Legislative Bodies Details Report

Department name: Committee on Environmental Protection and Energy

Type: Committee

Meeting time:

Meeting location:

Primary contact: Cardenas, George A.

Description: The Committee on Environmental Protection and Energy shall have jurisdiction over all legislation relating to the abatement of air, water and noise pollution; solid waste collection and disposal; recycling and reuse of wastes; conservation of natural resources; and with all other matters not specifically included dealing with the improvement of the quality of the environment and the conservation of energy. The Committee shall also have jurisdiction over all ordinances, orders, resolutions and matters affecting public utilities with the exception of those matters over which jurisdiction is conferred herein upon the Committee on Transportation and Public Way.
