ARTICLE II

REPRESENTATIONS

Section 2.1 Representations of Issuer. The City represents and warrants as follows:

a) The City is a municipality and home rule unit of government duly organized and validly existing under the Constitution and laws of the State. The City is authorized to execute and deliver this Agreement and to carry out its obligations hereunder.

b) It is the City's understanding, based upon certain representations of the Borrower, that the issuance and sale of the Series 2016A Note and the loaning of the proceeds of the Series 2016A Note to the Borrower (which proceeds, along with certain other moneys, will be applied for the benefit of the Borrower) is to provide all or a portion of the moneys required to finance costs of the Project and pay costs relating to the issuance of the Series 2016A Note.

c) To provide funds to loan to the Borrower for the purposes described in (b) above, the City has authorized its Note in the aggregate principal amount set forth herein to be issued upon the terms set forth in this Agreement, under the provisions of which the City's interest in the payments of principal, premium, if any, interest and other revenues hereunder (other than Unassigned Rights) are pledged and assigned to the Purchaser as security for the payment of the principal of, premium, if any, and interest on the Series 2016A Note. The City covenants that it has not and will not pledge or assign its interest in this Agreement, or the revenue and receipts derived pursuant to this Agreement, excepting Unassigned Rights, other than to the Purchaser under this Agreement to secure the Series 2016A Note.

d) To the knowledge of the undersigned representatives of the City, neither the execution and delivery of the Series 2016A Note or this Agreement, the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with the terms, conditions or provisions of the Series 2016A Note or this Agreement conflict with or result in a material breach of any of the terms, conditions or provisions of any agreement, instrument, judgment, order, or decree to which the City is now a party or by which it is bound, or constitute a material default under any of the foregoing.

Section 2.2 Representations of Borrower. The Borrower represents and warrants as follows:

(a) The Borrower is a limited partnership duly organized under the laws of the State, is in good standing and duly authorized to conduct its business in this State, is duly authorized and has full power under all applicable laws and its organizational documents to execute and deliver the Borrower Documents.

(b) ¹¹ The execution and delivery of the Borrower Documents on the Borrower's part have been duly authorized by all necessary corporate action, and neither the Borrower's execution and delivery of the Borrower Documents, the Borrower's consummation of the transactions contemplated on its part thereby, nor the Borrower's

7

fulfillment of or compliance with the terms and conditions thereof, conflicts with or . results in a material breach of the partnership agreement of the Borrower or any material agreement or instrument to which the Borrower is now a party or by which it is bound (except for any such breaches for which the Borrower has obtained a waiver or a required consent), or constitutes a material default (or would constitute a material default with due notice or the passage of time or both) under any of the foregoing.

c) No litigation, proceedings or investigations are pending (for which service of process or notice has been received) or, to the knowledge of the Borrower, threatened against the Borrower seeking to restrain, enjoin or in any way limit the approval or issuance and delivery of the Borrower Documents or which would in any manner challenge or adversely affect the corporate existence or powers of the Borrower to enter into and carry out the transactions described in or contemplated by or the execution, delivery, validity or performance by the Borrower of the Borrower Documents. In addition, no litigation, proceedings or investigations are pending (for which service of process or notice has been received) or, to the knowledge of the Borrower, threatened in writing against the Borrower, except litigation, proceedings or investigations involving claims for which the probable ultimate recoveries and the estimated costs and expenses of defense, in the opinion of management of the Borrower (i) will be entirely within the applicable insurance policy limits (subject to applicable deductibles) or are not in excess of the total of the available assets held under applicable self-insurance programs or (ii) will not have a material adverse effect on the operations or condition, financial or otherwise, of the Borrower.

d) No Event of Default or event or condition which, but for the lapse of time or the giving of notice, or both, would constitute an Event of Default has occurred and is continuing.

Section 2.3 Representations of Purchaser. The Purchaser represents, warrants and acknowledges as follows:

(a) In purchasing the Series 2016A Note, it is not relying on any representations of the City with respect to the financial quality of the Series 2016A Note. The Purchaser is relying solely on statements and representations of the Borrower and on its own knowledge and investigation of the facts and circumstances relating to the purchase of the Series 2016A Note and hereby waives any claims that it may have against the City with respect to the financial quality of the Series 2016A Note arising out of

any action the City has taken or should have taken in the authorization, issuance or sale of the Series 2016A Note or with respect to any statement or representation made by the City in connection with the sale of the Series 2016A Note. Insofar as the financial quality of the Series 2016A Note is dependent solely on the ability of the Borrower to make all payments as and when due under this Agreement, the Purchaser acknowledges and agrees that it has evaluated the creditworthiness of the Borrower and has determined that, as a consequence of that evaluation, in the absence of the Series 2016A Note, the Purchaser would nevertheless be willing to finance costs of the Project through a commercial loan to the Borrower on substantially the same terms and conditions (other than the interest rate on the Series 2016A Note) as set forth in this Agreement.

8

b) It intends to treat the purchase of the Series 2016A Note as a commercial loan to the Borrower. The Purchaser also represents and warrants that its business is that of a commercial bank, and as such it is an "accredited investor" within the meaning ascribed to that term under Regulation D, Section 501 through 506 of the Securities Act of 1933, as amended. In connection with its business, the Purchaser holds an extensive portfolio of investments, including tax-exempt obligations similar to the Series 2016A Note, and commercial loans, as well as other types of loans. The Purchaser has knowledge and experience in financial and business matters, including evaluating and purchasing tax-exempt obligations similar to the Series 2016A Note, and is capable of evaluating the merits and risks of making the loan hereunder and purchasing the Series 2016A Note.

c) The Purchaser has had access to all information relative to the business of the Borrower that it has required in order to purchase the Series 2016A Note and make the loan hereunder. ,,

d) The City and the Borrower have made available during the course of the transaction and prior to the purchase of the Series 2016A Note, to the Purchaser, the opportunity to ask questions and receive answers from such parties concerning the terms and conditions of the Series 2016A Note offering and to obtain any additional information relative to the financial data and business of such parties, to the extent that such parties possess such information or can acquire it without unreasonable effort or expense.

e) The Purchaser understands that the Series 2016A Note has not been registered under the Securities Act of 1933, as amended, and that such registration is not legally required. The Purchaser represents that it is purchasing the Series 2016A Note for investment for its own account and not with the present view of transferring the Series 2016A Note or any portion of it in such a manner that would require registration under the Securities Act of 1933, as amended. The Purchaser agrees not to sell or transfer the Series 2016A Note except in compliance with any applicable federal or state securities laws. The Purchaser is not acting in the capacity of a broker dealer or municipal securities underwriter in connection with its purchase of the Series 2016A Note.

f) The Series 2016A Note may be transferred only in whole, in a single transaction whereby all right, title and interest in and to the Series 2016A Note is transferred to a single transferee and only with the prior written consent of the City and prior written notice to the Borrower. The City agrees not to withhold its consent unreasonably, when provided with reasonable evidence of the following:

i) that the transferee has been provided copies of the Borrower Documents, all as currently then in effect;

ii) that the Purchaser's rights under the applicable Borrower Documents have been assigned to the transferee as security for the Series 2016A Note;

iii) that the transferee has certified as to the representations contained in this Section 2.3 to the City and the Borrower;

9

iv) that the transferee has assumed and undertaken all obligations of the Purchaser under this Agreement;

v) that the transferee has provided a "sophisticated investor" letter to the City and the Borrower, in a form substantially similar to the form attached to this Agreement as Exhibit D; and

vi) that the transferee has been provided copies of any opinions of counsel previously delivered to the Purchaser.

(g) The Purchaser would have purchased the Series 2016A Note regardless of whether or not any other bond of any other Governmental Authority were purchased or issued to finance costs of the Project. The interest rate for the Series 2016A Note was determined independently from the interest rate for any other bond of any other Governmental Authority issued to finance or refinance the Project.

ARTICLE III

The Note called for redemption shall be paid at the applicable redemption price by payment directly from the Borrower to the Purchaser.

Section 3.5 Mutilated, Lost, Stolen or Destroyed Note. If the Series 2016A Note is mutilated, lost, stolen or destroyed, the City shall issue a replacement Note in the then outstanding principal amount of the Series 2016A Note. The City may charge the Borrower for its reasonable expenses in this connection.

Section 3.6 Payment of Note. The City will promptly pay the principal of and interest on the Series 2016A Note on the dates and in the manner provided in the Series 2016A Note, but solely and only from payments to be made by the Borrower hereunder, it being agreed and understood that the Series 2016A Note and interest thereon shall be a limited obligation of the City which are not in any way a general obligation of the City nor payable in any manner from funds of the City raised by taxation.

Section 3.7 Further Assurances. The City will execute and deliver such further instruments, and do such further acts, as the Purchaser may reasonably require for the better assuring, assigning and confirming to the Purchaser the amounts assigned hereunder for the payment of the Series 2016 A Note.

Section 3.8 Tax Exemption. Subject to the limitations on its liability as stated herein and to the extent permitted by law, the City covenants and agrees that it has not knowingly engaged and will not knowingly engage in any activities, and that it has not knowingly taken and will not knowingly take any action, which might result in any interest on the Series 2016A Note becoming includable in the gross income of the owners thereof for purposes of Federal income taxation.

Section 3.9 Performance of Covenants; Issuer. The City covenants that it will faithfully perform on its part at all times any and all covenants, undertakings, stipulations and provisions contained in this Agreement, in any and every Note executed, authenticated and delivered hereunder and in all of its proceedings pertaining thereto; provided, however, that except for the matters set forth in any documents hereof relating to payment of the Series 2016A Note, the City shall not be obligated to take any action or execute any instrument pursuant to any provision hereof until it shall have been requested to do so by the Borrower or by Purchaser, or shall have received the instrument to be executed and at the option of the City shall have received from the party requesting such action or execution assurance satisfactory to the City that the City shall be reimbursed for its reasonable expenses, including legal counsel fees, financial advisor fees, and other expenses, reasonably incurred or to be incurred by the City in connection with the Series 2016A Note. The City covenants that it is duly authorized under the Constitution, the laws of the State, and the Ordinance authorizing the issuance of the Series

2016A Note and the execution of this Agreement, to grant the security interest herein provided, to assign and pledge this Agreement (except as otherwise provided herein) and the Borrower Note and to assign and pledge the amounts hereby assigned and pledged in the maimer and to the extent herein set forth, that all action on its part for the issuance of the Series 2016A Note and the execution and delivery of this Agreement has been duly

and effectively taken, and that the Series 2016A Note in the hands of the owners thereof is and will be a valid and enforceable obligation of the City according to the terms thereof and hereof. Anything contained in this Agreement to the contrary notwithstanding, it is hereby understood that none of the covenants of the City contained in this Agreement are intended to create a general or primary obligation of the City.

Section 3.10 Fees, Charges and Expenses of (he City. The City shall be entitled to payment and reimbursement for all advances, reasonable fees of legal counsel and financial advisor, and other expenses reasonably made or incurred by the City in connection with the Series 2016A Note.

Section 3.11 Provisions for Payment of Expenses. The City shall not be obligated to execute any documents or take any other action under or pursuant to this Agreement or any other document in connection with the Series 2016A Note unless and until provision for the payment of expenses of the City, including reasonable fees of legal counsel and financial advisor, and other expenses reasonably made or incurred by the City in connection with the Series 2016A Note shall have been made. Provisions for expenses shall be deemed to have been made upon arrangements reasonably satisfactory to the City for the provision of expenses being agreed upon by the City and the party requesting such execution.

ARTICLE IV

REPAYMENT

Section 4.1 Loan Repayment. Principal, Premium and Interest. As repayment of the loan made from the City to the Borrower hereunder, the Borrower agrees to pay directly to the Purchaser (as the assignee of the City) amounts sufficient to pay the principal of, premium, if any or interest on the Series 2016A Note on each day on which any payment of principal of, premium, if any or interest on the Series 2016A Note shall become due (whether on an interest payment date, at maturity, or upon redemption or acceleration or otherwise). Such amounts shall be paid in immediately available funds on or before 11:00 a.m. (local time at the principal office of the Purchaser). If the Borrower defaults in any payment required by this Section, the Borrower will pay interest (to the extent allowed by law) on such amount until paid at the rate provided for in Section 3.3 hereof.

The loan repayment obligation of the Borrower hereunder shall be evidenced by the Borrower Note which shall be executed by the Borrower in the form set forth in Exhibit E hereto.

Section 4.2 Prepayments. The Borrower may prepay to the Purchaser all or any part of the amounts payable under Section 4.1 at any time that the Series 2016A Note shall be subject to optional redemption, solely as provided in this Agreement and the Series 2016A Note, and at a

13

prepayment price equal to the corresponding redemption price of the Series 2016A Note. A prepayment shall not relieve the Borrower of its obligations under this Agreement until the Series 2016A Note has been paid in full or provision for the payment of the Series 2016A Note in full has been made in accordance with this Agreement. In the event of a mandatory redemption of the Series 2016A Note, the Borrower agrees to prepay all amounts necessary for such redemption. Partial prepayments of the loan made to the Borrower hereunder shall reduce the monthly principal installments hereunder in such manner as shall be agreed upon by the Borrower and the Purchaser, or in the absence of such agreement, in inverse order of their due date.

Section 4.3 Obligations of Borrower Unconditional. As security for the payment of the Series 2016A Note, the City, pursuant to Section 7.2 hereof, assigns and pledges to the Purchaser all right, title and interest of

the City in and to (i) this Agreement, including the right to receive payments hereunder and thereunder (except its Unassigned Rights) and (ii) the Borrower Note, including the right to receive payments thereunder, and hereby directs the Borrower to make said payments directly to the Purchaser. The Borrower herewith assents to such assignment and pledge and will make payments directly to the Purchaser without defense or set-off by reason of any dispute between the Borrower and the City or Purchaser, and hereby agrees that its obligation to make payments hereunder and to perform its other agreements contained herein are absolute and unconditional. Until the principal of and interest on the Series 2016A Note shall have been fully paid or provision for the payment of the Series 2016A Note made in accordance herewith, the Borrower (a) will not suspend or discontinue any payments provided for in this Agreement, (b) will perform all its other duties and responsibilities called for by this Agreement, and (c) will not terminate for any cause including any acts or circumstances that may constitute failure of consideration, destruction of or damage to the Project, commercial frustration of purpose, any change in the laws of the United States or of the State or any political subdivision of either or any failure of the City to perform any of its agreements, whether express or implied, or any duty, liability or obligation arising from or connected with this Agreement.

Section 4.4 Subordination. Repayment of the Series 2016A Note, the Mortgage and the other documents evidencing or securing repayment of the Series 2016A Note shall be subject and subordinate in all respects to the rights of the holders of the Series 2013 Note and to all terms, covenants, conditions and liens of the documents affecting the Series 2013 Note. Payment of the indebtedness evidenced by the Series 2016A Note is and shall be subject and subordinate in all respects, including in respect of the right to payment, to the prior payment in full of all amounts due and payable in respect of the Series 2013 Note. The owners of Series 2016A Note expressly subject and subordinate all of their right, title and interest in and to the Series 2016A Note in all respects to the payment in full of the Series 2013 Note and the liens of the security instruments securing the Series 2013 Note. By accepting the Series 2016A Note, the holders of the Series 2016A Note agree to execute such further instruments confirming the subordination set forth herein.

Section 4.5 Additional Expenses. The Borrower will also pay within 30 days after receipt of a bill therefor, (i) all reasonable expenses of the City in connection with and as provided in this Agreement, such expenses to be paid directly to the City or as otherwise directed in writing by the City; and (ii) all other reasonable fees and expenses incurred in connection with the issuance of the Series 2016A Note. The Borrower shall pay a one-time (i) issuance fee of

14

150 basis points of the aggregate original principal amount of the Series 2016A Note to the City and (ii) legal reserve fee of 10 basis points of the aggregate original principal amount of the Series 2016A Note to the City, in each case, prior to or contemporaneously with the issuance of the Series 2016A Note.

ARTICLE V

BORROWER COVENANTS

Section 5.1 Recording and Maintenance of Liens; Financing Statements.

a) The Borrower will, at its own expense, take all necessary action to maintain and preserve the liens and security interest of this Agreement so long as any principal, premium, if any, or interest on the Series 2016A Note remains unpaid.

b) The Borrower will, promptly after the execution and delivery of this Agreement and

thereafter from time to time, cause a financing statement in respect of this Agreement to be filed, registered and recorded in such manner and in such places as may be required by law in order to publish notice of and fully to perfect and protect the lien and security interest herein granted to the Purchaser to the rights, if any, of the City assigned hereunder, and from time to time will perform or cause to be performed any other act as provided by law and will execute or cause to be executed any and all continuation statements and further instruments necessary for such publication, perfection and protection. Except to the extent it is exempt therefrom, the Borrower will pay or cause to be paid all filing, registration and recording fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment of such instruments of further assurance, and all Federal or State fees and other similar fees, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of the Borrower Documents and such instruments of further assurance.

c) The City shall have no responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the maintenance of any security interest intended to be perfected thereby. Following an appropriate review and approval, the City will execute such instruments provided to it by the Borrower as may be reasonably necessary in connection with such filing or recording.

Section 5.2 Borrower's Obligation with Respect to Exclusion of Interest Paid on the Series 2016A Note. The Borrower will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Series 2016A Note) if taking or omitting to take such action would cause the interest on the Series 2016A Note to be included in the gross income of the recipients thereof for federal income tax purposes. Toward that end, the Borrower covenants that it will comply with all provisions of the Tax Certificate and Land Use Restriction Agreement applicable to it. This provision shall control in case of conflict or ambiguity with any other provision of this Agreement.

15

Section 5.3 Maintenance of Existence; Dissolution; Disposition of Assets; Merger or Consolidation. The Borrower agrees that as long as the Series 2016A Note is outstanding, it will maintain its existence, will not dissolve, liquidate or otherwise dispose of all or substantially all of its assets, and will not consolidate with or merge into another corporation or entity or permit one or more other corporations or entities to consolidate with or merge into it.

Section 5.4 Project Construction, (a) The Borrower shall cause the Project to be acquired, constructed and equipped in accordance with this Section.

b) Moneys deposited with Title Company pursuant to Section 3.1 of this Agreement shall be held in the Project Fund and disbursed in accordance with the Escrow Agreement.

c) The completion of the Project shall be evidenced to the Purchaser by a certificate (the "Completion Certificate") substantially in the form of Exhibit C hereto, signed by an Authorized Borrower Representative. It shall be the duty of the Borrower to cause the Completion Certificate to be furnished to the Purchaser and the City within 60 days after either the Project shall have been completed or the Borrower shall have determined that the Project will not be completed. Any moneys held in the Project Fund after the completion of the Project shall at the direction of the Borrower be used with respect thereto for one or more of

the following purposes:

i) for the payment, in accordance with the provisions of this Agreement, of any Qualified Cost with respect to the Project not theretofore paid; or

ii) for the payment of all or part of the redemption price of the Series 2016A Note at the earliest redemption date or dates on which the Series 2016A Note may be redeemed without the payment of a premium or, at the option of the Borrower, at an earlier redemption date or dates.

d) The Borrower covenants and agrees that it will cause all of the moneys in the Project Fund (including any earnings on investment of such moneys) to be disbursed for Qualified Costs. The Borrower further covenants that no more than two percent (2%) of the par amount of the Series 2016A Note will be disbursed for payment of issuance costs within the meaning of Section 147(g) of the Code.

e) In the event the money in the Project Fund available for payment of the costs of the Project shall not be sufficient to make such payment in full, the Borrower agrees to pay directly, or to deposit moneys in the Project Fund for the payment of, such costs of completing the Project as may be in excess of the moneys available therefor in the Project Fund. The City does not make any warranty or representation, either express or implied, that the moneys which will be deposited into the project fund, and which under the provisions of this agreement will be available for payment of the costs of the Project, will be sufficient to pay all of the costs which will be incurred in connection therewith. The Borrower agrees that if, after exhaustion of the moneys in the Project Fund, the Borrower should pay, or deposit monies in the Project Fund for the payment of, any portion of the costs of the Project pursuant to the provisions of this Section, it shall not be

16

entitled to any reimbursement therefor from the City or Purchaser, nor shall they be entitled to any diminution of the amounts payable under Section 4.1 hereof.

(g) All moneys in the Project Fund shall be invested, or reinvested by the Purchaser, at the direction of the Authority Borrower Representative, as provided in the Tax Certificate and to the extent permitted by law, in Qualified Investments. Any such investment may be purchased at the offering or market price thereof at the time of such purchase. Any such investment shall mature on or prior to the date or dates on which such funds are anticipated to be needed under the Agreement. Any profit realized therefrom shall be credited to such moneys and any net losses resulting from such investment shall be paid by the Borrower.

Section 5.5 Operation, Sale, Lease or Sublease of the Project. The Borrower will not make any material change in its use of the Project unless the Purchaser and the City receive an Opinion of Bond Counsel to the effect that such change will not impair the exclusion of interest on the Series 2016A Note from the gross income of holders of the Series 2016A Note for federal income tax purposes.

Upon any conveyance or transfer (whether by sale, exchange, gift or assignment or other disposition) of the Borrower's interest in the Project to the extent permitted hereunder, the Borrower will obtain, or cause there to be obtained, the agreement of the receiving party to comply with the provisions of this Section, regardless of whether such receiving party assumes the obligations of the Borrower under this Agreement generally, and will provide the City and the Purchaser with an-Opinion of Bond Counsel to the effect that the conveyance or transfer will not adversely affect the exclusion of the interest on the Series 2016A Note from the Federal gross income of the owners thereof. -

Section 5.6 No Warranty by the City. THE BORROWER RECOGNIZES THAT THE CITY HAS NOT MADE AN INSPECTION OF THE PROJECT OR OF ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, AND THE CITY MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED OR OTHERWISE, WITH RESPECT TO THE SAME OR THE LOCATION, USE, DESCRIPTION, DESIGN, MERCHANTABILITY, CONDITION, WORKMANSHIP, OR FITNESS, SUITABILITY OR USE FOR ANY PARTICULAR PURPOSE, CONDITION OR DURABILITY THEREOF. THE BORROWER FURTHER RECOGNIZES THAT THE CITY HAS NO TITLE INTEREST TO ANY PART OF THE PROJECT AND THAT THE CITY MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND AS TO THE BORROWER'S TITLE THERETO OR OWNERSHIP THEREOF OR OTHERWISE, IT BEING AGREED THAT ALL RISKS INCIDENT THERETO ARE TO BE BORNE BY THE BORROWER. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE IN THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER PATENT OR LATENT, THE CITY SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO. THE PROVISIONS OF THIS SECTION HAVE BEEN NEGOTIATED AND ARE INTENDED TO BE A COMPLETE EXCLUSION AND NEGATION OF ANY WARRANTIES OR REPRESENTATIONS BY THE CITY, EXPRESS OR IMPLIED, WITH RESPECT TO THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER ARISING PURSUANT TO THE

17

UNIFORM COMMERCIAL CODE OF THE STATE OF ILLINOIS OR ANOTHER LAW NOW OR HEREAFTER IN EFFECT OR OTHERWISE.

Section 5.7 Compliance with Laws. The Borrower shall, through the term of this Agreement and at no expense to the City, promptly comply or cause compliance with all applicable laws, ordinances, orders, rules, regulations and requirements of duly constituted public authorities which may be applicable to the Project or to the repair and alteration thereof, or to the use or manner of use of the Project, including, but not limited to, the Americans with Disabilities Act, Illinois Accessibility Code, all Federal, State and local environmental, health and safety laws, rules, regulations and orders applicable to or pertaining to the Project, Federal Worker Adjustment and Retraining Notification Act and Illinois Prevailing Wage Act.

Section 5.8 Issuer's and Purchaser's Right of Access to the Project. The Borrower agrees that during the term of this Agreement the City, the Purchaser, and their duly authorized agents shall have the right, but shall be under no duty or obligation to exercise this right, during regular business hours, with reasonable notice, to enter upon the premises and examine and inspect the Project, subject to such limitations, restrictions and requirements as the Borrower may reasonably prescribe.

Section 5.9 Maintenance and Repair; Insurance. The Borrower will maintain the Project in a safe and sound operating condition, making from time to time all needed material repairs thereto, and shall maintain reasonable amounts of insurance coverage with respect to the Project and shall pay all costs of such maintenance, repair and insurance.

Section 5.10 Rebate Fund, (a) The Borrower will cause to be created a special fund to be known as the "Series 2016A Rebate Fund," which shall thereafter be continuously held, invested, expended and accounted for in accordance with this Agreement and the Tax Certificate. Capitalized terms used in this Section which are not otherwise defined herein shall have the meanings specified in the Tax Certificate. Moneys in the Series 2016A Rebate Fund shall be free and clear of the lien of this Agreement and shall not be considered moneys

held for the benefit of the owners of the Series 2016A Note. Except as provided in the Regulations, moneys in the Series 2016A Rebate Fund (including earnings and deposits therein) shall be held in trust for payment to the United States as required by the Regulations.

In addition to the amounts provided in this Agreement, the Borrower hereby agrees to deposit in the Series 2016A Rebate Fund for payment to the United States any amount which under the Regulations must be deposited in the Series 2016A Rebate Fund for payment to the United States with respect to the Series 2016A Note.

(b) The Borrower agrees to pay rebate in accordance with Section 148(f) of the Code and the regulations promulgated thereunder.

The Borrower and the Purchaser shall maintain a record of any investments of gross proceeds of the Series 2016A Note (within the meaning of Section 148(f) of the Code) held by the Purchaser, including without limitation investments of amounts held in the Project Fund. This record with respect to obligations in which gross proceeds of the Series 2016A Note are invested will include their date of purchase, purchase price, coupon rate and period, and the

18

amount and date of receipt of payments of principal, premium and interest and of sale, redemption and retirement proceeds with respect thereto.

The Borrower shall obtain and keep such records of the computations made pursuant to this Section as are required under Section 148(f) of the Code. Notwithstanding the foregoing, the Borrower shall keep such records at least until three years following the final payment or maturity of the Series 2016A Note.

ARTICLE VI NO RECOURSE TO ISSUER;

INDEMNIFICATION

Section 6.1 No Recourse to Issuer. The obligations of the City under this Agreement are limited obligations of the City, payable solely out of the revenues and income derived from the Borrower under this Agreement and as otherwise provided under this Agreement and the Ordinance. The obligations of the City hereunder shall not be deemed to constitute an indebtedness or an obligation of the City, the State of Illinois or any political subdivision thereof within the purview of any constitutional limitation or statutory provision, or a charge against the credit or general taxing powers, if any, of any of them. No recourse shall be had for the payment of the principal of, redemption premium, if any, and interest on the Series 2016 A Note or for any claim based thereon or upon any obligation, covenant or agreement contained in this Agreement against any past, present or future official, officer or employee of the City, as such, either directly or through the City or any successor, under any rule of law, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability is hereby expressly waived and released as a condition of and consideration for the execution of this Agreement and the issuance of the Series 2016A Note.

Section 6.2 Indemnification. The Borrower will pay, and will protect, indemnify and save the City harmless from and against, any and all liabilities, losses, damages, costs and expenses (including reasonable attorneys' fees and expenses of the City), causes of action, suits, claims, demands and judgments of whatsoever kind and nature (including those arising or resulting from any injury to or death of any person or damage to

property) arising out of the following, to the extent permitted by law:

- i) the design, construction and installation of the Project;
- ii) the use of the Project by the Borrower;
- iii) violation by the Borrower of any agreement, warranty, covenant or condition of this Agreement, the Land Use Restriction Agreement or the Borrower Documents;
- iv) violation by the Borrower of any other contract, agreement or restriction relating to the Project; and
- v) violation by the Borrower of any law, ordinance, regulation or court order affecting the Project or the ownership, occupancy or use thereof.

19

The City shall notify the Borrower in writing of any claim or action brought against the City in respect of which indemnity may be sought against the Borrower, setting forth the particulars of such claim or action, and the Borrower will assume the defense thereof, including the employment of counsel, and the payment of all reasonable expenses. The City, at its sole discretion, may employ separate counsel in any such action and participate in the defense thereof. The fees and expenses of such separate counsel so incurred shall be at the expense of the Borrower without regard to any authorization of such employment by the Borrower.

Section 6.3 Default by Issuer - Limited Liability. Notwithstanding any provision or obligation to the contrary hereinbefore set forth, no provision of this Agreement shall be construed so as to give rise to a pecuniary liability of the City or to give rise to a charge upon the general credit of the City, the liability of the City hereunder shall be limited to its interest in the Project, this Agreement, and all other Borrower Documents and collateral and the lien of any judgment shall be restricted thereto. In the performance of the agreements of the City herein contained, any obligation it may incur for the payment of money shall not be a debt of the City, nor shall the City be liable on any obligation so incurred. The City does not assume general liability for the repayment of the Series 2016A Note or for the costs, fees, penalties, taxes, interest, omissions, charges, insurance or any other payments recited herein, and shall be obligated to pay the same only out of the amounts payable by the Borrower hereunder. The City shall not be required to do any act whatsoever or exercise any diligence whatsoever to mitigate the damages to the Borrower if a default shall occur hereunder.

ARTICLE

VII

ASSIGNMENT

Section 7.1 Assignment by Borrower. The rights of the Borrower under this Agreement may be assigned to, and the obligations of the Borrower assumed by, another party in whole or in part, but only with the prior written consent of the Purchaser and the City. No such assignment will be made, however, unless the Borrower causes there to be delivered to the Purchaser and the City an Opinion of Bond Counsel to the effect that such assignment will not cause interest on the Series 2016A Note to be includable in the gross income of the owners thereof for federal income tax purposes.

Section 7.2 Security Interest; Assignment by Issuer. The City hereby assigns and grants to the Purchaser a security interest in any and all of the City's right, title and interest in and to (a) all amounts payable by the Borrower to it hereunder and under the Borrower Note and all rights to enforce the same, excluding only the Unassigned Rights, and (b) all funds and accounts created or held by any party pursuant to this Agreement. The City will not sell, assign or otherwise dispose of its rights under or interest in this Agreement or the Borrower Note, nor create or permit to exist any lien, encumbrance or other security interest in or on such rights or interest, except as set forth above.

20

ARTICLE VIII

DEFAULTS AND REMEDIES

Section 8.1 Events of Default. An "Event of Default" is any of the following:

a) There is a failure to make due and punctual payment of any interest on the Series 2016A Note when due.

b) There is a failure to make due and punctual payment of principal of the Series 2016A Note when due, at maturity, upon acceleration or redemption or otherwise.

c) The City fails to perform any of its agreements in this Agreement or the Series 2016A Note (except a failure that results in an Event of Default under clause (a) or (b) above, the performance of which is material to the Purchaser), and the failure continues after the notice and for the period specified in this Section.

d) The Borrower fails to perform any of its agreements in this Agreement (except a failure that results in an Event of Default under clause (a) or (b) of this Section), and the failure continues after the notice and for the period specified in this Section.

e) The Borrower pursuant to or within the meaning of any Bankruptcy Law (as defined below) (1) commences a voluntary case, (2) consents to the entry of an order for relief against it in an involuntary case, (3) consents to the appointment of a Custodian (as defined below) for the Borrower, or any substantial part of its property or (4) makes a general assignment for the benefit of its creditors.

f) A court of competent jurisdiction enters an order or decree under any Bankruptcy Law that (1) is for relief against the Borrower in an involuntary case, (2) appoints a Custodian (as defined below) for the Borrower or any substantial part of its, his or her property or (3) orders the winding up or liquidation of the Borrower, and the decree or order remains unstayed and in effect for 90 days.

g) An Event of Default occurs and is continuing under any of the Borrower Documents after the expiration of any applicable cure period.

"Bankruptcy Law" means Title 11 of the United States Code or any similar Federal or state law for the

relief of debtors. "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A default under clause (c) or (d) of this Section is not an Event of Default until the Purchaser gives the City and the Borrower a notice specifying the default, demanding that it be remedied and stating that the notice is a "Notice of Default," and the City or the Borrower does not cure the default within 90 days after receipt of the notice, or within such longer period as the Purchaser shall agree.

Section 8.2 Acceleration. If any Event of Default occurs and is continuing, the Purchaser by notice to the City and the Borrower (except for an Event of Default under clause (e)

21

or (f) of the foregoing Section, for which a declaration can be made without any notice), may declare the principal of and accrued interest on the Series 2016A Note to be due and payable immediately, and such principal and interest shall thereupon become and be immediately due and payable. Any such declaration shall also apply to the Borrower Note. The Purchaser may rescind an acceleration and its consequences if all existing Events of Default have been cured or waived, if the rescission would not conflict with any judgment or decree. Any such rescission shall also apply to the Borrower Note.

Section 8.3 Other Remedies. If an Event of Default occurs and is continuing, the Purchaser may pursue any available remedy by proceeding at law or in equity to collect the principal of or interest on the Series 2016A Note or to enforce the performance of any provision of the Series 2016A Note, this Agreement or the Borrower Note against the Borrower.

A delay or omission by the Purchaser in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default.

Section 8.4 Waiver of Past Defaults. The Purchaser by notice to the Borrower, with a copy to the City, may waive an existing Event of Default and its consequences. When an Event of Default is waived, it is cured and stops continuing, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent to it.

Section 8.5 Purchaser May File Proofs of Claim. The Purchaser may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Purchaser allowed in any judicial proceedings relative to the Borrower, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the holders in any election of a trustee in bankruptcy or other person performing similar functions.

Section 8.6 Attorneys' Fees and Expenses. If the Borrower should default under any provision of this Agreement and the City or Purchaser employ attorneys or incur other expenses for the collection of the payments due under this Agreement, the Borrower will on demand pay to the City or the Purchaser, as the case may be the reasonable fees of such attorneys and such other reasonable expenses so incurred by the City or the Purchaser, as the case may be.

Section 8.7 No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or the Purchaser is intended to be exclusive of any other available remedy or remedies but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, now or hereafter existing, at law or in equity or by statute. No delay or omission to exercise any right or power and

accruing upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 8.8 Remedies Subject to Subordination Agreements. Notwithstanding any other provisions herein to the contrary, the exercise of remedies hereunder by the Purchaser shall in all events be subject to the provisions of any subordination or security documents relating to the Series 2013 Note, during such time as the Series 2013 Note is outstanding.

22

Section 8.9 Investor Limited Partner Cure Rights. Notwithstanding anything to the contrary contained in this Agreement or the Borrower Documents, any Event of Default arising under this Agreement or any Borrower Document may be cured by the Investor Limited Partner, its agent or their affiliates or designees on behalf of the Borrower, and such cure shall be accepted by the City and the Purchaser on the same terms as if made by the Borrower itself.

ARTICLE IX MISCELLANEOUS

Section 9.1 Notices.

b) Any notice or other communication shall be sufficiently given and deemed given when delivered by hand or mailed by first-class mail, postage prepaid, or delivered by national overnight courier, charges prepaid addressed using the appropriate Notice Information.

Section 9.3 Binding Effect. This Agreement shall inure to the benefit of and shall be binding upon the City, the Borrower, the Purchaser and their respective successors and assigns.

Section 9.4 Severability. If any provision of this Agreement shall be determined to be unenforceable at any time, such determination shall not affect any other provision of this Agreement or the enforceability of that provision at any other time.

Section 9.5 Amendments. Section 9.8 Complete Agreement/Non-Reliance. This Agreement represents the entire agreement between the City, the Purchaser and the Borrower with respect to its subject matter. The parties have not relied on any representations other than set forth herein or in the Borrower Documents as an inducement to enter into this Agreement.

Section 9.9 Terms of this Agreement; Discharge. This Agreement shall be in full force and effect from the date hereof, and shall continue in effect until the payment in full of all principal of, premium, if any, and interest on the Series 2016A Note; all fees, charges, indemnities and expenses of the City and Purchaser have been fully paid or provision made for such payment (the payment of which fees, charges, indemnities and expenses shall be evidenced by a written certification of the Borrower that it has fully paid or provided for all such fees, charges, indemnities and expenses), and all other amounts due hereunder have been duly paid or provision made for such payment. Pursuant to Article VII, Section 6 of the 1970 Constitution of the State of Illinois, and pursuant to the hereinafter defined Ordinance of the City, the City is authorized to exercise any power and perform any function pertaining to its government and affairs, including the power to issue its revenue bonds in order to aid in providing an adequate supply of residential housing for low and moderate income persons or families within the City of Chicago, including financing the costs of the Project (as hereinafter defined) which constitutes a valid public purpose for the issuance of revenue bonds by the City.

The City has previously issued its Multifamily Mortgage Revenue Note, Series 2013 (Rosenwald Courts), in the principal amount of not to exceed \$58,600,000 (the "Series 2013 Note") pursuant to a Funding Loan Agreement (the "Funding Loan Agreement") dated as of December 1, 2013, among the City and Citibank, N.A., as Funding Lender and Noteholder (the "Funding Lender" and the "Noteholder"), in order to loan the proceeds of the Series 2013 Note to the Borrower to be used for the purpose of financing costs of the acquisition, construction, rehabilitation, development, and equipping of a multifamily residential project located in the City of Chicago, Cook County, Illinois, known or to be known as Rosenwald Courts and consisting of approximately 239 rental units, including approximately 225 affordable units and approximately 14 unrestricted units, community service facilities and related common areas along with 2 dedicated parking lot facilities and 1 shared parking lot facility (collectively, the "Project").

The Borrower has requested additional financing from the City to enable it to pay or reimburse a portion of the costs of the Project which have increased since the issuance of the Series 2013 Note.

The City proposes to issue its \$2,500,000 Multifamily Mortgage Revenue Note, Series 2016A (Rosenwald Courts) (the "Series 2016A Note") and its not to exceed \$4,500,000 Multifamily Mortgage Revenue Note, Series 2016B (Rosenwald Courts) (the "Series 2016B Note"), in order to loan the proceeds of

REPRESENTATIONS

Section 2.1 Representations of Issuer. The City represents and warrants as follows:

a) The City is a municipality and home rule unit of government duly organized and validly existing under the Constitution and laws of the State. The City is authorized to execute and deliver this Agreement and to carry out its obligations hereunder.

b) It is the City's understanding, based upon certain representations of the Borrower, that the issuance and sale of the Series 2016B Note and the loaning of the proceeds of the Series 2016B Note to the Borrower (which proceeds, along with certain other moneys, will be applied for the benefit of the Borrower) is to provide all or a portion of the moneys required to finance costs of the Project and pay costs relating to the issuance of the Series 2016B Note.

c) To provide funds to loan to the Borrower for the purposes described in (b) above, the City has authorized its Note in the aggregate principal amount set forth herein to be issued upon the terms set forth in this Agreement, under the provisions of which the City's interest in the payments of principal, premium, if any, interest and other revenues hereunder (other than Unassigned Rights) are pledged and assigned to the Purchaser as security for the payment of the principal of, premium, if any, and interest on the Series 2016B Note. The City covenants that it has not and will not pledge or assign its interest in this Agreement, or the revenue and receipts derived pursuant to this Agreement, excepting Unassigned Rights, other than to the Purchaser under this Agreement to secure the Series 2016B Note.

d) To the knowledge of the undersigned representatives of the City, neither the execution and delivery of the Series 2016B Note or this Agreement, the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with the terms, conditions or provisions of the Series 2016B Note or this Agreement conflict with or result in a material breach of any of the terms, conditions or provisions of any agreement, instrument, judgment, order, or decree to which the City is now a party or by which it is bound, or constitute a material default under any of the foregoing.

Section 2.2 Representations of Borrower. The Borrower represents and warrants as follows:

(a) The Borrower is a limited partnership duly organized under the laws of the State, is in good standing and duly authorized to conduct its business in this State, is duly

7

authorized and has full power under all applicable laws and its organizational documents to execute and deliver the Borrower Documents.

b) The execution and delivery of the Borrower Documents on the Borrower's part have been duly authorized by all necessary corporate action, and neither the Borrower's execution and delivery of the Borrower Documents, the Borrower's consummation of the transactions contemplated on its part thereby, nor the Borrower's fulfillment of or compliance with the terms and conditions thereof, conflicts with or results in a material breach of the partnership agreement of the Borrower or any material agreement or instrument to which the Borrower is now a party or by which it is bound (except for any such breaches for which the Borrower has obtained a waiver or a required consent), or constitutes a material default (or would constitute a material default with due notice or the passage of time or both) under any of the foregoing.

c) No litigation, proceedings or investigations are pending (for which service of process or notice has been received) or, to the knowledge of the Borrower, threatened against the Borrower seeking to restrain, enjoin or in any way limit the approval or issuance and delivery of the Borrower Documents or which would in any manner challenge or adversely affect the corporate existence or powers of the Borrower to enter into and carry out the transactions described in or contemplated by or the execution, delivery, validity or performance by the Borrower of the Borrower Documents. In addition, no litigation, proceedings or investigations are pending (for which service of process or notice has been received) or, to the knowledge of the Borrower, threatened in writing against the Borrower, except litigation, proceedings or investigations involving claims for which the probable ultimate recoveries and the estimated costs and expenses of defense, in the opinion of management of the Borrower (i) will be entirely within the applicable insurance policy limits (subject to applicable deductibles) or are not in excess of the total of the available assets held under applicable self-insurance programs or (ii) will not have a material adverse effect on the operations or condition, financial or otherwise, of the Borrower.

d) No Event of Default or event or condition which, but for the lapse of time or the giving of notice, or both, would constitute an Event of Default has occurred and is continuing.

Section 2.3 Representations of Purchaser. The Purchaser represents, warrants and acknowledges as follows:

(a) In purchasing the Series 2016B Note, it is not relying on any representations of the City with respect to the financial quality of the Series 2016B Note. The Purchaser is relying solely on statements and representations of the Borrower and on its own knowledge and investigation of the facts and circumstances relating to the purchase of the Series 2016B Note and hereby waives any claims that it may have against the City with respect to the financial quality of the Series 2016B Note arising out of any action the City has taken or should have taken in the authorization, issuance or sale of the Series 2016B Note or with respect to any statement or representation made by the City in connection with the sale of the Series 2016B Note. Insofar as the financial quality of the Series

2016B Note is dependent solely on the ability of the Borrower to make all payments as and when due under this Agreement, the Purchaser acknowledges and agrees that it has evaluated the creditworthiness of the Borrower and has determined that, as a consequence of that evaluation, in the absence of the Series 2016B Note, the Purchaser would nevertheless be willing to finance costs of the Project through a commercial loan to the Borrower on substantially the same terms and conditions (other than the interest rate on the Series 2016B Note) as set forth in this Agreement.

b) It intends to treat the purchase of the Series 2016B Note as a commercial loan to the Borrower. The Purchaser also represents and warrants that its business is that of a commercial bank, and as such it is an "accredited investor" within the meaning ascribed to that term under Regulation D, Section 501 through 506 of the Securities Act of 1933, as amended. In connection with its business, the Purchaser holds an extensive portfolio of investments, including tax-exempt obligations similar to the Series 2016B Note, and commercial loans, as well as other types of loans. The Purchaser has knowledge and experience in financial and business matters, including evaluating and purchasing tax-exempt obligations similar to the Series 2016B Note, and is capable of evaluating the merits and risks of making the loan hereunder and purchasing the Series 2016B Note.

c) The Purchaser has had access to all information relative to the business of the Borrower that it has required in order to purchase the Series 2016B Note and make the loan hereunder.

d) The City and the Borrower have made available during the course of the transaction and prior to the purchase of the Series 2016B Note, to the Purchaser, the opportunity to ask questions and receive answers from such parties concerning the terms and conditions of the Series 2016B Note offering and to obtain any additional information relative to the financial data and business of such parties, to the extent that such parties possess such information or can acquire it without unreasonable effort or expense.

e) The Purchaser understands that the Series 2016B Note has not been registered under the Securities Act of 1933, as amended, and that such registration is not legally required. The Purchaser represents that it is purchasing the Series 2016B Note for investment for its own account and not with the present view of transferring the Series 2016B Note or any portion of it in such a manner that would require registration under the Securities Act of 1933, as amended. The Purchaser agrees not to sell or transfer the Series 2016B Note except in compliance with any applicable federal or state securities laws. The Purchaser is not acting in the capacity of a broker dealer or municipal securities underwriter in connection with its purchase of the Series 2016B Note.

f) The Series 2016B Note may be transferred only in whole, in a single transaction whereby all right, title and interest in and to the Series 2016B Note is transferred to a single transferee and only with the prior written consent of the City and prior written notice to the Borrower. The City agrees not to withhold its consent unreasonably, when provided with reasonable evidence of the following:

9

(i) ■ that the transferee has been provided copies of the Borrower Documents, all as currently then in effect;

ii) that the Purchaser's rights under the applicable Borrower Documents have been assigned to the transferee as security for the Series 2016B Note;

iii) that the transferee has certified as to the representations contained in this Section 2.3 to the City and the Borrower;

iv) that the transferee has assumed and undertaken all obligations of the Purchaser under this Agreement, including the obligation to make Advances as provided herein;

v) that the transferee has provided a "sophisticated investor" letter to the City and the Borrower, in a form substantially similar to the form attached to this Agreement as Exhibit D; and

vi) ' that the transferee has been provided copies of any opinions of counsel previously delivered to the Purchaser.

Provided, however, such prior written consent of the City shall not be required if the Series 2016B Note is being transferred to an Eligible Transferee and the requirements under provisions (f)(i) to (vi) above have been satisfied.

(g) The Purchaser would have purchased the Series 2016B Note regardless of whether or not any other bond of any other Governmental Authority were purchased or issued to finance costs of the Project. The interest rate for the Series 2016B Note was determined independently from the interest rate for any other bond of any other Governmental Authority issued to finance or refinance the Project.

ARTICLE III

ISSUANCE AND SALE OF NOTE; ISSUER COVENANTS

Section 3.1 Agreement to Issue and Sell Note; Application of Note Proceeds. In order to provide funds to finance costs of the Project, the City agrees that it will issue, sell and cause to be delivered the Series 2016B Note to the Purchaser on the Closing Date. The Purchaser agrees that it will purchase the Series 2016B Note from the City at a purchase price of 100% of the principal amount thereof payable as provided below.

The purchase price for the Series 2016B Note shall be paid in multiple Advances as funds are drawn from the Purchaser from time to time pursuant to Section 3.2 hereof. The Series 2016B Note and all Advances made thereunder shall bear interest at the interest rate as set forth herein. The principal amount of the Series 2016B Note at any time outstanding shall equal the aggregate principal amount of Advances made to the Borrower, less the principal amount of all Advances paid by the Borrower, whether at maturity or upon redemption.

10

The proceeds received from each Advance of the Series 2016B Note shall be paid to the Borrower to be held in a separate trust fund account with the Title Company titled the "City of Chicago - Rosenwald Courts, Series 2016B Project Fund (the "Project Fund") to be used for the purposes described in Section 5.4 hereof. The issuance of the Series 2016B Note by the Issuer and the delivery of the Series 2016B Note to the Purchaser shall be deemed a loan by the Issuer in the principal amount equal to the aggregate principal amount of Advances made to the Borrower, less the principal amount of all Advances paid by the Borrower, whether at maturity or upon redemption. The Borrower shall be obligated hereunder to pay amounts sufficient to pay all

principal of, premium, if any, and interest on the Series 2016B Note when due.

The Purchaser agrees that it will execute and deliver to the City a "sophisticated investor" letter in connection with its purchase of the Series 2016B Note in the form attached to this Agreement as Exhibit D. The Borrower's obligation to repay the loan is evidenced by this Agreement and the Borrower's execution and delivery to the City of a promissory note (the "Borrower Note") in the form attached to this Agreement as Exhibit E.

Section 3.2 Conditions for Advances of Note; Form; Dating; Limited Obligation. The Series 2016B Note shall be designated the "City of Chicago - Multifamily Mortgage Revenue Note, Series 2016B (Rosenwald Courts)." The Series 2016B Note shall be dated the Closing Date and shall mature, subject to redemption as provided herein, on

, 2056. The Series 2016B Note shall be issued as a single fully registered note in the amount of the \$4,500,000. The Series 2016B Note may have notations, legends or endorsements required by law or usage.

Upon purchase of the Series 2016B Note and making the Initial Advance thereunder as described above, the Purchaser shall affix Schedule I to this Agreement based upon the full funding of the Series 2016B Note, and including an estimated amortization schedule based on such assumption to final maturity for the Series 2016B Note.

As promptly as possible after the date of the final Advance, the Purchaser shall amend Schedule I hereto, showing the actual amounts advanced and the actual amortization schedule. If the final Advance is not made prior to the first principal payment on , 20 , the Purchaser shall, not less than seven days prior to such payment date, amend the amortization schedule to reflect the then-outstanding principal amount of the Series 2016B Note.

THE SERIES 2016B NOTE, TOGETHER WITH ALL PRINCIPAL AND INTEREST THEREON ARE LIMITED OBLIGATIONS OF THE CITY SECURED BY THIS AGREEMENT AND PAYABLE SOLELY FROM THE REVENUES AND INCOME DERIVED FROM THE BORROWER UNDER THIS AGREEMENT (EXCEPT TO THE EXTENT PAID OUT OF MONEYS ATTRIBUTABLE TO PROCEEDS OF THE SERIES 2016B NOTE, THE INCOME FROM THE TEMPORARY INVESTMENT THEREOF OR PAYMENTS MADE PURSUANT TO OR DERIVED FROM THE BORROWER DOCUMENTS), IS AND SHALL ALWAYS BE A VALID CLAIM OF THE OWNER THEREOF ONLY AGAINST THE REVENUES AND INCOME DERIVED FROM THIS AGREEMENT, WHICH REVENUES AND INCOME SHALL BE USED FOR NO OTHER

PURPOSE THAN TO PAY THE PRINCIPAL INSTALLMENTS OF AND INTEREST ON THE SERIES 2016B NOTE, EXCEPT AS MAY BE EXPRESSLY AUTHORIZED OTHERWISE IN THIS AGREEMENT.

THE SERIES 2016B NOTE AND THE OBLIGATION TO PAY PRINCIPAL AND INTEREST THEREON DO NOT NOW AND SHALL NEVER CONSTITUTE AN INDEBTEDNESS, LIABILITY, GENERAL OR MORAL OBLIGATION OR A PLEDGE OF THE FAITH OR LOAN OF THE CREDIT OF THE CITY, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF, WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION OR PROVISION, OR A

Interest on the Series 2016B Note shall be payable annually on _____ of each year, commencing on _____, 2017, and at the final maturity of the Series 2016B Note, in all cases on the then outstanding unpaid principal balance of the Series 2016B Note. Interest on the Series 2016B Note shall be payable at the rate of 5.5% per annum, compounded annually, and calculated on the basis of a 365 day year for actual days elapsed, solely to the extent of available "Net Cash Flow" pursuant to the terms of the First Amendment to the Second Amended and Restated Agreement of Limited Partnership of the Borrower dated on or about the date of this Agreement. To the extent that interest on the Series 2016B Note is not paid when due because Net Cash Flow as referenced above is not sufficient to support the full payment of interest on the Series 2016B Note on such date, such insufficiency shall not be an Event of Default hereunder, but the unpaid interest amount shall continue to be due and payable and shall be payable on the next interest payment date in addition to the scheduled interest which is then due and payable.

Following the maturity date of the Series 2016B Note, the Series 2016B Note shall bear interest on any overdue principal and, to the extent permitted by law, on overdue interest, at a rate equal to the sum of the interest rate then in effect as provided above plus 5% per annum.

Principal and interest payments on the Series 2016B Note is payable in lawful money of the United States of America at the office of the Purchaser. The Note is subject to optional redemption at the written direction of the Borrower upon at least 15 days written notice by the Borrower to the Purchaser in whole or in part on any date at the redemption price of 100% of the then unpaid principal amount of the Series 2016B Note, plus accrued interest, if any, to the redemption date. Section 3.7 Further Assurances. The City will execute and deliver such further instruments, and do such further acts, as the Purchaser may reasonably require for the better assuring, assigning and confirming to the Purchaser the amounts assigned hereunder for the payment of the Series 2016B Note.

Section 3.8 Tax Exemption. Subject to the limitations on its liability as stated herein and to the extent permitted by law, the City covenants and agrees that it has not knowingly engaged and will not knowingly engage in any activities, and that it has not knowingly taken and will not knowingly take any action, which might result in any interest on the Series 2016B Note becoming includable in the gross income of the owners thereof for purposes of Federal income taxation.

The City covenants that it will faithfully perform on its part at all times any and all covenants, undertakings, stipulations and provisions contained in this Agreement, in any and every Note executed, authenticated and delivered hereunder and in all of its proceedings pertaining thereto; provided, however, that except for the matters set forth in any documents hereof relating to payment of the Series 2016B Note, the City shall not be obligated to take any action or execute any instrument pursuant to any provision hereof until it shall have been requested to do so by the Borrower or by Purchaser, or shall have received the instrument to be executed and at the option of the City shall have received from the party requesting such action or execution assurance satisfactory to the City that the City shall be reimbursed for its reasonable expenses, including legal counsel fees, financial advisor fees, and other expenses, reasonably incurred or to be incurred by the City in connection with the Series 2016B Note. The City covenants that it is duly authorized under the Constitution, the laws of the State, and the Ordinance authorizing the issuance of the Series 2016B Note and the execution of this Agreement, to grant the security interest herein provided, to assign and pledge this Agreement (except as otherwise provided herein) and the Borrower Note and to assign and pledge the amounts hereby assigned and pledged in the manner and to the extent herein set forth, that all action on its part for the issuance of the Series 2016B Note and the execution and delivery of this Agreement has been duly and effectively taken, and that the Series 2016B Note in the hands of the owners thereof is and will be a valid and enforceable obligation of the City according to the terms thereof and hereof. Anything contained in this Agreement to

13

the contrary notwithstanding, it is hereby understood that none of the covenants of the City contained in this Agreement are intended to create a general or primary obligation of the City.

Section 3.11 Provisions for Payment of Expenses. The City shall not be obligated to execute any documents or take any other action under or pursuant to this Agreement or any other document in connection with the Series 2016B Note unless and until provision for the payment of expenses of the City, including reasonable fees of legal counsel and financial advisor, and other expenses reasonably made or incurred by the City in connection with the Series 2016B Note shall have been made. Provisions for expenses shall be deemed to have been made upon arrangements reasonably satisfactory to the City for the provision of expenses being agreed upon by the City and the party requesting such execution.

ARTICLE IV REPAYMENT

Section 4.1 Loan Repayment. Principal, Premium and Interest. Each Advance under the Series 2016B Note pursuant to Section 3.1 hereof from time to time hereof shall constitute the loan of such proceeds by the City to the Borrower. As repayment of the loan made from the City to the Borrower hereunder, the Borrower agrees to pay directly to the Purchaser (as the assignee of the City) amounts sufficient to pay the principal of, premium, if any or interest on the Series 2016B Note on each day on which any payment of principal of, premium, if any or interest on the Series 2016B Note shall become due (whether on an interest payment date, at maturity, or upon redemption or acceleration or otherwise). Such amounts shall be paid in immediately available funds on or before 11:00 a.m. (local time at the principal office of the Purchaser). If the Borrower defaults in any payment required by this Section, the Borrower will pay interest (to the extent allowed by law) on such amount until paid at the rate provided for in Section 3.3 hereof.

The loan repayment obligation of the Borrower hereunder shall be evidenced by the Borrower Note which shall be executed by the Borrower in the form set forth in Exhibit E hereto.

Section 4.2 Prepayments. The Borrower may prepay to the Purchaser all or any part of the amounts payable under Section 4.1 at any time that the Series 2016B Note shall be subject to optional redemption, solely as provided in this Agreement and the Series 2016B Note, and at a prepayment price equal to the corresponding redemption price of the Series 2016B Note. A prepayment shall not relieve the Borrower of its obligations under this Agreement until the Series 2016B Note has been paid in full or provision for the payment of the Series 2016B Note in full has been made in accordance with this Agreement. In the event of a mandatory redemption of the Series 2016B Note, the Borrower agrees to prepay all amounts necessary for such redemption. Partial prepayments of the loan made to the Borrower hereunder shall reduce the

14

monthly principal installments hereunder in such manner as shall be agreed upon by the Borrower and the Purchaser, or in the absence of such agreement, in inverse order of their due date.

Section 4.3 Obligations of Borrower Unconditional. As security for the payment of the Series 2016B Note, the City, pursuant to Section 7.2 hereof, assigns and pledges to the Purchaser all right, title and interest of the City in and to (i) this Agreement, including the right to receive payments hereunder and thereunder (except its Unassigned Rights) and (ii) the Borrower Note, including the right to receive payments thereunder, and hereby directs the Borrower to make said payments directly to the Purchaser. The Borrower herewith assents to such assignment and pledge and will make payments directly to the Purchaser without defense or set-off by reason of any dispute between the Borrower and the City or Purchaser, and hereby agrees that its obligation to make payments hereunder and to perform its other agreements contained herein are absolute and unconditional. Until the principal of and interest on the Series 2016B Note shall have been fully paid or provision for the payment of the Series 2016B Note made in accordance herewith, the Borrower (a) will not suspend or discontinue any payments provided for in this Agreement, (b) will perform all its other duties and responsibilities called for by this Agreement, and (c) will not terminate for any cause including any acts or circumstances that may constitute failure of consideration, destruction of or damage to the Project, commercial frustration of purpose, any change in the laws of the United States or of the State or any political subdivision of either or any failure of the City to perform any of its agreements, whether express or implied, or any duty, liability or obligation arising from or connected with this Agreement.

Section 4.4 Subordination. Repayment of the Series 2016B Note, the Mortgage and the other documents evidencing or securing repayment of the Series 2016B Note shall be subject and subordinate in all

respects to the rights of the holders of the Series 2013 Note and to all terms, covenants, conditions and liens of the documents affecting the Series 2013 Note. Payment of the indebtedness evidenced by the Series 2016B Note is and shall be subject and subordinate in all respects, including in respect of the right to payment, to the prior payment in full of all amounts due and payable in respect of the Series 2013 Note. The owners of Series 2016B Note expressly subject and subordinate all of their right, title and interest in and to the Series 2016B Note in all respects to the payment in full of the Series 2013 Note and the liens of the security instruments securing the Series 2013 Note. By accepting the Series 2016B Note, the holders of the Series 2016B Note agree to execute such further instruments confirming the subordination set forth herein.

Section 4.5 Additional Expenses. The Borrower will also pay within 30 days after receipt of a bill therefor, (i) all reasonable expenses of the City in connection with and as provided in this Agreement, such expenses to be paid directly to the City or as otherwise directed in writing by the City; and (ii) all other reasonable fees and expenses incurred in connection with the issuance of the Series 2016B Note. The Borrower shall pay a one-time (i) issuance fee of 150 basis points of the aggregate original principal amount of the Series 2016B Note to the City and (ii) legal reserve fee of 10 basis points of the aggregate original principal amount of the Series 2016B Note to the City, in each case, prior to or contemporaneously with the issuance of the Series 2016B Note.

15

ARTICLE V

BORROWER COVENANTS

Section 5. I Recording and Maintenance of Liens; Financing Statements.

a) The Borrower will, at its own expense, take all necessary action to maintain and preserve the liens and security interest of this Agreement so long as any principal, premium, if any, or interest on the Series 2016B Note remains unpaid.

b) The Borrower will, promptly after the execution and delivery of this Agreement and thereafter from time to time, cause a financing statement in respect of this Agreement to be filed, registered and recorded in such manner and in such places as may be required by law in order to publish notice of and fully to perfect and protect the lien and security interest herein granted to the Purchaser to the rights, if any, of the City assigned hereunder, and from time to time will perform or cause to be performed any other act as provided by law and will execute or cause to be executed any and all continuation statements and further instruments necessary for such publication, perfection and protection. Except to the extent it is exempt therefrom, the Borrower will pay or cause to be paid all filing, registration and recording fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment of such instruments of further assurance, and all Federal or State fees and other similar fees, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of the Borrower Documents and such instruments of further assurance.

c) The City shall have no responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the maintenance of any security interest intended to be perfected thereby. Following an appropriate review and approval, the City will execute such

instruments provided to it by the Borrower as may be reasonably necessary in connection with such filing or recording.

Section 5.2 Borrower's Obligation with Respect to Exclusion of Interest Paid on the Series 2016B Note. The Borrower will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Series 2016B Note) if taking or omitting to take such action would cause the interest on the Series 2016B Note to be included in the gross income of the recipients thereof for federal income tax purposes. Toward that end, the Borrower covenants that it will comply with all provisions of the Tax Certificate and Land Use Restriction Agreement applicable to it. This provision shall control in case of conflict or ambiguity with any other provision of this Agreement.

Section 5.3 Maintenance of Existence; Dissolution; Disposition of Assets; Merger or Consolidation. The Borrower agrees that as long as the Series 2016B Note is outstanding, it will maintain its existence, will not dissolve, liquidate or otherwise dispose of all or substantially all of its assets, and will not consolidate with or merge into another corporation or entity or permit one or more other corporations or entities to consolidate with or merge into it.

16

Section 5.4 Project Construction, (a) The Borrower shall cause the Project to be acquired, constructed and equipped in accordance with this Section.

b) Moneys deposited with Title Company pursuant to Section 3.1 of this Agreement shall be held in the Project Fund and disbursed in accordance with the Escrow Agreement.

c) The completion of the Project shall be evidenced to the Purchaser by a certificate (the "Completion Certificate") substantially in the form of Exhibit C hereto, signed by an Authorized Borrower Representative. It shall be the duty of the Borrower to cause the Completion Certificate to be furnished to the Purchaser and the City within 60 days after either the Project shall have been completed or the Borrower shall have determined that the Project will not be completed. Any moneys held in the Project Fund after the completion of the Project shall at the direction of the Borrower be used with respect thereto for one or more of the following purposes:

i) for the payment, in accordance with the provisions of this Agreement, of any Qualified Cost with respect to the Project not theretofore paid; or

ii) for the payment of all or part of the redemption price of the Series 2016B Note at the earliest redemption date or dates on which the Series 2016B Note may be redeemed without the payment of a premium or, at the option of the Borrower, at an earlier redemption date or dates.

d) The Borrower covenants and agrees that it will cause all of the moneys in the Project Fund (including any earnings on investment of such moneys) to be disbursed for Qualified Costs. The Borrower further covenants that no more than two percent (2%) of the par amount of the Series 2016B Note will be disbursed for payment of issuance costs within the meaning of Section 147(g) of the Code.

e) In the event the money in the Project Fund available for payment of the costs of the Project shall not be sufficient to make such payment in full, the Borrower agrees to pay directly, or to deposit moneys in the Project Fund for the payment of, such costs of completing the Project as may be in excess of the

moneys available therefor in the Project Fund. The City does not make any warranty or representation, either express or implied, that the moneys which will be deposited into the project fund, and which under the provisions of this Agreement will be available for payment of the costs of the Project, will be sufficient to pay all of the costs which will be incurred in connection therewith. The Borrower agrees that if, after exhaustion of the moneys in the Project Fund, the Borrower should pay, or deposit monies in the Project Fund for the payment of, any portion of the costs of the Project pursuant to the provisions of this Section, it shall not be entitled to any reimbursement therefor from the City or Purchaser, nor shall they be entitled to any diminution of the amounts payable under Section 4.1 hereof.

(g) All moneys in the Project Fund shall be invested or reinvested by the Purchaser, at the direction of the Authority Borrower Representative, as provided in the Tax Certificate and to the extent permitted by law, in Qualified Investments. Any such investment

17

may be purchased at the offering or market price thereof at the time of such purchase. Any such investment shall mature on or prior to the date or dates on which such funds are anticipated to be needed under the Agreement. Any profit realized therefrom shall be credited to such moneys and any net losses resulting from such investment shall be paid by the Borrower.

Section 5.5 Operation, Sale, Lease or Sublease of the Project. The Borrower will not make any material change in its use of the Project unless the Purchaser and the City receive an Opinion of Bond Counsel to the effect that such change will not impair the exclusion of interest on the Series 2016B Note from the gross income of holders of the Series 2016B Note for federal income tax purposes.

Upon any conveyance or transfer (whether by sale, exchange, gift or assignment or other disposition) of the Borrower's interest in the Project to the extent permitted hereunder, the Borrower will obtain, or cause there to be obtained, the agreement of the receiving party to comply with the provisions of this Section, regardless of whether such receiving party assumes the obligations of the Borrower under this Agreement generally, and will provide the City and the Purchaser with an Opinion of Bond Counsel to the effect that the conveyance or transfer will not adversely affect the exclusion of the interest on the Series 2016B Note from the Federal gross income of the owners thereof.

Section 5.6 No Warranty by the City. THE BORROWER RECOGNIZES THAT THE CITY HAS NOT MADE AN INSPECTION OF THE PROJECT OR OF ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, AND THE CITY MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED OR OTHERWISE, WITH RESPECT TO THE SAME OR THE LOCATION, USE, DESCRIPTION, DESIGN, MERCHANTABILITY, CONDITION, WORKMANSHIP, OR FITNESS, SUITABILITY OR USE FOR ANY PARTICULAR PURPOSE, CONDITION OR DURABILITY THEREOF. THE BORROWER FURTHER RECOGNIZES THAT THE CITY HAS NO TITLE INTEREST TO ANY PART OF THE PROJECT AND THAT THE CITY MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND AS TO THE BORROWER'S TITLE THERETO OR OWNERSHIP THEREOF OR OTHERWISE, IT BEING AGREED THAT ALL RISKS INCIDENT THERETO ARE TO BE BORNE BY THE BORROWER. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE IN THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER PATENT OR LATENT, THE CITY SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO. THE PROVISIONS OF THIS SECTION HAVE BEEN NEGOTIATED AND ARE INTENDED TO BE A COMPLETE EXCLUSION AND NEGATION OF ANY WARRANTIES OR REPRESENTATIONS

BY THE CITY, EXPRESS OR IMPLIED, WITH RESPECT TO THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER ARISING PURSUANT TO THE UNIFORM COMMERCIAL CODE OF THE STATE OF ILLINOIS OR ANOTHER LAW NOW OR HEREAFTER IN EFFECT OR OTHERWISE.

Section 5.7 Compliance with Laws. The Borrower shall, through the term of this Agreement and at no expense to the City, promptly comply or cause compliance with all applicable laws, ordinances, orders, rules, regulations and requirements of duly constituted public authorities which may be applicable to the Project or to the repair and alteration thereof,*

18

or to the use or manner of use of the Project, including, but not limited to, the Americans with Disabilities Act, Illinois Accessibility Code, all Federal, State and local environmental, health and safety laws, rules, regulations and orders applicable to or pertaining to the Project, Federal Worker Adjustment and Retraining Notification Act and Illinois Prevailing Wage Act.

Section 5.8 Issuer's and Purchaser's Right of Access to the Project. The Borrower agrees that during the term of this Agreement the City, the Purchaser, and their duly authorized agents shall have the right, but shall be under no duty or obligation to exercise this right, during regular business hours, with reasonable notice, to enter upon the premises and examine and inspect the Project, subject to such limitations, restrictions and requirements as the Borrower may reasonably prescribe.

Section 5.9 Maintenance and Repair; Insurance. The Borrower will maintain the Project in a safe and sound operating condition, making from time to time all needed material repairs thereto, and shall maintain reasonable amounts of insurance coverage with respect to the Project and shall pay all costs of such maintenance, repair and insurance.

Section 5.10 Rebate Fund, (a) The Borrower will cause to be created a special fund to be known as the "Series 2016B Rebate Fund," which shall thereafter be continuously held, invested, expended and accounted for in accordance with this Agreement and the Tax Certificate. Capitalized terms used in this Section which are not otherwise defined herein shall have the meanings specified in the Tax Certificate. Moneys in the Series 2016B Rebate Fund shall be free and clear of the lien of this Agreement and shall not be considered moneys held for the benefit of the owners of the Series 2016B Note. Except as provided in the Regulations, moneys in the Series 2016B Rebate Fund (including earnings and deposits therein) shall be held in trust for payment to the United States as required by the Regulations.

In addition to the amounts provided in this Agreement, the Borrower hereby agrees to deposit in the Series 2016B Rebate Fund for payment to the United States any amount which under the Regulations must be deposited in the Series 2016B Rebate Fund for payment to the United States with respect to the Series 2016B Note.

(b) The Borrower agrees to pay rebate in accordance with Section 148(f) of the Code and the regulations promulgated thereunder.

The Borrower and the Purchaser shall maintain a record of any investments of gross proceeds of the Series 2016B Note (within the meaning of Section 148(f) of the Code) held by the Purchaser, including without limitation investments of amounts held in the Project Fund. This record with respect to obligations in which gross proceeds of the Series 2016B Note are invested will include their date of purchase, purchase price,

coupon rate and period, and the amount and date of receipt of payments of principal, premium and interest and of sale, redemption and retirement proceeds with respect thereto.

The Borrower shall obtain and keep such records of the computations made pursuant to this Section as are required under Section 148(f) of the Code. Notwithstanding the foregoing, the Borrower shall keep such records at least until three years following the final payment or maturity of the Series 2016B Note.

19

ARTICLE VI

NO RECOURSE TO ISSUER; INDEMNIFICATION

Section 6.1 ' No Recourse to Issuer. The obligations of the City under this Agreement are limited obligations of the City, payable solely out of the revenues and income derived from the Borrower under this Agreement and as otherwise provided under this Agreement and the Ordinance. The obligations of the City hereunder shall not be deemed to constitute an indebtedness or an obligation of the City, the State of Illinois or any political subdivision thereof within the purview of any constitutional limitation or statutory provision, or a charge against the credit or general taxing powers, if any, of any of them. No recourse shall be had for the payment of the principal of, redemption premium, if any, and interest on the Series 2016B Note or for any claim based thereon or upon any obligation, covenant or agreement contained in this Agreement against any past, present or future official, officer or employee of the City, as such, either directly or through the City or any successor, under any rule of law, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability is hereby expressly waived and released as a condition of and consideration for the execution of this Agreement and the issuance of the Series 2016B Note.

Section 6.2 Indemnification. The Borrower will pay, and will protect, indemnify and save the City harmless from and against, any and all liabilities, losses, damages, costs and expenses (including reasonable attorneys' fees and expenses of the City), causes of action, suits, claims, demands and judgments of whatsoever kind and nature (including those arising or resulting from any injury to or death of any person or damage to property) arising out of the following, to the extent permitted by law:

- i) the design, construction and installation of the Project;
- ii) the use of the Project by the Borrower;
- iii) violation by the Borrower of any agreement, warranty, covenant or condition of this Agreement, the Land Use Restriction Agreement or the Borrower Documents;
- iv) violation by the Borrower of any other contract, agreement or restriction relating to the Project; and
- v) violation by the Borrower of any law, ordinance, regulation or court order affecting the Project or the ownership, occupancy or use thereof.

The City shall notify the Borrower in writing of any claim or action brought against the City in respect of which indemnity may be sought against the Borrower, setting forth the particulars of such claim or action, and the Borrower will assume the defense thereof, including the employment of counsel, and the payment of all

reasonable expenses. The City, at its sole discretion, may employ separate counsel in any such action and participate in the defense thereof. The fees and expenses of such separate counsel so incurred shall be at the expense of the Borrower without regard to any authorization of such employment by the Borrower.

20

Section 6.3 Default by Issuer - Limited Liability. Notwithstanding any provision or obligation to the contrary hereinbefore set forth, no provision of this Agreement shall be construed so as to give rise to a pecuniary liability of the City or to give rise to a charge upon the general credit of the City, the liability of the City hereunder shall be limited to its interest in the Project, this Agreement, and all other Borrower Documents and collateral and the lien of any judgment shall be restricted thereto. In the performance of the agreements of the City herein contained, any obligation it may incur for the payment of money shall not be a debt of the City, nor shall the City be liable on any obligation so incurred. The City does not assume general liability for the repayment of the Series 2016B Note or for the costs, fees, penalties, taxes, interest, omissions, charges, insurance or any other payments recited herein, and shall be obligated to pay the same only out of the amounts payable by the Borrower hereunder. The City shall not be required to do any act whatsoever or exercise any diligence whatsoever to mitigate the damages to the Borrower if a default shall occur hereunder.

ARTICLE

VII

ASSIGNMENT

Section 7.1 Assignment by Borrower. The rights of the Borrower under this Agreement may be assigned to, and the obligations of the Borrower assumed by, another party in whole or in part, but only with the prior written consent of the Purchaser and the City. No such - assignment will be made, however, unless the Borrower causes there to be delivered to the Purchaser and the City an Opinion of Bond Counsel to the effect that such assignment will not cause interest on the Series 2016B Note to be includable in the gross income of the owners thereof for federal income tax purposes.

Section 7.2 Security Interest; Assignment by Issuer. The City hereby assigns and grants to the Purchaser a security interest in any and all of the City's right, title and interest in and to (a) all amounts payable by the Borrower to it hereunder and under the Borrower Note and all rights to enforce the same, excluding only the Unassigned Rights, and (b) all funds and accounts created or held by any party pursuant to this Agreement. The City will not sell, assign or otherwise dispose of its rights under or interest in this Agreement or the Borrower Note, nor create or permit to exist any lien, encumbrance or other security interest in or on such rights or interest, except as set forth above.

ARTICLE VIII DEFAULTS AND

REMEDIES

Section 8.1 Events of Default. An "Event of Default" is any of the following:

- a) There is a failure to make due and punctual payment of any interest on the Series 2016B Note when due.
- b) There is a failure to make due and punctual payment of principal of the Series 2016B Note when due, at maturity, upon acceleration or redemption or otherwise.

c) The City fails to perform any of its agreements in this Agreement or the Series 2016B Note (except a failure that results in an Event of Default under clause (a) or (b) above, the performance of which is material to the Purchaser), and the failure continues after the notice and for the period specified in this Section.

d) The Borrower fails to perform any of its agreements in this Agreement (except a failure that results in an Event of Default under clause (a) or (b) of this Section), and the failure continues after the notice and for the period specified in this Section.

e) The Borrower pursuant to or within the meaning of any Bankruptcy Law (as defined below) (1) commences a voluntary case, (2) consents to the entry of an order for relief against it in an involuntary case, (3) consents to the appointment of a Custodian (as defined below) for the Borrower, or any substantial part of its property or (4) makes a general assignment for the benefit of its creditors.

f) A court of competent jurisdiction enters an order or decree under any Bankruptcy Law that (1) is for relief against the Borrower in an involuntary case, (2) appoints a Custodian (as defined below) for the Borrower or any substantial part of its, his or her property or (3) orders the winding up or liquidation of the Borrower, and the decree or order remains unstayed and in effect for 90 days.

g) An Event of Default occurs and is continuing under any of the Borrower Documents after the expiration of any applicable cure period.

"Bankruptcy Law" means Title 11 of the United States Code or any similar Federal or state law for the relief of debtors. "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A default under clause (c) or (d) of this Section is not an Event of Default until the Purchaser gives the City and the Borrower a notice specifying the default, demanding that it be remedied and stating that the notice is a "Notice of Default," and the City or the Borrower does not cure the default within 90 days after receipt of the notice, or within such longer period as the Purchaser shall agree.

Section 8.2 Acceleration. If any Event of Default occurs and is continuing, the Purchaser by notice to the City and the Borrower (except for an Event of Default under clause (e) or (f) of the foregoing Section, for which a declaration can be made without any notice), may declare the principal of and accrued interest on the Series 2016B Note to be due and payable immediately, and such principal and interest shall thereupon become and be immediately due and payable. Any such declaration shall also apply to the Borrower Note. The Purchaser may rescind an acceleration and its consequences if all existing Events of Default have been cured or waived, if the rescission would not conflict with any judgment or decree. Any such rescission shall also apply to the Borrower Note.

Section 8.3 Other Remedies. If an Event of Default occurs and is continuing, the Purchaser may pursue any available remedy by proceeding at law or in equity to collect the principal of or interest on the Series 2016B Note or to enforce the performance of any provision of the Series 2016B Note, this Agreement or the Borrower Note against the Borrower.

22

A delay or omission by the Purchaser in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default.

Section 8.4 Waiver of Past Defaults. The Purchaser by notice to the Borrower, with a copy to the City, may waive an existing Event of Default and its consequences. When an Event of Default is waived, it is cured and stops continuing, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent to it.

Section 8.5 Purchaser May File Proofs of Claim. The Purchaser may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Purchaser allowed in any judicial proceedings relative to the Borrower, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the holders in any election of a trustee in bankruptcy or other person performing similar functions.

Section 8.6 Attorneys' Fees and Expenses. If the Borrower should default under any provision of this Agreement and the City or Purchaser employ attorneys or incur other expenses for the collection of the payments due under this Agreement, the Borrower will on demand pay to the City or the Purchaser, as the case may be the reasonable fees of such attorneys and such other reasonable expenses so incurred by the City or the Purchaser, as the case may be.

Section 8.7 No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or the Purchaser is intended to be exclusive of any other available remedy or remedies but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, now or hereafter existing, at law or in equity or by statute. No delay or omission to exercise any right or power and accruing upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 8.8 Remedies Subject to Subordination Agreements. Notwithstanding any other provisions herein to the contrary, the exercise of remedies hereunder by the Purchaser shall in all events be subject to the provisions of any subordination or security documents relating to the Series 2013 Note, during such time as the Series 2013 Note is outstanding.

Section 8.9 Investor Limited Partner Cure Rights. Notwithstanding anything to the contrary contained in this Agreement or the Borrower Documents, any Event of Default arising under this Agreement or any Borrower Document may be cured by the Investor Limited Partner, its agent or their affiliates or designees on behalf of the Borrower, and such cure shall be accepted by the City and the Purchaser on the same terms as if made by the Borrower itself.

ARTICLE IX
