OFFICE OF THE MAYOR
CITY OF CHICAGO

RAHM EMANUEL
MAYOR

October 16, 2013

TO THE HONORABLE, THE CITY COUNCIL OF THE CITY OF
CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Water Management, I transmit herewith an ordinance authorizing a release of an easement and entry into two easement agreements with Amtrak and Riverpoint, LLC.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

Mayor

**ORDINANCE
FOR EASEMENT RELEASE AND GRANT AGREEMENT OF
SEWER LINE EASEMENT**

WHEREAS, on May 27, 1915 the Chicago Union Station Company ("CUSCO") granted a sewer line easement running from Canal Street to the Chicago River ("Original Easement") to the City of Chicago ("City") to lay, construct or reconstruct, maintain and operating in perpetuity such sewer line upon and under CUSCO's property ("CUSCO Property") as legally described on the attached Exhibit A. The Original Easement was recorded June 22, 1915 as document number 5658263, Book 13360, Page 338 in the Recorder's Office of Cook County, Illinois; and

WHEREAS, River Point LLC ("River Point") is the owner of certain property located at 444 West Lake

Street, Chicago, Illinois ("River Point Property") adjacent to the north and south of the CUSCO Property and a portion of the Original Easement also falls within the River Point Property as legally described on the attached Exhibit B; and

WHEREAS, the City, upon due investigation and consideration, has determined that an abandoned sewer outfall lies within the Original Easement and the City has determined that public interest now warrants the issuance of two (2) separate releases of the City's rights and restrictions in the granted Original Easement pursuant to the terms and conditions of a CUSCO Easement Release and Grant Agreement ("CUSCO Easement Release and Grant Agreement"), and a River Point Easement Release and Grant Agreement ("River Point Easement Release and Grant Agreement") (together, the "Easement Release and Grant Agreements"), both substantially in the forms attached hereto respectively as Exhibits C and D; and

WHEREAS, the City, upon due investigation and consideration, has determined that an existing sewer culvert falls outside of the Original Easement area and is located within the property lines of the CUSCO Property and River Point Property without a grant of easement to the City to accommodate that existing sewer culvert; and

WHEREAS, the City is seeking a separate grant of easement ("New Easement") by each CUSCO and River Point, and each of CUSCO and River Point are willing to grant a New Easement to the City over their respective properties to accommodate the correct location of the existing sewer culvert and allow for the City's construction and installation of an additional double barrel outfall sewer line within each of the proposed New Easements pursuant to the respective Easement Release and Grant Agreements both appearing as Exhibits C and D respectively; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The foregoing recitals are hereby adopted as the findings of the City Council.

Point Property or any improvements thereon for any labor or material in connection with work of any character performed or claimed to have been performed on the New Easement Area or the River Point Property on behalf of Grantee. In the event of any such lien attaching to the New Easement Area, the River Point Property or any improvements thereon, Grantee shall have such lien released within a ninety (90) day cure period and failure by Grantee to do so shall constitute a breach of this Agreement.
