week on week, with passenger numbers at the end of October 2021 at 84 per cent of 2019 levels.

MRG has a strong track record of winning new business and we have 58 new stores (including InMotion) won and due to open in North America over the next three years with 17 stores won this financial year, including significant wins at major US airports. During the year, MRG opened eight airport stores, including stores at La Guardia and San Francisco airports InMotion has an excellent store portfolio with 117 stores located across 41 airports in North America and three stores in Resorts During the year. InMotion opened seven stores, including three InMotion stores in Resort locations.

Differentiated from its competitors by its strategy of developing highly customised retail experiences tailored to local customers and landlords, which we also now use in tenders around the world, MRG has a highly successful and proven business model. The combination of WHSmith, MRG and InMotion now enables the Group to participate in the entire North American airport specialty retail market. We expect a substantial amount of retail space to be offered for tender over the next ten years

Outside of the airport business, the Resorts channel continues to be resilient. MRG are a leading player in this channel in Las Vegas and other resorts with very longstanding relationships and a significant amount of expertise The Resorts channel has similar dynamics to our Travel business with a high number of short-stay visitors who tend to stay around the Las Vegas Strip and Fremont Street areas, where most of our stores are located. This market has proven resilient as a leisure location over the summer with occupancy levels according to the Las Vegas Convention and Visitors Authority at 87 per cent of 2019 over July and August Whilst many people drive to Las Vegas, we are also seeing an increase in passenger numbers at McCarran International Airport.

¹ Alternative Performance Measure defined and explained in the Glossary on page 154

² Excludes one-off integration costs See Note 5

³ Includes proforma MRG for 2019

WH Smith PLC Annual Report and Accounts 2021

Our sales performance has reflected these trends with overall sales in North America at 90 per cent³ of 2019 levels in October. We are currently trading from 264 stores (151 MRG and 113 InMotion)

We continue to invest in digital technology to enhance the customer experience in our stores, and we will be opening our first frictionless, check-out free store in the coming weeks. The WHSmith branded store will provide US customers with a quick and easy way to shop using Amazon's Just Walk Out¹ technology

Rest of the World

Total revenue for the year in ROW was £40m (2020: £93m), down 57 per cent versus the previous year. The Headline trading loss¹ for the year was £13m (2020: loss of £14m). The ROW has seen broadly similar trends to the UK, with passenger numbers significantly down year on year. The pace of recovery has varied by geography, as expected, with Europe and the Middle East the best performing regions in the second half As we have done in Travel UK, we remain focused on areas within our control, including increasing ATV.

As this market recovers, we expect to see more space become available. Our very low market share of the News Books and Convenience market outside of the UK and NA means there is significant opportunity to grow this business further. We also see good opportunities to win new business in the technology market under our InMotion brand. We are delighted to have been awarded preferred bidder status for two InMotion stores at Dublin Airport. This win in a significant European airport will bring the total number of InMotion stores in the Rest of the World to ten

As at 31 October 2021, we had 214 stores trading (c.70 per cent of the total)

During the year we opened 17 new stores In addition, we won 21 new stores, including significant tenders at Adelaide Airport. Australia, Melbourne Airport Terminal 1 and Bali.

In total, as at 31 August 2021, we operated 304 stores (2020 307). 40 per cent are directly run, 52 per cent are franchised with the balance being joint ventures We will continue to use these three economic models flexibly in order to create value and win new business.

Performance review 2020/21

Our High Street business comprises our store portfolio on UK high streets and includes our websites whsmith.co.uk <<http://co.uk>>, cultpens.com and our personalised greeting cards and gifts business, <<http://funky-pigeon.com>> <<http://funky-pigeon.com>>. During the year, High Street delivered a resilient performance with Headline trading profit¹ of £19m (2020: loss of £10m) on revenue of £485m, four per cent higher than 2020. Trading profit¹ Including IFRS 16) was £36m (2020: loss of £4m). We managed the business tightly in an uncertain trading environment, keeping focused on costs and cash generation.

The market has changed significantly during the pandemic, resulting in a shift in consumer behaviour over the past 18 months. High street footfall is down 25 per cent versus 2019 levels with internet retailing growing. The speed of this change has accelerated during the pandemic. As a consequence, we have acted quickly to this changing market in a number of ways-

- We have reviewed our categories and extended them where appropriate to ensure we have greater relevance in this market and where competitors have closed. New categories include working from home ranges and tech accessories, and we have increased our ranges of cards where competition has weakened.
- We have invested in our whsmith.co.uk, funky-pigeon.com <<http://funky-pigeon.com>> and cultpens.com <<http://cultpens.com>> websites where we are seeing significant growth
- We restructured the cost base to reduce costs and also to increase the level of flexibility in our business model, for example labour costs in stores, head offices and the distribution centres, and in occupancy costs reducing rent and keeping leases short and flexible.
- We closed 24 stores over the last 12 months where leases had become uneconomic and now have a closure process where the costs of closure are largely cash neutral. While closing stores is not an easy decision to make for our colleagues or the communities we serve, it is vital we retain a strong and cash-generative high street portfolio going forward.

The strategy we have in place in our High Street business remains as relevant today as it has ever been, focusing on space and category management, increasing margins and reducing costs. Our stores are well located with 95 per cent in prime pitch locations.

We consider retail space as a strategic asset and we utilise our space to maximise return in the current year in ways that are sustainable for future years. We have extensive and detailed space and range elasticity data for every store, built up over many years and we utilise our space to maximise the return on every metre drop of display space in every store. This approach remains as appropriate today.

Driving efficiencies remains a core part of our strategy and we continue to focus on all areas of cost in the business. We achieved cost savings of £30m in the year. These savings come from right across the business, including rent savings at lease renewal (on average over 50 per cent), which continue to be a significant proportion, government business rates holiday, marketing efficiencies and productivity gains from our distribution centres.

WH Smith PLC Annual Report and Accounts 2021

An additional £45m of cost savings have been identified over the next three years of which £35m are planned for 2022

Over the years, we have actively looked to put as much flexibility into our store leases as we can, and this leaves us well positioned in the current environment. The average lease length in our High Street business, including where we are currently holding over at lease end, is under two and a half years. We only renew a lease where we are confident of delivering economic value over the life of that lease. We have c 430 leases due for renewal over the next three years, including 150 where we are holding over and in negotiation with our landlord.

As at 31 August 2021, the High Street business operated from 544 WHSmith stores² (2020: 568) which occupy 2.6m square feet (2020: 2.7m square feet). 24 WHSmith stores were closed in the year (2020: eight).

Specialist websites

During the year, we have increased our investment and focus on whsmith.co.uk <<http://co.uk>> and have seen rapid growth through investing in the site. This has included improving customer conversion and product presentation, broadening our approach to marketing; and investing in fulfilment using our Swindon Distribution Centre. This enables us to have a credible multi-channel offer which is complementary for our customers.

Our specialist pen website, cultpens.com <<http://cultpens.com>>, has continued to perform well. During the year, we have invested further in the site, adding international functionality to build on our existing international sales, and we have extended our fulfilment centre to meet demand. In addition, we have continued to focus on our luxury pen ranges with increased marketing investment in ranges such as Montblanc.

funky-pigeon.com <<http://funky-pigeon.com>> delivered a record performance in the year. Total revenue was £54m with EBITDA¹ of £14m for the year.

The market for greetings cards in the UK is substantial and estimated at £16bn³ with online penetration estimated at c.15 per cent³ with OC&C forecasting online growth of single cards over the next three years, taking penetration to c.20 per cent³ of the card market by 2024. The UK greetings card market has been stable with adults sending on average 20³ greetings cards per person each year. We therefore see significant growth opportunities with funky-pigeon.com <<http://funky-pigeon.com>>.

We continue to invest in the site. During the year, we have developed the funky-pigeon.com app to improve customer conversion, and invested in platform enhancements, including improving our customer relationship management capability. We have further extended the fulfilment capability to meet demand, supporting the significant increase in new customers over the past 18 months, with a new production facility in Swindon and leveraging the Group's existing assets. In addition, we have strengthened the management team with a new Managing Director.

We have also recently launched a new next-day delivery service, operational seven days a week, to further enhance our customer proposition. Orders placed before 9:30pm will be fulfilled the following day. This has received very positive customer feedback.

Whilst the current year will see a lower sales and EBITDA as we anniversary the lockdown periods, we believe there are substantial opportunities to grow the platform further and significantly grow sales and profits.

Outlook

The Group has responded quickly to the changing trading environment despite the challenges and uncertainties faced during the year. We have

managed our cash position well, refinanced our debt, and have sufficient liquidity to capitalise on the significant growth opportunities that have become available as a result of the pandemic

We continue to make good progress in winning new space in Travel both in the UK, North America and the Rest of the World. In UK air, we have now won 30 technology stores. These stores will trade under the brand InMotion, further strengthening our presence in this category in Travel. As well as the 117 stores in North America, these 30 InMotion stores in the UK, including at London Heathrow, London Gatwick and London Stansted airports, will make InMotion the leading technology retailer in travel locations. In addition, we are delighted to have been awarded preferred bidder status for a further two InMotion stores at Dublin Airport.

We have also made good progress investing in our existing stores, opening new formats and winning new business. We anticipate further growth opportunities across all our markets. All this puts us in a robust position to continue to recover and emerge operationally stronger from the pandemic

We are financially strong and are an important retail partner for our travel landlords. As a result, we are well positioned to benefit from further opportunities, including extending our user clauses to drive spend per passenger.

Our High Street business has delivered a robust performance and is well placed to continue to generate cash from its portfolio of well-located stores and growing internet businesses. Across our digital channels over the medium-term, we expect to see strong growth, particularly from funkypigeon.com and we are well positioned to grow this platform further.

Subject to uncertainties in our markets, which continue to be impacted by government actions, we are optimistic that we will be able to achieve 2019 sales levels in the current financial year*

Non-underlying items'

Items which are not considered part of the normal operating costs of the business, are non-recurring and are exceptional because of their size, nature and incidence, are treated as non-underlying items and disclosed separately. As in 2020, most non-underlying items are directly attributable to Covid-19, and are detailed in the following table. Most do not impact cash.

Items 1 -5 in the above table have arisen as a direct consequence of Covid-19, and reflect the impact of lost revenues as a result of store closures, and downward revisions to budgeted revenues based on expectations of the rate of return to pre-pandemic levels of footfall and passenger numbers.

(1) Impairment of property, plant and equipment and right-of-use assets

The impact on the Group's operations of Covid-19 is expected to continue during the next year and beyond. As a result, the Group has carried out a review for potential impairment across the entire store portfolio. The impairment review compared the value-in-use of individual store cash-generating units, based on managements' assumptions regarding likely future trading performance taking into account the effect of Covid-19 to the carrying values at 31 August 2021. Following this review, a charge

1 Alternative Performance Measure defined and explained in the Glossary on page 154

WH Smith PLC Annual Report and Accounts 2021

of £ 18m (2020: £55m) was recorded for impairment of retail store assets on a pre-IFRS 16 basis, and £42m (2020: £135m) on an IFRS 16 basis which includes an impairment of right-of-use assets of £27m (2020: £95m).

(2) Onerous leases and other property costs

As a result of the impact of Covid-19, the Group has carried out a review of leases where the obligations of those leases exceed the potential economic benefits expected to be received under them. This resulted in a charge for the year of £5m (2020: £13m). This concept relates to pre-IFRS 16 numbers only and does not exist under IFRS 16.

Other property costs of £12m in the prior year relate to reinstatement liabilities for stores where the long-term viability has been impacted by Covid-19. Under IFRS 16 these costs are included in right-of-use assets and are therefore included within the impairment figure.

13) Stock provisions, write-offs and other

During the year, non-underlying provisions of £5m have been recorded against inventory, in addition to underlying provisions of £13m, and relates to dated and perishable stock and stock subject to obsolescence where the sell through rate has significantly reduced due to store closures and lower footfall. Other costs relate to international franchisees, and under IFRS 16 only, the derecognition of lease liabilities relating to the disposal of WHSmith France.

14) Restructuring costs

The charge of £9m (2020: £25m) is principally attributable to redundancies and restructuring costs following a review of store operations across our High Street business, as a result of the impact of Covid-19 on footfall on the UK high street. These costs are presented as a non-underlying item as they are part of a Board-agreed restructuring programme, and are considered material and one-off in nature.

5) Costs associated with refinancing activity

Costs associated with refinancing include £1m of non-cash charges relating to unamortised fees connected with extinguished liabilities. £3m of fees incurred in relation to amendment and extension of the Group's previous financing arrangements incurred in March 2021 prior to the issuance of the convertible bond, and £2m of professional fees relating to refinancing and debt structuring activity required as a result of Covid-19. Other fees incurred relating to refinancing activity have been recognised in underlying finance costs or recognised as a deduction from the value of liabilities recognised, and will be amortised over the period of the arrangement through underlying finance costs.

6) Integration costs

During the year, the Group incurred further costs of £2m in relation to the integration of MRG into the Group, and the merging of the InMotion and MRG corporate offices into Las Vegas, which has now been completed. In the prior year, transaction and integration costs of £20m were incurred in relation to the acquisition of MRG.

17) Amortisation of acquired intangible assets

Amortisation of acquired intangible assets primarily relates to the MRG and InMotion brands, which are recognised separately from goodwill. This amortisation is not considered to be part of the underlying operating costs of the business and has no associated cash flows.

(8) Pension past service cost

Past service cost of £14m was recognised in the prior year. This related to the equalisation of pension benefits between men and women for the period from 1 April 1992 to 29 July 1993 ('Barber equalisation').

A tax credit of £12m (2020: £25m) has been recognised in relation to the above items (£9m pre-IFRS 16 (2020: £18m)).

Net finance costs

Interest payable on bank loans and overdrafts 10

Interest on convertible bonds 4 Unwind of discount on onerous lease provisions

Interest on lease liabilities 10

24
20
16

10 4

Net finance costs

Net finance costs for the year were £ 16m (2020: £9m) with the year on year increase reflecting the refinancing activity during the year.

The interest on the convertible bonds includes the accrued coupon and c £2m on the non-cash accretion charge. Looking forward, in the current financial year ending 31 August 2022, net finance costs will include the coupon on the convertible bonds and c.£8m of non-cash debt accretion charges

The £2m non-cash unwind of discount on onerous lease provisions relates to onerous lease provisions recognised in the current and prior year as a result of Covid-19 This relates to pre-IFRS 16 only and does not exist under IFRS 16.

Lease interest of £10m arises on lease liabilities recognised under IFRS 16, bringing the total net finance costs under IFRS 16 to £24m (2020: £20m).

We expect finance costs on a pre-IFRS 16 basis to be approximately £25m in the current year, with cash finance costs approximately £10m lower than this These costs are considerably lower than had the April refinancing not occurred

Tax

The effective tax rate¹ was 47 per cent on the loss before non-underlying items made in the year [2020: 23 per cent). The effective tax rate is higher than the prior year rate due to the profile of losses incurred in the UK and overseas, and includes a credit of £8m arising on the substantive enactment of a change in UK tax rate from 19 to 25 per cent. This new law was substantively enacted on 24 May 2021.

The tax rate on the IFRS 16 Group statutory loss was 31 per cent (2020:15 per cent).

WH Smith PLC Annual Report and Accounts 2021
Strategic report

Financial review continued

During the year, the Group received a corporation tax refund of £10m following the carry back of 2020 losses against prior year profits.
