WHEREAS, the City Property is located in the Midwest Redevelopment Area; and

WHEREAS, the Developer will rehabilitate and expand the existing one story building on the City Property into a child development center, which will include eight classrooms, administrative offices, a kitchen, ancillary facilities, outdoor playground equipment, landscaped open space, and a surface parking lot with twenty (20) parking spaces, with a total project cost of approximately \$3,475,940; and

WHEREAS, public notices advertising the proposed sale of the City Property and requesting alternative proposals appeared in the Chicago Sun-Times, a newspaper of general circulation, on November 11,19 and 26, 2015; and

WHEREAS, no alternative proposals have been received by the deadline set forth in the aforesaid public notices; now therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The foregoing recitals are hereby adopted as the findings of the City Council.

SECTION 2. The sale of the City Property to the Developer in the amount of One Dollar (\$1.00) is hereby approved. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed (or quitclaim deeds) conveying the City Property to the Developer. The quitclaim deed shall-include the following covenants running with the City Property, or language substantially similar and acceptable to the Corporation Counsel:

First: The conveyance of the City Properly is subject to the covenants and restrictions set forth in the quitclaim deed and the Agreement.

Second: Developer may convey the City Property to Developer's affiliate, Sinai Community Institute ("SCI"), or the Department, in its sole discretion, may approve conveyance to another controlled affiliate of Developer, and SCI (or such other controlled affiliate) shall be bound by the terms of the quitclaim deed and the Agreement. The Developer and SCI (or such other controlled affiliate) may collectively be referred to as the "Developer Parties."

Third: The Developer Parties shall commence construction no later than 30 days after the City's conveyance of the City Property to the Developer, and construction shall be completed no later than 12 months after said conveyance. The Department, in its sole discretion, may extend the construction commencement and completion dates.

Fourth: The City Property must be used as a child development center operated by Gads Hill Center (or alternatively for (i) use by the Sinai Community Institute for social services including, workforce development, case management, Women, Infant and Child (WIC) nutrition, Affordable Care Act enrollment, seniors and persons with disabilities protective services, subsequent pregnancy, parenting and early childhood development, and after school programs; (ii) use by the Sinai Urban Health Institute for community focused research and intervention programs for eliminating health disparities including health education, community health needs assessment and health surveys, health disparities research and publication, program evaluation, public health education, and consulting services; and (iii) Sinai Health System administrative services). The Department, in its sole discretion, may approve alternative uses and/or operators of the City Property other than those described in the prior sentence.

Fifth: The Developer Parties may not directly or indirectly sell, transfer, or otherwise dispose of the City Property or any part thereof or any interest therein without the prior written consent of the Department, which consent shall be in the Department's sole discretion. If the City Property is sold, other than to a controlled affiliate of the Developer, the Developer Parties will share fifty percent (50%) of the net profits with the City, calculated pursuant to a formula to be determined in the City's sole discretion.

Sixth: Commencing one year after the City's issuance of the Certificate of Completion for Milestone #2, as that term is described in the Agreement, and annually thereafter, the Developer Parties shall submit to the Department documentation evidencing the Developer Parties' payment of real estate taxes, if any, owed on the City Property, and the Developer's application for an exemption from real property taxes, if applicable. Said documentation must be submitted to the Department within 30 days following the completion of each applicable one year period.

Seventh: The Developer Parties must supply an up-to-date Phase I Environmental Site Assessment Report, with the City named in a reliance letter. The Developer Parties must determine if underground storage tanks ("USTs") are present on the City Property. If USTs are present, the Developer Parties must remove the USTs and close any leaking underground storage tank incidents in accordance with Illinois Office of the State Fire Marshal and Illinois Environmental Protection Agency ("IEPA") requirements. The Developer must conduct a Phase II Environmental Site Assessment to assess soil and groundwater for the constituent lists specified in 35 Ill. Adm. Code 740, Appendix A, including vapor migration and indoor inhalation issues. If contaminants are identified in exceedance of IEPA's Tiered Approach to Corrective Action Objectives ("TACO") Tier 1 residential criteria, the Developer must enter the site into the Site Remediation Program administered by the IEPA and receive a

Comprehensive Residential No Further Remediation letter. The Developer must complete a hazardous materials survey of the building and abate any hazardous materials if necessary for redevelopment and occupancy.

The covenants numbered Second through Sixth shall terminate twenty (20) years following the issuance of the Certificate of Completion for Milestone #2.

Upon the completion of the requirements in the Seventh covenant, the Developer Parties shall request a review and inspection by the City's Department of Fleet and Facility Management. The Department of Fleet and Facility Management shall provide the Developer Parties with either a certificate of release of the Seventh covenant, or a written statement indicating how the Developer Parties have failed to complete the Seventh covenant requirements, and what measures or acts are necessary, in the sole reasonable opinion of the Department of Fleet and Facility Management, for the Developer Parties to take or perform in order to obtain the certificate of release of the Seventh covenant. The Seventh covenant shall terminate upon the issuance of said certificate of release.

If the Developer Parties violate, breach or fail to comply with any of the above covenants First through Seventh, the City may reenter and take possession of the City Property, terminate the estate conveyed to the Developer Parties, and revest title to the City Property in the City (the "Right of Reverter"); provided, however the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by the Agreement. If title to the City Property reverts to the City pursuant to the Right of Reverter, the Developer Parties shall be responsible for all real estate taxes and assessments which accrued during the period the City Property was owned by the Developer Parties and shall cause the release of all liens and encumbrances placed on the City Property (except those permitted by the Agreement) during the period of time the City Property was owned by the Developer Parties. The Developer Parties will cooperate with the City to ensure that if the reconveyance deed for the City Property, such reconveyance deed being a condition of conveyance of the City Property by the City, is recorded, such recording is effective for purposes of transferring title to the City Property to the City, subject only to those exceptions that (i) were on title as to the date and time that the City conveyed the City Property to the Developer Parties, (ii) utility easements, and (iii) any mortgage authorized by the Agreement on the City Property.

With respect to the Developer's violation, breach or failure to comply with the covenant numbered Fourth the City may elect not to exercise its Right of Reverter and instead require the Developer Parties to pay the City, within ninety (90) days of the default, an amount equal to the fair market value of the City Property at the time of the default; provided that the determination of such fair market value shall exclude the value of all improvements made to the City Property by the Developer Parties subsequent to the conveyance of the City Property to the Developer. The fair market value shall be based on an appraisal ordered by the City at the Developer Parties' cost. Upon such payment of the fair market value of the City Property, these covenants shall terminate.

SECTION 3. The City's transfer of title to the City Property to the Developer must close on or before ninety (90) days from the publication of this ordinance (the "Outside Closing Date"), unless the Department, in its sole discretion, extends such Outside Closing Date. In the event that the closing has not occurred by the Outside Closing Date through no fault of the City, the Department may cancel the sale upon written notice to the Developer.

SECTION 4. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 5. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 6. This ordinance shall take effect immediately upon its passage and approval.
