16. The Applicant of the December 16, 2020 Planned Development amendment, acknowledges and agrees that the September 20, 2018, rezoning of the Property from M3-3 to C2-3, and then to this Planned Development (PD), triggered the requirements of Section 245-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO) which is still applicable to this amendment. Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential

housing project and in the same or a different higher income area or downtown district. The Property is located in a higher income area, within the meaning of the ARO, and the project has a total of 370 units. As a result, the Applicant's affordable housing obligation is 37 affordable units (10% of 370), 9 of which are Required Units (25% of 37, rounded down). Applicant has agreed to satisfy its affordable housing obligation by providing 9 affordable units in the rental building to be constructed in the PD and making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$128,469 per unit (Cash Payment) for the remaining 28 affordable units, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit A. agrees that the affordable rental units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a Zoning Map Amendment to rezone the property to Residential Business Planned Development 1420 dated December 16, 2020.
