Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The project will include the provision of a 50% green roof (4,989 square feet) and will achieve Green Globes certification.
15. The Applicant acknowledges and agrees that the rezoning of the Property from an RT4 Residential Two-Flat, Townhouse and Multi-Unit Zoning District to a B3-5 Community Shopping Zoning District, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the "Required Units") as affordable units; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site. The Property is located in a "low-moderate income area" within the meaning of the ARO, and the project has a total of 92 elderly housing units. As a result, the Applicant's affordable housing obligation is 9 affordable units (10% of 92 rounded down), 2 of which are Required Units (25% of 92, rounded down). Applicant has agreed to satisfy its affordable housing obligation by providing 2 affordable units in the rental building to be constructed in the planned development and making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$50,000 per unit ("Cash Payment") for the remaining 7 units or providing 7 affordable units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit fA 1- The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 15, including
