
Name: Committee on Economic, Capital and Technology Development

Type: Committee

Description: The Committee on Economic, Capital and Technology Development shall have jurisdiction over those matters which directly affect the economic and technological expansion and development of the City and economic attraction to the City; the financing of economic development subsidies, including special service areas, tax incentives, and special assessments; and shall work with those public and private organizations that are similarly engaged. The Committee also shall have jurisdiction over the consideration, identification, goals, plan and approach to the annual and five year Capital Improvement Programs. The Committee may hold community hearings to determine the priorities to be considered in the formulation of such programs.
