5. The following uses are permitted in the area delineated herein as a Residential Business Planned Development: Residential Units; Day Care; Animal Sales and Grooming (no kennels or stables); Artist Work or Sales Space; Business Equipment Sales and Service; Business Support Services (except as more specifically regulated); Eating and Drinking Establishments (all, including at-grade and above-grade outdoor patio); Indoor Special Event including incidental liquor sales; Financial Services (excluding payday loan stores, pawn shops and drive-thru facilities); Food and Beverage Retail Sales; Liquor Store; Liquor Sales; Medical Service; Office; Personal Service; Repair or Laundry Service, Consumer (including dry-cleaning drop-off/pick-up, no plant on premises); Retail Sales: Sports and Recreation, Participant (excluding Outdoor); Children's Play Center; Valuable Objects Dealer; Co-located Wireless Communications Facilities; and accessory uses.

6. On-Premise signs and temporary signs, such as construction and marketing signs, shall be permitted

within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-Premise signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted Floor Area Ratio identified in the Bulk Regulations Table has been determined using a Net Site Area of 21,037 square feet and a base FAR of 5.0, with a 1.25 Floor Area Bonus. The Minimum Lot Area per Unit ("MLA") authorized in this Planned Development was determined by reducing the required MLA under the DX-5 regulations pursuant to the Floor Area Bonus provisions and further reducing the MLA for the existing portions of the property under the provisions of Section 17-8-0911 of the Zoning Ordinance as the existing buildings on those parcels are listed on the National Register of Historic Places and are intended to be designated as Chicago Landmarks.

9. The Applicant acknowledges and agrees that the rezoning of the Property from MI-3 to DX-5, and then to this Planned Development, for construction of the Project triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or the "ARO"). The Applicant further acknowledges and agrees that the Property is located in the Near North/Near West Pilot Area, as described in Section 2-45-117 of the Municipal Code (the "Near North/Near West ARO Pilot Area Ordinance" or the "Pilot"), and therefore is subject to the Pilot's modified ARO requirements. Among other modifications to the ARO, the Pilot eliminates the option to pay a fee in lieu of the establishment of affordable units and increases the required percentage of affordable units. The Near North/Near West Pilot Area is divided into two zones: the Near North Zone and the Near West Zone. The Property is located in the Near North Zone. In the Near North Zone, the percentage of units in a residential housing project required to be affordable for a period of 30 years, whether rental or for-sale, is increased from 10% to 20%. Any developer of a residential housing project in the Near North Zone must provide the first 10% of units required to be affordable

Plan Commission Date:

(the "First Units") either: (i) in the residential housing project, or (ii) with the approval of the Commissioner of the Department of Planning and Development (the "Commissioner"), in an off-site location within two miles of the Property and in the same or a different higher income area or downtown district, or (iii) any combination of (i) and (ii). In addition, the developer must provide the second 10% of units required to be affordable (the "Additional Units") either: (i) in the residential housing project, or (ii) with the Commissioner's approval, in an off-site location anywhere within the Near North/Near West Pilot Area, regardless of distance from the project or income area, or (iii) any combination of (i) and (ii). The project has a total of 166 housing units. As a result, the Applicant's affordable housing obligation is 33 affordable units (20% of 166, rounded down), consisting of 7 First Units and 16 Additional Units. Applicant has agreed to satisfy its affordable housing obligation by providing the First Units and the Additional Units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing

Profile Form attached hereto. In accordance with the requirements of the ARO, as modified by the Pilot, the Applicant is required to lease the First Units to households earning up to 60% of the Chicago Primary Metropolitan Statistical Area median income ("AMI") at prices affordable to households at such income level, and the Additional Units to households earning up to 80% or 100% of AMI, as determined by rule and approved by the Commissioner at prices affordable to households at such income level. If the Applicant subsequently reduces (or increases) the number of housing units in the project, or elects to build a for-sale project instead of a rental project, or (with the Commissioner's approval) elects to construct off-site units instead of on-site units, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval. DPD may adjust the requirements to reflect any such change without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.

16. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any

phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to

which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to a DX-5 Downtown Mixed-Use District.
